PROXY STATEMENT

GENERAL INFORMATION

Flanders Corporation, a North Carolina corporation (the "Company"), is soliciting this proxy on behalf of its Board of Directors for use at the 2009 Annual Meeting of shareholders to be held on Thursday, September 24, 2009, at 10:00 a.m. local time, at 531 Flanders Filter Road, Washington, North Carolina 27889, and at any adjournments thereof. This proxy statement, the proxy card, the Company's 2008 Annual Report on Form 10-K and the Company's Quarterly Report for the period ended June 30, 2009 will be mailed to shareholders beginning on or about August 28, 2009.

VOTING PROCEDURES

Record holders of shares of the Company's common stock, par value \$.001 per share, at the close of business on August 25, 2009, may vote at the meeting. Each shareholder has one vote for each share of common stock the shareholder owns. At the close of business on June 30, 2009, there were approximately 25,724,074 shares of common stock outstanding and entitled to vote at the meeting.

Votes cast by proxy or in person at the annual meeting will be tabulated by the inspectors of election appointed for the meeting who will also determine whether or not a quorum is present. The Company's Bylaws provide that the holders of a majority of the issued and outstanding shares of the Company entitled to vote, represented in person or by proxy, constitute a quorum at any shareholders' meeting. Abstentions and broker non-votes are counted as present for establishing a quorum, but as unvoted for determining the approval of any matter submitted to the shareholders for vote. A broker non-vote occurs when a broker votes on some matters on the proxy card but not on others because he does not have the authority to do so.

You may vote in the following ways:

Vote Over the Internet

If your shares are held in the name of a broker, bank or other nominee: Vote your Company shares over the Internet by accessing the website given on the proxy card you received from such broker, bank, or other nominee. You will need the control number that appears on your proxy card when you access the web page.

Vote by Returning Your Proxy Card

You may vote by signing and returning your proxy card. The proxy holders will vote your shares according to your directions. If you sign and return your proxy card without specifying choices, your shares will be voted as recommended by the Board of Directors. If you wish to give a proxy to someone other than those designated on the proxy card, you may do so by crossing out the names of the designated proxies and inserting the name of another person. The person representing you should then present your signed proxy card at the meeting.

Vote by Ballot at the Meeting

You may also attend the meeting and vote by a ballot that you will receive at the meeting.

If You Change Your Mind After Voting

You can revoke your proxy at any time before it is voted. Proxies are voted at the Annual Meeting. You can write to the Corporate Secretary, 531 Flanders Filter Road, Washington, North Carolina 27889, stating that you wish to revoke your proxy and that you need another proxy card. More simply, you can vote again over the Internet. Your last vote is the vote that will be counted. If you attend the meeting, you may vote by ballot, which will cancel your previous proxy vote.

INFORMATION ABOUT THE ANNUAL MEETING

Who is entitled to vote?

The record date for the meeting is August 25, 2009. Only stockholders of record at the close of business on that date are entitled to vote at the meeting.

Am I entitled to vote if my shares are held in street name ?

Yes, if a bank or brokerage firm holds your shares in street name for you, you are considered the beneficial owner of the shares. If your shares are held in street name, these proxy materials are being forwarded to you by your bank or brokerage firm (the record holder), along with a voting instruction card. As the beneficial owner, you have the right to direct the record holder how to vote your shares, and the record holder is required to vote your shares in accordance with your instructions.

What if I do not give my bank or brokerage firm voting instructions for my shares held in street name ?

If you do not give instructions to your bank or brokerage firm, it will nevertheless be entitled to vote your shares in its discretion on routine matters. For purposes of this annual meeting, the Company has determined that the election of directors (Proposal 1), is a routine matter. However, absent your instructions, the record holder will not be permitted to vote your shares on non-routine matters, which are referred to as broker non-votes, and any other non-routine matter properly brought before the meeting. Broker non-votes (shares held by brokers that do not have discretionary authority to vote on the matter and have not received voting instructions from their clients) are not counted or deemed to be present or represented for the purpose of determining whether stockholders have approved that proposal.

May I attend the annual meeting if I hold my shares in street name ?

