Board Composition and Director Qualifications

Our Nominating and Governance Committee periodically assesses the appropriate size and composition of the board of directors, taking into account our specific needs. The committee utilizes various methods for identifying and evaluating candidates for director. Candidates may come to the attention of the committee through recommendations of board members, management, stockholders and professional search firms. Generally, the committee seeks members from diverse professional backgrounds who contribute to the board of directors' broad spectrum of experience and expertise and have a reputation of integrity. At a minimum, directors should:

have experience in positions with a high degree of responsibility;

demonstrate strong leadership skills;

have the time, energy, interest and willingness to serve as a director; and

contribute to the mix of skills, core competencies and qualifications of the board of directors and management.

In addition to recommendations from board members, management and professional search firms, the Nominating and Governance Committee will consider director candidates properly submitted by stockholders. Stockholder recommendations should be sent to our Corporate Secretary at our principal executive offices. The Nominating and Governance Committee will review all potential director nominees in the same manner, regardless of the source of the recommendation, in accordance with its charter.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics applicable to all of our directors, officers and employees, including our Chief Executive Officer, Chief Financial Officer, Chief Accounting Officer and Controller, which is a code of ethics as defined by applicable SEC rules. The purpose and role of this code is to, among other things, focus our directors, officers and employees on areas of ethical risk, provide guidance to help them recognize and deal with ethical issues, provide mechanisms to report unethical or unlawful conduct and help enhance and formalize our culture of integrity, honesty and accountability. If we make any amendments to this code, other than technical, administrative or other non-substantive amendments, or grant any waivers, including implicit waivers, from any provision of this code that applies to our Chief Executive Officer, Chief Financial Officer, Chief Accounting Officer or Controller, or persons performing similar functions, and that relates to an element of the SEC's code of ethics definition, then we will disclose the nature of the amendment or waiver on our website at www.livenation.com/investors.

Edgar Filing: Live Nation, Inc. - Form 10-K/A

It is our board of directors' policy that all directors and executive officers, consistent with their responsibilities to our stockholders as a whole, hold a significant equity interest in the Company. Toward this end, our board of directors expects all directors and executive officers to own, or acquire within three years of first becoming a director or executive officer, shares of our common stock having a market value of at least \$100,000.

Our board of directors recognizes that exceptions to this policy may be necessary or appropriate in individual cases and may approve such exceptions from time to time as it deems appropriate in the interest of our stockholders.

Item 11. Executive Compensation. Compensation Discussion and Analysis

The following Compensation Discussion and Analysis may contain statements regarding historical and/or future individual and company performance measures, targets and other goals. These goals are disclosed in the limited context of Live Nation's executive compensation program and should not be understood to be statements of management's or the Live Nation board of directors' expectations or estimates of results or other guidance. Live Nation specifically cautions investors not to apply these statements to other contexts.

Compensation Philosophy and Objectives

Live Nation's executive compensation program is designed to attract, motivate, reward and retain talented individuals who are essential to its continued success. In determining the form and amount of compensation payable to Live Nation's named executive officers, the Compensation Committee is guided by the following objectives and principles:

Compensation should tie to performance. Live Nation aims to foster a pay-for-performance culture, with a substantial amount of executive compensation at risk. Accordingly, a significant portion of total compensation is tied to and varies with Live Nation's

Edgar Filing: Live Nation, Inc. - Form 10-K/A

financial, operational and strategic performance, as well as individual performance.

Compensation should encourage and reward the achievement of specific corporate and departmental goals and initiatives. From time to time, Live Nation sets specific corporate and/or departmental goals and initiatives pertaining to, among other things, growth, productivity and people. Currently, Live Nation is primarily emphasizing, and the executive compensation program is designed primarily to reward, (i) growth in operating income before certain unusual and/or non-cash charges, depreciation and amortization (including impairments), loss or gain on sale of operating assets and non-cash compensation expense, and including any pro forma adjustments in respect of acquisitions or divestitures, which is referred to as Adjusted Operating Income and (ii) the achievement of various personal performance objectives.

Compensation should establish common goals for executives and their key reports. Live Nation endeavors to set consistent performance targets for multiple layers of executives. By establishing common goals, Live Nation encourages a coordinated approach to managing the company that it believes will be most likely to increase stockholder value in the long term.

Table of Contents

Compensation should align executives' interests with those of Live Nation's stockholders. Equity-based compensation encourages executives to focus on Live Nation's long-term growth and prospects and to manage the company from the perspective of its stockholders.

Within this framework, Live Nation strives to maintain executive compensation levels that are fair, reasonable and competitive.

Compensation Setting Process

Compensation determinations made during 2008 affecting our named executive officers were based primarily on the Compensation Committee's assessments of the appropriate levels of compensation required to recruit and retain top-level executive talent, based on industry standards and input from our Chief Executive Officer with respect to our other named executive officers, as well as the Compensation Committee's review of what Live Nation had paid executives in such roles historically.

In addition, during 2008 the Compensation Committee and management jointly worked with Watson Wyatt Worldwide to assess various elements of Live Nation's executive compensation program, including the company's long-term equity incentive program. This process, however, did not result in any specific recommendations that were implemented by the board of directors or the Compensation Committee with respect to the compensation of Live Nation's named executive officers or other employees.

The Compensation Committee approves all material compensation decisions for the named executive officers, including the grant of all equity awards. Michael Rapino, Live Nation's President and Chief Executive Officer, annually reviews the named executive officers' performance, other than his own performance, which is reviewed by the Compensation Committee. The results of these evaluations, including recommendations on any salary adjustments, cash bonus amounts, performance targets and/or equity awards, are presented by Mr. Rapino to the Compensation Committee for consideration and approval. Mr. Rapino regularly attends meetings of the Compensation Committee and, upon the committee's request, provides various compensation and performance information to the committee. The Compensation Committee also meets in executive session without Mr. Rapino to discuss compensation matters pertaining to Mr. Rapino. On occasion, other named executive officers and members of management meet with the Compensation Committee to provide performance and other relevant data to the committee.

The Compensation Committee recognizes that, in certain circumstances, it is appropriate to enter into written compensatory agreements with key executives to provide greater stability and certainty that permits the executives to remain focused on their duties and responsibilities and better promote the interests of our stockholders. Each of the named executive officers has entered into an employment agreement with Live Nation, other than Michael Cohl, who resigned as an executive officer of Live Nation in June 2008, but continues to provide services as a consultant to the company under a written consulting agreement. The employment agreements generally set forth information regarding base salary, cash performance awards, equity incentive awards, severance benefits and change-in-control vesting, as well as other employee benefits.

Certain named executive officers are entitled to accelerated vesting of their equity awards upon the occurrence of a change of control ("single trigger") to ensure that these executives receive the full benefit of their long-term compensation in a manner consistent with benefits realized by our stockholders. During 2008, none of our named executive officers was eligible to receive severance or comparable cash payments upon the occurrence of a change of control, absent a qualifying termination ("double trigger"), because the severance benefits contained in the employment agreements were intended to provide protection in connection with the loss of employment (including a loss of employment related to a corporate transaction) rather than merely incentivize the closing of a transaction. However, in 2009, we entered into an amendment to Mr. Rapino's employment agreement that provides Mr. Rapino with a cash payment upon the closing of the Company's pending merger with Ticketmaster Entertainment, Inc., or the Merger, (apart from his severance, which remains "double trigger") in order to separately reward Mr. Rapino for his extraordinary efforts in connection with this transaction. For further discussion of the employment and consulting agreements, see "Employment Agreements" below.

