ITEM 1

Dear Shareholder,

2007 was an eventful year, marked by the achievement of positive milestones in our communications segment, which accounts for the majority of our business, and challenges in our smaller media segment.

The year began with the merger of our Smilie.Communications Ltd. subsidiary with 012 Golden Lines, which has been an unqualified success. Led by Stella Handler, 012 Smile.Communications' excellent CEO, we completed the complex merger process ahead of schedule and under budget, and then began moving strongly forward. Currently, 012 Smile.Communications is executing an aggressive growth plan designed to position it as the market's leading communications brand, to increase average revenue per user, to expand its penetration of the domestic telephony market and to commence preparations that will facilitate the rollout of mobile services.

Recognizing 012 Smile's future potential, we took it public on the NASDAQ Global Market, raising a total of \$84 million. In parallel, to provide us with the funds we need to carry out acquisitions, we completed a \$119 million bond offering on the TASE in September. As a result of these transactions and our strong free cash flow, the IGLD group has ready access to adequate financial resources with which to carry out our growth and expansion strategies.

Our Smile.Media business did not have a successful year. Its primary Internet media property, MSN-Israel, continued to lose market share throughout the year, while companies with more popular search and mail services reported impressive growth. In fact, by the end of the first half of 2008, MSN-Israel represented less than 3% of our revenues, and was generating losses that dragged down the profitability of the entire group. To resolve the situation, we recently reached an agreement to have Microsoft independently operate the MSN Israel portal. This new agreement will add positively to our cash balance and improve our profitability while it will have only a minor impact on our revenues.

In light of Smile.Media's recent changes, we are currently re-structuring our strategy. At the same time, we have intensified our search for appropriate properties and joint ventures through which to deploy our significant cash reserves and our expertise in the communications market place, both in Israel and abroad.

As a concrete expression of our optimism regarding Internet Gold's future, our Board of Directors recently authorized the repurchase of up to NIS 70 million of our ordinary shares in addition to the NIS 68 million that was used since last November to purchase shares. Given the current level of our share price, we strongly believe that the purchase of our own shares is an appropriate use of our cash and that these purchases will enhance long-term shareholder value.

Taken as a whole, we are optimistic about new opportunities in our markets and trust that we are better positioned than ever to go after them, taking our company to the next level in the process. We look forward to reporting our continued progress in the year ahead.

Faithfully yours,
Eli Holtzman, CEO

I. ELECTION OF CLASS C DIRECTORS

(Item 1 on the Proxy Card)

Pursuant to our articles of association, our Board of Directors may consist of no less than six and no more than nine members, and is divided into three classes (other than outside directors), Class A, Class B and Class C. Generally, at each annual meeting of shareholders one class of directors is elected for a term of three years. At present we have one Class A director, two Class B directors and two Class C directors. All the members of our Board of Directors, except the outside directors, may be reelected upon completion of their term of office. In addition, companies incorporated under the laws of Israel whose shares have been offered to the public inside or outside of Israel, such as our company, are required by the Israeli Companies Law, 5759-1999, or the Israeli Companies Law, to appoint at least two outside directors, within the meaning of the Israeli Companies Law. For additional information regarding outside directors see Item 2 below election of outside directors.

Under the Israeli Companies Law, our Board of Directors is required to determine the minimum number of directors who must have accounting and financial expertise (as such term is defined in regulations promulgated under the Israeli Companies Law). Our Board of Directors has determined that our Board of Directors will include at least two directors who have accounting and financial expertise within the meaning of the regulations promulgated under the Israeli Companies Law. Our Board of Directors has determined that Mr. Shaul Elovitch, Ms. Anat Winner, Ms. Aliza Schloss and Ms. Orly Guy have the requisite accounting and financial expertise.

