**Item 5.02 - Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangement of Certain Officers.**

(d) On March 25, 2015, the Board of Directors of Cirrus Logic, Inc. (the “Company”) appointed Alex Davern to serve as a director to fill a vacancy created when the Board increased the number of authorized directors from seven to eight directors pursuant to section 3.2 of the Company’s bylaws. There was not and is not any arrangement or understanding between Mr. Davern and any other person pursuant to which Mr. Davern was selected to be a director. The Board has not yet determined whether to name Mr. Davern to any of its committees.

Mr. Davern will receive the standard compensation and equity awards available to other non-employee directors of the Company as described in the Company’s definitive proxy statement filed with the Securities and Exchange Commission on June 2, 2014. In particular, upon his appointment, Mr. Davern is entitled to receive equity-based compensation in the form of an option to purchase shares of our common stock, fixed on the date of grant, that has a fair market value on the date of grant equal to \$225,000. The option will have a term of ten years and 25 percent will vest one year from the grant date, and the remaining options will vest 1/36th monthly thereafter until fully vested after four years. In addition, Mr. Davern, as a non-employee director, will receive a quarterly cash retainer in the amount of \$11,250. The Company also intends to enter into an indemnification agreement with Mr. Davern that is substantially similar to the form of indemnification agreement executed by other members of the Board.

Our press release announcing the election of Mr. Davern is attached as Exhibit 99.1 to this Report.
