Statements in this prospectus that are not historical facts are hereby identified as forward-looking statements for the purpose of the safe harbor provided by Section 21E of the Securities Exchange Act of 1934, as amended (the Exchange Act), and Section 27A of the Securities Act. These forward-looking statements are not guarantees of future performance and are subject to risks and uncertainties that could cause actual results to differ materially from the results contemplated by the forward-looking statements, including the risks discussed in this prospectus or incorporated by reference herein.

Important assumptions and other important factors that could cause actual results to differ materially from those forward-looking statements with respect to the Company include, but are not limited to, risks and uncertainties that are described in Item 1A. Risk Factors of our Annual Report on Form 10-K for the year ended September 30, 2015, in our Quarterly Reports on Form 10-Q and in other securities filings by the Company with the SEC. Factors, risks, and uncertainties that could cause actual outcomes and results to be materially different from those contemplated include, among others:

our ability to complete acquisitions on acceptable terms;

product shortages, fluctuations in the prices of raw materials, loss of key suppliers, and our dependence on third-party suppliers and manufacturers;

dependence on key personnel;

fluctuation of pricing of and rebates on the products we distribute and our ability to pass on increased costs to customers;

dependence on the residential home building industry, as well as the economy, the credit markets and other important factors;

cyclical and seasonal nature of the building products supply industry;

disruptions at our facilities or in our information technology systems;

variability of our quarterly revenues and earnings;

our future capital needs and our ability to obtain additional financing on acceptable terms;

our incurrence of additional indebtedness and our inability to take certain actions because of restrictions in our debt agreements; and

our failure to obtain the anticipated benefits, synergies and costs savings from the acquisition of Roofing Supply Group, LLC.

Many of the important factors that will determine these results are beyond our ability to control or predict. You are cautioned not to put undue reliance on any forward-looking statements, which speak only as of the date of this prospectus. Except as otherwise required by law, we do not assume any obligation to publicly update or release any revisions to these forward-looking statements to reflect events or circumstances after the date of this prospectus or to reflect the occurrence of unanticipated events.

You should read the following summary together with the more detailed information regarding our company, the common stock being offered hereby, and our financial statements and notes thereto and other information included in the documents incorporated by reference in this prospectus. Our Company

Beacon is the second largest (and largest publicly traded) distributor of residential and commercial roofing materials in the United States, with leading positions in key metropolitan markets in both the United States and Canada. Beacon also is a leading distributor of complementary building products, including siding, windows and waterproofing systems for residential and commercial building exteriors. Beacon purchases products from a large number of manufacturers and then distributes these goods to a customer base consisting of contractors and, to a lesser extent, general contractors, home builders, retailers, and building materials suppliers. As of December 31, 2015, Beacon operated 356 branches in 45 states throughout the United States and six provinces in Canada.

Beacon was incorporated in Delaware in 1997 and completed its initial public offering in September 2004. Beacon's common stock trades on the NASDAQ Global Select Market under the symbol *BECN*.

Beacon's principal executive offices are located at 505 Huntmar Park Drive, Suite 300, Herndon, Virginia 20170, and our telephone number is (571) 323-3939. Our website is *www.becn.com*. No portion of our website is incorporated by reference into this prospectus or any accompanying prospectus supplement.

The RSG Acquisition

On October 1, 2015, Beacon completed the acquisition of Roofing Supply Group, LLC (*RSG*), a leading roofing products distributor owned by the selling stockholder and employee stockholders in a cash and stock transaction valued at approximately \$1.2 billion (the *RSG Acquisition*), including repayment of outstanding RSG indebtedness. Prior to the RSG Acquisition, RSG was the fifth largest roofing distributor in the United States. As of September 30, 2015, RSG operated 85 branches strategically located in 25 U.S. states throughout the West, Rocky Mountain, Northwest, Southwest, Southeast and Midwest regions of the United States. Similar to Beacon, RSG had a customer base of contractors, home builders, retail customers, building owners and other resellers, such as retailers and lumberyards.