Compensation Program Components

Live Nation's executive compensation program consists of the following components:

base salary;

cash performance bonuses;

long-term equity incentive awards; and

employee benefits and other perquisites.

Table of Contents

The Compensation Committee believes that these components function together to provide a strong compensation program that enables us to attract and retain top talent while simultaneously aligning the interests of our officers with those of our stockholders. The Compensation Committee has not adopted a formal policy or practice for the allocation of (i) base salary versus incentive compensation, (ii) cash bonuses versus equity compensation or (iii) equity grants amongst various award types. Rather, the committee seeks to flexibly tailor each executive's total compensation package to include these various components in a manner designed to motivate and retain most effectively that particular executive, while still aligning the executive's interests with those of Live Nation's stockholders. For these reasons, the Compensation Committee has not relied on formal benchmarking or peer group analysis in determining its compensation programs, though industry standards and informal reviews of compensation paid to executives of our competitors are taken into consideration in this process.

Base Salary

The Compensation Committee believes that competitive levels of cash compensation, together with equity and other long-term incentive programs, are necessary for the motivation and retention of executive officers. Base salaries provide executives with a predictable level of monthly income and help achieve the compensation program's objectives by attracting and retaining strong talent. The employment agreements set the base salaries of the named executive officers, with annual adjustments, if any, being made by the Compensation Committee in its discretion (unless such annual adjustments are provided generally to all employees in accordance with company policy). In some cases, the agreements provide for minimum annual increases in an executive's base salary to provide additional retention incentive to these executives.

Base salaries for executive officers are established at the time the employment and/or services agreements are entered into or amended and are based on negotiations with the executives and on the Compensation Committee's assessments of the salaries necessary and appropriate to recruit and/or retain the individual executives for their particular positions. These assessments include informal reviews of compensation paid to executives of comparable companies and competitors of ours. In establishing the base salaries of our executive officers, the members of the Compensation Committee also bring to bear their own judgment of appropriate compensation based on their individual professional experiences.

For further discussion of the base salaries of the named executive officers, see *Employment Agreements* below.

Cash Performance Bonuses

Annual cash bonus eligibility is provided to each of the named executive officers to reward the achievement of corporate, departmental and/or individual accomplishments and to tie compensation to performance, each in keeping with our compensation philosophy. In February 2009, the Compensation Committee reviewed the named executive officers' performance during 2008 and awarded cash performance bonuses to each of the named executive officers based on the achievement of Adjusted Operating Income (both corporate and, where applicable, divisional) on a pro forma basis. In certain circumstances, the Compensation Committee awarded bonuses in excess of targets to reward our named executive officers for exceptional performance during a particularly challenging period. In general, annual cash bonus eligibility for the named executive officers' key reports was also based on Adjusted Operating Income on a pro forma basis in order to encourage a coordinated approach to managing the Company in keeping with our compensation philosophy.

Live Nation believes that Adjusted Operating Income is the primary metric on which the company's performance is evaluated by financial analysts and the investment community generally. Internally, Live Nation reviews Adjusted Operating Income on a pro forma basis to evaluate the performance of its operating segments, and believes that this metric assists investors by allowing them to evaluate changes in the operating results of its businesses separate from non-operational factors that affect net income, thus providing insights into both operations and the other factors that affect reported results.

For 2008, each named executive officer other than Mr. Cohl was awarded a cash performance bonus as follows:

Michael Rapino. Mr. Rapino's cash bonus eligibility for 2008 was based on Live Nation's achievement of company Adjusted Operating Income on a pro forma basis. In April 2008, the Compensation Committee set a performance target for Mr. Rapino of \$189 million of company Adjusted Operating Income for the year and a target bonus of \$1,000,000. In February 2009, the Compensation Committee determined that, on a pro forma basis, Live Nation had achieved 103% of this performance target and, in recognition of such extraordinary performance in a uniquely challenging economic environment, awarded Mr. Rapino a cash performance bonus of \$2,000,000 for 2008. Of that amount, \$50,000 was offset against the remainder of the retention bonus granted to Mr. Rapino upon the execution of his employment agreement in October 2007, and the remaining \$1,950,000 was paid in cash.

Jason Garner. Mr. Garner's cash bonus eligibility for 2008 was based on Live Nation's achievement of Adjusted Operating Income on a pro forma basis, both for the North American Music division and for the company as a whole. In April 2008, the Compensation Committee set a target bonus for Mr. Garner of \$700,000, based 75% on the achievement of \$80.1 million of North American Music Adjusted Operating Income

Edgar Filing: Live Nation, Inc. - Form 10-K/A

for the year and 25% on the achievement of \$189 million of company Adjusted Operating Income. In February 2009, the Compensation Committee determined that, on a pro forma basis, the North American Music

division had achieved 131% of its performance target and Live Nation had achieved 103% of its overall company performance target and, in recognition of such extraordinary performance in a uniquely challenging economic environment, awarded Mr. Garner a cash performance bonus of \$850,000 for 2008. Of that amount, \$650,000 was offset against the retention bonus granted to Mr. Garner upon the execution of his employment agreement in March 2008, and the remaining \$200,000 was paid in cash.

Alan Ridgeway. Mr. Ridgeway's cash bonus eligibility for 2008 was based on Live Nation's achievement of Adjusted Operating Income on a pro forma basis, both for the International Music division and the company as a whole. In April 2008, the Compensation Committee set a target bonus for Mr. Ridgeway of \$390,000, based 75% on the achievement of \$86.4 million of International Music Adjusted Operating Income for the year and 25% on the achievement of \$189 million of company Adjusted Operating Income. In February 2009, the Compensation Committee determined that, on a pro forma basis, the International Music division had missed its performance target, with 94% of the target achieved, and that Live Nation had achieved 103% of its overall company performance target. In satisfaction of the 25% of Mr. Ridgeway's target bonus that was based on the achievement of company Adjusted Operating Income on a pro forma basis, the Compensation Committee awarded Mr. Ridgeway a cash performance bonus of \$97,500 for 2008, all of which was offset against the remainder of the \$1 million retention bonus granted to Mr. Ridgeway upon the execution of an amendment to his then-current employment agreement in August 2006.

Michael Rowles. Mr. Rowles' cash bonus eligibility for 2008 was based on Live Nation's achievement of company Adjusted Operating Income on a pro forma basis. In April 2008, the Compensation Committee set a performance target for Mr. Rowles of \$189 million of company Adjusted Operating Income for the year and a target bonus of \$300,000. In February 2009, the Compensation Committee determined that, on a pro forma basis, Live Nation had achieved 103% of its performance target and, in recognition of such extraordinary performance in a uniquely challenging economic environment, awarded Mr. Rowles a cash performance bonus of \$425,000 for 2008.

