MERGER PROPOSED YOUR VOTE IS VERY IMPORTANT

Boyd Gaming Corporation, its direct wholly owned subsidiary BGC, Inc. and Coast Casinos, Inc. have entered into an Agreement and Plan of Merger dated as of February 6, 2004, as amended, which is referred to in this joint proxy statement/prospectus as the merger agreement, pursuant to which Boyd Gaming will acquire Coast Casinos through a merger of Coast Casinos with and into BGC, Inc., which is referred to in this joint proxy statement/prospectus as the merger. The merger agreement is attached as Annex A to this joint proxy statement/prospectus and is incorporated into this joint proxy statement/prospectus by reference. This joint proxy statement/prospectus describes the merger agreement, the merger and the transactions related to the merger in detail and provides information concerning the annual meeting of Boyd Gaming stockholders and the annual meeting of Coast Casinos stockholders.

Except with respect to certain specified officers of Coast Casinos, at the effective time of the merger, each issued and outstanding share of Coast Casinos common stock will be converted into the right to receive \$550 in cash, unless an election is made in a timely manner by the holder of the Coast Casinos common stock to receive 32.8025 shares of Boyd Gaming common stock for such share of Coast Casinos common stock. The maximum aggregate number of shares of Boyd Gaming common stock issuable in the merger to Coast Casinos stockholders, other than certain specified officers of Coast Casinos, will be approximately 1,009,194 shares (subject to the rounding mechanics in the proration provisions of the merger agreement), unless an adjustment is required in order to qualify the merger as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended. The amount of stock consideration and cash consideration that each Coast Casinos stockholder, other than certain specified officers of Coast Casinos, will be entitled to receive at the effective time of the merger will have an aggregate value of at least \$550 per share of Coast Casinos common stock exchanged in the merger and will be subject to adjustment and proration as described in this joint proxy statement/prospectus. The exact amount of cash consideration and stock consideration to be received in the merger in exchange for shares of Coast Casinos common stock cannot be determined until the effective time of the merger. See The Merger Agreement Consideration to be Received in the Merger Adjustments to the Merger Consideration and Proration in Chapter I of this joint proxy statement/prospectus on page 68.

The Boyd Gaming board of directors has unanimously approved the merger agreement, the merger and the issuance of shares of Boyd Gaming common stock in the merger. The Coast Casinos board of directors has unanimously adopted the merger agreement and approved the merger. The issuance of shares of Boyd Gaming common stock in the merger requires the approval of a majority of the votes cast by Boyd Gaming stockholders at the Boyd Gaming annual meeting, provided that the total vote cast must represent over 50% in interest of all Boyd Gaming securities entitled to vote on such proposal at the Boyd Gaming annual meeting. The approval of the merger agreement and the merger requires the affirmative vote of a majority of the voting power of the holders of the outstanding shares of Coast Casinos common stock. Certain Coast Casinos stockholders holding an aggregate of approximately 56% of the voting power of the outstanding shares of Coast Casinos common stock have entered into an agreement with Boyd Gaming pursuant to which they have agreed, among other things, to vote their shares of Coast Casinos common stock in favor of the approval of the merger agreement and the merger.

Boyd Gaming stockholders will vote at the Boyd Gaming annual meeting on April 30, 2004, at noon, local time, at Borgata Hotel Casino and Spa, One Borgata Way, Atlantic City, New Jersey 08401. Coast Casinos stockholders will vote at the Coast Casinos annual meeting on April 29, 2004, at 5:00 p.m., local time, in the Esplanade Room at The Orleans Hotel and Casino, 4500 West Tropicana Avenue, Las Vegas, Nevada 89103.

Edgar Filing: BOYD GAMING CORP - Form S-4/A

Before casting your vote, please take the time to review carefully this joint proxy statement/prospectus, including the section entitled **Risk Factors** in Chapter I of this joint proxy statement/prospectus beginning on page 25. Your vote is very important regardless of the number of shares you hold. We enthusiastically support this combination of our companies and join with our boards of directors in recommending that you vote **FOR** the approval of the issuance of shares of Boyd Gaming common stock in the merger, in the case of Boyd Gaming stockholders, and **FOR** the approval of the merger agreement and the merger, in the case of Coast Casinos stockholders.

CHAPTER I THE MERGER

QUESTIONS AND ANSWERS ABOUT THE PROPOSALS

GENERAL QUESTIONS AND ANSWERS

Q: Why is the merger and the issuance of shares of Boyd Gaming common stock in the merger being proposed?

A: The Boyd Gaming board of directors and the Coast Casinos board of directors believe that:

combining Boyd Gaming with Coast Casinos would establish one of the largest casino operators in the United States;

the companies' experience, resources and breadth of geographical scope will allow the combined company to better compete with larger competitors in the hotel-casino industry; and

the merger of Coast Casinos with Boyd Gaming will provide reasonable growth opportunities for the combined company after the consummation of the merger.

Q: What will happen if the merger is completed?

A: Boyd Gaming will acquire Coast Casinos through the merger of Coast Casinos with and into a wholly owned subsidiary of Boyd Gaming. The wholly owned subsidiary of Boyd Gaming will be the surviving corporation in the merger and, at the effective time of the merger, will change its name to Coast Casinos, Inc. After the merger, the new Coast Casinos, Inc. will continue as a wholly owned subsidiary of Boyd Gaming.

Q: When will the merger be completed?

A: The merger will be completed when the conditions described below under "The Merger Agreement" "Conditions to the Merger" are satisfied. Boyd Gaming and Coast Casinos believe that the merger can be completed by mid-2004. There can be no guarantee, however, as to when all conditions to the merger will be satisfied and the completion of the merger will occur, if at all. See "Risk Factors" "Risks Relating to the Merger" beginning on page 25.

QUESTIONS AND ANSWERS FOR COAST CASINOS STOCKHOLDERS

Q: When and where is the annual meeting of the Coast Casinos stockholders?

A: The Coast Casinos annual meeting will take place on April 29, 2004, at 5:00 p.m., local time. The location of the annual meeting is the Esplanade Room at The Orleans Hotel and Casino, 4500 West Tropicana Avenue, Las Vegas, Nevada 89103.

Q: What are the Coast Casinos stockholders voting on and why?

A: Coast Casinos stockholders are voting on a proposal to approve the merger agreement and the merger. The approval of the merger agreement by the Coast Casinos stockholders is a condition to the effectiveness of the merger.

In addition, Coast Casinos stockholders are voting on the following matters at the Coast Casinos annual meeting, each as more fully described in Chapter III Information About the Coast Casinos Annual Meeting and Other Proposals beginning on page 132:

to elect four Class II directors of Coast Casinos to serve until the earlier of the consummation of the merger or the 2007 Annual Meeting of Stockholders; and

to transact such other business as may properly come before the Coast Casinos annual meeting and any adjournments or postponements thereof.

Table of Contents

Q: What will Coast Casinos stockholders receive in the merger?

A: With respect to each Coast Casinos stockholder (other than Michael J. Gaughan, the Chairman and Chief Executive Officer of Coast Casinos, Jerry Herbst, a director and the Treasurer of Coast Casinos, and Franklin Toti, a director and the Vice President of Casino Operations of Coast Casinos), at the effective time of the merger, each issued and outstanding share of Coast Casinos common stock held by each such stockholder will be converted into the right to receive \$550 in cash, unless an election is made in a timely manner by such Coast Casinos stockholder to receive 32.8025 shares of Boyd Gaming common stock for such share of Coast Casinos common stock. The maximum aggregate number of shares of Boyd Gaming common stock issuable in the merger to Coast Casinos stockholders, other than Messrs. Gaughan and Toti, will be approximately 1,009,194 shares (subject to the rounding mechanics of the proration provisions of the merger agreement), unless an adjustment is required in order to qualify the merger as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended. The amount of stock consideration and cash consideration that each Coast Casinos stockholder, other than Messrs. Gaughan and Toti, will be entitled to receive at the effective time of the merger will have an aggregate value of at least \$550 per share of Coast Casinos common stock exchanged in the merger and will be subject to adjustment and proration as described below under *The Merger Agreement Consideration to be Received in the Merger Adjustment to the Merger Consideration and Proration* on page 68. Each Coast Casinos stockholder, other than Messrs. Gaughan, Herbst and Toti, may elect different consideration for each share of Coast Casinos common stock held by such stockholder, subject to the adjustment and proration terms and procedures of the merger agreement. However, because the aggregate number of shares of Boyd Gaming common stock that may be issued to Coast Casinos stockholders, other than Messrs. Gaughan and Toti, in the merger is limited to approximately 1,009,194 shares, unless adjusted pursuant to the terms of the merger agreement, it is possible that a substantial portion of the merger consideration received by each such Coast Casinos stockholder will be in the form of cash consideration, regardless of the election made by such stockholder.

At the effective time of the merger, each issued and outstanding share of Coast Casinos common stock held by Messrs. Gaughan and Toti will be converted into the right to receive 32.8025 shares of Boyd Gaming common stock. In addition, each issued and outstanding share of Coast Casinos common stock held by Mr. Herbst will be converted into the right to receive \$550 in cash.

Q: How and when can I make my election?

A: An election form has been sent to the Coast Casinos stockholders together with this joint proxy statement/prospectus for making elections for consideration consisting of shares of Boyd Gaming common stock. To be effective, the election form must be properly completed, signed and received by the exchange agent, together with the stock certificates representing shares of Coast Casinos common stock with respect to which the election for stock consideration is being made, no later than 5:00 p.m., Pacific time, on April 28, 2004. If a properly completed and signed election form with respect to shares of Coast Casinos common stock is not received by the exchange agent, together with the appropriate stock certificates, by 5:00 p.m., Pacific time, on April 28, 2004, then the holder of those shares of Coast Casinos common stock will be deemed to have made an election for cash consideration in respect of those shares of Coast Casinos common stock.

Q: Will I receive the specific amount of stock consideration that I elect to receive?

A: Not necessarily. Elections for stock consideration, or non-elections for cash consideration, will be subject to the adjustment and proration procedures set forth in the merger agreement. See *The Merger Agreement Consideration to be Received in the Merger Adjustments to the Merger Consideration and Proration* on page 68.

Table of Contents

Q: What are the tax consequences of the merger?

A: Boyd Gaming and Coast Casinos intend for the merger to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended. As a result, the tax consequences of the merger to Coast Casinos stockholders will be generally as follows:

Coast Casinos stockholders who exchange their shares of Coast Casinos common stock solely for cash will recognize gain or loss for U.S. Federal income tax purposes;

Coast Casinos stockholders who exchange their shares of Coast Casinos common stock for a combination of cash and shares of Boyd Gaming common stock may recognize gain, but not loss, in the exchange; and

Coast Casinos stockholders who exchange their shares of Coast Casinos common stock solely for shares of Boyd Gaming common stock will not recognize gain or loss for U.S. Federal income tax purposes, other than gain or loss attributable to the receipt of cash in the merger in lieu of fractional shares of Boyd Gaming common stock.

For a full description of the tax consequences of the merger for Coast Casinos stockholders, see *The Merger* U.S. Federal Income Tax Consequences of the Merger beginning on page 60.

Q: What vote of Coast Casinos stockholders will be required to approve the merger agreement and the merger?

A: The approval of the merger agreement and the merger requires the affirmative vote of a majority of the voting power of the holders of the outstanding shares of Coast Casinos common stock. Messrs. Gaughan, Herbst and Toti, who hold an aggregate of approximately 56% of the voting power of the outstanding shares of Coast Casinos common stock, have entered into an agreement with Boyd Gaming pursuant to which they have agreed to, among other things, vote their shares of Coast Casinos common stock in favor of the approval of the merger agreement and the merger. See *The Merger* Stockholders Agreement beginning on page 55.

If, however, prior to the Coast Casinos annual meeting, the Coast Casinos board of directors withdraws or modifies its approval or recommendation of the merger agreement and the merger as a result of a superior proposal in accordance with the terms of the merger agreement, then the approval of the merger agreement and the merger will also require approval by a majority of the voting power of the holders of the outstanding Coast Casinos common stock present and duly voted, in person or by proxy, at the Coast Casinos annual meeting, exclusive of those votes taken in respect of the shares of Coast Casinos common stock held by Messrs. Gaughan, Herbst and Toti. See *The Merger* Agreement Coast Casinos Meeting on page 76.

Q: What should I do now in order to vote on the proposal to approve the merger agreement and the merger?

A: After carefully reading and considering the information contained in this joint proxy statement/prospectus, please complete and sign the enclosed proxy card and return it in the enclosed postage-paid envelope as soon as possible so that your shares may be represented at the Coast Casinos annual meeting. You may also cast your vote by attending the Coast Casinos annual meeting in person.

Q: What do I do if I want to revoke my proxy?

Edgar Filing: BOYD GAMING CORP - Form S-4/A

- A:** A proxy may be revoked at any time before it is voted by delivering to Coast Casinos, Attn: Corporate Secretary, at the principal executive office of Coast Casinos indicated below under Summary Information About the Companies Coast Casinos on page 7, a written notice of revocation or a duly executed proxy bearing a later date than the proxy being revoked. Simply attending the Coast Casinos annual meeting, however, will not revoke your proxy. If you have instructed a broker to vote your shares, you must follow the directions of your broker to revoke your proxy.

Q: What will happen if I abstain from voting on the merger agreement and the merger?

A: An abstention or failure to vote will have the same effect as a vote against the approval of the merger agreement and the merger.

Q: Do I have dissenters' rights?

A: Yes. Coast Casinos stockholders will have dissenters' rights under Nevada law as a result of the merger. In order to exercise dissenters' rights, a stockholder, among other things, must not vote in favor of the merger and must follow the procedures specified in Nevada Revised Statutes Sections 92A.300 through 92A.500, inclusive, a copy of which is included as Annex D to this joint proxy statement/prospectus. See "The Merger Dissenters' Rights of Coast Casinos Stockholders" beginning on page 63. However, Messrs. Gaughan, Herbst and Toti have each agreed in the stockholders agreement entered into with Boyd Gaming to waive their dissenters' rights with respect to the merger.

Q: Who should I contact if I have questions?

A: If you have any questions about the merger agreement or the merger or if you need additional copies of this joint proxy statement/prospectus or the enclosed proxy card, you should contact Coast Casinos, Inc., Attn: Gage Parrish at 4500 West Tropicana Avenue, Las Vegas, Nevada 89103, by phone at (702) 365-7000 or by e-mail at gparrish@coastcasinos.net.

QUESTIONS AND ANSWERS FOR BOYD GAMING STOCKHOLDERS

Q: When and where is the annual meeting of the Boyd Gaming stockholders?

A: The Boyd Gaming annual meeting will take place on April 30, 2004, at noon, local time. The location of the annual meeting is Borgata Hotel Casino and Spa, One Borgata Way, Atlantic City, New Jersey 08401.

Q: What are Boyd Gaming stockholders voting on and why?

A: Boyd Gaming stockholders are voting on a proposal to approve the issuance of shares of Boyd Gaming common stock in connection with the merger. This stockholder vote is required under the rules of the New York Stock Exchange because the aggregate number of shares of Boyd Gaming common stock to be issued to Coast Casinos stockholders in the merger will exceed 20% of the total number of shares of Boyd Gaming common stock issued and outstanding immediately prior to the completion of the merger.

In addition, Boyd Gaming stockholders are voting on the following matters at the Boyd Gaming annual meeting, each as more fully described in Chapter II "Information About the Boyd Gaming Annual Meeting and Other Proposals" beginning on page 105:

to elect three Class I directors of Boyd Gaming to serve until the 2007 Annual Meeting of Stockholders or until their successors are duly elected and qualified;

to ratify the appointment of Deloitte & Touche LLP as Boyd Gaming's independent auditor for the fiscal year ending December 31, 2004;

Edgar Filing: BOYD GAMING CORP - Form S-4/A

to approve an amendment to Boyd Gaming's 2002 Stock Incentive Plan to increase the number of shares of Boyd Gaming common stock subject to the 2002 Stock Incentive Plan from 3,000,000 shares to 7,000,000 shares; and

to transact such other business as may properly come before the Boyd Gaming annual meeting and any adjournments or postponements thereof.

Table of Contents

Q: How will I be affected by the merger and share issuance?

A: After the merger, you will have the same number of shares of Boyd Gaming common stock that you had immediately prior to the merger. However, because Boyd Gaming will be issuing new shares of Boyd Gaming common stock to certain Coast Casinos stockholders in the merger, each outstanding share of Boyd Gaming common stock immediately prior to the merger will represent a smaller percentage of the aggregate number of shares of Boyd Gaming common stock after the merger. You will not recognize any gain or loss for U.S. Federal income tax purposes upon consummation of the merger.

Q: What vote of Boyd Gaming stockholders is required to approve the share issuance?

A: The issuance of shares of Boyd Gaming common stock in the merger requires the approval by a majority of the votes cast by Boyd Gaming stockholders at the Boyd Gaming annual meeting, provided that the total vote cast must represent over 50% in interest of all Boyd Gaming securities entitled to vote on such proposal at the Boyd Gaming annual meeting.

Q: What should I do now in order to vote on the share issuance proposal?

A: After carefully reading and considering the information contained in this joint proxy statement/prospectus, please mark, sign and date the enclosed proxy card and return it in the enclosed postage-paid envelope as soon as possible so that your shares may be represented at the Boyd Gaming annual meeting. You may also cast your vote by attending the Boyd Gaming annual meeting in person or by voting your shares via the Internet or by telephone by following the instructions on the back of your proxy card.

Q: What do I do if I want to revoke my proxy?

A: A proxy may be revoked at any time before it is voted by delivering to Boyd Gaming, Attn: Brian A. Larson, Secretary and General Counsel, at the principal executive office of Boyd Gaming indicated below under Summary Information About the Companies Boyd Gaming on page 7, a written notice of revocation or a duly executed proxy bearing a later date than the proxy being revoked. The mere presence of a stockholder at the Boyd Gaming annual meeting will not revoke his or her proxy.

Q: What will happen if I abstain from voting on the share issuance proposal?

A: Assuming the presence of a quorum for purposes of voting on the proposal to approve the issuance of shares of Boyd Gaming common stock in the merger, an abstention or failure to vote will have the same effect as a vote against the proposal.

Q: Do I have dissenters' rights?

A: No. Boyd Gaming stockholders will not have dissenters' rights under Nevada law as a result of the merger.

Q: Who should I contact if I have questions?

A: If you have any questions about the merger agreement, the merger or the issuance of shares of Boyd Gaming common stock in the merger or if you need additional copies of this joint proxy statement/prospectus or the enclosed proxy card, you should contact Boyd Gaming Corporation, Attn: Brian A. Larson, Secretary and General Counsel, at 2950 Industrial Road, Las Vegas, Nevada 89109, by phone at (702) 792-7000 or by e-mail at brianlarson@boydgaming.com.

SUMMARY

This summary does not contain all of the information that may be important to Boyd Gaming stockholders and Coast Casinos stockholders and is qualified in its entirety by reference to the information contained elsewhere, or incorporated by reference, in this joint proxy statement/prospectus. Boyd Gaming stockholders and Coast Casinos stockholders are urged to read the entire joint proxy statement/prospectus, including the information set forth in the section entitled "Risk Factors" beginning on page 25, and the attached annexes. See Chapter IV "Additional Information" beginning on page 147.

Information About the Companies

Boyd Gaming

Boyd Gaming is a diversified operator of twelve wholly owned gaming entertainment properties and one joint venture property. Boyd Gaming is headquartered in Las Vegas, Nevada, with operations in Nevada, Illinois, Louisiana, Mississippi, Indiana and New Jersey. Boyd Gaming has operated successfully for over 25 years, primarily due to its geographically diverse properties, its emphasis on slot revenues, its comprehensive marketing and promotion programs, its opportunistic acquisitions and its experienced management team. The principal executive office of Boyd Gaming is located at 2950 Industrial Road, Las Vegas, Nevada 89109, and its telephone number is (702) 792-7200. Based on the closing price of a share of Boyd Gaming common stock on the New York Stock Exchange (trading symbol: BYD) on March 26, 2004 (\$22.68) and the number of shares of Boyd Gaming common stock outstanding on that date (65,492,015), Boyd Gaming's market capitalization on that date was approximately \$1,485,358,900.

Additional information concerning Boyd Gaming is included in the reports that Boyd Gaming periodically files with the SEC. See Chapter IV "Additional Information" beginning on page 147.

Coast Casinos

Coast Casinos owns and operates, through its wholly owned subsidiary Coast Hotels and Casinos, Inc., a Nevada corporation, which is referred to as "Coast Hotels," four Las Vegas hotel-casinos: The Orleans, the Gold Coast, the Suncoast and the Barbary Coast. The Gold Coast, the Suncoast and The Orleans are strategically located to capitalize on the strong demographics of the Las Vegas locals market, while the Barbary Coast is located in the center of the Las Vegas Strip. Coast Casinos strives to attract a significant volume of repeat gaming customers to its casinos on a daily basis by offering consistently high-quality gaming, hotel, entertainment and dining experiences at attractive prices. Since 1979, Coast Casinos and its predecessor entities have maintained a successful track record of building, developing and operating hotel-casinos designed to appeal to the Las Vegas locals market. The principal executive office of Coast Casinos is located at 4500 West Tropicana Avenue, Las Vegas, Nevada 89103, and its telephone number is (702) 365-7000.

Additional information concerning Coast Casinos is included in the reports that Coast Casinos periodically files with the SEC. See Chapter IV "Additional Information" beginning on page 147.

Overview of the Merger and Consideration to be Received in the Merger (pages 35 and 67)

Boyd Gaming, its direct wholly owned subsidiary BGC, Inc. and Coast Casinos have entered into the merger agreement pursuant to which Boyd Gaming will acquire Coast Casinos through a merger of Coast Casinos with and into BGC, Inc. BGC, Inc. will be the surviving corporation in the merger and, at the effective time of the merger, will change its name to Coast Casinos, Inc. After the merger, the new Coast Casinos, Inc. will continue as a wholly owned subsidiary of Boyd Gaming.

Table of Contents

With respect to all Coast Casinos stockholders (other than Michael J. Gaughan, Jerry Herbst and Franklin Toti), who are referred to as the minority stockholders, at the effective time of the merger, each issued and outstanding share of Coast Casinos common stock held by a minority stockholder will be converted into the right to receive \$550 in cash, unless an election is made in a timely manner by the minority stockholder to receive 32.8025 shares of Boyd Gaming common stock for such share of Coast Casinos common stock.

If the aggregate number of shares of Boyd Gaming common stock elected by minority stockholders would exceed 1,009,194 shares, as that number may be adjusted in accordance with the terms of the merger agreement in order to qualify the merger as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended, which is referred to as the Internal Revenue Code, then the exchange agent will allocate, on a pro rata basis with respect to those shares of Coast Casinos common stock for which a stock election has been made, a sufficient number of shares of Coast Casinos common stock held by minority stockholders to be converted into cash consideration instead of stock consideration so that the aggregate number of shares of Boyd Gaming common stock issued to minority stockholders equals approximately 1,009,194 shares (subject to the rounding mechanics of the proration provisions of the merger agreement), as that number may be adjusted.

If the aggregate amount of cash to be paid to minority stockholders following the election would exceed \$336,170,276.20, as that amount may be adjusted in accordance with the terms of the merger agreement in order to qualify the merger as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code, then the exchange agent will allocate, on a pro rata basis with respect to those shares of Coast Casinos common stock for which a stock election has not been made, a sufficient number of shares of Coast Casinos common stock held by minority stockholders to be converted into stock consideration instead of cash consideration so that the aggregate amount of cash to be paid to minority stockholders equals approximately \$336,170,276.20 (subject to the rounding mechanics of the proration provisions of the merger agreement), as that number may be adjusted.

As a result, it is likely that the actual proportion of cash consideration and stock consideration that each minority stockholder will receive in the merger will differ from the proportion of cash consideration and stock consideration that the minority stockholder elects to receive. Because the aggregate number of shares of Boyd Gaming common stock that may be issued to minority stockholders in the merger is limited to approximately 1,009,194 shares, unless adjusted pursuant to the terms of the merger agreement, it is possible that a substantial portion of the merger consideration received by each minority stockholder will be in the form of cash consideration, regardless of the election made by the minority stockholder. For a full description of the proration terms and procedures, see *The Merger Agreement Consideration to be Received in the Merger Adjustments to the Merger Consideration and Proration* on page 68.

At the effective time of the merger, each issued and outstanding share of Coast Casinos common stock held by Messrs. Gaughan and Toti will be converted into the right to receive 32.8025 shares of Boyd Gaming common stock. In addition, each issued and outstanding share of Coast Casinos common stock held by Mr. Herbst will be converted into the right to receive \$550 in cash.

Edgar Filing: BOYD GAMING CORP - Form S-4/A

Boyd Gaming. Holders of record of Boyd Gaming common stock are entitled to cast one vote for each share of Boyd Gaming common stock held at the close of business on March 31, 2004, the record date for the Boyd Gaming Meeting. As of the close of business on March 26, 2004, 65,492,015 shares of Boyd Gaming common stock were outstanding and entitled to vote, of which a total of 29,729,160 shares, or approximately 45.4% of the total outstanding shares of Boyd Gaming common stock, were held by Boyd Gaming's directors and executive officers.

Assuming a quorum is present, the vote of a majority of the votes cast by Boyd Gaming stockholders at the Boyd Gaming Meeting is required to approve the issuance of shares of Boyd Gaming common stock in the merger, provided that the total vote cast must represent over 50% in interest of all Boyd Gaming securities entitled to vote on such proposal at the Boyd Gaming Meeting. The vote required to approve the other proposals to be submitted to the Boyd Gaming stockholders at the Boyd Gaming Meeting is described below under Chapter II Information About the Boyd Gaming Annual Meeting and Other Proposals.

Table of Contents

Coast Casinos. Holders of record of Coast Casinos common stock are entitled to cast one vote for each share of Coast Casinos common stock held at the close of business on March 31, 2004, the record date for the Coast Casinos Meeting. As of the close of business on March 26, 2004, there were 1,461,177.94 shares of Coast Casinos common stock outstanding and entitled to vote, of which a total of 988,442.18 shares, or approximately 67.6% of the total outstanding shares of Coast Casinos common stock, were held by Coast Casinos directors and executive officers.

Assuming a quorum is present, the affirmative vote of a majority of the voting power of the holders of the outstanding shares of Coast Casinos common stock is required to approve the merger agreement and the merger. As further discussed below under *The Merger* Stockholders Agreement, Boyd Gaming has entered into an agreement with Messrs. Gaughan, Herbst and Toti, who hold an aggregate of approximately 56% of the voting power of the outstanding shares of Coast Casinos common stock, pursuant to which they have agreed, among other things, to vote their shares in favor of the approval of the merger agreement and the merger. If, however, prior to the Coast Casinos Meeting, the Coast Casinos board of directors withdraws or modifies its approval or recommendation of the merger agreement and the merger as a result of a superior proposal in accordance with the terms of the merger agreement, then the approval of the merger agreement and the merger will also require approval by a majority of the voting power of the holders of the outstanding Coast Casinos common stock present and duly voted, in person or by proxy, at the Coast Casinos Meeting, exclusive of those votes taken in respect of the shares of Coast Casinos common stock held by Messrs. Gaughan, Herbst and Toti. See *The Merger Agreement* Coast Casinos Meeting. Changing a vote after a proxy card has been sent

Boyd Gaming. A proxy may be revoked at any time before it is voted by delivering to Boyd Gaming, Attn: Brian A. Larson, Secretary and General Counsel, at the principal executive office of Boyd Gaming indicated above under *Information About the Companies* Boyd Gaming, a written notice of revocation or a duly executed proxy bearing a later date than the proxy being revoked. The mere presence of a stockholder at the Boyd Gaming Meeting alone will not revoke his or her proxy.

Coast Casinos. A proxy may be revoked at any time before it is voted by delivering to Coast Casinos, Attn: Corporate Secretary, at the principal executive office of Coast Casinos indicated above under *Information About the Companies* Coast Casinos, a written notice of revocation or a duly executed proxy bearing a later date than the proxy being revoked. Simply attending the Coast Casinos Meeting, however, will not revoke the proxy of a Coast Casinos stockholder. If a Coast Casinos stockholder has instructed a broker to vote his or her shares of Coast Casinos common stock, he or she must follow the directions of the broker to revoke the proxy.

Quorum

A quorum must be present to transact business at each of the meetings. If a Boyd Gaming stockholder or a Coast Casinos stockholder submits a properly executed proxy card, even if that person abstains from voting, his or her shares will be counted for purposes of calculating whether a quorum is present at the Boyd Gaming Meeting or the Coast Casinos Meeting, as applicable.

A quorum at the Boyd Gaming Meeting and the Coast Casinos Meeting requires the presence, whether in person or by proxy, of a majority of the Boyd Gaming common stock or the Coast Casinos common stock, respectively, issued and outstanding as of the applicable record date and entitled to vote at the Boyd Gaming Meeting or the Coast Casinos Meeting, respectively.

Table of Contents

Effect of abstentions and broker non-votes

Boyd Gaming. Abstentions, but not broker non-votes, will be counted in determining whether a quorum is present at the Boyd Gaming Meeting for purposes of the vote of the Boyd Gaming stockholders on the proposal to approve the issuance of shares of Boyd Gaming common stock in the merger. Abstentions will have the same effect as a vote cast against this proposal. Broker non-votes will not count as votes either for or against the proposal.

For information on the effect of abstentions and broker non-votes on the other proposals to be considered by the Boyd Gaming stockholders at the Boyd Gaming Meeting, see Chapter II Information About the Boyd Gaming Annual Meeting and Other Proposals beginning on page 105.

Coast Casinos. Both abstentions and broker non-votes will be counted in determining whether a quorum is present at the Coast Casinos Meeting. For Coast Casinos stockholders, abstentions and broker non-votes will have the same effect as a vote against the approval of the merger agreement and the merger.

For information on the effect of abstentions and broker non-votes on the other proposals to be considered by the Coast Casinos stockholders at the Coast Casinos Meeting, see Chapter III Information About the Coast Casinos Annual Meeting and Other Proposals beginning on page 132.

General. An abstention occurs when a stockholder attends a meeting, either in person or by proxy, but abstains from voting. However, if no instruction as to how to vote is given in an executed, duly returned and not revoked proxy, the proxy will be voted for each proposal described below in Chapter II Information About the Boyd Gaming Annual Meeting and Other Proposals, in the case of the Boyd Gaming Meeting, and for each proposal described below in Chapter III Information About the Coast Casinos Annual Meeting and Other Proposals, in the case of the Coast Casinos Meeting.

It is very important that ALL Boyd Gaming stockholders and ALL Coast Casinos stockholders vote their shares, so please promptly complete and return the enclosed proxy card.

participate in any discussions or negotiations regarding, or furnish to any person any information with respect to, or take any other action to facilitate any inquiries or the making of any proposal that constitutes, or may reasonably be expected to lead to, a takeover proposal.

Coast Casinos may, however, before the Coast Casinos stockholders approve the merger agreement, in response to an unsolicited takeover proposal which the Coast Casinos board of directors determines, in good faith, after consultation with outside counsel and financial advisors, may reasonably be expected to lead to a superior proposal, furnish information with respect to Coast Casinos to the person making the takeover proposal and participate in discussions or negotiations with such person regarding a takeover proposal.

A *superior proposal* means any proposal by a third party to acquire substantially all the equity securities or assets of Coast Casinos, pursuant to a tender or exchange offer, a merger, a consolidation, a liquidation or dissolution, a recapitalization, a sale of all or substantially all its assets or otherwise, on terms which the Coast Casinos board of directors determines in good faith, after consultation with outside legal counsel and financial advisors, to be more favorable from a financial point of view to the holders of shares of Coast Casinos common stock than the merger

Edgar Filing: BOYD GAMING CORP - Form S-4/A

with Boyd Gaming, taking into account all the terms and conditions of such proposal, the merger agreement and the stockholders agreement, including any proposal by Boyd Gaming to amend the terms of the merger.

For a full description of Coast Casinos' obligations with respect to the no-solicitation provisions of the merger agreement, see "The Merger Agreement - No Solicitation" beginning on page 74.

Termination of the merger agreement

Boyd Gaming, BGC, Inc. and Coast Casinos may mutually agree in writing, at any time before the effective time of the merger, to terminate the merger agreement. Also, either Boyd Gaming or Coast Casinos may terminate the merger agreement before the effective time of the merger if:

the merger is not approved by January 31, 2005, unless extended to April 30, 2005 on the terms provided in the merger agreement;

any governmental entity prohibits the merger;

the Coast Casinos stockholders fail to approve the merger agreement at the Coast Casinos Meeting; or

the Boyd Gaming stockholders fail to approve the issuance of shares of Boyd Gaming common stock in the merger at the Boyd Gaming Meeting.

Boyd Gaming may terminate the merger agreement before the effective time of the merger if:

Coast Casinos breaches in any material respect any of its representations, warranties or covenants in the merger agreement that would give rise to the failure of a condition set forth in the merger agreement and such breach cannot be or has not been cured within 30 days by Coast Casinos; and

the aggregate number of shares of Boyd Gaming common stock required to be issued by Boyd Gaming in the merger in accordance with the terms described under *The Merger Agreement* *Consideration to be Received in the Merger* *Adjustments to the Merger Consideration and Proration* would exceed 7,837,077 shares of Boyd Gaming common stock.

Coast Casinos can terminate the merger agreement before the effective time of the merger if Boyd Gaming breaches in any material respect any of its representations, warranties or covenants in the merger agreement that would give rise to the failure of a condition set forth in the merger agreement and such breach cannot be or has not been cured within 30 days by Boyd Gaming.

For a full description of the rights of Boyd Gaming, BGC, Inc. and Coast Casinos to terminate the merger agreement, see *The Merger Agreement* *Termination* on page 83.

Termination fee

A termination fee of \$30.0 million is payable by Coast Casinos to Boyd Gaming if:

Edgar Filing: BOYD GAMING CORP - Form S-4/A

after the date of the merger agreement, any person makes a takeover proposal for Coast Casinos or amends a takeover proposal for Coast Casinos made prior to the date of the merger agreement; and

the merger agreement is terminated by either Coast Casinos or Boyd Gaming because the merger has not been consummated prior to January 31, 2005 or, if extended, April 30, 2005, or because the Coast Casinos stockholders fail to approve the merger agreement at the Coast Casinos Meeting, or the merger agreement is terminated by Boyd Gaming because Coast Casinos breaches in any material respect any of its representations, warranties or covenants in the merger agreement that would give rise to the failure of a condition set forth in the merger agreement and such breach cannot be or has not been cured within 30 days by Coast Casinos; and

within 30 months after the date of the merger agreement, Coast Casinos enters into a definitive agreement to consummate, or consummates, the transactions contemplated by a takeover proposal.

The termination fee will be payable and will be paid on the date of consummation of such takeover transaction. For a full description of the payment of the termination fee, see The Merger Agreement Fee if the Merger Agreement is Terminated beginning on page 83.

Tax-free nature of the merger

Although Boyd Gaming and Coast Casinos intend for the merger to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code, any cash consideration received in the merger by a Coast Casinos stockholder may result in that Coast Casinos stockholder being required to pay tax. For a full description of the tax consequences of the merger for Coast Casinos stockholders, see *The Merger* U.S. Federal Income Tax Consequences of the Merger beginning on page 60. If, in order for the merger to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code, the number of shares of Boyd Gaming common stock required to be issued to Coast Casinos stockholders in the merger, other than to Messrs. Gaughan and Toti, exceeds 7,837,077 shares of Boyd Gaming common stock, Boyd Gaming will have the right to terminate the merger agreement, as more fully described under *The Merger Agreement* Consideration to be Received in the Merger beginning on page 67.

Governmental clearance

In order to complete the merger, Boyd Gaming and Coast Casinos must receive approvals from and make filings with various state and local regulatory agencies, including the Nevada State Gaming Control Board, the Nevada Gaming Commission, the Clark County Liquor and Gaming Licensing Board and the City of Las Vegas, as well as regulatory authorities in the other jurisdictions in which Boyd Gaming operates. The merger is also subject to the expiration or termination of the waiting period under the HSR Act. For a full description of the governmental approvals necessary to consummate the merger, see *The Merger* Governmental and Regulatory Matters beginning on page 56.

Stockholders agreement

On February 6, 2004, as an inducement to Boyd Gaming entering into the merger agreement, Boyd Gaming entered into a stockholders agreement with Messrs. Gaughan, Herbst and Toti, who, as of that date, collectively owned in the aggregate approximately 56% of the outstanding shares of Coast Casinos common stock. Pursuant to the stockholders agreement, each of the stockholders party to the stockholders agreement has agreed, among other things:

to vote, or cause to be voted, the shares of Coast Casinos common stock owned by him in favor of the approval of the merger agreement and the merger;

to vote, or cause to be voted, the shares of Coast Casinos common stock owned by him against any merger agreement or merger, other than the merger agreement entered into by Coast Casinos with Boyd Gaming and the merger of Coast Casinos with and into BGC, Inc., and any consolidation, combination, sale of substantial assets, joint venture, binding share exchange, reorganization, recapitalization, dissolution, liquidation or winding up of Coast Casinos, and against any other takeover proposal for Coast Casinos or any action that would reasonably be expected to, in any manner, impede, frustrate, interfere with, delay, prevent or nullify any provision of the merger agreement, the merger or any other transaction contemplated by the merger agreement; and

not to sell, transfer, pledge, assign or otherwise dispose of any of his shares of Coast Casinos common stock, enter into any voting arrangement with respect to his shares of Coast Casinos common stock, other than the stockholders agreement, or take any action which would, or could reasonably be expected to, result in a diminution of the voting power represented by his shares of Coast Casinos common stock,

Edgar Filing: BOYD GAMING CORP - Form S-4/A

in each case for a period of two years after the date of the stockholders agreement, unless the merger is consummated or the merger agreement is terminated for certain specified reasons.

Messrs. Gaughan, Herbst and Toti have also agreed to waive any rights to dissent from the merger. In addition, each of Messrs. Gaughan and Toti have agreed to enter into an additional stockholders agreement with Boyd Gaming and William S. Boyd regarding certain restrictions on the transfer of the shares of Boyd Gaming

common stock to be received by either Mr. Gaughan or Mr. Toti in the merger, including a right of first offer with respect to those shares of Boyd Gaming common stock in favor of Boyd Gaming first and then Mr. Boyd. Notwithstanding the foregoing, each of Messrs. Gaughan and Toti will be permitted to transfer the shares of Boyd Gaming common stock to be received by him in the merger to certain permitted transferees, including his estate.

For a full description of the terms and conditions of the stockholders agreement, see *The Merger* *Stockholders Agreement* beginning on page 55.

Interests of Coast Casinos Directors and Executive Officers in the Merger (page 53)

In considering the recommendation of the Coast Casinos board of directors to approve the merger agreement and the merger, Coast Casinos stockholders should consider that some of Coast Casinos directors and officers have interests in the merger that differ from, or are in addition to, their interests as Coast Casinos stockholders. The Coast Casinos board of directors was aware of these interests and considered them, among other matters, in approving the merger and adopting the merger agreement.

As a result of these interests, these directors and officers could be more likely to vote to approve the merger agreement and the merger than if they did not hold these interests, and may have reasons for doing so that are not the same as the interests of Coast Casinos other stockholders. Coast Casinos stockholders should consider whether these interests may have influenced these directors and officers to support or recommend the approval of the merger agreement and the merger.

For a full description of the interests of Coast Casinos directors and executive officers in the merger, see *The Merger* *Interests of Coast Casinos Directors and Executive Officers in the Merger* beginning on page 53.

Dividend Policies (page 103)

Boyd Gaming. The holders of Boyd Gaming common stock receive dividends if and when declared by the Boyd Gaming board of directors out of legally available funds. In July 2003 and October 2003, the Boyd Gaming board of directors declared dividends of \$0.075 per share of Boyd Gaming common stock, totaling approximately \$4.8 million and \$4.9 million, respectively, that were paid in September 2003 and December 2003, respectively. In addition, in January 2004, the Boyd Gaming board of directors declared a dividend of \$0.075 per share of Boyd Gaming common stock, which was paid on March 2, 2004 based on the Boyd Gaming stockholders of record on February 13, 2004.

The declaration and payment of dividends, however, is subject to the provisions of the Nevada Revised Statutes, which are referred to as the NRS, and will depend upon business conditions, operating results, capital and reserve requirements, covenants in Boyd Gaming's debt agreements and the Boyd Gaming board of directors' consideration of other relevant factors. Boyd Gaming can give no assurances that it will continue to pay dividends on the Boyd Gaming common stock in the future. See *The Merger* *Impact of Increased Indebtedness on Dividends* on page 66.

Edgar Filing: BOYD GAMING CORP - Form S-4/A

Coast Casinos. Coast Casinos has historically paid dividends on shares of Coast Casinos common stock, when and as declared at the discretion of the Coast Casinos board of directors. Coast Casinos paid dividends to its stockholders of \$3.50 per share on August 15, 2003 and \$3.50 per share on February 5, 2004. Pursuant to the merger agreement, until the earlier of the consummation of the merger and the termination of the merger agreement, Coast Casinos is not permitted to declare, set aside or pay any dividend on shares of Coast Casinos common stock.

Material Differences in Rights of Boyd Gaming Stockholders and Coast Casinos Stockholders (page 99)

Coast Casinos stockholders receiving merger consideration in the form of shares of Boyd Gaming common stock will have different rights once they become Boyd Gaming stockholders due to differences in the governing documents of Boyd Gaming and Coast Casinos. These differences are described in detail under **Comparison of the Rights of Holders of Boyd Gaming Common Stock and Coast Casinos Common Stock** beginning on page 99.

Dissenters' Rights of Coast Casinos Stockholders (page 63)

Under NRS Chapter 92A, dissenters' rights are available to a corporation's stockholders in connection with certain mergers and consolidations. Under NRS Chapter 92A, any Coast Casinos stockholder who follows the procedures specified in NRS Sections 92A.300 through 92A.500, inclusive, is entitled to dissent from the merger and obtain payment of the fair value of his or her shares of Coast Casinos common stock in lieu of the merger consideration. The fair value of the Coast Casinos common stock for this purpose will exclude any appreciation or depreciation in value of Coast Casinos common stock in anticipation of the merger.

In order for any Coast Casinos stockholder to exercise his or her dissenters' rights, the stockholder, among other things, must file with Coast Casinos a written notice of the stockholder's intent to demand payment for his or her shares of Coast Casinos common stock if the merger is effectuated and must not vote in favor of the approval of the merger agreement and the merger. Annex D to this joint proxy statement/prospectus contains a copy of NRS Sections 92A.300 through 92A.500, inclusive, which addresses dissenters' rights.

Coast Casinos stockholders should particularly note the following:

simply voting against the approval of the merger agreement and the merger will not be considered an assertion of dissenters' rights;

a Coast Casinos stockholder who fails to file a written notice of demand to Coast Casinos, Attn: Corporate Secretary at 4500 West Tropicana Avenue, Las Vegas, Nevada 89103 before the vote on the proposal to approve the merger agreement and the merger at the Coast Casinos Meeting is taken will lose his or her dissenters' rights; and

stockholders who vote for the approval of the merger agreement and the merger will not have dissenters' rights.

Notwithstanding the foregoing, Messrs. Gaughan, Herbst and Toti have agreed in the stockholders agreement to waive any rights that they have to dissent from the merger, as further described under **The Merger Stockholders Agreement** beginning on page 55.

For a full description of the rights of Coast Casinos stockholders to dissent from the merger, see **The Merger Dissenters' Rights of Coast Casinos Stockholders** beginning on page 63 as well as Annex D to this joint proxy statement/prospectus.

This summary should be read together with the consolidated financial statements, which are incorporated by reference in this joint proxy statement/prospectus, the accompanying notes and management's discussion and analysis of financial condition and results of operations of Boyd Gaming contained in Boyd Gaming's reports referred to above, as well as the unaudited pro forma condensed combined financial statements and the accompanying notes described under "Unaudited Pro Forma Condensed Combined Financial Statements" beginning on page 85.

The following is a listing of Boyd Gaming's major acquisitions and disposals that occurred during the five year period ended December 31, 2003:

In October 1999, Boyd Gaming signed an agreement with the Mississippi Band of Choctaw Indians to terminate Boyd Gaming's management of the Silver Star Resort and Casino in Philadelphia, Mississippi. Under the agreement, Boyd Gaming continued to manage Silver Star under the terms of the management contract through January 31, 2000, at which time the Mississippi Band of Choctaw Indians made, and Boyd Gaming recorded, a one-time payment of \$71 million.

In November 1999, Boyd Gaming acquired Blue Chip Casino, L.L.C.

In May 2001, Boyd Gaming acquired substantially all of the assets of the Delta Downs Racetrack in Vinton, Louisiana, together with an off-track betting facility in Mound, Louisiana. Delta Downs began casino operations in February 2002 with approximately 1,500 slot machines.

On July 3, 2003, Borgata Hotel Casino and Spa, Boyd Gaming's 50% owned-joint venture, began operations. Boyd Gaming uses the equity method to account for its investment in Borgata Hotel Casino and Spa.

Recent Developments Relating to Boyd Gaming

Edgar Filing: BOYD GAMING CORP - Form S-4/A

On January 20, 2004, Boyd Gaming entered into a definitive agreement to acquire all of the outstanding limited and general partnership interests of the Shreveport Partnership, the partnership that owns Harrah's Shreveport Hotel and Casino in Shreveport, Louisiana. Boyd Gaming will acquire the Shreveport Partnership interests for approximately \$190.0 million in cash. Boyd Gaming expects the transaction to close during the second quarter of 2004, subject to receipt of regulatory approval.

Recent Developments Relating to Coast Casinos

Coast Casinos owns approximately 60 acres of land located in a gaming enterprise district on Las Vegas Boulevard South, adjacent to Interstate 15 and approximately six miles south of Tropicana Avenue. Subject to market conditions, availability of financing and receipt of required governmental approvals, Coast Casinos intends to develop a hotel-casino, the South Coast, on this site. Coast Casinos is currently developing plans for the project and anticipates beginning construction in the second quarter of 2004 and opening in the second half of 2005.

RISK FACTORS

Boyd Gaming stockholders and Coast Casinos stockholders should read carefully this joint proxy statement/prospectus and the other documents attached to or incorporated by reference in this joint proxy statement/prospectus. Boyd Gaming stockholders and Coast Casinos stockholders should, in particular, read and consider the following risk factors:

Risks Relating to the Merger

Stock consideration or cash consideration paid in the merger may be different than what Coast Casinos stockholders elect.

Coast Casinos stockholders making elections for stock consideration may not receive what they elect. The aggregate number of shares of Boyd Gaming common stock to be issued in the merger to minority stockholders may not exceed approximately 1,009,194 shares (subject to the rounding mechanics of the proration provisions of the merger agreement), as that number may be adjusted in accordance with the terms of the merger agreement in order to qualify the merger as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code, and the aggregate amount of cash to be paid in the merger to minority stockholders may not exceed approximately \$336,170,276.20 (subject to the rounding mechanics of the proration provisions of the merger agreement), as that number may be adjusted in accordance with the terms of the merger agreement in order to qualify the merger as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. If shares of Boyd Gaming common stock are oversubscribed by Coast Casinos stockholders, a minority stockholder who elected to receive shares of Boyd Gaming common stock may receive a substantial part of his or her consideration in the form of cash. If cash is oversubscribed by Coast Casinos stockholders, a minority stockholder who elected to receive cash may receive part of his or her consideration in the form of shares of Boyd Gaming common stock. For a full description of the proration terms and procedures, see The Merger Agreement Consideration to be Received in the Merger Adjustments to the Merger Consideration and Proration.

Delay in regulatory approvals will delay and possibly prevent the merger.

The consummation of the merger is conditioned upon receiving approval from various governmental regulatory authorities, including approval by the Nevada State Gaming Control Board, the Nevada Gaming Commission, the Clark County Liquor and Gaming Licensing Board and the City of Las Vegas, as well as regulatory authorities in the other jurisdictions in which Boyd Gaming operates. In addition, the merger is conditioned upon the expiration or termination of the applicable waiting period under the HSR Act, early termination of which was granted by the Federal Trade Commission, effective as of March 17, 2004.

While Boyd Gaming and Coast Casinos expect to obtain the required regulatory approvals within three months from the date of this joint proxy statement/prospectus, Boyd Gaming and Coast Casinos cannot be certain that all of the required approvals will be obtained, nor can they be certain that the approvals will be obtained within the time contemplated by the merger agreement. A delay in obtaining the required approvals will delay and possibly prevent the consummation of the merger. In addition, Boyd Gaming and Coast Casinos may obtain the required approvals, but with terms or conditions that have a material adverse effect on Boyd Gaming or Coast Casinos. Boyd Gaming is not obligated under the merger agreement to take specified actions, including disposing any of its assets or limiting its freedom of action with respect to any of its businesses, in order to obtain any consents, approvals, permits or authorizations or to remove any impediments to the merger relating solely to the HSR Act or other antitrust regulations. If, as a result of any such inaction on the part of Boyd Gaming, any necessary consent or approval is not obtained, each of Boyd Gaming and Coast Casinos will have the right to terminate the merger agreement. See The Merger Agreement Termination.

For a description of the governmental approvals necessary to consummate the merger, see The Merger Governmental and Regulatory Matters.

