On Friday, March 31, 2015 Bakken Resources, Inc. ("Company," "Us," "We") filed Form 12b-25, or NT 10-K, with the U.S. Securities and Exchange Commission ("SEC") in order to extend its 10-K filing deadline by the 15 calendar days allotted under Rule 12b-25. At that time the Company had indicated that it would file its Form 10-K for the year ended December 31, 2014 by the extended deadline of April 15, 2015. On April 3, 2015, however, the Company received information from its independent registered public accounting firm, Malone Bailey, LLP, that Malone Bailey will not certify the Company's Form 10-K filing until after reviewing the report of the Company's ongoing independent internal investigation. We disclosed our internal investigation in a Form 8-K filed with the SEC on March 30, 2015 and do not expect the report to be available before our Form 10-K's extended filing deadline of April 15, 2015.

Due to the independent nature of the ongoing investigation, the Company lacks control over when the investigator will deliver its report. As soon as the report of the independent outside investigation becomes available, the Company will make all reasonable efforts to promptly file of the Company's Form 10-K for the year ended December 31, 2014.