Selling Stockholder

The selling stockholder is an entity affiliated with CD&R, a private investment firm, and was the former controlling stockholder of RSG. Immediately following the consummation of the RSG Acquisition, the selling stockholder beneficially owned approximately 15% of our outstanding common stock and became our largest stockholder. In connection with the RSG Acquisition, we entered into an investment agreement (the *Investment Agreement*) with the selling stockholder, which, as amended, provides that the selling stockholder (i) may designate two directors to the Beacon board of directors, for so long as the selling stockholder and its affiliates hold at least 58.6% of the shares of

our common stock received by the selling stockholder at the closing of the RSG Acquisition and (ii) may designate one director to the Beacon board of directors for so long as the selling stockholder and its affiliates hold less than 58.6%, but at least 3.0%, of such shares; provided that the selling stockholder and its affiliates shall not be entitled to such one director designee pursuant to clause (ii) if they own less than 4.0% of the shares of our common stock then outstanding and the number of members of the Beacon board is at such time less than eight. Upon consummation of the RSG Acquisition, Philip W. Knisely, operating advisor to the funds managed by CD&R, and Nathan K. Sleeper, a principal of CD&R, were appointed as the selling stockholder's designees to the Beacon board of directors.

TABLE OF CONTENTS

Upon consummation of the RSG Acquisition, we also entered into the Registration Rights Agreement (the Registration Rights Agreement) with the selling stockholder, pursuant to which we agreed to file a resale shelf registration statement for the benefit of the selling stockholder and certain of its permitted transferees promptly upon the expiration of a 180-day post-closing lock-up period. This prospectus forms part of such resale shelf registration statement, and relates to the shares issued to the selling stockholder pursuant to the Agreement and Plan of Merger, dated as of July 27, 2015, by and among CDRR Investors, Inc., Beacon and two of our wholly owned subsidiaries in a private placement upon closing of the RSG Acquisition. The Registration Rights Agreement also provides for customary demand and piggyback registration rights with respect to the shares of our common stock received by the selling stockholder in connection with the RSG Acquisition. See Selling Stockholder Material Relationships with Selling Stockholder for more information regarding the Registration Rights Agreement.

For additional information about Beacon, please refer to other documents we have filed with the SEC and that are incorporated by reference into this prospectus, as listed under the heading Incorporation of Certain Information by Reference.

TABLE OF CONTENTS

RISK FACTORS

Investing in our common stock involves risks. Before making an investment decision, you should carefully consider all of the information included or incorporated by reference in this prospectus, including the risks described under Risk Factors in our most recent Annual Report on Form 10-K and any subsequent Quarterly Reports on Form 10-Q, which are incorporated by reference in this prospectus. See Where You Can Find More Information and Incorporation of Certain Information by Reference. The risks and uncertainties described therein are not the only ones that we face. Additional risks and uncertainties not known to us or that we deem immaterial may also adversely affect our business, operating results, cash flows and financial condition.

DESCRIPTION OF CAPITAL STOCK

The following summary description sets forth some of the general terms and provisions of our capital stock. Because this is a summary description, it does not contain all of the information that may be important to you. For a more detailed description of our capital stock, you should refer to the provisions of our Second Amended and Restated Certificate of Incorporation (our charter) and our Amended and Restated By-Laws (our bylaws), which are incorporated by reference herein. For more information on how you can obtain copies of these documents, see Where You Can Find More Information and Incorporation of Certain Information by Reference. We urge you to read our charter and our bylaws in their entirety.

General

Under our charter, we are authorized to issue 100,000,000 shares of our common stock, \$0.01 par value per share, and 5,000,000 shares of undesignated preferred stock, \$0.01 par value per share. As of April 15, 2016, there were 59,557,911 shares of our common stock, options to purchase 2,616,972 shares of common stock, 711,745 restricted stock units issued and outstanding and no shares of our preferred stock issued and outstanding.

Common Stock

Holders of our common stock are entitled to one vote per share. Each of our directors is elected by an affirmative vote of a plurality of the votes properly cast with respect to such director. Vacancies on the board of directors may be filled by an affirmative vote of a majority of the directors then in office, although less than a quorum, or by a sole remaining director. A director elected to fill a vacancy will hold office until the next annual meeting of stockholders.