Edgar Filing: INTERNET GOLD GOLDEN LINES LTD - Form 6-K

We are a controlled company within the meaning of the NASDAQ Marketplace Rules, since Eurocom Communications holds more than 50% of our voting power. As such, we are exempt from the NASDAQ Marketplace Rules requirement that a majority of a company's board of directors must qualify as independent directors within the meaning of the NASDAQ Marketplace Rules. We are also exempt from the NASDAQ Marketplace Rules requirement regarding the process for the nomination of directors; instead, we follow Israeli law and practice in accordance with which our directors are proposed by the board of directors and elected by the shareholders, unless otherwise provided in a company's articles of association. Our articles of association do not provide otherwise.

Accordingly, our Board of Directors proposes the reelection of Ms. Anat Winner and Ms. Aliza Schloss, each to serve as a Class C director, to hold office for three years until our annual general meeting of shareholders to be held in 2011, and until their successors are elected and qualified.

Should either of the director nominees be unavailable for election, the proxies will be voted for a substitute nominee designated by the Board of Directors. The nominees are not expected to be unavailable.

Under the Israeli Companies Law, the affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting, in person or by proxy, entitled to vote and voting thereon, is required to elect as directors the nominees named above.

Set forth below is information about each nominee, including age, position(s) held with our company, principal occupation, business history and other directorships held.

Compensation

The aggregate amount of compensation paid during 2007 to all of our directors and executive officers as a group (10 persons) for services in all capacities was approximately \$1.6 million. This amount includes expenses incurred for cars made available to officers and expenses related to salaries, but does not include expenses such as business travel, professional and business association dues and expenses reimbursed to officers and other fringe benefits commonly reimbursed or paid by companies in Israel. As of December 31, 2007, the aggregate amount set aside or accrued for pension, retirement, recreation payments and vacation or similar benefits for our directors and executive officers was approximately \$609,524.

During the year ended December 31, 2007, we paid to each of our outside directors, as well as to Ms. Winner, an independent director, an annual fee of NIS 34,779 (\$9,977) and a per meeting attendance fee of NIS 1,831 (\$525). Those fees are paid based on the fees detailed in regulations promulgated under the Israeli Companies Law. Our other non-employee directors do not receive compensation for their services on the board of directors or any committee of our board of directors. All of our non-employee directors are reimbursed for their expenses for each board of directors meeting attended.

On July 29, 2008 our audit Committee and Board of Directors approved the payment to Ms. Winner of an annual fee, and a per meeting attendance fee, equal to the minimum statutory amount stated in the Companies Regulations (Rules for Compensation and Expenses of Outside Director) 5760-2000, promulgated under the Israeli Companies Law, applicable to companies of our size as set forth from time to time in the applicable regulations. The independent director compensation was approved without shareholder approval in accordance with the Companies Regulations (Relief from Related Party Transactions) 5760-2000, promulgated under the Israeli Companies Law. In the event that within 14 days from the date of the disclosure of the resolution of the Audit Committee and the Board of Directors, shareholders holding at least 1% of our voting rights will so request, this resolution will be subject to the approval of the general meeting of the shareholders of our company.

II. ELECTION OF OUTSIDE DIRECTORS

(Items 2A. and 2B. on the Proxy Card)

Under the Israeli Companies Law, companies incorporated under the laws of the State of Israel whose shares have been offered to the public are required to appoint at least two outside directors. The Israeli Companies Law provides that a person may not be appointed as an outside director if the person, or the person's relative, partner, employer or an entity under that person's control, has or had during the two years preceding the date of appointment any affiliation with the company, or any entity controlling, controlled by or under common control with the company. The term "relative" means a spouse, sibling, parent, grandparent, child or child of spouse or spouse of any of the above. The term "affiliation" includes an employment relationship, a business or professional relationship maintained on a regular basis, control and service as an office holder (excluding service as an outside director of a company that is offering its shares to the public for the first time).

In addition, no person may serve as an outside director if the person's position or other activities create, or may create, a conflict of interest with the person's responsibilities as director or may otherwise interfere with the person's ability to serve as director. If, at the time an outside director is appointed all members of the board of directors are of the same gender, then that outside director must be of the other gender. A director of one company may not be appointed as an outside director of another company if a director of the other company is acting as an outside director of the first company at such time.

