### **ITEM 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year**

On July 25, 2014, Bacterin International Holdings, Inc. (the “Company”) filed a Certificate of Amendment of Restated Certificate of Incorporation (the “Amendment”) with the Delaware Secretary of State. The Amendment provides that each ten shares of the Company’s common stock will be reclassified and combined into one share of common stock effective July 25, 2014 at 5:00 p.m. Eastern Time (the “Reverse Stock Split”). The Reverse Stock Split will be effective for trading purposes beginning Monday, July 28, 2014. No fractional shares will be issued in the Reverse Stock Split. In lieu of fractional shares, stockholders will receive a cash payment.

All outstanding options and warrants to acquire common stock will be adjusted to reflect the Reverse Stock Split. With respect to all outstanding options and warrants to purchase common stock, the number of shares of common stock that such holders may purchase upon exercise of such options or warrants will decrease, and the exercise prices of such options or warrants will increase, in proportion to the ratio for the Reverse Stock Split. The number of shares reserved for issuance under the Company’s Amended and Restated Equity Incentive Plan will also be reduced proportionally based on the ratio of the Reverse Stock Split.

Existing stockholders holding common stock certificates will receive a letter from the Company's transfer agent, Corporate Stock Transfer, with specific instructions regarding the exchange of certificates. Stockholders who hold their shares in “street name” will be contacted by their banks or brokers with any instructions.

The foregoing description of the Amendment is qualified in its entirety by reference to the full text of the Amendment, which is attached hereto as Exhibit 3.1 and incorporated by reference herein.