As the beneficial owner of shares, you are invited to attend the annual meeting. If you are not a record holder, however, you may not attend the meeting or vote your shares in person at the meeting unless you obtain a proxy, executed in your favor, from the record holder of your shares. See *Who can attend the meeting?* below.

How many shares must be present to hold the meeting?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by proxy, of the holders of a majority of our outstanding shares as of the record date, will constitute a quorum. Proxies received but marked as abstentions or treated as broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting for quorum purposes.

What if a quorum is not present at the meeting?

If a quorum is not present or represented at the meeting, the holders of a majority of the shares entitled to vote at the meeting who are present in person or represented by proxy or the chairman of the meeting may adjourn the meeting until a quorum is present or represented. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice may be given.

How do I vote if I am a registered stockholder?

1. *You may vote by mail.* If you are a registered stockholder (that is, if you hold your stock directly and not in street name), you may vote by mail by completing, signing and dating the accompanying proxy card and returning it in the enclosed postage prepaid envelope. Your proxy will then be voted at the annual meeting in accordance with your instructions.

2. *You may vote by Internet. If your shares are held in the name of a broker, bank or other nominee:* Vote your Company shares over the Internet by accessing the website given on the proxy card you received from such broker, bank or other nominee. You will need the control number that appears on your proxy card when you access the web page.

NOTE: If you vote on the Internet, you may elect to have next year's proxy statement and annual report to stockholders delivered to you via the Internet. We strongly encourage you to enroll in Internet delivery. It is a cost-effective way for us to send you proxy materials and annual reports.

3. *You may vote in person at the meeting.* If you are a registered stockholder and attend the meeting you may deliver your completed proxy card in person.

What materials should I be receiving in connection with the meeting?

You will receive this proxy statement and the accompanying form of proxy. In addition you will receive a copy of our Form 10-K for December 30, 2008 and our Form 10-Q for the six months ended June 30, 2009.

In order to reduce printing and postage costs, Broadridge Financial Solutions, Inc., or Broadridge, which handles the mailing of our proxy materials to those who hold our shares through a broker or bank or in street name, has undertaken an effort to deliver only one proxy statement to multiply stockholders who hold their shares in street name and who share the same address. This delivery method, called householding, is not being used, however, if Broadridge has received contrary instructions from one or more of our stockholders who share an address. We do not provide for householding directly for stockholders of record.

If your household has received only one proxy statement, we will promptly deliver a separate copy of the proxy statement at no charge to any stockholder who sends a written request to us at 531 Flanders Filter Road, Washington, North Carolina 27889, Attention: John Oakley. You may also notify Broadridge that you would like to receive separate copies of our proxy statements in the future by writing or calling your bank or broker. Even if your household has received only one proxy statement, a separate proxy card should have been provided for each stockholder account. Each proxy card should be signed, dated, and returned in the enclosed self-addressed envelope. If your household has received multiple copies of our proxy statement, you may request the delivery of a single copy in the future by completing the enclosed consent, if applicable, or writing or calling Broadridge directly.

How do I vote if I hold my shares in street name ?

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a voting card and voting instructions with these proxy materials from that organization rather than from Flanders. Your bank or broker may permit you to vote your shares electronically by telephone or on the Internet. A large number of banks and brokerage firms participate in programs that offer telephone and Internet voting options. If your shares are held in an account at a bank or brokerage firm that participates in such a program, you may vote those shares electronically by telephone or on the Internet by following the instructions set forth on the voting form provided to you by your bank or brokerage firm.

These Internet and telephone voting procedures, are designed to authenticate stockholders' identities, allow stockholders to vote their shares and confirm that stockholders' votes have been recorded properly. Stockholders voting via either telephone or the Internet should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies that must be borne by the stockholder using such services. Also, please be aware that Flanders is not involved in the operation of these voting procedures and cannot take responsibility for any access, Internet or telephone service interruptions that may occur or any inaccuracies, erroneous or incomplete information that may appear.

Who can attend the meeting?

Only stockholders eligible to vote or their authorized representatives will be admitted to the meeting.

If your shares are held in street name and you wish to attend the meeting and/or vote in person, you must bring your broker or bank voter instruction card and a proxy, executed in your favor, from the record holder of your shares. In addition, you must bring a valid government-issued photo identification, such as a driver's license or a passport.

Security measures will be in place at the meeting and briefcases, handbags and packages are subject to inspection. No cameras or recording devices of any kind, or signs, placards, banners or similar materials, may be brought into the meeting. Anyone who refuses to comply with these requirements will not be admitted or, if admitted, will be required to leave.

Can I change my vote after I submit my proxy?

Yes, you may revoke your proxy and change your vote any time before your vote is cast at the meeting:

by submitting another properly completed proxy card with a later date;

by voting by telephone or on the Internet (your latest telephone or Internet vote is counted); or

if you are a registered stockholder, by giving written notice of such revocation to the Secretary of Flanders prior to or at the meeting. If notice is to be given prior to the meeting, please send it to: Flanders Corporation, 531 Flanders Filters Road, Washington, North Carolina 27889, Attention: John Oakley. Your attendance at the meeting itself will not revoke your proxy unless you give written notice of revocation to the Secretary before your proxy is voted or you vote in person at the meeting.

Who will count the votes?

Our transfer agent, American Stock Transfer, will tabulate and certify the votes. A representative of the transfer agent will serve as the inspector of election.

How does the board of directors recommend that I vote on the proposals?

The board recommends that you vote **FOR** each proposal in this proxy statement.

What if I do not specify how my shares are to be voted?

If you submit a proxy but do not indicate any voting instructions, your shares will be voted:

FOR the election of the four nominees to the board of directors.

Will any other business be conducted at the meeting?

We are not aware of any other business that will be presented at the meeting. If any other matter properly comes before the stockholders for a vote at the meeting, however, your proxy (one of the individuals named on your proxy card) will vote your shares in accordance with his best judgment if you so authorize.

How many votes are required to elect the director nominees (Proposal 1)?

The affirmative vote of a plurality of the shares present in person or represented by proxy at the meeting and entitled to vote is required to elect the five nominees as directors. This means that the four nominees will be elected if they receive more affirmative votes than any other person. If you vote **Withheld** with respect to one or more nominees, your shares will not be voted with respect to the person or persons indicated, although they will be counted for purposes of determining whether there is a quorum.

What happens if a nominee is unable to stand for election?

If a nominee is unable to stand for election, the board of directors may either reduce the number of directors to be elected or select a substitute nominee. If a substitute nominee is selected, the proxy holder will vote your shares for the substitute nominee, unless you have withheld authority.

How will abstentions and broker non-votes be treated?

Shares voting abstain have no effect on the election of directors. Broker non-votes will be treated as shares present for quorum purposes, but not entitled to vote.

PROPOSAL ONE ELECTION OF DIRECTORS

General

The Board of Directors currently consists of four (4) directors and our Board pursuant to recommendations of our Nominating Committee and Corporate Governance Committee has nominated the four (4) current directors for election at the 2009 Annual Meeting. If you elect them, they will hold office until the next annual meeting and their successors are elected and qualified, or until they retire, die, or are removed. We intend to appoint an additional director during this year to fill the vacancy created by the retirement of Robert Amerson. Our bylaws provide that a majority of directors then in office may choose persons to fill additional vacancies or newly created directorships that may occur in the future. Our bylaws currently allow us to have up to seven (7) directors. These individuals would serve as directors until the next shareholders meeting called for the purpose of electing directors, subject to such individuals being nominated by the Nominating and Corporate Governance Committee and our bylaws. Cumulative voting is not permitted in the election of directors. Unless you specify otherwise, your returned signed proxy will be voted in favor of each of the nominees. If any of the nominees is unable to serve as a director, your proxy may be voted for another person nominated by the Board to fill that vacancy, or the Board may reduce the number of directors to be elected. The following information concerning each nominee is as of August 1, 2009.