Subject to any preferential rights of any outstanding shares of our preferred stock to receive dividends before any dividends may be paid on our common stock, the holders of our common stock will be entitled to share ratably in any dividends that may be declared by our board of directors out of funds legally available for the payment of dividends. Our common stock does not carry any redemption rights or any preemptive rights enabling a holder to subscribe for, or receive shares of, any class of our common stock or any other securities convertible into shares of any class of our common stock. In the event of a liquidation, dissolution or winding up of our affairs, whether voluntary or involuntary, after payment of our liabilities and obligations to creditors and any holders of preferred stock, our remaining assets will be distributed ratably among the holders of shares of common stock on a per share basis. In the event of a merger or consolidation with or into another entity, holders of each share of common stock will be entitled to receive the same per share consideration.

Preferred Stock

Our charter authorizes our board of directors to provide for the issuance of shares of preferred stock in one or more classes or series. Prior to issuance of shares of each series, our board of directors is required by the Delaware General Corporation Law (the "DGCL") and our charter to fix the designation, powers, preferences and rights of the shares of such series and the qualifications, limitations or restrictions thereof. Thus, our board of directors could authorize the issuance of shares of preferred stock that have priority over our common stock with respect to dividends or rights upon liquidation or with terms and conditions that could have the effect of delaying, deferring or preventing a transaction or a change of control of our company that might involve a premium price for holders of our common stock or otherwise be in their best interests.

TABLE OF CONTENTS

Anti-Takeover Provisions of the Delaware Law and Our Governing Documents

Delaware Law

We are subject to Section 203 of the DGCL (Section 203). In general, Section 203 prohibits a publicly held Delaware corporation from engaging in business combination transactions with any interested stockholder for a period of three years following the time that the stockholder became an interested stockholder, unless:

prior to the time the stockholder became an interested stockholder, either the applicable business combination or the transaction which resulted in the stockholder becoming an interested stockholder is approved by the corporation's board of directors;

upon consummation of the transaction which resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced, excluding for purposes of determining the voting stock outstanding (but not the voting stock owned by the interested stockholder) shares owned by directors who are also officers of the corporation and shares owned by employee stock plans in which the employee participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer; or

at or subsequent to the time that the stockholder became an interested stockholder, the business combination is approved by the corporation's board of directors and authorized at an annual or special meeting of stockholders by the affirmative vote of at least 66 2/3% of the outstanding voting stock which is not owned by the interested stockholder.

A business combination is defined to include, in general and subject to exceptions, a merger of the corporation with the interested stockholder; a sale of 10% or more of the market value of the corporation's consolidated assets to the interested stockholder; certain transactions that result in the issuance of the corporation's stock to the interested stockholder; a transaction that has the effect of increasing the proportionate share of the corporation's stock owned by the interested stockholder; and any receipt by the interested stockholder of loans, guarantees or other financial benefits provided by the corporation. An interested stockholder is defined to include, in general and subject to exceptions, a person that (1) owns 15% or more of the outstanding voting stock of the corporation or (2) is an affiliate or associate (as defined in Section 203) of the corporation and was the owner of 15% or more of the corporation's outstanding voting stock at any time within the prior three year period.

A Delaware corporation may opt out of Section 203 with an express provision in its original certificate of incorporation or by an amendment to its certificate of incorporation or bylaws expressly electing not to be governed by Section 203 and approved by a majority of its outstanding voting shares. We have not opted out of Section 203. As a result, Section 203 could delay, deter or prevent a merger, change of control or other takeover of our company that our stockholders might consider to be in their best interests, including transactions that might result in a premium being paid over the market price of our common stock, and may also limit the price that investors are willing to pay in the future for our common stock.

Undesignated Preferred Stock

The ability to authorize undesignated preferred stock makes it possible for our board of directors to issue one or more series of preferred stock with voting or other rights or preferences. These and other provisions may have the effect of deferring hostile takeovers or delaying changes in control or management of our company.