Kathy Willard. Ms. Willard's cash bonus eligibility for 2008 was based on Live Nation's achievement of company Adjusted Operating Income on a pro forma basis. In April 2008, the Compensation Committee set a performance target for Ms. Willard of \$189 million of company Adjusted Operating Income for the year and a target bonus of \$300,000. In February 2009, the Compensation Committee determined that, on a pro forma basis, Live Nation had achieved 103% of its performance target and, in recognition of such extraordinary performance in a challenging economic environment, awarded Ms. Willard a cash performance bonus of \$575,000 for 2008.

For further discussion of the named executive officers' performance bonuses, see 2008 Summary Compensation Table and Grants of Plan-Based Awards Table.

Long-Term Equity Incentive Awards

From time to time, Live Nation grants long-term equity incentive awards to the named executive officers in an effort to reward long-term performance, to promote retention, to allow them to participate in Live Nation's long-term growth and profitability and to align their interests with those of Live Nation stockholders, each in keeping with our compensation philosophy. Since Live Nation's spin-off from Clear Channel, all long-term equity awards to named executive officers have been granted under its Stock Incentive Plan and approved by either the Compensation Committee or the board of directors.

The Compensation Committee and the board of directors administer the Stock Incentive Plan, including selecting award recipients, setting the exercise price, if any, of awards, fixing all other terms and conditions of awards and interpreting the provisions of the Stock Incentive Plan. The following equity awards, among others, may be granted under the Stock Incentive Plan:

stock options;

restricted stock;

deferred stock;

stock appreciation rights; and

Edgar Filing: Live Nation, Inc. - Form 10-K/A

performance-based cash and equity awards.

Mr. Rapino was the only named executive officer to receive any long-term equity awards during 2008. On April 15, 2008, the Compensation Committee granted to Mr. Rapino a restricted stock award of an aggregate of 150,000 shares. That award was made pursuant to Mr. Rapino's amended and restated employment agreement and was comprised of two separate grants:

100,000 restricted shares, which were to vest 50% on March 31, 2009 upon the achievement of \$189 million of company Adjusted Operating Income on a pro forma basis for 2008 and, if such target was achieved, the remaining 50% on

Table of Contents

March 31, 2010, subject to Mr. Rapino's continued employment. If the financial performance target was missed, a percentage of the shares, ranging from 5-100%, were to have been forfeited based on a sliding scale of company Adjusted Operating Income on a pro forma basis.

In February 2009, the Compensation Committee determined that, on a pro forma basis, the Adjusted Operating Income target had been achieved. Accordingly, 50% of these shares vested on March 31, 2009 and the remaining 50% will vest on March 31, 2010 in accordance with their terms.

50,000 restricted shares, which were to vest 50% on March 31, 2009 upon the achievement of the following operational performance targets, with the remaining 50% to vest on March 31, 2010, subject to Mr. Rapino's continued employment: (i) Live Nation's ticketing platform having been operational as of January 1, 2009 and (ii) Live Nation having raised adequate financing during 2008 in the reasonable determination of the Compensation Committee. If the operational performance targets were not achieved, the shares were to have been forfeited in their entirety.

In February 2009, the Compensation Committee determined that both operational performance targets had been met, the latter primarily through the successful sale of the company's motor sports business. Accordingly, 50% of these shares vested on March 31, 2009 and the remaining 50% will vest on March 31, 2010 in accordance with their terms.

Timing of Equity Grants

In March 2007, the Compensation Committee adopted guidelines regarding the timing of equity award grants to help ensure compliance with applicable securities regulations and facilitate the administration of our stock incentive plan. Under those guidelines, the Compensation Committee generally (i) grants annual long-term equity awards to Live Nation employees, including its named executive officers, in approximately the first quarter of each calendar year, usually in connection with the first meeting of the board of directors in such year, and (ii) grants additional awards, if any, to new hires or other key employees as appropriate on a quarterly basis, generally during the two weeks following the release of its financial results for the prior fiscal quarter. The Compensation Committee may nevertheless elect to make equity awards at other times as it deems necessary or appropriate, and did so in certain cases during 2008. In the event that material non-public information becomes known to the Compensation Committee prior to granting an equity award, the Compensation Committee will take the existence of such information under advisement and make an assessment in its business judgment whether to delay the grant of the equity award in order to avoid any impropriety. Beginning in 2009, our board of directors will also make annual grants of either restricted stock or restricted stock units to each of our non-employee directors (for additional information, see "Director Compensation" below). For a discussion of share ownership guidelines applicable to our named executive officers, see "Director and Executive Officer Stock Ownership Guidelines" above.

Employee Benefits and Other Perquisites

The named executive officers are eligible to participate in Live Nation's Group Benefits Plan, which is generally available to all Live Nation full-time employees and which includes medical, vision, dental, company-paid life and accidental death or dismemberment, supplemental life and accidental death or dismemberment and short- and long-term disability insurance, flexible spending accounts (health and dependent care) and an employee assistance program. Additionally, Live Nation employees are entitled to paid vacation, sick leave and other paid holidays. The Compensation Committee believes that Live Nation's commitment to provide the above benefits recognizes that the health and well-being of its employees contribute directly to a productive and successful work life that enhances results for Live Nation and its stockholders.

In addition to the employee benefits discussed above, the named executive officers receive certain perquisites, as appropriate to their particular circumstances, which are not generally available to all Live Nation employees. In 2008:

Mr. Rapino received an automobile allowance and a reimbursement for the tax expense associated with that allowance, both pursuant to the terms of his employment agreement, as well as a complimentary membership to the *House of Blues* Foundation Room.

Mr. Ridgeway received a complimentary membership to the *House of Blues* Foundation Room and a complimentary ticket to a Live Nation event for a family member.

Edgar Filing: Live Nation, Inc. - Form 10-K/A

Ms. Willard was reimbursed \$37,070 for costs related to her relocation to Los Angeles from Houston, including closing costs on the purchase of her home in Los Angeles, travel expenses for her and her spouse to Los Angeles to permanently relocate and other miscellaneous relocation expenses, as well as for the taxes associated with those travel and relocation costs. Those reimbursements were all pursuant to her employment agreement. Ms. Willard also received a complimentary membership to the *House of Blues* Foundation Room and complimentary tickets to Live Nation events for family members.

Messrs. Garner, Rowles and Cohl did not receive perquisites aggregating more than \$10,000 during 2008.

Table of Contents

Live Nation is a live entertainment company, and from time to time its directors and certain employees, including the named executive officers, receive complimentary tickets to live events that are produced and/or promoted by Live Nation. Regular attendance at Live Nation events is integrally and directly related to the performance of the named executive officers' duties, and Live Nation therefore does not consider their receipt of these tickets, or reimbursement for associated travel or other related expenses, to constitute a perquisite. To the extent the named executive officers are accompanied to such events by family or friends, however, the incremental costs to Live Nation associated with those guests' attendance are deemed to be perquisites.

From time to time, the Compensation Committee reviews its perquisite program to determine if any adjustments are appropriate. For further discussion of the above perquisites, see 2008 Summary Compensation Table.

Employee Stock Bonus Plan

Live Nation's named executive officers, employees and consultants are eligible to participate in the Live Nation Employee Stock Bonus Plan, which was adopted by the Compensation Committee in March 2008 and amended by the Compensation Committee in February 2009. The Employee Stock Bonus Plan authorizes Live Nation to issue shares of Live Nation common stock in lieu of payment of a cash bonus which a participant is entitled to receive under any bonus or compensation plan or agreement maintained by Live Nation or any of its subsidiaries if the participant so elects. The Compensation Committee has the exclusive authority to administer the Employee Stock Bonus Plan, including the power to select to whom an election to receive shares of Live Nation common stock in payment of a cash bonus is to be extended and to determine the terms and conditions of such issuance. The number of shares of Live Nation common stock to be issued in payment of any cash bonus under the Employee Stock Bonus Plan is equal to the amount of the cash bonus divided by the fair market value of a share of Live Nation common stock on the date that the cash bonus would otherwise be payable in cash. We believe that making the Employee Stock Bonus Plan available to certain officers and other employees encourages them to make more significant investments in our stock and further align their interests with those of our stockholders, in keeping with our compensation philosophy.

Nonqualified Deferred Compensation Plan

Live Nation maintains a nonqualified deferred compensation plan under which named executive officers, directors and other designated management employees may defer a portion of their annual compensation, including, as applicable, salary, director fees, commissions and bonuses. By participating in this plan, named executive officers may delay taxes on both deferred amounts and earnings on those amounts, and may also be eligible to receive matching contributions on deferrals from the company. We believe that offering our named executive officers a vehicle for saving and generating earnings on their savings in a tax-deferred manner provides a valuable benefit that helps us to retain top talent. For a description of the terms of our nonqualified deferred compensation plan, see 2008 Nonqualified Deferred Compensation below.

401(k) Savings Plan

Live Nation maintains a 401(k) Savings Plan for all employees, including the named executive officers, as a source of retirement income. Generally, Live Nation's full-time employees that are at least 21 years of age are eligible to participate in the plan immediately upon hire, and its part-time, seasonal and temporary employees that are at least 21 years of age are eligible to participate in the plan upon completing one year of service and a minimum of 1,000 hours of service. Fidelity Investments is the independent plan trustee. As of December 31, 2008, participants had the ability to direct contributions into specified mutual funds within the Fidelity family of funds, as well as other outside investment vehicles. Currently, Live Nation common stock is not an investment option under the plan. Although Live Nation is not currently making matching contributions under the 401(k) Savings Plan, we have made matching contributions in the past, including during 2008, and may make matching contributions in the future. Matching contributions, if any, vest 50% after the employee's second full year of service and 100% after the third full year of service, after which all matching contributions are fully vested at the time they are made. We believe that offering our named executive officers this additional vehicle for saving and generating earnings on their savings in a tax-deferred manner provides a valuable benefit that helps us to retain top talent.

For further discussion of the named executive officers' participation in the 401(k) Savings Plan, see 2008 Summary Compensation Table.

Tax and Accounting Considerations

Tax Considerations

Section 162(m) of the Internal Revenue Code, as amended, places a limit of \$1 million on the amount of compensation Live Nation may deduct for federal income tax purposes in any one year with respect to Live Nation's Chief Executive Officer and the next three most highly compensated officers, other than its Chief Financial Officer, which are referred to as the Covered Persons. However, performance-based

compensation that meets certain requirements may be excluded from this \$1 million limitation.

Table of Contents

In reviewing the effectiveness of Live Nation's executive compensation program and determining whether to structure its compensation to avoid the imposition of this \$1 million deduction limitation, the Compensation Committee considers the anticipated tax treatment to Live Nation and to the Covered Persons of various payments and benefits. However, the deductibility of certain compensation payments depends, in part, upon the timing of an executive's exercise of previously granted awards, as well as other factors that may be beyond the Compensation Committee's control. While the tax impact of any compensation arrangement is one factor to be considered in determining appropriate compensation, such impact is evaluated in light of the Compensation Committee's overall compensation philosophy and objectives. For these and other reasons, including preservation of flexibility in compensating the named executive officers in a manner designed to promote varying corporate goals, the Compensation Committee did not, during 2008, limit executive compensation to that which is deductible under Section 162(m) of the Internal Revenue Code and has not adopted a policy requiring all compensation to be structured in this manner.

The Compensation Committee does consider various alternatives designed to preserve the deductibility of compensation and benefits to the extent reasonably practicable and to the extent consistent with Live Nation's other compensation objectives, including the objective of retaining the discretion it deems necessary to compensate officers in a manner commensurate with performance and the competitive environment for executive talent. Going forward, Live Nation may establish annual performance criteria under its Amended and Restated 2006 Annual Incentive Plan and/or its Stock Incentive Plan in an effort to ensure deductibility of certain of Live Nation's named executive officers' incentive compensation. The Compensation Committee may, however, continue to award compensation which may not be fully deductible if it determines that such compensation is consistent with its philosophy and is in our and our stockholders' best interests.

The Compensation Committee also endeavors to structure executive officers' compensation in a manner that is either compliant with, or exempt from the application of, Internal Revenue Code Section 409A, which provisions may impose significant additional taxes on non-conforming, nonqualified deferred compensation (including certain equity awards, severance, incentive compensation, traditional deferred compensation and other payments). Again, the tax impact of any compensation arrangement is one factor to be considered in determining appropriate compensation, and such impact is evaluated in light of the Compensation Committee's overall compensation philosophy and objectives.

Accounting Considerations

The Compensation Committee regularly considers the accounting implications of significant compensation decisions, especially in connection with decisions that relate to equity compensation awards. As accounting standards change, we may revise certain programs to appropriately align accounting expenses of our equity awards with our overall executive compensation philosophy and objectives, but will consider any changes in light of our overall compensation philosophy.