As of 2006, at least one of the elected outside directors must have "accounting and financial expertise" and any other outside director must have "professional expertise" or "professional qualification," as such terms are defined by regulations promulgated under the Israeli Companies Law. This requirement does not apply to outside directors appointed prior to 2006.

Any committee of the board of directors must include at least one outside director and the audit committee must include all of the outside directors. An outside director is entitled to compensation as provided in regulations adopted under the Israeli Companies Law and is otherwise prohibited from receiving any other compensation, directly or indirectly, in connection with such service.

In general, outside directors serve for a three-year term, which may then be renewed for only one additional three-year period. However, Israeli companies listed on certain stock exchanges outside Israel, including the NASDAQ Global Market, may appoint an outside director for additional terms of not more than three years each subject to certain conditions. Such conditions include the determination by the audit committee and board of directors, that in view of the director's professional expertise and special contribution to the company's board of directors and its committees, the appointment of the outside director for an additional term is in the best interest of the company.

An outside director may be removed from office at the initiative of the board of directors at a special general meeting of shareholders, if the board resolves that the statutory requirements for his or her appointment as outside director no longer exist, or that the outside director has violated his or her duty of loyalty to the company. The shareholder resolution regarding the termination of office of an outside director requires the same majority that is required for the election of an outside director. The court may order the termination of the office of an outside director

Edgar Filing: INTERNET GOLD GOLDEN LINES LTD - Form 6-K

on the same grounds, following a motion filed by a director or a shareholder of the company. If an outside directorship becomes vacant, the board of directors is required under the Israeli Companies Law to convene a shareholders meeting immediately to appoint a new outside director.

Ms. Orly Guy and Ms. Ronit Gotliv were each elected by our shareholders to serve as our outside directors pursuant to the provisions of the Israeli Companies Law for initial three-year terms in our 2005 annual general meeting of shareholders. At the Meeting, shareholders will be asked to reelect Ms. Guy and Ms. Gotliv to serve as outside directors of our company for a second three-year term effective as of this Meeting and expiring three years thereafter on September 3, 2011.

The Companies Law provides that a shareholders meeting at which the appointment of an outside directors is to be considered will not be held unless the nominee has declared to the Company that he or she complies with the qualifications for appointment as an outside director. The proposed nominees have declared to the Company that they comply with the qualifications for re-appointment as an outside director, and have agreed to stand for reelection.

An outside director is entitled to compensation as provided in regulations adopted under the Israeli Companies Law and is otherwise prohibited from receiving any other compensation, directly or indirectly, in connection with such service. The payment of a director's fee to Ms. Guy and Ms. Gotliv will be equal to the minimum statutory amount set forth in the Companies Regulations (Rules Regarding Compensation and Expenses of an Outside Director) 2000.

Our Board of Directors has determined that Ms. Guy and Ms. Gotliv qualify as outside directors within the meaning of the Israeli Companies Law. Our Board of Directors has further determined that Ms. Guy has accounting and financial expertise as well as professional expertise and that Ms. Gotliv has professional expertise.

Set forth below is information about Ms. Guy and Ms. Gotliv, including their principal occupation, business history and any other directorships held.

Orly Guy, 47, has served as an outside director since July 2005 and is a member of our audit committee. Ms. Guy has served as a managing partner of Guy Bachar and Co., a Tel Aviv law firm specializing in civil-commercial law including litigation, capital market law and real estate law, since 1994. Since 2000, Ms. Guy has served as a director of a pharmaceuticals company, Intec Pharma Ltd. Ms. Guy holds an LL.B. degree from Tel Aviv University and is a member of the Israel Bar Association.

Ronit Gotliv, 54, has served as an outside director since July 2005 and is a member of our audit committee. Ms. Gotliv serves as a managing partner of R. Gotliv and Co., a Tel Aviv law firm specializing in commercial law, corporate law and real estate law. From 1984 to 1999, Ms. Gotliv was employed as an attorney at B.A. Gotliv Law Offices. Ms. Gotliv holds an LL.B. degree from Tel Aviv University.