Requirements for Advance Notification of Stockholder Nominations and Proposals

Our bylaws establish advance notice procedures with respect to stockholder proposals and the nomination of candidates for election as directors, other than nominations made by or at the direction of the board of directors or a committee of the board of directors.

TABLE OF CONTENTS

Special Meetings of Stockholders; Stockholder Action

A special meeting of our stockholders may be called only by the Chairman of the board, the Chief Executive Officer (or, if there is no Chief Executive Officer, the President) or by the board of directors, pursuant to a resolution adopted by the affirmative vote of a majority of the total number of directors then in office. Our bylaws provide that our stockholders may not take action by written consent.

Amendment of Certificate of Incorporation and Bylaws

Our charter may be amended in accordance with the DGCL. Our bylaws may be amended by the affirmative vote of a majority of the stockholders present at any annual meeting of the stockholders at which a quorum is present. Our bylaws may also be amended by the affirmative vote of a majority of the directors present at any regular or special meeting of the board of directors at which a quorum is present.

Forum Selection

Unless we consent in writing to the selection of an alternative forum, the sole and exclusive forum for (i) any derivative action or proceeding brought on behalf of the Company, (ii) any action asserting a claim of breach of a fiduciary duty owed by any director, officer or other employee of the Company to the Company or the Company's stockholders, (iii) any action asserting a claim arising pursuant to any provision of the DGCL, or (iv) any action asserting a claim governed by the internal affairs doctrine shall be a state or federal court located within the State of Delaware, in all cases subject to the court having personal jurisdiction over the indispensable parties named as defendants. Any person or entity purchasing or otherwise acquiring any interest in shares of capital stock of the Company is deemed to have notice of and consented to the foregoing provisions of our amended and restated by-laws.

Stock Exchange Listing

Our common stock trades on the NASDAQ Global Select Market under the symbol BECN.

Transfer Agent and Registrar

The transfer agent and registrar for our common stock is Computershare Investor Services.

TABLE OF CONTENTS**SELLING STOCKHOLDER**

The following table sets forth information as of April 15, 2016 with respect to the ownership of our common stock by the selling stockholder based on information furnished to us by the selling stockholder. The amounts and percentages of shares beneficially owned are reported on the basis of rules and regulations of the SEC governing the determination of beneficial ownership of securities. Under SEC rules, a person is deemed to be a beneficial owner of a security if that person has or shares voting power or investment power, which includes the power to dispose of or to direct the disposition of such security. A person is also deemed to be a beneficial owner of any securities of which that person has a right to acquire beneficial ownership within 60 days. Securities that can be so acquired are deemed to be outstanding for purposes of computing such person's ownership percentage, but not for purposes of computing any other person's percentage. Under these rules, more than one person may be deemed to be a beneficial owner of the same securities, and a person may be deemed to be a beneficial owner of securities as to which such person has no economic interest.

Percentage computations are based on 59,557,911 shares of our common stock outstanding as of April 15, 2016.

The following table also provides the maximum number of shares of our common stock that may be offered by the selling stockholder pursuant to this prospectus and the number of shares of our common stock that will be beneficially owned by the selling stockholder after such an offering, assuming the sale of all of the offered shares. The selling stockholder reserves the right to accept or reject, in whole or in part, any proposed sale of shares. The selling stockholder may also offer and sell less than the number of shares indicated. The selling stockholder is not making any representation that any shares covered by this prospectus will or will not be offered for sale. Information about the selling stockholder may change over time. Except as otherwise indicated in the footnotes to the table, the beneficial owner listed has, to our knowledge, sole voting and investment power with respect to the indicated shares of common stock. The address for the beneficial owner is set forth in the footnotes to the table.

The Investment Agreement provides that the selling stockholder may designate two directors to our board of directors, for so long as the selling stockholder and its affiliates hold at least 58.6% of the shares of our common stock received by the selling stockholder at the closing of the RSG Acquisition. The selling stockholder may designate one director to our board of directors, for so long as the selling stockholder and its affiliates hold less than 58.6% but at least 3.0%, of such shares. However, the selling stockholder and its affiliates will not be entitled to such one director designee if they own less than 4.0% of the shares of our common stock then outstanding and the number of members of our board of directors is at such time less than eight. Upon consummation of the RSG Acquisition, Philip W. Knisely, operating advisor to the funds managed by CD&R, and Nathan K. Sleeper, a principal of CD&R, were appointed as the selling stockholder's designees to the Beacon board of directors.

