Attached is a letter from Dealertrack Technologies, Inc. (the “Company”) regarding its Employee Stock Purchase Plan (ESPP) and/or Stock Options or Restricted Stock Units.

Update on the ESPP, STOCK and Equity Awards in Response to Cox Announcement

With the recent Cox Automotive announcement, we know a lot of team members have questions regarding Dealertrack stock you may have purchased in the Employee Stock Purchase Plan (ESPP) and/or Stock Options or Restricted Stock Units you may have received as part of an equity grant. While we are still in a transition phase and don't have all the answers regarding the implications of this deal, it is our goal to keep you informed with updates as we receive them.

Here's what we do know so far... Cox Automotive has signed a merger agreement to, subject to closing conditions, acquire Dealertrack in an all-cash transaction valued at \$63.25 per share of Dealertrack stock. After the transaction closes, Dealertrack stock (TRAK) will be delisted from NASDAQ and Dealertrack will become a private company.

ESPP

As a result, June 30th is the final purchase date for the ESPP at which time the ESPP will be discontinued. Team members not currently enrolled in the program are **not eligible** to join the program at this time. However, if you are already **currently enrolled**, the June 30th ESPP purchase will proceed as usual. Your Dealertrack Shares will be delivered to your account at AST.

Stock Options and Restricted Stock Units

Upon close of the deal, which is expected to happen in the third quarter of 2015, any unvested stock options and restricted stock units, regardless of when granted, will be paid out as described below. After the close of the deal, option holders will receive a cash payment equal to the difference between the offer price of \$63.25 and the strike price (aka exercise price) of their options. Promptly after the close of the deal, holders of restricted stock units will receive \$63.25 per share (like options, all shares will be cashed out at that time). As always, we recommend you consult a tax advisor for specific questions and potential tax implications.

Shares You Own Outright

Any shares that you own outright whether in your brokerage account or still with AST will be exchanged after the close of the deal for \$63.25 per share. This exchange will take place automatically after the closing of the transaction without any required action by you.

We will continue to share information and updates as they become known. Please rely on us for your information in these areas and avoid possible inaccurate “through the grapevine” information. So if you have questions or need any assistance with the ESPP, stock or other benefits issue, please feel free to reach out to us at Benefits.Team@dealertrack.com or call 516-734-3636 from 8:30 – 5:30 ET Monday – Friday.
