PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON

JANUARY 23, 2015

INTRODUCTION

Proxy Solicitation and General Information

This Proxy Statement and the enclosed form of proxy card (the "Proxy Card") are being furnished to the holders of common stock, par value \$0.001 per share, of NanoViricides, Inc., a Nevada corporation (which is sometimes referred to in this Proxy Statement as "NanoViricides, Inc.," "NanoViricides," the "Company," "we," "us" or "our"), in connection with solicitation of proxies by our Board of Directors for use at the Annual Meeting of Stockholders to be held on January 23, 2015, at 10:00 a.m., Eastern Daylight Time, at Hampton Inn, 26 Mill River Street, Stamford, Connecticut 06902, and at any adjournments or postponements thereof (the "Annual Meeting").

At the Annual Meeting, stockholders will be asked:

1. Re-election of Stanley Glick as a Class III director for a two-year term expiring at the 2016 annual meeting of stockholders and until his successor is duly elected and qualified or until his earlier resignation or removal (Proposal 1);

2. Approval of the amendment to our Articles of Incorporation to increase the number of authorized shares of our common stock, par value \$0.001 per share (the "Common Stock") from 85,714,286 shares to 150,000,000 and increase the number of our authorized shares of our preferred stock, par value \$0.001 per share (the "Preferred Stock") from 5,714,286 shares to 10,000,000 (Proposal 2); and

3. To transact such other business as may properly come before the Annual Meeting, including to consider any procedural matters incident to the conduct of the Annual Meeting, such as the postponement of the Annual Meeting in order to solicit additional proxies to vote in favor of the matters presented at the Annual Meeting.

The Board of Directors has fixed the close of business on November 28, 2014, as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. Each such stockholder will be entitled to one vote for each share of common stock held on all matters to come before the Annual Meeting and may vote in person or by proxy authorized in writing.

Proxies and Voting

Stockholders are requested to complete, sign, date and promptly return the enclosed Proxy Card in the enclosed envelope. Proxy Cards which are not revoked will be voted at the Annual Meeting in accordance with instructions contained therein. The election of the nominee for director named in this Proxy Statement (Proposal 1) and the amendment to the Company's Articles of Incorporation to increase the Company's authorized common stock (Proposal 2) require the affirmative vote of a majority of the Company's outstanding common stock present at the Annual Meeting, broker non-votes and abstentions will not count as affirmative votes.

Voting

Most beneficial owners whose stock is held in street name do not receive the Proxy Card. Instead, they receive voting instruction forms or proxy ballots from their bank, broker or other agent. Beneficial owners should follow the instructions on the voter instruction form or proxy ballot they receive from their bank, broker or other agent.

Our Board of Directors has selected Anil Diwan and Eugene Seymour, and each of them, to serve as “Proxyholders” for the Annual Meeting. Proxy Cards which are not revoked will be voted at the Meeting in accordance with instructions contained therein.

Revocation of Proxy

A stockholder who so desires may revoke its previously submitted Proxy Card at any time before it is voted at the Meeting by: (i) delivering written notice to us at NanoViricides, Inc., 135 Wood Street, Suite 205, West Haven, Connecticut 06516, c/o Secretary; (ii) duly executing and delivering a Proxy Card bearing a later date; or (iii) casting a ballot at the Annual Meeting. Attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy.

Voting on Other Matters

The Board of Directors knows of no other matters that are to be brought before the Annual Meeting other than as set forth in the Notice of Meeting. If any other matters properly come before the Annual Meeting, the persons named in the enclosed Proxy Card or their substitutes will vote in accordance with their best judgment on such matters.

Record Date; Shares Outstanding and Entitled to Vote

Only stockholders as of the close of business on November 28, 2014 (the “Record Date”) are entitled to notice of and to vote at the Annual Meeting. As of November 28, 2014, there were [] shares of our common stock outstanding and entitled to vote, with each share entitled to one vote. See “Beneficial Ownership of Company Common Stock By Directors, Officers and Principal Stockholders” for information regarding the beneficial ownership of our common stock by our directors, executive officers and stockholders known to us to beneficially own 5% or more of our common stock.

Quorum; Required Votes

The presence at the Meeting, in person or by duly authorized proxy, of the holders of a majority of the outstanding shares of common stock entitled to vote constitutes a quorum for this Meeting.

Abstentions and “broker non-votes” are counted as present for purposes of determining whether a quorum exists. A “broker non-vote” occurs when a nominee such as a bank, broker or other agent holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received voting instructions from the beneficial owner.

Nominees may have such discretion to vote absent instructions with respect to certain “routine” matters, but not with respect to matters that are considered “non-routine,” such as the election of a director. Accordingly, without voting instructions from you, your broker will not be able to vote your shares on Proposals 1 and 2.

Each share of NanoViricides common stock entitles the holder to one vote on each matter presented for stockholder action. The affirmative vote of a majority of the votes cast in person or represented by proxy at the Meeting is necessary for the election of the nominee of Class III named in this Proxy Statement (Proposal 1) and the amendment to the Company’s Articles of Incorporation to increase the Company’s authorized common stock (Proposal 2).

An inspector of elections appointed by NanoViricides will tabulate votes at the Meeting.

Proxy Solicitation; Expenses

NanoViricides will bear the costs of the solicitation of proxies for the Meeting. Our directors, officers and employees may solicit proxies from stockholders by mail, telephone, telegram, e-mail, personal interview or otherwise. Such directors, officers and employees will not receive additional compensation but may be reimbursed for out-of-pocket expenses in connection with such solicitation. Brokers, nominees, fiduciaries and other custodians have been requested to forward soliciting material to the beneficial owners of our common stock held of record by them and such parties will be reimbursed for their reasonable expenses.

Voting Confidentiality

Proxy Cards, ballots and voting tabulations are handled on a confidential basis to protect your voting privacy. This information will not be disclosed to unrelated third parties except as required by law.

Appraisal Rights

Stockholders will have no rights of appraisal under the Nevada Revised Statutes in connection with the proposals to be considered at the Meeting.

