Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) On February 15, 2007, the following actions of the Compensation Committee (the "Committee") of the Board of Directors of Tasty Baking Company (the "Company") were reviewed and ratified by the Board of Directors of the Company:

Base Salaries. An increase in base salary of the following named executive officers of the Company was approved:

Name	Title	New Base Salary
----	-----	-----
David S. Marberger	Executive Vice President and Chief Financial Officer	\$ 294,800
Autumn R. Bayles	Senior Vice President Strategic Operations and Technology	\$ 202,000
Christopher J. Rahey	Vice President-Direct Sales	\$ 170,400

These new base salaries will become effective on April 1, 2007.

Annual Incentive Plan ("AIP") - The Committee approved the target awards for the 2007 AIP grants to eligible employees, including the named executive officers. Target AIP awards are determined by multiplying the executive's base salary by a percentage based on the executive's level of responsibility. These target awards range from 20% to 60% of base salary for the named executive officers. The potential payout for 2007 ranges from 0% to 250% of the target award. The Committee also approved certain performance criteria that it will generally consider in 2007 for the named executive officers, which includes operating income before depreciation and amortization and other individual objectives tied to department performance. While the Company sets target awards, payout ranges and performance criteria at the beginning of a performance year, the Committee has the discretion under the AIP to adjust any award to take into account any factors it deems relevant, including extraordinary or unusual items occurring during the performance year. In this regard, the Committee retains the flexibility in determining the final award to consider other performance criteria, such as the individual's and the Company's performance in meeting certain strategic goals.

Long Term Incentive Awards. In July 2006, the Company instituted a three-year restricted stock award program (fiscal year 2006 - fiscal year 2008). Under the program, executive officers and certain other employees are eligible for an annual award of restricted stock based on the Company's achievement of certain financial and operational performance measures which will be set every year. Fifty-thousand shares were allotted under the program for awards for performance in 2006. The 2006 performance measures related to the Company's operational strategy. The Committee determined that the 2006 performance measures were achieved and certain named executive officers were awarded shares of restricted Common Stock under the Company's 2006 Long Term Incentive Plan (the "2006 LTIP") as reflected in the table below. These restricted stock awards will be awarded

effective March 5, 2007 (the "Grant Date"). The restricted stock will vest on the third anniversary of the Grant Date provided Grantee is employed by the Company on such anniversary date.

Name	Title	Number of Shares of Restricted Stock
----	-----	-----
Charles P. Pizzi	President and Chief Executive Officer	14,400

Edgar Filing: TASTY BAKING CO - Form 8-K

David S. Marberger	Executive Vice President and Chief Financial Officer	9,600
Autumn R. Bayles	Senior Vice President Strategic Operations and Technology	8,000

Although the Committee retains flexibility in determining equity awards to the named executive officers, the Committee approved certain 2007 performance measures that it will generally consider in determining future awards under the restricted stock award program. In addition to individual performance, the performance measures for 2007 are net sales and completion of various milestones relating to the Company's operational strategy. One-hundred thousand shares were allotted under the program for performance in 2007 for eligible employees; however, no determination was made regarding target awards, range of awards or other allocation of shares for named executive officers or other eligible employees.