Registration Rights Agreement

The selling stockholder is a party to a registration rights agreement dated October 1, 2015, which we refer to as the Registration Rights Agreement, with Beacon that sets forth provisions relating to registration rights. The provisions of the Registration Rights Agreement will terminate when the selling stockholder and certain of its permitted transferees no longer own any shares of our common stock, except for the indemnification and contribution provisions, which will survive such termination.

Demand registration rights. We agreed to file a resale shelf registration statement for the benefit of the selling stockholder and certain of its permitted transferees promptly upon the expiration of the 180-day post-closing lock-up period, and this prospectus forms part of such resale shelf registration statement, which was filed with the SEC on the date of this prospectus. In addition, pursuant to the Registration Rights Agreement, the selling stockholder and such transferees may make up to three requests (only two of which may require a customary roadshow or other substantial marketing efforts by Beacon) that we conduct an underwritten offering of the shares of our common stock held by the selling stockholder and such transferees.

Piggyback registration rights. If, at any time, we determine to file a registration statement with the SEC covering any shares of our common stock, other than shares of common stock or other securities that are issuable in an offering to our officers or employees pursuant to an employee benefit plan, the selling stockholder will have the right to request that we include their shares of common stock in any such registration statement, subject to specified limitations.

Cutback. In connection with the above demand and piggyback registrations, the managing underwriters may limit the number of shares offered for marketing reasons. In such case, the shares to be included in the underwritten offering will be prioritized in accordance with the terms of the Registration Rights Agreement. In the case of a marketed underwritten shelf takedown offering requested by the selling stockholder, shares held by the selling stockholder and certain of its permitted transferees to be included in such underwritten offering will be given highest priority in the event of a cutback.

Expenses. We are required to pay the fees and expenses associated with preparing and filing of any registration statement in connection with the above demand and piggyback registrations, including the resale shelf registration statement of which this prospectus forms a part. The selling stockholder will pay any fees and commissions (including underwriting discounts and commissions), legal fees of any counsel engaged by any selling stockholder and transfer taxes applicable to the shares sold by them through this prospectus.

TABLE OF CONTENTS

USE OF PROCEEDS

All of the shares of common stock offered by the selling stockholder pursuant to this prospectus will be sold by the selling stockholder for its own account. We will not receive any of the proceeds from these sales, if any. We will pay all of the fees and expenses incurred by us in connection with the registration of such shares. The selling stockholder will be responsible for any fees and commissions (including underwriting discounts and commissions), legal fees of any counsel engaged by the selling stockholder and transfer taxes applicable to the shares sold by them through this prospectus.

PLAN OF DISTRIBUTION

The selling stockholder may sell the shares of our common stock covered by this prospectus using one or more of the following methods:

- underwriters in a public offering;
- at the market to or through market makers or into an existing market for the securities;
- through the writing or settlement of standardized or over-the-counter options or other hedging or derivative transactions, whether through an options exchange or otherwise;
- through ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- through block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- through purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- in an exchange distribution in accordance with the rules of the applicable exchange;
- in privately negotiated transactions;
- through the settlement of short sales;
- by pledge to secure debts and other obligations;
- in other ways not involving market makers or established trading markets, including direct sales to purchasers or sales effected through agents;
- a combination of any such methods of sale; and
- any other method permitted pursuant to applicable law.

To the extent required by law, this prospectus may be amended or supplemented from time to time to describe a specific plan of distribution. Any prospectus supplement relating to a particular offering of our common stock by the selling stockholder may include the following information to the extent required by law:

- the name of the selling stockholder and the number of shares of our common stock to be sold by it;
- the terms of the offering;
- the names of any underwriters or agents;
- the purchase price of the securities;
- any delayed delivery arrangements;
- any underwriting discounts and other items constituting underwriter compensation;
- any initial public offering price; and
- any discounts or concessions allowed, reallocated or paid to dealers.