IT IS DESIRABLE THAT AS LARGE A PROPORTION AS POSSIBLE OF THE STOCKHOLDERS' INTERESTS BE REPRESENTED AT THE MEETING. THEREFORE, EVEN IF YOU INTEND TO BE PRESENT AT THE MEETING, PLEASE SIGN AND RETURN THE ENCLOSED PROXY CARD TO ENSURE THAT YOUR STOCK WILL BE REPRESENTED. IF YOU ARE PRESENT AT THE MEETING AND DESIRE TO DO SO, YOU MAY WITHDRAW YOUR PROXY CARD AND VOTE IN PERSON BY GIVING WRITTEN NOTICE TO THE SECRETARY OF THE COMPANY. YOUR PRESENCE AT THE MEETING WILL NOT AUTOMATICALLY REVOKE YOUR PROXY CARD. PLEASE RETURN YOUR EXECUTED PROXY CARD PROMPTLY.

**QUESTIONS AND ANSWERS REGARDING THIS SOLICITATION
AND VOTING AT THE MEETING**

Why am I receiving this proxy statement?

You are receiving this proxy statement from us because you were a stockholder of record at the close of business on the record date of November 28, 2014. As a stockholder of record, you are invited to attend our annual meeting of stockholders (“Annual Meeting”) and are entitled to vote on the items of business described in this proxy statement. This proxy statement contains important information about the Annual Meeting and the items of business to be transacted at the Annual Meeting. You are strongly encouraged to read this proxy statement, which includes information that you may find useful in determining how to vote.

Who is entitled to attend and vote at the meeting?

Only holders of record of shares of our common stock at the close of business on November 28, 2014 (the record date) are entitled to notice of, to attend, and to vote at the Annual Meeting and any adjournments or postponements of the Annual Meeting.

How many shares are outstanding?

On the record date, [] shares of our common stock were issued and outstanding and held by approximately [] holders of record, which does not include stockholders holding our stock in “street name.” Each share of common stock outstanding on the record date is entitled to one vote.

How many shares must be present or represented to conduct business at the meeting (that is, what constitutes a quorum)?

The presence at the Annual Meeting, in person or represented by proxy, of the holders of at least a majority of the shares of our common stock, issued and outstanding on the record date and entitled to vote at the Annual Meeting, will constitute a quorum for the transaction of business. If, however, a quorum is not present, in person or represented by proxy, then either the chairman of the Annual Meeting or the stockholders entitled to vote at the Annual Meeting may adjourn the Annual Meeting until a later time.

What items of business will be voted on at the meeting?

The items of business to be voted on at the Annual Meeting are as follows:

To elect the nominee Class III Director named in the accompanying Proxy Statement to serve on the Board of Directors for a two-year term expiring at the 2016 annual meeting of stockholders and until his successor is duly elected and qualified or until their earlier resignation or removal (Proposal 1); and

The amendment to the Company’s Articles of Incorporation to increase the Company’s authorized capital stock (Proposal 2); and

To transact such other business as may properly come before the Annual Meeting, including to consider any procedural matters incident to the conduct of the Annual Meeting, such as the postponement of the Annual Meeting in order to solicit additional proxies to vote in favor of the matters presented at the Annual Meeting.

What happens if additional matters are

The only items of business that our Board of Directors intends to present at the Annual Meeting are set forth in this proxy statement. As of the date of this proxy statement, no

presented at the meeting? stockholder has advised us of the intent to present any other matter, and we are not aware of any other matters to be presented at the Annual Meeting. If any other matter or matters are properly brought before the Annual Meeting, the person(s) named as your proxyholder(s) will have the discretion to vote your shares on the matters in accordance with their best judgment and as they deem advisable.

How does the Board of Directors recommend that I vote? Our Board of Directors recommends that you vote your shares “**FOR**” the election of the director nominee, “**FOR**” and the amendment to the Company’s Articles of Incorporation.

What shares can I vote at the meeting?

You may vote all of the shares you owned as of November [], 2014, the record date, including shares held directly in your name as the *stockholder of record* and all shares held for you as the *beneficial owner* through a broker, trustee or other nominee such as a bank. Some of our stockholders hold their shares through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholders of Record. If your shares are registered directly in your name with our transfer agent, Corporate Stock Transfer, Inc., you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent directly to you by us. As the stockholder of record, you have the right to vote in person at the Annual Meeting or direct the proxyholder how to vote your shares on your behalf at the Annual Meeting by fully completing, signing and dating the enclosed proxy card and returning it to us in the enclosed postage-paid return envelope.

Beneficial Owner. If your shares are held in a brokerage account or by a trustee or another nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you together with a voting instruction card by your broker, trustee or other nominee. As the beneficial owner, you have the right to direct your broker, trustee or nominee to vote your shares as you instruct in the voting instruction card. The broker, trustee or other nominee may either vote in person at the Annual Meeting or grant a proxy and direct the proxyholder to vote your shares at the Annual Meeting as you instruct in the voting instruction card. You may also vote in person at the Annual Meeting, but only after you obtain a “legal proxy” from the broker, trustee or nominee that holds your shares, giving you the right to vote your shares at the Annual Meeting. Your broker, trustee or nominee has enclosed or provided a voting instruction card for you to use in directing the broker, trustee or nominee how to vote your shares.

How can I vote my shares without attending the Annual Meeting?

As discussed previously, whether you hold shares directly as the stockholder of record or as a beneficial owner, you may direct how your shares are voted without attending the Annual Meeting by completing and returning the enclosed proxy card or voting instruction card. If you provide specific instructions with regard to items of business to be voted on at the Annual Meeting, your shares will be voted as you instruct on those items.

How can I vote my shares in person at the meeting?

Shares held in your name as the stockholder of record may be voted in person at the Annual Meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares at the Annual Meeting. You should be prepared to present the Admission Ticket attached to the proxy card and photo identification for admittance. Please also note that if you are not a stockholder of record but hold shares through a broker, trustee or nominee, you will need to provide proof of beneficial ownership as of the record date, such as your most recent brokerage account statement, a copy of the voting instruction card provided by your broker, trustee or nominee, or other similar evidence of ownership. The Annual Meeting will begin promptly at 10:00 a.m. (local time). Reception and check-in will begin at 9:00 a.m. Even if you plan to attend the Annual Meeting, we recommend that you also complete, sign and date the enclosed proxy card or voting instruction card and return it promptly in the accompanying postage-paid return envelope in order to ensure that your vote will be counted if you later decide not to, or are unable to, attend the Annual Meeting.

Can I change my vote or revoke my proxy?

You may change your vote or revoke your proxy at any time prior to the vote at the Annual Meeting. If you are the stockholder of record, you may change your vote by granting a new proxy bearing a later date, which automatically revokes the earlier proxy, by providing a written notice of revocation to our Corporate Secretary prior to your shares being voted, or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not cause your previously granted proxy to be revoked unless you specifically so request.