In the course of reviewing potential director candidates, the Nominating Committee and Corporate Governance Committee will consider nominees recommended by security holders of the Company. When considering a potential candidate for membership on the Board of Directors, the Nominating Committee and Corporate Governance Committee may consider, in addition to the minimum qualifications and other criteria for Board membership approved by the Board of Directors, all facts and circumstances that the Nominating Committee and Corporate Governance Committee deem appropriate or advisable, including, among other things, the skills of the proposed Director candidate, his or her availability, depth and breadth of business experience or other background characteristics, his or her independence and the needs of the Board of Directors. In addition, the Nominating Committee and Corporate Governance Committee may consider whether the nominee has direct experience in the Company's industry or in the markets in which the Company operates and whether the nominee, if elected, assists in achieving a mix of Board members that represents a diversity of background and experience. The procedures to be followed by security holders in submitting recommendations for consideration by the Nominating Committee and Corporate Governance Committee are described below in the section entitled "Submission of Security holder Recommendations for Director Candidates".

Submission of Security Holder Recommendations for Director Candidates

All security holder recommendations for Director candidates must be submitted in writing to the Secretary of the Company, Flanders Corporation, 531 Flanders Filter Road, Washington, North Carolina 27889, who will forward all recommendations to the Nominating Committee and Corporate Governance Committee. All security holder recommendations for Director candidates should be submitted to the Company not less than 120 calendar days prior to the date on which the Company's Proxy Statement was released to stockholders in connection with the previous year's Annual Meeting. However, if the date of this year's annual meeting has been changed by more than thirty (30) days from the date of the previous year's meeting, then the deadline is a reasonable time before the Company begins to print and send its proxy materials. We have set June 30, 2010 as a reasonable period of time to receive security holder recommendations because the date of our annual meeting date has changed by more than thirty (30) days from last year to this year. All security holder recommendations for Director candidates must include (1) the name and address of record of the security holder making the representation, (2) a representation that the recommending security holder is a record holder of the Company's securities, or if the security holder is not a record holder, evidence of ownership in accordance with Rule 14a-8(b)(2) of the Securities Exchange Act of 1934, (3) the name, age, business and residential address, educational background, public company directorships, current principal occupation or employment, and principal occupation or employment for the preceding five full fiscal years of the proposed Director candidate, (4) a description of the qualifications and background of the proposed director candidate which addresses the minimum qualifications and other criteria for Board membership approved by the Board of Directors from time to time, (5) a description of all arrangements or understandings between the recommending security holder and the proposed Director candidate, (6) the consent of the proposed Director candidate to be named in the proxy statement, to have all required information regarding such Director candidate included in the Proxy Statement, and to serve as a Director if elected, and (7) any other information regarding the proposed Director candidate that is required to be included in a proxy statement filed pursuant to the rules of the Securities and Exchange Commission.

COMPENSATION DISCUSSION AND ANALYSIS**Overview**

The goal of our named executive officer compensation program is the same as our goal for operating the company to create long-term value for our shareowners. Toward this goal, we have designed and implemented our compensation programs for our named executives to reward them for sustained financial and operating performance and leadership excellence, to align their interests with those of our shareowners and to encourage them to remain with the company for long and productive careers. Most of our compensation elements simultaneously fulfill one or more of our performance, alignment and retention objectives. These elements consist of salary, bonus, equity incentive compensation, health and other benefits. In deciding on the type and amount of compensation for each executive, we focus on both current pay and the opportunity for future compensation. We combine the compensation elements for each executive in a manner we believe optimizes the executive's contribution to the company.

Compensation Objectives

Performance. Our two executives (currently two after Mr. Amerson's retirement) who are identified in the Summary Compensation Table (whom we refer to as our named executives) have held different positions and been promoted to increasing levels of responsibility. The amount of compensation for each named executive reflects his management experience, performance and service. A key element of compensation is equity incentive compensation in the form of stock options, the value of which is contingent upon the performance of the Flanders Corporation share price.

We believe that the compensation of our executives should reflect their success in attaining our key objectives. Our key objectives are currently: (i) growth in operating earnings and earning per share, (ii) growth or maintenance of market share, and (iii) improved operating margins. The key individual factors for each executive include but are not limited to: (i) the value of their skills and capabilities, (ii) performance of their management responsibilities, (iii) whether that individual is capable to assuming greater responsibilities, (iv) leadership qualities, (v) tenure and career experience, (vi) current compensation arrangements, (vii) long-term potential to enhance shareholder value, and (viii) contribution as a member to our executive management team.

