17 March 2004

To the Shareholders

Dear Sir or Madam,

FURTHER INFORMATION
RELATING TO A POTENTIAL ACQUISITION
AND
PROPOSED NEW ISSUE TO RAISE FUNDS TO FINANCE SUCH POTENTIAL ACQUISITION

1. INTRODUCTION

Further to the Company's announcement dated 1 March 2004, the Directors announced on 17 March 2004 that the Company has identified the telecommunication assets to be acquired from its Parent to be those located in ten provinces (including autonomous regions) in the PRC (the Potential Acquisition). These provinces (including autonomous regions) are Hubei province, Hunan province, Hainan province, Guizhou province, Yunnan province, Shaanxi province, Gansu province, Qinghai province, Ningxia Hui autonomous region and Xinjiang Uygur autonomous region.

On the same day, the Directors also announced the proposal to seek the approval of Shareholders to authorise the Directors to issue and allot up to 8,317,560,515 new H Shares (the *New H Shares*) (including up to 756,141,865 new H Shares to be converted from up to 756,141,865 existing Domestic Shares held by PRC state shareholders) if certain conditions, as further described in this circular, are satisfied (the *New Issue*). The maximum number of the New H Shares which may be issued and allotted pursuant to the New Issue will represent approximately 11% of the Company's current registered share capital.

The purpose of this circular is to provide you with further information on the proposed Potential Acquisition and the New Issue and to give you notice of the EGM and the Class Meetings to be convened to consider the New Issue.

2. RATIONALE BEHIND AND REASONS FOR THE NEW ISSUE

The purpose of the New Issue is to allow the Company to raise funds in anticipation of the Potential Acquisition. The Directors consider it appropriate now to seek the approval from its Shareholders to issue the New H Shares as it would, if granted, provide the Company with flexibility to take advantage of favourable market conditions and opportunities to raise funds in anticipation of the Potential Acquisition. Any issue of New H Shares will also increase the Company's public float above the current level of approximately 11% of the current registered share capital of the Company. If the Company issues the maximum number of the New H Shares pursuant to the New Issue, the public float after such issuance will be approximately 20% of the Company's enlarged registered share capital.

Approval of the New Issue is sought from the Shareholders pursuant to paragraph 19(1)(a) of the Listing Agreement, which requires that the Directors obtain the approval by a special resolution of Shareholders in general meeting and the approvals by special resolutions of holders of Domestic Shares and holders of H Shares at separate class meetings conducted in accordance with the Articles of Association prior to authorising, issuing, allotting or granting any H Shares.

3. TERMS OF THE NEW ISSUE

(a) Maximum Number of H Shares under the New Issue

The maximum number of H Shares which can be issued and allotted pursuant to the New Issue is 8,317,560,515 New H Shares, which comprises (i) up to 7,561,418,650 New H Shares representing approximately 10% of the current registered share capital of the Company (the *Primary Shares*), and (ii) up to 756,141,865 New H Shares (representing 10% of the 7,561,418,650 Primary Shares to be issued and allotted) upon conversion of up to 756,141,865 existing Domestic Shares held by PRC state shareholders (the *Secondary Shares*) to comply with the Provisional Measures on the Administration of the Reduction of the State Owned Shares for Raising Social Security Funds (), provided that the number of Secondary Shares actually issued and allotted shall be 10% of the number of Primary Shares actually offered and sold by the Company at any time and from time to time pursuant to the New Issue. None of the holders of the Domestic Shares will be entitled to any of the proceeds arising from any issue and allotment of any Secondary Shares, all of such proceeds will be paid to the PRC national social security funds as required by the Provisional Measures on the Administration of the Reduction of the State Owned Shares for Raising Social Security Funds ().

(b) Issue of New H Shares pursuant to the New Issue

If the New Issue is approved, Directors can issue and allot all or some of the New H Shares at any time and from time to time before 2 November 2004 (being the expiry date of the New Issue as described below) on such terms and conditions as the Directors consider to be

Edgar Filing: CHINA TELECOM CORP LTD - Form 6-K

appropriate and in the best interests of the Company and subject to the other conditions, including size, timing and price, as mentioned in this circular.

The price at which any or all of the New H Shares may be issued and allotted by the Directors under the New Issue will be determined by reference to the prevailing market price of the H Shares at the time of offering and all other relevant market considerations. Such price will in any event be within a range of 20% below or above the prevailing market price of the H Shares of the Company at the time of the offering. For illustrative purposes only, the New H Shares to be issued and allotted pursuant to the New Issue will have an aggregate value of approximately HK\$23.29 billion (based on the closing price of HK\$2.80 per H Share on 16 March 2004), assuming the maximum number of the New H Shares is issued and allotted pursuant to the New Issue.

(c) Approval of Shareholders

The New Issue is subject to approvals being obtained from (i) the holders of H Shares by way of a special resolution at a separate Class Meeting, (ii) the holders of Domestic Shares by way of a special resolution at another separate Class Meeting, and (iii) the Shareholders by way of a special resolution at the EGM, as required by paragraph 19(1)(a) of the Listing Agreement and the Articles of Association. Whilst Shareholders are not entitled to any pre-emptive rights under the Articles of Association in respect of any new issue and allotment of any shares of the Company, paragraph 19(1) of the Listing Agreement provides that the Shareholders' approvals as set out in this paragraph be obtained prior to any authorisation, issuance or grant of any H Shares. Accordingly, Shareholders are asked to waive their pre-emptive rights (if any) over any or all of the New H Shares to be issued and allotted pursuant to the New Issue.

(d) Other Conditions

Issue and allotment of any New H Shares pursuant to the New Issue is subject to the following conditions:

- (i) any New H Shares to be issued and allotted pursuant to the New Issue having to be offered to investors who are independent of and not connected with any promoter, Director, supervisor, chief executive or Substantial Shareholder of the Company or any of its subsidiaries or an Associate of any of them, in full compliance with the requirements of the Listing Rules and all applicable laws; and
- (ii) approvals for the issue and allotment of the New H Shares under the New Issue having been obtained from all relevant PRC governmental and regulatory authorities.

(e) Lapse of the New Issue

The proposed New Issue, if granted, will lapse on 2 November 2004, being the date falling 6 months after the passing of the special resolutions at the Class Meetings and the EGM, irrespective of whether any New H Shares covered by the New Issue have been issued and allotted in full or not.

Investors should be aware that issue of New H Shares pursuant to the New Issue is subject to the satisfaction of a number of terms and conditions which are more particularly set out in the paragraph headed "Terms of the New Issue". There is no assurance that any of the conditions will be fulfilled. Investors should therefore exercise caution when dealing in the H Shares.

4. USE OF PROCEEDS OF ANY ISSUE OF PRIMARY SHARES PURSUANT TO THE NEW ISSUE

Edgar Filing: CHINA TELECOM CORP LTD - Form 6-K

The purpose of the New Issue is to allow the Company to raise funds in anticipation of the Potential Acquisition. Whilst the Company has not made a decision as to the offering structure of any such issue and allotment, the Company intends to use the net proceeds from any such issue and allotment of the Primary Shares wholly to fund the Company's Potential Acquisition. The New Issue will also provide the Company with flexibility to take advantage of favourable market conditions and opportunities to raise funds. If the Potential Acquisition does not proceed for whatever reason, any net proceeds raised from the issue and allotment of the Primary Shares pursuant to the New Issue will be used for the Company's other similar possible strategic acquisitions. Pending such use, the Company will invest such net proceeds in certificates of deposit, US government securities or certain other interest-bearing securities or place such net proceeds in bank deposits. Any use, investment or deposit of the net proceeds as mentioned above other than for the Potential Acquisition will have been reviewed and approved by the independent non-executive directors of the Company. The Company will publish further announcement(s) as and when necessary to keep Shareholders informed of any issue and allotment of any New H Shares pursuant to the New Issue and the use of any net proceeds raised.

Investors should note that if Primary Shares are issued pursuant to the New Issue, the actual amount of funds to be raised from the issue will depend on the actual number of the Primary Shares issued and allotted and the price at which such Primary Shares are issued and allotted.

5. FURTHER DETAILS OF THE POTENTIAL ACQUISITION

Whilst negotiations between the Company and its Parent in relation to the Potential Acquisition are continuing, the Directors expect that the relevant parties may be in a position to reach final agreement on the terms of the Potential Acquisition in April 2004. The Directors expect that further details of the Potential Acquisition, including the consideration and other terms, will be disclosed by way of a further announcement to Shareholders pursuant to paragraph 2 of the Listing Agreement at least 5 Business Days prior to the convening of the Class Meetings and the EGM. The Potential Acquisition will constitute a connected transaction of the Company under the Listing Rules. A separate extraordinary general meeting will need to be convened in full compliance with the requirements in relation to connected transactions and notifiable transactions (where applicable) under the Listing Rules to enable Shareholders to consider the terms of the Potential Acquisition. The Class Meetings and the EGM convened for the New Issue will be held on 3 May 2004 (and the 45 days' notice for such Class Meetings and the EGM will count from the first day immediately following the date of dispatch of such notices) even if an announcement relating to the Potential Acquisition is published by the Company before the Class Meetings and the EGM are convened for the New Issue.

Whilst negotiations between the Company and its Parent in relation to the Potential Acquisition are continuing, no understanding or contractual terms have been agreed and the Potential Acquisition may or may not proceed. Investors should therefore exercise caution when dealing in H Shares.

6. RANKING OF NEW H SHARES

The New H Shares, if and when issued, allotted and fully paid, will rank pari passu in all respects among themselves with the existing H Shares in issue, including the right to receive all future dividends and distributions which may be declared, made or paid after the date of issue and allotment of any of the New H Shares.

7. POTENTIAL CHANGE TO SHARE CAPITAL AND SHAREHOLDING STRUCTURE

For reference and illustrative purposes only, assuming the maximum number of the New H Shares is issued and allotted by the Directors pursuant to the New Issue, the current registered share capital and the shareholding structure of the Company and those of the Company immediately after completion of the issue and allotment will be as follows:

Holders of Domestic Shares or H Shares	Current registered share capital and shareholding structure		Immediately after completion of issue and allotment of the maximum number of the New H Shares	
	No. of Shares	%	No. of Shares	%
Domestic Shares				
China Telecommunications Corporation	58,809,120,182	77.78%	58,151,180,270	69.91%
Guangdong Rising Assets Management Co., Ltd.	5,658,608,387	7.48%	5,595,301,466	6.73%
Jiangsu Guoxin Investment Group Co., Ltd.	964,621,836	1.28%	953,829,918	1.15%
Zhejiang Financial Development Company	2,154,426,098	2.85%	2,130,322,984	2.56%
H Shares (including H Shares underlying ADSs)	8,027,410,000	10.62%	16,344,970,515	19.65%

Note: the sum of all percentages may not add up to 100% due to rounding discrepancies.

8. AUTHORITY TO AMEND THE ARTICLES OF ASSOCIATION

The existing capital structure of the Company is set out in the Articles of Association as follows:

- (a) Article 20 sets out the number of aggregated number of ordinary shares in issue of the Company and the number of ordinary shares issued to the Company's promoter as at the establishment of the Company;
- (b) Article 21 sets out the number of Domestic Shares which were converted into H Shares, the number of H Shares and the number of Domestic Shares in issue and gives details of the shareholding of the Domestic Shares; and
- (c) Article 24 sets out the registered capital amount of the Company.

Upon any issue and allotment of the New H Shares pursuant to the New Issue, the capital structure of the Company will be altered. Accordingly, the Directors will be seeking from the Shareholders at the Class Meetings and the EGM an authority to make such amendments to the Articles of Association to reflect the new capital structure of the Company as a result of the issue and allotment of the New H Shares pursuant to the New Issue.

9. APPLICATION FOR LISTING

Edgar Filing: CHINA TELECOM CORP LTD - Form 6-K

Application will be made to the Stock Exchange for listing of, and permission to deal in, any New H Shares issued and allotted pursuant to the New Issue.

Subject to the permission of the listing of, and to deal in, any or all of the New H Shares on the Main Board and in compliance with the stock admission requirements of HKSCC, the New H Shares (if any) will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the date of the commencement of dealings in the New H Shares on the Main Board or such other dates as determined by the HKSCC.

All necessary arrangements will be made for the New H Shares to be admitted into CCASS.

10. CLASS MEETINGS AND EXTRAORDINARY GENERAL MEETING

Separate Class Meetings of the holders of H Shares and the holders of Domestic Shares will be held for the purpose of seeking approvals from the holders of the H Shares and the holders of Domestic Shares respectively to pass the necessary special resolutions to approve (i) the proposed New Issue, (ii) the proposed authorisation to the Directors to amend certain articles in the Articles of Association to reflect the new share capital structure of the Company following the issue and allotment of New H Shares pursuant to the New Issue, and (iii) the proposed waiver of their pre-emptive rights (if any) over any or all of the New H Shares which may be issued and allotted pursuant to the New Issue.

The EGM will be held for the purpose of seeking the approval from the Shareholders to pass the necessary special resolutions in general meeting to approve (i) the proposed New Issue, (ii) the proposed authorisation to the Directors to amend certain articles in the Articles of Association to reflect the new share capital structure of the Company following the issue and allotment of New H Shares pursuant to the New Issue, and (iii) the proposed waiver of their pre-emptive rights (if any) over any or all of the New H Shares which may be issued and allotted pursuant to the New Issue.

Notices of the Class Meeting of the holders of H Shares and the Class Meeting of the holders of Domestic Shares and the EGM to be held at 11:00 a.m., 11:30 a.m. and 12:00 noon respectively on 3 May 2004 at Beijing Nan Yue Yuan Hotel, 186 Zheng Wang Fen, Feng Tai District, Beijing, PRC are set out in pages 10 to 18 of this Circular.

11. UNDERTAKINGS

As the net proceeds of any issue and allotment of any Primary Shares pursuant to the New Issue are intended to be used to acquire telecommunication assets from the Parent pursuant to the Potential Acquisition, China Telecommunications Corporation, as the controlling shareholder of the Company, will abstain from voting at the Class Meeting for the holders of Domestic Shares and the EGM. None of the other holders of Domestic Shares will abstain from voting at the Class Meeting for the holders of Domestic Shares and the EGM since the interest of each such holder of Domestic Shares is the same as all the other Shareholders of the Company in respect of the special resolutions. These other holders of Domestic Shares, namely, Guangdong Rising Assets Management Co., Ltd., Jiangsu Guoxin Investment Group Co., Ltd. and Zhejiang Financial Development Company have all undertaken to the Company that they will vote in favour of the special resolutions to be proposed at the Class Meeting for the holders of Domestic Shares and the EGM.

12. RECOMMENDATION

The Directors consider that (i) the proposed New Issue, (ii) the proposed authorisation to the Directors to amend certain articles in the Articles of Association to reflect the new share capital of the Company following the issue and allotment of the New H Shares pursuant to the New Issue, and (iii) the proposed waiver of their pre-emptive rights (if any) over any or all of the New H Shares to be issued and allotted are fair and reasonable and in the interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend the Shareholders to vote in favour of the special resolutions to be proposed at the relevant Class Meetings and the EGM.