Table of Contents

Failure of the merger to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code may lead to the termination of the merger agreement.

Boyd Gaming and Coast Casinos intend for the merger to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. For a full description of the tax consequences of the merger for Coast Casinos stockholders, see *The Merger U.S. Federal Income Tax Consequences of the Merger*. In order to comply with the requirements that must be satisfied in order for the merger to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code, the merger agreement provides that, if the aggregate value of the stock consideration in the merger, as a result of a decline in the sale price of a share of Boyd Gaming common stock between the date of the merger agreement and the anticipated closing date of the merger, would be less than 40% of the aggregate value of all merger consideration, with the shares of Boyd Gaming common stock being valued as of the anticipated closing date, then the aggregate amount of stock consideration that minority stockholders receive in the merger would increase and the aggregate amount of cash consideration that minority stockholders receive in the merger would decrease, in each case in an amount sufficient to provide that, on the closing date of the merger, 40% of the aggregate amount of all merger consideration, including consideration offered to Coast Casinos stockholders other than minority stockholders, will consist of shares of Boyd Gaming common stock.

If, as a result of a decline in the sale price of a share of Boyd Gaming common stock between the date of the merger agreement and the anticipated closing date of the merger, the number of shares of Boyd Gaming common stock required to be issued in the merger to minority stockholders to ensure tax-free reorganization treatment exceeds 7,837,077 shares of Boyd Gaming common stock, then Boyd Gaming will have the right to terminate the merger agreement. For a full description of the adjustment of merger consideration for tax reasons, including a description of Boyd Gaming's right to terminate the merger agreement, see *The Merger Agreement Consideration to be Received in the Merger Adjustments to the Merger Consideration and Proration* and *The Merger Agreement Termination*.

Boyd Gaming will have more indebtedness after the merger, which could adversely affect its cash flows and business.

In order to complete the merger, Boyd Gaming anticipates arranging for and funding at least \$1.0 billion of new financing, which is referred to as the *Financing*. Proceeds from the *Financing* will be used to fund the cash portion of the consideration to the Coast Casinos stockholders as well as refinance substantially all of Coast Casinos' existing indebtedness.

Boyd Gaming's debt outstanding as of December 31, 2003 was approximately \$1.1 billion. Giving effect to the acquisition of the Shreveport Partnership and the merger, Boyd Gaming's pro forma total debt outstanding as of December 31, 2003 would have been approximately \$2.3 billion. As a result of this increase in debt, demands on Boyd Gaming's cash resources will increase after the consummation of the merger. The increased levels of debt could, among other things:

- require Boyd Gaming to dedicate a substantial portion of its cash flow from operations to payments on its debt, thereby reducing funds available for working capital, capital expenditures, dividends, acquisitions and other purposes;

- increase Boyd Gaming's vulnerability to, and limit flexibility in planning for, adverse economic and industry conditions;

- create competitive disadvantages compared to other companies with lower debt levels; and

- limit Boyd Gaming's ability to apply proceeds from an offering or asset sale to purposes other than the repayment of debt.

Table of Contents

In addition, Standard & Poor's Rating Services placed Boyd Gaming's senior secured and senior unsecured debt ratings on CreditWatch with negative implications, given the uncertainty about the composition of the final capital structure of Boyd Gaming following the consummation of the merger. Boyd Gaming's corporate credit rating and subordinated debt ratings were affirmed, with a stable outlook. Moody's Investor Services confirmed all of Boyd Gaming's debt ratings. A credit rating is not a recommendation to buy, sell or hold securities and may be subject to revision or withdrawal at any time by the assigning rating organization. Changes to Boyd Gaming's business and the incurrence of additional indebtedness in the future could cause further downgrading of Boyd Gaming's credit rating, which could have a material adverse effect on Boyd Gaming's business, financial condition and results of operations as well as on the ability of Boyd Gaming to raise additional indebtedness.

Successful integration of the businesses of Boyd Gaming and Coast Casinos is not assured.

If the merger is completed, Coast Casinos will become a wholly owned subsidiary of Boyd Gaming. Integrating and coordinating the operations and personnel of Boyd Gaming and Coast Casinos will involve complex operational and personnel-related challenges. This process will be time-consuming and expensive and may disrupt the business of either or both of the companies and may not result in the full benefits expected by Boyd Gaming. The difficulties, costs and delays that could be encountered include:

unanticipated issues in integrating information, communications and other systems;

difficulties attracting and retaining key personnel;

loss of customers; and

unanticipated incompatibility of purchasing, logistics, marketing and administration methods.

Risks Relating to Boyd Gaming's Operations After the Consummation of the Merger

Intense competition exists in the gaming industry and Boyd Gaming expects competition to continue to intensify.

The gaming industry is highly competitive. If other properties operate more successfully, if existing properties are enhanced or expanded, or if additional hotels and casinos are established in and around the locations in which Boyd Gaming conducts business, Boyd Gaming may lose market share. In particular, the expansion of casino gaming in or near any geographic area from which Boyd Gaming attracts or expects to attract a significant number of its customers could have a material adverse effect on Boyd Gaming's business, financial condition and results of operations.

Boyd Gaming also competes with legalized gaming from casinos located on Native American tribal lands. A proliferation of Native American gaming in California, or a proliferation of Native American gaming in other areas located near Boyd Gaming's properties, could have a material adverse effect on Boyd Gaming's operating results in those markets.

Edgar Filing: BOYD GAMING CORP - Form S-4/A

In Michigan, the Pokagon Band of Potawatomi Indians, a federally recognized Native American tribe, announced, in 1994, its intention to construct a land-based gaming operation in or near the City of New Buffalo, Michigan, which is located less than fifteen miles from Boyd Gaming's Blue Chip Casino, which is located in Michigan City, Indiana and referred to as Blue Chip. Although the Pokagons have legal and regulatory issues that must be resolved prior to construction of the proposed gaming facility, if their facility is constructed and begins operations, it could have a material adverse effect on the operations of Blue Chip.

The casinos owned and being developed by Boyd Gaming compete, and will in the future compete, with all forms of existing legalized gaming and with any new forms of gaming that may be legalized in the future. Additionally, Boyd Gaming faces competition from all other types of entertainment.

The consummation of the merger may raise union organization rights under certain of Boyd Gaming's and Coast Casinos' collective bargaining agreements.

Three of Boyd Gaming's operating subsidiaries, the Stardust, the Fremont and Main Street Station, as well as the Barbary Coast Hotel and Casino owned by Coast Hotels, are parties to collective bargaining agreements with the Local Joint Executive Board of Las Vegas, which is referred to as the Union, and which is affiliated with the Hotel and Restaurant Employees International Union. Boyd Gaming representatives have been informed by officials of the Union that it believes that it will have certain union organization rights at the non-union properties of Coast Casinos, which include The Orleans, the Gold Coast and the Suncoast, upon the consummation of the merger. Boyd Gaming and Coast Casinos believe this claim of the Union has no merit. However, the potential exists for disputes in connection with the Union's claims.

Failure to achieve the anticipated benefits of Boyd Gaming's proposed acquisition of the Shreveport Partnership could adversely impact Boyd Gaming's business.

In January 2004, Boyd Gaming announced that it had agreed to acquire the Shreveport Partnership. The complex process of integrating the Shreveport Partnership into Boyd Gaming will require significant resources. Failure to achieve the anticipated benefits from the acquisition of the Shreveport Partnership or to successfully integrate the operations of the Shreveport Partnership could have a material adverse effect on Boyd Gaming's business, financial condition and results of operations.

Boyd Gaming will incur significant costs and commit significant management time integrating the Shreveport Partnership's operations, information, communication and other systems and personnel, among other items. This integration will cause Boyd Gaming to incur cash outflows in completing the integration process, such as:

fees and expenses of professionals and consultants involved in completing the integration process;

settling existing liabilities of the acquired businesses;

integrating technology and personnel; and

other transaction costs associated with the acquisition, including financial advisor, attorney, accountant and other fees.

We expect the acquisition of the Shreveport Partnership to close in the second quarter of 2004. However, because the consummation of the acquisition of the Shreveport Partnership is subject to closing conditions, the acquisition of the Shreveport Partnership may not close at such time, or at all.

If the action filed against Boyd Gaming's Delta Downs property proceeds to trial and Boyd Gaming is not ultimately successful in defending against such action, Boyd Gaming's business, financial condition and results of operations could be materially adversely affected.

Edgar Filing: BOYD GAMING CORP - Form S-4/A

On October 29, 2001, Harrah's of Lake Charles, LLC (formerly the Players Lake Charles, LLC), Harrah's Star Partnership (formerly the Showboat Star Partnership) and several individuals, collectively, the plaintiffs, filed suit in state district court in Calcasieu Parish, Louisiana, against DDRA Capital, Inc. (the former owner of Delta Downs Racetrack and Casino, which is located in Vinton, Louisiana and referred to as Delta Downs), the Calcasieu Parish Police Jury and Boyd Racing, L.L.C., the entity that owns and operates Delta Downs, seeking to revoke the building permit that the Calcasieu Parish Police Jury granted to Boyd Gaming for its construction and renovation at Delta Downs. Specifically, the plaintiffs claim that Boyd Gaming's construction and renovation at Delta Downs exceeds the square foot specifications that were approved by the Calcasieu Parish Police Jury, and that the number of slot machines that Boyd Gaming was approved to operate at Delta Downs exceeds the number which the former owner previously represented, in connection with the Calcasieu Parish Slot Machine Gaming Referendum, would be operated at the facility. On December 7, 2001, Boyd Gaming responded to the plaintiffs' complaint claiming, among other things, that their complaint failed to state a cause of action for which relief

Table of Contents

could be sought and that the statute of limitations on their action had lapsed. On February 11, 2002, the plaintiffs amended their complaint to eliminate certain defendants from the action. On March 1, 2002, the state district court approved Harrah's motion to voluntarily dismiss the Calcasieu Parish Police Jury from the action, leaving DDRA and Boyd Racing, L.L.C. as the defendants. On March 26, 2002, Boyd Gaming filed a response to plaintiffs' amended complaint. To date, no trial date has been set on this action. Boyd Gaming believes this lawsuit is without merit and Boyd Gaming intends to defend the suit vigorously. In connection with Boyd Gaming's pending acquisition of the Shreveport Partnership, Harrah's has agreed to dismiss this matter upon completion of the transaction.

If Harrah's does not dismiss this matter and if such action proceeds to trial, Boyd Gaming may not be successful in defending against the action. In the event the claim seeking to revoke Boyd Gaming's building permit at Delta Downs is ultimately successful, Boyd Gaming would have to reduce both the number of slot machines it operates and the size of the casino at Delta Downs. In addition, if such action is ultimately successful at trial, it would materially affect Boyd Gaming's cash flow from Delta Downs, would reduce the value of the Delta Downs acquisition and could have a material adverse effect on Boyd Gaming's business, financial condition and results of operations.

If Boyd Gaming is unable to finance its expansion and renovation projects as well as capital expenditures through cash flow and borrowings under its bank credit facility, Boyd Gaming may be forced to limit or suspend its expansion and renovation efforts.

Boyd Gaming intends to finance its current and future expansion and renovation projects, including the continuing construction of Coast Casinos South Coast project, primarily with cash flow from operations and borrowings under its refinanced bank credit facility. Boyd Gaming could also obtain additional equity or debt financing for its projects. If Boyd Gaming is unable to finance such projects in this manner, it will have to adopt one or more alternatives, such as reducing or delaying planned expansion, development and renovation projects as well as capital expenditures, selling assets, restructuring debt or obtaining additional equity financing or joint venture partners, or modifying its bank credit facility. These sources of funds may not be sufficient to finance Boyd Gaming's expansion, and other financing may not be available on acceptable terms, in a timely manner or at all. In addition, Boyd Gaming's existing indebtedness contains certain restrictions on its ability to incur additional indebtedness. If Boyd Gaming is unable to secure additional financing, it could be forced to limit or suspend expansion and renovation projects, which could have a material adverse effect on Boyd Gaming's business, financial condition and results of operations.

The development and construction of new hotels, casinos and gaming venues and the expansion of existing ones are susceptible to delays, cost overruns and other uncertainties, which could have an adverse effect on Boyd Gaming's business, financial condition and results of operations.

Boyd Gaming may decide to develop, construct and open new hotels, casinos and other gaming venues in response to opportunities that may arise. If the merger is consummated, Boyd Gaming will also continue to develop the projects that are currently being undertaken by Coast Casinos. For example, Coast Casinos is currently developing plans for the South Coast project and anticipates beginning construction of the hotel-casino in the first half of 2004 and opening in the second half of 2005. Coast Casinos is also undertaking the construction of a new hotel tower at The Orleans. The development and construction of new hotels, casinos and gaming venues and the expansion of existing ones are susceptible to various risks and uncertainties, such as:

the existence of acceptable market conditions and demand for the completed project;

the development of plans and budgets that are consistent with Boyd Gaming's available financial resources;

Edgar Filing: BOYD GAMING CORP - Form S-4/A

general construction risks, including cost overruns, shortages of equipment, materials or skilled labor, labor disputes, unforeseen environmental, engineering or geological problems, work stoppages, fire and other natural disasters, construction scheduling problems and weather interferences;

Table of Contents

change orders and plan or specification modification;

changes and concessions required by governmental or regulatory authorities;

delays in obtaining or inability to obtain all licenses, permits and authorizations required to complete the project; and

disruption to Boyd Gaming's existing operations and facilities.

Boyd Gaming's failure to complete any new development or expansion project as planned, on schedule, within budget and in a manner that generates anticipated profits could have a material adverse effect on Boyd Gaming's business, financial condition and results of operations.

Boyd Gaming is subject to extensive governmental gaming regulation and taxation policies, the enforcement of which may have a material adverse effect on Boyd Gaming's business, financial condition and results of operations.

Boyd Gaming is subject to a variety of regulations in the jurisdictions in which it operates. Regulatory authorities at the U.S. Federal, state and local levels have broad powers with respect to the licensing of casino operations and may revoke, suspend, condition or limit Boyd Gaming's gaming or other licenses, impose substantial fines and take other actions, any one of which could have a material adverse effect on Boyd Gaming's business, financial condition and results of operations.

If additional gaming regulations are adopted in a jurisdiction in which Boyd Gaming operates, such regulations could impose restrictions or costs that could have a material adverse effect on Boyd Gaming. From time to time, various proposals are introduced in the legislatures of some of the jurisdictions in which Boyd Gaming has existing or planned operations that, if enacted, could adversely affect the tax, regulatory, operational or other aspects of the gaming industry and Boyd Gaming. Legislation of this type may be enacted in the future. The U.S. Federal government has also previously considered a U.S. Federal tax on casino revenues and may consider such a tax in the future. In addition, gaming companies are currently subject to significant state and local taxes and fees in addition to normal U.S. Federal and state corporate income taxes, and such taxes and fees are subject to increase at any time. For example, on July 1, 2002, pursuant to new legislation in Indiana, the gaming tax rate was increased from 20% to 22.5% for those riverboats that conduct excursions or cruises. On August 1, 2002, upon the approval of dockside gaming by the Indiana Gaming Commission and the commencement of dockside operations by Boyd Gaming's Blue Chip riverboat casino, the gaming tax rate changed from a flat tax of 22.5% to a graduated tax, with a minimum tax rate of 15% and a maximum tax rate of 35% based on the amount of Blue Chip's adjusted gross receipts in Indiana's fiscal year. In May 2003, pursuant to additional legislation enacted in Indiana, the graduated tax was changed retroactively to July 1, 2002, the first day of the State's fiscal year, instead of the date on which dockside operations commenced for the applicable riverboat. For those Indiana riverboats, including Blue Chip, that commenced dockside operations, the calculation of the admission tax was modified to count customers on a per entry basis as opposed to a per cruise basis. In addition, effective July 1, 2003, Boyd Gaming became subject to additional taxes on all rooms provided on a complimentary basis to Boyd Gaming's Blue Chip customers. In addition, on both July 1, 2002 and 2003, Par-A-Dice Hotel and Casino, which is located in East Peoria, Illinois and referred to as Par-A-Dice, began paying higher gaming taxes pursuant to new legislation in Illinois. If other states adopt similar legislation, or if there is any material increase in state and local taxes and fees, Boyd Gaming's business, financial condition and results of operations could be materially adversely affected. See The Merger Governmental and Regulatory Matters Gaming Regulation.

Boyd Gaming's directors, officers and key employees must also be approved by certain state regulatory authorities. If state regulatory authorities were to find a person occupying any such position unsuitable, Boyd Gaming would be required to sever its relationship with that person. Certain public and private issuances of securities and certain other transactions by Boyd Gaming also require the approval of certain state regulatory authorities.

Table of Contents

Riverboats and dockside facilities are subject to risks relating to weather or mechanical failure and must comply with applicable regulations.

Gaming operations conducted on riverboat casinos or at dockside facilities could be lost from service for a variety of reasons, including casualty, forces of nature, mechanical failure or extended or extraordinary maintenance.

Boyd Gaming's riverboats must comply with U.S. Coast Guard requirements as to boat design, on-board facilities, equipment, personnel and safety. Each riverboat must hold a Certificate of Inspection or must be approved by the American Bureau of Shipping for stabilization and flotation, and may also be subject to local zoning and building codes. The U.S. Coast Guard requirements establish design standards, set limits on the operation of the vessels and require individual licensing of all personnel involved with the operation of the vessels. Loss of a vessel's Certificate of Inspection or American Bureau of Shipping approval would preclude its use as a casino.

U.S. Coast Guard regulations require a hull inspection for all riverboats at five-year intervals. Under certain circumstances, extensions may be approved. The U.S. Coast Guard may require that such hull inspections be conducted at a U.S. Coast Guard-approved dry-docking facility, and if so required, the travel to and from such docking facility, as well as the time required for inspections of the Treasure Chest Casino, which is located in Kenner, Louisiana, Par-A-Dice and Blue Chip riverboats, as well as those riverboats to be acquired in connection with the acquisition of the Shreveport Partnership, could be significant. To date, the U.S. Coast Guard has allowed in-place inspections of some of Boyd Gaming's riverboats. The U.S. Coast Guard may not allow these types of inspections in the future. The loss of a dockside casino or riverboat casino from service for any period of time could have a material adverse effect on Boyd Gaming's business, financial condition and results of operations.

On October 22, 2003, the U.S. Coast Guard finalized regulations for implementing maritime security under the Maritime Transportation Security Act. The new maritime security regulations require Boyd Gaming to prepare security plans, perform vulnerability assessments, designate a Company Security Officer, Vessel Security Officers and Facility Security Officers, and provide training for all of Boyd Gaming's employees on emergency preparedness and security issues aboard Boyd Gaming's riverboat casinos and at their respective dockside facilities. The new regulations require Boyd Gaming to be in full compliance on July 1, 2004. The new regulations include provisions for using Coast Guard approved alternative security programs to comply with these regulations. The American Gaming Association has an approved Alternative Security Program, and Boyd Gaming has reported to the Coast Guard that Boyd Gaming is using the American Gaming Association's Alternative Security Program at its riverboat casinos and dockside facilities. The American Gaming Association's Alternative Security Program is specifically designed to address riverboat casinos' and their respective dockside facilities' maritime security requirements. The implementation of these regulations could have a material adverse effect on Boyd Gaming's business, financial condition and results of operations.

Boyd Gaming draws a significant percentage of its customers from limited geographic regions. Events adversely impacting the economy or these regions, including terrorism, may also impact Boyd Gaming's business.

The California Hotel and Casino, which is located in Las Vegas, Nevada and referred to as the California, the Fremont Hotel and Casino, which is located in Las Vegas, Nevada and referred to as the Fremont, and the Main Street Station Hotel, Casino and Brewery, which is located in Las Vegas, Nevada and referred to as Main Street Station, draw a substantial portion of their customers from the Hawaiian market. For the year ended December 31, 2003, patrons from Hawaii comprised approximately 68% of the room nights sold at the California, 60% at the Fremont and 54% at Main Street Station. An increase in fuel costs or transportation prices, a decrease in airplane seat availability, or a deterioration of relations with tour and travel agents, particularly as they affect travel between the Hawaiian market and Boyd Gaming's facilities, could have a material adverse effect on Boyd Gaming's business, financial condition and results of operations.

Table of Contents

Boyd Gaming's Las Vegas properties, including the properties of Coast Casinos that would be acquired in the merger, also draw a substantial number of customers from certain other specific geographic areas, including Southern California, Arizona, Las Vegas and the Midwest. With the amendment of the California Constitution, Native American casinos may divert potential visitors away from Nevada, which could negatively affect Nevada gaming markets. In addition, due to Boyd Gaming's significant concentration of properties in Nevada, any terrorist activities or disasters in or around Nevada could have a material adverse effect on Boyd Gaming's business, financial condition and results of operations. Each of Boyd Gaming's other properties located outside of Nevada depends primarily on visitors from their respective surrounding regions. The outbreak of public health threats, or the perception that such threats exist, at any of Boyd Gaming's properties as well as adverse economic conditions that affect the economy of any of these regions, including those resulting from war, terrorist activities or other geopolitical conflict, could have a material adverse effect on Boyd Gaming's business, financial condition and results of operations.

In addition, to the extent that the airline industry is negatively impacted due to the outbreak of war, public health threats, terrorist or similar activity, increased security restrictions or the public's general reluctance to travel by air, Boyd Gaming's business, financial condition and results of operations could be materially adversely affected.

Energy price increases may adversely affect Boyd Gaming's cost of operations and revenues.

Boyd Gaming's casino properties use significant amounts of electricity, natural gas and other forms of energy. In addition, our Hawaiian air charter operation uses a significant amount of jet fuel. While no shortages of energy or fuel have been experienced to date, the substantial increases in energy prices in the United States have negatively affected and may continue to negatively affect Boyd Gaming's operating results. The extent of the impact is subject to the magnitude and duration of the energy or fuel price increases, but this impact could be material. In addition, energy and gasoline price increases in cities that constitute a significant source of customers for Boyd Gaming's properties could result in a decline in disposable income of potential customers and a corresponding decrease in visitation and spending at Boyd Gaming's properties, which would negatively impact revenues.

The Boyd family owns a controlling interest in Boyd Gaming's capital stock and may significantly influence Boyd Gaming's affairs.

William S. Boyd, the Chairman and Chief Executive Officer of Boyd Gaming, together with his immediate family, beneficially owned approximately 46% of the outstanding shares of Boyd Gaming common stock as of December 31, 2003, and immediately following the consummation of the merger, the Boyd family will own approximately 37% of the outstanding shares of Boyd Gaming common stock. As a result, the Boyd family has the ability to significantly influence Boyd Gaming's affairs, including the election of Boyd Gaming's directors and, except as otherwise provided by law, the approval or disapproval of other matters submitted to a vote of Boyd Gaming stockholders, including a merger, consolidation or sale of assets.

Additional Risks Relating to Coast Casinos' Operations

Coast Casinos faces significant risks in financing, developing, constructing and opening the South Coast project, which could significantly affect its business strategy and have a material adverse effect on its business, financial condition and results of operations.

A key element of Coast Casinos' business strategy is the development and construction of the South Coast hotel-casino. In developing and constructing the South Coast project, Coast Casinos faces significant risks and uncertainties. For example, Coast Casinos currently expects the

Edgar Filing: BOYD GAMING CORP - Form S-4/A

development and construction of the South Coast project to cost approximately \$350.0 million. Coast Casinos has not arranged financing to fund the South Coast development. Even if Coast Casinos, or the surviving corporation after the effective time of the merger, is able to obtain the necessary financing, Boyd Gaming and Coast Casino cannot assure their respective stockholders that the South Coast project will be completed as planned, on schedule or within budget, if at all, or that it will

Table of Contents

generate anticipated profits. Furthermore, Coast Casinos has not yet completed the plans and specifications for the South Coast project, so actual development and construction costs may be higher than it currently expects. Coast Casinos' failure to successfully develop, construct and open the South Coast project could significantly affect its business strategy and have a material adverse effect on its business, financial condition and results of operations. See also **Risks Relating to Boyd Gaming's Operations After the Consummation of the Merger**. If Boyd Gaming is unable to finance its expansion and renovation projects as well as capital expenditures through cash flow and borrowings under its bank credit facility, Boyd Gaming may be forced to limit its expansion and renovation efforts.

Most of Coast Casinos' hotel-casinos are located on leased property. If it defaults on any of these leases, the lessor could terminate the lease and Coast Casinos may lose possession of the hotel-casino.

Coast Casinos leases the land on which The Orleans, the Suncoast and the Barbary Coast are located. If Coast Casinos were to default on any lease, the lessor could terminate the lease and Coast Casinos could lose possession of the affected land and any improvements on the land, including the hotel-casinos. This would have a significant negative impact on Coast Casinos as it would then be unable to operate The Orleans, the Suncoast or the Barbary Coast.

FORWARD-LOOKING STATEMENTS MAY PROVE INACCURATE

Certain statements and assumptions in this joint proxy statement/prospectus and in the documents attached or incorporated by reference in this joint proxy statement/prospectus contain or are based on forward-looking information and involve risks and uncertainties. Boyd Gaming and Coast Casinos believe that such statements are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements include those that may predict, forecast, indicate or imply future results, performance or achievements. THE MERGER

The discussion in this joint proxy statement/prospectus of the merger, including the issuance of shares of Boyd Gaming common stock in the merger, and the merger agreement is subject to, and is qualified in its entirety by reference to, the principal terms of the Agreement and Plan of Merger dated as of February 6, 2004, as amended, among Boyd Gaming, BGC, Inc. and Coast Casinos, a copy of which is attached to this joint proxy statement/prospectus as Annex A and is incorporated into this joint proxy statement/prospectus by reference.

General

Boyd Gaming, its direct wholly owned subsidiary BGC, Inc. and Coast Casinos have entered into a merger agreement pursuant to which Boyd Gaming will acquire Coast Casinos through a merger of Coast Casinos with and into BGC, Inc. At the effective time of the merger, Coast Casinos would become a direct wholly owned subsidiary of Boyd Gaming, and the holders of Coast Casinos common stock would be entitled to receive either \$550 in cash or 32.8025 shares of Boyd Gaming common stock per share of Coast Casinos common stock, upon the terms and subject to adjustment and proration as provided in the merger agreement and further described below under "The Merger Agreement - Consideration to be Received in the Merger."

Background of the Merger

General

From time to time, Coast Casinos has received inquiries regarding potential business combinations, including previous inquiries from Boyd Gaming over the last two years. Prior to the discussions with Boyd Gaming described below under "Background of the Merger - Discussions," none of the inquiries progressed beyond preliminary discussions. Most recently, in Fall 2003, Coast Casinos received an unsolicited proposal from an unaffiliated third party (other than Boyd Gaming) to acquire all of the outstanding shares of Coast Casinos common stock for \$500 in cash per share of Coast Casinos common stock, which proposal was revised shortly thereafter to an offer of \$550 in cash per share of Coast Casinos common stock. After considering a number of factors related to that proposal and the business, prospects and opportunities for Coast Casinos, the Coast Casinos board of directors voted to reject that proposal. However, the Coast Casinos board of directors was aware of the desire of certain Coast Casinos stockholders to liquidate some or all of their Coast Casinos stockholdings, and the Coast Casinos board of directors evaluated opportunities for providing its stockholders with greater liquidity than that currently afforded by an investment in Coast Casinos common stock. Among the opportunities discussed were a possible cash tender offer by Coast Casinos to its stockholders for a portion of the outstanding shares of Coast Casinos common stock and an initial public offering of the shares of Coast Casinos common stock.

Since its inception in 1988, Boyd Gaming and its predecessor companies have had a significant Nevada presence. For the last ten years, Boyd Gaming has focused its growth strategy outside of Nevada. Boyd Gaming grew in the riverboat and racetrack casino sectors in the Midwest and South, principally by acquisitions that were done at favorable prices. Boyd Gaming also developed a significant resort in Atlantic City, New Jersey that opened in the middle of 2003. This strategy enabled Boyd Gaming to become one of the most diversified gaming companies in the casino entertainment industry. In recent years, Boyd Gaming determined that it should refocus on Las Vegas, which had experienced dynamic growth in the past decade. Boyd Gaming decided to employ its substantial experience in acquiring, merging and integrating properties in its strategy to grow in Las Vegas. The Las Vegas locals sector, where Boyd Gaming had been operating successfully for 25 years with its Sam's Town property, became the primary focus for Boyd Gaming's Las Vegas growth and diversification strategy. Boyd Gaming believes that the merger with Coast Casinos will help Boyd Gaming create a significant presence in the Las Vegas locals sector while maintaining its position as one of the most diversified casino companies in the country.

Discussions

Over a year ago, William S. Boyd, Chairman and Chief Executive Officer of Boyd Gaming, arranged a meeting with Michael J. Gaughan, the Chairman and Chief Executive Officer of Coast Casinos, to explore the opportunities for a combination of the two companies. For a period of time, Messrs. Boyd and Gaughan and other members of senior management of the two companies maintained casual contact on the subject, but no substantive discussion ensued. Late in 2003, Mr. Boyd arranged another meeting, and on January 13, 2004, Mr. Boyd and Ellis Landau, Executive Vice President and Chief Financial Officer of Boyd Gaming, met with Mr. Gaughan and Harlan Braaten, President and Chief Operating Officer of Coast Casinos. At that meeting, the participants agreed to seriously explore a transaction that would lead to the combination of Boyd Gaming and Coast Casinos. At that meeting, the representatives from the two companies also discussed possible transaction structures and consideration.

Messrs. Boyd and Landau had several conversations with Messrs. Gaughan and Braaten over the next ten days regarding possible transactions, and on January 23, 2004, asked the legal advisors of Boyd Gaming and Coast Casinos, respectively, to discuss potential structures that would result in Boyd Gaming acquiring all or a substantial portion of the outstanding shares of Coast Casinos common stock.

Between January 24 through 26, 2004, Mr. Boyd and Mr. Landau held discussions with Cravath, Swaine & Moore LLP regarding the proposed acquisition by Boyd Gaming of Coast Casinos. The discussion topics included the composition of the potential consideration, possible merger structures and topics relating to the transaction process. One transaction structure that was proposed involved a stockholders agreement pursuant to which three of the stockholders of Coast Casinos who owned, in the aggregate, approximately 56% of the outstanding shares of Coast Casinos common stock would agree, as Coast Casinos stockholders, to vote their shares of Coast Casinos common stock in favor of a merger between Boyd Gaming and Coast Casinos and against any alternative transaction.

On January 25, 2004, Mr. Gaughan and Franklin Toti, a director and the Vice President of Casino Operations of Coast Casinos, met with Mr. Boyd to discuss possible terms of a stockholders agreement pursuant to which Messrs. Gaughan and Toti, along with possibly Jerry Herbst, a director and the Treasurer of Coast Casinos, would support, as Coast Casinos stockholders, a transaction between Boyd Gaming and Coast Casinos.

On January 26, 2004, Mr. Gaughan met with Mr. Herbst to advise him of the discussions with Boyd Gaming and of Boyd Gaming's proposal of a stockholders agreement among Boyd Gaming and Messrs. Gaughan, Herbst and Toti.

Later in the day on January 26, 2004, at a regularly scheduled meeting of the Coast Casinos board of directors, Mr. Gaughan advised the Coast Casinos board of directors that he and Messrs. Herbst and Toti tentatively supported a combination between Coast Casinos and Boyd Gaming and were discussing with Boyd Gaming entering into an agreement pursuant to which they would agree, as Coast Casinos stockholders, to vote the shares of Coast Casinos common stock owned by them in favor of a merger transaction with Boyd Gaming in which the Coast Casinos stockholders would receive \$550 per share in consideration consisting of Boyd Gaming common stock and cash. The Coast Casinos board of directors authorized Coast Casinos management to explore further the terms and conditions, as well as the potential benefits and risks, of a merger with Boyd Gaming.

After the meeting of the Coast Casinos board of directors, late in the day on January 26, 2004, Mr. Gaughan telephoned Mr. Boyd to inform him that the Coast Casinos board of directors had authorized pursuing a merger with Boyd Gaming on the terms and conditions, and for consideration of \$550 per share of Coast Casinos common stock, that had been discussed and that Messrs. Gaughan, Herbst and Toti were prepared to enter into an agreement, as Coast Casinos stockholders, to vote the shares of Coast Casinos common stock owned by them in favor

of the merger.

Beginning on January 27, 2004 and throughout the remainder of that week, members of the Boyd Gaming management team and members of the Coast Casinos management team discussed with each other potential

business strategies and explored the benefits of a business combination. Coast Casinos engaged Banc of America Securities as its independent financial advisor and Boyd Gaming engaged Deutsche Bank as its independent financial advisor, in each case, to assist in the evaluation and negotiation of a potential business combination between Coast Casinos and Boyd Gaming. With the assistance of its independent financial advisor and outside legal counsel, Gibson, Dunn & Crutcher LLP, Coast Casinos commenced a detailed due diligence evaluation of Boyd Gaming based on publicly available information and began assessing potential transaction structures, tax considerations and an appropriate confidentiality agreement with Boyd Gaming. At the same time, Boyd Gaming, together with its independent financial advisor and outside legal counsel, commenced a detailed due diligence evaluation of Coast Casinos based on publicly available information and began preparing drafts of a merger agreement and a stockholders agreement to be entered into among the parties to the proposed transaction.

During the same week, representatives of Gibson, Dunn & Crutcher LLP and Cravath, Swaine & Moore LLP commenced discussions concerning various business and legal requirements related to the structuring of an appropriate business combination.

On January 29, 2004, Boyd Gaming's management held meetings and a conference call with its financial advisor and legal counsel regarding the status of their due diligence review of Coast Casinos and the structure of the proposed transaction, including the material transaction terms to be reflected in the preliminary drafts of the merger agreement and the stockholders agreement.

On January 30, 2004, Coast Casinos' management held a conference call with its financial advisor and legal counsel regarding the status of their due diligence review of Boyd Gaming and the potential business and legal issues to be considered in the context of a business combination with Boyd Gaming.

On January 30, 2004, a proposed merger agreement containing draft terms and conditions for a merger of Coast Casinos with and into a wholly owned subsidiary of Boyd Gaming was distributed by representatives of Cravath, Swaine & Moore LLP for review by Boyd Gaming, Coast Casinos and their respective advisors. Additionally, on January 30, 2004, representatives of Cravath, Swaine & Moore LLP distributed for review a proposed stockholders agreement to be entered into among Boyd Gaming and Messrs. Gaughan, Herbst and Toti, containing draft terms and conditions related to, among other things, the voting of the shares of Coast Casinos common stock held by such stockholders in support of the merger. Based on its review of the proposed agreement and plan of merger, further detailed discussions with representatives of Gibson, Dunn & Crutcher LLP on February 1, 2004 regarding the proposed terms and conditions contained therein and input from Messrs. Gaughan, Herbst and Toti regarding the proposed terms of a stockholders agreement, Coast Casinos' management determined that there was a sufficiently compelling business rationale for proceeding with discussions with Boyd Gaming. A business meeting to discuss terms and conditions, and to address additional financial and legal due diligence, was scheduled for February 2, 2004 at the principal offices of Boyd Gaming.

On February 2, 2004, in advance of the scheduled meeting, legal counsel for both Coast Casinos and Boyd Gaming finalized a mutually acceptable confidentiality and standstill agreement. Later that day, Coast Casinos, Boyd Gaming and each of their respective financial advisors and legal counsel met at the offices of Boyd Gaming to discuss key terms and conditions of a potential transaction and to conduct follow-up financial and legal due diligence. During that meeting, counsel for each party also engaged in a detailed discussion regarding the specific terms and conditions necessary to reach a mutually acceptable merger agreement, which included, among other matters, terms relating to the relative percentage of stock versus cash to be included in the merger consideration in order to achieve a tax-free reorganization, the conditions under which the merger agreement could be terminated by the Coast Casinos board of directors in the exercise of their fiduciary duties and the various representations, warranties, covenants and conditions to the merger.

On February 3, 2004, the Audit Committee of Boyd Gaming pre-approved Deloitte & Touche LLP to provide services in connection with the merger and the transactions contemplated by the proposed merger agreement.

Between February 2, 2004 and February 4, 2004, Coast Casinos, Boyd Gaming and their respective financial advisors and legal counsel continued to negotiate and refine the terms and conditions of a draft merger agreement and to complete all follow-up due diligence. Coast Casinos' management, together with Messrs. Gaughan, Herbst and Toti, discussed the importance of ensuring that the Coast Casinos stockholders, other than Messrs. Gaughan and Toti, would receive merger consideration with a total value of at least \$550 per share of Coast Casinos common stock at the effective time of the proposed merger. In light of the terms of the stockholders agreement, Coast Casinos management also discussed the importance of ensuring that no break-up fee would be payable to Boyd Gaming unless an alternative transaction was actually completed. Coast Casinos then communicated to Boyd Gaming that, among other matters, the foregoing issues had to be favorably resolved in order to complete a definitive merger agreement. During the same period of time, Boyd Gaming's management discussed with its financial advisor and legal counsel the composition of the merger consideration and other matters, including the break-up fee to be included in the merger agreement.

During the same period of time, Messrs. Gaughan, Herbst and Toti and their legal counsel, Kummer Kaempfer Bonner & Renshaw, began negotiating with representatives from Cravath, Swaine & Moore LLP the terms and conditions of the stockholders agreement which would govern the voting of the shares of Coast Casinos common stock held by Messrs. Gaughan, Herbst and Toti.

On February 5, 2004, in advance of the special meeting of the Boyd Gaming board of directors to be held on February 6, 2004, Boyd Gaming distributed to its board of directors drafts of the merger agreement and the stockholder agreement, together with a summary of each agreement prepared by Cravath, Swaine & Moore LLP, as well as draft materials that summarized the operations of Coast Casinos and that provided certain financial analyses in respect of the merger prepared by Deutsche Bank. On the same day, in advance of the special meeting of the Coast Casinos board of directors to be held on February 6, 2004, Coast Casinos distributed to its board of directors drafts of the merger agreement and the stockholders agreement, together with a summary prepared by Gibson, Dunn & Crutcher LLP. Throughout the day and evening on February 5, 2004, Coast Casinos, Boyd Gaming and their respective financial advisors and legal counsel continued to negotiate and finalize the terms and conditions of a mutually acceptable merger agreement that satisfied the conditions outlined by both Coast Casinos' and Boyd Gaming's management. At the same time, Messrs. Gaughan, Herbst and Toti and their respective legal counsel, together with Boyd Gaming and its legal counsel, finalized the terms of the stockholders agreement committing Messrs. Gaughan, Herbst and Toti to vote in favor of a merger with Boyd Gaming and against any alternative transaction for a period of two years.

On the morning of February 6, 2004, the Boyd Gaming board of directors met to review and consider the proposed merger agreement and stockholders agreement, which were in substantially final form, as well as the proposed issuance of shares of Boyd Gaming common stock in the proposed merger. Mr. Boyd generally discussed the proposed merger. Afterwards, a representative of Lionel Sawyer & Collins, outside counsel to Boyd Gaming, discussed the fiduciary duties of the Boyd Gaming board of directors under Nevada law in considering the proposed merger agreement, the merger and the other transactions contemplated by the merger agreement. Representatives of Deutsche Bank summarized Deutsche Bank's financial analyses of the proposed merger and rendered its opinion that, as of that date and based upon and subject to the assumptions made, matters considered and limits of the review undertaken by Deutsche Bank as set forth in its written opinion, the merger consideration was fair, from a financial point of view, to Boyd Gaming. A representative of Cravath, Swaine & Moore LLP reviewed in detail the material terms of the merger agreement and the stockholders agreement, including the covenant in the stockholders agreement that Messrs. Gaughan and Toti enter into an additional stockholders agreement with Boyd Gaming and Mr. Boyd pursuant to which Messrs. Gaughan and Toti would agree to restrictions on their rights to transfer the shares of Boyd Gaming common stock to be received by them in the merger. Subsequently, the representative of Cravath, Swaine & Moore LLP as well as representatives of Lionel Sawyer & Collins, Deloitte & Touche LLP, Deutsche Bank and Boyd Gaming discussed the due diligence review performed in respect of Coast Casinos. Following the presentations, the Boyd Gaming board of directors engaged in an active discussion of the proposed merger and asked questions regarding various aspects of the transaction. The merits and risks of the proposed merger were articulated by several directors during the course

Table of Contents

of the discussion. After the discussion, the members of the Boyd Gaming board of directors determined that they had sufficient time during the course of the meeting to properly deliberate and consider the merits of the transaction and were prepared to act on the matters before them. Upon a motion duly made and seconded, the Boyd Gaming board of directors unanimously approved entering into the merger agreement and the stockholders agreement, and recommended the approval of the issuance of shares of Boyd Gaming common stock in the merger by the Boyd Gaming stockholders.

On the afternoon of February 6, 2004, after completing all technical corrections and other minor modifications to the terms and conditions of the draft stockholders agreement, Boyd Gaming and Messrs. Gaughan, Herbst and Toti executed the definitive stockholders agreement.

On the afternoon of February 6, 2004, the Coast Casinos board of directors met to review and consider the proposed merger agreement. Mr. Gaughan advised the Coast Casinos board of directors that he and Messrs. Herbst and Toti had executed a stockholders agreement pursuant to which, for two years, they were obligated to vote in favor of a merger with Boyd Gaming and against any alternative transaction. A representative of Gibson, Dunn & Crutcher LLP then summarized for the Coast Casinos board of directors the material terms of the merger agreement that had been negotiated by the parties, as well as the material terms of the stockholders agreement that had been entered into by Messrs. Gaughan, Herbst and Toti. The representative of Gibson, Dunn & Crutcher LLP also discussed with the Coast Casinos board of directors their fiduciary obligations in connection with their consideration of the proposed transaction. Following that, a representative of Banc of America Securities summarized Banc of America Securities' financial analyses of the proposed merger and rendered its opinion to the Coast Casinos board of directors that, as of that date and based upon and subject to the various assumptions and limitations set forth in its written opinion, the merger consideration to be received by the Coast Casinos stockholders, other than Messrs. Gaughan, Herbst and Toti, in the proposed merger was fair from a financial point of view to the Coast Casinos stockholders, other than Messrs. Gaughan, Herbst and Toti. Following a careful deliberation of the merger agreement and the stockholders agreement, and after detailed discussions with its management, financial advisor, legal counsel and principal stockholders, the Coast Casinos board of directors voted unanimously to adopt the merger agreement and approve the merger and recommend that Coast Casinos stockholders vote to approve the merger agreement and the merger.

On the evening of Friday, February 6, 2004, the parties completed all technical corrections and other modifications to the terms and conditions of the draft merger agreement and executed the definitive merger agreement. On the morning of Monday, February 9, 2004, Boyd Gaming and Coast Casinos issued a joint press release announcing the execution of the merger agreement and the stockholders agreement.

Boyd Gaming's Considerations Relating to the Merger and the Share Issuance

In reaching its decision to approve entering into the merger agreement and the stockholders agreement and recommending the approval of the issuance of shares of Boyd Gaming common stock in the merger by the Boyd Gaming stockholders, the Boyd Gaming board of directors consulted with management and Boyd Gaming's financial and legal advisors and considered a variety of factors with respect to the merger, including the following:

Positive considerations:

the Boyd Gaming board of directors' review of the business, operations, financial condition, earnings and prospects of both Boyd Gaming and Coast Casinos and consensus that the terms of the merger agreement are fair to, and in the best interest of, Boyd Gaming;

Edgar Filing: BOYD GAMING CORP - Form S-4/A

the Boyd Gaming board of directors consensus that combining Boyd Gaming with Coast Casinos would establish one of the largest casino operators in the United States;

the Boyd Gaming board of directors consensus that the Las Vegas locals sector is an appealing segment and that the additional exposure to this segment resulting from the acquisition of Coast Casinos would be positive for Boyd Gaming;

Table of Contents

the Boyd Gaming board of directors consideration of the fact that the combined company's experience, resources and breadth of geographical scope may allow the combined company to better compete with competitors in the hotel-casino industry;

the Boyd Gaming board of directors consideration of the structure of the transaction as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code, as discussed under the U.S. Federal Income Tax Consequences of the Merger ;

the Boyd Gaming board of directors consensus that incremental operations in the relatively stable regulatory and tax environment of Nevada is positive for Boyd Gaming;

the Boyd Gaming board of directors consensus that Coast Casinos' planned South Coast development and Coast Casinos' planned expansion at The Orleans provide reasonable growth opportunities for Boyd Gaming following the acquisition of Coast Casinos;

the Boyd Gaming board of directors consensus that the stockholders agreement among Boyd Gaming and the three Coast Casinos stockholders party to the stockholders agreement provides assurance that the merger would be consummated on mutually agreed-upon terms; and

the Boyd Gaming board of directors consideration of the detailed financial and comparative analyses and presentation made by Deutsche Bank with respect to the merger and Deutsche Bank's opinion to the Boyd Gaming board of directors that, as of such date and based upon and subject to the assumptions made, matters considered and limits of review undertaken by Deutsche Bank, the merger consideration is fair, from a financial point of view, to Boyd Gaming.

Negative considerations:

the Boyd Gaming board of directors consideration of the possibility that the merger might not be consummated;

the Boyd Gaming board of directors consideration that no significant synergies are anticipated to result from the merger;

the Boyd Gaming board of directors consideration that integration risks are inherent in combining two companies;

the Boyd Gaming board of directors consideration of the risks of developing Coast Casinos' South Coast development, which is currently contemplated to cost approximately \$350.0 million. See Additional Risks Relating to Coast Casinos' Operations. Coast Casinos faces significant risks in financing, developing, constructing and opening the South Coast project, which could significantly affect its business strategy and have a material adverse effect on its business, financial condition and results of operations ;

the Boyd Gaming board of directors consideration that the incremental debt associated with the merger could cause Boyd Gaming to have reduced financial flexibility in the near future; and

the Boyd Gaming board of directors consideration of other risks to which the merger and Boyd Gaming's and Coast Casinos' respective businesses are subject, as described above under Risk Factors.

The foregoing discussion of the factors considered by the Boyd Gaming board of directors in making its decision is not exhaustive, but includes all the material factors considered by the Boyd Gaming board of directors. In view of the variety of material factors considered in connection with its evaluation of the merger, the Boyd Gaming board of directors did not find it practicable to, and did not, quantify or otherwise assign

relative or specific weight to any of these factors, and individual directors may have given different weight to different factors. Rather, the Boyd Gaming board of directors made its determination based on the totality of the information presented to it.

The above explanation of the Boyd Gaming board of directors' considerations relating to the merger is forward-looking in nature. This information should be read in light of the factors discussed above under "Forward-Looking Statements May Prove Inaccurate."

Coast Casinos Considerations Relating to the Merger

In reaching its decision to adopt the merger agreement, approve the terms of and transactions contemplated by the merger agreement and recommend that Coast Casinos stockholders vote to approve the merger agreement and the merger, the Coast Casinos board of directors consulted with Coast Casinos management and financial and legal advisors and considered a variety of factors with respect to the merger, including the following:

Positive considerations:

the Coast Casinos board of directors consideration of the fact that Messrs. Gaughan, Herbst and Toti, who in the aggregate hold approximately 56% of the outstanding shares of Coast Casinos common stock, had entered into a stockholders agreement with Boyd Gaming pursuant to which they have agreed, among other things, to vote their shares of Coast Casinos common stock in favor of the approval of the merger agreement and the merger and not to support any other transaction for a period of two years;

the Coast Casinos board of directors consideration of the per share merger consideration offered by Boyd Gaming in comparison to other possible liquidity events that had been considered by Coast Casinos and to other offers and expressions of interest received by Coast Casinos prior to the execution of the merger agreement, as more fully discussed under Background of the Merger ;

the Coast Casinos board of directors consideration of the structure of the Boyd Gaming offer, including a provision that assures that the value of the total merger consideration to be received by Coast Casinos stockholders, other than Messrs. Gaughan and Toti, at the effective time of the merger will be at least \$550 per share of Coast Casinos common stock;

the Coast Casinos board of directors consideration of the evaluation by the Coast Casinos board of directors of various strategic alternatives, including, without limitation, remaining an independent company and pursuing either solely internal growth or internal growth combined with external growth through acquisition of other companies or businesses within Coast Casinos industry;

the Coast Casinos board of directors consideration of the terms of the merger agreement, including, without limitation, that the merger agreement:

permits Coast Casinos to furnish information and participate in discussions or negotiations with a person that submits an unsolicited takeover proposal upon the conditions discussed below under The Merger Agreement No Solicitation ;

Edgar Filing: BOYD GAMING CORP - Form S-4/A

permits the Coast Casinos board of directors to withdraw or modify its approval or recommendation of the merger and the merger agreement upon the conditions discussed below under The Merger Agreement No Solicitation ; and

provides that the \$30.0 million termination fee is payable by Coast Casinos to Boyd Gaming only upon the consummation by Coast Casinos of another takeover transaction and upon occurrence of the other events discussed below under The Merger Agreement Fee if the Merger Agreement is Terminated ;

the Coast Casinos board of directors consideration of the written opinion of Banc of America Securities provided to the Coast Casinos board of directors on February 6, 2004 that, as of such date and based upon and subject to the various assumptions and limitations set forth in the written opinion, the merger

consideration to be received by the Coast Casinos stockholders, other than Messrs. Gaughan, Herbst and Toti, in the proposed merger was fair from a financial point of view to the Coast Casinos stockholders, other than Messrs. Gaughan, Herbst and Toti;

the Coast Casinos board of directors consideration of the ability of the Coast Casinos stockholders, other than Messrs. Gaughan, Herbst and Toti, to vote against the approval of the merger agreement and the merger at the Coast Casinos Meeting in the event that a superior proposal is received in accordance with the terms of the merger agreement, as described under Background of the Merger Discussions ;

the Coast Casinos board of directors consideration of the greater liquidity of Boyd Gaming common stock following the merger as compared to Coast Casinos common stock, which is not listed or traded on any national securities exchange or quotation system;

the Coast Casinos board of directors consideration of the structure of the transaction as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code, as discussed under U.S. Federal Income Tax Consequences of the Merger ;

the Coast Casinos board of directors consideration of the fact that, to the extent that they may elect and subject to the applicable proration provisions of the merger agreement, the Coast Casinos stockholders, other than Mr. Herbst, will receive a portion of their merger consideration in the form of shares of Boyd Gaming common stock, thereby providing them with an opportunity to participate in the growth and opportunities of the combined company;

the Coast Casinos board of directors consideration of the greater financial resources of the combined company, which is expected to provide management with greater flexibility with respect to financing and operating opportunities;

the Coast Casinos board of directors consideration of the fact that the combined company's broader range and geographic scope of hotel-casino locations will provide the combined company with a more diverse market presence and may allow the combined company to better compete with competitors in the hotel-casino industry;

Coast Casinos management's view of the financial condition, results of operations and businesses of Coast Casinos and Boyd Gaming, before and after giving effect to the merger;

the Coast Casinos board of directors consideration of the potential investment risks to Coast Casinos stockholders with respect to Coast Casinos remaining an independent company, as compared to the merger consideration that would be paid to Coast Casinos stockholders under the terms of the merger agreement;

the Coast Casinos board of directors belief that the terms of the merger agreement, including the parties' representations, warranties, covenants and conditions to their respective obligations, are reasonable for a transaction of this nature;

the Coast Casinos board of directors consideration of the financial analyses presented by representatives of Banc of America Securities and a comparison of the historical value of Coast Casinos common stock and the consideration to be received by Coast Casinos stockholders in the merger;

the Coast Casinos board of directors consideration of the fact that Mr. Gaughan and two of his designees satisfactory to Boyd Gaming will serve on the Boyd Gaming board of directors, which should facilitate the integration of Coast Casinos into Boyd Gaming; and

the Coast Casinos board of directors consideration of the fact that senior Coast Casinos management is expected to have significant responsibilities with respect to the new Coast Casinos, Inc., which should facilitate the integration of Coast Casinos into the combined

company.

Negative considerations:

the Coast Casinos board of directors consideration of the possibility that the merger might not be consummated;

the Coast Casinos board of directors consideration of the fact that the merger consideration to the Coast Casinos stockholders, other than Messrs. Gaughan and Toti, will be substantially in cash, which will avoid future market risk from holding Boyd Gaming common stock but may prevent such Coast Casinos stockholders from substantially enjoying any significant upside potential relating to the combined company;

the Coast Casinos board of directors consideration of the risk that the potential benefits sought in the merger might not be fully realized;

the Coast Casinos board of directors consideration of the risk that, notwithstanding the long-term benefits of the merger, the combined company's financial condition, results of operations and stock price might decline after the consummation of the merger; and

the Coast Casinos board of directors consideration of other risks to which the merger and Boyd Gaming's and Coast Casinos respective businesses are subject, as described above under Risk Factors.

The foregoing discussion of the factors considered by the Coast Casinos board of directors in making its decision is not exhaustive, but includes all the material factors considered by the Coast Casinos board of directors. In view of the variety of material factors considered in connection with its evaluation of the merger, the Coast Casinos board of directors did not find it practicable to, and did not, quantify or otherwise assign relative or specific weight to any of these factors, and individual directors may have given different weight to different factors. Rather, the Coast Casinos board of directors made its determination based on the totality of the information presented to it.

The above explanation of the Coast Casinos board of directors' considerations relating to the merger is forward-looking in nature. This information should be read in light of the factors discussed above under Forward-Looking Statements May Prove Inaccurate.

The full text of Deutsche Bank's written opinion, dated February 6, 2004, which discusses, among other things, the assumptions made, matters considered and limits on the review undertaken by Deutsche Bank in connection with the opinion, is attached as Annex B to this joint proxy statement/prospectus and is incorporated herein by reference. Boyd Gaming stockholders are urged to read this opinion in its entirety. The following summary of the Deutsche Bank opinion is qualified in its entirety by reference to the full text of the opinion.

In connection with Deutsche Bank's role as financial advisor to Boyd Gaming, and in arriving at its opinion, Deutsche Bank has reviewed certain publicly available financial and other information concerning Coast Casinos and Boyd Gaming and certain internal analyses and other information furnished to it by Coast Casinos and Boyd Gaming. Deutsche Bank has also held discussions with members of the senior managements of Coast Casinos and Boyd Gaming regarding the businesses and prospects of their respective companies and the joint prospects of a combined company. In addition, Deutsche Bank has:

reviewed the reported prices and trading activity for Boyd Gaming common stock;

compared certain financial information for Coast Casinos and Boyd Gaming with similar information for certain companies whose securities are publicly traded;

reviewed the financial terms of certain recent business combinations which it deemed comparable to the merger in whole or in part;

reviewed the terms of the merger agreement, the stockholders agreement and certain related documents; and

performed such other studies and analyses and considered such other factors as it deemed appropriate.

In preparing its opinion, Deutsche Bank did not assume responsibility for the independent verification of, and did not independently verify, any information, whether publicly available or furnished to it, concerning Coast Casinos or Boyd Gaming, including, without limitation, any financial information, forecasts or projections considered in connection with the rendering of its opinion. Accordingly, for purposes of its opinion, Deutsche Bank assumed and relied upon the accuracy and completeness of all such information. Deutsche Bank did not conduct a physical inspection of any of the properties or assets, and did not prepare or obtain any independent evaluation or appraisal of any of the assets or liabilities, of Coast Casinos or Boyd Gaming. With respect to the financial forecasts and projections made available to Deutsche Bank and used in its analysis, Deutsche Bank has assumed that they have been reasonably prepared on bases reflecting the best currently available estimates and judgments of the management of Coast Casinos or Boyd Gaming as to the matters covered thereby. In rendering its opinion, Deutsche Bank expressed no view as to the reasonableness of those forecasts and projections or the assumptions on which they are based. Deutsche Bank's opinion was necessarily based upon economic, market and other conditions as in effect on, and the information made available to Deutsche Bank as of, the date of its opinion.

For purposes of rendering its opinion, Deutsche Bank has assumed that, in all respects material to its analysis:

Edgar Filing: BOYD GAMING CORP - Form S-4/A

the representations and warranties of Boyd Gaming, BGC, Inc. and Coast Casinos contained in the merger agreement are true and correct;

Boyd Gaming, BGC, Inc. and Coast Casinos will each perform all of the covenants and agreements to be performed by it under the merger agreement;

all conditions to the obligations of each of Boyd Gaming, BGC, Inc. and Coast Casinos to consummate the merger will be satisfied without any waiver thereof; and

Table of Contents

all material governmental, regulatory or other approvals and consents required in connection with the consummation of the merger will be obtained and that, in connection with obtaining any necessary governmental, regulatory or other approvals and consents, or any amendments, modifications or waivers to any agreements, instruments or orders to which either Boyd Gaming or Coast Casinos is a party or is subject or by which it is bound, no limitations, restrictions or conditions will be imposed or amendments, modifications or waivers will be made that would have a material adverse effect on Boyd Gaming or Coast Casinos or materially reduce the contemplated benefits of the merger to Boyd Gaming.

In addition, Deutsche Bank has been advised by Boyd Gaming, and accordingly has assumed for purposes of its opinion, that the merger will be tax-free to Boyd Gaming.

Deutsche Bank's Financial Analysis

Set forth below is a summary of the material financial analyses performed by Deutsche Bank in connection with its opinion and reviewed with the Boyd Gaming board of directors at its meeting on February 6, 2004.

Analysis of Selected Publicly Traded Companies. Deutsche Bank reviewed certain financial information and calculated commonly used valuation measurements for Boyd Gaming and Coast Casinos, as applicable, to corresponding information and measurements for groups of publicly traded companies in the gaming industry.

The publicly traded companies selected in the gaming industry to which Boyd Gaming was compared consisted of:

Ameristar Casinos Inc.

Argosy Gaming Co.

Aztar Corp.

Isle of Capri Casinos, Inc.

Penn National Gaming Inc.

Station Casinos Inc.

The publicly traded companies selected in the gaming industry to which Coast Casinos was compared consisted of:

Ameristar Casinos Inc.

Edgar Filing: BOYD GAMING CORP - Form S-4/A

Argosy Gaming Co.

Aztar Corp.

Boyd Gaming Corp.

Isle of Capri Casinos, Inc.

Penn National Gaming Inc.

Station Casinos Inc.

The financial information and valuation measurements reviewed by Deutsche Bank included, among other things:

current share price;

total equity market valuation;

total enterprise value (the sum of equity market valuation and net debt); and

ratios of total enterprise value to earnings before interest, taxes, depreciation and amortization, or EBITDA.

Table of Contents

To calculate the trading multiples, Deutsche Bank used publicly available information concerning historical and projected financial performance, including analyst reports and published historical financial information and earnings estimates reported by Institutional Brokers Estimate System, or IBES. IBES is a data service that monitors and publishes compilations of earnings estimates by selected research analysts regarding companies of interest to institutional investors.

Deutsche Bank observed that the implied value of Coast Casinos common stock based on the selected publicly traded companies analysis ranged from \$450 to \$625 per share and compared that range of values to the notional merger consideration of \$550 per share. Deutsche Bank also observed that the implied value of Boyd Gaming's common stock based on the selected publicly traded companies analysis ranged from \$14.00 to \$18.75 per share and compared that range of values to the average trading price of Boyd Gaming common stock for the ten day period ended February 5, 2004, which was \$16.77, and which forms the basis for the exchange ratio for the stock consideration in the merger.

None of the companies utilized in the publicly traded company analysis is identical to Boyd Gaming or Coast Casinos. Accordingly, Deutsche Bank believes the analysis is not simply mathematical. Rather, it involves complex considerations and qualitative judgments, reflected in Deutsche Bank's opinion, concerning differences in financial and operating characteristics of the selected companies and other factors that could affect the public trading value of the selected companies.

Analysis of Selected Precedent Transactions. Deutsche Bank reviewed ten mergers and acquisition transactions announced since March 6, 2000 in the gaming industry. The transactions reviewed, which are referred to as the selected transactions, were:

Date announced	Target	Acquirer
12/24/03	Las Vegas Hilton	Colony Capital
09/12/03	Horseshoe Gaming	Harrah's Entertainment
06/26/03	Golden Nugget casinos	Poster Financial Group
06/20/03	Aladdin Hotel & Casino	Investor Group(1)
08/07/02	Hollywood Casino Corp.	Penn National Gaming
10/18/00	The Reserve Hotel & Casino	Station Casinos
07/20/00	Fiesta Casino Hotel	Station Casinos
06/13/00	Santa Fe Hotel and Casino	Station Casinos
04/27/00	Desert Inn	Steve Wynn
03/06/00	Mirage Resorts	MGM Grand, Inc.

(1) Investor group comprised of Starwood Hotels & Resorts, Robert Earl and Bay Harbour Management.

Deutsche Bank observed that the relevant ratio of total enterprise value to forward EBITDA for the selected transactions ranged from 7.5x to 9.0x and compared that range of multiples to the 7.3x ratio underlying the merger consideration.

The analysis for the selected transactions was based on public information available at the time of announcement of such transactions, without taking into account differing market and other conditions during the period between March 6, 2000 and December 24, 2003, during which the selected transactions were announced.

Edgar Filing: BOYD GAMING CORP - Form S-4/A

Discounted Cash Flow Analysis. Deutsche Bank performed a discounted cash flows analysis for both Coast Casinos and Boyd Gaming. Deutsche Bank calculated the discounted cash flow values for each of Coast Casinos and Boyd Gaming as the sum of the net present values of:

the estimated future free cash flows that Coast Casinos or Boyd Gaming, as the case may be, would generate for the years 2004 through 2008; and

the terminal value of Coast Casinos or Boyd Gaming at the end of such period.

Table of Contents

The estimated future free cash flows were based on the financial projections for Coast Casinos for the years 2004 through 2008 prepared by Coast Casinos' management, and on the financial projections for Boyd Gaming for the years 2004 through 2008 prepared by Boyd Gaming's management. The terminal value for Coast Casinos was calculated based on projected EBITDA for 2008 and a range of multiples of EBITDA ranging from 6.5x to 8.0x. The terminal value for Boyd Gaming was calculated based on projected EBITDA for 2008 and a range of multiples of EBITDA ranging from 6.5x to 7.5x. Deutsche Bank used discount rates ranging from 8.0% to 10.0% for Coast Casinos and ranging from 7.0% to 9.0% for Boyd Gaming. The discount rates for Coast Casinos were based on Deutsche Bank's judgment of the estimated weighted average cost of Coast Casinos' capital and the EBITDA multiples were based on its review of the characteristics that in its judgment would have applied to Coast Casinos if it were a publicly traded company. The discount rates for Boyd Gaming were based on Deutsche Bank's judgment of the estimated weighted average cost of Boyd Gaming's capital and the EBITDA multiples were based on its review of the trading characteristics of Boyd Gaming.

Deutsche Bank observed that the implied value of Coast Casinos common stock based on the discounted cash flow analysis ranged from \$575 to \$725 per share and compared that range of values to the notional merger consideration of \$550 per share. Deutsche Bank also observed that the implied value of Boyd Gaming common stock based on the discounted cash flow analysis ranged from \$18.50 to \$22.25 per share and compared that range of values to the average trading price of Boyd Gaming common stock for the ten day period ended February 5, 2004, which was \$16.77, and which forms the basis for the exchange ratio for stock consideration in the merger.

Pro Forma Combined Earnings Analysis. Deutsche Bank analyzed certain pro forma effects of the merger. Based on this analysis, Deutsche Bank computed the resulting accretion to Boyd Gaming's earnings per share, or EPS, estimate for the fiscal years ending 2004 and 2005. Deutsche Bank noted that the merger would be 4.4% and 9.8% accretive to Boyd Gaming's EPS estimate for the fiscal years ending 2004 and 2005, respectively. To calculate the pro forma earnings estimates, Deutsche Bank used forward estimates of projected financial performance for Boyd Gaming that were provided by Boyd Gaming management and forward estimates of projected financial performance for Coast Casinos that were prepared by the Coast Casinos' management.

General. The foregoing summary describes all analyses and factors that Deutsche Bank deemed material in its presentation to the Boyd Gaming board of directors, but is not a comprehensive description of all analyses performed and factors considered by Deutsche Bank in connection with preparing its opinion. The preparation of a fairness opinion is a complex process involving the application of subjective business judgment in determining the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances and, therefore, is not readily susceptible to summary description. Deutsche Bank believes that its analyses must be considered as a whole and that considering any portion of such analyses and of the factors considered without considering all analyses and factors could create a misleading view of the process underlying the opinion. In arriving at its fairness determination, Deutsche Bank did not assign specific weights to any particular analyses.

In conducting its analyses and arriving at its opinions, Deutsche Bank utilized a variety of generally accepted valuation methods. The analyses were prepared solely for the purpose of enabling Deutsche Bank to provide its opinion to the Boyd Gaming board of directors as to the fairness to Boyd Gaming of the merger consideration and do not purport to be appraisals or necessarily reflect the prices at which businesses or securities actually may be sold, which are inherently subject to uncertainty. In connection with its analyses, Deutsche Bank made, and was provided by Boyd Gaming's management and Coast Casinos' management with, numerous assumptions with respect to industry performance, general business and economic conditions and other matters, many of which are beyond Boyd Gaming's or Coast Casinos' control. Analyses based on estimates or forecasts of future results are not necessarily indicative of actual past or future values or results, which may be significantly more or less favorable than suggested by such analyses. Because such analyses are inherently subject to uncertainty, being based upon numerous factors or events beyond the control of Boyd Gaming, Coast Casinos or their respective advisors, neither Boyd Gaming nor Deutsche Bank nor any other person assumes responsibility if future results or actual values are materially different from these forecasts or assumptions.

Table of Contents

The terms of the merger were determined through negotiations between Boyd Gaming and Coast Casinos and were approved by the Boyd Gaming board of directors. Although Deutsche Bank provided advice to Boyd Gaming during the course of these negotiations, the decision to enter into the merger was solely that of the Boyd Gaming board of directors. As described above, the opinion and presentation of Deutsche Bank to the Boyd Gaming board of directors were only one of a number of factors taken into consideration by the Boyd Gaming board of directors in making its determination to approve the merger. Deutsche Bank's opinion was provided to the Boyd Gaming board of directors to assist it in connection with its consideration of the merger and does not constitute a recommendation to any stockholder as to how to vote or take any other action with respect to the merger. Deutsche Bank's opinion does not in any manner address the prices at which shares of Boyd Gaming common stock will trade after the announcement or consummation of the merger.

Boyd Gaming selected Deutsche Bank as financial advisor in connection with the merger based on Deutsche Bank's qualifications, expertise, reputation and experience in mergers and acquisitions. Boyd Gaming has retained Deutsche Bank pursuant to a letter agreement dated February 2, 2004, which is referred to as the engagement letter. Deutsche Bank will be paid a reasonable and customary fee for its services as financial advisor to Boyd Gaming in connection with the merger, a substantial portion of which is contingent upon consummation of the merger. Deutsche Bank is an affiliate of Deutsche Bank AG, which, together with its affiliates, is referred to as the DB Group. One or more members of the DB Group have agreed to provide financing to Boyd Gaming in connection with the merger, some of which funds are expected to be used to pay off existing loans made by members of the DB Group to Coast Casinos and to Boyd Gaming. Regardless of whether the merger is consummated, Boyd Gaming has agreed to reimburse Deutsche Bank for reasonable fees and disbursements of Deutsche Bank's outside counsel and all of Deutsche Bank's reasonable documented travel and other out-of-pocket expenses incurred in connection with the merger or otherwise arising out of the retention of Deutsche Bank under the engagement letter. Boyd Gaming has also agreed to indemnify Deutsche Bank and certain related persons to the full extent lawful against certain liabilities, including certain liabilities under the U.S. Federal securities laws arising out of its engagement or the merger.

Deutsche Bank is an internationally recognized investment banking firm experienced in providing advice in connection with mergers and acquisitions and related transactions. A member of the DB Group acted as co-manager under Coast Casinos' February 2002 \$125.0 million 9.50% senior subordinated notes issuance. A member of the DB Group acted as syndication agent under Coast Casinos' September 2003 \$300.0 million senior secured credit facility. In the foregoing capacities, Deutsche Bank has received an aggregate of \$340,657.90 in compensation from Coast Casinos. A member of the DB Group acted as joint book-running manager under Boyd Gaming's March 2002 \$250.0 million 8.75% senior subordinated notes offering. A member of the DB Group acted as co-documentation agent under Boyd Gaming's June 2002 \$500.0 million senior secured credit facility. A member of the DB Group acted as joint book-running manager of Boyd Gaming's December 2002 \$300.0 million 7.75% senior subordinated notes offering. In the foregoing capacities, Deutsche Bank has received an aggregate of \$2,827,170.50 in compensation from Boyd Gaming.

In the ordinary course of business, members of the DB Group may actively trade in the securities and other instruments and obligations of Boyd Gaming and Coast Casinos for their own accounts and for the accounts of their customers. Accordingly, the DB Group may at any time hold a long or short position in such securities, instruments and obligations.

Opinion of Coast Casinos' Financial Advisor

In connection with Banc of America Securities' engagement as financial advisor to Coast Casinos, Coast Casinos requested that Banc of America Securities render an opinion to the Coast Casinos board of directors as to the fairness, from a financial point of view, to the Coast Casinos stockholders, other than Messrs. Gaughan, Herbst and Toti, of the merger consideration to be received by the stockholders, other than Messrs. Gaughan, Herbst and Toti, in the proposed merger. On February 6, 2004, Banc of America Securities delivered its oral opinion, which opinion was subsequently confirmed by delivery of its written opinion dated February 6, 2004, to

Table of Contents

the Coast Casinos board of directors that, as of that date and based upon and subject to the various assumptions and limitations summarized below, the merger consideration to be received by the Coast Casinos stockholders, other than Messrs. The full text of Banc of America Securities' written opinion, dated February 6, 2004, is attached as Annex C to this joint proxy statement/prospectus. This opinion sets forth the assumptions made, procedures followed, other matters considered and limitations of the review undertaken. We incorporate the Banc of America Securities opinion in its entirety into this document and this section by reference and urge you to read the opinion carefully and in its entirety. This section is only a summary of the Banc of America Securities opinion and as a summary is qualified by reference to, and not a substitute for, the full text of the opinion.

Banc of America Securities' analyses and opinion were prepared for and addressed to the Coast Casinos board of directors and are directed only to the fairness from a financial point of view to the Coast Casinos stockholders, other than Messrs. Gaughan, Herbst and Toti, of the merger consideration to be received by the Coast Casinos stockholders, other than Messrs. Gaughan, Herbst and Toti, in the proposed merger and do not constitute an opinion as to the merits of the merger or an opinion or recommendation as to how the stockholders of Coast Casinos and Boyd Gaming should vote on the proposed merger.

In furnishing its opinion, Banc of America Securities did not admit that it is an "expert" as that term is used in the Securities Act of 1933, as amended, nor did Banc of America Securities admit that its opinion constitutes a report or valuation within the meaning of Section 11 of the Securities Act. Table of Contents

reviewed the February 6, 2004 draft of the merger agreement and certain related documents; and

performed such other analyses and considered such other factors as Banc of America Securities deemed appropriate.

In conducting its review and arriving at its opinion, Banc of America Securities assumed and relied upon, without independent verification, the accuracy and completeness of the financial and other information reviewed by it for the purposes of the opinion. With respect to the financial forecasts, including information relating to certain strategic, financial and operational benefits anticipated from the merger, Banc of America Securities assumed that they were reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of the future financial performance of Coast Casinos and Boyd Gaming. Banc of America Securities did not make any independent valuation or appraisal of the assets or liabilities of Coast Casinos or Boyd Gaming, nor was Banc of America Securities furnished with any such appraisals.

Banc of America Securities assumed that the final executed merger agreement would not differ in any material respect from the draft agreement reviewed by it, and that the merger would be consummated as provided in the draft agreement, with full satisfaction of all covenants and conditions set forth in the draft agreement and without any waivers thereof. Banc of America Securities also assumed that in connection with the receipt of the regulatory approvals required to consummate the merger, no conditions would be imposed upon Coast Casinos or Boyd Gaming that would have a material adverse effect on Boyd Gaming, Coast Casinos or the benefits expected to be derived by the merger.

As is customary in the rendering of fairness opinions, Banc of America Securities based its opinion on financial, economic, market and other conditions as in effect on, and the information made available to Banc of America Securities as of, February 6, 2004. It was understood that, although subsequent developments may affect Banc of America Securities' opinion, Banc of America Securities does not have any obligation to update, revise or reaffirm its opinion. Banc of America Securities' opinion did not address the prices at which the common stock of Boyd Gaming will trade following the execution of the merger agreement or consummation of the merger. Banc of America Securities was not authorized to and did not solicit any expressions of interest from any other parties with respect to the sale of all or any part of Coast Casinos or any other alternative transaction. Consequently, no opinion was expressed as to whether any alternative transaction might produce consideration for the Coast Casinos stockholders in an amount in excess of that contemplated in the merger. The opinion of Banc of America Securities expressed in its opinion letter was provided for the benefit and use of the Coast Casinos board of directors. Banc of America Securities expressed no opinion or recommendation as to how the stockholders of Coast Casinos and Boyd Gaming should vote at the stockholders meetings held in connection with the merger.

In accordance with customary investment banking practice, Banc of America Securities employed generally accepted valuation methods in reaching its opinion. The following is a summary of the material financial analyses that Banc of America Securities utilized in providing its opinion. Some of the summaries of financial analyses are presented in tabular format. In order to understand the financial analyses used by Banc of America Securities more fully, you should read the tables together with the related text. The tables alone do not constitute a complete description of the financial analyses utilized by Banc of America Securities.

Analysis of Selected Publicly Traded Companies

Using publicly available and other information, Banc of America Securities compared selected historical and projected operating and financial data of Coast Casinos and Boyd Gaming with similar data for selected publicly traded companies engaged in businesses that Banc of America Securities judged to be generally comparable to those of Coast Casinos and Boyd Gaming. These companies were:

Station Casinos, Inc.

Pinnacle Entertainment, Inc.

Boyd Gaming Corporation

Table of Contents

Penn National Gaming, Inc.

Azar Corporation

Argosy Gaming Company

Ameristar Casinos, Inc.

Isle of Capri Casinos, Inc.

For each of these companies, Banc of America Securities calculated the multiple of enterprise value, which Banc of America Securities defined as diluted equity market value (calculated using the treasury method) plus total debt, less cash and cash equivalents, to estimated 2003 EBITDA and projected 2004 EBITDA. Banc of America Securities also calculated the multiple of price per share to estimated 2003 earnings per share and projected 2004 earnings per share. The calculations yielded the ranges as set forth below.

	Enterprise Value/2003E EBITDA	Enterprise Value/2004P EBITDA	2003 P/E	2004 P/E
High	11.3	9.7	28.0	20.1
Median	7.8	6.7	14.3	12.7
Low	6.1	5.7	12.1	11.1

Banc of America Securities then selected a range of 6.0x to 7.0x for 2004P EBITDA and a range of 11.0x to 15.0x for 2004P earnings per share, and applied these multiples to the respective operating statistics of Coast Casinos and Boyd Gaming. This analysis yielded an implied value for Coast Casinos common stock of approximately \$400 to \$530 per share, and an implied trading value for Boyd Gaming common stock of approximately \$13.50 to \$18.25 per share.

Although the selected companies were used for comparative purposes, none of such companies is directly comparable to Coast Casinos or Boyd Gaming. Accordingly, an analysis of the results of such a comparison is not purely mathematical but instead involves complex considerations and judgments concerning differences in historical and projected financial and operating characteristics of the selected companies and other factors that could affect the public trading value of the companies or Coast Casinos or Boyd Gaming or of the companies to which they are being compared.

Analysis of Selected Transactions

Banc of America Securities analyzed publicly available financial information relating to selected merger transactions in the gaming industry, which Banc of America Securities deemed relevant in evaluating the merger. Banc of America Securities analyzed the following transactions:

Table of Contents

Banc of America Securities reviewed the consideration paid in the selected transactions based, in the case of transactions in which the consideration was stock, on stock prices on the day prior to the announcement of the transaction, and then calculated multiples of total enterprise value represented by that consideration to the LTM EBITDA of the target company. Banc of America Securities applied a range of multiples of 6.5x to 7.5x to the 2003E EBITDA of Coast Casinos and Boyd Gaming. This analysis yielded an implied value for Coast Casinos common stock of approximately \$405 to \$510 per share, and an implied trading value for Boyd Gaming common stock of approximately \$9.50 to \$13.25.

Although the selected transactions were used for comparative purposes, none of these transactions is directly comparable to the merger, and none of the companies in such transactions is directly comparable to Coast Casinos or Boyd Gaming. Accordingly, an analysis of the results of such a comparison is not purely mathematical but instead involves complex considerations and judgments concerning differences in historical and projected financial and operating characteristics of the companies involved and other factors that could affect the acquisition value of Coast Casinos, Boyd Gaming or of the selected companies to which they are being compared.

Discounted Cash Flow Analysis

Banc of America Securities performed discounted cash flow analyses to determine the fully diluted equity value per share for each of Coast Casinos and Boyd Gaming by valuing each company based on the present value of that company's projected free cash flows, assuming no debt obligations. In conducting this analysis, Banc of America Securities used cash flow projections of Coast Casinos and Boyd Gaming for fiscal years 2003 to 2008 prepared by their respective managements and Banc of America Securities assumed that the companies would perform in accordance with these projections.

Banc of America Securities first estimated the terminal values of the projected cash flows by applying a multiple of 2008 EBITDA, ranging from 6.5x to 7.5x. Banc of America Securities then calculated the present value of the projected cash flows for five years using discount rates ranging from 8% to 10% for Coast Casinos and 7% to 8% for Boyd Gaming. Based on the results of this analysis, Banc of America Securities derived a range of equity values of between \$445 and \$630 per share for Coast Casinos common stock, and a range of equity values of between \$15.75 and \$21.50 per share for Boyd Gaming common stock.

General

The summary set forth above does not purport to be a complete description of all the analyses performed by Banc of America Securities. The preparation of a fairness opinion involves various determinations as to the most appropriate and relevant methods of financial analyses and the application of these methods to the particular circumstances and, therefore, such an opinion is not readily susceptible to partial analysis or summary description.

Banc of America Securities did not attribute any particular weight to any analysis or factor considered by it, but rather made qualitative judgments as to the significance and relevance of each analysis and factor. Accordingly, notwithstanding the separate factors summarized above, Banc of America Securities believes, and has advised the Coast Casinos board of directors, that its analyses must be considered as a whole and that selecting portions of its analyses and the factors considered by it, without considering all analyses and factors, could create an incomplete view of the process underlying its opinion.

Edgar Filing: BOYD GAMING CORP - Form S-4/A

In performing its analyses, Banc of America Securities made numerous assumptions with respect to industry performance, business and economic conditions and other matters, many of which are beyond the control of Coast Casinos and Boyd Gaming. These analyses performed by Banc of America Securities are not necessarily indicative of actual values or future results, which may be significantly more or less favorable than suggested by such analyses. In addition, analyses relating to the value of businesses do not purport to be appraisals or to reflect the prices at which businesses or securities may actually be sold. Accordingly, such analyses and estimates are

Table of Contents

inherently subject to uncertainty, being based upon numerous factors or events beyond the control of the parties or their respective advisors, and none of Coast Casinos and Boyd Gaming, Banc of America Securities or any other person assumes responsibility if future results are materially different from those projected.

As mentioned above, the analyses supplied by Banc of America Securities and its opinion were among the factors taken into consideration by the Coast Casinos board of directors in making its decision to enter into the merger agreement and should not be considered as determinative of such decision.

Banc of America Securities was selected by the Coast Casinos board of directors to act as its financial advisor in connection with the merger, and to render an opinion to Coast Casinos board of directors, because Banc of America Securities is an internationally recognized investment banking firm and because, as part of its investment banking business, Banc of America Securities is continually engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, secondary distributions of listed and unlisted securities, private placements and valuations for corporate and other purposes.

Banc of America Securities or its affiliates have provided and may in the future provide financial advisory and financing services to Coast Casinos and Boyd Gaming and have received or may in the future receive fees for the rendering of these services. Bank of America, N.A., an affiliate of Banc of America Securities, serves as agent bank and is a lender under Coast Casinos' senior credit facility and is a lender under Boyd Gaming's senior credit facility and has received fees for the rendering of such services. In the ordinary course of its businesses, Banc of America Securities and its affiliates may actively trade the debt and equity securities or loans of Coast Casinos and Boyd Gaming for its own account or for the accounts of customers, and, accordingly, it may at any time hold long or short positions in such securities or loans.

Coast Casinos has agreed to pay Banc of America Securities a fee of \$5,625,000 for its services, a portion of which was contingent upon the rendering of an opinion and a significant portion of which is contingent upon the consummation of the merger. Coast Casinos has also agreed to reimburse Banc of America Securities for all reasonable out-of-pocket expenses (including reasonable fees and disbursements of Banc of America Securities' outside counsel), subject to a cap, and to indemnify Banc of America Securities against certain liabilities, including liabilities under the federal securities laws. The terms of the fee arrangement with Banc of America Securities, which are customary in transactions of this nature, were negotiated at arm's length between Coast Casinos and Banc of America Securities, and the Coast Casinos board of directors was aware of such arrangement, including the fact that a significant portion of the aggregate fee payable to Banc of America Securities is contingent upon consummation of the merger.

Interests of Coast Casinos' Directors and Executive Officers in the Merger

In considering the recommendation of the Coast Casinos board of directors to approve the merger agreement, Coast Casinos stockholders should consider that some of Coast Casinos' directors and officers have interests in the merger that differ from, or are in addition to, their interests as Coast Casinos stockholders. The Coast Casinos board of directors was aware of these interests and considered them, among other matters, in approving the merger and adopting the merger agreement.

As a result of these interests, these directors and officers could be more likely to vote to approve the merger agreement than if they did not hold these interests, and may have reasons for doing so that are not the same as the interests of Coast Casinos' other stockholders. Coast Casinos stockholders should consider whether these interests may have influenced these directors and officers to support or recommend the approval of the merger agreement.

Merger Consideration for Michael J. Gaughan and Franklin Toti. The merger agreement provides that, in connection with the merger, each share of Coast Casinos common stock held by Messrs. Gaughan and Toti will be converted into the right to receive 32.8025 shares of Boyd Gaming common stock. As a result, unlike other Coast Casinos stockholders, the entire merger consideration to be received by

Table of Contents

Messrs. Gaughan and Toti will consist entirely of Boyd Gaming common stock. While the receipt of merger consideration consisting entirely of Boyd Gaming common stock will subject Messrs. Gaughan and Toti to the risk of any decrease in the value of Boyd Gaming common stock between the date of the merger agreement and the effective time of the merger, it will also allow them to participate in any increase in the value of Boyd Gaming common stock during that period and subsequent to the merger. In addition, since the merger consideration to be received by Messrs. Gaughan and Toti in the merger consists entirely of Boyd Gaming common stock, the merger will be a tax-free transaction from the perspective of Messrs. Gaughan and Toti.

Merger Consideration for Jerry Herbst. The merger agreement provides that, in connection with the merger, each share of Coast Casinos common stock held by Mr. Herbst will be converted into the right to receive \$550 in cash. As a result, unlike other Coast Casinos stockholders, the entire merger consideration to be received by Mr. Herbst will consist entirely of cash, allowing Mr. Herbst to avoid the risk of any decrease in the value of Boyd Gaming common stock between the date of the merger agreement and the effective time of the merger.

Post-Merger Board Membership. In connection with the merger, the members of the Coast Casinos board of directors, with the exception of Mr. Gaughan, will not serve as directors on the board of directors of the new Coast Casinos, Inc., which will operate as a wholly owned subsidiary of Boyd Gaming. Under the terms of the merger agreement, however, Boyd Gaming has agreed to include Mr. Gaughan and two other people who Mr. Gaughan designates and who are satisfactory to Boyd Gaming as directors on the Boyd Gaming board of directors. One such designee, Peter M. Thomas, is being proposed as a nominee for the Boyd Gaming board of directors at the Boyd Gaming Meeting, and Mr. Gaughan and his other designee will become directors of Boyd Gaming after the closing date of the merger and after the receipt of all necessary regulatory approvals. See Chapter II Information About the Boyd Gaming Annual Meeting and Other Proposals.

Assumption and Cash-Out of Employee Stock Options. Harlan Braaten, the President and Chief Operating Officer of Coast Casinos, and Gage Parrish, the Vice President and Chief Financial Officer of Coast Casinos, have received stock options under Coast Casinos 1996 Stock Incentive Plan. Under the terms of the merger agreement, Boyd Gaming has agreed to assume the obligations of Coast Casinos under its 1996 Stock Incentive Plan, except for any Coast Casinos stock option that is not an incentive stock option within the meaning of Section 422 of the Internal Revenue Code. In connection with the merger, each such incentive stock option will be adjusted into an option to acquire 32.8025 shares of Boyd Gaming common stock at an exercise price of \$3.04855 per share. Each such non-qualifying stock option will be canceled immediately prior to the merger and the holder thereof will be entitled to receive an amount in cash equal to the excess of \$550 over the per share exercise price of such non-qualifying option. As a result of the operation of these provisions, Mr. Braaten is expected to receive \$12,336,750 for the cancellation of his non-qualifying stock options and new options to purchase approximately 98,407 shares of Boyd Gaming common stock at an exercise price of \$3.04855 per share, and Mr. Parrish is expected to receive \$900,000 for the cancellation of his non-qualifying stock options and new options to purchase approximately 98,407 shares of Boyd Gaming common stock at an exercise price of \$3.04855 per share. For a complete description of the treatment of Coast Casinos employee stock options in the merger, see The Merger Agreement Coast Casinos Stock Options and Benefit Plans Coast Casinos Stock Options.

Employment Arrangements. Messrs. Gaughan, Toti, Braaten and Parrish will be employed by Boyd Gaming upon consummation of the merger and, after the effective time of the merger, Messrs. Gaughan, Toti, Braaten and Parrish will continue to run the operations of the new Coast Casinos, Inc.

Indemnification. The merger agreement provides that, after the effective time of the merger, Boyd Gaming will, to the fullest extent permitted by law, cause the new Coast Casinos, Inc. to honor all of Coast Casinos' obligations to indemnify the current or former directors and officers of Coast Casinos for acts or omissions by such directors and officers occurring prior to the effective time of the merger, to the extent that such obligations of Coast Casinos existed on the date of the merger agreement. Boyd

Gaming has agreed to maintain in effect the current Coast Casinos' policies of directors' and officers' liability insurance for a period of six years after the effective time of the merger. However, Boyd Gaming will not be obligated to make annual premium payments in excess of 175% of the annual premiums paid by Coast Casinos as of the date of the merger agreement, which is referred to as the maximum premium. If the insurance coverage cannot be obtained at all, or can only be obtained at an annual premium in excess of the maximum premium, Boyd Gaming will maintain the most advantageous policies of directors' and officers' insurance obtainable for an annual premium equal to the maximum premium. For a complete description of the indemnification rights of Coast Casinos' directors and officers after the effective time of the merger, see "The Merger Agreement - Indemnification."

Stockholders Agreement

On February 6, 2004, as an inducement to Boyd Gaming entering into the merger agreement, Boyd Gaming entered into a stockholders agreement with Messrs. Gaughan, Herbst and Toti, who, as of that date, owned in the aggregate approximately 56% of the outstanding shares of Coast Casinos common stock. Pursuant to the stockholders agreement, each of the stockholders party to the stockholders agreement has agreed to vote, or cause to be voted, the shares of Coast Casinos common stock owned by him in favor of the approval of the merger agreement and the merger. In addition, each of the stockholders party to the stockholders agreement has agreed to vote, or cause to be voted, the shares of Coast Casinos common stock owned by him against, and to not consent to, and cause those shares not to be consented to, any of the following:

any merger agreement or merger, other than the merger agreement entered into by Coast Casinos with Boyd Gaming and the merger of Coast Casinos with and into BGC, Inc., or any consolidation, combination, sale of substantial assets, joint venture, binding share exchange, reorganization, recapitalization, dissolution, liquidation or winding up of or by Coast Casinos;

any takeover proposal for Coast Casinos, as defined below under "The Merger Agreement - No Solicitation"; or

any amendment of the articles of incorporation or by-laws of Coast Casinos or other proposal, action or transaction involving Coast Casinos or any of its stockholders, which amendment or other proposal, action or transaction would reasonably be expected to in any manner impede, frustrate, interfere with, delay, prevent or nullify any provision of the merger agreement, the merger or any other transaction contemplated by the merger agreement or the consummation of the transactions contemplated by the stockholders agreement, or change in any manner the voting rights of any class of capital stock of Coast Casinos.

The stockholders party to the stockholders agreement have agreed not to take any action inconsistent with the agreements described in the immediately preceding sentence. In addition, pursuant to the stockholders agreement, each of the stockholders party to the stockholders agreement has granted to Boyd Gaming an irrevocable proxy to vote all of his shares of Coast Casinos common stock in the manner described in the immediately preceding paragraph.

The stockholders agreement also provides, among other things, that each of the stockholders party to the stockholders agreement will not:

sell, transfer, pledge, assign or otherwise dispose of, or consent to or permit any sale, transfer, pledge, assignment or other disposition, or enter into a contract, option or other arrangement with respect to any sale, transfer, pledge, assignment or other disposition of any of his shares of Coast Casinos common stock or any interest in those shares, to any person, except by operation of law in the merger;

enter into any voting arrangement, whether by proxy, voting agreement or otherwise, with respect to his shares of Coast Casinos common stock, other than the stockholders agreement; or

Edgar Filing: BOYD GAMING CORP - Form S-4/A

take any action which would, or could reasonably be expected to, result in a diminution of the voting power represented by any of his shares of Coast Casinos common stock.

Table of Contents

The stockholders party to the stockholders agreement have agreed not to commit or agree to take any of the actions described in the immediately preceding paragraph. In addition, the stockholders party to the stockholders agreement have agreed to waive any rights to dissent from the merger and to not commence or participate in, and to take all actions necessary to opt out of any class in any class action with respect to, any claim, derivative or otherwise, against Coast Casinos or any of its respective successors relating to the negotiation, execution and delivery of the stockholders agreement or the merger agreement or the consummation of the merger or any of the other transactions contemplated in the stockholders agreement or the merger agreement.

In addition, each of Messrs. Gaughan and Toti have agreed to enter into an additional stockholders agreement with Boyd Gaming and William S. Boyd regarding certain restrictions on the transfer of the shares of Boyd Gaming common stock to be received by him in the merger, including a right of first offer with respect to those shares of Boyd Gaming common stock in favor of Boyd Gaming first and then Mr. Boyd. Notwithstanding the foregoing, each of Messrs. Gaughan and Toti will be permitted to transfer the shares of Boyd Gaming common stock to be received by him in the merger to certain permitted transferees, including his estate.

The stockholders agreement will terminate upon the earliest of:

the effective time of the merger;

the termination of the merger agreement:

by mutual written consent of Boyd Gaming, BGC, Inc. and Coast Casinos;

by either Boyd Gaming or Coast Casinos if any governmental entity issues an order, decree or ruling or takes any other action, which action has become final and nonappealable, permanently enjoining, restraining or otherwise prohibiting the merger;

by either Boyd Gaming or Coast Casinos if the Boyd Gaming stockholders fail to approve the issuance of shares of Boyd Gaming common stock in the merger at the Boyd Gaming Meeting;

by Boyd Gaming if the aggregate number of shares of Boyd Gaming common stock required to be issued by Boyd Gaming in the merger in accordance with the terms described under "The Merger Agreement - Consideration to be Received in the Merger" would exceed 7,837,077 shares of Boyd Gaming common stock; or

by Coast Casinos if Boyd Gaming breaches or fails to perform in any material respect any of its representations, warranties or covenants in the merger agreement, which breach or failure to perform would give rise to a failure of a condition set forth in the merger agreement and which breach or failure to perform cannot be or has not been cured within 30 days after the giving of written notice to Boyd Gaming of such breach;

provided that Coast Casinos is not in breach of any of its obligations under the merger agreement and none of the stockholders party to the stockholders agreement are in breach of any of their obligations under the stockholders agreement; and

two years after the date of the stockholders agreement.

Governmental and Regulatory Matters

United States Antitrust

Under the HSR Act, and the rules that have been promulgated thereunder by the Federal Trade Commission, which is referred to as the FTC, certain acquisition transactions may not be consummated unless information has been furnished to the Antitrust Division of the United States Department of Justice, which is referred to as the Antitrust Division, and the FTC and waiting period requirements have been satisfied. The merger is subject to these requirements. Pursuant to the requirements of the HSR Act, Boyd Gaming completed the filing of the required Notification and Report Forms, which are referred to as the Forms, with the Antitrust Division and the

Table of Contents

FTC on March 5, 2004. Coast Casinos filed the Forms on March 5, 2004. Early termination of the statutory waiting period applicable to the merger pursuant to the HSR Act was granted by the FTC, effective as of March 17, 2004.

The Antitrust Division and the FTC frequently scrutinize the legality of transactions under the antitrust laws. At any time before or after the consummation of any such transaction, the Antitrust Division or the FTC could, notwithstanding termination of the waiting period, take any action under the antitrust laws as it deems necessary or desirable in the public interest, including seeking to enjoin the merger or seeking divestiture of Boyd Gaming's or Coast Casinos' assets. Private parties and State Attorneys General may also bring legal actions under the antitrust laws. Boyd Gaming is not obligated under the merger agreement to take specified actions, including disposing any of its assets or limiting its freedom of action with respect to any of its businesses, in order to obtain any consents, approvals, permits or authorizations or to remove any impediments to the merger relating to the HSR Act or other antitrust regulations. If, as a result of any such inaction on the part of Boyd Gaming, any necessary consent or approval is not obtained, each of Boyd Gaming and Coast Casinos will have the right to terminate the merger agreement. See The Merger Agreement Termination.

Boyd Gaming and Coast Casinos do not believe that the merger will violate U.S. Federal antitrust laws.

Gaming Regulation

The gaming operations of each of Boyd Gaming and Coast Casinos are subject to extensive regulation, and each of Boyd Gaming, Coast Casinos and their respective subsidiaries hold registrations, approvals, gaming licenses or permits in each jurisdiction in which it operates gaming activities. In each such jurisdiction, certain regulatory requirements must be complied with and/or certain approvals must be obtained in connection with the merger. Boyd Gaming's and Coast Casinos' respective obligations to consummate the merger are conditioned upon all necessary gaming regulatory approvals and authorizations having been obtained. See Risk Factors Risks Relating to the Merger Delay in regulatory approvals will delay and possibly prevent the merger.

The following is only a summary of the various applicable gaming regulatory requirements with respect to the merger and the respective operations of Boyd Gaming and Coast Casinos. For a complete description of such regulatory requirements, see Governmental Gaming Regulation in the Annual Report on Form 10-K for the fiscal year ended December 31, 2003 for Boyd Gaming and Nevada Regulation and Licensing in the Annual Report on Form 10-K for the fiscal year ended December 31, 2003 for Coast Casinos. See Chapter IV Additional Information. The failure to obtain the required approval of the merger and the issuance of shares of Boyd Gaming common stock or the failure to comply with the procedural requirements prescribed by any applicable gaming regulatory authority or the failure of Boyd Gaming or Coast Casinos to qualify or make disclosures or applications as required under the laws and regulations of any applicable gaming regulatory authority, in each case as described below or in the information incorporated by reference in this joint proxy statement/prospectus, may result in the loss of license or denial of application for licensure in any such jurisdiction.

Nevada Regulatory Approval. Boyd Gaming has filed an application with the Nevada State Gaming Control Board, which is referred to as the Nevada Control Board, for approval of the acquisition of control of Coast Casinos and will file related applications with all appropriate local jurisdictions. Nevada is the sole state jurisdiction in which Coast Casinos conducts gaming and Nevada therefore has primary jurisdiction for approval of the merger.

As described below, changes in control of Coast Casinos through merger, consolidation, stock or asset acquisitions, management or consulting agreements, or any act or conduct by a person whereby control is obtained, may not occur without the prior approval of the Nevada Gaming Commission, which is referred to as the Nevada Commission, acting upon the recommendation of the Nevada Control Board. Entities seeking to

Edgar Filing: BOYD GAMING CORP - Form S-4/A

acquire control of a registered, publicly traded gaming corporation must satisfy the Nevada Control Board and the Nevada Commission in a variety of stringent standards prior to assuming control of such registered, publicly

Table of Contents

traded gaming corporation. The Nevada Commission may also require controlling stockholders, executive officers, directors, and other persons having a material relationship or involvement with the entity proposing to acquire control to be investigated and licensed or found suitable as part of the approval process relating to the transaction. The merger requires the prior approval of the Nevada Commission.

The ownership and operation of casino gaming facilities in Nevada are subject to the Nevada Gaming Control Act and the regulations promulgated thereunder, which are referred to collectively as the Nevada Act, and various local regulations. Boyd Gaming's and Coast Casinos gaming operations are subject to the licensing and regulatory control of the Nevada Commission, the Nevada Control Board, the Cities of Las Vegas and Henderson, and the Clark County Liquor and Gaming Licensing Board. The Nevada Commission, the Nevada Control Board, the Cities of Las Vegas and Henderson, and the Clark County Liquor and Gaming Licensing Board are collectively referred to as the Nevada Gaming Authorities.

Boyd Gaming has been registered by the Nevada Commission as a publicly traded corporation found suitable to own the stock of California Hotel and Casino. California Hotel and Casino is licensed by the Nevada Gaming Commission and various of the local regulatory authorities to operate non-restricted gaming activities at the California and Sam's Town Hotel, Gambling Hall and Bowling Center, which is located in Las Vegas, Nevada, and is additionally registered as a holding corporation approved by the Nevada Commission and various local regulatory authorities to own the stock of Mare-Bear, Inc., the operator of the Stardust Resort and Casino, which is located in Las Vegas, Nevada, Sam-Will, Inc., the operator of the Fremont, Eldorado, Inc., the operator of the Eldorado Casino and Jokers Wild Casino, each of which is located in Henderson, Nevada, and M.S.W., Inc., the operator of Main Street Station. Similarly, Coast Casinos has been registered as a publicly traded corporation and found suitable by the Nevada Commission and various local regulatory authorities to own the stock of Coast Hotels. Coast Hotels is licensed and approved by the Nevada Gaming Authorities to own and operate each of the Gold Coast, the Barbary Coast, The Orleans, the Suncoast, and to conduct non-restricted gaming operations (sports pool only) at the Union Plaza Hotel and Casino and at Renata's Club-Sports Pool. All of the foregoing are hereinafter collectively referred to as the Gaming Subsidiaries. The gaming licenses held by each of the respective Gaming Subsidiaries require the payment of fees and taxes and are not transferable. Each of Boyd Gaming and Coast Casinos is registered by the Nevada Commission as a publicly traded corporation and, as such, is required periodically to submit detailed financial and operating reports to the Nevada Commission and to furnish any other information which the Nevada Commission may require. Each of Boyd Gaming and Coast Casinos has obtained from the Nevada Gaming Authorities the various registrations, approvals, findings of suitability, permits and licenses required in order to engage in gaming activities in Nevada.