The election of the nominees for outside directors requires the affirmative vote of a majority of ordinary shares represented at the Meeting, in person or by proxy, entitled to vote and voting on the matter, provided that either (i) the shares voting in favor of such resolution include at least one-third of the shares of non-controlling shareholders who vote on the matter (excluding the vote of abstaining shareholders), or (ii) the total shareholdings of the non-controlling shareholders who vote against such proposal do not represent more than 1% of the voting rights in our company.

We are not aware of any reason why any of the nominees, if elected, would be unable or unwilling to serve as an outside director. In the event that the named nominees for outside director would be unable to serve, the proxies will be voted for the election of such other person as shall be nominated by our Board of Directors.

The Board of Directors recommends a vote FOR the election of the nominees for outside director.

III. APPROVAL OF COMPENSATION TO BE PAID TO OUR OUTSIDE DIRECTORS (Item 3 on the Proxy Card)

Under the Israeli Companies Law, the payment of compensation to an outside director, within the meaning of the Israeli Companies Law, is required to be approved by the audit committee, board of directors and shareholders, in that order. The form and amount of compensation of an outside director, is governed by regulations promulgated under the Israeli Companies Law, and an outside director is otherwise prohibited from receiving any other compensation, directly or indirectly, in connection with such service. According to the applicable regulations, in general, all outside directors are required to receive the same compensation, an outside director must be informed of the compensation prior to his or her acceptance to serve as an outside director and the compensation may not be modified during each three year term of service as an outside director other than to conform to the terms of a newly appointed outside director. Under the applicable regulations, a company must pay its outside directors compensation in the form of an annual fee and a per meeting attendance fee in an amount determined in such regulations, unless it elects to pay an alternative form of compensation permitted under the regulations.

Subject to and effective as of the election of each of Ms. Guy and Ms. Gotliv as an outside director for a second three-year term at the Meeting (see Item II), and for the duration of their service in such capacity, it is proposed to pay to Ms. Guy and Ms. Gotliv compensation in the form of an annual fee and per meeting attendance fee. The annual fee will be equal to the minimum statutory amount applicable to companies of our size as set forth from time to time in the applicable regulations. The per meeting attendance fee will be equal to the minimum statutory amount applicable to companies of our size as set forth from time to time in the applicable regulations. Such compensation has been approved by our Audit Committee and Board of Directors, subject to shareholder approval, and is the same as the compensation paid to our current outside directors.

It is therefore proposed that at the Meeting the following resolution be adopted:

RESOLVED, subject to and effective as of the appointment of Ms. Guy and Ms. Gotliv as our outside directors and for the duration of their service in such capacity, to pay to Ms. Guy and Ms. Gotliv compensation in the form of an annual fee and per meeting attendance fee in such amounts as described in the proxy statement for the 2008 annual general meeting of shareholders.

The affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting, in person or by proxy, entitled to vote and voting thereon, is required to approve the foregoing resolution.

The Board of Directors recommends a vote FOR the foregoing resolution.

**IV. RATIFICATION AND APPROVAL OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTANTS**
(Item 4 on the Proxy Card)

We first appointed Somekh Chaikin, registered public accounting firm, a member firm of KPMG International, as our independent registered public accountants in 1999 and have reappointed the firm as our independent registered public accountants since such time. Somekh Chaikin has no relationship with us or any of our affiliates except as auditors.

At the Meeting, shareholders will be asked to ratify and approve the re-appointment of Somekh Chaikin as our independent registered public accountants for the fiscal year ending 2008, pursuant to the recommendation of our Audit Committee and Board of Directors. With respect to fiscal year 2007, we paid Somekh Chaikin approximately \$1,327,243 for audit services and approximately \$35,816 for tax-related services.

It is therefore proposed that at the Meeting the shareholders adopt the following resolution:
