(4) Date filed:

On July 10, 2009, we filed our definitive proxy statement for our annual meeting of stockholders to be held on August 12, 2009. Subsequent to the filing of our proxy statement, we learned that we inadvertently included in the section titled "Securities Beneficially Owned by Certain Persons" information about one of our stockholders that was out of date. We prepared the beneficial ownership table based on information for Great Point Partners, LLC included in a Schedule 13G filed on February 14, 2008. We inadvertently did not update this information based on a Schedule 13G/A filed by Great Point Partners, LLC on February 17, 2009, which reflects an ownership of less than 5% of our common stock. Accordingly, we should have omitted Great Point Partners, LLC from the beneficial ownership table. Below is an updated version of the section of the proxy statement titled "Securities Beneficially Owned by Certain Persons," after deleting the row for Great Point Partners, LLC and updating the associated footnotes accordingly:

SECURITIES BENEFICIALLY OWNED BY CERTAIN PERSONS

At the close of business on June 24, 2009, there were issued and outstanding 37,343,924 shares of our common stock entitled to cast 37,343,924 votes. On June 24, 2009, the closing price of our common stock as reported on the Nasdaq Global Market was \$8.36 per share. The following table provides information, as of June 24, 2009, with respect to the beneficial ownership of our common stock by:

each person known by us to be the beneficial owner of five percent or more of our common stock;

each of our directors and nominees for director;

each of our executive officers named in the Summary Compensation Table under "Executive Compensation" above; and

all of our current directors and executive officers as a group.

This information is based upon information received from or on behalf of the individuals named therein.
