INTRODUCTORY NOTE

As previously disclosed, on April 25, 2018, the Company, NICE Systems, Inc., a Delaware corporation (“Parent”), NICE Acquisition Sub, Inc., a Delaware corporation and wholly owned subsidiary of Parent (“Purchaser”), and, solely for the purposes of Section 8.16 of the Merger Agreement, NICE Ltd., a company organized under the laws of the State of Israel (“NICE”), entered into an Agreement and Plan of Merger (the “Merger Agreement”). In accordance with the terms of the Merger Agreement, on May 10, 2018, Parent commenced a cash tender offer (the “Offer”) to acquire all of the shares of the Company’s common stock (“Common Stock”) and the Company’s 7% Series B Convertible Preferred Stock (“Preferred Stock”, and together with the Common Stock, the “Mattersight Shares”) for a purchase price of (i) \$2.70 per share of Common Stock (the “Common Offer Price”) and (ii) \$7.80 per share of Preferred Stock, plus accrued and unpaid dividends payable thereon, if any, as of immediately prior to the Effective Time (as defined below) (the “Preferred Offer Price” and, together with the Common Offer Price, the “Offer Price”), in each case, net to the holder thereof in cash, without interest, upon the terms and conditions set forth in the offer to purchase, dated May 10, 2018 (together with any subsequent amendments or supplements thereto, the “Offer to Purchase”) and in the related Letter of Transmittal (together with the Offer to Purchase, the “Offer”), filed as Exhibit (a)(1)(A) and Exhibit (a)(1)(B), respectively, to the Schedule TO Filed with the Securities and Exchange Commission (the “SEC”) by Parent, Purchaser and NICE on May 10, 2018.

The Offer expired one minute after 11:59 p.m., New York time, on Friday, August 17, 2018. Parent and Purchaser were advised by Continental Stock Transfer & Trust Company, the depositary and paying agent for the Offer (the “Depositary”), that, as of the expiration of the Offer, a total of 29,660,507 shares of Common Stock and 1,577,832 shares of Preferred Stock had been validly tendered into and not withdrawn pursuant to the Offer, representing approximately 89.4% of the outstanding shares of the Company’s capital stock, on an as converted to Common Stock basis. Additionally, the Depositary advised Parent and the Purchaser that an additional 545,712 shares of Common Stock and no shares of Preferred Stock had been tendered by notice of guaranteed delivery, representing approximately 1.6% of the outstanding shares of the Company’s capital stock, on an as converted to Common Stock basis, at such time. The aggregate number of shares of Common Stock and Preferred Stock validly tendered and not properly withdrawn pursuant to the Offer, taken together with the shares of Common Stock and Preferred Stock owned by Parent and Purchaser, satisfies the condition to the Offer that the number of validly tendered shares represents a majority of the outstanding shares of Company capital stock, voting together as a single-class on an as-if converted to Common Stock basis. All conditions to the Offer having been satisfied, Purchaser accepted for payment the shares validly tendered. Purchaser is required to promptly pay for all shares accepted.

As a result of its acceptance of the shares tendered in the Offer, Purchaser acquired sufficient shares of the Company’s capital stock to consummate, and on August 20, 2018 did consummate, a short-form merger (the “Merger”) without a vote of the Company’s stockholders in accordance with Section 251(h) of the General Corporation Law of the State of Delaware (the “DGCL”). At the effective time of the Merger (the “Effective Time”), Purchaser merged with and into the Company, with the Company surviving as a wholly owned subsidiary of Parent, and each share of the Company’s capital stock issued and outstanding immediately prior to the Effective Time and not tendered pursuant to the Offer (other than shares owned by Parent, the Company or Purchaser or any of their direct or indirect wholly owned subsidiaries and shares with respect to which appraisal rights were properly exercised in accordance with the DGCL)

was cancelled and automatically converted into the right to receive cash in an amount equal to the applicable Offer Price.

As the per share exercise price of each warrant to purchase Common Stock (the “Company Warrants”) was equal to or greater than the Common Offer Price, immediately prior to the Merger, each Company Warrant was cancelled without cash payment.

Each option to purchase Common Stock under the Company’s 1999 Stock Incentive Plan, as amended (such plan, the “Company Stock Plan” and each such option, a “Company Option”) that was outstanding, whether or not vested, immediately prior to the Effective Time, was cancelled and converted into the right to receive, in exchange for the cancellation of such Company Option, an amount in cash, without interest and less applicable tax withholdings, equal to (i) the Common Offer Price, less the per share exercise price of such Company Option, multiplied by (ii) the total number of shares of the Company’s Common Stock issuable upon exercise in full of such Company Option (the “Company Option Consideration”). If the per share exercise price of any Company Option was equal to or greater than the Common Offer Price, such Company Option was cancelled without cash payment.

As of the Effective Time, (i) each vested Company restricted stock award outstanding, and each unvested Company restricted stock award outstanding under the Company Stock Plan (each, a “Restricted Stock Award” and collectively, the “Restricted Stock Awards”) held by a holder holding less, in the aggregate, than 2,000 shares of Common Stock subject to such Restricted Stock Award, was cancelled and converted into a right to receive an amount in cash, without interest, equal to (x) the amount of the Common Offer Price multiplied by (y) the total number of shares of Common Stock subject to such award and (ii) with respect to each unvested Restricted Stock Award held by a holder holding, in the aggregate, 2,000 or more shares of Common Stock subject to such unvested Restricted Stock Award (x) 2,000 shares of Common Stock subject to such unvested Restricted Stock Award were cancelled and converted into the right to receive cash in an amount per such share equal to the Common Offer Price and (y) the remaining shares subject to such unvested Restricted Stock Award were assumed by Parent and converted into restricted American depositary shares of NICE, each representing one ordinary share, par value one New Israeli Shekel per share, of NICE (collectively, the “Restricted Stock Award Consideration”). All Restricted Stock Award Consideration will be paid without interest and less any applicable tax withholdings.

The total amount of funds required by NICE, Parent, and Purchaser to consummate the Offer and purchase all outstanding Mattersight Shares (including outstanding shares of restricted stock) in the Offer, to fund the Merger and to fund payments in respect of outstanding stock options of Mattersight, is approximately \$104.2 million, excluding related fees and expenses. NICE, Parent, and Purchaser funded such cash requirements from NICE's and Parent's available cash on hand.