You may change your vote or revoke your proxy at any time prior to the vote at the Annual Meeting. If you are the stockholder of record, you may change your vote by granting a new proxy bearing a later date, which automatically revokes the earlier proxy, by providing a written notice of revocation to our Corporate Secretary prior to your shares being voted, or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not cause your previously granted proxy to be revoked unless you specifically so request.

If you are a beneficial owner, you may change your vote by submitting a new voting instruction card to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker, trustee or nominee giving you the right to vote your shares, by attending the Annual Meeting and voting in person.

Is my vote confidential

Proxy cards, voting instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed, except as required by law to Corporate Stock Transfer, Inc., our transfer agent, to allow for the tabulation of votes and certification of the vote, and to facilitate a successful proxy solicitation.

How are votes counted and what vote is required to approve each item

Each outstanding share of our common stock entitles the holder to one vote per share on each matter considered at the Annual Meeting. Stockholders are not entitled to cumulate their votes in the election of directors or with respect to any matter submitted to a vote of the stockholders.

Proposal No. 1

The election of directors requires a plurality of the votes cast for the election of directors and, accordingly, so long as a quorum is present, if the director nominee receives a majority of affirmative “**FOR**” votes at the Annual Meeting, he will be elected to serve as director. You may vote either “**FOR**” or “**WITHHOLD**” your vote for the director nominee. A properly executed proxy marked “**WITHHOLD**” with respect to the election of a director will not be voted with respect to the director indicated, although it will be counted for purposes of determining whether there is a quorum.

Proposal No. 2

The amendment of our Articles of Incorporation requires a majority of the votes cast for the amendment and, accordingly, so long as a quorum is present, if the Amendment receives a majority of affirmative “**FOR**” votes at the Annual Meeting, the Articles of Incorporation will be amended to effectuate the Authorized Increase. You may vote either “**FOR**” or “**AGAINST**” the Authorized Increase, or you may abstain. A properly executed proxy marked “**ABSTAIN**” with respect to the Authorized Increase will not be voted with respect to such amendment, although it will be counted for purposes of determining both whether there is a quorum and the total number of votes cast with respect to the proposal and will thus have the same effect as a vote “**AGAINST**”

the proposal. If the stockholders fail to ratify the amendment the Authorized Increase will not take effect.

What is a “broker non-vote”?

Under the rules that govern brokers and banks who have record ownership of our shares of common stock that are held in street name for their clients such as you, who are the beneficial owners of the shares, brokers and banks have the discretion to vote such shares on routine matters. For non-routine matters, brokers and banks do not have such discretion, resulting in a broker non-vote.

How are “broker non-votes” counted?

Broker non-votes will be counted as present for the purpose of determining the presence or absence of a quorum for the transaction of business, but they will *not* be counted in tabulating the voting result for any particular proposal

How are abstentions counted?

If you return a proxy card that indicates an abstention from voting on one or more proposals, the shares represented by your proxy will be counted as present for the purpose of determining both the presence of a quorum and the total number of votes cast with respect to a proposal (other than the election of directors), but they will not be counted in tabulating the voting results for any particular proposal. As a result, an abstention will have the same effect as a vote against a proposal (other than the election of directors).

What happens if the meeting is adjourned?

If our Annual Meeting is adjourned to another time and place, no additional notice will be given of the adjourned meeting if the time and place of the adjourned meeting is announced at the Annual Meeting, unless the adjournment is for more than 30 days, in which case a notice of the adjourned meeting will be given to each stockholder of record entitled to vote at the adjourned meeting. At the adjourned meeting, we may transact any items of business that might have been transacted at the Annual Meeting.

Who will serve as inspector of elections?

A representative of Corporate Stock Transfer, Inc., our transfer agent, will tabulate the votes and act as inspector of elections at the Annual Meeting.

What should I do in the event that I receive more than one set of proxy materials?

You may receive more than one set of these proxy solicitation materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. In addition, if you are a stockholder of record and your shares are registered in more than one name, you may receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive to ensure that all your shares are voted.

Who is soliciting my vote and who will bear the costs of this solicitation?

The enclosed proxy is being solicited on behalf of our Board of Directors. We will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement. In addition to solicitation by mail, our directors, officers and employees may also solicit proxies in person, by telephone, by electronic mail or by other means of communication.

We will not pay any additional compensation to our directors, officers or other employees for soliciting proxies. Copies of the proxy materials will be furnished to brokerage firms, banks, trustees, custodians and other nominees holding beneficially owned shares of our common stock, who will forward the proxy materials to the beneficial owners. We may, at our discretion, reimburse brokerage firms, banks, trustees, custodians and other agents for the costs of forwarding the proxy materials. Our costs for forwarding proxy materials will not be significant.

***Where can I find
the voting results
of the meeting?***

We intend to announce preliminary voting results at the meeting, and publish the final voting results in a Current Report on Form 8-K that we expect to file within four business days after the meeting.

PROPOSAL 1

ELECTION OF DIRECTOR

Our Amended and Restated Bylaws provide that our Board of Directors will consist of not less than two or more than seven members, with such number to be fixed by the Board of Directors and there are currently five members of our Board of Directors. The directors are divided into three classes. Each director serves for a term of two years. At each annual meeting, the term of one or more classes of directors expires. The class of directors with a term expiring at this annual meeting consists of one director. At the Annual Meeting, one Class III director will be elected to serve for a term of two years expiring at the 2016 annual meeting of stockholders and until his successor is duly elected and qualified or until his earlier resignation or removal.

Except as otherwise specified or in the case of broker non-votes, each Proxy Card received will be voted for the election of the nominee for directors named below for a two-year term expiring at the 2016 annual meeting of stockholders and until his successor is duly elected and qualified or until his earlier resignation or removal. The nominee named below have been nominated by the Board of Directors and has consented to be named a nominee in this Proxy Statement and to serve as a director, if elected. Should the nominee become unable or unwilling to accept a nomination for election, the person named in the enclosed Proxy Card will vote for the election of a nominee designated by the Board of Directors or will vote for such lesser number of directors as may be prescribed by the Board of Directors in accordance with our Amended and Restated By-laws.

When considering whether director and nominee have the experience, qualifications, attributes and skills, taken as a whole, to enable the Board of Directors to satisfy its oversight responsibilities effectively in light of the Company's business and structure, the Board of Directors focused primarily on the information discussed in each of the nominee's individual biographies set forth below, which contains information regarding the person's service as a director, business experience, and director positions held currently or at any time during the last five years.