The Nevada Gaming Authorities may investigate any individual who has a material relationship to, or material involvement with, Boyd Gaming, Coast Casinos or the Gaming Subsidiaries in order to determine whether such individual is suitable or should be licensed as a business associate of a gaming licensee. Officers, directors, and certain key employees of Boyd Gaming, Coast Casinos and the Gaming Subsidiaries must file applications with the Nevada Gaming Authorities and may be required to be licensed or found suitable by the Nevada Gaming Authorities. Officers, directors, and key employees who are actively and directly involved in gaming activities of Boyd Gaming or Coast Casinos may be required to be licensed or found suitable by the Nevada Gaming Authorities. Mr. Gaughan will be required to be individually found suitable to own the stock of Boyd Gaming that he will acquire in the merger, and as an executive and director of Boyd Gaming. The Nevada Gaming Authorities may deny an application for licensing for any cause that they deem reasonable. A finding of suitability is comparable to licensing, and both require submission of detailed personal and financial information followed by a thorough investigation. The applicant for licensing or a finding of suitability must pay all the costs of the investigation. Changes in licensed positions must be reported to the Nevada Gaming Authorities and, in addition to their authority to deny an application for a finding of suitability or licensure, the Nevada Gaming Authorities have jurisdiction to disapprove a change in a corporate position.

If the Nevada Gaming Authorities were to find an officer, director or key employee unsuitable for licensing or unsuitable to continue having a relationship with Boyd Gaming, Coast Casinos or the Gaming Subsidiaries,

Table of Contents

that entity would have to sever all relationships with such person. In addition, the Nevada Gaming Commission may require Boyd Gaming, Coast Casinos or the Gaming Subsidiaries to terminate the employment of any person who refuses to file appropriate applications. Determinations of suitability or of questions pertaining to licensing are not subject to judicial review in Nevada.

Neither Boyd Gaming nor Coast Casinos may make a public offering of its securities without the prior approval of the Nevada Commission if the securities or the proceeds therefrom are intended to be used to construct, acquire, or finance gaming facilities in Nevada, or retire or extend obligations incurred for such purposes. The Nevada Commission has previously granted Boyd Gaming approval to make offerings for a period through September 2005, subject to certain conditions, which is referred to as the Boyd Gaming Shelf Approval. However, the Boyd Gaming Shelf Approval may be rescinded for good cause without prior notice upon the issuance of an interlocutory stop order by the Chairman of the Nevada Control Board. Such approval does not constitute a finding, recommendation or approval by the Nevada Commission or the Nevada Control Board as to the accuracy or adequacy of the prospectus or the investment merits of the securities. Any representation to the contrary is unlawful. The issuance of Boyd Gaming common stock in connection with the acquisition of control of Coast Casinos will be made pursuant to the Boyd Gaming Shelf Approval.

Additional Gaming Regulations. Boyd Gaming is also subject to a variety of gaming regulations in the other jurisdictions in which it operates, which include Illinois, Indiana, Louisiana, Mississippi and New Jersey. Certain of the gaming regulatory authorities in these jurisdictions may require approval of certain aspects of the merger and the other transactions contemplated by the merger agreement, either prior to or after the effective date of the merger, including, without limitation:

in Illinois, prior approval of the financing of the merger and approval of Mr. Gaughan as a holder of 5% or more of the shares of Boyd Gaming common stock following the consummation of the merger;

in Indiana, notification of the offering of shares of Boyd Gaming common stock in the merger, prior approval of the financing of the merger and approval of Mr. Gaughan as a holder of 5% or more of the shares of Boyd Gaming common stock following the consummation of the merger;

in Louisiana, prior approval of the financing of the merger, of Mr. Gaughan as a holder of 5% or more of the shares of Boyd Gaming common stock and, subsequent to their appointment, of Mr. Gaughan and his two designees to the Boyd Gaming board of directors;

in Mississippi, approval of the financing of the merger and a finding of suitability of Mr. Gaughan as a holder of 5% or more of the shares of Boyd Gaming common stock following the consummation of the merger; and

in New Jersey, qualification of Mr. Gaughan as a holder of 5% or more of the shares of Boyd Gaming common stock and qualification of any new members of the Boyd Gaming board of directors following consummation of the merger; *provided, however*, if the merger is consummated prior to the New Jersey re-licensing of Marina District Development Company, LLC, owner of 50% of Borgata Hotel & Casino, which is expected in June, such qualification must be completed on or before such re-licensing.

A full description of these gaming regulations can be found under Governmental Gaming Regulation in the Annual Report on Form 10-K for the fiscal year ended December 31, 2003 for Boyd Gaming, which is incorporated by reference into this joint proxy statement/prospectus. See Chapter IV Additional Information.

Boyd Gaming intends to make all filings with the appropriate regulatory authorities and take all other actions necessary, in each case in a timely manner, to obtain the approvals necessary under all applicable gaming regulations in each of these jurisdictions in order to consummate the merger and the other transactions contemplated by the merger agreement.

U.S. Federal Income Tax Consequences of the Merger

The following discussion is the opinion of Cravath, Swaine & Moore LLP and Gibson, Dunn & Crutcher LLP, advisors to Boyd Gaming and Coast Casinos, respectively, as to the material U.S. Federal income tax consequences of the merger to Coast Casinos stockholders. This discussion is based on the Internal Revenue Code, the related Treasury regulations, administrative interpretations and court decisions, all of which are subject to change, possibly with retroactive effect. Any such change could affect the accuracy of the statements and the conclusions discussed below and the tax consequences of the merger. This discussion applies only to Coast Casinos stockholders that hold their shares of Coast Casinos common stock, and will hold the shares of Boyd Gaming common stock, if any, received in exchange for their shares of Coast Casinos common stock, as capital assets within the meaning of Section 1221 of the Internal Revenue Code. This discussion does not address all U.S. Federal income tax consequences of the merger that may be relevant to particular holders, including holders that are subject to special tax rules. Some examples of holders that are subject to special tax rules are:

dealers in securities;

financial institutions;

insurance companies;

tax-exempt organizations;

holders of shares of Coast Casinos stock as part of a position in a straddle or as part of a hedging or conversion transaction;

holders who have a functional currency other than the U.S. dollar;

holders who are foreign persons;

holders who own their shares indirectly through partnerships, trusts or other entities that may be subject to special treatment; and

holders who acquired their shares of Coast Casinos common stock through stock option or stock purchase programs or otherwise as compensation.

In addition, this discussion does not address any consequences arising under the laws of any state, local or foreign jurisdiction. Coast Casinos stockholders are urged to consult their own tax advisors as to specific tax consequences to them of the merger, including the applicability and effect of any state, local or foreign tax laws and of changes in applicable tax laws.

Cravath Swaine & Moore LLP and Gibson, Dunn & Crutcher LLP have issued opinions to Boyd Gaming and Coast Casinos, respectively, to the effect that the merger will qualify as a reorganization under Section 368(a) of the Internal Revenue Code and that Boyd Gaming, BGC, Inc. and Coast Casinos will each be a party to that reorganization under Section 368(b) of the Internal Revenue Code. In addition, the obligations of Boyd Gaming and Coast Casinos to complete the merger are conditioned upon the reissuance of such opinions as of the closing date of the merger. These opinions of counsel have and will be given in reliance on customary representations of Boyd Gaming and Coast Casinos and assumptions as to certain factual matters. The opinions of counsel will not bind the courts or the Internal Revenue Service, nor will they preclude the Internal

Edgar Filing: BOYD GAMING CORP - Form S-4/A

Revenue Service from adopting a position contrary to those expressed in the opinions. No assurance can be given that contrary positions will not successfully be asserted by the Internal Revenue Service or adopted by a court if the issues are litigated. Neither Boyd Gaming nor Coast Casinos intends to obtain a ruling from the Internal Revenue Service with respect to the U.S. Federal income tax consequences of the merger.

The following are the material U.S. Federal income tax consequences to Coast Casinos stockholders who, consistent with the opinions of counsel referred to above, receive their cash and shares of Boyd Gaming common stock pursuant to a transaction constituting a reorganization within the meaning of Section 368(a) of the Internal Revenue Code.

Table of Contents

The U.S. Federal income tax consequences of the merger to each Coast Casinos stockholder will vary depending on whether the Coast Casinos stockholder receives cash, shares of Boyd Gaming common stock or a combination of cash and stock in exchange for the stockholder's shares of Coast Casinos common stock. At the time that a Coast Casinos stockholder who has the right to elect to receive cash or shares of Boyd Gaming common stock in the merger makes such an election, the stockholder will not know if, and to what extent, the proration procedures will alter the mix of consideration to be received. As a result, the tax consequences to each stockholder will not be ascertainable with certainty until the stockholder knows the precise amount of cash or shares of Boyd Gaming common stock that he or she will receive in the merger.

Holders who Exchange Shares of Coast Casinos Common Stock Solely for Cash. Holders of Coast Casinos common stock who exchange all their shares of Coast Casinos common stock solely for cash in the merger will generally recognize gain or loss equal to the difference between the amount of cash received and the tax basis of the shares of Coast Casinos common stock exchanged. The amount and character of gain or loss will be computed separately for each block of Coast Casinos common stock that was purchased by the holder. Any recognized gain or loss will be capital gain or loss and any such capital gain or loss will be long term if, as of the effective time of the merger, such stockholder has held the shares of Coast Casinos common stock for more than one year or will be short term if, as of the effective time of the merger, such stockholder has held the shares of Coast Casinos common stock for one year or less.

Holders who Exchange Shares of Coast Casinos Common Stock Solely for Boyd Gaming Common Stock. Holders of Coast Casinos common stock who exchange all of their shares of Coast Casinos common stock solely for shares of Boyd Gaming common stock in the merger will not recognize gain or loss for U.S. Federal income tax purposes, except with respect to cash, if any, they receive in lieu of a fractional share of Boyd Gaming common stock. Each holder's aggregate tax basis in the Boyd Gaming common stock received in the merger will be the same as his or her aggregate tax basis in the Coast Casinos common stock surrendered in the merger, decreased by the amount of any tax basis allocable to any fractional share interest for which cash is received. The holding period of the Boyd Gaming common stock received in the merger by a holder of Coast Casinos common stock will include the holding period of Coast Casinos common stock that he or she surrendered in the merger. If a Coast Casinos stockholder has differing tax bases and/or holding periods in respect of the stockholder's shares of Coast Casinos common stock, the stockholder should consult with a tax advisor in order to identify the tax bases and/or holding periods of the particular shares of Boyd Gaming common stock that the stockholder receives.

Holders who Exchange Shares of Coast Casinos Common Stock for Boyd Gaming Common Stock and Cash. Coast Casinos stockholders who exchange shares of Coast Casinos common stock for a combination of shares of Boyd Gaming common stock and cash will recognize gain, but not loss, in the merger. The gain, if any, recognized will equal the lesser of:

the amount of cash received in the merger; and

the amount of gain realized in the merger.

The amount of gain that is realized in the merger will equal the excess of:

the sum of the cash plus the fair market value of the Boyd Gaming common stock received in the merger, over

the tax basis of the shares of Coast Casinos common stock surrendered in the merger.

For this purpose, a Coast Casinos stockholder must calculate gain or loss separately for each identifiable block of shares of Coast Casinos common stock that such stockholder surrenders pursuant to the merger, and a Coast Casinos stockholder cannot offset a loss recognized on one

Edgar Filing: BOYD GAMING CORP - Form S-4/A

block of such shares of Coast Casinos common stock against a gain recognized on another block of such shares of Coast Casinos common stock. Any gain recognized generally will be treated as capital gain, except that if the stockholder receives cash in the merger, the

Table of Contents

stockholder's gain could be treated as a dividend if the receipt of the cash has the effect of the distribution of a dividend for U.S. Federal income tax purposes under Sections 302 and 356 of the Internal Revenue Code. The aggregate tax basis in the Boyd Gaming common stock received pursuant to the merger, including the basis in any fractional share for which cash is received, will be equal to the aggregate tax basis in the Coast Casinos common stock surrendered in the merger, decreased by the amount of cash received and increased by the amount of gain, if any, recognized or any amount treated as a dividend. The holding period of the Boyd Gaming common stock received in the merger by a Coast Casinos stockholder will include the holding period of Coast Casinos common stock that he or she surrendered in exchange therefor. Cash received and gain realized in connection with the receipt of cash in lieu of a fractional share of common stock are not taken into account in making the computations of gain realized or recognized and basis in the shares received. Rather, such cash and gain are treated as described below.

The Receipt of Cash in Lieu of a Fractional Share. A holder of Coast Casinos common stock who receives cash in lieu of a fractional share of Boyd Gaming common stock will generally recognize gain or loss equal to the difference between the amount of cash received and his or her tax basis in the Boyd Gaming common stock that is allocable to the fractional share. That gain or loss generally will constitute capital gain or loss.

Tax Consequences if the Merger Does Not Qualify as a Reorganization under Section 368(a) of the Internal Revenue Code. If the Internal Revenue Service determines successfully that the acquisition of Coast Casinos does not qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code, Coast Casinos stockholders would be required to recognize gain or loss with respect to each share of Coast Casinos common stock surrendered in the merger in an amount equal to the difference between:

the sum of the fair market value of any Boyd Gaming common stock and cash received in the merger; and

the tax basis of the shares of Coast Casinos common stock surrendered in exchange therefor.

The amount and character of gain or loss will be computed separately for each block of Coast Casinos common stock that was purchased by the Coast Casinos stockholder. A Coast Casinos stockholder's aggregate tax basis in the Boyd Gaming common stock received in the merger would, in this case, equal its fair market value at the time of the closing of the merger, and the holding period for the Boyd Gaming common stock will begin the day after the closing of the merger.

If, as a result of a decline in the sale price of a share of Boyd Gaming common stock between the date of the merger agreement and the anticipated closing date of the merger, the number of shares of Boyd Gaming common stock required to be issued in the merger to the minority stockholders to ensure that the merger qualifies as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code exceeds 7,837,077 shares of Boyd Gaming common stock, then Boyd Gaming will have the right to terminate the merger agreement. For a full description of the adjustment of merger consideration for tax reasons, including a description of Boyd Gaming's right to terminate the merger agreement, see The Merger Agreement Consideration to be Received in the Merger Adjustments to the Merger Consideration and Proration and The Merger Agreement Termination.

Information Reporting and Backup Withholding. Certain U.S. stockholders may be subject to information reporting with respect to the cash received in exchange for Coast Casinos common stock, including cash received in lieu of a fractional share interest in shares of Boyd Gaming common stock. U.S. stockholders who are subject to information reporting and who do not provide appropriate information when requested may also be subject to backup withholding. Any amount withheld under such rules is not an additional tax and may be refunded or credited against such U.S. stockholder's U.S. Federal income tax liability, provided that the required information is properly furnished in a timely manner to the Internal Revenue Service.

Dissenters' Rights of Coast Casinos Stockholders

Under Chapter 92A of the NRS, dissenters' rights are available to a corporation's stockholders in connection with certain mergers and consolidations. A Coast Casinos stockholder who follows the procedures specified in NRS Sections 92A.300 through 92A.500, inclusive, is entitled to dissent from the merger and obtain payment of the fair value of his or her shares of Coast Casinos common stock in lieu of the merger consideration. In order to exercise dissenters' rights, a stockholder must demand and perfect the rights in accordance with NRS Chapter 92A. The following summarizes provisions of Chapter 92A of the NRS regarding dissenters' rights that would be applicable in connection with the merger. This discussion is qualified in its entirety by reference to NRS Sections 92A.300 to 92A.500, inclusive. Annex D to this joint proxy statement/prospectus contains a copy of NRS Sections 92A.300 through 92A.500, inclusive. If you fail to take any action required by Nevada law, your rights to dissent in connection with the merger will be waived or terminated.

If a Coast Casinos stockholder elects to exercise his or her dissenters' rights, the stockholder must:

file with Coast Casinos, prior to the vote seeking approval of the merger agreement and the merger, a written notice of the stockholder's intent to demand payment for his or her shares if the merger is effectuated; and

not vote in favor of approving the merger agreement and the merger.

A beneficial stockholder of Coast Casinos stock may assert dissenters' rights as to shares held on the stockholder's behalf only if the stockholder submits to Coast Casinos the written consent of the stockholder of record to the dissent not later than the time the beneficial stockholder asserts dissenters' rights and the beneficial stockholder does so with respect to all shares of which he or she is the beneficial stockholder or over which he or she has the power to direct the vote. A stockholder of record may assert dissenters' rights as to fewer than all of the shares registered in his or her name only if the stockholder dissents with respect to all shares beneficially owned by any one person and notifies Coast Casinos in writing of the name and address of each person on whose behalf the stockholder of record asserts dissenters' rights. The rights of a partial dissenter under NRS Chapter 92A are determined as if the Coast Casinos shares as to which the stockholder of record dissents and such stockholder's other Coast Casinos shares were registered in the names of different stockholders.

A Coast Casinos stockholder who satisfies the requirements of the two preceding paragraphs is referred to as a dissenter. All notices of intent to demand dissenters' rights should be addressed to Coast Casinos, Attn: Corporate Secretary at 4500 West Tropicana Avenue, Las Vegas, Nevada 89103, before the vote is taken on the merger agreement and the merger at the Coast Casinos Meeting, and should be executed by, or on behalf of, the holder of record. Such demand reasonably must inform Coast Casinos of the identity of the stockholder and that such stockholder intends to demand appraisal of such stockholder's shares of Coast Casinos common stock. After the effective time of the merger, any notices or demands relating to dissenters' rights should be sent to the new Coast Casinos, Inc., Attn: Corporate Secretary at 4500 West Tropicana Avenue, Las Vegas, Nevada 89103.

Within 10 days after the effective time of the merger, the new Coast Casinos, Inc. will send notice of the effective time of the merger and the availability of dissenters' rights to each dissenter. The notice will:

state where the demand for payment must be sent and where and when certificates for Coast Casinos shares are to be deposited;

supply a form for demanding payment;

set a date by which the new Coast Casinos, Inc. must receive the demand for payment, which may not be less than 30 nor more than 60 days after the date the notice is delivered; and

be accompanied by a copy of NRS Sections 92A.300 through 92A.500, inclusive.

A dissenter must, by the date set forth in the dissenter's notice described above:

demand payment;

Table of Contents

certify whether the stockholder or the beneficial owner on whose behalf the stockholder is dissenting, as the case may be, acquired beneficial ownership of the shares before the date of the first announcement to the news media or to the stockholders of the terms of the merger; and

deposit his or her certificates in accordance with the terms of the dissenter's notice.

Coast Casinos stockholders who do not demand payment or deposit their certificates where required, each by the date set forth in the dissenter's notice, will not be entitled to demand payment for their shares under Nevada law governing dissenters' rights.

Within 30 days after receipt of a demand for payment, the new Coast Casinos, Inc. will pay each dissenter who complied with NRS Section 92A.440 the amount that the new Coast Casinos, Inc. estimates to be the fair value of the shares, plus accrued interest. The payment will be accompanied by:

Coast Casinos' balance sheet as of the end of a fiscal year ending not more than 16 months before the date of payment, a statement of income for that fiscal year, a statement of changes in stockholders' equity for that fiscal year and the latest available interim financial statements, if any;

a statement of the new Coast Casinos, Inc.'s estimate of the fair value of the shares;

an explanation of how the interest was calculated;

a statement of the dissenter's rights to demand payment under NRS Section 92A.480; and

a copy of NRS Sections 92A.300 through 92A.500, inclusive.

The new Coast Casinos, Inc. may elect to withhold payment from a dissenting stockholder if such stockholder became the beneficial owner of the shares on or after the date of the first announcement to the news media or to the stockholders of the proposed terms of the merger. To the extent the new Coast Casinos, Inc. elects to withhold payment, after effectuating the merger, it will estimate the fair value of the shares, plus accrued interest, and will offer to pay this amount to each dissenter who agrees to accept it in full satisfaction of the stockholder's demand. The new Coast Casinos, Inc. will send with its offer:

a statement of the new Coast Casinos, Inc.'s estimate of the fair value of the shares;

an explanation of how the interest was calculated; and

a statement of dissenters' rights to demand payment pursuant to NRS Section 92A.480.

A dissenter may notify Coast Casinos in writing of the dissenter's own estimate of the fair value of the shares and interest due, and demand payment of his or her estimate, less the new Coast Casinos, Inc.'s fair value payment, or, in the case where payment to an after-acquiring dissenter has been withheld, reject the offer for payment made by the new Coast Casinos, Inc. and demand payment of the fair value of the

Edgar Filing: BOYD GAMING CORP - Form S-4/A

dissenter's shares and interest due if the dissenter believes that the amount paid or offered is less than the fair value of the dissenter's shares or that the interest due is incorrectly calculated. A dissenter waives his right to demand such payment unless the dissenter notifies the new Coast Casinos, Inc. of his demand in writing within 30 days after the new Coast Casinos, Inc. made or offered payment for the dissenter's shares.

If a demand for payment remains unsettled, the new Coast Casinos, Inc. will commence a proceeding within 60 days after receiving the demand for payment and petition the court of proper jurisdiction to determine the fair value of the shares of Coast Casinos common stock and accrued interest. If the new Coast Casinos, Inc. does not commence the proceeding within the 60-day period, it will be required to pay each dissenter whose demand remains unsettled the amount demanded.

Each dissenter who is made a party to the proceeding is entitled to a judgment:

for the amount, if any, by which the court finds the fair value of the dissenter's shares, plus interest, exceeds the amount paid by the new Coast Casinos, Inc.; or

for the fair value, plus accrued interest, of the dissenter's after-acquired shares for which the new Coast Casinos, Inc. elected to withhold payment pursuant to Nevada law.

Table of Contents

Under NRS Chapter 92A, the fair value of a dissenter's shares of Coast Casinos common stock means the value of the shares immediately before the consummation of the merger, excluding any appreciation or depreciation in value in anticipation of the merger, unless excluding such appreciation or depreciation would be inequitable.

The court will determine all of the costs of the proceeding, including the reasonable compensation and expenses of any appraisers appointed by the court. The court will assess the costs against the new Coast Casinos, Inc., except that the court may assess costs against all or some of the dissenters, in the amounts the court finds equitable, to the extent that the court finds the dissenters acted arbitrarily, vexatiously or not in good faith in demanding payment. The court may also assess the fees and expenses of the counsel and experts for the respective parties, in amounts the court finds equitable:

against Coast Casinos and in favor of all dissenters if the court finds the new Coast Casinos, Inc. did not substantially comply with NRS Sections 92A.300 through 92A.500, inclusive; or

against either the new Coast Casinos, Inc. or a dissenter in favor of any other party, if the court finds that the party against whom the fees and expenses are assessed acted arbitrarily, vexatiously or not in good faith with respect to the dissenters' rights provided by NRS Sections 92A.300 through 92A.500, inclusive.

If the court finds that the services of counsel for any dissenter were of substantial benefit to other dissenters similarly situated, and that the fees for those services should not be assessed against the new Coast Casinos, Inc., the court may award to those counsel reasonable fees to be paid out of the amounts awarded to the dissenters who were benefited.

If a proceeding is commenced because the new Coast Casinos, Inc. did not pay each dissenter who complied with the procedures described by the Nevada dissenters' rights statute the amount the new Coast Casinos, Inc. estimated to be the fair value of the shares, plus accrued interest, within 30 days after receipt of a valid demand for payment, the court may assess costs against the new Coast Casinos, Inc., except that the court may assess costs against all or some of the dissenters who are parties to the proceeding, in amounts the court finds equitable, to the extent the court finds that such parties did not act in good faith in instituting the proceeding. The assessment of costs and fees, if any, may also be affected by Nevada law governing offers of judgment.

The foregoing summary of the rights of dissenting Coast Casinos stockholders does not purport to be a complete statement of such rights and the procedures to be followed by stockholders desiring to exercise any available dissenters' rights. The preservation and exercise of dissenters' rights require strict adherence to NRS Sections 92A.300 through 92A.500, inclusive, a copy of which is attached as Annex D to this joint proxy statement/prospectus.

Notwithstanding the foregoing, Messrs. Gaughan, Herbst and Toti have agreed in the stockholders agreement to waive any rights that they have to dissent from the merger, as described above under "Stockholders Agreement." In addition, the Boyd Gaming stockholders will not have dissenters' rights under Nevada law as a result of the merger.

Plans for Coast Casinos After the Merger

Edgar Filing: BOYD GAMING CORP - Form S-4/A

After the effective time of the merger, Boyd Gaming anticipates that Coast Casinos will continue its current operations, except that it will cease to be an independently owned company and will instead be a wholly owned subsidiary of Boyd Gaming. After the effective time of the merger, the directors of BGC, Inc. immediately prior to the effective time of the merger, together with Mr. Gaughan, will become the directors of the new Coast Casinos, Inc., and the officers of Coast Casinos immediately prior to the effective time of the merger will become the officers of the new Coast Casinos, Inc., in each case until the earlier of their resignation or removal or until their respective successors are duly elected or appointed and qualified, as the case may be.

Table of Contents

Except as set forth in this joint proxy statement/prospectus, neither Boyd Gaming nor, to the best of Boyd Gaming's knowledge, any of its directors, executive officers or other affiliates had any transactions with Coast Casinos or any of its directors, executive officers or other affiliates that would require disclosure under the rules and regulations of the SEC applicable to this joint proxy statement/prospectus. Except as set forth in this joint proxy statement/prospectus, neither Coast Casinos, nor, to the best of Coast Casinos' knowledge, any of its directors, executive officers or other affiliates had any transactions with Boyd Gaming or any of its directors, executive officers or other affiliates that would require disclosure under the rules and regulations of the SEC applicable to this joint proxy statement/prospectus. As of the date of this joint proxy statement/prospectus, Boyd Gaming does not own any shares of Coast Casinos common stock.

Accounting Treatment

Boyd will account for the merger under the purchase method of accounting for business combinations under accounting principles generally accepted in the United States of America, which means that the assets and liabilities of Coast Casinos will be recorded, as of the completion of the merger, at their fair values and added to those of Boyd Gaming.

Deregistration of Coast Casinos Common Stock

Upon consummation of the merger, shares of Coast Casinos common stock will be deregistered under the Securities Exchange Act of 1934, which is referred to as the Exchange Act.

Listing of Boyd Gaming Common Stock

Boyd Gaming common stock currently is listed on the New York Stock Exchange under the symbol BYD. Boyd Gaming has agreed in the merger agreement to use all reasonable efforts to cause the shares of Boyd Gaming common stock to be issued in the merger to be approved for listing on the New York Stock Exchange, subject to official notice of issuance, prior to the closing date of the merger. Listing of these shares of Boyd Gaming common stock on the New York Stock Exchange, subject to official notice of issuance, is a condition to closing the merger.

Impact of Increased Indebtedness on Dividends

Boyd Gaming's outstanding debt will increase following the merger. See Risk Factors Risks Relating to the Merger Boyd Gaming will have more indebtedness after the merger, which could adversely affect its cash flows and business. In connection with the Financing and Boyd Gaming's existing indebtedness, Boyd Gaming will be required to remain compliant with the covenants that limit Boyd Gaming's ability to pay dividends on Boyd Gaming common stock.

The increased debt could prevent Boyd Gaming's payment of dividends if such payment would cause a breach of the covenants in Boyd Gaming's debt instruments. Boyd Gaming will be party to a bank credit facility that contains customary conditions to borrowing, including compliance with certain financial covenants. Under the bank credit facility, Boyd Gaming's ability to pay dividends will depend on maintaining compliance with such covenants after giving effect to the payment of dividends.

THE MERGER AGREEMENT

The following description of the material provisions of the merger agreement is qualified by reference to the text of the Agreement and Plan of Merger dated as of February 6, 2004, as amended, among Boyd Gaming, BGC, Inc. and Coast Casinos, a copy of which is attached as Annex A and is incorporated by reference in this joint proxy statement/prospectus. All Boyd Gaming stockholders and Coast Casinos stockholders are encouraged to read the Agreement and Plan of Merger in its entirety for a more complete description of the terms and conditions to the merger.

The Merger

At the effective time of the merger, Coast Casinos will be merged with and into BGC, Inc., a direct wholly owned subsidiary of Boyd Gaming. BGC, Inc. will continue as the surviving corporation. The articles of incorporation of BGC, Inc. will be amended at the effective time to change the name of the surviving corporation to Coast Casinos, Inc. BGC, Inc. was created solely for the purpose of the merger and has no material assets or operations of its own.

Closing and Effective Time of the Merger

The closing of the merger will take place on the second business day following the satisfaction or waiver of the conditions described below under Conditions to the Merger, unless Boyd Gaming and Coast Casinos agree in writing to another time.

The merger will become effective at the time the articles of merger are filed with the Nevada Secretary of State, or at a later time agreed to by Boyd Gaming and Coast Casinos in the articles of merger. The articles of merger will be filed by BGC, Inc. on the closing date of the merger.

Directors and Officers of the Surviving Corporation

At the effective time of the merger, the directors of BGC, Inc. immediately prior to the effective time of the merger, together with Mr. Gaughan, will become the directors of the new Coast Casinos, Inc., and the officers of Coast Casinos immediately prior to the effective time of the merger will become the officers of the new Coast Casinos, Inc., in each case until the earlier of their resignation or removal or until their respective successors are duly elected or appointed and qualified, as the case may be.

Consideration to be Received in the Merger

General

Edgar Filing: BOYD GAMING CORP - Form S-4/A

The merger agreement provides that at the effective time of the merger, each issued and outstanding share of Coast Casinos common stock held by Messrs. Gaughan and Toti will be converted into the right to receive 32.8025 shares of Boyd Gaming common stock. In addition, the merger agreement provides that at the effective time of the merger, each issued and outstanding share of Coast Casinos common stock held by Mr. Herbst will be converted into the right to receive \$550 in cash.

The merger agreement provides that at the effective time of the merger, each issued and outstanding share of Coast Casinos common stock held by a minority stockholder will be converted into the right to receive, at the election of the minority stockholder, and subject to limitations described below under Consideration to be Received in the Merger Adjustments to the Merger Consideration and Proration, 32.8025 shares of Boyd Gaming common stock. Shares of Coast Casinos common stock with respect to which an election has not been made by a minority stockholder will be converted into the right to receive \$550 in cash per share of Coast Casinos common stock. If, between the date of the merger agreement and the effective time of the merger, the

Table of Contents

outstanding shares of Boyd Gaming common stock are changed into a different number of shares or a different class by reason of any reclassification, recapitalization, split-up, combination, exchange of shares or readjustment, or a stock dividend on shares of Boyd Gaming common stock is declared with a record date between the date of the merger agreement and the effective time of the merger, the exchange ratio with respect to stock consideration received in the merger will be correspondingly adjusted.

Adjustments to the Merger Consideration and Proration

The merger has been structured, and adjustments to the elections of the minority stockholders will be made by the exchange agent, so that the maximum aggregate number of shares of Boyd Gaming common stock to be issued to minority stockholders does not exceed 1,009,194 shares, which amount is referred to as the target stock amount, and the maximum aggregate amount of cash to be paid to minority stockholders does not exceed \$336,170,276.20, which amount is referred to as the cash cap. However, if, on the second business day following the satisfaction or waiver of all conditions to the merger described below under Conditions to the Merger, which date is referred to as the Date of Determination, the merger would not qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code solely by reason of the average of the high and low sale price of a share of Boyd Gaming common stock on the New York Stock Exchange on the Date of Determination, then the target stock amount, and the exchange ratio with respect to those shares of Boyd Gaming common stock to be issued to minority stockholders, will be increased and the cash cap, and the amount of cash to be exchanged per share of Coast Casinos common stock, will be decreased, in each case in an amount sufficient to provide that, on the closing date:

40% of the aggregate amount of all merger consideration, including consideration offered to Coast Casinos stockholders other than the minority stockholders, will consist of shares of Boyd Gaming common stock, with the value of each share of Boyd Gaming common stock being the average of the high and low sale price of a share of Boyd Gaming common stock on the New York Stock Exchange on the Date of Determination; and

the value of the merger consideration payable in respect of each share of Coast Casinos common stock held by a minority stockholder will be equal to \$550.

If, after this adjustment, the target stock amount would exceed 7,837,077 shares of Boyd Gaming common stock, then Boyd Gaming will have the right to terminate the merger agreement as described below under Termination.

If the aggregate number of shares of Boyd Gaming common stock elected by minority stockholders exceeds the target stock amount, as adjusted, then the exchange agent will allocate, pro rata to those minority stockholders making the election for stock consideration in accordance with the number of shares of Coast Casinos common stock with respect to which they elect to receive stock consideration, a sufficient number of shares of Coast Casinos common stock to be converted into cash consideration instead of stock consideration so that the aggregate number of shares of Boyd Gaming common stock issued to the minority stockholders equals approximately the target stock amount (subject to the rounding mechanics of the proration provisions of the merger agreement), as adjusted in accordance with the terms of the merger agreement.

If the aggregate amount of cash to be paid to minority stockholders following the election exceeds the cash cap, as adjusted, then the exchange agent will allocate, pro rata to those minority stockholders not making an election for stock consideration in accordance with the number of shares of Coast Casinos common stock with respect to which they are not making an election to receive stock consideration, a sufficient number of shares of Coast Casinos common stock to be converted into stock consideration instead of cash consideration so that the aggregate amount of cash to be paid to minority stockholders equals approximately the cash cap (subject to the rounding mechanics of the proration provisions of the merger agreement), as adjusted in accordance with the terms of the merger agreement.

Edgar Filing: BOYD GAMING CORP - Form S-4/A

As a result of this proration feature, in most cases, the form of merger consideration actually received by a minority stockholder will differ in part from the form of consideration that the minority stockholder elects to receive.

Dissenters' Shares

If the payment by Coast Casinos or the new Coast Casinos, Inc. to dissenting stockholders of Coast Casinos, as further described above under "The Merger," has the effect of reducing the fair market value of the assets of Coast Casinos acquired in the merger below 90% of the fair market value of the net assets, or 70% of the fair market value of the gross assets, of Coast Casinos immediately prior to the effective time of the merger, taking into account any other payments or distributions made by Coast Casinos in connection with the merger, Boyd Gaming, in lieu of Coast Casinos or the new Coast Casinos, Inc., as the case may be, will pay to the dissenting stockholders that portion of the payment equal to the excess of:

the total amount to be paid to the dissenting stockholders by Coast Casinos or the new Coast Casinos, Inc., as the case may be, over

the maximum amount payable to dissenting stockholders by Coast Casinos or the new Coast Casinos, Inc., as the case may be, so that the payment would not reduce the fair market value of the assets of Coast Casinos acquired by Boyd Gaming below 90% of the fair market value of the net assets, or 70% of the fair market value of the gross assets, of Coast Casinos immediately prior to the effective time of the merger, taking into account any other payments or distributions made by Coast Casinos in connection with the merger.

If, after this payment is made to the dissenting stockholders, the aggregate value of all shares of Boyd Gaming common stock issued in the merger, with the value of each share of Boyd Gaming common stock being the average of the high and low sale price of a share of Boyd Gaming common stock on the New York Stock Exchange on the Date of Determination, does not equal at least 40% of the aggregate value of all merger consideration, then Boyd Gaming will issue sufficient additional shares of Boyd Gaming common stock on a pro rata basis to all minority stockholders, other than dissenting stockholders, so that the aggregate value of all shares of Boyd Gaming common stock:

issued to Coast Casinos stockholders, other than dissenting stockholders, in the merger, with the value of each share of Boyd Gaming common stock being the average of the high and low sale price of a share of Boyd Gaming common stock on the New York Stock Exchange on the Date of Determination, and

issued to Coast Casinos stockholders on a pro rata basis in the merger pursuant to this paragraph, with the value of each share of Boyd Gaming common stock being the lower of the average of the high and low sale price of a share of Boyd Gaming common stock on the New York Stock Exchange on the Date of Determination or the date of issuance of that share of Boyd Gaming common stock,

equals 40% of the aggregate value of all merger consideration.

Cancellation of Shares

Each share of Coast Casinos common stock that is owned by Coast Casinos as treasury stock or by Boyd Gaming or BGC, Inc. immediately prior to the effective time of the merger will be automatically canceled, and no consideration will be delivered in exchange for any of those shares.

Procedures for Exchange of Certificates; Fractional Shares

Boyd Gaming has retained Wells Fargo Shareowner Services as the exchange agent for the merger to handle the exchange of shares of Coast Casinos common stock for the merger consideration, including the payment of cash for fractional shares. To effect the exchange of shares of Coast Casinos common stock, the exchange agent will take the following actions:

Coast Casinos Common Stock General

As soon as reasonably practicable after the effective time of the merger, the exchange agent will mail to each record holder of shares of Coast Casinos common stock, other than holders who are entitled to and make an

election as described below under *Coast Casinos Common Stock Election*, a letter of transmittal and instructions for surrendering the certificates representing shares of Coast Casinos common stock for merger consideration. Upon surrender of certificates representing shares of Coast Casinos common stock for cancellation, together with an executed letter of transmittal, to the exchange agent, the holder of those certificates will be entitled to receive the appropriate merger consideration.

Coast Casinos Common Stock Election

At the time of mailing of this joint proxy statement/prospectus to the record holders of shares of Coast Casinos common stock entitled to vote at the Coast Casinos Meeting, Boyd Gaming will mail an election form to each record holder of shares of Coast Casinos common stock entitled to an election, as described above under *Consideration to be Received in the Merger General*. To be effective, the election form must be properly completed, signed and received by, and stock certificates evidencing the shares of Coast Casinos common stock with respect to which an election is being made must be submitted to, the exchange agent no later than 5:00 p.m., Pacific time, on the business day immediately preceding the date of the Coast Casinos Meeting. At the effective time of the merger, Coast Casinos stockholders who surrender their stock certificates with the election form will be entitled to receive the consideration described above under *Consideration to be Received in the Merger General* into which the shares of Coast Casinos common stock represented by those stock certificates will be converted, subject to adjustment and proration as described above under *Consideration to be Received in the Merger Adjustments to the Merger Consideration and Proration*. If no form of election is received with respect to shares of Coast Casinos common stock, or if the exchange agent determines that any election to receive stock consideration was not properly made with respect to shares of Coast Casinos common stock, including the failure to submit the stock certificates evidencing the shares of Coast Casinos common stock subject to the election, those shares of Coast Casinos common stock will be treated by the exchange agent as the stockholder not having made an election at the effective time of the merger, and those shares of Coast Casinos common stock will be converted into the right to receive cash consideration, except as otherwise described above under *Consideration to be Received in the Merger Adjustments to the Merger Consideration and Proration*.

Forms of election may be revoked only by written notice received by the exchange agent prior to 5:00 p.m., Pacific time, on the business day immediately preceding the date of the Coast Casinos Meeting. If a form of election is revoked, all certificates surrendered to the exchange agent with the revoked form of election will be returned to the Coast Casinos stockholder who submitted the revoked form of election.

Fractional Shares

Boyd Gaming will not issue fractional shares of Boyd Gaming common stock in the merger. Instead, each holder of shares of Coast Casinos common stock who would otherwise be entitled to receive fractional shares of Boyd Gaming common stock in the merger will be entitled to an amount of cash, without interest, rounded to the nearest cent, equal to the product of the amount of the fractional share interest in a share of Boyd Gaming common stock to which that stockholder is entitled by an amount equal to the average of the closing sale prices for a share of Boyd Gaming common stock on the New York Stock Exchange, as reported in *The Wall Street Journal*, Northeastern edition, for each of the ten consecutive trading days ending with the second complete trading day prior to the effective time of the merger.

Notwithstanding the foregoing, in the event that an adjustment to the target stock amount and the cash cap is made, as described under *Consideration to be Received in the Merger Adjustments to the Merger Consideration and Proration*, each Coast Casinos stockholder who would otherwise be entitled to a fractional share of Boyd Gaming common stock will not receive cash in lieu of the fractional share, but will instead receive one whole share of Boyd Gaming common stock in lieu of the fractional share.

Dividends and Distributions

Boyd Gaming will not pay any dividends or other distributions in respect of Boyd Gaming common stock issuable in exchange for shares of Coast Casinos common stock in the merger until the holder is entitled to

Table of Contents

receive, in exchange for certificates representing shares of Coast Casinos common stock, the merger consideration represented by those certificates. After the holder of certificates representing shares of Coast Casinos common stock becomes entitled to receive the merger consideration, the holder of the new certificates representing whole shares of Boyd Gaming common stock issued in exchange for the certificates representing shares of Coast Casinos common stock will be paid, at the time of exchange, without interest, the amount of any cash payable in lieu of a fractional share of Boyd Gaming common stock to which the holder is entitled, the amount of dividends or other distributions with a record date after the effective time of the merger theretofore paid with respect to such whole shares of Boyd Gaming common stock and, at the appropriate payment date, the amount of dividends or other distributions with a record date after the effective time of the merger but prior to the time of the exchange and a payment date subsequent to the time of the exchange payable with respect to those whole shares of Boyd Gaming common stock.

After the six-month anniversary of the effective time of the merger, any holder of certificates representing shares of Coast Casinos common stock will look to Boyd Gaming or the new Coast Casinos, Inc. for payment of such holder's claim for the merger consideration.

For purposes of the merger agreement, a material adverse effect means a material adverse effect on the business, assets, financial condition or results of operations of Boyd Gaming and its subsidiaries or Coast Casinos and its subsidiaries, in each case taken as a whole, on the ability of Boyd Gaming, BGC, Inc. or Coast Casinos, as applicable, to perform its obligations under the merger agreement or on the ability of Boyd Gaming, BGC, Inc. or Coast Casinos to consummate the merger and the other transactions contemplated under the merger agreement to be performed or consummated by such entity, other than any state of facts, event, change, effect, development, condition or occurrence relating:

In addition, between the date of the merger agreement and the effective time of the merger, neither Coast Casinos nor any of its subsidiaries will, without the prior written consent of Boyd Gaming:

declare, set aside or pay any dividends on, or make any other distributions in respect of, any of its capital stock, other than the \$3.50 per share dividend declared prior to the date of the merger agreement or dividends and distributions by direct or indirect wholly owned subsidiaries of Coast Casinos to that subsidiary's direct parent;

grant to any current or former employee, officer, director or independent contractor of Coast Casinos or any of its subsidiaries any loan or increase in compensation, benefits, perquisites or any bonus or award, or pay any bonus to any such person, except to the extent required under employment agreements in effect as of the date of the merger agreement;

In addition, Boyd Gaming and Coast Casinos will not, and will not permit any of their respective subsidiaries to, take any action that would, or would reasonably be expected to, result in any of the representations and warranties made by such party in the merger agreement that is qualified as to materiality becoming untrue, any of the representations and warranties made by such party in the merger agreement that is not qualified as to materiality becoming untrue in any material respect or any condition to the effectiveness of the merger not being satisfied. Boyd Gaming and Coast Casinos will promptly advise each other of any state of facts, event, change, effect, development, condition or occurrence that, individually or in the aggregate, has had or would reasonably be expected to have a material adverse effect on such party.

No Solicitation

Coast Casinos has agreed not to, will not permit its subsidiaries to, and will not authorize or permit any officer, director, employee, investment banker, attorney or other advisor or representative of Coast Casinos or any of its subsidiaries to:

solicit, initiate or encourage the submission of any takeover proposal;

enter into any agreement with respect to any takeover proposal; or

participate in any discussions or negotiations regarding, or furnish to any person any information with respect to, or take any other action to facilitate any inquiries or the making of any proposal that constitutes, or may reasonably be expected to lead to, a takeover proposal.

Coast Casinos may, however, before the Coast Casinos stockholders approve the merger agreement, in response to an unsolicited bona fide takeover proposal which the Coast Casinos board of directors determines, in good faith, after consultation with outside counsel and financial advisors, may reasonably be expected to lead to a superior proposal, furnish information with respect to Coast Casinos to the person making the takeover proposal and its representatives pursuant to a customary confidentiality agreement, which agreement is not less restrictive of the person making the takeover proposal than the confidentiality agreement entered into by Coast Casinos with Boyd Gaming, and participate in discussions or negotiations with such person and its representatives regarding any takeover proposal.

A takeover proposal means:

any proposal or offer for a merger, consolidation, dissolution, recapitalization or other business combination involving Coast Casinos;

Table of Contents

any proposal for the issuance by Coast Casinos of over 30% of its equity securities as consideration for the assets or securities of another person; or

any proposal or offer to acquire in any manner, directly or indirectly, over 30% of the equity securities or consolidated total assets of Coast Casinos,

in each case, other than the merger.

A superior proposal means any proposal by a third party to acquire substantially all the equity securities or assets of Coast Casinos, pursuant to a tender or exchange offer, a merger, a consolidation, a liquidation or dissolution, a recapitalization, a sale of all or substantially all its assets or otherwise, on terms which the Coast Casinos board of directors determines in good faith, after consultation with outside legal counsel and financial advisors, to be more favorable from a financial point of view to the holders of shares of Coast Casinos common stock than the merger with Boyd Gaming, taking into account all the terms and conditions of such proposal, the merger agreement and the stockholders agreement, including any proposal by Boyd Gaming to amend the terms of the merger. However, the Coast Casinos board of directors may not determine that a takeover proposal is a superior proposal prior to the time that is 36 hours after the time at which Coast Casinos has complied in all material respects with the notice and other requirements in respect of takeover proposals included in the merger agreement.

Neither the Coast Casinos board of directors nor any committee thereof may withdraw or modify in a manner adverse to Boyd Gaming or BGC, Inc., or publicly propose to withdraw or modify in a manner adverse to Boyd Gaming or BGC, Inc., the approval or recommendation of the Coast Casinos board of directors of the merger agreement or the merger, approve any letter of intent, agreement in principle, acquisition agreement or similar agreement relating to any takeover proposal or approve or recommend, or publicly propose to approve or recommend, any takeover proposal. Notwithstanding the foregoing, the Coast Casinos board of directors may withdraw or modify its approval or recommendation of the merger agreement or the merger if, prior to receipt of the approval of Coast Casinos stockholders:

Coast Casinos has received a superior proposal;

the Coast Casinos board of directors has determined in good faith, after consultation with outside counsel, that the withdrawal or modification of its approval or recommendation of the merger agreement or the merger is required for the purpose of fulfilling its fiduciary duties, and Coast Casinos has notified Boyd Gaming in writing of this determination;

at least three business days following receipt by Boyd Gaming of this notice, and taking into account any revised proposal made by Boyd Gaming since receipt of this notice, the Coast Casinos board of directors determines that the superior proposal remains a superior proposal; and

Coast Casinos is in compliance with all of its obligations under the no-solicitation provisions of the merger agreement.

Coast Casinos will promptly advise Boyd Gaming orally and in writing of any takeover proposal or inquiry with respect to or that could reasonably be expected to lead to a takeover proposal, the identity of the person making any takeover proposal or inquiry and the material terms of any takeover proposal or inquiry. Coast Casinos will keep Boyd Gaming informed of the status of any takeover proposal or inquiry and provide to Boyd Gaming, as soon as practicable after receipt or delivery thereof, copies of the takeover proposal and all other material information provided in writing to Boyd Gaming by the party making the takeover proposal.

Edgar Filing: BOYD GAMING CORP - Form S-4/A

Nothing in the merger agreement prohibits Coast Casinos from taking and disclosing to its stockholders a position contemplated by Rule 14e-2(a) promulgated under the Exchange Act or from making any other disclosure to Coast Casinos stockholders if, in the good faith judgment of the Coast Casinos board of directors, after consultation with outside counsel, failure to disclose would be inconsistent with the fulfillment of the fiduciary duties or any other obligations of the Coast Casinos board of directors under applicable law.

Under certain circumstances in which it receives a superior proposal, however, the Coast Casinos board of directors may withdraw or modify its approval or recommendation of the merger agreement and the merger. In the event that the Coast Casinos board of directors withdraws or modifies its approval or recommendation of the merger agreement and the merger, the approval of the merger agreement and the merger will also require approval by a majority of the voting power of the holders of the outstanding shares of Coast Casinos common stock present and duly voted, in person or by proxy, at the Coast Casinos Meeting, exclusive of those votes taken in respect of the shares of Coast Casinos common stock held by Messrs. Gaughan, Herbst and Toti.

Boyd Gaming Meeting

Boyd Gaming has agreed to call and hold a meeting of its stockholders for the purpose of obtaining the approval of the issuance of shares of Boyd Gaming common stock in the merger by a majority of the Boyd Gaming stockholders present and voting at the Boyd Gaming Meeting. Boyd Gaming will, through its board of directors, recommend to its stockholders that the issuance of shares of Boyd Gaming common stock in the merger be approved.

Access to Information; Confidentiality

During the period prior to the effective time of the merger, Boyd Gaming and Coast Casinos will, and will cause each of their respective subsidiaries to, afford to the other party and its representatives reasonable access during normal business hours to all of their respective properties, books, contracts, commitments, personnel and records. During that period, each party will promptly provide to the other party a copy of each reporting document filed pursuant to the requirements of U.S. Federal or state securities laws, and all other information concerning its business, properties and personnel as the other party reasonably requests. The information will be held in confidence to the extent required by the provisions of the confidentiality agreement between Boyd Gaming and Coast Casinos.

