The Offering

Common Stock Offered by the Selling Stockholder 78,778 shares(1)

Use of Proceeds We will not receive any proceeds from the sale of shares in this offering by the selling stockholder.

NASDAQ Global Select Market Symbol INWK

---

Includes 14,236 shares of our common stock that were issued to the selling stockholder on March 12, 2012 pursuant to the Initial Earn-Out. Also includes 64,542 shares of our common stock, which is an estimate of the number of shares that may be issued to the selling stockholder in the future pursuant to the Remaining Earn-Out. Pursuant to the terms of the Purchase Agreement, the maximum Remaining Earn-Out is \$7,105,500, eighty-nine and one-tenth percent (89.1%) of which is to be paid in cash and ten and nine-tenths percent (10.9%) of which is to be paid in shares of our common stock based on the closing price of our common stock on the NASDAQ Global Select Market on the trading day prior to the date on which the common stock is issued for each applicable measurement period. The number of shares registered pursuant to the Remaining Earn-Out was estimated by (1) dividing \$774,499.50 (ten and nine-tenths percent (10.9%) of the Remaining Earn-Out of \$7,105,500) by the closing sale price of our common stock on the NASDAQ Global Select Market on March 26, 2012, which was \$12.00 per share. For purposes of the registration statement of which this prospectus forms a part, we have assumed all future payments, which are more fully described under "Issuance of Common Stock to Selling Stockholder," will be earned in full. The number of shares of our common stock to be issued to the selling stockholder for such future payments has not yet been determined and is therefore estimated herein. The exact number of shares will be determined by taking each specific future payment and dividing it by the closing sale price of our common stock as reported on the NASDAQ Global Select Market on the trading day prior to the date on which the common stock is issued for each applicable measurement period.

## RISK FACTORS

You should carefully consider the risks under the caption “Risk Factors” in our filings with the SEC pursuant to Section 13(a), 13(c), 14 or 15(d) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), incorporated by reference herein, before making an investment decision. If any of these risks actually occur, there could be a material adverse effect on our business, financial condition, cash flows or results of operations. In this case, the trading price of our common stock could decline, and you may lose all or part of your investment. These are not the only risks we face, and additional risks that are not yet identified or that we currently deem immaterial may also impair our business operations.

## USE OF PROCEEDS

The proceeds from the sale of shares of common stock offered pursuant to this prospectus are solely for the account of the selling stockholder. We will not receive any proceeds from the sale of shares by the selling stockholder. The selling stockholder will pay any underwriting discounts and commission and expenses incurred by the selling stockholder for brokerage, accounting, tax or legal services or any other expenses incurred by the selling stockholder in disposing of the shares. We will bear all other costs, fees and expenses incurred in effecting the registration of the shares covered by this prospectus, including, without limitation, all registration and filing fees, NASDAQ listing fees and fees and expenses of our counsel and our accountants.

## ISSUANCE OF COMMON STOCK TO SELLING STOCKHOLDER

On January 21, 2011, we completed the Acquisition pursuant to the Purchase Agreement. The Consideration to the selling stockholder for the Acquisition is an amount equal to up to \$8,820,500. The Consideration is comprised of the following: (A) \$200,000 paid in cash at closing; (B) 14,236 shares of our common stock issued on March 12, 2012 upon the achievement of certain financial milestones by the CPRO Companies and the Cirqit Companies during the measurement period from February 1, 2011 to January 30, 2012 as described below; (C) \$1,349,865 paid in cash on or about April 2, 2012 upon the achievement of certain financial milestones by the CPRO Companies and the Cirqit Companies during the measurement period from February 1, 2011 to January 30, 2012 as described below; and (D) up to \$7,105,500 in cash and shares of our common stock if certain financial milestones are achieved by the CPRO Companies and the Cirqit Companies during certain measurement periods between February 1, 2012 and January 31, 2014 as described below.