Director Nominee Biographical Information

The age and principal occupation for the past five years of the person nominated as director is set forth below:

Stanley Glick, CPA, age 77, was appointed as an independent Director and as chair of the Audit Committee of the Company on June 22, 2012. Mr. Glick has over forty years of experience in his long career of providing auditing, accounting, tax, and management advisory services, to clients in various industries. Mr. Glick has been a member of several Boards of Directors for not-for-profit organizations in the Westport, Connecticut area. In particular, he has served as a Director and member of Audit Committee of “A Better Chance” of Westport, Connecticut, from 2000 to 2005. From 1977 until present, Mr. Glick has managed an independent practice as a Certified Public Accountant in Connecticut and New York States. Prior to forming his own CPA firm, Mr. Glick was employed by local and regional CPA firms where he performed and supervised audits and financial reporting. Mr. Glick is a member of the American Institute of Certified Public Accountants, The Connecticut Society of Certified Public Accountants, and the New York State Society of Certified Public Accountants. He holds a Bachelor of Business Administration degree in Accounting from Baruch College of Business (now Baruch College of the City University of New York). Mr. Glick is married and lives in Trumbull, Connecticut. We concluded that Mr. Glick’s broad business, accounting and auditing experience meets the criteria of an independent director and an “audit committee Financial Expert. The Company has expanded and enhanced its Board of Directors by the appointment of Stanley Glick CPA, as an independent director. The Company understands that as an SEC-filing company trading on the over-the-counter bulletin-board, the Company is currently not required to appoint independent board members, and is not required to appoint an independent board member financial expert to chair its Audit Committee. However, the Company believes that an independent board member with expertise in financial reporting and management advisory services, chairing the audit committee, would provide additional assurances to the financial community and other users of the Company’s financial statements. Mr. Glick’s appointment as an independent director and audit committee chairman, significantly improves the Company’s financial oversight and management.

The affirmative vote of a plurality of the votes cast in person or by proxy at the Meeting is necessary for the election as director of the nominee named in this Proxy Statement (assuming a quorum of a majority of the outstanding shares of common stock is present).

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE ABOVE-NAMED DIRECTOR NOMINEE.

The Company has developed a drug candidate for EKC infection that was successfully tested in rabbits. These animals serve as a surrogate for the viral disease in human eyes. We concluded Dr. Boniuk's experience plus business acumen render him qualified to serve as a member of its Board of Directors.

Eugene Seymour, MD, MPH, age 73, has been Chief Executive Officer (CEO) and a director of the Company since consummation of its merger on June 1, 2005. At the 2014 Annual Meeting, we will ask our stockholders to approve the amendment to our Articles of Incorporation to increase the number of authorized shares of Common Stock. On September 9, the Board of Directors approved a proposal to amend the Company's Articles of Incorporation to increase the number of authorized shares of our Common Stock from 85,714,286 shares to 150,000,000 and the number of authorized shares of our Preferred Stock from 5,714,286 to 10,000,000. Accordingly, approximately 2,326,491 shares of the total number of common stock currently authorized remain available for issuance or may be reserved for issuance.

Form of the Amendment

The proposed amendment (the “Amendment”) would amend and restate Article Four of our Articles of Incorporation to read in its entirety as follows:

ARTICLE IV

(i) the total number of shares of stock that the Corporation shall have authority to issue is 160,000,000, consisting of (i) 150,000,000 shares of Common Stock, par value \$0.001 per share (the “Common Stock”) and (ii) 10,000,000 shares of Preferred Stock, par value \$0.001 per share (the “Preferred Stock”).

(b) Preferred Stock. Preferred Stock may be issued from time to time in one or more series. The Board of Directors is hereby authorized to provide for the issuance of shares of Preferred Stock in series and, by filing a certificate pursuant to the N.R.S. (hereinafter, along with any similar designation relating to any other class of stock that may hereafter be authorized, referred to as a “Preferred Stock Designation”), to establish from time to time one or more classes of Preferred Stock or one or more series of Preferred Stock, by fixing and determining the number of shares to be included in each such class or series, and to fix the designation, powers, preferences and rights of the shares of each such series and the qualifications, limitations and restrictions thereof. The authority of the Board of Directors with respect to each series, is hereby expressly vested in it and shall include, without limiting the generality of the foregoing, determination of the following:

(i) the designation of such class or series, which may be by distinguishing number, letter or title;

(ii) the number of shares of the series, which number the Board of Directors may thereafter (except where otherwise provided in the Preferred Stock Designation) increase or decrease (but not below the number of shares thereof then outstanding);

(iii) the amounts payable on, and the preferences, if any, of shares of the series in respect of dividends payable and any other class or classes of capital stock of the Corporation, and whether such dividends, if any, shall be cumulative or noncumulative;

- (iv) on which dividends, if any, shall be payable;

- (v) whether the shares of such class or series shall be subject to redemption by the Corporation, and if made subject to redemption, the redemption rights and price or prices, if any, for shares of the class or series;

- (ix) restrictions on the issuance of shares of the same class or series or of any other class or series;
 - (x) whether the holders of the shares of such class or series shall be entitled to vote, as a class, series or otherwise, any and all matters of the corporation to which holders of Capital Stock are entitled to vote;
 - (xi) the restrictions and conditions, if any, upon the issuance or reissuance of any Additional Preferred Stock ranking or a party with or prior to such shares as to dividends or upon distribution; and
 - (xii) any other preferences, limitations or relative rights of shares of such class or series consistent with this Article III, the N.R.S. and applicable law.
- (c) Common Stock. The Common Stock shall be subject to the express terms of the Preferred Stock and any series thereof. Each share of Common Stock shall be equal to each other share of Common Stock. Except as may be provided in these Amended and Restated Articles of Incorporation or in a Preferred Stock Designation, the holders of shares of Common Stock shall be entitled to one vote for each such share upon all questions presented to the stockholders.

Background and Reasons for the Share Increase

Our Articles of Incorporation currently authorize the issuance of up to 85,714,286 shares of Common Stock and 5,714,286 shares of Preferred Stock. As of the close of business on November 14, 2014, there were 57,106,568 shares of Common Stock issued and outstanding and 22,374,251 shares reserved for issuance pursuant to outstanding convertible debentures, warrants, options and shares of Series A Convertible Preferred Stock, leaving a balance of 6,233,467 shares of Common Stock available for issuance. In addition, 3,387,795 shares of Preferred Stock are issued and outstanding leaving a balance of 2,326,491 shares that are authorized but unissued.. There are currently no shares of Preferred Stock reserved for issuance.