The selling stockholder may offer our common stock to the public through underwriting syndicates represented by managing underwriters or through underwriters without an underwriting syndicate. If underwriters are used for the sale of our common stock, the securities will be acquired by the underwriters for their own account. The underwriters may resell the common stock in one or more transactions, including in negotiated transactions at a fixed public offering price or at varying prices determined at the time of sale. In connection with any such underwritten sale of common stock, underwriters may receive compensation from the selling stockholder, for whom they may act as agents, in the form of discounts, concessions or commissions. Underwriters may sell common stock to or through dealers, and the dealers may receive compensation in the form of discounts, concessions or commissions from underwriters and commissions from the purchasers for whom they may act as agents. Such compensation may be in excess of customary discounts, concessions or commissions.

TABLE OF CONTENTS

If the selling stockholder uses an underwriter or underwriters to effectuate the sale of shares of common stock, we and the selling stockholder will execute an underwriting agreement with those underwriters at the time of sale of those securities. To the extent required by law, the names of the underwriters will be set forth in the prospectus supplement used by the underwriters to sell those securities. The selling stockholder may use underwriters with whom we or the selling stockholder has a material relationship. We will describe the nature of such relationship in the prospectus supplement, naming the underwriter. Unless otherwise indicated in the prospectus supplement relating to a particular offering of common stock, the obligations of the underwriters to purchase the securities will be subject to customary conditions precedent and the underwriters will be obligated to purchase all of the securities offered if any of the securities are purchased.

In effecting sales, brokers or dealers engaged by the selling stockholder may arrange for other brokers or dealers to participate. Broker-dealers may receive discounts, concessions or commissions from the selling stockholder (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated. Such compensation may be in excess of customary discounts, concessions or commissions. If dealers are utilized in the sale of securities, the names of the dealers and the terms of the transaction will be set forth in a prospectus supplement, if required.

The selling stockholder may also sell shares of our common stock from time to time through agents. We will name any agent involved in the offer or sale of such shares and will list commissions payable to these agents in a prospectus supplement, if required. These agents will be acting on a best efforts basis to solicit purchases for the period of their appointment, unless we state otherwise in any required prospectus supplement.

The selling stockholder also may sell shares of our common stock directly to purchasers rather than under this prospectus or any related prospectus supplement. In this case, the selling stockholder would not engage underwriters or agents in the offer and sale of such shares.

In connection with the sale of our common stock or interests therein, the selling stockholder may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of our common stock in the course of hedging the positions they assume. The selling stockholder may also sell our common stock short and deliver these shares of our common stock to close out their short positions, or loan or pledge our common stock to broker-dealers that in turn may sell our common stock. The selling stockholder may also enter into option or other transactions with broker-dealers or other financial institutions or create one or more derivative securities which require the delivery to such broker-dealer or other financial institution of the shares of our common stock covered by this prospectus, which shares such broker-dealer or other financial institution may resell or otherwise transfer, pursuant to this prospectus (as supplemented or amended to reflect such transaction).

Any underwriters, broker-dealers or agents that participate in the sale of the selling stockholder's shares of common stock or interests therein may be deemed to be underwriters within the meaning of the Securities Act in connection with such sales. In such event, any discounts, commissions, concessions or profit they earn on any resale of the shares may be deemed to be underwriting commissions or discounts under the Securities Act. While neither we nor any selling stockholder can presently estimate the amount of such compensation, in compliance with the guidelines of the Financial Industry Regulatory Authority, Inc. (FINRA), the aggregate maximum discount, commission, agency fees or other items constituting underwriting compensation to be received by any FINRA member or independent broker-dealer will not exceed 8% of any offering pursuant to this prospectus and any related prospectus supplement.

However, it is anticipated that the maximum commission or discount to be received in any particular offering of securities will be less than this amount.

We have agreed to indemnify the selling stockholder against certain liabilities, including liabilities arising under the Securities Act. The selling stockholder may agree to indemnify any agent, dealer or broker-dealer that participates in transactions involving sales of shares of common stock against certain liabilities, including liabilities arising under the Securities Act.