We allocate compensation between cash compensation and equity based compensation. We provide cash compensation in the form of base salaries to meet competitive salary norms and reward performance on an annual basis, if warranted. Base salary and bonus are designed to reward annual achievements and be commensurate with the executive's scope of responsibilities, demonstrated leadership abilities, and management experience and effectiveness. Our other elements of compensation focus on motivating and challenging the executive to achieve superior, longer-term, sustained results. We provide non-cash compensation in the form of equity incentive arrangements to retain and attract key individuals and to reward performance against specific objectives and long-term strategic goals.

Alignment. We seek to align the interests of the named executives with those of our investors by evaluating executive performance on the basis of key financial measurements which we believe closely correlate to long-term shareowner value, including revenue, organic revenue, operating profit, earnings per share, operating margins, return on total equity or total capital, cash flow from operating activities and total shareholder return. A key element of compensation that aligns the interests of our executives with shareowners is equity incentive compensation, which links a significant portion of compensation to shareowner value because the total value of those awards corresponds to stock price appreciation.

Implementing Our Objectives

During 1996, the Company adopted the Long Term Incentive Plan (LTI Plan) to assist the Company in securing and retaining key employees and consultants. The LTI Plan authorizes grants of incentive stock options, nonqualified stock options, stock appreciation rights (SARs), restricted stock performance shares and dividend equivalents to officers and key employees and outside consultants. In December 2007 our shareholders approved the 2007 Equity Incentive Plan, which reserves up to 2,000,000 shares for issuance. Our 1996 Long-Term Incentive Plan had a life of ten (10) years. Furthermore, there are no more shares available for issuance under the 1996 Long-Term Incentive Plan. Therefore, we adopted the 2007 Equity Incentive Plan as discussed below. We believe that reserving 2,000,000 shares under the 2007 Equity Incentive Plan is a reasonable number of shares for the foreseeable future.

Equity Incentive Plan

During 2007, the Company adopted the Equity Incentive Plan (the Plan) to assist the Company in securing and retaining key employees and consultants. The Plan authorizes grants of incentive stock options, non-qualified stock options, restricted stock and stock appreciation rights (awards) to officers, directors, outside consultants and key employees of the Company. There are 2,000,000 shares of Common Stock reserved for award under the Plan. During 2007 the Company awarded options to purchase 620,000 shares of Common Stock under the Plan.

The 2007 Equity Incentive Plan is administered by the Compensation Committee. The Compensation Committee determines the total number and type of awards granted in any year, the number and selection of employees or consultants to receive awards, the number and type of awards granted to each grantee and the other terms and provisions of the awards, subject to the limitations set forth in the Equity Incentive Plan.

Stock Option Grants. The Compensation Committee has the authority to select individuals who are to receive options under the Plan and to specify the terms and conditions of each option so granted (incentive or nonqualified), the exercise price (which must be at least equal to the fair market value of the common stock on the date of grant with respect to incentive stock options), the vesting provisions and the option term. Unless otherwise provided by the Compensation Committee, any option granted under the Plan expires the earlier of five years from the date of grant or, three months after the optionee's termination of service with the Company if the termination of employment is attributable to (i) disability, (ii) retirement, or (iii) any other reason, or 15 months after the optionee's death. We do not have a program for the timing of Stock Option grants.

Other Equity Incentives. The 2007 Equity Incentive Plan also allows for the issuance of stock appreciation rights, performance shares, restricted stock awards, dividend equivalents, and other forms of equity incentive arrangements. Historically, we have utilized stock options as the primary method of rewarding and compensating employees under our equity incentive arrangements. However, if the need arises, we have the flexibility to utilize other equity incentive instruments besides stock options under the 2007 Equity Incentive Plan. As of December 31, 2007, no SARs are outstanding under the Plan.