If the Share Increase is approved by shareholders, upon its effectiveness we will have a total of 150,000,000 authorized shares of common stock, with 56,535,135 shares of Common Stock issued and outstanding (as of the Record Date), and 22,374,251 shares reserved for issuance, leaving a balance of 70,519,181 shares of Common Stock authorized and unissued and not reserved for any specific purpose. Additionally, upon effectiveness of the Share Increase, we will have a total of 3,387,795 shares of Preferred Stock issued and outstanding as of the Record Date, leaving a balance of 6,612,205 shares of Preferred Stock authorized and unissued and not reserved for any specific purpose. The Board of Directors recommends that shareholders approve the Share Increase Amendment. Adoption of

the amendment requires that the number of votes cast in favor of the amendment exceed the number of votes cast against it at the Annual Meeting.

Purpose of the Amendment

The Board of Directors believes it is in the best interest of the Company to increase the number of authorized shares of our capital stock in order to give the Company greater flexibility in considering and planning for future general corporate needs, including, but not limited to, stock dividends, grants under equity compensation plans, stock splits, financings, potential strategic transactions, as well as other general corporate transactions. The Board of Directors believes that additional authorized shares of capital stock will enable the Company to take timely advantage of market conditions and favorable financing and acquisition opportunities that become available to the Company.

The Company has no current plan, commitment, arrangement, understanding or agreement regarding the issuance of additional shares of capital stock from the additional shares to be authorized herein. The authorized but unissued shares will only be issued at the direction of the Board of Directors, and upon separate shareholder approval if and as required by applicable law and NYSE MKT regulation.

Rights of Additional Authorized Shares

Any newly authorized shares of common stock will be identical to the shares of common stock now authorized and outstanding. The amendment will not affect the rights of current holders of common stock, none of whom have preemptive or similar rights to acquire the newly authorized shares. In accordance with our Articles of Incorporation and the Nevada Revised Statutes, any of our unissued shares of Preferred Stock are “blank check” Preferred Stock which shall have such voting rights, dividend rights, liquidation preferences, conversion rights and perceptible rights as may be determined by the Company’s Board of Directors.

Potential Adverse Effects of the Amendment

Adoption of the amendment will have no immediate dilutive effect on the proportionate voting power or other rights of the Company’s existing stockholders. The Board of Directors has no current plan to issue shares from the additional authorized shares provided by the amendment. However, any future issuance of additional authorized shares of our Common Stock or Preferred Stock, at the future direction of the Board of Directors and upon the approval of shareholders, if and as required by applicable law and NYSE MKT regulation, may, among other things, dilute the earnings per share of common stock and the equity and voting rights of those holding common stock at the time the additional shares are issued.

In addition to the general corporate purposes mentioned above, an increase in the number of authorized shares of Common Stock or Preferred Stock may make it more difficult to, or discourage an attempt to, obtain control of the Company by means of a takeover bid that the Board of Directors determines is not in the best interest of the Company and its stockholders. However, the Board of Directors does not intend or view the proposed increase in the number of authorized shares of common stock as an anti-takeover measure and is not aware of any attempt or plan to obtain control of the Company.

Potential Anti-Takeover Effects

The Share Increase could adversely affect the ability of third parties to take us over or change our control by, for example, permitting issuances that would dilute the stock ownership of a person seeking to effect a change in the composition of our Board of Directors or contemplating a tender offer or other transaction for the combination of us with another company that the Board determines is not in our best interests or in the best interests of our shareholders. The ability of our Board of Directors to cause us to issue substantial amounts of Common Stock or Preferred Stock without the need for shareholder approval, except as may be required by law or regulation, upon such terms and conditions as our Board of Directors may determine from time to time in the exercise of its business judgment may, among other things, be used to create voting impediments with respect to changes in our control or to dilute the stock

ownership of holders of common stock seeking to obtain control of us. The issuance of Common Stock or Preferred Stock, while providing desirable flexibility in connection with potential financings and other corporate transactions, may have the effect of discouraging, delaying or preventing a change in our control. Our Board of Directors, however, does not intend or view the Share Increase Amendment as an anti-takeover measure, nor does it contemplate its use in this manner at any time in the foreseeable future.

Appraisal Rights

Pursuant to the Nevada Revised Statute, shareholders are not entitled to appraisal rights with respect to the Share Increase.

Effectiveness of Amendment

If the amendment is adopted, it will become effective upon the filing of a certificate of amendment to our Articles of Incorporation with the Secretary of State of the State of Nevada.

THE BOARD OF DIRECTORS RECOMMENDS YOU VOTE “FOR”

THE AMENDMENT TO OUR ARTICLES OF INCORPORATION

TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF CAPITAL STOCK.

OTHER MATTERS

As of the date of this Proxy Statement, the Board of Directors does not intend to present any other matter for action at the Annual Meeting other than as set forth in the Notice of Annual Meeting and this Proxy Statement. If any other matters properly come before the Meeting, it is intended that the shares represented by the proxies will be voted, in the absence of contrary instructions, in the discretion of the persons named in the Proxy Card.

The Audit Committee is responsible primarily for overseeing the services performed by the Company's independent registered public accounting firm and internal audit department, evaluating the Company's accounting policies and system of internal controls, reviewing significant financial transactions and overseeing enterprise risk management. The Audit Committee met a total of five (5) times during 2014.

The current members of our Audit Committee each meet the independence criteria for directors set forth under the rules of the NYSE MKT and the additional independence criteria for members of audit committees specified in Section 803B of the NYSE MKT Company Guide and Rule 10A-3 under the Exchange Act. Each member of our Audit Committee is financially literate under the current listing standards of the NYSE MKT. Compensation Committee

The Compensation Committee is responsible primarily for reviewing the compensation arrangements for the Company's executive officers, including the Chief Executive Officer, administering the Company's equity compensation plans, and reviewing the compensation of the Board of Directors. The Compensation Committee's authority to grant equity awards may not be delegated to the Company's management or others. For a description of the Compensation Committee's processes and procedures, including the roles of the Company's executive officers and independent compensation consultants in the Compensation Committee's decision-making process, please see the section entitled "Compensation Discussion and Analysis" below. The Compensation Committee met a total of one time[s] during 2014.