2008 Summary Compensation Table

- (1) For Mr. Rapino the amounts set forth in these columns reflect shares of restricted stock or stock options, as applicable, granted during 2005, 2007 and 2008; for Mr. Ridgeway and Ms. Willard, the amounts reflect shares of restricted stock and stock options granted during 2005 and 2007; for Mr. Rowles the amounts reflect shares of restricted stock and stock options granted during 2006, 2007 and 2008; for Mr. Garner the amounts reflect shares of restricted stock and stock options granted during 2006 and 2007 and for Mr. Cohl the amounts reflect stock options granted in his capacity as a director during 2007. The amounts listed are equal to the compensation cost recognized during the relevant year for financial statement purposes in accordance with Statement of Financial Accounting Standards No. 123R (FAS 123R), except that no assumptions for forfeitures were included. Additional information related to the calculation of the compensation cost is set forth in Note 15 of the Notes to Consolidated Financial Statements of our Annual Report on Form 10-K for the year ended December 31, 2008. All of these awards were granted under our Stock Incentive Plan. Dividends, if any, are paid on shares of restricted stock at the same rate as paid on our common stock.
- (2) For Ms. Willard and Messrs. Rapino, Garner and Rowles, the amounts set forth in this column for 2008 reflect a cash performance bonus that was paid in 2009, but was earned based upon obtaining 2008 financial performance goals. For further discussion of these bonus payments, see the Compensation Discussion and Analysis section of this amended report.
- (3) Mr. Rapino's bonus for 2007 represents a cash retention bonus paid in October 2007 that is offset against any subsequent performance bonuses earned by Mr. Rapino. For 2007 and 2008, Mr. Rapino was awarded performance bonuses of \$950,000 and \$2,000,000, respectively, which were offset against this cash retention bonus. Mr. Rapino's non-equity incentive plan compensation for 2008 represents the portion of the performance bonus noted above that was not offset against the retention bonus. For further discussion of this retention bonus and Mr. Rapino's cash performance bonus for 2008, see the Compensation Discussion and Analysis section of this amended report and Employment Agreements below.
- (4) Mr. Cohl and Mr. Garner did not serve as named executive officers during 2006.
- (5) Mr. Cohl's services are provided to us through our Services Agreement with KSC. Pursuant to an amendment to the Services Agreement during June 2008, Mr. Cohl resigned as a director of the Company and from all offices he held with the Company and received a lump-sum payment of \$4,500,000 as full payment for consulting services under the amended Services Agreement, though Mr. Cohl continues to provide consulting services under this agreement.
- (6) Mr. Garner's bonus for 2008 represents a cash retention bonus paid in March 2008 that is offset against any subsequent performance bonuses earned by Mr. Garner. For 2008, Mr. Garner was awarded a performance bonus of \$850,000 which was offset against this cash retention bonus. Mr. Garner's non-equity incentive plan compensation for 2008 represents the portion of the performance bonus noted above that exceeded the amount required to be offset against the retention bonus. For further discussion of this retention bonus and Mr. Garner's cash performance bonus for 2008, see the Compensation Discussion and Analysis section of this amended report and Employment Agreements below.
- (7) Mr. Ridgeway served as our Chief Financial Officer through August 2007, and was named Chief Executive Officer International Music in September 2007. Mr. Ridgeway's bonus for 2006 represents a cash retention bonus paid in August 2006 that is offset against any subsequent performance bonuses earned by Mr. Ridgeway. For 2007 and 2008, Mr. Ridgeway was awarded performance bonuses of \$300,000 and \$97,500, respectively, which were offset against this cash retention bonus. For further discussion of this retention bonus and Mr. Ridgeway's cash performance bonus for 2008, see the Compensation Discussion and Analysis section of this amended report and Employment Agreements below. Future performance bonuses totaling up to \$602,500 may be subject to offset against Mr. Ridgeway's 2006 cash retention bonus. In March 2008, the Compensation Committee determined that we did not achieve certain applicable financial performance targets for 2007 and, as a result, Mr. Ridgeway forfeited a grant of 12,500 restricted shares on that date in accordance with its terms. Mr. Ridgeway is paid in British Pound Sterling, but all amounts have been converted to United States dollars using an average exchange rate for the year.
- (8) Mr. Rowles joined our company effective March 13, 2006. His 2008 salary amount includes a retroactive increase to January 1, 2008 of \$75,000, which was approved and paid in 2009. In March 2008, the Compensation Committee determined that we did not achieve certain financial performance goals applicable to Mr. Rowles' 25,000-share restricted stock grant; however, the Committee determined in its discretion to vest 25% of this restricted stock grant on that date, with the remainder to vest over the following three years in accordance with its original vesting schedule. FAS 123R requires this type of modification to be treated as a forfeiture of the original award and an issuance of a new award. Accordingly, the compensation cost recognized up to that point on the forfeited award was reversed in the period of the modification and the grant date fair value of the new award was computed and recognized in accordance with FAS 123R.
- (9) Ms. Willard served as our Chief Accounting Officer through August 2007 and was named Chief Financial Officer in September 2007.

- (1) No threshold amounts were applicable to non-equity incentive plan awards. With the exception of Mr. Ridgeway, maximum payouts represent the non-equity incentive plan awards actually paid to the named executive officers based on the Compensation Committee's determination that actual performance warranted the payment of incentive compensation in excess of targets, as discussed above in the Compensation Discussion and Analysis, though no formal maximums were applicable to these awards. For Mr. Ridgeway, only a portion of his target bonus was paid due to the International Music division's having achieved less than 100% of its performance target.
- (2) The amounts reflect the number of stock options or shares of restricted stock granted under our Stock Incentive Plan.
- (3) The dollar values of stock option and restricted stock awards disclosed in this column are equal to the aggregate grant date fair value computed in accordance with FAS 123R, except that no assumptions for forfeitures were included for restricted stock awards. A discussion of the assumptions used in calculating the grant date fair value is set forth in Note 15 of the Notes to Consolidated Financial Statements of our Annual Report on Form 10-K for the year ended December 31, 2008.
- (4) Mr. Rapino's 100,000-share and 50,000-share restricted stock awards each vested 50% on March 31, 2009, in connection with our achievement of financial and operational performance targets established by the Compensation Committee, and the remaining 50% of each award will vest on March 31, 2010.
- (5) In March 2008, the Compensation Committee determined that we did not achieve certain applicable financial performance goals; however, the Committee determined in its discretion to vest 25% of Mr. Rowles' February 2007 restricted stock grant on that date, with the remainder to vest over the following three years in accordance with its original vesting schedule. FAS 123R requires this type of modification to be treated as a forfeiture of the original award and an issuance of a new award. The grant date fair value represents the incremental fair value as of the modification date.

Employment Agreements

Live Nation has entered into employment agreements with each of the named executive officers other than Mr. Cohl, who provides services pursuant to a consulting agreement. Among other things, these agreements provide for certain payments upon a change in control (substantially as defined below) or termination of employment. The principal elements of these employment and consulting agreements are summarized below:

Michael Rapino

In October 2007, Live Nation entered into, and in December 2008 and April 2009, it amended, an amended and restated employment agreement with Mr. Rapino under which Mr. Rapino serves as its President and Chief Executive Officer. Under the employment agreement, Mr. Rapino will also serve as a member of the board of directors for as long as he remains an officer of the company. The amended term of the employment agreement began effective as of January 1, 2009 and ends on December 31, 2013, or earlier upon the consummation of the Merger. During 2008, Mr. Rapino received the compensation and benefits enumerated in the tables above under his employment agreement. This summary describes the terms of his employment agreement as it is currently in effect based on the April 2009 amendment, with references to provisions that resulted in specific equity grants in prior years.

Under the employment agreement, Mr. Rapino receives a base salary of \$1.5 million per year beginning on January 1, 2009 and is entitled to receive minimum increases in base salary of \$50,000 per year in each of 2010-2013. Beginning in 2007, Mr. Rapino became eligible to receive an annual cash performance bonus with a target amount equal to 100% of his then-current base salary, based upon the achievement of financial performance targets established by the Compensation Committee. Beginning in 2009, Mr. Rapino is also eligible to receive an annual cash exceptional performance bonus with a target amount equal to an additional 100% of his then-current base salary, based on targets and objectives established by the Compensation Committee.

Under the employment agreement, since 2007, Mr. Rapino has received, and remains entitled to receive during the term of the agreement, the following annual grants of Live Nation restricted stock: (i) 100,000 shares which will vest in two equal installments over two years if Live Nation achieves certain financial performance targets established by the Compensation Committee and (ii) 50,000 shares which will vest in two equal installments over two years if Mr. Rapino satisfies certain management objectives established by the Compensation Committee. In addition, upon signing the employment agreement in 2007, Mr. Rapino received a one-time grant of 300,000 shares of Live Nation restricted stock, which vests in equal installments over four years on December 31st of each of 2007-2010. In March 2009, the Compensation Committee granted Mr. Rapino an option to purchase 2 million shares of Live Nation common stock, which is referred to as the continuation option grant. The continuation option grant vests in equal tranches of 20% on the first through fifth anniversaries of the date of the grant, subject to Mr. Rapino's continued employment with Live Nation. However, the final tranche vests upon the expiration of the employment agreement if Live Nation has not offered to renew the employment agreement on terms and conditions no less favorable than those provided for in the employment agreement at least six months prior to the expiration of the employment agreement.

