(1) The Warrants were issued on September 12, 2002 pursuant to the Agreement and Plan of Exchange dated April 11, 2002 between the Issuer and Etablissements Bourgogne et Grasset SA ("B&G") as part of the consideration for the exchange of shares in B&G. The Warrants were intended to provide "antidilution" protection against options and similar rights granted by the Issuer prior to the closing of the exchange which are exercised after the closing and against securities issued to the Issuer's investment banker as a result of the closing. Thus, the Warrants

## Edgar Filing: CHARLIER GERARD P - Form 3

are only exercisable if, as and when these options or rights are exercised or such securities issued. The Warrants will expire 30 days after the Issuer notifies the Warrant holder that the last of those options or rights have expired.

(2) The Issuer has granted stock options to Mr. Charlier, subject to the terms and conditions of the Issuer's 1994 Long-Term Incentive Plan. One option permits Mr. Charlier to purchase 200,000 shares of the Issuer's common stock at \$3.40 per share. The option vests on the fifth anniversary of the date of grant and is exercisable for five years following the date of vesting. The other option permits Mr. Charlier to purchase 100,000 shares at \$3.40 per share, but it will vest only if the Issuer's annual profit reaches \$2,000,000 before the fifth anniversary of the grant of the option. If the option vests, it will remain exercisable for five years.

Reminder: Report on a separate line for each class of securities beneficially owned directly or indirectly.
