As part of the Note Purchase Agreement, the Issuer also granted the Reporting Person a right of first refusal to act as an exclusive worldwide distributor for any Issuer product not currently sold by Issuer and a right to designate one nominee to the Issuer's board of directors or have an observer present at the Issuer's board meetings.

The description of the Note Purchase Agreement set forth herein is qualified in its entirety by reference to the copy filed as Exhibit 99.6 to the December 2007 8-K. Pursuant to the Services Agreement the Reporting Person agreed to provide clinical support and certain marketing services in connection with the Issuer's products in development. As partial consideration for these clinical and marketing services, the Issuer issued to the Reporting Person a 5-year warrant (the "Warrant") to purchase up to 3,400,000 Common Shares, exercisable at \$0.01 per share.

In addition, the Issuer and Reporting Person entered into a Registration Rights Agreement pursuant to which the Issuer granted the Reporting Person registration rights with respect to the Common Shares underlying the Note and Warrant and agreed to file such registration statement with the Securities and Exchange Commission within 120 days after the date of issuance of the Note and the Warrant. A copy of the Registration Rights Agreement was filed as Exhibit 99.7 to the December 2007 8-K, and is incorporated herein by reference.

Recapitalization Agreement

On June 20, 2008, the Reporting Person entered into a recapitalization agreement (the "Recapitalization Agreement") among the Issuer, WHI, Venrock Partners V, L.P., Venrock Associates V, L.P. and Venrock Entrepreneurs Fund V, L.P. (collectively, "Venrock"), Special Situations Fund III QP LP, Special Situations Cayman Fund, L.P., Special Situations Private Equity Fund, L.P., Special Situations Life Sciences Fund, L.P. and Austin Marx (collectively, "SSF") providing for the recapitalization of the Issuer (the "Recapitalization"), pursuant to which:

The Issuer has agreed to issue approximately 300,000,000 Common Shares for an aggregate purchase price of no less than \$30,000,000 (the "Issuance"). At the closing of the Recapitalization, Venrock will invest an aggregate of approximately \$10,000,000 and SSF will invest an aggregate of approximately \$9,000,000 and other investors are in discussions to invest the remainder (such other investors, together with Venrock and SSF, the "Investors").

The Reporting Person has agreed, contingent on and simultaneous with the closing of the Issuance, to convert the full amount of principal and interest owed on the Note into 86,000,000 Common Shares (the "Conversion"). The Note is currently secured by a security interest in all of the assets of the Issuer and WHI.

In connection with the Conversion, the Reporting Person has agreed to terminate the Warrant and to forgive other amounts the Issuer owes to the Reporting Person.

Venrock and SSF have agreed to provide the Issuer with a bridge loan facility (the Bridge Facility) under which the Issuer may borrow up to \$1,000,000 until the closing of the Recapitalization.

The Recapitalization is subject to certain customary conditions to closing, including the investment of no less than an aggregate of \$30,000,000 by the Investors and the absence of certain material adverse changes. The Issuer expects that the closing of the Recapitalization will occur on or about July 31, 2008, although no assurances can be given when the conditions to closing will be satisfied, if at all. In the event that the Recapitalization is not consummated by August 31, 2008, the Reporting Person and each of the Investors will have the right to terminate their obligations under the Recapitalization Agreement.

The Recapitalization Agreement further provides that the Reporting Person will have the right to designate one person for election to the Board of Directors of the Issuer, so long as the Reporting Person remains the beneficial owner of at least 5% of the outstanding Common Shares. The Reporting Person will also have the right to designate an observer to attend meetings of the Board of Directors at any time it does not have a designee on the Board of Directors. If the Reporting Person has not nominated a director on or prior to the second anniversary of the closing of the Recapitalization, its rights to nominate a director or to appoint an observer will terminate. All of the Reporting Person's rights with respect to Board of Directors of the Issuer will terminate on the fifth anniversary of the closing of the Recapitalization. The Recapitalization Agreement also provides that, contingent upon the closing of the Issuance, the Reporting Person's current distribution rights with the Issuer will terminate and be replaced with revised distribution rights. Under the revised terms, the Issuer will still be required to negotiate in good faith with the Reporting Person about distribution arrangements before engaging any third party distributors for its products. However, the Issuer retains the right, without negotiating with the Reporting Person, to distribute its products directly. In addition, if the Reporting Person and the Issuer are unable to agree to terms on a potential distribution arrangement, the Issuer is free to negotiate with third party distributors, without offering revised terms to the Reporting Person. The revised distribution rights of the Reporting Person will terminate in the event of a change of control of the Issuer that occurs after the closing of the Recapitalization.

A copy of the Recapitalization Agreement was filed as Exhibit 99.2 to a Form 8-K filed by the Issuer on June 25, 2007, File No. 000-28882 (the June 2008 8-K), and is incorporated herein by reference. The description of the Recapitalization Agreement set forth herein is qualified in its entirety by reference to the copy filed as Exhibit 99.2 to the June 2008 8-K.

As a condition to the closing of the Recapitalization, the Issuer, Venrock, SSF and the Reporting Person will enter into a Registration Rights Agreement pursuant to which the Issuer will grant such parties registration rights with respect to the Common Shares issuable under the Recapitalization Agreement. A copy of the Registration Rights Agreement was filed as Exhibit 99.4 to the June 2008 8-K, and is incorporated herein by reference.