Pursuant to the Earn-Out, the selling stockholder will be eligible to receive up to three earn-out payments, having an aggregate maximum value of \$8,620,500 (or \$1,515,000 for the first measurement period, \$2,424,000 for the second measurement period and \$3,181,500 for the third measurement period), provided that CPRO Companies and Cirqit Companies achieve certain financial objectives. These objectives are defined in terms of earnings generated by the CPRO Companies and the Cirqit Companies excluding interest, taxes, depreciation and amortization, subject to

certain exclusions (“EBITDA”), and are as follows:

For the period beginning on February 1, 2011 and ending on January 31, 2012, EBITDA must be \$1,000,000 or more in order for the selling stockholder to be entitled to receive \$1,515,000. EBITDA of \$1,000,000 or more was achieved for this measurement period and an Initial Earn-Out payment was made in the form of (i) 14,236 shares of our common stock that were issued on March 12, 2012 and (ii) \$1,349,865 that will be paid in cash on or about April 2, 2012.

For the period beginning on February 1, 2012 and ending on January 31, 2013, EBITDA must be \$1,600,000 or more in order for the selling stockholder to be entitled to receive \$2,424,000. Should EBITDA fall below \$1,600,000, but exceed \$1,280,000, the selling stockholder shall be entitled to a pro-rata payout.

For the period beginning on February 1, 2013 and ending on January 31, 2014, EBITDA must be \$2,100,000 or more in order for the selling stockholder to be entitled to receive \$3,181,500. Should EBITDA fall below \$2,100,000, but exceed \$1,680,000, the selling stockholder shall be entitled a pro-rata payout.

In addition, the selling stockholder shall be eligible to receive an additional payment pursuant to the Earn-Out of up to a maximum of \$1,500,000 if EBITDA for the period beginning on February 1, 2011 and ending on January 31, 2014 (“Cumulative EBITDA”) equals or exceeds \$8,300,000. Should Cumulative EBITDA fall below \$8,300,000, but exceed \$7,470,000, the selling stockholder shall be entitled to receive to a pro-rata payout.

All Consideration paid in connection with the Earn-Out will be paid eighty-nine and one-tenth percent (89.1%) in cash and ten and nine-tenths percent (10.9%) in shares of our common stock based on the closing price of our common stock on the NASDAQ Global Select Market on the trading day prior to the date on which the common stock is issued for each applicable measurement period.

For purposes of the registration statement of which this prospectus forms a part, we have assumed that the selling stockholder will receive all future payments available under the Purchase Agreement.

This prospectus relates to the resales of shares of our common stock previously issued, or to be issued, by us to the selling stockholder in connection with the Purchase Agreement.

## SELLING STOCKHOLDER

If certain requirements are satisfied as discussed under “Issuance of Common Stock to Selling Stockholder,” we may in the future issue certain shares of common stock covered in this prospectus to the selling stockholder pursuant to the Purchase Agreement.

The following table sets forth certain information known to us with respect to beneficial ownership of our common stock as of March 26, 2012 by the selling stockholder, as determined in accordance with Rule 13d-3 of the Exchange Act. It assumes that the selling stockholder will be issued 64,542 shares of our common stock, which is an estimate of the number of shares that may be issued to the selling stockholder in the future pursuant to the Remaining Earn-Out. The estimated number of shares issuable pursuant to the Remaining Earn-Out was determined by dividing \$774,499.50 (ten and nine-tenths percent (10.9%) of the Remaining Earn-Out amount of \$7,105,500) by the closing sale price of our common stock on the NASDAQ Global Select Market on March 26, 2012, which was \$12.00 per share. The number of shares we are required to issue may be greater or less than the assumed amount depending on (i) the price of our common stock on the dates that we are required to use to determine the number of shares of our common stock to be issued and (ii) whether the selling stockholder is otherwise eligible to receive the shares.

The address for the selling stockholder is The Marcy Building, 2nd Floor, Purcell Estate, Road Town, Tortola, BVI.

Name of Selling Stockholder	Number of Shares of Common Stock Beneficially Owned		Number of Shares of Common Stock Being Offered(2)(3)
	Prior to this Offering(1)(2)	Number Percentage	
Inversiones Sky High Limited	<b>78,778</b>	<b>0.2%</b>	<b>78,778</b>

“Beneficial ownership” means that a person, directly or indirectly, has or shares voting or investment power with respect to a security or has the right to acquire such power within 60 days. The number of shares beneficially (1) owned is determined as of March 26, 2012, and the percentage is based upon 48,009,461 shares of our common stock outstanding as of March 26, 2012. The selling stockholder listed above has sole voting and investment power with respect to the shares of common stock beneficially owned by such stockholder.

## Edgar Filing: INNERWORKINGS INC - Form S-3

Includes 14,236 shares of our common stock that were issued to the selling stockholder on March 12, 2012 pursuant to the Initial Earn-Out. Also includes the maximum shares that the selling stockholder can earn based on (2) assumed future aggregate share payments pursuant to the Remaining Earn-Out equal to \$774,499.50 (ten and nine-tenths percent (10.9%) of the Remaining Earn-Out amount of \$7,105,500) divided by the closing sale price of our common stock on the NASDAQ Global Select Market on March 26, 2012, which was \$12.00 per share.

(3) The selling stockholder might not sell any or all of the shares offered by this prospectus. Because the selling stockholder may offer all or some of the shares pursuant to this offering, and because there are current no agreements, arrangements or understandings with respect to the sale of any of the shares, we cannot estimate the number of shares that will be held by the selling stockholder after the completion of this offering.

## PLAN OF DISTRIBUTION

The selling stockholder and any of its pledgees, assignees and successors-in-interest may, from time to time in one or more transactions on the Nasdaq Global Select Market or any other organized market where our shares of common stock may be traded sell any or all of its shares of our common stock through underwriters, dealers or agents, directly to one or more purchasers or through a combination of any such methods of sale. The selling stockholder may distribute the shares of our common stock from time to time in one or more transactions:

- at a fixed price or prices, which may be changed;

- at market prices prevailing at the time of sale;

  - at prices related to such prevailing market prices; or

- at negotiated prices.

The selling stockholder may use any one or more of the following methods when selling shares:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;

- one or more block trades in which the broker-dealer will attempt to sell the shares as agent or principal of all of the shares held by the selling stockholder;

- purchases by a broker-dealer as principal and resale by such broker-dealer for its account;

- an exchange distribution in accordance with the rules of the applicable exchange;

- privately negotiated transactions;

- short sales;

- broker-dealers may agree with the selling stockholder to sell a specified number of such shares at a stipulated price per share;

- a combination of any such methods of sale; and
- any other method permitted pursuant to applicable law.

If the selling stockholder effects such transactions by selling shares of common stock to or through underwriters, broker-dealers or agents, such underwriters, broker-dealers or agents may receive commissions in the form of discounts, concessions or commissions from the selling stockholder or commissions from purchasers of the shares of common stock for whom they may act as agent or to whom they may sell as principal (which discounts, concessions or commissions as to particular underwriters, broker-dealers or agents may be in excess of those customary in the types of transactions involved). In connection with sales of the shares of common stock or otherwise, the selling stockholder may enter into hedging transactions with broker-dealers, which may in turn engage in short sales of the shares of common stock in the course of hedging in positions they assume. The selling stockholder may also sell shares of common stock short and deliver shares of common stock covered by this prospectus to close out short positions and to return borrowed shares in connection with such short sales. The selling stockholder may also loan or pledge shares of common stock to broker-dealers that in turn may sell such shares.

The selling stockholder may pledge or grant a security interest in some or all of the shares of common stock owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of common stock from time to time pursuant to this prospectus or any amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act, amending, if necessary, the list of selling stockholders to include the pledgee, transferee or other successors in interest as selling stockholders under this prospectus. The selling stockholder also may transfer and donate the shares of common stock in other circumstances in which case the transferees, donees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

The selling stockholder and any broker-dealer participating in the distribution of the shares of common stock may be deemed to be “underwriters” within the meaning of the Securities Act, and any commission paid, or any discounts or concessions allowed to, any such broker-dealer may be deemed to be underwriting commissions or discounts under the Securities Act. At the time a particular offering of the shares of common stock is made, a prospectus supplement, if required, will be distributed which will set forth the aggregate amount of shares of common stock being offered and the terms of the offering, including the name or names of any broker-dealers or agents, any discounts, commissions and other terms constituting compensation from the selling stockholder and any discounts, commissions or concessions allowed or reallocated or paid to broker-dealers.