Restricted Stock Awards. The Compensation Committee is authorized under the Plan to issue shares of restricted common stock to eligible participants on such terms and conditions and subject to such restrictions, if any, outstanding under the Plan. As of December 31, 2007, no restricted shares have been awarded.

Section 16(a) Beneficial Ownership Reporting Compliance. Section 16(a) of the Securities Exchange Act of 1934 requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers and directors are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms filed. Based solely upon review of copies of such forms, or written representations that there were no unreported holdings or transactions, the Company believes that for the fiscal year ending December 31, 2008 all Section 16(a) filing requirements applicable to its officers and directors were complied with on a timely basis.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

General

The Compensation Committee of the Board of Directors is currently composed of three independent directors, Messrs. Mock, Korn and Dominick who have no interlocking relationships (as defined by the SEC). We are engaged in highly competitive businesses and compete nationally for personnel at the executive and technical staff level. Outstanding candidates are aggressively recruited, often at premium salaries. Highly qualified employees are essential to our success. We are committed to providing competitive compensation that helps attract, retain, and motivate the highly skilled people we require. We strongly believe that a considerable portion of the compensation for the Chief Executive Officer and other top executives must be tied to the achievement of business objectives, completing acquisitions, and to business unit and overall financial performance, both current and long-term.

Executive Compensation

Our executive compensation program is administered by the Compensation Committee. The role of the Compensation Committee is to review and approve salaries and other compensation of the executive officers of the Company, to administer the Equity Incentive Plan, and to review and approve stock option grants to all employees including the executive officers of the Company.

Base and Bonus Compensation

Base compensation amounts for our executive officers are set pursuant to arms-length negotiation and written employment agreements. When setting base salary, we review a number of factors, including but not limited to executives of similar position, responsibility, experience, qualifications and performance, which allows us to recruit and retain the based qualified executives and provide our executives with reasonable predictability regarding their basic annual standard of living. Base salaries of executives are reviewed annually by our Compensation Committee, as part of our annual review process and in light of the executive's individual performance and our performance during the year, and the then current competitive conditions.

Prior to our year ending 2008, we did not have in place formal incentive or cash bonus plans. Beginning in 2008, the Compensation Committee reviews, approves and communicates, clear and measurable individual and company performance objectives against which the Compensation Committee evaluates performance of executives at the end of the fiscal year. In general, annual performance goals are intended to be challenging yet attainable. Generally, the Compensation Committee establishes bonus target amounts as a percentage of base salary for each of our executive officers, which currently ranges from 20% to 50% of base salary.

In addition, in the event of exceptional performance, such bonus target percentages would be increased that result in actual bonuses being as high as 100% of base salary. The Compensation Committee may establish or take into account additional subjective performance criteria in evaluating an individual's executive performance during a given fiscal year in establishing an executive's actual bonus amount for a given fiscal year.

In 2008, we rewarded Harry Smith, our Chief Executive Officer, with a \$175,000 bonus, which represented 50% of his base salary. This bonus was awarded based on Mr. Smith directing our continuing ongoing program to centralize functions and eliminate duplication of efforts between subsidiaries. Our Compensation Committee felt that Mr. Smith's efforts during 2008 warranted a bonus equal to 50% of his base salary inasmuch as he surpassed the objects and goals for which he was responsible.

We awarded Cully Bohush a \$50,000 cash bonus. Prior to our retaining John Oakley as our new Chief Financial Officer, in December 2008, Mr. Bohush served as our Chief Accounting Officer. He was also instrumental in consolidating and moving our administrative offices in St. Petersburg, Florida to Tampa, Florida. Accordingly, our Compensation Committee felt that he met his performance objectives for 2008, entitling him to a \$50,000 cash bonus.

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed the preceding Compensation Disclosure and Analysis with management, and based on such review and discussions, the Compensation Committee recommended to the board of directors that the Compensation Disclosure and Analysis be included in this Proxy Statement.

