ITEM 1.01 Entry into a Material Definitive Agreement.

On October 4, 2008, MasTec, Inc. ("MasTec"), as guarantor, MasTec North America, Inc., a Florida corporation and wholly owned subsidiary of MasTec ("MasTec North America"), as buyer, Wanzek Construction, Inc., a North Dakota corporation ("Wanzek") and the shareholders of Wanzek entered into a Stock Purchase Agreement (the "Purchase Agreement"), pursuant to which MasTec North America agreed to purchase (the "Acquisition") all of the issued and outstanding shares of Wanzek's capital stock (the "Shares") for approximately \$200 million in cash and the assumption of approximately \$15 million in indebtedness. The purchase price is subject to a minimum net working capital requirement and other adjustments as set forth in the Purchase Agreement.

In the Purchase Agreement, the parties are providing customary representations, warranties, and covenants. In addition, the Purchase Agreement contains indemnification provisions whereby the buyer and seller agree to indemnify the other for breaches of representations and warranties, covenants and other matters, in some cases subject to certain specified limits.

The transaction is subject to certain closing conditions, including, among others, those relating to the accuracy of the representations and warranties, delivery of certain ancillary agreements (including an escrow agreement for \$21.5 million dollars of the purchase price), and entry into certain agreements between MasTec North America and Wanzek employees, including certain undertakings with regard to confidentiality and non-competition. The transaction is not conditioned on MasTec obtaining financing for the Acquisition. However, MasTec North America or Wanzek may terminate the Purchase Agreement if the closing has not occurred by January 2, 2009. Under certain circumstances if the closing does not occur, MasTec North America would be obligated to pay Wanzek's shareholders a termination fee of \$10.75 million, which represents 5% of the purchase price, plus up to \$4 million of Wanzek's and Wanzek's shareholders' reasonable and documented out-of-pocket expenses. MasTec expects the Acquisition to close in MasTec's fourth fiscal quarter.

The foregoing summary of the Purchase Agreement is not complete and is qualified in its entirety by reference to the Purchase Agreement, a copy of which is filed herewith as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.