Reasonable Efforts; Notification

Boyd Gaming and Coast Casinos will use all reasonable efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with other parties in doing, all things necessary, proper or advisable to consummate and make effective, in the most expeditious manner practicable, the merger and the other transactions contemplated by the merger agreement to be performed or consummated by such party in accordance with the terms of the merger agreement. This includes:

in the case of Boyd Gaming, obtaining all necessary approvals under any applicable gaming laws required in connection with the merger agreement, the merger and the other transactions contemplated by the merger agreement;

obtaining all necessary actions or nonactions, waivers, consents and approvals from governmental entities and making all necessary registrations and filings and taking all reasonable steps as may be necessary to obtain an approval or waiver from, or to avoid an action

or proceeding by, any governmental entity;

obtaining all necessary consents, approvals or waivers from third parties;

defending any lawsuits or other legal proceedings, whether judicial or administrative, challenging the merger agreement or the consummation of the transactions contemplated by the merger agreement to be performed or consummated by Boyd Gaming or Coast Casinos, as applicable, in accordance with the terms of the merger agreement, including seeking to have any stay or temporary restraining order entered by any court or other governmental entity vacated or reversed; and

executing and delivering any additional instruments necessary to consummate the transactions contemplated by the merger agreement to be performed or consummated by Boyd Gaming or Coast Casinos, as applicable, in accordance with the terms of the merger agreement, and to fully carry out the purposes of the merger agreement.

In connection with and without limiting these obligations, Coast Casinos and its subsidiaries will take all reasonable action necessary to ensure that no state takeover statute or similar statute or regulation is or becomes applicable to the merger agreement or any transaction contemplated by the merger agreement. If any state takeover statute or similar statute or regulation becomes applicable to the merger agreement or any transaction contemplated by the merger agreement, Coast Casinos will take all reasonable action necessary to ensure that the merger and the other transactions contemplated by the merger agreement may be consummated as promptly as practicable on the terms contemplated by the merger agreement and otherwise to minimize the effect of the statute or regulation on the merger and the other transactions contemplated by the merger agreement.

Coast Casinos will give prompt notice to Boyd Gaming, and Boyd Gaming will give prompt notice to Coast Casinos, of any representation or warranty made by it or contained in the merger agreement that is qualified as to materiality becoming untrue or inaccurate in any respect, or any representation or warranty made by it or contained in the merger agreement that is not qualified as to materiality becoming untrue or inaccurate in any material respect. Coast Casinos and Boyd Gaming will also give prompt notice to the other of the failure by it to comply with or satisfy in any material respect any covenant, condition or agreement to be complied with or satisfied by it under the merger agreement. No notification, however, will affect the representations, warranties, covenants or agreements of the parties or the conditions to the obligations of the parties under the merger agreement.

Boyd Gaming will not be required to dispose of any of its assets or limit its freedom of action with respect to any of its businesses, or to consent to any disposition of Coast Casinos' assets or limits on Coast Casinos' freedom of action with respect to any of its businesses, or to commit or agree to any of the foregoing, and Coast Casinos will not be permitted to commit or agree to any of the foregoing, to obtain any consents, approvals, permits or authorizations or to remove any impediments to the merger relating solely to the HSR Act or other antitrust, competition or premerger notification, trade regulation law, regulation or order, or to avoid the entry of, or to effect the dissolution of, any injunction, temporary restraining order or other order in any suit or proceeding relating solely to the HSR Act or other antitrust, competition or premerger notification, trade regulation law, regulation or order.

Coast Casinos Stock Options and Benefit Plans

Coast Casinos Stock Options

Unless otherwise agreed in writing between Boyd Gaming and holders of Coast Casinos employee stock options, Boyd Gaming will not assume any Coast Casinos employee stock options that are not intended to qualify as incentive stock options within the meaning of Section 422 of the Internal Revenue Code in connection with the transactions contemplated by the merger agreement. Accordingly, as soon as reasonably practicable following the date of the merger agreement, the Coast Casinos board of directors or, if appropriate, any committee administering the Coast Casinos 1996 Stock Incentive Plan, will adopt the resolutions and take any other actions as may be required to:

provide that each Coast Casinos employee stock option that is not an incentive stock option that is outstanding immediately prior to the effective time of the merger will be canceled immediately prior to the effective time of the merger, whether vested or unvested, with the holder of the employee stock option becoming entitled to receive an amount of cash equal to the excess, if any, of \$550 over the per share exercise price of the employee stock option, multiplied by the number of shares of Coast Casinos common stock subject to the employee stock option, subject to any applicable withholding of taxes;

adjust the terms of all outstanding Coast Casinos incentive stock options to provide that, at the effective time of the merger, each Coast Casinos incentive stock option outstanding immediately prior to the

Table of Contents

effective time of the merger will be deemed to constitute an option to acquire, on the same terms and conditions as were applicable under the Coast Casinos incentive stock option, 32.8025 shares of Boyd Gaming common stock at a price per share equal to \$3.04855, which options are referred to as adjusted options, although the foregoing will be adjusted to the minimum extent necessary to comply with Section 424(a) of the Internal Revenue Code; and

make other changes to the Coast Casinos 1996 Stock Incentive Plan as Boyd Gaming and Coast Casinos will mutually agree.

At the effective time of the merger, Boyd Gaming will assume all the obligations of Coast Casinos under the Coast Casinos 1996 Stock Incentive Plan, each outstanding adjusted option and the agreements evidencing the grants of the adjusted options. As soon as practicable after the effective time of the merger, Boyd Gaming will deliver to holders of adjusted options appropriate notices setting forth the holders' rights pursuant to the Coast Casinos stock plan and indicating that the agreements evidencing the grants of adjusted options will continue in effect on the same terms and conditions, subject to adjustments required by the merger agreement after giving effect to the merger. Boyd Gaming will comply with the terms of the Coast Casinos stock plan and ensure, to the extent required by, and subject to the provisions of, the Coast Casinos 1996 Stock Incentive Plan, that the adjusted options continue to qualify as incentive stock options after the effective time of the merger.

Boyd Gaming will take all corporate action necessary to reserve for issuance a sufficient number of shares of Boyd Gaming common stock for delivery upon exercise of the adjusted options. As soon as reasonably practicable after the effective time of the merger, Boyd Gaming will file with the SEC a registration statement with respect to the shares of Boyd Gaming common stock subject to adjusted options and will use all reasonable efforts to maintain effectiveness of the registration statement, and maintain the current status of the prospectus contained therein, for so long as adjusted options remain outstanding.

Prior to the effective time of the merger, Boyd Gaming will take all such steps as may be required to cause any acquisition of shares of Boyd Gaming common stock, including adjusted options, in connection with the merger by any holder of shares of Coast Casinos common stock who is subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to Boyd Gaming to be exempt under Rule 16b-3 promulgated under the Exchange Act.

Benefit Plans

Boyd Gaming will cause the new Coast Casinos, Inc. to maintain for a period of one year after the effective time of the merger the Coast Casinos benefit plans as in effect on the date of the merger agreement, other than the Coast Casinos 1996 Stock Incentive Plan or any other Coast Casinos benefit plan that provides benefits based on the value of Coast Casinos common stock, or to provide benefits, excluding benefits attributable to equity-based plans or grants, to each current employee of Coast Casinos and its subsidiaries that are at least as favorable in the aggregate to those employees as the benefits in effect on the date of the merger agreement.

From and after the effective time of the merger, Boyd Gaming will, and will cause the new Coast Casinos, Inc. to, honor in accordance with their respective terms all of Coast Casinos' employment, severance and termination agreements, plans and policies.

With respect to any employee benefit plan, program or arrangement maintained by Boyd Gaming or any of its subsidiaries, including any severance plan, for all purposes of determining eligibility to participate and vesting but not for purposes of benefit accrual, service with Coast Casinos or any of its subsidiaries will be treated as service with Boyd Gaming or any of its subsidiaries. However, any service with Coast Casinos or any of its subsidiaries need not be recognized to the extent that recognition would result in any duplication of benefits.

Boyd Gaming will waive, or cause to be waived, any pre-existing condition limitation under any welfare benefit plan maintained by Boyd Gaming or any of its affiliates, other than Coast Casinos, in which employees of

Table of Contents

Coast Casinos and its subsidiaries, as well as their eligible dependents, will be eligible to participate from and after the effective time of the merger, except to the extent that such pre-existing condition limitation would have been applicable under the comparable Coast Casinos welfare benefit plan immediately prior to the effective time of the merger. Boyd Gaming will recognize, or cause to be recognized, the dollar amount of all expenses incurred by each Coast Casinos employee, and his or her eligible dependents, during the calendar year in which the effective time of the merger occurs for purposes of satisfying such year's deductible and co-payment limitations under the relevant welfare benefit plans in which they will be eligible to participate from and after the effective time of the merger.

Indemnification

Boyd Gaming will, to the fullest extent permitted by law, cause the new Coast Casinos, Inc. to honor all of Coast Casinos' obligations to indemnify, including any obligations to advance funds for expenses to, the current or former directors or officers of Coast Casinos for acts or omissions by such directors and officers occurring prior to the effective time of the merger to the extent that those obligations of Coast Casinos exist on the date of the merger agreement.

For a period of six years after the effective time of the merger, Boyd Gaming will cause to be maintained in effect the current policies of directors' and officers' liability insurance maintained by Coast Casinos with respect to claims arising from or related to facts or events which occurred at or before the effective time of the merger, although Boyd Gaming may substitute policies with reputable and financially sound carriers of at least the same coverage and amounts containing terms and conditions which are no less advantageous. Boyd Gaming will not be obligated to make annual premium payments for such insurance to the extent such premiums exceed 175% of the annual premiums paid as of the date of the merger agreement by Coast Casinos for the insurance. If the insurance coverage cannot be obtained at all, or can only be obtained at an annual premium in excess of the maximum premium, Boyd Gaming will maintain the most advantageous policies of directors' and officers' insurance obtainable for an annual premium equal to the maximum premium. Coast Casinos represents to Boyd Gaming that the maximum premium is \$270,156.25.

Fees and Expenses

Except as provided under "Fee if the Merger Agreement is Terminated," all fees and expenses incurred in connection with the merger will be paid by the party incurring such fees or expenses, whether or not the merger is consummated. An exception to this general requirement is that expenses incurred in connection with filing, printing and mailing this joint proxy statement/prospectus will be shared equally by Boyd Gaming and Coast Casinos.

Public Announcements

Boyd Gaming and BGC, Inc., on the one hand, and Coast Casinos, on the other hand, will consult with each other before issuing, and provide each other reasonable opportunity to review and comment upon, any press release or other public statements with respect to the merger and the other transactions contemplated by the merger agreement and will not issue any such press release or make any public statement prior to consultation with the other, except as may be required by applicable law, court process or by obligations pursuant to any listing agreement with any national securities exchange.

Transfer Taxes

All stock transfer, real estate transfer, documentary, stamp, recording and other similar taxes, including interest, penalties and additions to those taxes, incurred in connection with the transactions contemplated by the merger agreement will be paid by either BGC, Inc. or the new Coast Casinos, Inc., and Coast Casinos will cooperate with BGC, Inc. and Boyd Gaming in preparing, executing and filing any tax returns with respect to those taxes.

Table of Contents

Stock Exchange Listing

Boyd Gaming will use all reasonable efforts to cause the shares of Boyd Gaming common stock to be issued in the merger to be approved for listing on the New York Stock Exchange, subject to official notice of issuance, prior to the closing date of the merger.

Tax Treatment

Boyd Gaming and Coast Casinos intend the merger to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. Each party and its affiliates will use all reasonable efforts to cause the merger to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code and to obtain opinions from legal counsel to the effect that the merger will be treated for U.S. Federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code and that Boyd Gaming, BGC, Inc. and Coast Casinos will each be a party to that reorganization within the meaning of Section 368(b) of the Internal Revenue Code. Each of Boyd Gaming, BGC, Inc. and Coast Casinos, and each of their respective affiliates, will not take any action and will not fail to take any action or suffer to exist any condition which action or failure to act or condition would prevent, or would reasonably be likely to prevent, the merger from qualifying as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code.

Although Boyd Gaming and Coast Casinos intend for the merger to qualify as a tax-free transaction for U.S. Federal income tax purposes, if any of the consideration received by a Coast Casinos stockholder in the merger consists of cash, then the merger may result in that Coast Casinos stockholder being required to pay tax. For a full description of the tax consequences of the merger for Coast Casinos stockholders, see The Merger U.S. Federal Income Tax Consequences of the Merger.

Stockholder Litigation

Coast Casinos will give Boyd Gaming the opportunity to participate in the defense or settlement of any stockholder litigation against Coast Casinos and its directors relating to the merger or any other transaction contemplated by the merger agreement. No settlement agreement with respect to any stockholder litigation against Coast Casinos and its directors relating to the merger or any other transaction contemplated by the merger agreement may be agreed to without Boyd Gaming's consent.

Boyd Gaming Board of Directors

Boyd Gaming will take all actions reasonably necessary to:

cause Peter M. Thomas to be elected to the Boyd Gaming board of directors on or prior to the closing date of the merger; and

as soon as reasonably practicable after the closing date of the merger and following the receipt of any necessary regulatory approvals, expand the Boyd Gaming board of directors to create two vacant positions and appoint, as directors to fill those vacant positions, each

Edgar Filing: BOYD GAMING CORP - Form S-4/A

If Mr. Thomas is not elected to the Boyd Gaming board of directors on or prior to the closing date of the merger, Boyd Gaming will take all actions reasonably necessary as soon as reasonably practicable after the closing date of the merger and following the receipt of any necessary regulatory approvals to:

expand the Boyd Gaming board of directors to create one additional vacant position; and

appoint, as a director to fill this vacant position, a second designee of Mr. Gaughan satisfactory to Boyd Gaming.

Table of Contents

None of Coast Casinos, Boyd Gaming or BGC, Inc. may rely on the failure of any of the foregoing conditions to be satisfied if the failure was caused by such party's failure to use all reasonable efforts to consummate the merger and the other transactions contemplated by the merger agreement to be performed or consummated by such party in accordance with the terms of the merger agreement, as required by and subject to the terms of the merger agreement.

Termination

Boyd Gaming, BGC, Inc. and Coast Casinos may mutually agree in writing, at any time before the effective time of the merger, to terminate the merger agreement. Also, either Boyd Gaming or Coast Casinos may terminate the merger agreement before the effective time of the merger if:

the merger is not consummated on or before January 31, 2005, unless the failure to consummate the merger is the result of a willful and material breach of the merger agreement by the party seeking to terminate the merger agreement. However, if, as of January 31, 2005, any hearing with respect to any necessary approval under applicable gaming laws has been scheduled for a date after January 31, 2005 or any such hearing is pending, then the January 31, 2005 deadline will be extended to April 30, 2005;

any governmental entity issues an order, decree or ruling or takes any other action, which action has become final and nonappealable, permanently enjoining, restraining or otherwise prohibiting the merger;

the Coast Casinos stockholders fail to approve the merger agreement at the Coast Casinos Meeting, it being understood that, in the event that, prior to the date of the Coast Casinos Meeting, Coast Casinos withdraws or modifies its approval or recommendation of the merger and the merger agreement in accordance with the terms described under No Solicitation, the approval of the merger and the merger agreement will require both:

the approval by a majority of the voting power of the holders of the outstanding shares of Coast Casinos capital stock, and

the approval by a majority of the voting power of the holders of the outstanding shares of Coast Casinos common stock present and duly voted, in person or by proxy, at the Coast Casinos Meeting, exclusive of those votes taken in respect of the shares of Coast Casinos common stock held by Messrs. Gaughan, Herbst and Toti; or

the Boyd Gaming stockholders fail to approve the issuance of shares of Boyd Gaming common stock in the merger at the Boyd Gaming Meeting.

Boyd Gaming can terminate the merger agreement before the effective time of the merger if:

Coast Casinos breaches or fails to perform in any material respect any of its representations, warranties or covenants in the merger agreement, which breach or failure to perform would give rise to a failure of a condition set forth in the merger agreement and which breach or failure to perform cannot be or has not been cured within 30 days after the giving of written notice to Coast Casinos of such breach; and

the aggregate number of shares of Boyd Gaming common stock required to be issued by Boyd Gaming in accordance with the terms described under Consideration to be Received in the Merger would exceed 7,837,077 shares of Boyd Gaming common stock.

Coast Casinos can terminate the merger agreement before the effective time of the merger if Boyd Gaming breaches or fails to perform in any material respect any of its representations, warranties or covenants in the merger agreement, which breach or failure to perform would give rise to a failure of a condition set forth in the merger agreement and which breach or failure to perform cannot be or has not been cured within 30 days after the giving of written notice to Boyd Gaming of such breach.

Fee if the Merger Agreement is Terminated

A termination fee of \$30.0 million is payable by Coast Casinos to Boyd Gaming if:

after the date of the merger agreement, any person makes a takeover proposal for Coast Casinos or amends a takeover proposal for Coast Casinos made prior to the date of the merger agreement; and

Table of Contents

the merger agreement is terminated by either Coast Casinos or Boyd Gaming because the merger has not been consummated prior to January 31, 2005 or, if extended, April 30, 2005, or because the Coast Casinos stockholders fail to approve the merger agreement at the Coast Casinos Meeting, in each case as more fully described above under Termination, or the merger agreement is terminated by Boyd Gaming because Coast Casinos breaches or fails to perform in any material respect any of its representations, warranties or covenants in the merger agreement, which breach or failure to perform would give rise to a failure of a condition set forth in the merger agreement and which breach or failure to perform cannot be or has not been cured within 30 days after the giving of written notice to Coast Casinos of such breach; and

within 30 months after the date of the merger agreement, Coast Casinos enters into a definitive agreement to consummate, or consummates, the transactions contemplated by a takeover proposal.

The termination fee will be payable and will be paid on the date of consummation of such takeover transaction. If Coast Casinos fails promptly to pay the termination fee, and, in order to obtain the payment, Boyd Gaming commences a suit that results in a judgment against Coast Casinos for the termination fee, Coast Casinos will pay to Boyd Gaming interest on the termination fee from and including the date payment of the termination fee was due to but excluding the date of actual payment at the prime rate of Bank of America, National Association in effect on the date the payment was required to be made, together with reasonable legal fees and expenses incurred in connection with the suit.

For purposes of determining whether a termination fee is payable, the term takeover proposal will have the meaning described above under No Solicitation, except that all references to 30% will be changed to 40%.

Effect of Termination

In the event of termination of the merger agreement by either Boyd Gaming or Coast Casinos in accordance with the terms of the merger agreement, the merger agreement will immediately become void and have no effect, without any liability or obligation on the part of Boyd Gaming, BGC, Inc. or Coast Casinos, other than certain provisions relating to confidentiality, the payment of fees and expenses and certain other general provisions which will survive the termination except to the extent that such termination results from the wilful and material breach by a party of any representation, warranty or covenant set forth in the merger agreement.

Amendment

The merger agreement may be amended by the parties at any time prior to the effective time of the merger by an instrument in writing signed on behalf of each of the parties. However, after the approval of the merger agreement at the Coast Casinos Meeting and the approval of the issuance of shares of Boyd Gaming common stock in the merger at the Boyd Gaming Meeting, there will be no amendment made that by law or, in the case of the approval at the Boyd Gaming Meeting, by the regulations established by the New York Stock Exchange requires further approval by the stockholders of Coast Casinos or Boyd Gaming without the further approval of the stockholders of Coast Casinos or Boyd Gaming. Except as provided in the immediately preceding sentence, no amendment of the merger agreement will require the approval of the stockholders of Coast Casinos.

Extension; Waiver

Edgar Filing: BOYD GAMING CORP - Form S-4/A

At any time before the effective time of the merger, either party may extend the time for the performance of any of the obligations or other acts of the other parties, waive any inaccuracies in the representations and warranties of the other parties contained in the merger agreement or in any document delivered pursuant to the merger agreement or waive compliance by the other parties with any of the agreements or conditions contained in the merger agreement. Any agreement on the part of either party to any extension or waiver will be valid only if set forth in an instrument in writing signed on behalf of such party. The failure of any party to the merger agreement to assert any of its rights under the merger agreement or otherwise will not constitute a waiver of those rights.

These financial statements have been adjusted to give effect to:

Boyd Gaming's acquisition of the Shreveport Partnership, and

the merger of Coast Casinos with and into BGC, Inc., after giving pro forma effect to Boyd Gaming's acquisition of the Shreveport Partnership.

The unaudited pro forma condensed combined financial statements contained in this joint proxy statement/prospectus use the purchase method of accounting, with Boyd Gaming treated as the acquirer and as if the acquisition of the Shreveport Partnership and the merger each had been completed on December 31, 2003 for purposes of the unaudited pro forma condensed combined balance sheet information, and on January 1, 2003 for purposes of the unaudited pro forma condensed combined statement of operations information.

The actual amounts that Boyd Gaming records on its final assessment of fair values may differ materially from the information presented in this unaudited pro forma condensed combined financial information. Amounts preliminarily allocated to intangible assets with indefinite lives and to tangible and intangible assets with definite lives may change significantly, and amortization methods and useful lives may differ from the assumptions Boyd Gaming used in this unaudited pro forma condensed combined financial information, any of which could result in a material change in depreciation and amortization expense.

The unaudited pro forma condensed combined financial information is for informational purposes only and is not intended to represent or be indicative of the consolidated results of operations or financial position that Boyd Gaming would have reported had the acquisition of the Shreveport Partnership and the merger been completed as of the dates presented, and should not be taken as representative of Boyd Gaming's future consolidated results of operations or financial position.

Table of Contents**NOTES TO THE UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL STATEMENTS****1. Basis of Presentation**

The unaudited pro forma condensed combined financial statements present the pro forma financial position and results of operations of the combined company based upon historical financial information after giving effect to the acquisition of the Shreveport Partnership, the merger and the adjustments described in these footnotes. The unaudited pro forma condensed combined financial statements use the purchase method of accounting, with Boyd Gaming treated as the acquirer and as if the Shreveport Partnership acquisition and the merger each had been completed on December 31, 2003 for purposes of the unaudited pro forma condensed combined balance sheet information, and on January 1, 2003 for purposes of the unaudited pro forma condensed combined statement of operations information.

The unaudited pro forma condensed combined financial statements are not necessarily indicative of the results of operations that would have been achieved had the Shreveport Partnership acquisition and the merger had actually taken place on January 1, 2003 and do not purport to be indicative of the effects that may be expected to occur in the future. The unaudited pro forma condensed combined financial statements should be read in conjunction with Boyd Gaming's and Coast Casinos' historical consolidated financial statements and accompanying notes incorporated by reference in this joint proxy statement/prospectus.

The pro forma condensed combined financial statements of Boyd Gaming are prepared in accordance with Article 11 of Regulation S-X.

2. Pro Forma Shreveport Partnership Acquisition

The estimated aggregate consideration to be paid in the acquisition is as follows (in thousands):

Cash consideration for partnership units	\$ 190,000
Estimated costs for net current assets and other transaction costs	15,500
Aggregate estimated acquisition costs	\$ 205,500

The allocation of the purchase price, which is subject to change based on a final valuation of the assets acquired and liabilities assumed as of the closing date of the merger, is as follows (in thousands):

Current assets	\$ 16,000
Property and equipment	159,853
Intangible assets	30,147
Assumed liabilities	(500)

\$ 205,500

The allocation of the purchase price is preliminary. The final determination of the purchase price allocation will be based on the fair values of assets acquired and the fair values of liabilities assumed as of the closing date of the merger. The purchase price allocation will remain preliminary until Boyd Gaming obtains a third party valuation of significant identifiable intangible assets acquired and determines the fair value of other assets and liabilities acquired. The final determination of the purchase price will be completed as soon as practicable after the closing date of the merger. The final amounts allocated to assets acquired and liabilities assumed could differ significantly from the amounts presented in the unaudited pro forma condensed combined financial statements.

The amount allocated to intangible assets has been attributed to the following categories (in thousands):

Intangible license rights	\$ 29,147
Customer list	1,000
	<u>\$ 30,147</u>

Table of Contents

The intangible license rights represent the estimated value of the Louisiana gaming license and is expected to be assigned an indefinite life and will not be amortized. The customer list is expected to be amortized using the straight-line method over its estimated useful life, which is assumed to be five years for purposes of the pro forma financial information.

3. Pro Forma Merger

On February 9, 2004, Boyd Gaming announced its agreement to acquire Coast Casinos for approximately \$1.3 billion. Boyd Gaming will pay the merger consideration with a combination of shares of Boyd Gaming common stock and cash, as well as the assumption of debt of Coast Casinos, subject, in each case, to certain adjustments as discussed under *The Merger Agreement Consideration to be Received in the Merger*. For purposes of the pro forma calculations, we assumed that the final merger consideration will consist of 40% stock consideration and 60% cash consideration, based on an assumed price per share of Boyd Gaming common stock of \$16.767.

The estimated aggregate consideration to be paid in the merger is as follows (in thousands):

Fair value of Boyd Gaming common stock	\$ 321,459
Cash consideration for shares of Coast Casinos common stock exchanged	482,189
	<hr/>
Aggregate value of stock and cash consideration	803,648
Estimated merger costs (excluding financing costs related to new debt)	41,187
	<hr/>
Net aggregate estimated merger consideration	844,835
Coast Casinos debt to be refinanced by Boyd Gaming	486,156
	<hr/>
Aggregate estimated merger consideration	<u>\$ 1,330,991</u>

The assumed fair value of the aggregate stock and cash consideration was calculated based on a \$550 price per share for 1,461,178 shares of Coast Casinos common stock. For more information related to the determination of the merger consideration, see *The Merger Agreement Consideration to be Received in the Merger*.

The allocation of the purchase price, which is subject to change based on a final valuation of the assets acquired and liabilities assumed as of the closing date of the merger, is as follows (in thousands):

Current assets	\$ 86,005
Property and equipment	773,283
Goodwill	546,656
Intangible assets	20,000
Other assets	1,177
Assumed liabilities and debt to be refinanced	(582,286)
	<hr/>
	<u>\$ 844,835</u>

The allocation of the purchase price is preliminary. The final determination of the purchase price allocation will be based on the fair values of assets acquired and the fair values of liabilities assumed as of the closing date of the merger. The excess of the purchase price over the fair values of assets acquired and liabilities assumed is allocated to goodwill. The purchase price allocation will remain preliminary until Boyd Gaming obtains a third party valuation of significant identifiable intangible assets acquired and determines the fair value of other assets and liabilities acquired. The final determination of the purchase price will be completed as soon as practicable after the closing date of the merger. The final amounts allocated to assets acquired and liabilities assumed could differ significantly from the amounts presented in the unaudited pro forma condensed combined financial statements.

The amount allocated to intangible assets has been attributed to customer lists. The customer lists are expected to be amortized using the straight-line method over their estimated lives, which are assumed to be five years for purposes of the pro forma financial information.

Table of Contents

4. Pro Forma Adjustments

The pro forma adjustments included in the unaudited pro forma condensed combined financial statements are as follows:

(a) To reflect the adjustment of land to fair value based upon assumed estimates of fair value. The pro forma calculations assume no change in the historical value of depreciable property and equipment to fair value and that the remaining useful lives assigned to these depreciable assets will be carried over to the combined company.

(b) To eliminate the debt which will not be assumed from the Shreveport Partnership and retire the debt of Coast Casinos that will be refinanced in connection with the merger.

(c) To reflect the issuance of new debt to finance the cash portion of the consideration used for the Shreveport Partnership acquisition and the merger, including related transaction costs, as well as the refinancing of the debt of Coast Casinos.

(d) To reflect the deferred financing costs incurred in connection with the issuance of debt to finance the cash portion of the purchase price for Coast Casinos and the refinancing of the debt of Coast Casinos.

(e) To eliminate the deferred rent previously recorded on the books of Coast Casinos.

(f) To eliminate the historical equity of the Shreveport Partnership and Coast Casinos.

(g) To reflect the issuance of Boyd Gaming common stock as a component of the merger consideration.

(h) To reflect the intangible assets arising from the transactions.

(i) To reflect the excess of acquisition cost over the estimated fair value of net assets acquired in the merger.

(j) To reflect the write-off of deferred financing costs as a result of the refinancing of the debt of Coast Casinos.

Edgar Filing: BOYD GAMING CORP - Form S-4/A

(k) To reflect the write-off of Boyd Gaming's deferred financing costs upon consummation of the refinancing of its bank credit facility to finance the merger.

(l) To reflect additional deferred taxes and goodwill related to the merger due to the step-up in basis of the net assets.

(m) To eliminate the non-cash current assets which will not be acquired from the Shreveport Partnership.

(n) To eliminate the non-current assets and due from affiliates which will not be acquired from the Shreveport Partnership.

(o) To eliminate the current liabilities which will not be assumed from the Shreveport Partnership.

(p) To eliminate the other liabilities which will not be assumed from the Shreveport Partnership.

(q) To reflect the debt that will be incurred to pay the call premium of 4.75% on the \$325.0 of senior subordinated notes of Coast Casinos.

(r) To reflect the debt that will be incurred to pay for the cash out of 29,415 options to purchase Coast Casinos common stock at a net value of \$450 per option.

(s) To reflect the fair value of Coast Casinos stock options converted into options to purchase an aggregate of 196,815 shares of Boyd Gaming common stock at an exercise price of \$3.04855 per share. The assumed fair value of Boyd Gaming common stock for purposes of the pro forma calculation is \$16.767 per share of Boyd Gaming common stock.

(t) To reflect the increase in depreciation and amortization expense due to the amortization of definite lived intangible assets arising from the acquisition of the Shreveport Partnership and the merger.

(u) To eliminate the management fee from the historical books of the Shreveport Partnership.

(v) To eliminate the interest expense from the historical books of the Shreveport Partnership and Coast Casinos.

Table of Contents

(w) To reflect the pro forma interest expense resulting from the financing of the Shreveport Partnership acquisition using an estimated interest rate of 3.25%. A 0.125% change in the estimated interest rate would affect pro forma interest expense by approximately \$0.3 million.

(x) To reflect the pro forma interest expense resulting from the issuance and refinancing of debt related to the merger. For purposes of the pro forma calculation, approximately \$472.9 million of Coast Casinos' historical debt is eliminated, and Boyd Gaming obtains approximately \$1.012 billion of new debt as part of the refinancing and funding of the net estimated merger consideration, resulting in approximately \$39.0 million of pro forma interest expense assuming a blended effective interest rate of approximately 3.9%. A 0.125% change in the estimated interest rate would affect pro forma interest expense by approximately \$1.3 million.

(y) To reflect a combined U.S. Federal and state effective tax rate of 39% on the pro forma pre-tax income of the combined company.

5. Sensitivity to Fair Value Estimates

Certain of the pro forma adjustments incorporate Boyd Gaming's preliminary estimates of the fair value of the businesses that Boyd Gaming is acquiring. Early indications are that the excess of the purchase price paid by Boyd Gaming in connection with the Shreveport Partnership acquisition and the merger over the preliminary estimates of the fair value of these businesses may be assigned to non-amortizable goodwill and indefinite life intangible assets as opposed to depreciable fixed assets or amortizable intangible assets. Upon completion of the Shreveport Partnership acquisition and the merger or shortly thereafter, Boyd Gaming will obtain an independent third-party valuation of the assets acquired and liabilities assumed in order to assist management in developing a definitive allocation of the purchase price paid in connection with the Shreveport Partnership acquisition and the merger. As a result, the final purchase price allocation may result in some amounts being assigned to tangible or definite life intangible assets apart from goodwill and indefinite life intangible assets. To the extent that any amount is assigned to a tangible or definite life intangible asset, this amount may ultimately be depreciated or amortized, as appropriate, to earnings over the expected period of benefit of the asset. To the extent that any amount remains as goodwill or indefinite life intangible assets, this amount would not be subject to either depreciation or amortization but would be subject to periodic impairment testing and, if necessary, would be written down to fair value should circumstances warrant.

The table below shows the potential increase in pro forma depreciation or amortization expense if certain amounts of the \$603.4 million of goodwill and other indefinite life intangible assets identified in Notes 2 and 3 were ultimately assigned to tangible or definite life intangible assets. For purposes of calculating this sensitivity analysis, Boyd Gaming has applied the straight-line method of depreciation or amortization over an estimated useful life of 30 years to various fair values, and the diluted earnings per share has been tax affected using a 39% effective tax rate. The resulting pro forma adjustments for the year ended December 31, 2003 are as follows:

Amount Allocated to Fixed or Intangible Assets from Goodwill and Other Indefinite Life Intangible Assets Preliminarily Assigned in Notes 2 and 3	Increase in Pro Forma Depreciation and Amortization Expense	Decrease in Pro Forma Diluted Earnings Per Share
\$120.7 million or 20% of Preliminary Goodwill and Other Indefinite Life Intangible Assets	\$ 4,023	\$ 0.03
\$241.4 million or 40% of Preliminary Goodwill and Other Indefinite Life Intangible Assets	\$ 8,045	\$ 0.06
\$362.0 million or 60% of Preliminary Goodwill and Other Indefinite Life Intangible Assets	\$ 12,068	\$ 0.09

CHAPTER II INFORMATION ABOUT THE BOYD GAMING

ANNUAL MEETING AND OTHER PROPOSALS

The Boyd Gaming Meeting

This joint proxy statement/prospectus is being furnished in connection with the solicitation of proxies from the holders of shares of Boyd Gaming common stock by the Boyd Gaming board of directors relating to the merger, the election of directors and other matters to be voted upon at the Boyd Gaming Meeting and any adjournments or postponements thereof. This joint proxy statement/prospectus provides Boyd Gaming stockholders with the information they need to know to be able to vote or instruct their vote to be cast at the Boyd Gaming Meeting. The shares of Boyd Gaming common stock represented by proxies received, properly marked, dated, executed and not revoked will be voted at the Boyd Gaming Meeting.

Date, Time and Place

Boyd Gaming will hold the Boyd Gaming Meeting on April 30, 2004 at noon, local time, at Borgata Hotel Casino and Spa, One Borgata Way, Atlantic City, New Jersey 08401.

Purpose of the Boyd Gaming Meeting

At the Boyd Gaming Meeting, Boyd Gaming stockholders will be asked:

to approve the issuance of shares of Boyd Gaming common stock in the merger;

to elect three Class I directors of Boyd Gaming to serve until the 2007 Annual Meeting of Stockholders or until their successors are duly elected and qualified;

to ratify the appointment of Deloitte & Touche LLP as Boyd Gaming's independent auditor for the fiscal year ending December 31, 2004;

to approve an amendment to Boyd Gaming's 2002 Stock Incentive Plan to increase the number of shares of Boyd Gaming common stock subject to the 2002 Stock Incentive Plan from 3,000,000 shares to 7,000,000 shares; and

to transact such other business as may properly come before the Boyd Gaming Meeting and any adjournments or postponements thereof.

Voting and Solicitation

Votes cast by proxy or in person at the Boyd Gaming Meeting will be tabulated by the Inspector of Elections. The Inspector of Elections will also determine whether or not a quorum is present. The presence, in person or by proxy, of the holders of a majority of shares of Boyd Gaming common stock issued and outstanding is necessary to constitute a quorum at the Boyd Gaming Meeting. Shares represented at the Boyd Gaming Meeting in person or by proxy but not voted will nevertheless be counted for purposes of determining the presence of a quorum. Accordingly, abstentions will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Broker non-votes (shares as to which a broker or nominee does not vote, or has indicated that it does not have discretionary authority to vote) will not be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum for Proposal 1, but will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum for Proposals 2, 3 and 4. Under the rules of the New York Stock Exchange, certain matters submitted to a vote of stockholders are considered by the New York Stock Exchange to be routine items upon which brokerage firms may vote in their discretion on behalf of their customers if such customers have not furnished voting instructions within a specified period of time prior to the meeting. On those matters which the New York Stock Exchange determines to be non-routine, brokerage firms that have not received instructions from their customers would not have discretion to vote. Neither Boyd Gaming's restated articles of incorporation or by-laws nor Nevada corporate statutes address the treatment and effect of abstentions and broker non-votes.

Table of Contents

Proposal 1, the approval of the issuance of shares of Boyd Gaming common stock in the merger, requires the approval by a majority of the votes cast by Boyd Gaming stockholders at the Boyd Gaming Meeting, provided that the total vote cast must represent over 50% in interest of all Boyd Gaming securities entitled to vote at the Boyd Gaming Meeting. Abstentions will have the same effect as a vote cast against such proposal, and broker non-votes will have no effect. In connection with Proposal 2, the election of Class I directors, the three nominees for Class I directors who receive the greatest number of affirmative votes will be elected to the Boyd Gaming board of directors, without giving effect to abstentions and broker non-votes. Each of Proposal 3, the ratification of the appointment of Deloitte & Touche LLP as Boyd Gaming's independent auditor for the fiscal year ending December 31, 2004, and Proposal 4, the approval of an amendment to Boyd Gaming's 2002 Stock Incentive Plan, requires the affirmative vote of a majority of the shares present or represented at the Boyd Gaming Meeting, assuming that a quorum is present or represented at the meeting. Abstentions and broker non-votes will have the same effect as a vote cast against Proposals 3 and 4.

Proxies in the accompanying form that are properly executed, duly returned to Boyd Gaming and not revoked will be voted in accordance with the instructions therein. IF NO INSTRUCTION IS GIVEN WITH RESPECT TO ANY OR ALL PROPOSALS TO BE ACTED UPON, THE PROXY WILL BE VOTED FOR THE ELECTION OF ALL OF THE NOMINEES NAMED IN THIS PROXY STATEMENT AND IN FAVOR OF PROPOSALS 1, 3 AND 4, AS APPLICABLE. No matter currently is expected to be considered at the Boyd Gaming Meeting other than the proposals set forth in the accompanying Notice of Annual Meeting, but if any other matters are properly brought before the Boyd Gaming Meeting for action, it is intended that the persons named in the proxy and acting thereunder will vote in accordance with their discretion on such matters.

The presence at the meeting of a stockholder will not revoke his or her proxy. However, a proxy may be revoked at any time before it is voted by delivering to Boyd Gaming, Attention: Brian A. Larson, Secretary and General Counsel, at the principal offices of Boyd Gaming, a written notice of revocation or a duly executed proxy bearing a later date.

The solicitation of proxies will be conducted by mail, and Boyd Gaming will bear all attendant costs. These costs will include the expense of preparing and mailing proxy solicitation materials for the Boyd Gaming Meeting and reimbursements paid to brokerage firms and others for their expenses incurred in forwarding such materials to beneficial owners of Boyd Gaming common stock. Boyd Gaming may conduct further solicitation personally, telephonically or by facsimile through its officers, directors and employees, none of whom will receive additional compensation for assisting with the solicitation.

Record Date and Shares Outstanding

The close of business on March 31, 2004 has been fixed as the record date for determining the holders of shares of Boyd Gaming common stock entitled to notice of and to vote at the Boyd Gaming Meeting. As of the close of business on March 26, 2004, Boyd Gaming had 65,492,015 shares of common stock outstanding. PROPOSAL 2 Election of Boyd Gaming Directors

General

In accordance with Boyd Gaming's restated articles of incorporation, the Boyd Gaming board of directors is divided into three classes, as nearly equal in number as the then-total number of directors at the time of initial election, with the term of office of one class expiring each year. At the Boyd Gaming Meeting, the Boyd Gaming stockholders will elect three Class I directors of Boyd Gaming to serve until the 2007 Annual Meeting of Stockholders or until their successors are duly elected and qualified, or until any such director's earlier resignation or removal. At each following Boyd Gaming Annual Meeting of Stockholders, the successors to the class of directors whose term is then expiring will be elected to hold office for a term expiring at the third succeeding Boyd Gaming Annual Meeting of Stockholders. Vacancies on the Boyd Gaming board of directors and newly created directorships will generally be filled by vote of a majority of the directors then in office, and any directors so chosen will hold office until the next election of the class for which such directors were chosen. The Boyd Gaming board of directors has no reason to believe that any of its nominees will be unable or unwilling to serve if elected to office and, to the knowledge of the Boyd Gaming board of directors, each of its nominees intends to serve the entire term for which election is sought. However, should any nominee of the Boyd Gaming board of directors become unable or unwilling to accept nomination or election as a director of Boyd Gaming, the proxies solicited by management will be voted for such other person as the Boyd Gaming board of directors may determine.

In voting for directors, each Boyd Gaming stockholder is entitled to cast one vote for each candidate. Boyd Gaming stockholders are not entitled to cumulate their votes for members of the Boyd Gaming board of directors. The three nominees for Class I directors who receive the greatest number of affirmative votes will be elected to the Boyd Gaming board of directors.

Perry B. Whitt is retiring from his position as director of Boyd Gaming, which position he has held since the inception of Boyd Gaming in 1988. The Boyd Gaming board of directors thanks Mr. Whitt for his years of service to Boyd Gaming. The Boyd Gaming board of directors has nominated Peter M. Thomas, who is currently a director on the Coast Casinos board of directors, to serve as a director of Boyd Gaming to fill the seat previously held by Mr. Whitt.

The nominees for election as Class I directors are:

Meetings and Committees of the Board of Directors

The Boyd Gaming board of directors has an Audit Committee, a Compensation and Stock Option Committee and a Corporate Governance and Nominating Committee.

The Boyd Gaming board of directors held a total of seven meetings during 2003. During such period, each director attended over 75% of the meetings of the Boyd Gaming board of directors and the committees of the Boyd Gaming board of directors on which the director served that were held during the applicable period of service. Boyd Gaming encourages, but does not require, its directors to attend the annual stockholders meeting. Last year, all of the members of the Boyd Gaming board of directors attended the Boyd Gaming Annual Meeting of Stockholders.

Audit Committee. The current members of the Audit Committee are Frederick J. Schwab (Chairman), Michael O. Maffie, Billy G. McCoy and Veronica J. Wilson. Ms. Wilson was appointed to the Audit Committee by the Boyd Gaming board of directors in October 2003. Each of the members of the Audit Committee are independent, as set forth in Section 303A of the listing rules of the New York Stock Exchange, Sections 303.01(B)(2)(a) and (3) of the listing rules of the New York Stock Exchange and Rule 10A-3(b)(1) of the Exchange Act. The Boyd Gaming board of directors has determined that Frederick J. Schwab, CPA, is an audit committee financial expert as that term is defined in Item 401(h) of Regulation S-K of the Exchange Act and is independent as set forth in Item 7(d)(3)(iv) of Schedule 14A of the Exchange Act. The Audit Committee held nine meetings during 2003. The functions of the Audit Committee include reviewing and supervising the financial controls of Boyd Gaming, appointing Boyd Gaming's auditors, reviewing the books and accounts of Boyd Gaming, meeting with the officers of Boyd Gaming regarding Boyd Gaming's financial controls, acting upon recommendations of the auditors and taking such further actions as the Audit Committee deems necessary to complete an audit of the books and accounts of Boyd Gaming. The Boyd Gaming board of directors has adopted a written charter for the Audit Committee. A copy of the charter, as amended, is attached as Annex E to this joint proxy statement/prospectus.

Compensation and Stock Option Committee. The current members of the Compensation and Stock Option Committee are Michael O. Maffie (Chairman), Luther W. Mack, Jr., Billy G. McCoy and Frederick J. Schwab. Mr. Mack was appointed to the Compensation and Stock Option Committee by the Boyd Gaming board of directors in October 2003. The Compensation and Stock Option Committee held five meetings during 2003. The Compensation and Stock Option Committee's functions include reviewing with management cash and other compensation policies for employees, making recommendations to the Boyd Gaming board of directors

regarding compensation matters and determining compensation for the Chief Executive Officer. In addition, the Compensation and Stock Option Committee administers Boyd Gaming's stock plans and, within the terms of the respective stock plan, determines the terms and conditions of issuances thereunder.

Corporate Governance and Nominating Committee. The current members of the Corporate Governance and Nominating Committee are Billy G. McCoy (Chairman), Luther W. Mack, Jr., Michael O. Maffie, and Veronica J. Wilson. Each of the members of the Corporate Governance and Nominating Committee are independent as set forth in Section 303A of the listing rules of the New York Stock Exchange. The Corporate Governance and Nominating Committee's functions include assisting the Boyd Gaming board of directors in identifying qualified individuals to become members of the Boyd Gaming board of directors, determining the composition of the Boyd Gaming board of directors and its committees, to recommend to the Boyd Gaming board of directors the director nominees for the annual meeting of stockholders, to establish and monitor a process of assessing the Boyd Gaming board of director's effectiveness, and developing and recommending to the Boyd Gaming board of directors and implementing a set of corporate governance principals and procedures applicable to Boyd Gaming. The Boyd Gaming board of directors has adopted a written charter for the Corporate Governance and Nominating Committee.

Corporate Governance; Board Independence

Boyd Gaming is committed to having sound corporate governance principles and maintaining its integrity in the marketplace. By the date of the Boyd Gaming Meeting, Boyd Gaming's Corporate Governance Guidelines, its Code of Business Conduct and Ethics, as well as the charters for each of the committees discussed above, will be available on Boyd Gaming's website at <http://www.boydgaming.com>.

The Boyd Gaming board of directors has determined that each of Luther W. Mack, Jr., Michael O. Maffie, Billy G. McCoy, Frederick J. Schwab and Veronica J. Wilson is independent within the meaning of Boyd Gaming's director independence standards (discussed below).

To be considered independent, a director must be determined, by resolution of the Boyd Gaming board of directors as a whole, after due deliberation, to have no material relationship with Boyd Gaming other than as a director. In each case, the Boyd Gaming board of directors shall broadly consider all relevant facts and circumstances and shall apply the following standards:

1. a director who is an employee, or whose immediate family member is an executive officer, of Boyd Gaming or any of its subsidiaries is not independent until three years after the end of such employment relationship;
2. a director who receives, or whose immediate family member receives, more than \$100,000 per year in direct compensation from Boyd Gaming or any of its subsidiaries, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), is not independent until three years after he or she ceases to receive more than \$100,000 per year in such compensation;
3. a director who is affiliated with or employed by, or whose immediate family member is affiliated with or employed in a professional capacity by, a present or former internal or external auditor of Boyd Gaming or any of its subsidiaries is not independent until three years after the end of the affiliation or the employment or auditing relationship;

Edgar Filing: BOYD GAMING CORP - Form S-4/A

4. a director who is employed, or whose immediate family member is employed, as an executive officer of another company where any of Boyd Gaming's or any of its subsidiaries present executives serve on that company's compensation committee is not independent until three years after the end of such service or the employment relationship;

5. a director who is an executive officer or an employee, or whose immediate family member is an executive officer, of a company (which does not include charitable entities) that makes payments to, or

receives payments from, Boyd Gaming or any of its subsidiaries for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1.0 million, or 2% of such other company's consolidated gross revenues, is not independent until three years after falling below such threshold; and

6. any director that has a material relationship with Boyd Gaming shall not be independent. Any relationship not required to be disclosed pursuant to Item 404 of Regulation S-K of the Exchange Act shall be presumptively not material. For relationships not covered by the preceding sentence, the determination of whether the relationship is material or not, and therefore whether the director would be independent or not, shall be made by the Boyd Gaming board of directors. Boyd Gaming would explain in the next proxy statement the basis for any board determination that a relationship is immaterial despite the fact that it does not meet the categorical standards of immateriality set forth above.

Selection of Directors

Stockholder Nominations

The policy of the Corporate Governance and Nominating Committee is to consider properly submitted stockholder nominations for candidates for membership on the Boyd Gaming board of directors as described below under Identifying and Evaluating Nominees for Directors. In evaluating such nominations, the Corporate Governance and Nominating Committee will address the membership criteria set forth under Director Qualifications. Any stockholder nominations proposed for consideration by the Corporate Governance and Nominating Committee should include the nominee's name and qualifications for membership on the Boyd Gaming board of directors and should be addressed to:

Boyd Gaming Corporation

2950 Industrial Road, Las Vegas, Nevada 89109

Attn: Brian A. Larson, Secretary and General Counsel

In addition, the restated by-laws of Boyd Gaming permit stockholders to nominate directors for consideration at an annual stockholder meeting. Pursuant to the restated by-laws, in order to make such a nomination, a Boyd Gaming stockholder is required to, not less than 60 days prior to the date of the Boyd Gaming Annual Meeting of Stockholders, deliver a notice to the Secretary of Boyd Gaming setting forth:

the name, age, business address and the residence address of each nominee proposed in such notice;

the principal occupation or employment of such nominee;

the number of shares of capital stock of Boyd Gaming which are beneficially owned by each such nominee; and

such other information concerning each such nominee as would be required, under the rules of the SEC, to be disclosed in proxy statement soliciting proxies for the election of such nominees pursuant to Regulation 14A of the Exchange Act.

Such notice must include a signed consent of each such nominee to serve as a director of Boyd Gaming, if elected. In the event that a person is validly designated as a nominee in accordance with Boyd Gaming's restated by-laws and shall thereafter become unable or unwilling to stand for election to the Boyd Gaming board of directors, the Boyd Gaming board of directors or the stockholder who proposed such nominee, as the case may be, may designate a substitute nominee.