Under the securities laws of some states, the shares of common stock may be sold in such states only through registered or licensed brokers or dealers. In addition, in some states the shares of common stock may not be sold unless such shares have been registered or qualified for sale in such state or an exemption from registration or qualification is available and is complied with.

There can be no assurance that any selling stockholder will sell any or all of the shares of common stock registered pursuant to the registration statement of which this prospectus forms a part.

The selling stockholder and any other person participating in such distribution will be subject to applicable provisions of the Exchange Act, and the rules and regulations thereunder, including, without limitation, Regulation M of the Exchange Act, which may limit the timing of purchases and sales of any of the shares of common stock by the selling stockholder and any other participating person. Regulation M may also restrict the ability of any person engaged in the distribution of the shares of common stock to engage in market-making activities with respect to the shares of common stock. All of the foregoing may affect the marketability of the shares of common stock and the ability of any person or entity to engage in market-making activities with respect to the shares of common stock.

Once sold under the registration statement, of which this prospectus forms a part, the shares of common stock will be freely tradable in the hands of persons other than our affiliates.

 Total	 \$26,200

Item 15. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law (the "DGCL") provides that a corporation may indemnify directors and officers as well as other employees and agents against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement in connection with specified actions, suits or proceedings, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation — a "derivative action"), if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful.

A similar standard is applicable in the case of derivative actions, except that indemnification only extends to expenses (including attorneys' fees) actually and reasonably incurred in connection with the defense or settlement of such action and the statute requires court approval before there can be any indemnification where the person seeking indemnification has been found liable to the corporation. The statute provides that it is not exclusive of other indemnification that may be granted by a corporation's charter, by-laws, disinterested director vote, stockholder vote, agreement or otherwise.

Our Second and Amended and Restated Certificate of Incorporation and our Amended and Restated By-laws generally provide that, subject to certain limitations, we will indemnify and hold harmless, to the fullest extent permitted by applicable law, any person who was or is made or is threatened to be made a party or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the

fact that such person, or a person for whom such person is the legal representative, is or was a director or officer of the Company or, while a director or officer of the Company, is or was serving at the request of the Company as a director, officer, employee or agent of another corporation or of a partnership, joint venture, limited liability company, trust, enterprise or nonprofit entity, including service with respect to employee benefit plans, against all liability and loss suffered and expenses (including attorneys' fees) reasonably incurred by such person in such proceeding; except that we shall only be required to indemnify an indemnified person in connection with a proceeding (or part thereof) commenced by such indemnified person if the commencement of such proceeding (or part thereof) by the indemnified person was authorized in advance by the Board of Directors.

Both the DGCL and our By-laws specifically state that their indemnification provisions shall not be deemed exclusive of any other indemnity rights a director may have. Section 145 of the DGCL and our By-laws permit us to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Company against any liability asserted against him or her and incurred by him or her in any such capacity, or arising out of his or her status as such. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers or persons controlling us, we have been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

In addition, we have entered into indemnification agreements with each of our directors and executive officers that are broader than the specific indemnification provisions provided in the DGCL. These indemnification agreements may require us, among other things, to indemnify our directors and executive officers against liabilities that may arise by reason of their status or service. These indemnification agreements may also require us to advance all expenses incurred by the directors and executive officers in investigating or defending any such action, suit or proceeding. However, an individual will not receive indemnification for judgments, settlements or expenses if he or she is found liable to us (except to the extent the court determines he or she is fairly and reasonably entitled to indemnity for expenses that the court shall deem proper).

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

(a)(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to 424(b) if, in the aggregate, the changes

in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

- (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*provided, however,* that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the registration statement is on Form S-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective (2) amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(5) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

- (i) each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such

- (ii) date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

- The undersigned registrant undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Security Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person of the registrant in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