Under the employment agreement, upon the occurrence of a change in control of Live Nation, all unvested equity awards then held by Mr. Rapino will vest and become immediately exercisable (if applicable), except that the continuation option grant will vest and become immediately exercisable or transferable only upon a change of control of Live Nation other than the Merger. In addition, in the event that an excise tax is imposed as a result of any payments made to Mr. Rapino in connection with a change in control of Live Nation, Live Nation will pay to Mr. Rapino an amount equal to such excise taxes plus any taxes resulting from such payment.

The employment agreement (i) will terminate upon Mr. Rapino's death, (ii) may be terminated by Live Nation upon Mr. Rapino's disability, (iii) may be terminated by Live Nation at any time (a) without cause (as defined below) or (b) for cause, subject to Mr. Rapino's right in some cases to cure and provided that at least a majority of the board of directors must first determine that cause exists and (iv) may be terminated by Mr. Rapino at any time (a) without good reason (as defined below) or (b) with good reason, subject in some cases to Live Nation's right to cure.

If Mr. Rapino's employment is terminated by Live Nation for cause, by Mr. Rapino without good reason or due to Mr. Rapino's death or disability, he is entitled to receive:

accrued and unpaid base salary;

up to \$16,667 per year for up to three years of continued medical insurance coverage for Mr. Rapino and his dependents; and

For purposes of the employment agreement, *cause* means: (i) Mr. Rapino's willful and continued failure to perform his material duties; (ii) the willful or intentional engaging by Mr. Rapino in material misconduct that causes material and demonstrable injury, monetarily or otherwise, to Live Nation; (iii) Mr. Rapino's conviction of, or a plea of *nolo contendere* to, a crime constituting (a) a felony under the laws of the United States or any state thereof or (b) a misdemeanor involving moral turpitude that causes material and demonstrable injury, monetarily or otherwise, to Live Nation; (iv) Mr. Rapino's committing or engaging in any act of fraud, embezzlement, theft or other act of dishonesty against Live Nation that causes material and demonstrable injury, monetarily or otherwise to it; or (v) Mr. Rapino's breach of the restrictive covenants included in the employment agreement that causes material and demonstrable injury, monetarily or otherwise, to Live Nation.

For purposes of the employment agreement, *good reason* is defined as: (i) reduction in Mr. Rapino's base salary or annual incentive compensation opportunity, or the failure by Live Nation to grant the restricted shares required to be granted to Mr. Rapino under the employment agreement; (ii) a breach by Live Nation of a material provision of the employment agreement; (iii) removal of Mr. Rapino from the board of directors; (iv) Live Nation requiring Mr. Rapino to report to anyone other than the board of directors; (v) a substantial diminution in Mr. Rapino's duties or responsibilities or a change in his title; (vi) a transfer of Mr. Rapino's primary workplace away from Los Angeles; or (vii) a change in control, except that Mr. Rapino may not invoke a *good reason* termination solely as a result of a change of control until 180 days after the change in control.

The employment agreement also contains non-disclosure, non-solicitation and indemnification provisions. It is currently anticipated that Mr. Rapino will enter into a new conditional employment agreement that will only take effect if and when the Merger is consummated.

Jason Garner

In March 2008, Live Nation entered into, and in December 2008 and April 2009, it amended, an employment agreement with Mr. Garner under which Mr. Garner serves as Chief Executive Officer, Global Music. Upon signing the employment agreement as amended in April 2009, Mr. Garner received \$250,000 as a signing bonus and received \$1 million as a retention bonus, which will be offset against any performance bonuses subsequently earned by Mr. Garner under the employment agreement. If Mr. Garner remains employed with Live Nation as of February 28, 2013, any remaining retention bonus that has not been so offset will be deemed earned by Mr. Garner. If Mr. Garner's employment is terminated earlier, any remaining unearned portion of the retention bonus will be (i) repayable to Live Nation if Mr. Garner's employment is terminated by Live Nation for *cause* (as defined below) or by Mr. Garner

The employment agreement also contains non-disclosure, non-solicitation, non-competition and indemnification provisions.

Michael Cohl

In September 2007, Live Nation entered into, and in June 2008 it amended, a services agreement with KSC under which KSC provides to Live Nation the services of Mr. Cohl to serve as a consultant for a four-year term ending in June 2012. Prior to the June 2008 amendment, Mr. Cohl served as the Chief Executive Officer of certain Live Nation subsidiaries and as Chairman and Chief Executive Officer of the Live Nation Artists division. In connection with the June 2008 amendment, Mr. Cohl resigned as an executive officer of Live Nation and Live Nation paid to KSC a lump-sum payment of \$4.5 million as full payment for Mr. Cohl's services under the consulting engagement. The services agreement may be terminated by Live Nation at any time for any reason. Upon termination, Live Nation will have no obligation to KSC or Mr. Cohl. The services agreement also contains non-disclosure, non-solicitation, non-competition and indemnification provisions.

In February 2009, the Compensation Committee determined that all applicable goals were attained and each of these awards vested as to one-half of the shares subject to such award.

Deferred Compensation Plan

Live Nation's named executive officers, directors and other designated management employees may defer a portion of their annual compensation, including, as applicable, salary, director fees, commissions and bonuses, into the Live Nation Nonqualified Deferred Compensation Plan. Specifically, participants may defer under the Nonqualified Deferred Compensation Plan:

not less than 1% nor more than 50% of base salary and commissions;

not less than 1% nor more than 80% of bonus; and

Edgar Filing: Live Nation, Inc. - Form 10-K/A

not less than 1% but up to 100% of director compensation paid in cash.

Notwithstanding the deferral limits set forth above, the Compensation Committee may increase or decrease the above percentages in its discretion.

Table of Contents

The Compensation Committee, in its sole discretion, may make matching contributions to each participant's account. Generally, Live Nation will make matching contributions under its Nonqualified Deferred Compensation Plan equal to the matching contribution we would have made under the 401(k) Savings Plan for a contribution by a participant of up to five percent of the participant's eligible compensation as defined under the 401(k) Savings Plan (disregarding limits imposed by the Code), less the amount of any actual matching contribution made to the 401(k) Savings Plan. Live Nation did not make matching contributions under our Nonqualified Deferred Compensation Plan during 2008.

Participants are 100% vested in any amounts they defer under the plan, while matching contributions, if any, vest 50% after the participant's second full year of service and 100% after the third full year of service, after which all matching contributions are fully vested at the time they are made. However, upon a participant's retirement, disability or death, any matching contributions become fully vested. Participants are entitled to invest their deferral accounts into one or more hypothetical investment vehicles which do not currently include Live Nation common stock. Those hypothetical investment vehicles are selected in the sole discretion of a board-appointed benefits committee, consisting of members of senior management representing Live Nation's finance, human resources and legal departments, as well as representatives from various of its other business units. All dividends, interest, earnings and losses from such investment vehicles are credited or charged to the participant's deferral account, as appropriate.