Director Qualifications

Boyd Gaming's Corporate Governance Guidelines contain membership criteria that apply to nominees for a position on the Boyd Gaming board of directors. Under these criteria, members of the Boyd Gaming board of directors should possess certain core competencies, some of which may include broad experience in business, finance or administration, familiarity with national and international business matters, and familiarity with the gaming industry. In addition to having one or more of these core competencies, members of the Boyd Gaming board of directors are identified and considered on the basis of knowledge, experience, integrity, diversity, leadership, reputation, and ability to understand Boyd Gaming's business.

Identifying and Evaluating Nominees for Directors

The Corporate Governance and Nominating Committee utilizes a variety of methods for identifying and evaluating nominees for director. The Corporate Governance and Nominating Committee has the duty of regularly assessing the composition of the Boyd Gaming board of directors, including size of the Boyd Gaming board of directors, diversity, age, skills and experience in the context of the needs of the Boyd Gaming board of directors. In addition, the Corporate Governance and Nominating Committee also has the duty of identifying individuals qualified to become members of the Boyd Gaming board of directors. Candidates may come to the attention of the Corporate Governance and Nominating Committee through current members of the Boyd Gaming board of directors, professional search firms, stockholders or other persons. These candidates will be evaluated by the Corporate Governance and Nominating Committee and may be considered at any point during the year. As described above, the Corporate Governance and Nominating Committee will consider properly submitted stockholder nominations for candidates for the Boyd Gaming board of directors. Following verification of the stockholder status of persons proposing candidates, recommendations will be aggregated and considered by the Corporate Governance and Nominating Committee. If any materials are provided by a stockholder in connection with the nomination of a director candidate, such materials will be forwarded to the Corporate Governance and Nominating Committee. Stockholder nominees that comply with Boyd Gaming's nomination procedures will receive the same consideration that the Corporate Governance and Nominating Committee nominees receive.

Boyd Gaming has previously, and the Corporate Governance and Nominating Committee may in the future, review materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a stockholder. A professional search firm was used in connection with the nomination of Frederick J. Schwab to the Boyd Gaming board of directors, and such firms may be used in the future by Boyd Gaming to identify, evaluate and recruit other potential director nominees. In addition, a professional search firm may be used to make initial contact with potential candidates to assess, among other things, their availability, fit and major strengths. This process led to the nomination of Mr. Schwab.

Peter M. Thomas, a nominee for election as a Class I Director, has not previously served as a director of Boyd Gaming. In addition, Frederick J. Schwab, a member of the Boyd Gaming board of directors and nominee for election as a Class I Director, was not previously elected by Boyd Gaming stockholders. Mr. Thomas was recommended as a nominee to the Boyd Gaming board of directors by the Corporate Governance and Nominating Committee. Pursuant to the merger agreement, Boyd Gaming is obligated to take all actions reasonably necessary to cause Mr. Thomas to be elected to the Boyd Gaming board of directors on or prior to the closing of the merger and to cause Mr. Gaughan and his designee to be appointed to the Boyd Gaming board of directors following the closing of the merger and receipt of necessary gaming approvals. See Chapter I The Merger The Merger Agreement Boyd Gaming Board of Directors. Mr. Schwab was identified as a potential nominee to the Boyd Gaming board of directors by a professional search firm.

Boyd Gaming's independent directors shall designate one non-management director to serve as the Presiding Director to chair the Boyd Gaming board of director's non-management director sessions. Boyd Gaming's independent directors have designated Michael O. Maffie as Boyd Gaming's Presiding Director. Report of the Compensation and Stock Option Committee on Executive Compensation

Notwithstanding anything to the contrary set forth in any of Boyd Gaming's filings under the Securities Act or the Exchange Act that might incorporate future filings, including this joint proxy statement/prospectus, in whole or in part, the following report, the Stock Performance Graph and the Report of the Audit Committee which follow shall not be deemed to be incorporated by reference into any such filings.

The Compensation and Stock Option Committee reviews with management cash and other compensation policies for employees, makes recommendations to the Boyd Gaming board of directors regarding compensation matters and determines the compensation for the Chief Executive Officer of Boyd Gaming. In addition, the Compensation and Stock Option Committee administers Boyd Gaming's stock plans and, within the terms of the respective stock plan, determines the terms and conditions of issuances thereunder. The Chief Executive Officer of Boyd Gaming establishes the compensation of the other executive officers of Boyd Gaming, including the Named Executive Officers, after consultation with the Compensation and Stock Option Committee using the guidelines and ranges set by the Compensation and Stock Option Committee.

Compensation Policies

The Compensation and Stock Option Committee's executive compensation policies are designed to provide competitive levels of compensation that integrate pay with Boyd Gaming's annual objectives and long-term goals, reward above-average corporate performance, recognize individual initiative and achievements and assist Boyd Gaming in attracting and retaining qualified executives. Guidelines and ranges for the compensation of the executive officers and compensation of the Chief Executive Officer of Boyd Gaming are generally set at levels that the Compensation and Stock Option Committee believes to be competitive with others in Boyd Gaming's industry, based on public information with respect to compensation paid by leading casino hotel companies including, but not limited to, companies in the Peer Group, as that term is defined below under "Stock Performance Graph." Companies are selected for the purpose of comparing compensation practices on the basis of a number of factors relative to Boyd Gaming, such as their size and complexity, the nature of their businesses, the regions in which they operate, the structure of their compensation programs and the availability of compensation information.

There are three primary elements in Boyd Gaming's executive compensation program:

Base salary

Short and long-term bonuses

Stock options

The guidelines and ranges for the base salaries of Boyd Gaming's executive officers are generally set at a level which the Compensation and Stock Option Committee believes to be competitive with base salaries paid by leading casino hotel companies including, but not limited to, companies in the Peer Group. Individual base salaries are established based on an executive officer's historical contribution and future importance to Boyd Gaming and other subjective factors, without assigning a specific weight to individual factors.

Edgar Filing: BOYD GAMING CORP - Form S-4/A

Bonuses are paid pursuant to (i) an executive bonus plan, in which certain management personnel at the individual properties and at the corporate level participate, and in which the Chief Executive Officer of Boyd Gaming does not participate; and (ii) the 2000 MIP, under which certain management personnel, including the Chief Executive Officer of Boyd Gaming, participate.

Bonus awards under the executive bonus plan are set as a percentage of base salary, with the specific percentage determined by the person's position within Boyd Gaming so that highly compensated executives receive a relatively larger percentage of their total compensation in bonuses dependent on performance. The award of bonuses is dependent on the achievement of specified goals. The achievement of quantitative goals at

Table of Contents

the department, property and corporate levels is the primary factor in determining bonuses, and such goals are tied to the achievement of specified earnings and other performance targets. In addition, the Chief Executive Officer of Boyd Gaming has been given the authority by the Compensation and Stock Option Committee to use his discretion to make determinations regarding payments to be made under the executive bonus plan. Under this plan in 2003, bonuses were paid to the Named Executive Officers, other than the Chief Executive Officer of Boyd Gaming, who does not participate in the executive bonus plan.

The 2000 MIP provides bonus awards to selected members of senior management, including the Chief Executive Officer of Boyd Gaming, if certain long-term targets are achieved and to the Chief Executive Officer of Boyd Gaming if certain annual targets are achieved. The 2000 MIP's long-term performance period has been established as a three-year period, with the first such three-year period ended on December 31, 2000 and subsequent three-year periods ending each year thereafter. For the three-year performance periods commencing on January 1, 2001, 2002, 2003 and 2004, there are seven individuals eligible for these awards, including the Named Executive Officers. For the prior three-year performance periods under the 2000 MIP, eleven individuals had been designated as being eligible for these awards, including, in each such performance period, the Named Executive Officers. For 2004, as in prior years, the performance criteria are achieving a target cumulative earnings per share and stock price performance relative to a specified peer group.

Boyd Gaming believes that a significant component of the compensation paid to Boyd Gaming's executives over the long-term should be derived from stock options. Boyd Gaming strongly believes that stock price appreciation and stock ownership in Boyd Gaming are a valuable incentive to executives and that the grant of stock options to them serves to align their interests with the interests of the stockholders as a whole and encourages them to manage Boyd Gaming in its best long-term interests. The Compensation and Stock Option Committee determines whether to grant stock options, as well as the amount of the grants, based on a person's position within Boyd Gaming.

After February 2004, pursuant to the Compensation and Stock Option Committee's charter and New York Stock Exchange requirements, the Compensation and Stock Option Committee will have direct responsibility to make recommendations to the Boyd Gaming board of directors with respect to non-CEO compensation, incentive-compensation plans and equity-based plans.

Compensation of Chief Executive Officer of Boyd Gaming

In establishing the overall compensation of the Chief Executive Officer of Boyd Gaming, the Compensation and Stock Option Committee considered a number of factors, including the record of leadership and service provided by the Chief Executive Officer of Boyd Gaming since co-founding California Hotel and Casino, Boyd Gaming's predecessor and now one of its subsidiaries, in 1973; the identification of Boyd Gaming with the Chief Executive Officer of Boyd Gaming by Boyd Gaming's employees, the financial community and the general public; and the recognition by the Compensation and Stock Option Committee and others in the gaming industry of the importance of his leadership, creativity and other personal attributes to Boyd Gaming's continued success. The importance of these attributes as it relates to Boyd Gaming's current Chief Executive Officer are deemed critical to the past and future success of Boyd Gaming and thereby warrant individual consideration. The Compensation and Stock Option Committee has not found it practicable to, and has not attempted to, assign relative weights to the specific factors considered in determining the compensation of the Chief Executive Officer of Boyd Gaming. Consistent with Boyd Gaming's overall executive compensation program, the compensation of the Chief Executive Officer of Boyd Gaming is composed of base salary, short and long-term bonuses and stock options. The Chief Executive Officer of Boyd Gaming did not receive an increase in base salary in 2003 as compared with 2002.

The Chief Executive Officer of Boyd Gaming participates in the 2000 MIP, approved by Boyd Gaming's stockholders in 2000, for both his annual and long-term bonus. The 2000 MIP, among other things, provides for

annual incentive awards to certain of Boyd Gaming's key executives who are covered employees within the meaning of Section 162(m) of the Internal Revenue Code and is administered by the Compensation and Stock Option Committee. In determining awards to be made under the 2000 MIP, the Compensation and Stock Option Committee may approve a formula based on one or more objective criteria to measure corporate performance. Performance criteria must include one or more of the following: Boyd Gaming's pre- or after-tax earnings, revenue growth, operating income, operating cash flow, return on net assets, return on stockholders' equity, return on assets, return on capital, share price growth, stockholder returns, gross or net profit margin, earnings per share, price per share and market share, any of which may be measured either in absolute terms, or as compared to any incremental increase, or as compared to results of a peer group. The annual maximum amount of cash compensation payable to a participant under the 2000 MIP is \$2,000,000 per year for each of the annual and long-term bonus. With respect to Mr. Boyd's annual bonus, for the twelve months ended December 31, 2003, Mr. Boyd's performance criteria was pre-tax income for which he received no bonus under the 2000 MIP.

The Chief Executive Officer of Boyd Gaming was one of the participants in the long-term bonus program pursuant to the 2000 MIP. Under that Plan, his target award for the three-year period ended December 31, 2003 was \$550,000. There were two performance criteria for the measurement period: a cumulative target earnings per share for which the target award was \$330,000, and stock price performance relative to a specified peer group for which the target award was \$220,000. Mr. Boyd received an award of \$439,450 for the first performance criterion and \$330,000 for the second performance criterion for a total long-term bonus award of \$769,450 pursuant to the 2000 MIP.

Policy Regarding Deductibility of Compensation

Section 162(m) of the Internal Revenue Code, enacted in 1993, generally disallows a tax deduction to public companies for compensation over \$1.0 million paid to the Chief Executive Officer of Boyd Gaming or any of the other four most highly compensated executive officers. The 2000 MIP, which is a qualified performance-based compensation plan, will not be subject to the deduction limit if certain requirements are met. Boyd Gaming has structured certain other performance-based portions of its executive officers' compensation in a manner that is designed to comply with the exceptions to the deductibility limitations of Section 162(m).

Report of the Audit Committee

To the Board of Directors:

We have reviewed and discussed with management Boyd Gaming's audited financial statements as of and for the fiscal year ended December 31, 2003.

We have discussed with Deloitte & Touche LLP, Boyd Gaming's independent accountants, the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

We have received and reviewed the written disclosures and the letter from Deloitte & Touche LLP required by Independence Standard No. 1, *Independence Discussions with Audit Committees*, as amended, by the Independence Standards Board, and have discussed with the auditors their independence.

Based on the reviews and discussions referred to above, we recommend to the Board of Directors that the audited financial statements be included in Boyd Gaming's Annual Report on Form 10-K for the fiscal year ended December 31, 2003.

We have also considered whether the provision of services by Deloitte & Touche LLP, other than services related to the audit of the financial statements referred to above and the review of interim financial statements included in Boyd Gaming's quarterly reports on Form 10-Q for the most recent fiscal year, is compatible with maintaining the independence of Deloitte & Touche LLP.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires Boyd Gaming's directors, certain of Boyd Gaming's officers, and persons who own more than 10% of a registered class of Boyd Gaming's equity securities, to file an initial report of ownership on Form 3 and changes in ownership on Form 4 or 5 with the SEC. Such officers, directors and 10% stockholders are also required by the SEC rules to furnish Boyd Gaming with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons that no Forms 5 were required for such persons, Boyd Gaming believes that during 2003, all Section 16(a) filing requirements applicable to such officers, directors and 10% stockholders were complied with. However, in November 2003, Marianne Boyd Johnson amended a Form 4 filed in March 1998 to report the purchase of 691 shares of Boyd Gaming common stock under the Boyd Gaming Corporation Employee Stock Purchase Plan as of December 31, 1997, which shares were inadvertently omitted from her originally filed Form 4 and not timely filed on a Form 5 for that year. Additionally, a Form 4 covering the exercise of stock options representing 14,667 shares of Boyd Gaming common stock by Jeffrey Santoro, an executive officer of Boyd Gaming, was inadvertently filed late.

Certain Relationships and Related Transactions

Boyd Gaming, through BAC, its wholly owned subsidiary, and a wholly owned subsidiary of MGM MIRAGE have entered into a limited liability company operating agreement to construct, own and operate Borgata Hotel Casino and Spa. Boyd Gaming, through BAC, owns a 50% interest in MDDC, the operating company created pursuant to the agreement. Pursuant to the terms of the agreement, MDDC reimbursed Boyd Gaming for Mr. Boughner's 2003 base salary as well as his 2003 annual bonus. MDDC also reimbursed Boyd Gaming for a bonus in the amount of \$1.0 million paid to Mr. Boughner during 2003 relating to the opening of Borgata Hotel Casino and Spa. Mr. Boughner, a member of Boyd Gaming's Board of Directors, is also the Chief Executive Officer of MDDC. Additionally, MDDC reimbursed Boyd Gaming for a bonus in the amount of \$100,000 paid to Mr. Landau during 2003 relating to the opening of Borgata Hotel Casino and Spa. Mr. Landau is Boyd Gaming's Chief Financial Officer. For more information, see the Summary Compensation Table set forth under Proposal 2 Election of Directors Executive and Other Compensation.

From 1983 through 1991, Boyd Gaming entered into a series of split-dollar life insurance arrangements on the life of William S. Boyd, Boyd Gaming's Chairman and Chief Executive Officer. As of 2003, there were eight such arrangements in place, each with the Boyd Family Irrevocable Trust, which is referred to as the Trust. Boyd Gaming paid the premiums on those policies, subject to the contractual right of Boyd Gaming to recoup in full the amount of those premiums upon the death of Mr. Boyd. Each year the Trust paid to Boyd Gaming the deemed economic benefit, which is the value attributed to each split-dollar life insurance arrangement pursuant to Internal Revenue Service guidelines, under the split-dollar arrangements, which payments reduced the amount owed to Boyd Gaming by the Trust. These amounts were subsequently reimbursed by Boyd Gaming to the grantors and beneficiaries under the Trust who are Mr. Boyd's three children: Samuel J. Boyd, Marianne Boyd Johnson and William R. Boyd. Marianne Boyd Johnson and William R. Boyd are officers and directors of Boyd Gaming.

Upon the passage of the Sarbanes-Oxley Act of 2002, which is referred to as the Act, Boyd Gaming discontinued paying further premiums on the split-dollar life insurance policies because of the possible application of the Act's prohibitions on loans to executive officers and directors to such payments. Moreover, as a result of potential changes in the tax treatment of split-dollar life insurance arrangements, the Trust determined in 2003 that it would be advisable to effect an early termination of Boyd Gaming's on-going interest in the split-dollar life insurance arrangements. Accordingly, on December 31, 2003 the Trust paid to Boyd Gaming approximately \$4.5 million, constituting the full amount owed to Boyd Gaming under the split-dollar life insurance arrangements, and Boyd Gaming's interest in those arrangements ceased.

Stock Performance Graph

The performance graph below compares the cumulative total stockholder return of Boyd Gaming with the cumulative total return of a peer group, which is referred to as the Peer Group, consisting of Argosy Gaming Company, Inc., Aztar Corporation, Mandalay Resort Group, Harrah's Entertainment, Inc., Isle of Capri Casinos, Inc. and Station Casinos, Inc., and the cumulative total returns of the Russell 2000 Stock Index, which is referred to as Russell 2000. The performance graph assumes that, on December 31, 1998, \$100 was invested in Boyd Gaming common stock, in common stock of the Peer Group and in the Russell 2000. In accordance with guidelines of the SEC, the stockholder return for each company in the Peer Group indexes has been weighted on the basis of market capitalization as of the beginning of the period. PROPOSAL 4 Amendment to 2002 Stock Incentive Plan

At the Boyd Gaming Meeting, Boyd Gaming's stockholders will be asked to approve an amendment and restatement of the 2002 Stock Incentive Plan, which is referred to as the 2002 Plan, to increase the maximum number of shares of Boyd Gaming common stock authorized for issuance over the term of the 2002 Plan by 4.0 million shares from 3.0 million shares to 7.0 million shares. As of March 1, 2004, there were only 67,832 shares remaining available for option grants and other awards under the 2002 Plan. The Boyd Gaming board of directors believes that it is necessary to increase the number of shares available for issuance under the 2002 Plan to enable Boyd Gaming to continue using equity incentives to attract and retain highly qualified individuals who, by virtue of their ability and qualifications, make important contributions to Boyd Gaming and that an amendment to the 2002 Plan is in the best interests of Boyd Gaming.

The 2002 Plan was adopted by the Boyd Gaming board of directors in February 2002 and approved by Boyd Gaming's stockholders on May 16, 2002. The amendment and restatement of the 2002 Plan for which stockholder approval is sought under this Proposal No. 4 was adopted by the Boyd Gaming board of directors on February 19, 2004, subject to stockholder approval.

Summary of 2002 Plan

The principal terms of the 2002 Plan, as proposed to be amended, are summarized below. This summary does not purport to be complete, and is subject to, and qualified by reference to, all provisions of the 2002 Plan, as proposed to be amended and restated, a copy of which is attached to this joint proxy statement/prospectus as Annex F and incorporated herein by reference. Any capitalized term not defined in this summary shall have the same meaning given to it in the 2002 Plan.

Purpose. The purpose of the 2002 Plan is to provide Boyd Gaming's employees and others who perform substantial services to Boyd Gaming an incentive, through ownership of Boyd Gaming's common stock, to continue in service to Boyd Gaming, and to help Boyd Gaming compete effectively with other enterprises for the services of qualified individuals.

Administration. The 2002 Plan is administered by either the Boyd Gaming board of directors or the Compensation and Stock Option Committee, which are referred to collectively as the Plan Administrator. The Compensation and Stock Option Committee satisfies Rule 16b-3 promulgated under the Exchange Act. The 2002 Plan authorizes the Plan Administrator to select the employees, directors and consultants of Boyd Gaming to whom incentive stock options, non-qualified stock options and other awards, which are referred to collectively as Awards, may be granted and to determine the terms and conditions of any Award. With respect to Awards subject to the Section 162(m) of the Internal Revenue Code, the Compensation and Stock Option Committee is comprised solely of two or more outside directors as defined under Section 162(m) of the Internal Revenue Code and applicable tax regulations. For grants of Awards to individuals not subject to Rule 16b-3 of the Exchange Act and Section 162(m) of the Internal Revenue Code, the Boyd Gaming board of directors may authorize one or more officers to grant such Awards.

Subject to applicable laws, the Plan Administrator has the authority, in its discretion, to select employees, directors and consultants to whom Awards may be granted from time to time, to determine whether and to what extent Awards are granted, to determine the number of shares of Boyd Gaming common stock or the amount of other consideration to be covered by each Award, to approve Award Agreements for use under the 2002 Plan, to determine the terms and conditions of any Award, to amend the terms of any outstanding Award granted, to construe and interpret the terms of the 2002 Plan and Awards granted, to establish additional terms, conditions, rules or procedures to accommodate the rules or laws of applicable non-U.S. jurisdictions and to take such other action not inconsistent with the terms of the 2002 Plan as the Plan Administrator deems appropriate.

Eligibility. The 2002 Plan permits the grant of incentive stock options within the meaning of Section 422 of the Internal Revenue Code only to employees of Boyd Gaming and any parent or subsidiary corporation of Boyd Gaming. Awards other than incentive stock options may be granted to employees, directors or consultants of Boyd Gaming and related entities.

Table of Contents

Terms and Conditions of Awards. The Plan Administrator is authorized to award any type of arrangement to an employee, director or consultant that is consistent with the provisions of the 2002 Plan and that by its terms involves or might involve the issuance of (i) shares of Boyd Gaming common stock, (ii) an option, stock appreciation right, or similar right with a fixed or variable price related to the fair market value of Boyd Gaming common stock and with an exercise or conversion privilege related to the passage of time, the occurrence of one or more events, or the satisfaction of performance criteria or other conditions or (iii) any other security with value derived from the value of Boyd Gaming common stock. Subject to the terms of the 2002 Plan, the Plan Administrator shall determine the provisions, terms and conditions of each Award, including, but not limited to, the Award vesting schedule, repurchase provisions, forfeiture provisions, forms of payment and the like.

Each Award shall be designated in an Award Agreement. In the case of an option, the option shall be designated as either an incentive stock option or a non-qualified stock option. To the extent that the aggregate fair market value of shares of Boyd Gaming common stock subject to options designated as incentive stock options which become exercisable for the first time by a participant during any calendar year exceeds \$100,000, such excess options shall be treated as non-qualified stock options.

The term of an incentive stock option may not be for more than 10 years from date of grant (or 5 years in the case of incentive stock options granted to any grantee who owns stock representing more than 10% of the combined voting power of Boyd Gaming or any parent or subsidiary corporation of Boyd Gaming).

Section 162(m) of the Internal Revenue Code. The maximum number of shares with respect to which options or stock appreciation rights may be granted to any participant in any fiscal year of Boyd Gaming is 500,000 shares. The foregoing limitation shall be adjusted proportionately by the Plan Administrator in connection with any change in Boyd Gaming's capitalization due to a stock split, stock dividend or similar event affecting the Boyd Gaming common stock and its determination shall be final, binding and conclusive. Under Section 162(m) of the Internal Revenue Code, no deduction is allowed in any taxable year of Boyd Gaming for compensation in excess of \$1.0 million paid to its chief executive officer and each of its four most highly paid other executive officers who are serving in such capacities as of the last day of such taxable year. An exception to this rule applies to compensation that is paid pursuant to a stock incentive plan approved by stockholders and that specifies, among other things, the maximum number of shares with respect to which options and stock appreciation rights may be granted to eligible participants under such plan during a specified period. Compensation paid pursuant to options or stock appreciation rights granted under such a plan and with an exercise price equal to the fair market value of Boyd Gaming common stock on the date of grant is deemed to be inherently performance-based, since such awards provide value to participants only if the stock price appreciates. To the extent required by Section 162(m) of the Internal Revenue Code or the regulations thereunder, in applying the foregoing limitation, if any option or stock appreciation right is canceled, the canceled Award shall continue to count against the maximum number of shares of Boyd Gaming common stock with respect to which an Award may be granted to a participant.

Grants by Plan Administrator. The 2002 Plan authorizes the Plan Administrator to grant incentive stock options at an exercise price of not less than 100% (or 110%, in the case of incentive stock options granted to any grantee who owns stock representing more than 10% of the combined voting power of Boyd Gaming or any parent or subsidiary corporation of Boyd Gaming) of the fair market value of the Boyd Gaming common stock on the date the option is granted. Unless otherwise determined by the Plan Administrator, the per share exercise price of non-qualified stock options shall not be less than 85% of the fair market value on the date the option is granted. The exercise price of Awards intended to qualify as performance-based compensation for purposes of Section 162(m) of the Internal Revenue Code shall not be less than 100% of the fair market value on the date the option is granted. Subject to applicable laws, the consideration to be paid for the shares of Boyd Gaming common stock to be issued upon exercise or purchase of an Award, including the method of payment, shall be determined by the Plan Administrator. In addition to any other types of consideration, the Plan Administrator may, for example, accept as consideration (i) cash, (ii) check, (iii) shares of Boyd Gaming common stock, (iv) the delivery of a properly executed exercise notice together with such other documentation as Boyd Gaming

Table of Contents

and the broker, if applicable, shall require to effect an exercise and delivery to Boyd Gaming of the amount of sale proceeds required to pay the exercise price, or (v) any combination of the foregoing methods of payment.

Termination of Employment. An Award may not be exercised after the termination date of such Award as set forth in the Award Agreement. In the event a participant in the 2002 Plan terminates employment, an Award may be exercised only to the extent provided in the Award Agreement. Where an Award Agreement permits a participant to exercise an Award following termination of employment, the Award shall terminate to the extent not exercised on the last day of the specified period or the last day of the original term of the Award, whichever comes first. Any Award designated as an incentive stock option, to the extent not exercised within the time permitted by law for the exercise of incentive stock options following the termination of employment, shall convert automatically to a non-qualified stock option and thereafter shall be exercisable as such to the extent exercisable by its terms for the period specified in the Award Agreement.

Transferability of Awards. During their lifetime, those who hold incentive stock options cannot transfer these options other than by will or by the laws of descent or distribution. The options may be exercised during the lifetime of the participant only by the participant; provided, however, that the participant may designate a beneficiary of his or her incentive stock option in the event of his or her death. Other Awards shall be transferred by will and by the laws of descent and distribution, and during the participant's lifetime, by gift or through a domestic relations order to members of a participant's immediate family to the extent and in the manner determined by the Plan Administrator.

Adjustments Upon Changes in Capitalization. Subject to any required action by the stockholders of Boyd Gaming, the number of shares of Boyd Gaming common stock covered by outstanding Awards, the number of shares of Boyd Gaming common stock that have been authorized for issuance under the 2002 Plan, the exercise or purchase price of each outstanding Award, the maximum number of shares of Boyd Gaming common stock that may be granted to any participant in a fiscal year, and the like, may be proportionally adjusted by the Plan Administrator in the event of (i) any increase or decrease in the number of issued shares of Boyd Gaming common stock resulting from a stock split, stock dividend, combination or reclassification or similar event affecting the Boyd Gaming common stock, (ii) any other increase or decrease in the number of issued shares of Boyd Gaming common stock effected without receipt of consideration by Boyd Gaming or (iii) as the Plan Administrator may determine in its discretion, any other transaction with respect to Boyd Gaming common stock to which Section 424(a) of the Internal Revenue Code applies or a similar transaction; provided, however, that conversion of any convertible securities of Boyd Gaming shall not be deemed to have been effected without receipt of consideration. Such adjustment shall be made by the Plan Administrator and its determination shall be final, binding and conclusive.

Corporate Transaction/Change in Control. Effective upon the consummation of a corporate transaction, as described below, all outstanding Awards shall terminate. However, all such awards shall not terminate to the extent the contractual obligations represented by the Award are assumed by the successor entity. A corporate transaction includes (i) the sale of all or substantially all of Boyd Gaming's assets, (ii) the complete dissolution or liquidation of Boyd Gaming, (iii) a merger or consolidation in which Boyd Gaming is not the surviving entity, (iv) any reverse merger in which Boyd Gaming is the surviving entity but in which securities possessing more than 50% of the total combined voting power of Boyd Gaming's outstanding securities are transferred to a person or persons different from those who held such securities immediately prior to such merger, or (v) the acquisition in a single or series of related transactions by any person or related group of persons, other than an acquisition from or by Boyd Gaming or by William S. Boyd, his spouse or any direct descendant of William S. Boyd and his spouse, of beneficial ownership of securities possessing more than 50% of the total combined voting power of Boyd Gaming's outstanding securities.

In the event of a change in control, as described below, all outstanding options shall remain exercisable until the termination of the applicable option term. A change in control includes a change in ownership or control of Boyd Gaming effected through (i) the direct or indirect acquisition by any person or related group of persons,

Table of Contents

other than an acquisition from or by Boyd Gaming or by William S. Boyd, his spouse or any direct descendant of William S. Boyd and his spouse, of beneficial ownership of securities possessing more than 50% of the total combined voting power of Boyd Gaming's outstanding securities pursuant to a tender or exchange offer made directly to Boyd Gaming's stockholders which a majority of continuing directors who are not affiliates or associates of the offeror do not recommend such stockholders accept or (ii) a change in the composition of the Board over a period of 36 months or less such that a majority of the Board ceases to be comprised of individuals who are continuing directors.

The Plan Administrator has the authority to provide for the full or partial automatic vesting and exercisability of some or all of the outstanding Awards under the 2002 Plan upon the occurrence of a corporate transaction or change in control.

Available Shares. The maximum aggregate number of shares of Boyd Gaming common stock which may be issued under the 2002 Plan, as amended, is currently 3.0 million shares. If the proposal to increase the number of shares under the 2002 Plan is approved by the Boyd Gaming stockholders, this maximum aggregate amount will be increased by 4.0 million shares to 7.0 million shares. The last reported sales price of Boyd Gaming common stock on the New York Stock Exchange on March 26, 2004 was \$22.68 per share.

Amendment, Suspension or Termination of the 2002 Plan. The Boyd Gaming board of directors may at any time amend, suspend or terminate the 2002 Plan. To the extent necessary to comply with applicable provisions of U.S. Federal securities laws, state corporate and securities laws, the Internal Revenue Code, the rules of any applicable stock exchange or national market system, and the rules of any non-U.S. jurisdiction applicable to Awards granted to residents therein, Boyd Gaming will obtain stockholder approval of any amendment to the 2002 Plan in such a manner and to such a degree as required. The 2002 Plan will terminate in February 2012 unless previously terminated by the Boyd Gaming board of directors. Any amendment, suspension or termination of the 2002 Plan shall not adversely affect Awards already granted unless consented to by the grantee.

Certain U.S. Federal Tax Consequences

Non-Qualified Stock Options. The grant of a non-qualified stock option under the 2002 Plan will not result in any U.S. Federal income tax consequences to the participant or to Boyd Gaming. Upon exercise of a non-qualified stock option, the participant is subject to income taxes at the rate applicable to ordinary compensation income on the difference between the option exercise price and the fair market value of the shares on the date of exercise. This income is subject to withholding for U.S. Federal income and employment tax purposes. Boyd Gaming is entitled to an income tax deduction in the amount of the income recognized by the participant, subject to possible limitations imposed by Section 162(m) of the Internal Revenue Code and so long as Boyd Gaming withholds the appropriate taxes with respect to such income, if required, and the participant's total compensation is deemed reasonable in amount. Any gain or loss on the participant's subsequent disposition of the shares of Boyd Gaming common stock will receive long or short-term capital gain or loss treatment, depending on whether the shares are held for more than one year following exercise. Boyd Gaming does not receive a tax deduction for any such gain.

Incentive Stock Options. The grant of an incentive stock option under the 2002 Plan will not result in any U.S. Federal income tax consequences to the participant or to Boyd Gaming. A participant recognizes no U.S. Federal taxable income upon exercising an incentive stock option (subject to the alternative minimum tax rules discussed below), and Boyd Gaming receives no deduction at the time of exercise. The Internal Revenue Service has issued proposed regulations that would subject participants to withholding at the time participants exercise an incentive stock option for Social Security and Medicare taxes (but not income tax) based upon the excess of the fair market value of the shares on the date of exercise over the exercise price. These proposed regulations, if adopted, would be effective only for the exercise of an incentive stock option that occurs two years after the regulations are issued in final form. In the event of a disposition of stock acquired upon exercise of an incentive stock option, the tax consequences depend upon how long the participant has held the shares of Boyd Gaming common stock. If the participant does not dispose of the shares within two years after the incentive stock option

Table of Contents

was granted, nor within one year after the incentive stock option was exercised, the participant will recognize a long-term capital gain (or loss) equal to the difference between the sale price of the shares and the exercise price. Boyd Gaming is not entitled to any deduction under these circumstances.

If the participant fails to satisfy either of the foregoing holding periods, he or she must recognize ordinary income in the year of the disposition, which is referred to as a disqualifying disposition. The amount of such ordinary income generally is the lesser of (i) the difference between the amount realized on the disposition and the exercise price or (ii) the difference between the fair market value of the stock on the exercise date and the exercise price. Any gain in excess of the amount taxed as ordinary income will be treated as a long or short-term capital gain, depending on whether the stock was held for more than one year. Boyd Gaming, in the year of the disqualifying disposition, is entitled to a deduction equal to the amount of ordinary income recognized by the participant, subject to possible limitations imposed by Section 162(m) of the Internal Revenue Code and so long as Boyd Gaming withholds the appropriate taxes with respect to such income, if required, and the participant's total compensation is deemed reasonable in amount.

The spread under an incentive stock option i.e., the difference between the fair market value of the shares at exercise and the exercise price is classified as an item of adjustment in the year of exercise for purposes of the alternative minimum tax. If a participant's alternative minimum tax liability exceeds such participant's regular income tax liability, the participant will owe the larger amount of taxes. In order to avoid the application of alternative minimum tax with respect to incentive stock options, the participant must sell the shares within the same calendar year in which the incentive stock options are exercised. However, such a sale of shares within the same year of exercise will constitute a disqualifying disposition, as described above.

Restricted Stock. The grant of restricted stock will subject the recipient to ordinary compensation income on the difference between the amount paid for such stock and the fair market value of the shares on the date that the restrictions lapse. This income is subject to withholding for U.S. Federal income and employment tax purposes. Boyd Gaming is entitled to an income tax deduction in the amount of the ordinary income recognized by the recipient, subject to possible limitations imposed by Section 162(m) of the Internal Revenue Code and so long as Boyd Gaming withholds the appropriate taxes with respect to such income, if required, and the participant's total compensation is deemed reasonable in amount. Any gain or loss on the recipient's subsequent disposition of the shares will receive long or short-term capital gain or loss treatment depending on how long the stock has been held since the restrictions lapsed. Boyd Gaming does not receive a tax deduction for any such gain.

Recipients of restricted stock may make an election under Section 83(b) of the Internal Revenue Code, which is referred to as a Section 83(b) Election, to recognize as ordinary compensation income in the year that such restricted stock is granted, the amount equal to the spread between the amount paid for such stock and the fair market value on the date of the issuance of the stock. If such an election is made, the recipient recognizes no further amounts of compensation income upon the lapse of any restrictions and any gain or loss on subsequent disposition will be long or short-term capital gain to the recipient. The Section 83(b) Election must be made within thirty days from the time the restricted stock is issued.

Stock Appreciation Rights, Performance Shares and Performance Units. Recipients of stock appreciation rights, which are referred to as SARs, performance shares and performance units generally should not recognize income until such rights are exercised, assuming there is no ceiling on the value of the right. Upon exercise, the participant will normally recognize taxable ordinary income for U.S. Federal income tax purposes equal to the amount of cash and fair market value the shares, if any, received upon such exercise. Participants who are employees will be subject to withholding for U.S. Federal income and employment tax purposes with respect to income recognized upon exercise of an SAR, performance share or performance unit. Participants will recognize gain upon the disposition of any shares received on exercise of an SAR, performance share or performance unit equal to the excess of (i) the amount realized on such disposition over (ii) the ordinary income recognized with respect to such shares under the principles set forth above. That gain will be taxable as long or short-term capital gain depending on whether the shares were held for more than one year.

Table of Contents

Boyd Gaming will be entitled to a tax deduction to the extent and in the year that ordinary income is recognized by the participant, subject to possible limitations imposed by Section 162(m) of the Internal Revenue Code and so long as Boyd Gaming withholds the appropriate taxes with respect to such income, if required, and the participant's total compensation is deemed reasonable in amount.

Dividends and Dividend Equivalents. Recipients of stock-based awards that earn dividends or dividend equivalents will recognize taxable ordinary income on any dividend payments received with respect to unvested shares subject to such awards, which income is subject to withholding for U.S. Federal income and employment tax purposes. Boyd Gaming is entitled to an income tax deduction in the amount of the income recognized by a participant, subject to possible limitations imposed by Section 162(m) of the Internal Revenue Code and so long as Boyd Gaming withholds the appropriate taxes with respect to such income, if required, and the individual's total compensation is deemed reasonable in amount.

The foregoing is only a summary of the U.S. Federal income tax consequences of 2002 Plan transactions, and is based upon U.S. Federal income tax laws in effect on the date of this joint proxy statement/prospectus. Reference should be made to the applicable provisions of the Internal Revenue Code. This summary does not purport to be complete, and does not discuss the tax consequences of a grantee's death or the tax laws of any municipality, state or foreign country to which the grantee may be subject.

Table of Contents

Revoking of Proxies

The proxy for the Coast Casinos stockholders meeting is solicited on behalf of the Coast Casinos board of directors. Coast Casinos stockholders are requested to complete, date and sign the Coast Casinos proxy and promptly return it in the accompanying envelope or otherwise mail it to Coast Casinos. All properly executed proxies received by Coast Casinos before the Coast Casinos Meeting that are not revoked will be voted at the Coast Casinos Meeting in accordance with the instructions indicated on the proxies or, if no direction is indicated, to approve the merger agreement and the merger and to elect the Class II director nominees.

A Coast Casinos stockholder that has given a proxy may revoke it at any time before it is voted at the Coast Casinos Meeting by doing any of the following:

delivering to Coast Casinos, Attn: Corporate Secretary at 4500 West Tropicana Avenue, Las Vegas, Nevada 89103 a written notice, bearing a date later than the date of the proxy, stating that the proxy is revoked; or

signing and delivering a proxy relating to the same shares and bearing a later date than the date of the previous proxy.

Simply attending the Coast Casinos Meeting, however, will not revoke the proxy of a Coast Casinos stockholder. If a Coast Casinos stockholder has instructed a broker to vote his or her shares of Coast Casinos common stock, he or she must follow the directions of the broker to revoke the proxy.

Quorum

Under Coast Casinos by-laws, a quorum is a majority of the outstanding shares of Coast Casinos common stock entitled to vote which are present or represented by proxy at the annual meetings, except when stockholders are required to vote by class, in which event a majority of the issued and outstanding shares of the appropriate class shall be present or represented by proxy.

Stockholder Vote Required to Approve the Proposals

Approval of the merger agreement and the merger by the Coast Casinos stockholders requires the affirmative vote of a majority of the voting power of the holders of the outstanding Coast Casinos common stock, unless, prior to the Coast Casinos Meeting, the Coast Casinos board of directors withdraws or modifies its approval or recommendation of the merger agreement and the merger as a result of a superior proposal in accordance with the terms of the merger agreement. If, prior to the Coast Casinos Meeting, the Coast Casinos board of directors withdraws or modifies its approval or recommendation of the merger agreement and the merger as a result of a superior proposal in accordance with the terms of the merger agreement, then the approval of the merger agreement and the merger will also require approval by a majority of the voting power of the holders of the outstanding shares of Coast Casinos common stock present and duly voted, in person or by proxy, at the Coast Casinos Meeting, exclusive of those votes taken in respect of the shares of Coast Casinos common stock held by Messrs. Gaughan, Herbst and Toti. See

The Merger Agreement Coast Casinos Meeting. Because the approval of the merger agreement and the merger requires the affirmative vote of a majority of the voting power of the holders of the outstanding Coast Casinos common stock, abstentions will have the effect of a vote against the proposal. Accordingly, Coast Casinos stockholders are urged to return the enclosed proxy card marked to indicate their vote.

With respect to the election of directors to the Coast Casinos board of directors, nominees receiving the highest number of affirmative votes cast, up to the number of directors to be elected, are elected.

Abstentions and any shares as to which a broker or nominee has indicated that it does not have discretionary authority to vote on a particular matter will be treated as shares that are present and entitled to vote for purposes

Table of Contents

of determining the presence of a quorum but as unvoted for purposes of determining whether approval of the stockholders has been obtained with respect to any such matter, including the vote to approve the merger agreement and the merger, and thus will have the effect of an ☐ Against vote in connection with such matter. Abstentions and broker non-votes will have no effect in connection with the election of directors.

Proxy Solicitation

This proxy statement/prospectus was mailed to all Coast Casinos stockholders of record as of the record date and constitutes notice of the Coast Casinos annual meeting in conformity with the requirements of Nevada law. The cost of the solicitation of proxies and/or voting instructions from holders of Coast Casinos common stock and all related solicitation costs will be borne by Coast Casinos. Original solicitation of proxies and/or voting instructions by mail may be supplemented by telephone, facsimile or personal solicitation by directors, officers or regular employees of Coast Casinos. No additional compensation will be paid to directors, officers or other regular employees for such services.

Report of the Compensation Committee

The Compensation Committee of the Coast Casinos board of directors reviews and recommends compensation levels for executive officers of Coast Casinos and oversees and administers Coast Casinos' executive compensation programs. All members of the Compensation Committee are outside directors, who are not eligible to participate in any of the compensation programs that the Compensation Committee oversees.

Coast Casinos' executive compensation plans are designed to attract, retain, motivate and appropriately reward individuals who are responsible for Coast Casinos' short and long-term profitability, growth and return to stockholders. Compensation for Coast Casinos' executive officers generally consists of salary and an annual bonus. In some cases, stock options are also awarded.

Executive officers also participate in a 401(k) plan, a medical plan and other benefit plans available to employees generally.

Pay levels for executives generally are based on the level of responsibility, scope and complexity of the executive's position relative to other senior management positions internally and at other competitive gaming companies.

The determination of salary increases, annual bonus awards and long-term incentive awards is expected to be reviewed annually based on the performance of Coast Casinos. Also factored into these decisions will be each executive's individual performance and contribution to Coast Casinos' future positioning. Although the components of compensation (salary, annual bonuses and long-term incentive awards) will be reviewed separately, compensation decisions are based on a review of the total compensation level awarded compared to other executives with similar gaming companies. In establishing 2003 compensation for the Named Executive Officers, the Coast Casinos board of directors took into account the compensation paid to Messrs. Gaughan, Braaten and Parrish in 2002, the levels of compensation paid to executives in the gaming industry generally, and the performance of Coast Casinos in the year 2002.

Report of the Audit Committee

Rules adopted by the SEC require Coast Casinos to include a report from the Audit Committee of the Coast Casinos board of directors. The following report concerns the Audit Committee's activities regarding oversight of Coast Casinos' financial reporting and auditing process.

In 2003, the Coast Casinos board of directors adopted a written Charter for the Audit Committee. All members of the Audit Committee meet the applicable independence requirements of the Audit Committee Charter and NASD Marketplace Rules.

The purpose of the Audit Committee is to assist the Coast Casinos board of directors in its general oversight of Coast Casinos' financial reporting, internal control and audit functions. Management is responsible for the preparation, presentation and integrity of Coast Casinos' financial statements, accounting and financial reporting principles, internal controls and procedures designed to ensure compliance with accounting standards, applicable

Table of Contents

laws and regulations. PricewaterhouseCoopers LLP, Coast Casinos' independent auditing firm, is responsible for performing an independent audit of the consolidated financial statements in accordance with generally accepted auditing standards.

The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent auditor, nor can the Audit Committee certify that the independent auditor is independent under applicable rules. The Audit Committee serves a board-level oversight role, in which it provides advice, counsel and direction to management and the auditors on the basis of the information it receives, discussions with management and the auditors and the experience of the Audit Committee's members in business, financial and accounting matters.

Among other matters, the Audit Committee monitors the activities and performance of Coast Casinos' internal and external auditors, including the audit scope, external audit fees, auditor independence matters and the extent to which the independent auditor may be retained to perform non-audit services. The Audit Committee and the Coast Casinos board of directors have ultimate authority and responsibility to select, evaluate and, when appropriate, replace Coast Casinos' independent auditor. The Audit Committee also reviews the results of the internal and external audit work with regard to the adequacy and appropriateness of Coast Casinos' financial, accounting and internal controls. Management and independent auditor presentations to and discussions with the Audit Committee also cover various topics and events that may have significant financial impact or are the subject of discussions between management and the independent auditor. In addition, the Audit Committee generally oversees Coast Casinos' internal compliance programs.

The Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditor, management represented to the Audit Committee that Coast Casinos' consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the independent auditor represented that its presentations included the matters required to be discussed with the independent auditor by Statement on Auditing Standards No. 61, as amended, *Communication with Audit Committees*.

The Audit Committee has reviewed the non-audit services provided to Coast Casinos by PricewaterhouseCoopers LLP and has concluded that such services are compatible with the maintenance of that firm's independence in the conduct of its auditing functions for Coast Casinos.

Coast Casinos' independent auditor also provided the Audit Committee with the written disclosures required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, and the Audit Committee discussed with the independent auditor that firm's independence.

Following the Audit Committee's discussions with management and the independent auditor, the Audit Committee recommended that the Coast Casinos board of directors include the audited consolidated financial statements in Coast Casinos' Annual Report on Form 10-K for the year ended December 31, 2003.

The Coast Casinos board of directors has further determined that Mr. Turner is independent of management pursuant to applicable NASD Marketplace Rules regarding the independence of board and audit committee members. For certain biographical data concerning Mr. Turner, see Directors and Executive Officers above.

appoint and retain, establish compensation for, evaluate and terminate when appropriate, the external auditors, which shall report directly to the Audit Committee;

pre-approve all audit and permissible non-audit services to be performed by the external auditor and establish policies and procedures for the engagement of the external auditor to provide those services; and

consider, at least annually, the independence of the external auditor, including whether the external auditor's performance of permissible non-audit services is compatible with the external auditor's independence.

Delegation Policy Regarding Pre-approvals for Non-Auditing Services.

Pursuant to a vote of the members of the Audit Committee of Coast Casinos, the Chairman of the Audit Committee has been delegated authority to grant pre-approvals for non-auditing services required to be pre-approved pursuant to SEC regulations, provided that such decision to grant pre-approval is presented to the full Coast Casinos Audit Committee at its next scheduled meeting and the Chairman has concluded that any non-audit services provided are compatible with the maintenance of the accounting firm's independence in the conduct of its auditing functions for Coast Casinos. The Chairman of the Audit Committee does not have the authority to grant pre-approvals for non-audit services unless such non-audit services are, in fact, compatible with the maintenance of the accounting firm's independence.

WHEREAS the respective Boards of Directors of Sub and the Company have (i) approved the merger (the Merger) of the Company into Sub on the terms and subject to the conditions set forth in this Agreement, whereby each issued share of common stock, par value \$0.01 per share, of the Company (the Company Common Stock) not owned by Parent, Sub or the Company shall be converted into the right to receive the Merger Consideration (as defined in Section 2.01(c)(4)) and (ii) adopted this Agreement; and Parent, as the sole stockholder of Sub, has approved this Agreement;

WHEREAS Parent and certain stockholders of the Company (the Principal Company Stockholders) have entered into an agreement (the Stockholders Agreement) pursuant to which the Principal Company Stockholders have agreed to take specified actions in furtherance of the Merger;

WHEREAS for Federal income tax purposes it is intended that the Merger qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (the Code); and

WHEREAS Parent, Sub and the Company desire to make certain representations, warranties, covenants and agreements in connection with the Merger and also to prescribe various conditions to the Merger.

NOW, THEREFORE, the parties hereto agree as follows:

ARTICLE I

The Merger

SECTION 1.01. The Merger. On the terms and subject to the conditions set forth in this Agreement, and in accordance with the Nevada Revised Statutes (the NRS), the Company shall be merged with and into Sub at the Effective Time (as defined in Section 1.03). At the Effective Time, the separate corporate existence of the Company shall cease and Sub shall continue as the surviving corporation (the Surviving Corporation). At the election of Parent, any direct subsidiary of Parent may be substituted for Sub as a constituent corporation in the Merger. In such event, the parties shall execute an appropriate amendment to this Agreement in order to reflect the foregoing. The Merger, the payment of cash in connection with the Merger, the issuance by Parent of shares of common stock, par value \$0.01 per share, of Parent (Parent Common Stock) in connection with the Merger (the Share Issuance) and the other transactions contemplated by this Agreement and the Stockholders Agreement are referred to in this Agreement as the Transactions .

SECTION 1.02. Closing. The closing (the Closing) of the Merger shall take place at the offices of Gibson, Dunn & Crutcher LLP (Los Angeles office) at 2:00 p.m., Pacific Coast time, on the second business day following the satisfaction (or, to the extent permitted by Law (as defined in

Edgar Filing: BOYD GAMING CORP - Form S-4/A

Section 3.05(a)), waiver by all parties) of the conditions set forth in Section 7.01, or, if on such day any condition set forth in Section 7.02 or 7.03 has not been satisfied (or, to the extent permitted by Law, waived by the party or parties entitled to the benefits thereof), as soon as practicable after all the conditions set forth in Article VII have been satisfied (or, to the extent permitted by Law, waived by the party or parties entitled to the benefits thereof), or at such other place, time and date as shall be agreed in writing between Parent and the Company. The date on which the Closing occurs is referred to in this Agreement as the Closing Date .