Pursuant to Section 805 of the NYSE MKT Company Guide, compensation of our Chief Executive Officer is determined, or recommended to the Board of Directors for determination, by the Compensation Committee comprised solely of independent directors. The Chief Executive Officer is not present during voting or deliberations. Compensation for all other officers is determined, or recommended to the Board of Directors for determination, by the Compensation Committee comprised solely of independent directors.

Nominating Committee

The primary functions of the Nominating Committee are to: review and make recommendations on the range of skills and expertise which should be represented on the Board of Directors, and the eligibility criteria for individual Board of Directors and Committee membership; review and recommend to the Board of Directors the appropriate structure of the Board of Directors; identify individuals qualified to become Board of Directors members and recommend to the Board of Directors the nominee for election to the Board of Directors at the next Annual Meeting of Stockholders; implement a policy and procedures with regard to consideration of any director candidate recommended by stockholders; retain and terminate any search firm to be used to identify director candidates, and to approve the search firm, fees and other retention terms; and review and recommend to the Board of Directors the appropriate structure of Committees, Committee assignments and the Committee chairman.

Among the factors the Nominating Committee considers when determining persons to be nominated include whether such individuals are actively engaged in business endeavors, have an understanding of financial statements, corporate budgeting and capital structure, are familiar with the requirements of a publicly traded company, are familiar with industries relevant to our business endeavors, are willing to devote significant time to the oversight duties of the Board of Directors of a public company, and are able to promote a diversity of views based on the person's education, experience and professional employment. The Nominating Committee evaluates each individual in the context of the Board of Directors as a whole, with the objective of recommending a group of persons that can best implement our business plan, perpetuate our business and represent stockholder interests. The Nominating Committee may require certain skills or attributes, such as financial or accounting experience, to meet specific Board of Directors needs that

arise from time to time.

The Company is of the view that the continuing service of qualified incumbents promotes stability and continuity in the board room, contributing to the ability of the Board of Directors to work as a collective body, while giving the Company the benefit of the familiarity and insight into the Company's affairs that its directors have accumulated during their tenure. Accordingly, the process of the Nominating Committee for identifying nominees reflects the Company's practice of re-nominating incumbent directors who continue to satisfy the Nominating Committee's criteria for membership on the Board of Directors, whom the Nominating Committee believes continue to make important contributions to the Board of Directors and who consent to continue their service on the Board of Directors. The Nominating Committee will identify and/or solicit recommendations for new candidates when there is no qualified and available incumbent. The Nominating Committee met a total of one time during 2014.

The Audit Committee, Compensation Committee and Nominating Committee operate under written charters adopted by the Board of Directors. These charters are available on the Company's website at www.nanoviricides.com.

Dr. Diwan and Ms. Vyas are married. There are no other family relationships between our executive officers and any director of the Company.

Our Board of Directors is committed to sound and effective corporate governance practices. The Company's management and our Board of Directors reviewed our corporate governance practices in light of Section 406 of the Sarbanes-Oxley Act of 2002. Based on that review, the Board of Directors maintains a Code of Ethics, and Audit Committee charters.

Board of Directors Leadership Structure and Risk Oversight

In accordance with our By-laws, our Board of Directors appoints our officers, including our chief executive officer and chief financial officer. Our Board of Directors does not have a policy on whether the role of the chairman and chief executive officer should be separate and, if it is to be separate, whether the chairman should be selected from the non-employee directors or be an employee. Currently, the roles of the chairman and chief executive officer are separate.

Our Board of Directors is primarily responsible for overseeing our risk management processes. Our Board of Directors, as a whole, determines the appropriate level of risk for our Company, assesses the specific risks that we face and reviews management's strategies for adequately mitigating and managing the identified risks. Although our Board of Directors administers this risk management oversight function, our audit committee supports our Board of Directors in discharging its oversight duties and address risks inherent in their respective areas. We believe this division of responsibilities is an effective approach for addressing the risks we face and that our Board of Directors leadership structure supports this approach. In particular, the audit committee is responsible for considering and discussing our significant accounting and financial risk exposures and the actions management has taken to control and monitor these exposures. Going forward, we expect that the audit committee will receive periodic reports from

management at least quarterly regarding our assessment of such risks. While the Board of Directors oversees our risk management, company management is responsible for day-to-day risk management processes. Our Board of Directors expects company management to consider risk and risk management in each business decision, to proactively develop and monitor risk management strategies and processes for day- to-day activities and to effectively implement risk management strategies adopted by the audit committee and the Board of Directors. Our Board of Directors believes its administration of its risk oversight function has not affected the Board of Directors' leadership structure.

Director's Compensation

At this time, directors receive no remuneration for their services as directors of the Company, nor does the Company reimburse directors for expenses incurred in their service to the Board of Directors. The Company does not expect to pay any fees to its directors for the 2015 fiscal year.

Adverse Proceedings

Yidam, Ltd. v. Eugene Seymour, Anil Diwan, and Nanoviricides, Inc. (Case No. A-12-659535-B)

On or about April 13, 2012, the Nevada Agency and Transfer Company, as agent for service of process for the Company in Nevada, was served with a Summons and Complaint in the case entitled Yidam, Ltd. v. Eugene Seymour, Anil Diwan, and Nanoviricides, Inc. (Case No. A-12-659535-B) answerable in the Eighth Judicial District Court of the State of Nevada – Clark County (“Court”). The Complaint seeks to compel inspection of the Company’s books and records. On or about May 2, 2012, the Company filed a Demand for Security of Costs. Upon filing of the Demand, proceedings relative to the Company are stayed pending posting of the demanded security (or plaintiff engages in motion practice about the Demand). The Company may seek dismissal of the complaint if plaintiff has not posted the demanded security (or engaged the court). The Complaint further seeks unspecified “injunctive relief” in furtherance of the demand for inspection to which the Company believes it is not entitled. The Complaint, by a holder of less than 1 percent of the common stock of the Company, seeks to, inter alia, inspect documents and records of the company to which it is not entitled and in a form and manner the Company argues is not authorized by statute. On or about July 18, 2012, the Plaintiff moved to amend its answer. On or about August 8, 2012, 2012, we filed our opposition to Plaintiff’s Motion to Amend and a Motion to Dismiss the Complaint for failure to state a claim upon which relief can be granted. On or about September 13, 2012 the court granted the Plaintiff’s Motion to Amend. On or about September 17, 2012 the Plaintiff served its “Second Amended Shareholder Derivative Complaint” upon our Counsel in Nevada. As in the prior two complaints that this Plaintiff has filed in this action, this Second Amended Complaint seeks to compel inspection of the Company’s books and records, seeks injunctive relief, an accounting and alleges breach of Fiduciary by Dr. Seymour and Dr. Diwan. On or about October 11, 2012, we filed a Motion to Dismiss the Complaint for failure to state a claim upon which relief can be granted. On or about December 4, 2012, the Court granted the Company’s Motion to Dismiss with respect to Dr. Seymour and Dr. Diwan and ordered the case dismissed as to all claims but the Plaintiff’s request to compel documents required to be maintained by the Company’s registered agent in Nevada pursuant to NRS 78.105. On or about December 26, 2012, the Company provided the Plaintiff with each of the documents to which it is entitled. Management believes that the Plaintiff does not have a legal or good faith basis for