Deferrals are made for a minimum of three years prior to any in-service distributions. Generally, account balances are paid upon the participant's termination, retirement or death, and assuming the minimum three-year deferral period is met and the deferral amount is otherwise vested, a participant may request in-service withdrawals of his or her account in lump-sum or annual installment payments. All distributions and withdrawals under the plan are in cash. Participants may also make withdrawals under the plan in the event of an unforeseen emergency. The Nonqualified Deferred Compensation Plan is unfunded and subject to the claims of Live Nation's creditors in the event of bankruptcy.

As of December 31, 2008, one Live Nation named executive officer was participating in the Nonqualified Deferred Compensation Plan (although the named executive officer did not make any new deferrals during 2008).

- (1) All benefits are calculated as if these events were to occur on December 31, 2008, the last business day of the 2008 fiscal year, as required under the applicable rules; however, Msrs. Rapino and Garner have entered into amendments to their employment agreements during 2009 that will provide these executives with additional benefits upon the occurrence of a change in control occurring subsequent to this date (for a description, see the Compensation Discussion and Analysis and Employment Agreements above). Each named executive officer is entitled to receive his or her accrued and unpaid base salary and prorated performance bonus upon termination, including a termination in connection with a change in control, except that no pro-rated bonus will be paid in connection with a termination for cause. If a named executive officer is terminated for cause, he or she generally is entitled to receive only his or her accrued and unpaid base salary (including accrued paid-time-off), except that Mr. Rapino would also be entitled to receive any accrued and unpaid cash performance bonus. Consequently, this table reflects only the additional compensation the named executive officers would receive upon termination, including a termination in connection with a change in control. Benefits reflected in the table are estimates; the actual benefit payable is determined upon termination. For definitions of cause and good reason applicable to the named executive officers, a description of the payment schedules applicable to the payments summarized in this table, and the applicability of restrictive covenants, see Employment Agreements above.
- (2) If Mr. Rapino's employment is terminated by him for good reason or he is terminated by us without cause, provided he signs a general release of claims, he will receive consideration of (i) \$5,775,000 and (ii) the acceleration of specified stock option and restricted stock

Edgar Filing: Live Nation, Inc. - Form 10-K/A

awards. Assuming such termination occurred on December 31, 2008, we would have accelerated 251,250 stock options and 437,813 shares of restricted stock, the value of which is \$2,513,047 based upon the closing sale price of our common stock on December 31, 2008 of \$5.74. The values of accelerated stock options and restricted shares exclude stock options where the exercise price exceeds the closing sale price of our common stock on December 31, 2008. In April 2009, Mr. Rapino entered into an amendment to his employment agreement under which he is entitled, upon a termination without cause or for good reason or upon the closing of the Merger, to accelerated vesting of all of his unvested equity awards, except that than an option grant covering 2,000,000 shares of our common stock that was made to Mr. Rapino on March 17, 2009 will not vest upon the closing of the Merger (but will vest upon a subsequent change in control). The Severance amount listed for Mr. Rapino in the Change in Control column only becomes payable if Mr. Rapino experiences a qualifying termination in connection with a change in control. The gross-up payment amount assumes that Mr. Rapino is terminated and becomes entitled to severance in connection with the change in control.

Table of Contents

- (3) In the event of either a change in control or the death of an officer, the officer's outstanding unvested stock options and shares of restricted stock would immediately vest in their entirety pursuant to the terms of the applicable grant agreements; however, the Merger will not constitute a change in control for purposes of these agreements. The values of accelerated stock options and restricted shares are based upon the closing sale price of our common stock on December 31, 2008 of \$5.74 but exclude stock options where the exercise price exceeds the closing sale price of our common stock on December 31, 2008.
- (4) This amount represents the tax gross-up payment to which Mr. Rapino would have been entitled if he had experienced a qualifying termination on December 31, 2008 in connection with a change in control of the Company. In April 2009, Mr. Rapino's employment agreement was amended to provide for modified severance, equity awards and other terms and conditions which may impact the amount of the gross-up payment if it becomes payable in the future.
- (5) If Mr. Garner's employment is terminated by him for good reason or by us without cause, provided he signs a general release of claims, he will receive consideration of \$1,400,000. The Severance amount listed for Mr. Garner in the Change in Control column only becomes payable if Mr. Garner experiences a qualifying termination in connection with a change in control.
- (6) If Mr. Ridgeway's employment is terminated by him for good reason or by us without cause, provided he signs a general release of claims, he will receive consideration of (i) \$868,752, (ii) the acceleration of 20% of all stock option and restricted stock awards for each year elapsed from the date of their grant through such termination and (iii) the obligation to repay the \$602,500 unearned portion of his retention bonus would be forgiven. Assuming such termination occurred on December 31, 2008, we would have accelerated 21,875 shares of restricted stock, the value of which is \$125,563 based upon the closing sale price of our common stock on December 31, 2008 of \$5.74. If Mr. Ridgeway terminates his employment voluntarily (other than for good reason), or he is terminated by us for cause, he would be obligated to repay us for any unearned portion of his retention bonus, which as of December 31, 2008, would have resulted in reimbursement to the company of \$700,000. The Severance amount listed for Mr. Ridgeway in the Change in Control column only becomes payable if Mr. Ridgeway experiences a qualifying termination in connection with a change in control.
- (7) If Mr. Rowles' employment is terminated by him for good reason or by us without cause, he may elect to become a part-time consultant for one year in exchange for consideration of \$425,000. Upon a change in control, if Mr. Rowles is not offered continued employment as our General Counsel or as General Counsel of the surviving entity, then Mr. Rowles' termination of his employment would be deemed to be for good reason. The Severance amount listed for Mr. Rowles in the Change in Control column only becomes payable if Mr. Rowles experiences a qualifying termination in connection with a change in control.
- (8) If Ms. Willard's employment is terminated by her for good reason or by us without cause, provided she signs a general release of claims, she will receive consideration of (i) \$950,000 and (ii) the acceleration of 20% of all stock option and restricted stock awards for each year elapsed from the date of their grant through such termination. The values of accelerated stock options exclude stock options where the exercise price exceeds the closing sale price of our common stock on December 31, 2008. The Severance amount listed for Ms. Willard in the Change in Control column only becomes payable if Ms. Willard experiences a qualifying termination in connection with a change in control.
- (9) If Mr. Rowles terminates his employment without good reason and provides 12 months prior written notice, and if we subsequently terminate his employment prior to the expiration of such 12-month notice period, then his termination will be deemed a termination by us without cause.
- (10) Upon disability, generally, each named executive officer's stock options will continue to vest, and the restrictions on any restricted stock awards will continue to lapse, in accordance with their terms.

Change in Control Provisions

For a more detailed description of the change in control provisions applicable to our named executive officers under their employment agreements, see Employment Agreements above.

Director Compensation

During 2008, we paid our non-employee directors an annual cash retainer of \$36,000. Additionally, we paid (i) each member of the Audit Committee, Compensation Committee and Nominating and Governance Committee an additional annual cash retainer of \$4,000, \$2,000 and \$1,000, respectively, and (ii) the Chairpersons of the Audit Committee, Compensation Committee and Nominating and Governance Committee a further annual cash retainer of \$10,000, \$5,000 and \$5,000, respectively. We also had discretion to grant stock-based awards to our non-employee directors.