SECTION 1.03. Effective Time. Prior to the Closing, Parent shall prepare, and on the Closing Date the Surviving Corporation shall file with the Secretary of State of the State of Nevada, articles of merger or other appropriate documents (in any such case, the Articles of Merger) executed in accordance with the relevant

provisions of the NRS and shall make all other filings or recordings required under the NRS. The Merger shall become effective at such time as the Articles of Merger are duly filed with such Secretary of State, or at such later time as Parent and the Company shall agree and specify in the Articles of Merger (the time the Merger becomes effective being the Effective Time).

SECTION 1.04. Effects. The Merger shall have the effects set forth in Section 92A.250 of the NRS.

SECTION 1.05. Articles of Incorporation and By-laws. (a) The articles of incorporation of Sub as in effect immediately prior to the Effective Time shall be the articles of incorporation of the Surviving Corporation until thereafter changed or amended as provided therein or by applicable Law. The articles of incorporation of the Surviving Corporation shall be amended at the Effective Time so that Article I thereof reads in its entirety as follows:

1. Name of Corporation: Coast Casinos, Inc.

(b) The by-laws of Sub as in effect immediately prior to the Effective Time shall be the by-laws of the Surviving Corporation until thereafter changed or amended as provided therein or by applicable Law.

SECTION 1.06. Directors. The directors of Sub immediately prior to the Effective Time, together with Michael J. Gaughan, shall be the directors of the Surviving Corporation, until the earlier of their resignation or removal or until their respective successors are duly elected and qualified, as the case may be.

SECTION 1.07. Officers. The officers of the Company immediately prior to the Effective Time shall be the officers of the Surviving Corporation, until the earlier of their resignation or removal or until their respective successors are duly elected or appointed and qualified, as the case may be.

ARTICLE II

Effect on the Capital Stock of the

Constituent Corporations; Exchange of Certificates

SECTION 2.01. Effect on Capital Stock. At the Effective Time, by virtue of the Merger and without any action on the part of the holder of any shares of Company Common Stock or any shares of capital stock of Sub:

(a) Capital Stock of Sub. Each issued and outstanding share of capital stock of Sub shall continue to be outstanding as one fully paid and nonassessable share of common stock, par value \$1.00 per share, of the Surviving Corporation.

Edgar Filing: BOYD GAMING CORP - Form S-4/A

(b) Cancellation of Treasury Stock and Parent-Owned Stock. Each share of Company Common Stock that is owned by the Company, Parent or Sub shall no longer be outstanding and shall automatically be canceled and retired and shall cease to exist, and no cash, Parent Common Stock or other consideration shall be delivered or deliverable in exchange therefor.

(c) Conversion of Company Common Stock. (1) Subject to Section 2.02(e), each issued and outstanding share of Company Common Stock held by Michael J. Gaughan and each issued and outstanding share of Company Common Stock held by Franklin Toti shall be converted into the right to receive 32.8025 (the Fixed Exchange Ratio) fully paid and nonassessable shares of Parent Common Stock.

(2) Each issued and outstanding share of Company Common Stock held by Jerry Herbst shall be converted into the right to receive \$550 in cash.

(3) Subject to Sections 2.01(b), 2.01(d) and 2.02(e), each issued and outstanding share of Company Common Stock held by stockholders of the Company other than those stockholders named in Sections 2.01(c)(1) and 2.01(c)(2) shall be converted into the right to receive, at the election of the holder thereof, one of the following (as adjusted pursuant to Section 2.01(e)):

(i) for each such share of Company Common Stock with respect to which an election to receive stock consideration (a Stock Election) has been effectively made, and not revoked or lost, pursuant to Section 2.03 (each, an Electing Share), the right to receive 32.8025 (subject to adjustment as provided in Section 2.01(e), the Variable Exchange Ratio) fully paid and nonassessable shares of Parent Common Stock (the Stock Election Amount); and

(ii) for each such share of Company Common Stock other than Electing Shares (each, a Non-Electing Share), the right to receive \$550 in cash (subject to adjustment as provided in Section 2.01(e), the Cash Election Price), and each stockholder of the Company that holds Non-Electing Shares shall be deemed to have made a cash election (a Cash Election) with respect to such Non-Electing Shares.

(4) The cash payable, and the shares of Parent Common Stock to be issued, upon the conversion of shares of Company Common Stock pursuant to this Section 2.01(c), and any cash payable in lieu of fractional shares of Parent Common Stock as contemplated by Section 2.02(e), are referred to collectively as Merger Consideration . As of the Effective Time, all such shares of Company Common Stock shall no longer be outstanding and shall automatically be canceled and retired and shall cease to exist, and each holder of a certificate representing any such shares of Company Common Stock shall cease to have any rights with respect thereto, except the right to receive Merger Consideration upon surrender of such certificate in accordance with Section 2.02, without interest.

(5) Notwithstanding anything in this Agreement to the contrary, if, between the date of this Agreement and the Effective Time, the outstanding shares of the Parent Common Stock shall have been changed into a different number of shares or a different class by reason of any reclassification, recapitalization, split-up, combination, exchange of shares or readjustment, or a stock dividend thereon shall be declared with a record date within said period, each of the Fixed Exchange Ratio and the Variable Exchange Ratio shall be correspondingly adjusted.

(d) Dissenter Rights. Notwithstanding anything in this Agreement to the contrary, shares (Dissenter Shares) of Company Common Stock that are outstanding immediately prior to the Effective Time and that are held by any person who is entitled to demand and properly demands payment for such Dissenter Shares pursuant to, and who complies in all respects with, Sections 92A.300 through 92A.500 of the NRS (the Dissenter Rights) shall not be converted into Merger Consideration as provided in Section 2.01(c)(3), but rather the holders of Dissenter Shares shall be entitled to payment for such Dissenter Shares in accordance with the Dissenter Rights; provided, however, that if any such holder shall fail to perfect or otherwise shall waive, withdraw or lose the right to receive payment under the Dissenter Rights, then the right of such holder to be paid in accordance with the Dissenter Rights shall cease and such Dissenter Shares shall be deemed to have been converted as of the Effective Time into, and to have become exchangeable solely for the right to receive, Merger Consideration as provided in Section 2.01(c)(3). The Company shall serve prompt notice to Parent of any written notice of intent to demand payment, or any written demand for payment, received by the Company in respect of any shares of Company Common Stock, and Parent shall have the right to participate in and direct all negotiations and proceedings with respect to such demands. Prior to the Effective Time, the Company shall not, without the prior written consent of Parent, make any payment with respect to, or settle or offer to settle, any such demands, or agree to do any of the foregoing.

(e) Proration. Notwithstanding anything in this Agreement to the contrary: (1) the maximum aggregate number of shares of Parent Common Stock to be issued pursuant to Section 2.01(c)(3)(i) shall not exceed 1,009,194 (the Target Stock Amount), and the maximum aggregate amount of cash to be paid pursuant to

Table of Contents

Section 2.01(c)(3)(ii) shall not exceed \$336,170,276.20 (the "Cash Cap"); provided, however, that if, on the date specified in the first sentence of Section 1.02 (the "Date of Determination"), the opinions of counsel referred to in Sections 7.02(e) and 7.03(d) would not be delivered solely by reason of the average of the high and low sale price of a share of Parent Common Stock on The New York Stock Exchange (the "NYSE") on the Date of Determination, then the Target Stock Amount (and the Variable Exchange Ratio) shall be increased, and the Cash Cap (and the Cash Election Price) shall be decreased, in each case by an amount sufficient to provide that, on the Closing Date, 40% of the aggregate value of all Adjusted Merger Consideration (as defined in Section 2.01(e)(5)) shall consist of shares of Parent Common Stock (the value of each such share of Parent Common Stock being the average of the high and low sale price of a share of Parent Common Stock on the NYSE on the Date of Determination) and that the value of the Merger Consideration payable in respect of each share of Company Common Stock converted in accordance with Section 2.01(c)(3) shall be in an amount equal to \$550 (such increase in the Target Stock Amount (and the Variable Exchange Ratio) and such decrease in the Cash Cap (and the Cash Election Price), the "Merger Consideration Adjustment"); provided further, however, that if the Target Stock Amount following the application of the Merger Consideration Adjustment would exceed 7,837,077 shares of Parent Common Stock (such 7,837,077 shares of Parent Common Stock, the "Stock Cap"), then Parent shall have the right to terminate this Agreement in accordance with Section 8.01(d);

(2) in the event that the aggregate number of shares of Parent Common Stock requested in Stock Elections received by the Exchange Agent in accordance with Section 2.01(c)(3)(i) exceeds the Target Stock Amount (as may be adjusted in accordance with this Agreement), then the Electing Shares shall be converted into the right to receive the Stock Election Amount in accordance with Section 2.01(c)(3)(i) in the following manner:

(i) a stock proration factor (the "Stock Proration Factor") shall be determined by dividing (A) the quotient of the Target Stock Amount (as may be adjusted in accordance with this Agreement) divided by the Variable Exchange Ratio (as may be adjusted in accordance with this Agreement) by (B) the total number of Electing Shares;

(ii) the number of Electing Shares covered by any Stock Election which will actually be converted into the right to receive the Stock Election Amount shall be equal to the product (rounded up to the nearest whole number) obtained by multiplying the Stock Proration Factor by the total number of Electing Shares covered by such Stock Election; and

(iii) all Electing Shares, other than those shares converted into the right to receive the Stock Election Amount in accordance with Section 2.01(e)(2)(ii), shall be converted into the right to receive cash as if such shares were Non-Electing Shares in accordance with Section 2.01(c)(3)(ii); and

(3) in the event that the aggregate amount of cash to be paid to Non-Electing Shares pursuant to Section 2.01(c)(3)(ii) exceeds the Cash Cap (as may be adjusted in accordance with this Agreement), then the Non-Electing Shares shall be converted into the right to receive the Cash Election Price (as may be adjusted in accordance with this Agreement) in accordance with Section 2.01(c)(3)(ii) in the following manner:

(i) a cash proration factor (the "Cash Proration Factor") shall be determined by dividing (A) the quotient of the Cash Cap (as may be adjusted in accordance with this Agreement) divided by the Cash Election Price by (B) the total number of Non-Electing Shares;

(ii) the number of Non-Electing Shares covered by any Cash Election which will actually be converted into the right to receive the Cash Election Price (as may be adjusted in accordance with this Agreement) shall be equal to the product (rounded up to the nearest whole number) obtained by multiplying the Cash Proration Factor by the total number of Non-Electing Shares covered by such Cash Election; and

(iii) all Non-Electing Shares, other than those shares converted into the right to receive the Cash Election Price (as may be adjusted in accordance with this Agreement) in accordance with Section 2.01(e)(3)(ii), shall be converted into the right to receive shares of Parent Common Stock as if such shares were Electing Shares in accordance with Section 2.01(c)(3)(i).

(4) To the extent that a payment by the Company or the Surviving Corporation, as the case may be, to holders of Dissenter Shares would have the effect of reducing the fair market value of the assets of the Company acquired in the Merger below (x) 90% of the fair market value of the net assets of the Company or (y) 70% of the fair market value of the gross assets of the Company, in each case, immediately prior to the Effective Time (taking into account any other payments or distributions made by the Company in connection with the Merger), Parent, in lieu of the Company or the Surviving Corporation, as the case may be, shall pay to the holders of Dissenter Shares that portion of such payment equal to the excess of (A) the total amount to be paid to the holders of Dissenter Shares by the Company or the Surviving Corporation, as the case may be, over (B) the maximum amount payable to the holders of Dissenter Shares by the Company or the Surviving Corporation, as the case may be, such that such payment would not reduce the fair market value of the assets of the Company acquired by Parent below (I) 90% of the fair market value of the net assets of the Company or (II) 70% of the fair market value of the gross assets of the Company, in each case, immediately prior to the Effective Time (taking into account any other payments or distributions made by the Company in connection with the Merger). If after any such payment shall have been made to holders of Dissenter Shares by Parent, the aggregate value of all shares of Parent Common Stock (the value of each such share of Parent Common Stock being the average of the high and low sale price of a share of Parent Common Stock on the NYSE on the Date of Determination) issued in the Merger does not equal at least 40% of the aggregate value of all Adjusted Merger Consideration, then Parent shall issue sufficient additional shares on a pro rata basis to all holders of Company Common Stock (other than holders of Dissenter Shares and the holders of Company Common Stock listed in Section 2.01(c)(1) and (2)) so that the value of all shares of Parent Common Stock issued pursuant to Sections 2.01(c)(1) and 2.01(c)(3) (the value of each such share of Parent Common Stock being the average of the high and low sale price of a share of Parent Common Stock on the NYSE on the Date of Determination) and the value of any shares of Parent Common Stock issued pursuant to this Section 2.01(e)(4) (the value of each such share of Parent Common Stock being the lower of (x) the average of the high and low sale price of a share of Parent Common Stock on the NYSE on the Date of Determination and (y) the average of the high and low sale price of a share of Parent Common Stock on the NYSE on the date of issuance of such share of Parent Common Stock pursuant to this Section 2.01(e)(4)) issued in the Merger equals 40% of the aggregate value of all Adjusted Merger Consideration.

(5) For purposes of this Section 2.01(e), Adjusted Merger Consideration shall mean: (a) any consideration paid pursuant to Section 2.01(c) (in the case of consideration comprised of Parent Common Stock, the value of each such share of Parent Common Stock being the average of the high and low sale price of a share of Parent Common Stock on the NYSE on the Date of Determination), (b) solely for purposes of Section 2.01(e)(4), any consideration paid pursuant to Section 2.01(e)(4) (in the case of consideration comprised of Parent Common Stock, the value of each such share of Parent Common Stock being the lower of (x) the average of the high and low sale price of a share of Parent Common Stock on the NYSE on the Date of Determination and (y) the average of the high and low sale price of a share of Parent Common Stock on the NYSE on the date of issuance of such share of Parent Common Stock pursuant to Section 2.01(e)(4)), (c) any cash paid in lieu of fractional shares pursuant to Section 2.02(e), (d) any cash to be paid to or payable to holders of Dissenter Shares in accordance with the Dissenter Rights by Parent or any person related to Parent within the meaning of Treasury Regulation Section 1.368-1(e)(3), (e) any cash or the fair market value of any property that is distributed, transferred or paid by the Company to holders of Company Common Stock and that satisfies the requirements set forth in Treasury Regulation Section 1.368-1(e)(1)(ii) and (f) any other cash or property (other than shares of Parent Common Stock) that is transferred, paid or distributed by Parent (or any person related to Parent within the meaning of Treasury Regulation Section 1.368-1(e)(3)) to holders of Company Common Stock in exchange for shares of Company Common Stock in connection with the Merger. For purposes of Section 2.01(e)(1), the value of any cash payable in respect of Dissenter Shares in accordance with Dissenter Rights shall be deemed to be \$550 per Dissenter Share.

SECTION 2.02. Exchange of Certificates. (a) Exchange Agent. As soon as practicable following the date of this Agreement and in any event not less than three days prior to dissemination of the Joint Proxy Statement (as defined in Section 6.01(a)) to the stockholders of the Company and the stockholders of Parent,

Parent shall select a bank or trust company reasonably satisfactory to the Company to act as exchange agent (the Exchange Agent) for payment of Merger Consideration upon surrender of certificates representing Company Common Stock. Promptly following the Effective Time, Parent shall deposit with the Exchange Agent, for the benefit of the holders of shares of Company Common Stock, for exchange in accordance with this Article II, through the Exchange Agent (i) certificates representing the maximum number of shares of Parent Common Stock issuable and (ii) 80% of the maximum amount of cash consideration payable, in each case, pursuant to Section 2.01(c) in exchange for outstanding shares of Company Common Stock. In addition, Parent shall take all steps necessary to enable and cause the Surviving Corporation to provide to the Exchange Agent on a timely basis, as and when needed after the Effective Time, the remaining amount of cash necessary to pay for the shares of Company Common Stock converted into the right to receive cash pursuant to Section 2.01 (such shares of Parent Common Stock and cash, together with any dividends or distributions with respect thereto, being hereinafter referred to as the Exchange Fund). For the purposes of such deposit, Parent shall assume that there will not be any fractional shares of Parent Common Stock. Parent shall make available to the Exchange Agent, from time to time as needed, cash sufficient to pay cash in lieu of fractional shares in accordance with Section 2.02(e). The Exchange Agent shall, pursuant to irrevocable instructions, deliver the Parent Common Stock contemplated to be issued pursuant to Section 2.01 out of the Exchange Fund. The Exchange Fund may not be used for any other purpose.

(b) Exchange Procedures. As soon as reasonably practicable after the Effective Time, the Exchange Agent shall mail to each holder of record of a certificate or certificates (the Certificates) that immediately prior to the Effective Time represented outstanding shares of Company Common Stock whose shares were converted into the right to receive Merger Consideration pursuant to Section 2.01(c), (i) a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates to the Exchange Agent and shall be in such form and have such other provisions as Parent may reasonably specify) and (ii) instructions for use in effecting the surrender of the Certificates in exchange for Merger Consideration. Upon surrender of a Certificate for cancellation to the Exchange Agent or to such other agent or agents as may be appointed by Parent, together with such letter of transmittal, duly executed, and such other documents as may reasonably be required by the Exchange Agent, the holder of such Certificate shall be entitled to receive in exchange therefor the amount of cash, if any, and the number of whole shares of Parent Common Stock, if any, which the aggregate number of shares of Company Common Stock previously represented by such Certificate shall have been converted pursuant to Section 2.01(c) into the right to receive, and the Certificate so surrendered shall forthwith be canceled. In the event of a transfer of ownership of Company Common Stock that is not registered in the transfer records of the Company, payment may be made to a person other than the person in whose name the Certificate so surrendered is registered, if such Certificate shall be properly endorsed or otherwise be in proper form for transfer and the person requesting such payment shall pay any transfer or other taxes required by reason of the payment to a person other than the registered holder of such Certificate or establish to the satisfaction of Parent that such tax has been paid or is not applicable. Until surrendered as contemplated by this Section 2.02, each Certificate shall be deemed at any time after the Effective Time to represent only the right to receive upon such surrender the Merger Consideration into which the shares of Company Common Stock theretofore represented by such Certificate have been converted pursuant to Section 2.01(c). No interest shall be paid or accrue on any cash payable upon surrender of any Certificate.

(c) Distributions with Respect to Unexchanged Shares. No dividends or other distributions with respect to Parent Common Stock with a record date on or after the Effective Time shall be paid to the holder of any Certificate formerly representing Company Common Stock with respect to the shares of Parent Common Stock issuable upon surrender thereof, and no cash payment in lieu of fractional shares shall be paid to any such holder pursuant to Section 2.02(e) until the surrender of such Certificate in accordance with this Article II. Subject to applicable Law, following surrender of any such Certificate, there shall be paid to the holder of the Certificate representing whole shares of Parent Common Stock issued in exchange therefor, without interest, (i) at the time of such surrender, the amount of any cash payable in lieu of a fractional share of Parent Common Stock to which such holder is entitled pursuant to Section 2.02(e) and the amount of dividends or other distributions with a record date after the Effective Time theretofore paid with respect to such whole shares of Parent Common Stock,

and (ii) at the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time but prior to such surrender and a payment date subsequent to such surrender payable with respect to such whole shares of Parent Common Stock.

(d) No Further Ownership Rights in Company Common Stock. The Merger Consideration paid (and issued) in accordance with the terms of this Article II upon conversion of any shares of Company Common Stock shall be deemed to have been paid (and issued) in full satisfaction of all rights pertaining to such shares of Company Common Stock, subject, however, to the Surviving Corporation's obligation to pay any dividends or make any other distributions with a record date prior to the Effective Time that may have been declared or made by the Company on such shares of Company Common Stock in accordance with the terms of this Agreement or prior to the date of this Agreement and which remain unpaid at the Effective Time, and after the Effective Time there shall be no further registration of transfers on the stock transfer books of the Surviving Corporation of shares of Company Common Stock that were outstanding immediately prior to the Effective Time. If, after the Effective Time, any Certificates formerly representing shares of Company Common Stock are presented to the Surviving Corporation or the Exchange Agent for any reason, they shall be canceled and exchanged as provided in this Article II.

(e) No Fractional Shares. (1) No certificates or scrip representing fractional shares of Parent Common Stock shall be issued upon the conversion of Company Common Stock pursuant to Section 2.01(c), and such fractional share interests shall not entitle the owner thereof to vote or to any rights of a holder of Parent Common Stock. For purposes of this Section 2.02(e), all fractional shares to which a single record holder would be entitled shall be aggregated and calculations shall be rounded to three decimal places.

(2) Except as otherwise provided in Section 2.02(e)(3), in lieu of any such fractional shares, each holder of Company Common Stock who would otherwise be entitled to such fractional shares shall be entitled to an amount in cash, without interest, rounded to the nearest cent, equal to the product of (A) the amount of the fractional share interest in a share of Parent Common Stock to which such holder is entitled under Section 2.01(c) (or would be entitled but for this Section 2.02(e)) and (B) an amount equal to the average of the closing sale prices for the Parent Common Stock on the NYSE, as reported in The Wall Street Journal, Northeastern edition, for each of the ten consecutive trading days ending with the second complete trading day prior to the Effective Time.

(3) Notwithstanding anything in this Agreement to the contrary, in the event that a Merger Consideration Adjustment is made in accordance with Section 2.01(e)(1), each holder of Company Common Stock who would otherwise be entitled, upon application of the Merger Consideration Adjustment, to a fractional share in accordance with this Section 2.02(e) shall not receive cash in lieu of such fractional share but instead shall be entitled only to receive one whole share of Parent Common Stock in lieu of such fractional share.

(f) Termination of Exchange Fund. Any portion of the Exchange Fund that remains undistributed to the holders of Company Common Stock for six months after the Effective Time shall be delivered to Parent, upon demand, and any holder of Company Common Stock who has not theretofore complied with this Article II shall thereafter look only to Parent and the Surviving Corporation for payment of its claim for Merger Consideration and any applicable dividends or distributions with respect to any Parent Common Stock constituting Merger Consideration as provided in Section 2.02(c).

(g) No Liability. None of Parent, Sub, the Company or the Exchange Agent shall be liable to any person in respect of any cash or any shares of Parent Common Stock (or dividends or distributions with respect thereto) delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law. If any Certificate has not been surrendered prior to five years after the Effective Time (or immediately prior to such earlier date on which Merger Consideration in respect of such Certificate would otherwise escheat to or become the property of any Governmental Entity (as defined in Section 3.05(b)), any such cash, shares, dividends or distributions in respect of such Certificate shall, to the extent permitted by applicable Law, become the property of the Surviving Corporation, free and clear of all claims or interest of any person previously entitled thereto.

(h) Investment of Exchange Fund. The Exchange Agent shall invest any cash included in the Exchange Fund, as directed by Parent, on a daily basis. Any interest and other income resulting from such investments shall be paid to Parent.

(i) Withholding Rights. Parent shall be entitled to deduct and withhold from the consideration otherwise payable to any holder of Company Common Stock pursuant to this Agreement such amounts as may be required to be deducted and withheld with respect to the making of such payment under the Code, or under any provision of state, local or foreign tax Law. To the extent that amounts are so withheld and paid over to the appropriate taxing authority, the Surviving Corporation will be treated as though it withheld an appropriate amount of the type of consideration otherwise payable pursuant to this Agreement to any holder of Company Common Stock, sold such consideration for an amount of cash equal to the fair market value of such consideration at the time of such deemed sale and paid such cash proceeds to the appropriate taxing authority.

(j) Income Tax Treatment. It is intended by the parties hereto that the Merger qualify as a reorganization within the meaning of Section 368(a) of the Code. The parties hereto hereby adopt this Agreement as a plan of reorganization within the meanings of Sections 1.368-2(g) and 1.368-3(a) of the U.S. Treasury Regulations promulgated under the Code.

SECTION 2.03. Elections. (a) Each person who, on or prior to the Election Date referred to in paragraph (b) below, is a record holder of shares of Company Common Stock shall be entitled, with respect to all or any portion of such shares, to make an unconditional Stock Election on or prior to such Election Date, on the basis hereinafter set forth.

The Company shall use all reasonable efforts to make the Form of Election and the Joint Proxy Statement available to all persons who become record holders of Company Common Stock during the period between such record date and the Election Date. Any such holder's election to receive the Stock Election Amount shall have been properly made only if the Exchange Agent shall have received at its designated office, by 5:00 p.m., Pacific Coast time, on the business day (the Election Date) immediately preceding the date of the Company Stockholders Meeting, a Form of Election properly completed and signed and accompanied by Certificates for the shares of Company Common Stock to which such Form of Election relates, duly endorsed in blank or otherwise in form acceptable for transfer on the books of the Company (or accompanied by an appropriate guarantee of delivery of such Certificates as set forth in such Form of Election from a firm which is a member of a registered national securities exchange or of the National Association of Securities Dealers, Inc. or a commercial bank or trust company having an office or correspondent in the United States, provided such Certificates are in fact delivered to the Exchange Agent within three NYSE trading days after the date of execution of such guarantee of delivery). Failure to deliver Certificates covered by any guarantee of delivery within three NYSE trading days after the date of execution of such guarantee of delivery shall be deemed to invalidate any otherwise properly made Stock Election.

(c) Any Form of Election may be revoked by the stockholder who submitted such Form of Election to the Exchange Agent only by written notice received by the Exchange Agent (i) prior to 5:00 p.m., Pacific Coast time, on the Election Date or (ii) after such time, if (and only to the extent that) the Exchange Agent is legally required to permit revocations and only if the Effective Time shall not have occurred prior to such date. In addition, all Forms of Election shall automatically be revoked if the Exchange Agent is notified in writing by Parent and the Company that the Merger has been abandoned. If no Form of Election is received with respect to shares of Company Common Stock, or if the Exchange Agent determines that any election to receive the Stock Election Amount was not properly made with respect to shares of Company Common Stock, such shares shall be treated by the Exchange Agent as Non-Electing Shares at the Effective Time, and such shares shall be converted into the right to receive the Cash Election Price in accordance with Section 2.01(c)(3)(ii). The Exchange Agent shall also make all computations as to the proration contemplated by Section 2.01(e), and absent manifest error any such computation shall be conclusive and binding on the holders of shares of Company Common Stock. SECTION 3.01. Organization, Standing and Power. Each of the Company and each of its subsidiaries (the Company Subsidiaries) is duly organized or formed, validly existing and in good standing under the laws of the jurisdiction in which it is organized and has full corporate or limited liability company power and authority to conduct its businesses as presently conducted. The Company and each Company Subsidiary is duly qualified to do business in each jurisdiction where the nature of its business or the ownership or leasing of its properties make such qualification necessary or the failure to so qualify, individually or in the aggregate, has had or would reasonably be expected to have a Company Material Adverse Effect (as defined in Section 9.03). The Company has delivered to Parent true and complete copies of the articles of incorporation of the Company, as amended to the date of this Agreement (as so amended, the Company Charter), and the by-laws of the Company, as amended to the date of this Agreement (as so amended, the Company By-laws), and the comparable charter and organizational documents of each Company Subsidiary, in each case as amended to the date of this Agreement.

(b) Except for its interests in the Company Subsidiaries, the Company does not own, directly or indirectly, any capital stock, membership interest, partnership interest, joint venture interest or other equity interest in any person.

Except as set forth above, at the close of business on February 5, 2004, no shares of capital stock or other voting securities of the Company were issued, reserved for issuance or outstanding, and since February 5, 2004, no shares of capital stock or other voting securities of the Company were issued by the Company, except for shares of Company Common Stock issued upon the exercise of Company Employee Stock Options outstanding as of February 5, 2004. There are no outstanding stock appreciation rights linked to the price of Company Common Stock and granted under the Company Stock Plan or otherwise. All outstanding shares of Company Common Stock are, and all such shares that may be issued prior to the Effective Time will be when issued, duly authorized, validly issued, fully paid and nonassessable and not subject to or issued in violation of any purchase option, call option, right of first refusal, preemptive right, subscription right or any similar right under any provision of the NRS, the Company Charter, the Company By-laws or any Contract (as defined in Section 3.05(a)) to which the Company is a party or otherwise bound. There are not any bonds, debentures, notes or other indebtedness of the Company having the right to vote (or convertible into, or exchangeable for, securities having the right to vote) on any matters on which holders of Company Common Stock may vote (Voting Company Debt). Except as set forth above, as of the date of this Agreement, there are not any options, warrants, rights, convertible or exchangeable securities, phantom stock rights, stock appreciation rights, stock-based performance units, commitments, Contracts, arrangements or undertakings of any kind to which the Company or any Company Subsidiary is a party or by which any of them is bound (i) obligating the Company or any Company Subsidiary to issue, deliver or sell, or cause to be issued, delivered or sold, additional shares of capital stock or other equity interests in, or any security convertible or exercisable for or exchangeable into any capital stock of or other equity interest in, the Company or any Company Subsidiary or any Voting Company Debt, (ii) obligating the Company or any Company Subsidiary to issue, grant, extend or enter into any such option, warrant, call, right, security, commitment, Contract, arrangement or undertaking or (iii) that give any person the right to receive any economic benefit or right similar to or derived from the economic benefits and rights occurring to holders of Company Common Stock. SECTION 4.05. No Conflicts; Consents. (a) The execution and delivery by each of Parent and Sub of this Agreement do not, and the consummation by Parent and Sub of the Merger and the other Transactions and compliance by Parent and Sub with the terms hereof will not, conflict with, or result in any violation of or default (with or without notice or lapse of time, or both) under, or give rise to a right of termination, cancellation or acceleration of any obligation or to loss of a material benefit under, or to increased, additional, accelerated or guaranteed rights or entitlements of any person under, or result in the creation of any Lien upon any of the properties or assets of Parent or any of its subsidiaries under, any provision of (i) the Parent Charter, the Parent By-laws or the charter or organizational documents of any Parent Subsidiary, (ii) any Contract to which Parent or any Parent Subsidiary is a party or by which any of their respective properties or assets is bound or (iii) subject to the filings and other matters referred to in Section 4.04(b), any Judgment or Law applicable to Parent or any Parent Subsidiary or their respective properties or assets, other than, in the case of clauses (ii) and (iii) above, any such items that, individually or in the aggregate, have not had and would not reasonably be expected to have a Parent Material Adverse Effect.

(b) No Consent of, or registration, declaration or filing with, or permit from, any Governmental Entity is required to be obtained or made by Parent or any Parent Subsidiary in connection with the execution, delivery and performance of this Agreement or the consummation of the Transactions, other than (i) compliance with and filings under the HSR Act, (ii) the filing with the SEC of (A) the Form S-4 and the Joint Proxy Statement and (B) such reports under, or other applicable requirements of, the Exchange Act, as may be required in connection with this Agreement, the Merger and the other Transactions, (iii) the filing of the Articles of Merger with the Secretary of State of the State of Nevada, (iv) compliance with and such filings as may be required under applicable Environmental Laws, (v) compliance with and such filings as may be required under applicable Gaming Laws (including those promulgated by the Nevada Gaming Authorities), (vi) such filings as may be required in connection with the Taxes described in Section 6.09 and (vii) such other items that, individually or in the aggregate, have not had and would not reasonably be expected to have a Parent Material Adverse Effect.

Except to the extent that information contained in any Filed Parent SEC Document has been revised or superseded by a later filed Filed Parent SEC Document, none of the Parent SEC Documents contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. The consolidated financial statements of Parent included in the Parent SEC Documents comply as to form in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto, have been prepared in accordance with GAAP (except, in the case of unaudited statements, as permitted by Form 10-Q of the SEC) applied on a consistent basis during the periods involved (except as may be indicated in the notes thereto) and fairly present the consolidated financial position of Parent and its consolidated subsidiaries as of the dates thereof and the consolidated results of their operations and cash flows for the periods shown (subject, in the case of unaudited statements, to normal year-end audit adjustments).

(c) Neither Parent nor any Parent Subsidiary has any liabilities or obligations of any nature (whether accrued, absolute, contingent or otherwise) required by GAAP to be set forth on a consolidated balance sheet of Parent and its consolidated subsidiaries or in the notes thereto and that, individually or in the aggregate, would reasonably be expected to have a Parent Material Adverse Effect.

(d) The effectiveness of any additional SEC disclosure requirement that, as of the date of this Agreement, have been formally proposed that are not yet in effect, is not expected by Parent to lead to any material change in Parent's disclosures as set forth in the Filed Parent SEC Documents.

SECTION 4.07. Information Supplied. None of the information supplied or to be supplied by Parent or Sub for inclusion or incorporation by reference in (i) the Form S-4 will, at the time the Form S-4 is filed with the SEC, at any time it is amended or supplemented or at the time it becomes effective under the Securities Act, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, or (ii) the Joint Proxy Statement will, at the date it is first mailed to the Company's stockholders or Parent's stockholders or at the time of the Company Stockholders Meeting or the Parent Stockholders Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading. The Joint Proxy Statement will comply as to form in all material respects with the requirements of the Exchange Act and the rules and regulations thereunder, except that no representation is made by Parent with respect to statements made or incorporated by reference therein based on information supplied by the Company in writing for inclusion or incorporation by reference in the Form S-4 or the Joint Proxy Statement.

From the date of the most recent audited financial statements included in the Filed Parent SEC Documents to the date of this Agreement, (i) Parent has conducted its business only in the ordinary course and (ii) there has not been any state of facts, event, change, effect, development, condition or occurrence that, individually or in the aggregate, has had or would reasonably be expected to have a Parent Material Adverse Effect.

SECTION 4.10. Compliance with Applicable Laws. Parent and the Parent Subsidiaries and their relevant personnel and operations are in compliance with all applicable Laws, including applicable Gaming Laws and Laws relating to occupational health and safety, except to the extent that the failure to be in compliance with any such Law has not had and would not reasonably be expected to have a Parent Material Adverse Effect. Neither Parent nor any Parent Subsidiary has received any written communication during the past two years from a Governmental Entity that alleges that Parent or a Parent Subsidiary is not in compliance in any material respect with any applicable Law. Parent and the Parent Subsidiaries have in effect all Permits necessary or advisable for them to own, lease or operate their properties and assets and to carry on their businesses as now conducted, except for such Permits the absence of which has not had and would not reasonably be expected to have a Parent Material Adverse Effect. There has occurred no violation of, default (with or without notice or lapse of time or both) under, or event giving to others any right of termination, amendment or cancellation of, with or without notice or lapse of time or both, any such Permit, except for any such violation, default or event which has not had or would not reasonably be expected to have a Parent Material Adverse Effect. (b) Other Actions. The Company and Parent shall not, and shall not permit any of their respective subsidiaries to, take any action that would, or that would reasonably be expected to, result in (i) any of the representations and warranties of such party set forth in this Agreement that is qualified as to materiality becoming untrue, (ii) any of such representations and warranties that is not so qualified becoming untrue in any material respect or (iii) any condition to the Merger set forth in Article VII not being satisfied.

(c) Advice of Changes. The Company and Parent shall promptly advise the other orally and in writing of any state of facts, event, change, effect, development, condition or occurrence that, individually or in the aggregate, has had or would reasonably be expected to have a Material Adverse Effect on such party.

(a) The Company shall not, nor shall it authorize or permit any Company Subsidiary to, nor shall it authorize or permit any officer, director or employee of, or any investment banker, attorney or other advisor or representative (collectively, Representatives) of, the Company or any Company Subsidiary to, (i) directly or indirectly solicit, initiate or encourage the submission of, any Company Takeover Proposal (as defined in Section 5.02(e)), (ii) enter into any agreement with respect to any Company Takeover Proposal or (iii) directly or indirectly participate in any discussions or negotiations regarding, or furnish to any person any information with respect to, or take any other action to facilitate any inquiries or the making of any proposal that constitutes, or may reasonably be expected to lead to, any Company Takeover Proposal; provided, however, that prior to receipt of the Company Stockholder Approval, the Company may, in response to an unsolicited bona fide Company Takeover Proposal which did not result from a breach of this Section 5.02(a) and which the Company Board determines, in good faith, after consultation with outside counsel and financial advisors, may reasonably be expected to lead to a Superior Company Proposal (as defined in Section 5.02(e)), and subject to compliance with Section 5.02(c), (x) furnish information with respect to the Company to the person making such Company Takeover Proposal and its Representatives pursuant to a customary confidentiality agreement not less restrictive of the other party than the Confidentiality Agreement (as defined in Section 6.02) and (y) participate in discussions or negotiations with such person and its Representatives regarding any Company Takeover Proposal. Without limiting the foregoing, it is agreed that any violation of the restrictions set forth in the preceding sentence by any Representative of the Company or any Company Subsidiary, whether or not such person is purporting to act on behalf of the Company or any Company Subsidiary or otherwise, shall be deemed to be a breach of this Section 5.02(a) by the Company.

(b) Neither the Company Board nor any committee thereof shall (i) withdraw or modify in a manner adverse to Parent or Sub, or publicly propose to withdraw or modify in a manner adverse to Parent or Sub, the approval or recommendation by the Company Board of this Agreement or the Merger, (ii) approve any letter of intent, agreement in principle, acquisition agreement or similar agreement relating to any Company Takeover Proposal or (iii) approve or recommend, or publicly propose to approve or recommend, any Company Takeover Proposal. (c) The Company promptly shall advise Parent orally and in writing of any Company Takeover Proposal or any inquiry with respect to or that would reasonably be expected to lead to any Company Takeover Proposal, the identity of the person making any such Company Takeover Proposal or inquiry and the material terms of any such Company Takeover Proposal or inquiry. The Company shall (i) keep Parent informed of the status (including any change to the terms thereof) of any such Company Takeover Proposal or inquiry and

(d) Nothing contained in this Section 5.02 shall prohibit the Company from taking and disclosing to its stockholders a position contemplated by Rule 14e-2(a) promulgated under the Exchange Act or from making any required disclosure to the Company's stockholders if, in the good faith judgment of the Company Board, after consultation with outside counsel, failure so to disclose would be inconsistent with the fulfillment of its fiduciary duties or any other obligations under applicable Law.

(e) For purposes of this Agreement:

Company Takeover Proposal means (i) any proposal or offer for a merger, consolidation, dissolution, recapitalization or other business combination involving the Company, (ii) any proposal for the issuance by the Company of over 30% of its equity securities as consideration for the assets or securities of another person or (iii) any proposal or offer to acquire in any manner, directly or indirectly, over 30% of the equity securities or consolidated total assets of the Company, in each case other than the Merger.

Superior Company Proposal means any proposal made by a third party to acquire substantially all the equity securities or assets of the Company, pursuant to a tender or exchange offer, a merger, a consolidation, a liquidation or dissolution, a recapitalization, a sale of all or substantially all its assets or otherwise, on terms which the Company Board determines in good faith, after consultation with the Company's outside legal counsel and financial advisors, to be more favorable from a financial point of view to the holders of the Company Common Stock than the Merger, taking into account all the terms and conditions of such proposal and this Agreement (including any proposal by Parent to amend the terms of the Merger) and the Transactions; provided that the Company Board shall not so determine that any such proposal is a Superior Company Proposal prior to the time that is 36 hours after the time at which the Company has complied in all material respects with Section 5.02(c) with respect to such proposal.

Each of the Company and Parent shall use its reasonable efforts to have the Form S-4 declared effective under the Securities Act as promptly as practicable after such filing. respect to other information supplied by the Company for inclusion in the Joint Proxy Statement or the Form S-4, which is required to be described in an amendment of, or a supplement to, the Joint Proxy Statement or the Form S-4, the Company shall promptly notify Parent of such event, and the Company and Parent shall cooperate in the prompt filing with the SEC of any necessary amendment or supplement to the Joint Proxy Statement and the Form S-4 and, as required by Law, in disseminating the information contained in such amendment or supplement to the Company's stockholders.

(d) The Company shall, as soon as practicable following the date of this Agreement, duly call, give notice of, convene and hold a meeting of its stockholders (the Company Stockholders Meeting) for the purpose of seeking the Company Stockholder Approval. The Company shall, through the Company Board, recommend to its stockholders that they give the Company Stockholder Approval, except to the extent that the Company Board shall have withdrawn or modified its approval or recommendation of this Agreement or the Merger as permitted by the last sentence of Section 5.02(b). Without limiting the generality of the foregoing, the Company agrees that its obligations pursuant to the first sentence of this Section 6.01(d) shall not be affected by the commencement, public proposal, public disclosure or communication to the Company of any Company Takeover Proposal; it being understood and agreed among Parent, Sub and the Company that in the event that, prior to the date of the Company Stockholders Meeting, the Company withdraws or modifies its approval or recommendation of the Merger and this Agreement in accordance with the last sentence of Section 5.02(b), then for purposes of the first sentence of this Section 6.01(d), the term Company Stockholder Approval shall mean both (i) the approval of this Agreement by a majority of the voting power of the holders of the outstanding Company Common Stock and (ii) the approval of this Agreement by a majority of the voting power of the holders of the outstanding Company Common Stock present and duly voted (in person or by proxy) at the Company Stockholders Meeting, exclusive of those votes taken in respect of the shares of Company Common Stock held by Michael J. Gaughan, Jerry Herbst and Franklin Toti.

(e) Parent shall, as soon as practicable following the date of this Agreement, duly call, give notice of, convene and hold a meeting of its stockholders (the Parent Stockholders Meeting) for the purpose of seeking the Parent Stockholder Approval. Parent shall use its reasonable efforts to cause the Joint Proxy Statement to be mailed to Parent's stockholders as promptly as practicable after the date of this Agreement. Parent shall, through the Parent Board, recommend to its stockholders that they give the Parent Stockholder Approval.

In connection with and without limiting the foregoing, the Company and the Company Board shall (x) take all reasonable action necessary to ensure that no state takeover statute or similar statute or regulation is or becomes applicable to any Transaction or this Agreement and (y) if any state takeover statute or similar statute or regulation becomes applicable to any Transaction or this Agreement, take all reasonable action necessary to ensure that the Merger and the other Transactions may be consummated as promptly as practicable on the terms contemplated by this Agreement and otherwise to minimize the effect of such statute or regulation on the Merger and the other Transactions.

(b) The Company shall give prompt notice to Parent, and Parent or Sub shall give prompt notice to the Company, of (i) any representation or warranty made by it contained in this Agreement that is qualified as to materiality becoming untrue or inaccurate in any respect or any such representation or warranty that is not so qualified becoming untrue or inaccurate in any material respect or (ii) the failure by it to comply with or satisfy in any material respect any covenant, condition or agreement to be complied with or satisfied by it under this Agreement; provided, however, that no such notification shall affect the representations, warranties, covenants or agreements of the parties or the conditions to the obligations of the parties under this Agreement.

(c) Nothing in Section 6.03(a) shall require Parent to dispose of any of its assets or to limit its freedom of action with respect to any of its businesses, or to consent to any disposition of the Company's assets or limits on the Company's freedom of action with respect to any of its businesses, or to commit or agree to any of the foregoing, and nothing in Section 6.03(a) shall authorize the Company to commit or agree to any of the foregoing, to obtain any consents, approvals, permits or authorizations or to remove any impediments to the Merger relating solely to the HSR Act or other antitrust, competition or premerger notification, trade regulation law, regulation or order (Antitrust Laws) or to avoid the entry of, or to effect the dissolution of, any injunction, temporary restraining order or other order in any suit or proceeding relating solely to Antitrust Laws.

Accordingly, as soon as reasonably practicable following the date of this Agreement, the Company Board (or, if appropriate, any committee administering the Company Stock Plan) shall adopt such resolutions or take such other actions as may be required to:

(i) provide that each outstanding Company Employee Stock Option that is not a Company ISO (a Company NQSO) that is outstanding immediately prior to the Effective Time shall be canceled immediately prior to the Effective Time, whether vested or unvested, with the holder thereof becoming entitled to receive an amount of cash equal to the excess, if any, of \$550 in cash over the per share exercise price of such Company NQSO, multiplied by the number of shares of Company Common Stock subject to such Company NQSO, subject to any applicable withholding of taxes; and

(ii) adjust the terms of all outstanding Company ISOs to provide that, at the Effective Time, each Company ISO outstanding immediately prior to the Effective Time shall be deemed to constitute an option to acquire, on the same terms and conditions as were applicable under such Company ISO, 32.8025 shares of Parent Common Stock at a price per share equal to \$3.04855 (each, as so adjusted, an Adjusted Option); provided, however, that the foregoing shall be adjusted to the minimum extent necessary to comply with Section 424(a) of the Code;

(iii) make such other changes to the Company Stock Plan as the Company and Parent shall mutually agree.

(b) At the Effective Time, and subject to compliance by the Company with Section 6.04(a), Parent shall assume all the obligations of the Company under the Company Stock Plan, each outstanding Adjusted Option and the agreements evidencing the grants thereof. As soon as practicable after the Effective Time, Parent shall deliver to the holders of Adjusted Options appropriate notices setting forth such holders' rights pursuant to the Company Stock Plan and indicating that the agreements evidencing the grants of such Adjusted Options shall continue in effect on the same terms and conditions (subject to the adjustments required by this Section 6.04 after giving effect to the Merger). Parent shall comply with the terms of the Company Stock Plan and ensure, to the extent required by, and subject to the provisions of, the Company Stock Plan, that the Adjusted Options continue to qualify as incentive stock options after the Effective Time.

(c) Parent shall take all corporate action necessary to reserve for issuance a sufficient number of shares of Parent Common Stock for delivery upon exercise of the Adjusted Options assumed in accordance with this Section 6.04. As soon as reasonably practicable after the Effective Time, Parent shall file a registration statement on Form S-8 (or any successor or other appropriate form) with respect to the shares of Parent Common Stock subject to such Adjusted Options and shall use all reasonable efforts to maintain the effectiveness of such registration statement or registration statements (and maintain the current status of the prospectus or prospectuses contained therein) for so long as such Adjusted Options remain outstanding.

(d) In this Agreement:

Company Employee Stock Option means any option to purchase Company Common Stock granted under the Company Stock Plan or otherwise.

Company Stock Plan means the Company 1996 Stock Incentive Plan.

(e) Prior to the Effective Time, Parent shall take all such steps as may be required to cause any acquisition of shares of Parent Common Stock (including any Adjusted Options) in connection with the Merger by any holder of Company Common Stock who is subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to Parent to be exempt under Rule 16b-3 promulgated under the Exchange Act.

SECTION 6.05. Benefit Plans. (a) Parent shall cause the Surviving Corporation to maintain for a period of one year after the Effective Time the Company Benefit Plans as in effect on the date of this Agreement as set forth on the Company Disclosure Letter (other than the Company Stock Plan and any other Company Benefit Plan that provides benefits based on the value of Company Common Stock) or to provide benefits (excluding benefits attributable to equity-based plans or grants) to each current employee of the Company and the Company Subsidiaries that are at least as favorable in the aggregate to such employees as those in effect on the date of this Agreement.

(b) From and after the Effective Time, Parent shall, and shall cause the Surviving Corporation to honor in accordance with their respective terms (as in effect on the date of this Agreement), all the Company's employment, severance and termination agreements, plans and policies disclosed in the Company Disclosure Letter.

(c) With respect to any employee benefit plan, program or arrangement maintained by Parent or any Parent Subsidiary (including any severance plan), for all purposes of determining eligibility to participate and vesting but not for purposes of benefit accrual, service with the Company or any Company Subsidiary shall be treated as service with Parent or any Parent Subsidiary; provided, however, that such service need not be recognized to the extent that such recognition would result in any duplication of benefits.

(d) Parent shall waive, or cause to be waived, any pre-existing condition limitation under any welfare benefit plan maintained by Parent or any of its affiliates (other than the Company) in which employees of the Company and the Company Subsidiaries (and their eligible dependents) will be eligible to participate from and after the Effective Time, except to the extent that such pre-existing condition limitation would have been applicable under the comparable Company welfare benefit plan immediately prior to the Effective Time. Parent shall recognize, or cause to be recognized, the dollar amount of all expenses incurred by each Company employee (and his or her eligible dependents) during the calendar year in which the Effective Time occurs for purposes of satisfying such year's deductible and co-payment limitations under the relevant welfare benefit plans in which they will be eligible to participate from and after the Effective Time.

SECTION 6.06. Indemnification. (a) Parent shall, to the fullest extent permitted by Law, cause the Surviving Corporation to honor all the Company's obligations to indemnify (including any obligations to advance funds for expenses) the current or former directors or officers of the Company for acts or omissions by such directors and officers occurring prior to the Effective Time to the extent that such obligations of the Company exist on the date of this Agreement, whether pursuant to the Company Charter, the Company By-laws, individual indemnity agreements or otherwise, and such obligations shall survive the Merger and shall continue in full force and effect in accordance with the terms of the Company Charter, the Company By-laws and such individual indemnity agreements from the Effective Time until the expiration of the applicable statute of limitations with respect to any claims against such directors or officers arising out of such acts or omissions.