Audit Committee Charter

During 2000, the Audit Committee recommended the approval of a formal charter, which expanded the Audit Committee's primary duties and responsibilities to include:

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

As of December 31, 2008 the Company has entered into six operating leases expiring between 2025 and 2028 with Wal-Pat II. Wal-Pat II is owned by Robert R. Amerson, our former Chairman of the Board, who retired in May, 2009. The monthly payments to Wal-Pat II total approximately \$228,000. The Company made payments to Wal-Pat II of approximately \$3,402,000, \$3,372,000 and \$2,816,000 in 2008, 2007 and 2006, respectively. The Company believes these leases are at prevailing market rates and our audit committee has ratified our current leases and acquisition of the Bartow property by and between us and Wal-Pat II.

In September 2007, we entered into a Master Lease Modification Agreement with Wal-Pat, which requires Wal-Pat to notify us at least thirty (30) days in advance of any future proposed sale of any of the premises or a proposed sale of a majority of the equity interests in Wal-Pat. In such event, we have the right to accept, renegotiate or terminate the leases. We were granted a future right of first refusal in connection with a sale of any of the leased Wal-Pat facilities. In the event of a future sale of Flanders, which includes a merger, sale of substantially all of our assets or acquisition of greater than 50% of our shares, by a party other than Mr. Amerson, then Flanders is granted the right to terminate or renegotiate the terms of the Wal-Pat leases. We also have a fair market value purchase option for the facilities we lease from Wal-Pat.

A default by us under the terms of any of these leases or a default by Wal-Pat, or Mr. Amerson, as guarantor on their obligations to Branch Banking & Trust Company (BB&T), the financial institution which holds mortgages and deeds of trust on these properties, could adversely affect our leasehold interests in these properties. Mr. Amerson has pledged 5,118,103 shares of our common shares as collateral to BB&T in order to secure the financings to Wal-Pat and other personal loans.

Mr. Smith has pledged 755,183 shares of our common stock to BB&T to secure a personal loan to acquire our shares in October 2007. Mr. Smith may be required to sell or otherwise dispose of these shares from time to time in order to meet his debt service obligations to BB&T.

In November 2008, we redeemed a total of 200,000 common shares (100,000 common shares each for Mr. Amerson and Mr. Smith) at \$6.00 per share. Mr. Amerson and Mr. Smith used these proceeds to satisfy installment obligations on their personal obligations to BB&T, which are secured by a pledge of our shares they own. Our Audit Committee ratified this transaction.

During the year ended December 31, 2008, we paid \$253,000 to a limited liability company owned equally by Harry Smith and Robert Amerson for use of this entity's corporate aircraft. Our Audit Committee has ratified our reimbursements to this entity. On a monthly basis, we are provided an invoice, which sets forth the details of each use of this aircraft by management, including the business purpose, the passengers, and the destination of each flight.

In April 2007, our board of directors approved indemnity agreements for our officers and directors. The indemnification agreements provide indemnification for (i) proceedings by or in the right of the company (ii) indemnification for expenses of a party who is wholly or partly successful and (iii) indemnification for expenses as a witness. The indemnification rights generally applies only if the officer or director acted in good faith and in a manner in which he or she reasonably believed to be in or not opposed to the best interests of the Company, and, in the case of a criminal proceeding had no reasonable cause to believe that his or her conduct was unlawful.

SHAREHOLDER PROPOSALS FOR 2009 ANNUAL MEETING

Under the Company's Bylaws, if you wish to raise a matter before the shareholders at the 2009 annual meeting:

You must notify the Secretary in writing not less than sixty (60) days nor more than ninety (90) days prior to the anniversary date of our preceding annual meeting.

Your notice must contain the specific information required by the Company's Bylaws.

Please note that these requirements relate only to matters you wish to bring before your fellow shareholders at the annual meeting. They are separate from the SEC's requirements to have your proposal included in the proxy statement.

METHOD OF PROXY SOLICITATION

The Company is soliciting this proxy on behalf of its Board of Directors. The Company will pay the costs of soliciting the proxies. These costs will include the expenses of preparing and mailing the proxy materials for the annual meeting and reimbursement paid to brokerage firms and others for their expenses incurred in forwarding the proxy materials. Directors, officers and regularly engaged employees of the Company may also solicit proxies without additional compensation therefor.

A list of shareholders entitled to vote will be available for examination at the meeting by any shareholder for any purpose germane to the meeting.