inspection or copying of its shareholder's list and intends to vigorously defend the production thereof. In May, 2013, the Plaintiff filed a motion for permission to file a third amended complaint. The Company subsequently filed a motion to dismiss and for Summary Judgment. The Court denied the Motion to Dismiss and for Summary Judgment and ordered the Plaintiff to file its Third Amended Complaint. On or about July 15, 2013 the Company Petitioned the Nevada Supreme Court for a Writ of Prohibition or Mandamus reversing the trial Court's denial of Summary Judgment. Thereafter, on or about September 20, 2013, the Nevada Supreme Court denied the Company's Writ Petition. The Company will be required to Answer the Third Amended Complaint, which contains only one cause of action which is identical to the sole cause of action which was not dismissed from the Second Amended Complaint. Specifically, the Third Amended Complaint seeks only to compel production of books and records required to be maintained by the Company's Registered Agent pursuant to NRS 78.105 Management believes that the Company's registered Agent has provided the Plaintiff with all documents to which it is entitled pursuant to NRS 78.105 and that this lawsuit has no merit or basis. The Company has vigorously defended this lawsuit. Specific monetary damages have not been claimed and as a result no accrual has been made in relation to this litigation. The parties to this litigation have determined that it is not in the interest of either party to continue this litigation and had agreed to a settlement of this dispute, subject to dismissal with prejudice of a substantially identical lawsuit initiated by the same plaintiff in The United States District Court for the District of Colorado. On September 11, 2014 a judgment of dismissal was entered by the court in Colorado. Pursuant to the Settlement Agreement, the Settlement Agreement and a proposed Order of Dismissal with Prejudice were submitted to the Nevada District Court for review and dismissal with prejudice. On September 17, 2014 the Nevada District Court dismissed the case with prejudice Upon dismissal of this matter in Nevada, the Company has agreed to reimburse the Plaintiff \$150,000 for a portion of its legal fees.

Yidam, Ltd. v. Anil Diwan, Eugene Seymour and Nanoviricides, Inc. (Case No. 1:13-CV-01777).

A Shareholder Derivative complaint was filed in the United States District Court for the District of Colorado on or about July 15, 2013 by the same Plaintiff that has filed the repetitive complaints in the Nevada action as set forth in the preceding paragraph (Yidam, Ltd. v. Eugene Seymour, Anil Diwan, and Nanoviricides, Inc.). The Plaintiff asserts the action is a shareholder derivative action and the Company is solely a nominal defendant. The Company maintains that it, as well as the individual defendants, Messrs. Seymour and Diwan, have not been served in the action. The Complaint alleges that the Company has failed to deliver information requested by the Plaintiff, the identical information the Plaintiff is seeking inspection of in the Nevada action, and that the individual defendants, Messrs. Seymour and Diwan, breached their fiduciary duties to the Company and caused it financial harm. The Plaintiff demands an order to inspect the Company's records, an order revoking Messrs. Diwan and Seymour from the Board of Directors, equitable relief, and consequential and punitive damages. The Company believes these claims have no merit and, if served, the Company intends to defend this action vigorously. Specific monetary damages have not been claimed and as a result no accrual has been made in relation to this litigation. On September 11, 2014 an order dismissing the action with prejudice was entered by the court.

There exists no other material proceeding to which any director or officer is a party adverse to the Company or has a material interest adverse to the Company.

He left SDS in 1996. Dr. Seymour holds 8 issued patents, and is married with three children, two of whom are physicians. The Company concluded Dr. Seymour's extensive experience in treating infectious disease and viruses, plus his public company experience, make him an ideal candidate to serve in these capacities.

Determination of Compensation

The Company's executive compensation program for the named executive officers (NEOs) is administered by the Board of Directors. The Board of Directors makes independent decisions about all aspects of NEO compensation, and takes into account compensation data and benchmarks for comparable positions and companies in different applicable geographical areas. The Compensation Committee assists the Board in achieving these objectives.

The Company's current executives' compensation program as of the date of this report has been at the same level since 2005. The program is simplistic and is less structured than a more mature corporation. Two of our officers are founders or co-founders of the Company and their ownership in the Company has driven their philosophy to provide modest salaries and no annual bonus. The compensation structure was set to retain capital resources in the Company to further growth.

Compensation Objectives

We believe that the compensation programs for the Company's NEOs should reflect the Company's performance and the value created for the Company's stockholders. In addition, the compensation programs should support the short-term and long-term strategic goals and values of the Company, and should reward individual contributions to the Company's success. Our compensation plans are consequently designed to link individual rewards with Company's performance by applying objective, quantitative factors including the Company's own business performance and general economic factors. We also rely upon subjective, qualitative factors such as technical expertise, leadership and management skills, when structuring executive compensation in a manner consistent with our compensation philosophy.

Elements of Compensation

Base Salary. All full time executives are paid a base salary. Base salaries for our executives are established based on the scope of their responsibilities, professional qualifications, academic background, and the other elements of the executive's compensation, including stock-based compensation. However, at this time current total annual compensation is not in line with comparable companies, because our philosophy was to pay modest salaries with no bonus to conserve capital resources for future company growth. Our intent is to set executives' base salaries near the median of the range of salaries for executives in similar positions with similar responsibilities at comparable companies, in line with our compensation philosophy. Base salaries are reviewed annually, and may be increased to align salaries with market levels after taking into account the subjective evaluation described previously.