(b) For a period of six years after the Effective Time, Parent shall cause to be maintained in effect the current policies of directors' and officers' liability insurance maintained by the Company (provided that Parent may substitute therefor policies with reputable and financially sound carriers of at least the same coverage and amounts containing terms and conditions which are no less advantageous) with respect to claims arising from or related to facts or events which occurred at or before the Effective Time; provided, however, that Parent shall not be obligated to make annual premium payments for such insurance to the extent such premiums exceed 175% of the annual premiums paid as of the date hereof by the Company for such insurance (such 175% amount, the Maximum Premium). If such insurance coverage cannot be obtained at all, or can only be obtained at an annual premium in excess of the Maximum Premium, Parent shall maintain the most advantageous policies of directors' and officers' insurance obtainable for an annual premium equal to the Maximum Premium. The Company represents to Parent that the Maximum Premium is \$270,156.25.

SECTION 6.07. Fees and Expenses. (a) Except as provided below, all fees and expenses incurred in connection with the Merger shall be paid by the party incurring such fees or expenses, whether or not the Merger is consummated, except that expenses incurred in connection with filing, printing and mailing the Joint Proxy Statement and the Form S-4 shall be shared equally by Parent and the Company.

(b) If (i) after the date of this Agreement, any person makes a Company Takeover Proposal or amends a Company Takeover Proposal made prior to the date of this Agreement, (ii) this Agreement is terminated by either the Company or Parent pursuant to Section 8.01(b)(i) or 8.01(b)(iii) or by Parent pursuant to Section 8.01(c) and (iii) within 30 months after the date of this Agreement the Company enters into a definitive agreement to consummate, or consummates, the transactions contemplated by a Company Takeover Proposal, then the Company shall pay to Parent by wire transfer of same-day funds a fee of \$30,000,000 (the Break-up Fee), which fee shall be payable and shall be paid on the date of consummation of such transactions. Solely for the purposes of Section 6.07(b)(iii), the term Company Takeover Proposal shall have the meaning assigned to such term in Section 5.02(e), except that all references to 30% shall be changed to 40%. The Company acknowledges that the agreements contained in this Section 6.07(b) are an integral part of the transaction contemplated by this Agreement, and that, without these agreements, Parent would not enter into this Agreement; accordingly, if the Company fails promptly to pay the Break-up Fee, and, in order to obtain such payment, Parent commences a suit that results in a judgment against the Company for the Break-up Fee, the Company shall pay to Parent interest on the Break-up Fee from and including the date payment of the Break-up Fee was due to but excluding the date of actual payment at the prime rate of Bank of America, National Association in effect on the date such payment was required to be made, together with reasonable legal fees and expenses incurred in connection with such suit.

SECTION 6.08. Public Announcements. Parent and Sub, on the one hand, and the Company, on the other hand, shall consult with each other before issuing, and provide each other reasonable opportunity to review and comment upon, any press release or other public statements with respect to the Merger and the other Transactions and shall not issue any such press release or make any such public statement prior to such consultation, except as may be required by applicable Law, court process or by obligations pursuant to any listing agreement with any national securities exchange.

SECTION 6.09. Transfer Taxes. All stock transfer, real estate transfer, documentary, stamp, recording and other similar Taxes (including interest, penalties and additions to any such Taxes) (Transfer Taxes) incurred in connection with the Transactions shall be paid by either Sub or the Surviving Corporation, and the Company shall cooperate with Sub and Parent in preparing, executing and filing any Tax Returns with respect to such Transfer Taxes.

SECTION 6.10. Affiliates. Promptly following the date of execution of this Agreement, the Company shall deliver to Parent a letter identifying all persons who are expected by the Company to be, at the date of the Company Stockholders Meeting, affiliates of the Company for purposes of Rule 145 under the Securities Act. The Company shall use all reasonable efforts to cause each such person to deliver to Parent on or prior to the date of mailing of the Joint Proxy Statement a written agreement substantially in the form attached as Exhibit A.

SECTION 6.11. Stock Exchange Listing. Parent shall use all reasonable efforts to cause the shares of Parent Common Stock to be issued in the Merger to be approved for listing on the NYSE, subject to official notice of issuance, prior to the Closing Date.

SECTION 6.12. Tax Treatment. The parties intend the Merger to qualify as a reorganization under Section 368(a) of the Code. Each party and its affiliates shall use all reasonable efforts to cause the Merger to so qualify and to obtain the opinions of Gibson, Dunn & Crutcher LLP and Cravath, Swaine & Moore LLP to the effect that the Merger will be treated for U.S. Federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Code and that Parent, Sub and the Company will each be a party to that reorganization within the meaning of Section 368(b) of the Code. For purposes of the tax opinions described in

Sections 7.02(e) and 7.03(d) of this Agreement, each of Parent and the Company will provide customary representation letters, substantially in the form attached hereto as Exhibits B and C each dated on or about the date that is two business days prior to the date the Joint Proxy Statement is mailed to the stockholders of Parent and the Company and reissued as of the Closing Date. Each of Parent, Sub and the Company and each of their respective affiliates shall not take any action and shall not fail to take any action or suffer to exist any condition which action or failure to act or condition would prevent, or would reasonably be likely to prevent, the Merger from qualifying as a reorganization within the meaning of Section 368(a) of the Code.

SECTION 6.13. Stockholder Litigation. The Company shall give Parent the opportunity to participate in the defense or settlement of any stockholder litigation against the Company and its directors relating to the Merger or any other Transaction; provided, however, that no such settlement shall be agreed to without Parent's consent.

SECTION 6.14. Parent Board. Parent shall take all actions reasonably necessary to (a) cause Peter M. Thomas to be elected to the Parent Board on or prior to the Closing Date and (b) as soon as reasonably practicable after the Closing Date and following the receipt of any necessary regulatory approvals, (i) expand the Parent Board to create two vacant positions and (ii) appoint, as directors to fill the vacant positions on the Parent Board established pursuant to the immediately preceding clause (i), each of Michael J. Gaughan and a designee of Michael J. Gaughan satisfactory to Parent; provided, however, that to the extent that Peter M. Thomas is not elected to the Parent Board on or prior to the Closing Date, Parent shall take all actions reasonably necessary as soon as reasonably practicable after the Closing Date and following the receipt of any necessary regulatory approvals to (x) expand the Parent Board to create one additional vacant position and (y) appoint, as a director to fill the vacant position on the Parent Board established pursuant to the immediately preceding clause (x), a second designee of Michael J. Gaughan satisfactory to Parent.

(f) No Litigation. There shall not be pending or threatened any suit, action or proceeding by any Governmental Entity or any other person, in each case that has a reasonable likelihood of success, (i) challenging the acquisition by Parent or Sub of any Company Common Stock, seeking to restrain or prohibit the consummation of the Merger or any other Transaction or seeking to obtain from the Company, Parent or Sub any damages that are material in relation to the Company and the Company Subsidiaries taken as a whole, (ii) seeking to prohibit or limit the ownership or operation by the Company, Parent or any of their respective subsidiaries of any material portion of the business or assets of the Company, Parent or any of their respective subsidiaries of any material portion of the business or assets of the Company, Parent or any of their respective subsidiaries, or to compel the Company, Parent or any of their respective subsidiaries to dispose of or hold separate any material portion of the business or assets of the Company, Parent or any of their respective subsidiaries, as a result of the Merger or any other Transaction, (iii) seeking to impose limitations on the ability of Parent to acquire or hold, or exercise full rights of ownership of, any shares of Company Common Stock, including the right to vote the Company Common Stock purchased by it on all matters properly presented to the stockholders of the Company, (iv) seeking to prohibit Parent or any of its subsidiaries from effectively controlling in any material respect the business or operations of the Company and the Company Subsidiaries or (v) which otherwise is reasonably likely to have a Company Material Adverse Effect or a Parent Material Adverse Effect.

SECTION 7.02. Conditions to Obligations of Parent and Sub. The obligations of Parent and Sub to effect the Merger are further subject to the following conditions:

(a) Representations and Warranties. The representations and warranties of the Company in this Agreement that are qualified as to materiality shall be true and correct and those not so qualified shall be true and correct in all material respects, as of the date of this Agreement and as of the Closing Date as though made on the Closing Date, except to the extent such representations and warranties expressly relate to an earlier date (in which case such representations and warranties qualified as to materiality shall be true and correct, and those not so qualified shall be true and correct in all material respects, on and as of such earlier date). Parent shall have received a certificate signed on behalf of the Company by an executive officer of the Company to such effect.

The Company shall have received a certificate signed on behalf of Parent by an executive officer of Parent to such effect.

SECTION 7.04. Frustration of Closing Conditions. None of the Company, Parent or Sub may rely on the failure of any condition set forth in Section 7.01, 7.02 or 7.03, as the case may be, to be satisfied if such failure was caused by such party's failure to use all reasonable efforts to consummate the Merger and the other Transactions to be performed or consummated by such party in accordance with the terms of this Agreement as required by and subject to Section 6.03.

ARTICLE VIII

Termination, Amendment and Waiver

SECTION 8.01. Termination. This Agreement may be terminated at any time prior to the Effective Time, whether before or after receipt of the Company Stockholder Approval:

(a) by mutual written consent of Parent, Sub and the Company;

(b) by either Parent or the Company:

(i) if the Merger is not consummated on or before January 31, 2005 (the Outside Date), unless the failure to consummate the Merger is the result of a willful and material breach of this Agreement by the party seeking to terminate this Agreement; provided, however, that if, as of the Outside Date, any hearing with respect to any necessary approval under applicable Gaming Laws shall have been scheduled for a date after the Outside Date or any such hearing is pending, then the Outside Date shall mean April 30, 2005;

(iii) if, upon a vote at a duly held meeting to obtain the Company Stockholder Approval, the Company Stockholder Approval is not obtained; it being understood and agreed among Parent, Sub and the Company that in the event that, prior to the date of the Company Stockholders Meeting, the Company withdraws or modifies its approval or recommendation of the Merger and this Agreement in accordance with the last sentence of Section 5.02(b), then the term Company Stockholder Approval shall mean both (i) the approval of this Agreement by a majority of the voting power of the holders of the outstanding Company Common Stock and (ii) the approval of this Agreement by a majority of the voting power of the holders of the outstanding Company Common Stock present and duly voted (in person or by proxy) at the Company Stockholders Meeting, exclusive of those votes taken in respect of the shares of Company Common Stock held by Michael J. (c) by Parent, if the Company breaches or fails to perform in any material respect any of its representations, warranties or covenants contained in this Agreement, which breach or failure to perform (i) would give rise to the failure of a condition set forth in Section 7.02(a) or 7.02(b), and (ii) cannot be or has not been cured within 30 days after the giving of written notice to the Company of such breach;

(d) by Parent, if the aggregate number of shares of Parent Common Stock required to be issued by Parent in accordance with Section 2.01(c)(3) (as determined in accordance with Section 2.01(e) without regard to the second proviso contained in Section 2.01(e)(1)) would exceed the Stock Cap; or

SECTION 8.02. Effect of Termination. In the event of termination of this Agreement by either the Company or Parent as provided in Section 8.01, this Agreement shall forthwith become void and have no effect, without any liability or obligation on the part of Parent, Sub or the Company, other than Section 3.20, Section 4.11, the last sentence of Section 6.02, Section 6.07, this Section 8.02 and Article IX, which provisions shall survive such termination, and except to the extent that such termination results from the willful and material breach by a party of any representation, warranty or covenant set forth in this Agreement.

SECTION 8.03. Amendment. This Agreement may be amended by the parties at any time before or after receipt of the Company Stockholder Approval or the Parent Stockholder Approval; provided, however, that (i) after receipt of the Company Stockholder Approval or the Parent Stockholder Approval, there shall be made no amendment that by law (or, in the case of the Parent Stockholder Approval, by the regulations established by the NYSE) requires further approval by the stockholders of the Company or Parent without the further approval of such stockholders, (ii) no amendment shall be made to this Agreement after the Effective Time and (iii) except as provided above no amendment of this Agreement by the Company shall require the approval of the stockholders of the Company. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties.

SECTION 8.04. Extension; Waiver. At any time prior to the Effective Time, the parties may (a) extend the time for the performance of any of the obligations or other acts of the other parties, (b) waive any inaccuracies in the representations and warranties of the other parties contained in this Agreement or in any document delivered pursuant to this Agreement or (c) subject to the proviso in Section 8.03, waive compliance by the other parties with any of the agreements or conditions contained in this Agreement. A termination of this Agreement pursuant to Section 8.01, an amendment of this Agreement pursuant to Section 8.03 or an extension or waiver pursuant to Section 8.04 shall, in order to be effective, require in the case of Sub or the Company, action by its Board of Directors or the duly authorized designee of its Board of Directors. Ladies and Gentlemen:

The undersigned refers to the Agreement and Plan of Merger (the Merger Agreement) dated as of February 6, 2004, among Boyd Gaming Corporation, a Nevada corporation, BGC, Inc., a Nevada corporation and a wholly owned subsidiary of Boyd Gaming Corporation, and Coast Casinos, Inc., a Nevada corporation. Capitalized terms used but not defined in this letter have the meanings give such terms in the Merger Agreement.

The undersigned, a holder of shares of Company Common Stock, is entitled to receive in connection with the Merger shares of Parent Common Stock. The undersigned acknowledges that the undersigned may be deemed an affiliate of the Company within the meaning of Rule 145 (Rule 145) promulgated under the Securities Act, although nothing contained herein should be construed as an admission of such fact.

If in fact the undersigned were an affiliate under the Securities Act, the undersigned's ability to sell, assign or transfer the Parent Common Stock received by the undersigned in exchange for any shares of Company Common Stock pursuant to the Merger may be restricted unless such sale, assignment, or transfer is registered under the Securities Act or an exemption from such registration is available. The undersigned (i) understands that such exemptions are limited and (ii) has obtained advice of counsel as to the nature and conditions of such exemptions, including information with respect to the applicability to the sale of such securities of Rules 144 and 145(d) promulgated under the Securities Act. The undersigned understands that Parent will not be required to maintain the effectiveness of any registration statement under the Securities Act for purposes of resale of Parent Common Stock by the undersigned.

The undersigned hereby represents to and covenants with Parent that the undersigned will not sell, assign or transfer any of the Parent Common Stock received by the undersigned in exchange for shares of Company Common Stock pursuant to the Merger except (i) pursuant to an effective registration statement under the Securities Act, (ii) in conformity with the volume and other limitations of Rule 144 or (iii) in a transaction that, in the opinion of independent counsel reasonably satisfactory to Parent or as described in a no-action or interpretive letter from the Staff of the SEC, is not required to be registered under the Securities Act.

In the event of a sale or other disposition by the undersigned pursuant to Rule 145, of Parent Common Stock received by the undersigned in the Merger, the undersigned will supply Parent with evidence of compliance with such Rule, in the form of a letter in the form of Annex I hereto and the opinion of counsel or no-action letter referred to above. The undersigned understands that Parent may instruct its transfer agent to withhold the transfer of any Parent Common Stock disposed of by the undersigned, but that upon receipt of such evidence of compliance the transfer agent shall effectuate the transfer of the Parent Common Stock sold as indicated in the letter.

The undersigned acknowledges and agrees that appropriate legends will be placed on certificates representing Parent Common Stock received by the undersigned in the Merger or held by a transferee thereof, which legends will be removed by delivery of substitute certificates upon receipt of an opinion in form and substance reasonably satisfactory to Parent from independent counsel reasonably satisfactory to Parent to the effect that such legends are no longer required for purposes of the Securities Act.

Edgar Filing: BOYD GAMING CORP - Form S-4/A

The undersigned acknowledges that (i) the undersigned has carefully read this letter and understands the requirements hereof and the limitations imposed upon the distribution, sale, transfer or other disposition of Parent Common Stock and (ii) the receipt by Parent of this letter is an inducement and a condition to Parent's obligations to consummate the Merger.

This Agreement shall only become effective as of the Effective Time of the Merger.

Ladies and Gentlemen:

In connection with the opinions to be delivered pursuant to Sections 7.02(e) and 7.03(d) of the Agreement and Plan of Merger dated as of February 6, 2004 (the "Merger Agreement"), among Boyd Gaming Corporation, a Nevada corporation ("Parent"), BGC, Inc., a Nevada corporation and a wholly owned subsidiary of Parent ("Sub"), and Coast Casinos, Inc., a Nevada corporation (the "Company"), whereby the Company will merge with and into Sub (the "Merger") with Sub becoming the "Surviving Corporation", and in connection with the filing with the Securities and Exchange Commission of the registration statement on Form S-4 in which the Joint Proxy Statement will be included as a prospectus (the "Registration Statement"), each as amended or supplemented through the date hereof, the undersigned certifies and represents on behalf of the Company, after due inquiry and investigation, as follows (any capitalized term used but not defined herein shall have the meaning given to such term in the Merger Agreement):

1. The facts relating to the Merger as described in the Merger Agreement, the Registration Statement and the other documents described in the Registration Statement are, insofar as such facts pertain to the Company are true, correct and complete in all material respects. The Merger will be consummated in accordance with the Merger Agreement.

Edgar Filing: BOYD GAMING CORP - Form S-4/A

2. The formulas set forth in the Merger Agreement pursuant to which each issued and outstanding share Company Common Stock will be converted as outlined in Section 2.01 of the Merger Agreement are the result of arm's length bargaining.

3. If cash payments are made to holders of Company Common Stock in lieu of fractional shares of Parent Common Stock that would otherwise be issued to such holders in the Merger, such payments will be made for the purpose of saving Parent the expense and inconvenience of issuing and transferring fractional shares of Parent Common Stock and will not represent separately bargained-for consideration. The total cash consideration that will be paid in the Merger to the Company stockholders in lieu of fractional shares of Parent Common Stock will not exceed one percent (1%) of the total consideration that will be issued in the Merger to the Company stockholders in exchange for their shares of Company Common Stock. The fractional share interests of each Company stockholder will be aggregated, and no Company stockholder will receive cash for fractional share interests in an amount equal to or greater than the value of one full share of Parent Common Stock.

4. Neither the Company nor any person related to the Company (as defined in Treasury Regulation Section 1.368-1(e)) has acquired or has any plan or intention to acquire any Company Common Stock in contemplation of the Merger, or otherwise as part of a plan of which the Merger is a part. A person is considered related to the Company under Treasury Regulation Section 1.368-1(e) if: (i) the Company and the corporation in question are members of the same affiliated group as defined in Section 1504 of the Code (determined without regard to Section 1504(b)) or (ii) a purchase of the stock of the Company by the corporation in question or the purchase of the stock of the corporation in question by the Company would be treated as a distribution in redemption of the stock of the first corporation under Section 304(a)(2) of the Code (determined without regard

Table of Contents

to Treasury Regulation Section 1.1502-80(b)). In addition, a corporation will be treated as related to the Company if a relationship described in the preceding sentence exists immediately before or immediately after the Merger.

5. The Company has not made, and does not have any plan or intention to make, any distributions prior to, in contemplation of or otherwise in connection with, the Merger to holders of Company Common Stock (other than dividends made in the ordinary course of business and other than payment of cash to holders of Dissenter Shares as set forth in Paragraph 17 of this letter).

6. Immediately following the Merger, the Surviving Corporation will hold (i) at least 90% of the fair market value of the net assets and at least 70% of the fair market value of the gross assets that were held by the Company immediately prior to the Merger and (ii) at least 90% of the fair market value of the net assets and at least 70% of the fair market value of the gross assets that were held by Sub immediately prior to the Merger. For purposes of this representation, amounts paid to stockholders who receive cash or other property (including cash in lieu of fractional shares of Parent Common Stock and cash paid to dissenting stockholders) provided, directly or indirectly, by the Company or Sub in connection with the Merger, assets of the Company or Sub used to pay its respective reorganization expenses (including transfer taxes, if any) and all redemptions and distributions made by the Company (other than dividends made in the ordinary course of business) immediately preceding, or in contemplation of, the Merger will be included as assets held by the Company or Sub, respectively, immediately prior to the Merger.

7. Except as otherwise specifically contemplated under the Merger Agreement, the Company will pay its expenses, if any, incurred in connection with the Merger. The Company has neither paid nor assumed (directly or indirectly), or agreed to pay or assume (directly or indirectly), any expense or other liability, whether fixed or contingent, incurred or to be incurred by any holder of Company Common Stock in connection with or as part of the Merger or any related transactions.

8. Except as otherwise specifically contemplated under the Merger Agreement, immediately prior to the time of the Merger, the Company will not have outstanding any warrants, options, convertible securities or any other type of right pursuant to which any person could acquire Company Common Stock. Simultaneously with the Merger, all outstanding options and related stock appreciation rights, if any, to purchase or acquire share of Company Common Stock granted under employee incentive or benefits plans, programs or arrangements and non-employee director plans presently maintained by the Company, together with all other outstanding awards granted under such plans, will be canceled or converted into similar instruments of Parent.

9. No assets of the Company have been sold, transferred or otherwise disposed of which would prevent Parent from continuing the historic business of the Company or from using a significant portion of the historic business assets of the Company in a business following the Merger (as such terms are defined in Treasury Regulation Section 1.368-1(d)).

10. The Company is not an investment company as defined in Section 368(a)(2)(F)(iii) and (iv) of the Code.

11. The Company will not take, and, to the best knowledge of the management of the Company, there is no plan or intention by stockholders of the Company to take, any position on any Federal, state or local income or franchise tax return, or take any other tax reporting position, that is inconsistent with the treatment of the Merger as a reorganization within the meaning of Section 368(a) of the Code, unless otherwise required by a determination (as defined in Section 1313(a)(1) of the Code) or by applicable state or local tax law (and then only to the extent required by such applicable state or local tax law).

Edgar Filing: BOYD GAMING CORP - Form S-4/A

12. None of the compensation received by any stockholder-employee or stockholder-independent contractor of the Company in respect of periods at or prior to the Effective Time (including pursuant to any

A-46

consulting agreement) represents separate consideration for, or is allocable to, any of the Company Common Stock. None of the Parent Common Stock that will be received by any stockholder-employee or stockholder-independent contractor of the Company in the Merger represents separately bargained-for consideration which is allocable to any employment agreement or arrangement. The compensation paid to any stockholder-employee or stockholder-independent contractor will be for services actually rendered and will be determined by bargaining at arm's length.

13. There is no intercorporate indebtedness existing between Parent (or any of its subsidiaries, including Sub) and the Company (or any of its subsidiaries) that was issued, acquired or will be settled at a discount.

14. The liabilities of Company assumed by Sub and the liabilities to which the transferred assets of the Company are subject were incurred by the Company in the ordinary course of business.

15. The Company is not under the jurisdiction of a court in a Title 11 or similar case within the meaning of Section 368(a)(3)(A) of the Code.

16. On the date of the Merger, the fair market value of the assets of the Company will exceed the sum of its liabilities, plus the amount of liabilities, if any, to which such assets are subject.

17. Provided that this representation does not result in a violation of the representation set forth in Paragraph 6 of this letter, the Company will pay holders of Dissenter Shares the value of their shares out of the Company's own funds and not out of funds provided, directly or indirectly, by Parent.

18. At least 40% of the value of the Adjusted Merger Consideration (as determined as of the Closing Date) will be comprised of shares of Parent Common Stock. For purposes of this representation, shares of Parent Common Stock issued in the Merger shall be valued in the manner set forth in Section 2.01(e) of the Merger Agreement.

19. All obligations to pay holders of Dissenter Shares the value of their shares under applicable law are obligations of the Company or the Surviving Corporation.

20. The Merger is being undertaken for purposes of enhancing the business of the Company and for other good and valid business purposes of the Company.

21. The Merger Agreement, the Registration Statement and the other documents described in the Registration Statement represent the entire understanding of the Company with respect to the Merger.

22. The undersigned is authorized to make all the representations set forth herein on behalf of the Company.

The undersigned acknowledges that (i) your opinions will be based on the accuracy of the representations set forth herein and on the accuracy of the representations and warranties and the satisfaction of the covenants and obligations contained in the Merger Agreement and the various other documents related thereto, and (ii) your opinions will be subject to certain limitations and qualifications including that it may not be relied upon if any such representations or warranties are not accurate or if any of such covenants or obligations are not satisfied in all material respects.

Ladies and Gentlemen:

In connection with the opinions to be delivered pursuant to Sections 7.02(e) and 7.03(d) of the Agreement and Plan of Merger dated as of February 6, 2004 (the "Merger Agreement"), among Boyd Gaming Corporation, a Nevada corporation ("Parent"), BGC, Inc., a Nevada corporation and a wholly owned subsidiary of Parent ("Sub"), and Coast Casinos, Inc., a Nevada corporation (the "Company"), whereby the Company will merge with and into Sub (the "Merger") with Sub becoming the "Surviving Corporation", and in connection with the filing with the Securities and Exchange Commission of the registration statement on Form S-4 in which the Joint Proxy Statement will be included as a prospectus (the "Registration Statement"), each as amended or supplemented through the date hereof, the undersigned certifies and represents on behalf of Parent and Sub, after due inquiry and investigation, as follows (any capitalized term used but not defined herein shall have the meaning given to such term in the Merger Agreement):

1. The facts relating to the Merger as described in the Merger Agreement, the Registration Statement and the other documents described in the Registration Statement are, insofar as such facts pertain to Parent and Sub, true, correct and complete in all material respects. 4. If cash payments are made to holders of Company Common Stock in lieu of fractional shares of Parent Common Stock that would otherwise be issued to such holders in the Merger, such payments will be made for the purpose of saving Parent the expense and inconvenience of issuing and transferring fractional shares of Parent Common Stock and will not represent separately bargained for consideration. To the best knowledge of the management of Parent, no person related to Parent (as defined in Treasury Regulation Section 1.368-1(e)) has a plan or intention to, nor will in connection with the Merger, acquire or redeem any of the Parent Common Stock issued in the Merger, either directly or through any transaction, agreement or arrangement with any other person. A person is considered related to the Parent under Treasury Regulation Section 1.368-1(e) if: (i) Parent and the corporation in question are members of the same affiliated group as defined in Section 1504 of the Code (determined without regard to Section 1504(b)) or (ii) a purchase of the stock of Parent by the corporation in question or the purchase of the stock of the corporation in question by Parent would be treated as a distribution in redemption of the stock of the first corporation under Section 304(a)(2) of the Code (determined without regard to Treasury Regulation Section 1.1502-80(b)). In addition, a corporation will be treated as related to Parent if a relationship described in the preceding sentence: (i) exists immediately before or immediately after the Merger or (ii) the relationship is created in connection with the Merger. For purposes of this representation letter, a person is considered to own or acquire stock owned or acquired (as the case may be) by a partnership in which such person is a partner in proportion to such person's interest in the partnership.

8. Neither Parent nor Sub (nor any other subsidiary of Parent) has acquired or, except as a result of the Merger, will acquire, or has owned in the past five years, any Company Common Stock.

9. Immediately following the Merger, the Surviving Corporation will hold (i) at least 90% of the fair market value of the net assets and at least 70% of the fair market value of the gross assets that were held by the Company immediately prior to the Merger and (ii) at least 90% of the fair market value of the net assets and at least 70% of the fair market value of the gross assets that were held by Sub immediately prior to the Merger. In rendering its opinion, Deutsche Bank expresses no view as to the reasonableness of such forecasts and projections or the assumptions on which they are based. Deutsche Bank's opinion is necessarily based upon economic, market and other conditions as in effect on, and the information made available to it as of, the date hereof.

ANNEX C

February 6, 2004

Board of Directors

Coast Casinos, Inc.

4500 West Tropicana Avenue

Las Vegas, NV 89103

Members of the Board of Directors:

You have requested our opinion as to the fairness from a financial point of view to the stockholders of Coast Casinos, Inc. (the "Company"), other than Michael J. Gaughan, Jerry Herbst and Franklin Toti (collectively, the "Principal Stockholders"), of the consideration proposed to be received by such stockholders in connection with the proposed merger (the "Merger") of the Company with a wholly owned subsidiary of Boyd Gaming Corporation (the "Purchaser"). Pursuant to the terms of the Agreement and Plan of Merger, to be dated as of February 6, 2004 (the "Agreement"), to be entered into among the Company, the Purchaser and BGC, Inc. (the "Acquisition Sub"), the Company will become a wholly owned subsidiary of the Purchaser, and stockholders of the Company, other than the Principal Stockholders, will receive for each share of common stock, par value \$0.01 per share, of the Company (the "Company Common Stock") held by them, other than shares held by the Company, the Purchaser or the Acquisition Sub or as to which dissenters' or appraisal rights have been perfected, consideration equal to either (i) \$550 per share in cash (the "Cash Consideration") or (ii) 32.8025 shares of common stock, par value \$0.01 per share, of the Purchaser (the "Purchaser Common Stock"), subject to adjustment as provided in the Agreement (the "Stock Consideration" and, together with the Cash Consideration and any cash payable in lieu of fractional shares of Parent Common Stock, collectively referred to as the "Merger Consideration"). The Company's stockholders, other than the Principal Stockholders, may elect with respect to each share of Company Common Stock to receive the Cash Consideration or the Stock Consideration, and the Cash Consideration and the Stock Consideration will be allocated among such stockholders in accordance with such elections, subject to certain allocation and proration procedures contained in the Agreement (as to which we express no opinion). The Agreement provides that the aggregate Cash Consideration issued to the stockholders, other than the Principal Stockholders, will not exceed \$336,170,274.88 and the aggregate Stock Consideration will not exceed 1,009,194 shares of Purchaser Common Stock, subject to certain adjustments set forth in the Agreement. Pursuant to the Agreement, Michael J. Gaughan and Franklin Toti will receive for each share of Company Common Stock held by them 32.8025 shares of Parent Common Stock, and Jerry Herbst will receive for each share of Company Common Stock held by him \$550 in cash. The terms and conditions of the Merger are more fully set out in the Agreement.

For purposes of the opinion set forth herein, we have:

- (i) reviewed certain publicly available financial statements and other business and financial information of the Company and the Purchaser, respectively;
- (ii) reviewed certain internal financial statements and other financial and operating data concerning the Company and the Purchaser, respectively;

Edgar Filing: BOYD GAMING CORP - Form S-4/A

- (iii) analyzed certain financial forecasts prepared by the managements of the Company and the Purchaser, respectively;
- (iv) reviewed and discussed with senior executives of the Company and the Purchaser their views of certain strategic, financial and operational benefits anticipated from the Merger;
- (v) discussed the past and current operations, financial condition and prospects of the Company with senior executives of the Company and discussed the past and current operations, financial condition and prospects of the Purchaser with senior executives of the Purchaser;
- (vi) reviewed the pro forma impact of the Merger on the Purchaser's earnings per share, cash flow, consolidated capitalization and financial ratios;
- (vii) reviewed the reported prices and trading activity for the Purchaser Common Stock;

- (viii) compared the financial performance of the Company and the Purchaser and the prices and trading activity of the Purchaser Common Stock with that of certain other publicly traded companies we deemed relevant;
- (ix) compared certain financial terms of the Merger to financial terms, to the extent publicly available, of certain other business combination transactions we deemed relevant;
- (x) participated in discussions among representatives of the Company and the Purchaser and their financial and legal advisors;
- (xi) reviewed the February 6, 2004 draft of the Agreement (the "Draft Agreement") and certain related documents; and
- (xii) performed such other analyses and considered such other factors as we have deemed appropriate.

We have assumed and relied upon, without independent verification, the accuracy and completeness of the financial and other information reviewed by us for the purposes of this opinion. With respect to the financial forecasts, including information relating to certain strategic, financial and operational benefits anticipated from the Merger, we have assumed that they have been reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of the future financial performance of the Company and the Purchaser. We have not made any independent valuation or appraisal of the assets or liabilities of the Company, nor have we been furnished with any such appraisals.

We have assumed that the final executed Agreement will not differ in any material respect from the Draft Agreement reviewed by us, and that the Merger will be consummated as provided in the Draft Agreement, with full satisfaction of all covenants and conditions set forth in the Draft Agreement and without any waivers thereof. We have also assumed that in connection with the receipt of the regulatory approvals required to consummate the Merger, no conditions will be imposed upon the Company or the Purchaser that would have a material adverse effect on the Purchaser, the Company or the benefits expected to be derived by the Merger.

We were not authorized to and did not solicit any expressions of interest from any other parties with respect to the sale of all or any part of the Company or any other alternative transaction. Consequently, no opinion is expressed as to whether any alternative transaction might produce consideration for the Company's stockholders in an amount in excess of that contemplated in the Merger.

We have acted as sole financial advisor to the Board of Directors of the Company in connection with the Merger and will receive a fee for our services, portions of which are contingent upon the rendering of this opinion and the consummation of the Merger. We or our affiliates have provided and may in the future provide financial advisory and financing services to the Company and the Purchaser and have received or may in the future receive fees for the rendering of these services. Bank of America, N.A., an affiliate of ours, serves as agent bank and is a lender under the Company's senior credit facility and is a lender under the Purchaser's senior credit facility and has received fees for the rendering of such services. In the ordinary course of our businesses, we and our affiliates may actively trade the debt and equity securities or loans of the Company

and the Purchaser for our own account or for the accounts of customers, and accordingly, we or our affiliates may at any time hold long or short positions in such securities or loans.

It is understood that this letter is for the benefit and use of the Board of Directors of the Company in connection with and for purposes of its evaluation of the Merger. However, this opinion may not be disclosed, referred to, or communicated (in whole or in part) to any third party for any purpose whatsoever except with our prior written consent in each instance. This opinion may be included in its entirety in any filing made by the

Company in respect of the Merger with the Securities and Exchange Commission, so long as this opinion is reproduced in such filing in full and any description of or reference to us or summary of this opinion and the related analysis in such filing is in a form reasonably acceptable to us and our counsel. In furnishing this opinion, we do not admit that we are experts within the meaning of the term "experts" as used in the Securities Act of 1933, as amended (the "Securities Act"), and the rules and regulations promulgated thereunder, nor do we admit that this opinion constitutes a report or valuation within the meaning of Section 11 of the Securities Act. Our opinion is necessarily based on economic, market and other conditions as in effect on, and the information made available to us as of, the date hereof. It should be understood that subsequent developments may affect this opinion and we do not have any obligation to update, revise, or reaffirm this opinion. This opinion does not in any manner address the prices at which the Purchaser Common Stock will trade following the execution of the Agreement or consummation of the Merger. In addition, we express no opinion or recommendation as to how the stockholders of the Company and the Purchaser should vote at the stockholders' meetings held in connection with the Merger.

Based upon and subject to the foregoing, including the various assumptions and limitations set forth herein, we are of the opinion on the date hereof that the Merger Consideration to be received by the Company's stockholders, other than the Principal Stockholders, in the proposed Merger is fair from a financial point of view to the Company's stockholders, other than the Principal Stockholders.

Awards may be granted to such Employees, Directors or Consultants who are residing in foreign jurisdictions as the Administrator may determine from time to time.

For this purpose, Incentive Stock Options shall be taken into account in the order in which they were granted, and the Fair Market Value of the Shares shall be determined as of the grant date of the relevant Option.

(c) Conditions of Award. Subject to the terms of the Plan, the Administrator shall determine the provisions, terms, and conditions of each Award including, but not limited to, the Award vesting schedule, repurchase provisions, rights of first refusal, forfeiture provisions, form of payment (cash, Shares, or other consideration) upon settlement of the Award, payment contingencies, and satisfaction of any performance criteria. The performance criteria established by the Administrator may be based on any one of, or combination of, increase in share price, earnings per share, total stockholder return, return on equity, return on assets, return on investment, net operating income, cash flow, revenue, economic value added, personal management objectives, or other measure of performance selected by the Administrator. Partial achievement of the specified criteria may result in a payment or vesting corresponding to the degree of achievement as specified in the Award Agreement.

(d) Acquisitions and Other Transactions. The Administrator may issue Awards under the Plan in settlement, assumption or substitution for, outstanding awards or obligations to grant future awards in connection with the Company or a Related Entity acquiring another entity, an interest in another entity or an additional interest in a Related Entity whether by merger, stock purchase, asset purchase or other form of transaction.

(e) Deferral of Award Payment. The Administrator may establish one or more programs under the Plan to permit selected Grantees the opportunity to elect to defer receipt of consideration upon exercise of an Award, satisfaction of performance criteria, or other event that absent the election would entitle the Grantee to payment or receipt of Shares or other consideration under an Award (but only to the extent that

F-6

such deferral programs would not result in an accounting compensation charge unless otherwise determined by the Administrator). The Administrator may establish the election procedures, the timing of such elections, the mechanisms for payments of, and accrual of interest or other earnings, if any, on amounts, Shares or other consideration so deferred, and such other terms, conditions, rules and procedures that the Administrator deems advisable for the administration of any such deferral program.

(f) Separate Programs. The Administrator may establish one or more separate programs under the Plan for the purpose of issuing particular forms of Awards to one or more classes of Grantees on such terms and conditions as determined by the Administrator from time to time.

(g) Individual Option and SAR Limit. The maximum number of Shares with respect to which Options and SARs may be granted to any Grantee in any fiscal year of the Company shall be five hundred thousand (500,000) Shares. The foregoing limitation shall be adjusted proportionately in connection with any change in the Company's capitalization pursuant to Section 10, below. To the extent required by Section 162(m) of the Code or the regulations thereunder, in applying the foregoing limitation with respect to a Grantee, if any Option or SAR is canceled, the canceled Option or SAR shall continue to count against the maximum number of Shares with respect to which Options and SARs may be granted to the Grantee. For this purpose, the repricing of an Option (or in the case of a SAR, the base amount on which the stock appreciation is calculated is reduced to reflect a reduction in the Fair Market Value of the Common Stock) shall be treated as the cancellation of the existing Option or SAR and the grant of a new Option or SAR.

(h) Early Exercise. The Award Agreement may, but need not, include a provision whereby the Grantee may elect at any time while an Employee, Director or Consultant to exercise any part or all of the Award prior to full vesting of the Award. Any unvested Shares received pursuant to such exercise may be subject to a repurchase right in favor of the Company or a Related Entity or to any other restriction the Administrator determines to be appropriate.

(i) Term of Award. The term of each Award shall be the term stated in the Award Agreement, provided, however, that the term of an Incentive Stock Option shall be no more than ten (10) years from the date of grant thereof. However, in the case of an Incentive Stock Option granted to a Grantee who, at the time the Option is granted, owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary of the Company, the term of the Incentive Stock Option shall be five (5) years from the date of grant thereof or such shorter term as may be provided in the Award Agreement.

(j) Transferability of Awards. Incentive Stock Options may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Grantee, only by the Grantee; provided, however, that the Grantee may designate a beneficiary of the Grantee's Incentive Stock Option in the event of the Grantee's death on a beneficiary designation form provided by the Administrator. Other Awards shall be transferred by will and by the laws of descent and distribution, and during the lifetime of the Grantee, by gift and or pursuant to a domestic relations order to members of the Grantee's Immediate Family to the extent and in the manner determined by the Administrator.

(k) Time of Granting Awards. The date of grant of an Award shall for all purposes be the date on which the Administrator makes the determination to grant such Award, or such other date as is determined by the Administrator. Notice of the grant determination shall be given to each Employee, Director or Consultant to whom an Award is so granted within a reasonable time after the date of such grant.

7. Award Exercise or Purchase Price, Consideration and Taxes.

(a) **Exercise or Purchase Price.** The exercise or purchase price, if any, for an Award shall be as follows:

(i) In the case of an Incentive Stock Option:

(A) granted to an Employee who, at the time of the grant of such Incentive Stock Option owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary of the Company, the per Share exercise price shall be not less than one hundred ten percent (110%) of the Fair Market Value per Share on the date of grant; or

(B) granted to any Employee other than an Employee described in the preceding paragraph, the per Share exercise price shall be not less than one hundred percent (100%) of the Fair Market Value per Share on the date of grant.

(ii) In the case of a Non-Qualified Stock Option, the per Share exercise price shall be not less than eighty-five percent (85%) of the Fair Market Value per Share on the date of grant unless otherwise determined by the Administrator.

(iii) In the case of Awards intended to qualify as Performance-Based Compensation, the exercise or purchase price, if any, shall be not less than one hundred percent (100%) of the Fair Market Value per Share on the date of grant.

(iv) In the case of other Awards, such price as is determined by the Administrator.

(v) Notwithstanding the foregoing provisions of this Section 7(a), in the case of an Award issued pursuant to Section 6(d), above, the exercise or purchase price for the Award shall be determined in accordance with the principles of Section 424(a) of the Code.

(b) **Consideration.** Subject to Applicable Laws, the consideration to be paid for the Shares to be issued upon exercise or purchase of an Award including the method of payment, shall be determined by the Administrator (and, in the case of an Incentive Stock Option, shall be determined at the time of grant). In addition to any other types of consideration the Administrator may determine, the Administrator is authorized to accept as consideration for Shares issued under the Plan the following:

(i) cash;

(ii) check;

(iii) delivery of Grantee's promissory note with such recourse, interest, security, and redemption provisions as the Administrator determines as appropriate;

(iv) surrender of Shares or delivery of a properly executed form of attestation of ownership of Shares as the Administrator may require (including withholding of Shares otherwise deliverable upon exercise of the Award) which have a Fair Market Value on the date of surrender or attestation equal to the aggregate exercise price of the Shares as to which said Award shall be exercised (but only to the extent that such exercise of the Award would not result in an accounting compensation charge with respect to the Shares used to pay the exercise price unless otherwise determined by the Administrator);

(v) with respect to Options, payment through a broker-dealer sale and remittance procedure pursuant to which the Grantee (A) shall provide written instructions to a Company designated brokerage firm to effect the immediate sale of some or all of the purchased Shares and remit to the Company, out of the sale proceeds available on the settlement date, sufficient funds to cover the aggregate exercise price payable for the purchased Shares (including all applicable taxes) and (B) shall provide written directives to the Company to deliver the certificates for the purchased Shares directly to such brokerage firm in order to complete the sale transaction; or

(vi) any combination of the foregoing methods of payment.

(c) Taxes. No Shares shall be delivered under the Plan to any Grantee or other person until such Grantee or other person has made arrangements acceptable to the Administrator for the satisfaction of any foreign, federal, state, or local income and employment tax withholding obligations, including, without limitation, obligations incident to the receipt of Shares or the disqualifying disposition of Shares received on exercise of an Incentive Stock Option. Upon exercise of an Award the Company shall withhold or collect from Grantee an amount sufficient to satisfy such tax obligations.

8. Exercise of Award.

(a) Procedure for Exercise; Rights as a Stockholder.

(i) Any Award granted hereunder shall be exercisable at such times and under such conditions as determined by the Administrator under the terms of the Plan and specified in the Award Agreement.

(ii) An Award shall be deemed to be exercised when written notice of such exercise has been given to the Company in accordance with the terms of the Award by the person entitled to exercise the Award and full payment for the Shares with respect to which the Award is exercised, including, to the extent selected, use of the broker-dealer sale and remittance procedure to pay the purchase price as provided in Section 7(b)(v). Until the issuance (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company) of the stock certificate evidencing such Shares, no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to Shares subject to an Award, notwithstanding the exercise of an Option or other Award. The Company shall issue (or cause to be issued) such stock certificate promptly upon exercise of the Award. No adjustment will be made for a dividend or other right for which the record date is prior to the date the stock certificate is issued, except as provided in the Award Agreement or Section 10, below.

(b) Exercise of Award Following Termination of Continuous Service.

(i) An Award may not be exercised after the termination date of such Award set forth in the Award Agreement and may be exercised following the termination of a Grantee's Continuous Service only to the extent provided in the Award Agreement.

(ii) Where the Award Agreement permits a Grantee to exercise an Award following the termination of the Grantee's Continuous Service for a specified period, the Award shall terminate to the extent not exercised on the last day of the specified period or the last day of the original term of the Award, whichever occurs first.

(iii) Any Award designated as an Incentive Stock Option to the extent not exercised within the time permitted by law for the exercise of Incentive Stock Options following the termination of a Grantee's Continuous Service shall convert automatically to a Non-Qualified Stock Option and thereafter shall be exercisable as such to the extent exercisable by its terms for the period specified in the Award Agreement.

9. Conditions Upon Issuance of Shares.

(a) Shares shall not be issued pursuant to the exercise of an Award unless the exercise of such Award and the issuance and delivery of such Shares pursuant thereto shall comply with all Applicable Laws, and shall be further subject to the approval of counsel for the Company with respect to such compliance.

(b) As a condition to the exercise of an Award, the Company may require the person exercising such Award to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required by any Applicable Laws.

10. Adjustments Upon Changes in Capitalization. Subject to any required action by the stockholders of the Company, the number of Shares covered by each outstanding Award, and the number of Shares which have

been authorized for issuance under the Plan but as to which no Awards have yet been granted or which have been returned to the Plan, the exercise or purchase price of each such outstanding Award, the maximum number of Shares with respect to which Options and SARs may be granted to any Grantee in any fiscal year of the Company, as well as any other terms that the Administrator determines require adjustment shall be proportionately adjusted for (i) any increase or decrease in the number of issued Shares resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Shares, or similar transaction affecting the Shares, (ii) any other increase or decrease in the number of issued Shares effected without receipt of consideration by the Company, or (iii) as the Administrator may determine in its discretion, any other transaction with respect to Common Stock to which Section 424(a) of the Code applies or a similar transaction; provided, however that conversion of any convertible securities of the Company shall not be deemed to have been effected without receipt of consideration. Such adjustment shall be made by the Administrator and its determination shall be final, binding and conclusive. Except as the Administrator determines, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason hereof shall be made with respect to, the number or price of Shares subject to an Award.

11. Corporate Transactions/Changes in Control.

(a) Effective upon the consummation of a Corporate Transaction, all outstanding Awards under the Plan shall terminate. However, all such Awards shall not terminate to the extent they are Assumed in connection with the Corporate Transaction.

(b) The Administrator shall have the authority, exercisable either in advance of any actual or anticipated Corporate Transaction or Change in Control or at the time of an actual Corporate Transaction or Change in Control and exercisable at the time of the grant of an Award under the Plan or any time while an Award remains outstanding, to provide for the full or partial automatic vesting and exercisability of one or more outstanding unvested Awards under the Plan and the release from restrictions on transfer and repurchase or forfeiture rights of such Awards in connection with a Corporate Transaction or Change in Control, on such terms and conditions as the Administrator may specify. The Administrator also shall have the authority to condition any such Award vesting and exercisability or release from such limitations upon the subsequent termination of the Continuous Service of the Grantee within a specified period following the effective date of the Corporate Transaction or Change in Control.

(c) The portion of any Incentive Stock Option accelerated under this Section 11 in connection with a Corporate Transaction or Change in Control shall remain exercisable as an Incentive Stock Option under the Code only to the extent the \$100,000 dollar limitation of Section 422(d) of the Code is not exceeded. To the extent such dollar limitation is exceeded, the accelerated excess portion of such Option shall be exercisable as a Non-Qualified Stock Option.

12. Effective Date and Term of Plan. The Plan shall become effective upon the earlier to occur of its adoption by the Board or its approval by the stockholders of the Company. It shall continue in effect for a term of ten (10) years unless sooner terminated. Subject to Section 17, below, and Applicable Laws, Awards may be granted under the Plan upon its becoming effective.

13. Amendment, Suspension or Termination of the Plan.

(a) The Board may at any time amend, suspend or terminate the Plan. To the extent necessary to comply with Applicable Laws, the Company shall obtain stockholder approval of any Plan amendment in such a manner and to such a degree as required.

Edgar Filing: BOYD GAMING CORP - Form S-4/A

(b) No Award may be granted during any suspension of the Plan or after termination of the Plan.

(c) No amendment, suspension or termination of the Plan (including termination of the Plan under Section 12, above) shall adversely affect any rights under Awards already granted to a Grantee, unless consented to by the Grantee.

14. Reservation of Shares.

(a) The Company, during the term of the Plan, will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.

(b) The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

15. No Effect on Terms of Employment/Consulting Relationship. The Plan shall not confer upon any Grantee any right with respect to the Grantee's Continuous Service, nor shall it interfere in any way with his or her right or the Company's right to terminate the Grantee's Continuous Service at any time, with or without cause, and with or without notice.

16. No Effect on Retirement and Other Benefit Plans. Except as specifically provided in a retirement or other benefit plan of the Company or a Related Entity, Awards shall not be deemed compensation for purposes of computing benefits or contributions under any retirement plan of the Company or a Related Entity, and shall not affect any benefits under any other benefit plan of any kind or any benefit plan subsequently instituted under which the availability or amount of benefits is related to level of compensation. The Plan is not a Retirement Plan or Welfare Plan under the Employee Retirement Income Security Act of 1974, as amended.

17. Stockholder Approval. The grant of Incentive Stock Options under the Plan shall be subject to approval by the stockholders of the Company within twelve (12) months before or after the date the Plan is adopted excluding Incentive Stock Options issued in substitution for outstanding Incentive Stock Options pursuant to Section 424(a) of the Code. Such stockholder approval shall be obtained in the degree and manner required under Applicable Laws. The Administrator may grant Incentive Stock Options under the Plan prior to approval by the stockholders, but until such approval is obtained, no such Incentive Stock Option shall be exercisable. In the event that stockholder approval is not obtained within the twelve (12) month period provided above, all Incentive Stock Options previously granted under the Plan shall be exercisable as Non-Qualified Stock Options.

Item 22. Undertakings.

(a) (1) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(2) The undersigned registrant hereby undertakes as follows: that prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

(3) The registrant undertakes that every prospectus: (i) that is filed pursuant to paragraph (2) immediately preceding or (ii) that purports to meet the requirements of Section 10(a)(3) of the Securities Act of 1933 and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(4) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

(b) The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11 or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(c) The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not subject of and included in the registration statement when it became effective.
