Item 2. Identity and Background.

Donegal Mutual hereby supplements and amends Item 2 of its Schedule 13D/A so that, as supplemented and amended, Item 2 reads in its entirety as follows:

The address of the principal place of business and the principal office of Donegal Mutual, a Pennsylvania mutual fire insurance company formed in 1889, the entity filing this Amendment No. 17, is 1195 River Road, Marietta, Pennsylvania 17547.

A group of local residents and business owners in Lancaster County, Pennsylvania formed Donegal Mutual in 1889 to provide property and casualty insurance. Now, 123 years later, Donegal Mutual has succeeded and grown to have approximately \$340.0 million in total assets and surplus of approximately \$181.0 million as of March 31, 2012. In addition, Donegal Mutual controls approximately two-thirds of the combined voting power of the outstanding shares of DGI's Class A common stock and DGI's Class B common stock. At March 31, 2012, DGI had total assets of approximately \$1.3 billion and stockholders' equity of approximately \$391.0 million. Donegal Mutual and DGI now conduct business in 22 Mid-Atlantic, Midwestern, New England and Southern states. An important part of Donegal Mutual's and DGI's business culture is to maintain and strengthen their founding principles and values.

Since DGI established Atlantic States Insurance Company in 1986, Donegal Mutual and DGI's insurance subsidiaries have conducted business together as the Donegal Insurance Group, while retaining their separate legal and corporate existences. As such, Donegal Mutual and DGI's insurance subsidiaries share the same business philosophies, the same management, the same employees and the same facilities and offer the same types of insurance products. Donegal Mutual and DGI believe that Donegal Mutual's majority voting interest in DGI fosters its ability to implement its business philosophies, enjoy management continuity, maintain superior employee relations and provide a stable environment within which Donegal Mutual and DGI's insurance subsidiaries can grow their insurance businesses.

During 2011, A.M. Best Company reported that the Donegal Insurance Group ranked as the 103<sup>rd</sup> largest property and casualty insurance group in the United States based on 2010 net premiums written. In addition, A.M. Best Company assigned the Donegal Insurance Group an A.M. Best rating of A (Excellent).

Donegal Mutual and DGI believe their relationship with each other since 1986 has been integral to their respective growth, financial condition and success in the property and casualty insurance industry and will continue to be a benefit to Donegal Mutual, to Donegal Mutual's policyholders, to DGI, to DGI's stockholders and to the policyholders of DGI's insurance subsidiaries for the long-term future. The relationship provides Donegal Mutual and DGI's insurance subsidiaries with many advantages. Donegal Mutual and DGI believe these advantages include the following:

fostering the stable management of DGI's insurance subsidiaries and their consistent underwriting discipline, external growth, long-term profitability and financial strength;

creating operational and expense synergies from the combination of resources and integrated operations of Donegal Mutual and DGI's insurance subsidiaries;

enhancing DGI's opportunities to expand by acquisition because of the ability of Donegal Mutual to affiliate with and acquire control of other mutual insurance companies and, thereafter, demutualize them and combine them with DGI;

producing more stable and uniform underwriting results for DGI's insurance subsidiaries and Donegal Mutual over extended periods of time than DGI's insurance subsidiaries and Donegal Mutual could achieve without their relationship;

providing opportunities for growth because of the ability of Donegal Mutual to enter into reinsurance agreements with other mutual insurance companies and place the business it assumes into the pooling agreement; and

providing Atlantic States with a significantly larger underwriting capacity because of the underwriting pool Donegal Mutual and Atlantic States have maintained since 1986.

In the latter portion of the fourth quarter of 2011 and the first quarter of 2012, the board of directors of Donegal Mutual undertook a review of the relationship between Donegal Mutual and DGI and determined that continuing the current relationship and the current corporate structure of Donegal Mutual and DGI is in the best interest of Donegal Mutual and its various constituencies.

Donegal Mutual believes that the maintenance of its majority voting control of DGI is an essential foundation to DGI's strong financial condition and provides the benefits described above to DGI. The boards of directors of Donegal Mutual and DGI recently reaffirmed that their historical relationship provides both parties with numerous benefits and that the continuation of the existing relationship is in the best interest of all of the constituencies Donegal Mutual and DGI serve.

DGI has a two-class voting structure that enables DGI to issue stock to raise additional equity capital and to effect additional acquisitions without materially affecting the relative voting power of any stockholder. Donegal Mutual is committed to maintaining its majority voting

control of DGI to facilitate the continuation of the benefits provided to DGI and Donegal Mutual by Donegal Mutual's majority voting control of DGI. Donegal Mutual will therefore continue to purchase DGI's Class A common stock and Class B common stock from time to time in the open market pursuant to SEC Rule 10b-18 and in private transactions. An order of the Pennsylvania Insurance Department authorizes Donegal Mutual to acquire ownership of 100% of DGI's Class B common stock and up to 70% of DGI's Class A common stock.