TABLE OF CONTENTS

The resale securities will be sold only through registered or licensed brokers or dealers if required under applicable state securities laws. In addition, in certain states, the resale securities covered hereby may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

Under applicable rules and regulations under the Exchange Act, any person engaged in the distribution of the resale securities may not simultaneously engage in market making activities with respect to the common stock for the applicable restricted period, as defined in Regulation M, prior to the commencement of the distribution. In addition, the selling stockholder will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including Regulation M, which may limit the timing of purchases and sales of the common stock by the selling stockholder or any other person. We will make copies of this prospectus available to the selling stockholder and have informed them of the need to deliver a copy of this prospectus to each purchaser at or prior to the time of the sale (including by compliance with Rule 172 under the Securities Act).

The selling stockholder has advised us that it has not entered into any agreements, understandings or arrangements between the selling stockholder and any underwriter, broker-dealer or agent regarding the sale of the shares of common stock held by the selling stockholder. If we are notified by the selling stockholder that any material arrangement has been entered into with a broker-dealer for the sale of shares of common stock, if required, we will file a supplement to this prospectus. If the selling stockholder uses this prospectus for any sale of the shares of common stock, it will be subject to the prospectus delivery requirements of the Securities Act.

We have agreed to use commercially reasonable efforts to keep the registration statement of which this prospectus forms a part effective until the earlier of (i) three (3) years from the date of this prospectus and (ii) the date by which all of the shares of common stock covered by the registration statement of which this prospectus forms a part have been sold pursuant to such registration statement. We cannot assure you that the selling stockholder will sell any or all of the shares of common stock registered pursuant to the registration statement of which this prospectus forms a part. In addition, we cannot assure you that the selling stockholder will not transfer, devise or gift the shares of common stock by other means not described in this prospectus. Moreover, shares of common stock covered by this prospectus that qualify for sale pursuant to Rule 144 under the Securities Act may be sold under Rule 144 rather than pursuant to this prospectus.

From time to time, the selling stockholder may pledge, hypothecate or grant a security interest in some or all of the shares owned by it. A pledgee, secured party or person to whom the shares have been hypothecated will, upon foreclosure, be deemed to be a selling stockholder. The number of the selling stockholder's shares offered under this prospectus will decrease as and when it takes such actions. The plan of distribution for that selling stockholder's shares will otherwise remain unchanged.

The selling stockholder may elect to make a pro rata in-kind distribution of the shares of common stock to its members, partners or shareholders. In such event, we may file a prospectus supplement to the extent required by law in order to permit the distributees to use the prospectus to resell the shares of common stock acquired in the distribution.

Price Stabilization and Short Positions

If underwriters or dealers are used in the sale, until the distribution of the shares of common stock is completed, rules of the SEC may limit the ability of any underwriters to bid for and purchase the shares. As an exception to these rules, representatives of any underwriters are permitted to engage in transactions that stabilize the price of the shares. These

transactions may consist of bids or purchases for the purpose of pegging, fixing or maintaining the price of the shares. If the underwriters create a short position in the shares of our common stock in connection with an offering (that is, if they sell more shares than are set forth on the cover page of the applicable prospectus supplement), the representatives of the underwriters may reduce that short position by purchasing shares of our common stock in the open market.

TABLE OF CONTENTS

We make no representation or prediction as to the direction or magnitude of any effect that the transactions described above may have on the price of our common stock. In addition, we make no representation that the representatives of any underwriters will engage in these transactions or that these transactions, once commenced, will not be discontinued without notice.

LEGAL MATTERS

The legality of the issuance of the shares of our common stock offered hereby is being passed upon by Sidley Austin LLP, Chicago, Illinois. If counsel for the selling stockholder or any underwriter passes on legal matters in connection with an offering of the common stock described in this prospectus, we will name that counsel in the applicable prospectus supplement for that offering.

SEC registration fee	\$ 34,247.48
Printing fees and expenses	*
Accounting fees and expenses	*

* These fees will be calculated based on the number of issuances and the amount of securities offered and accordingly cannot be estimated at this time.