Equity Incentive Compensation. We believe that long-term performance is achieved through an ownership culture participated in by our executive officers through the use of stock-based awards. Currently, we do not maintain any incentive compensation plans based on pre-defined performance criteria. The Board of Directors has the general authority, however, to award equity incentive compensation, i.e. stock options, to our executive officers in such amounts and on such terms as the committee determines in its sole discretion. The Board of Directors does not have a determined formula for determining the number of options available to be granted. The Board of Directors will review each executive's individual performance and his or her contribution to our strategic goals periodically. With the exception of stock options automatically granted in accordance with the terms of the employment agreement with our executive officers, our Board of Directors grants equity incentive compensation at times when we do not have material non-public information to avoid timing issues and the appearance that such awards are made based on any such information. As additional compensation for the year ended June 30, 2014, the Company issued 203,079 shares of the Company's Series A Convertible Preferred Stock and 71,429 of the Company's restricted common stock. The shares of Series A Convertible Preferred Stock are subject to restriction on sale. The valuation applied to the shares was based upon an appraisal derived from the application of statistical calculations and based upon assumptions at the time of the appraisal which may not be realized.

Compensation of Scientific Advisory Board

The Company installed the Scientific Advisory Board solely to provide ongoing advice to the Company with respect to research, development and marketing of anti-viral and anti-microbial products. The Company anticipates holding four Scientific Advisory Board meetings per annum. As compensation, each member of the Scientific Advisory Board (SAB) will be granted each quarter 10,000 warrants to purchase the Company's common stock at 120% of the Company's closing stock quote on the day following the meeting. Should the Company not call a quarterly meeting, quarterly options will be granted on May 15, August 15, November 15, and February 15. The warrants will have a four year expiration date. In addition the Company will reimburse each SAB member for travel and other out-of-pocket expenses incurred in the course of performing their services. For the year ended June 30, 2014, the SAB was granted a total of 72,444 stock warrants exercisable into common shares at prices at from \$1.77 to \$5.05 per share.

Also, the base salary shall increase to \$300,000 for Dr. Seymour and \$300,000 for Dr. Diwan if the Company becomes listed on a national stock exchange. The Compensation Committee of the Board of Directors extended the current provisions of these Employment Agreements pending its review of the current industry compensation arrangements and Employment agreements

As additional compensation under the employment agreements, the Company issued 71,429 shares of the Company's Series A Preferred Stock and shall issue an additional 71,429 shares of Series A Preferred Stock on each anniversary of the respective employment agreements.

On March 3, 2010, the Company entered into an employment agreement with Dr. Jayant Tatake to serve as Vice President of Research and Development. In addition, the Company issued 26,786 shares of Series A Preferred Stock and 35,714 shares of common stock, and will issue an additional 26,786 shares of Series A Preferred Stock and 35,714 shares of common stock on each anniversary date of the agreement. - (b) The fact of the common directorship, office or financial interest is known to the stockholders, and they approve or ratify the contract or transaction in good faith by a majority vote of stockholders holding a majority of the voting power. The votes of the common or interested directors or officers must be counted in any such vote of stockholders.

- (c) The fact of the common directorship, office or financial interest is not known to the director or officer at the time the transaction is brought before the board of directors of the corporation for action.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act, requires our directors and executive officers and any persons who own more than 10% of our capital stock to file with the SEC (and, if such security is listed on a national securities exchange, with such exchange), various reports as to ownership of such capital stock. Such persons are required by the SEC's regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely upon reports and representations submitted by the directors, executive officers and holders of more than 10% of our capital stock, all Forms 3, 4 and 5 showing ownership of and changes of ownership in our capital stock during the 2014 fiscal year were timely filed with the SEC, except for that of Milton Boniuk, an independent director, who filed a Form 4 on October 20, 2014, reporting the purchase of an aggregate of 100,000 shares of common stock from September 26, 2014 to October 2, 2014.

FORM 10-K

We will provide, without charge, to each stockholder as of the Record Date, upon our receipt of a written request of the stockholder, a copy of our Annual Report on Form 10-K for the year ended June 30, 2014, including the financial statements and schedules, as filed with the SEC. Stockholders should direct the written request to NanoViricides, Inc., 135 Wood Street, Suite 205, West Haven, Connecticut 06516, Attention: Corporate Secretary.

REQUIREMENTS FOR SUBMISSION OF STOCKHOLDER PROPOSALS, NOMINATION OF DIRECTORS AND OTHER BUSINESS OF STOCKHOLDERS

Under the rules of the SEC, if a stockholder wants us to include a proposal in our Proxy Statement and Proxy Card for presentation at our 2015 Annual Meeting, the proposal must be received by us at our principal executive offices by [insert date]. The proposal should be sent to the attention of: Secretary, NanoViricides, Inc., 135 Wood Street, Suite 205, West Haven, Connecticut 06516, and must include the information and representations that are set out in Exchange Act Rule 14a-8.

Under our Bylaws, and as permitted by the rules of the SEC, certain procedures are provided that a stockholder must follow to nominate persons for election as directors or to introduce an item of business at a meeting of our stockholders outside of the requirements set forth in Exchange Act Rule 14a-8. These procedures provide that nominations for director nominees and/or an item of business to be introduced at a meeting of our stockholders must be submitted in writing to the Secretary of the Company at our principal executive offices. Any written submission by a stockholder including a director nomination and/or item of business to be presented at a meeting of our stockholders must comply with the procedures and such other requirements as may be imposed by our Bylaws, Nevada law, the rules and regulations of the SEC and must include the information necessary for the Board of Directors to determine whether the candidate qualifies as independent.

We must receive notice of the intention to introduce a director nomination or to present an item of business at our 2015 Annual Meeting in writing and submitted to our secretary at the address above no earlier than October 25, 2015 (90 days before the first anniversary of our 2014 Annual Meeting of Stockholders) and not later than November 24, 2015 (60 days before the first anniversary of the 2014 Annual Meeting of Stockholders). In the event we call a special meeting of our stockholders, we must receive your intention to introduce a director nomination or to present an item of business at the special meeting of stockholders not later than the close of business on the fifteenth (15th) day following the day on which the notice of such special meeting of stockholders was mailed or public disclosure of the date of the meeting was made, whichever occurs first.

If we do not receive notice within the prescribed dates, or if we meet other requirements of the SEC rules, the persons named as proxies in the proxy materials relating to that meeting will use their discretion in voting the proxies when these matters are raised at the meeting.

In addition, nominations or proposals not made in accordance herewith may be disregarded by the chairman of the meeting in his discretion, and upon his instructions all votes cast for each such nominee or for such proposals may be disregarded.