In September 2008, the board of directors approved a revised non-employee director compensation plan. The revised plan, prepared by Watson Wyatt Worldwide and recommended by the Compensation Committee, is intended to increase Live Nation's competitive position as it relates to board remuneration. Under the revised plan, we will pay each of our non-employee directors an annual cash retainer of \$60,000 and make an annual grant of \$125,000 in shares of our restricted stock or restricted stock units, as determined by the board of directors, based on the average closing stock price of Live Nation stock during the twenty trading days prior to the date of the grant. Additionally, we pay (i) each member of the Audit Committee, Compensation Committee and Nominating and Governance Committee an additional annual cash retainer of \$10,000, \$6,000 and \$4,500, respectively, (ii) the Chairpersons of the Audit Committee, Compensation Committee and Nominating and Governance Committee a further annual cash retainer of \$11,000, \$6,500 and \$5,500, respectively, and (iii) a per-meeting fee of \$1,500 to

Edgar Filing: Live Nation, Inc. - Form 10-K/A

directors and committee members for attendance at meetings in excess of eight board meetings, eight Audit Committee meetings, eight Compensation Committee meetings

Table of Contents

and/or five Nominating and Governance Committee meetings per year, as applicable. We may also grant additional discretionary stock-based awards to our non-employee directors, and these directors may elect to receive their cash fees in the form of shares of our common stock. The cash component of the revised plan became effective as of January 1, 2009, and the equity component of the revised plan became effective upon approval.

In September 2008, each of our non-employee directors Ariel Emanuel, Robert T. Enloe, III, Jeffrey T. Hinson, James S. Kahan, L. Lowry Mays, Randall T. Mays, Connie McCombs McNab and Harvey Weinstein received 7,664 shares of our restricted stock pursuant to the equity component of the revised plan. In addition, in September 2008, each of Messrs. Enloe, Hinson, Kahan and R. Mays received a cash payment of \$9,000 for their service on a special committee of the board of directors.

In December 2008, Mark Shapiro received an initial award consisting of 6,205 shares of our restricted stock, the pro rata portion of the \$125,000 in shares of our restricted stock that is to be granted to non-employee directors annually based on the period of service from Mr. Shapiro's election to the board to the then-anticipated date of our 2009 Annual Meeting of Stockholders.

Each of the restricted stock awards granted to our non-employee directors during 2008 was granted under our Amended and Restated 2005 Stock Incentive Plan, or Stock Incentive Plan, and vests in full on the first anniversary of the grant but may not be sold by the grantee until the third anniversary of the grant. Generally, only non-employee directors are eligible to receive compensation for their services as a director. Accordingly, Mr. Rapino, our President and Chief Executive Officer, and Mr. Cohl, former Chairman and Chief Executive Officer of our Live Nation Artists division, did not receive any director compensation during 2008.

2008 Director Compensation Table

The following table shows compensation of the non-employee members of our board for the fiscal year ended December 31, 2008. Any board member who is also an employee of the company does not receive separate compensation for service on the board.

Dividends, if any, are paid on shares of restricted stock at the same rate as paid on our common stock. Item 13. Certain Relationships and Related Transactions, and Director Independence

The Audit Committee is charged with the responsibility of reviewing, approving and overseeing all related-person transactions, as defined in SEC regulations. This responsibility is set forth, in part, in the Company's Code of Business Conduct and Ethics under the heading "Policy on Related-Person Transactions" and in the Audit Committee Charter.

Through a stock purchase agreement in September 2007, we completed the purchase of all of the equity interests in Concert Productions International Inc. and related companies and subsidiaries, which are collectively referred to as the CPI companies, that we did not already own. Michael Cohl, a director of the Company at the time, owned both a direct and an indirect ownership interest in the CPI companies at the time of the completion of this purchase. The CPI companies and we concurrently entered into a services agreement with KSC, which provided for the executive services of Mr. Cohl, pursuant to which Mr. Cohl served as Chief Executive Officer of the CPI companies and Chairman and Chief Executive Officer of the Company's former Live Nation Artists division with a term of five years. In June 2008, the parties entered into an amendment to the services agreement, under which Mr. Cohl will perform consulting services for the Company through June 2012. In connection with this amendment, we paid KSC a lump-sum payment of \$4.5 million as full payment for Mr. Cohl's services under the consulting engagement. As part of that amendment, Mr. Cohl resigned as a director of the Company and from all offices he held with the Company. For the year ended December 31, 2008, 2007, and 2006, KSC was paid \$0.8 million, \$1.2 million and \$0.6 million, respectively, under the original services agreement. In addition, in March 2008, KSC was awarded a bonus of 41,220 shares of our common stock that were issued in April 2008.

We have two non-employee directors on our board of directors, L. Lowry Mays and Randall T. Mays, who are also directors of Clear Channel, and serve as Chairman of the board of directors and President/Chief Financial Officer, respectively, of Clear Channel. Mr. L. Mays also beneficially owns in excess of 5% of the outstanding common stock of Clear Channel. These directors receive directors' fees, stock options and restricted stock awards as do our other non-employee directors.

From time to time, we purchase advertising from Clear Channel and its subsidiaries in the ordinary course of business on arm's-length terms. In 2008, we paid Clear Channel approximately \$13.2 million for these advertising services. In connection with our spin-off, we entered into various lease and licensing agreements with Clear Channel, the terms of which are between five and thirteen years and primarily relate to office space occupied by our employees. In 2008, we paid Clear Channel approximately \$0.8 million under these agreements.

Director Independence

Our board of directors currently consists of ten directors, seven of whom are independent (as defined by our Board of Directors Governance Guidelines) and one of whom serves as our President and Chief Executive Officer. For a director to be independent, the board of directors must determine, among other things, that a director does not have any direct or indirect material relationship with the Company or any of its subsidiaries. The board of directors has established guidelines to assist it in determining director independence, which conform to, or are more exacting than, the independence requirements of the NYSE corporate governance standards. The independence guidelines are set forth in Appendix A of the Board of Directors Governance Guidelines.

Applying these independence standards, our board of directors has determined that Ariel Emanuel, Robert Ted Enloe, III, Jeffrey T. Hinson, James S. Kahan, Connie McCombs McNab, Mark Shapiro and Harvey Weinstein are all independent directors.

- (3) Tax fees consist of fees for tax advice and tax return preparation.
- (4) There were no other professional services rendered by Ernst & Young LLP in 2008 or 2007.

The Audit Committee has determined that the provision of the non-audit services listed above is compatible with maintaining Ernst & Young LLP's independence.

Audit Committee Policy Regarding Pre-Approval of Audit and Permissible Non-Audit Services of our Independent Auditors

The Audit Committee has established procedures for the approval of all audit and non-audit services provided by our independent registered public accounting firm. Pursuant to this policy, the Audit Committee approves all audit and non-audit services provided by the independent registered public accounting firm, including the fees and other terms of the engagements. Before the independent registered public accounting firm is engaged to perform any non-audit services, the Audit Committee must review and pre-approve such services. The Audit Committee may delegate its approval authority to its Chairperson, provided that any services approved by the Chairperson are reported to the Audit Committee at its next regularly scheduled meeting.

The Audit Committee approved all of the audit and permissible non-audit services performed by Ernst & Young LLP during the 2008 fiscal year.