Item 15. *Indemnification of Officers and Directors.*

Delaware General Corporation Law. Beacon is incorporated under the laws of the State of Delaware. Section 102 of the DGCL allows a corporation to eliminate the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except in cases where the director breached his or her duty of loyalty to the corporation or its stockholders, failed to act in good faith, engaged in intentional misconduct or a knowing violation of the law, willfully or negligently authorized the unlawful payment of a dividend or approved an unlawful stock redemption or repurchase or obtained an improper personal benefit. Beacon's charter contains a provision which eliminates directors' personal liability as set forth above.

Beacon's charter and bylaws provide in effect that it shall indemnify its directors and officers to the extent permitted by the DGCL. Section 145 of the DGCL provides that a Delaware corporation has the power to indemnify its directors, officers, employees and agents in certain circumstances. Subsection (a) of Section 145 of the DGCL empowers a corporation to indemnify any director, officer, employee or agent, or former director, officer, employee or agent, who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such action, suit or proceeding, provided that such director, officer, employee or agent acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, provided that such director, officer, employee or agent had no reasonable cause to believe that his or her conduct was unlawful.

Subsection (b) of Section 145 of the DGCL empowers a corporation to indemnify any director, officer, employee or agent, or former director, officer, employee or agent, who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person acted in any of the capacities set forth above, against expenses (including

attorneys' fees) actually and reasonably incurred in connection with the defense or settlement of such action or suit provided that such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification may be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery of the State of Delaware shall determine that despite the adjudication of liability, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery shall deem proper.

II-1

TABLE OF CONTENTS

Section 145 further provides that to the extent that a director or officer or employee of a corporation has been successful in the defense of any action, suit or proceeding referred to in subsections (a) and (b) or in the defense of any claim, issue or matter therein, he or she shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection therewith; that indemnification provided by Section 145 shall not be deemed exclusive of any other rights to which the party seeking indemnification may be entitled; and the corporation is empowered to purchase and maintain insurance on behalf of a director, officer, employee or agent of the corporation against any liability asserted against him or her or incurred by him or her in any such capacity or arising out of his or her status as such whether or not the corporation would have the power to indemnify him or her against such liabilities under Section 145; and that, unless indemnification is ordered by a court, the determination that indemnification under subsections (a) and (b) of Section 145 is proper because the director, officer, employee or agent has met the applicable standard of conduct under such subsections shall be made by (1) a majority vote of the directors who are not parties to such action, suit or proceeding, even though less than a quorum, or (2) by a committee of such directors designated by majority vote of such directors, even though less than a quorum, (3) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, or (4) by the stockholders.

The foregoing statements are subject to Sections 102 and 145 of the DGCL and the terms of our charter and bylaws, which charter and bylaws have been filed as exhibits to this registration statement and are incorporated by reference herein.

D&O Insurance. Beacon has in effect insurance policies for general officers' and directors' liability insurance covering all of the Company's officers and directors.

Registration Rights Agreement. The Registration Rights Agreement, filed as Exhibit 10.5 to our Current Report on Form 8-K filed with the SEC on October 1, 2015 and incorporated by reference herein, provides for indemnification of our directors and officers by the selling stockholder against certain liabilities.

Item 16. Exhibits.

Reference is hereby made to the attached Exhibit Index, which is incorporated herein by reference.

Certain of the agreements included as exhibits to this registration statement contain representations and warranties by each of the parties to the applicable agreement. These representations and warranties have been made solely for the benefit of the other parties to the applicable agreement and:

should not in all instances be treated as categorical statements of fact, but rather as a way of allocating the risk to one of the parties if those statements prove to be inaccurate;
have been qualified by disclosures that were made to the other party in connection with the negotiation of the applicable agreement, which disclosures are not necessarily reflected in the agreement; and
may apply standards of materiality in a way that is different from what may be viewed as material to you or other investors.

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering

thereof; *provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

II-3

TABLE OF CONTENTS

(5) That, for purposes of determining any liability under the Securities Act each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(6) That, insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
