**Item 1.01 Entry into a Material Definitive Agreement.**

*Indenture*

On March 21, 2013, Sealed Air Corporation ( Sealed Air or the Company ), certain wholly-owned domestic subsidiaries of Sealed Air (the Guarantors ) and U.S. Bank National Association, as trustee (the Trustee ) entered into an Indenture dated as of March 21, 2013 (the Indenture ), pursuant to which Sealed Air issued \$425 million aggregate principal amount of 5.25% senior notes due 2023 (the Notes ). The Notes will mature on April 1, 2023 and interest is payable on April 1 and October 1 of each year, commencing October 1, 2013.

Prior to the date that is 90 days prior to the scheduled maturity date of the Notes, Sealed Air may redeem the Notes, in whole or from time to time in part, at a redemption price equal to the greater of (i) 100% of the principal amount of such Notes or (ii) the sum of the present values of the remaining scheduled payments of principal and interest on such Notes from the redemption date to the maturity date discounted in either case to the redemption date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined in the Indenture) plus 50 basis points, plus in either (i) or (ii), any interest accrued but not paid to the date of redemption (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date).

At any time on or after the date that is 90 days prior to the scheduled maturity date of the Notes, Sealed Air may redeem all or part of the Notes upon not less than 30 nor more than 60 days notice, at a redemption price equal to 100% of the principal amount thereof, plus any interest accrued but not paid to the date of redemption (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date).

If Sealed Air experiences a Change of Control Repurchase Event (as defined in the Indenture), holders of the Notes have the right to require Sealed Air to repurchase their Notes at a purchase price equal to 101% of their principal amount, plus accrued and unpaid interest, if any, to the date of repurchase.

The Indenture limits the ability of Sealed Air and its Restricted Subsidiaries (as defined in the Indenture) to, among other things, (i) create liens; (ii) enter into sale and leaseback transactions; and (iii) merge or consolidate or transfer and sell substantially all of their assets.

The Indenture provides that events of default include: (i) failure to make the payment of any interest on the Notes when the same becomes due, with such failure continuing for a period of 30 days; (ii) failure to make the payment of any principal of, or premium, if any, on, any of the Notes when the same becomes due; (iii) failure to perform or comply with certain covenants or agreements in the Notes, the Indenture or related documents (subject to applicable time periods provided for compliance or cure); (iv) a default by Sealed Air or any Restricted Subsidiary under their respective debt obligations that results in acceleration of the maturity of such debt, or failure to pay any such debt at maturity, in an aggregate amount of \$75.0 million or more; and (v) certain events of bankruptcy, insolvency or reorganization affecting Sealed Air or any Restricted Subsidiary that is a Significant Subsidiary (as defined in the Indenture).

If an event of default with respect to the Notes (other than an event of default relating to certain bankruptcy or insolvency matters) shall have occurred and be continuing, the Trustee or the registered holders of not less than 25% in aggregate principal amount of the Notes then outstanding may declare to be immediately due and payable the principal amount of all the Notes then outstanding, plus accrued but unpaid interest to the date of acceleration. In case an event of default relating to certain bankruptcy or insolvency matters occurs, such amount with respect to all the Notes shall be due and payable immediately without any declaration or other act on the part of the Trustee or the holders of the Notes.

The Indenture is filed as Exhibit 4.1 to this Current Report on Form 8-K and the description of the material terms of the Indenture is qualified in its entirety by reference to such exhibit, which is incorporated herein by reference.

*Supplemental Indenture Relating to Existing 7.875% Senior Notes Due 2017*

On March 21, 2013 (the *Early Payment Date* ), the Company announced that holders of approximately \$324 million aggregate principal amount (representing approximately 81%) of its 7.875% Senior Notes due 2017 (the *2017 Notes* ) validly tendered their 2017 Notes prior to the consent payment deadline of 5:00 p.m., New York City time, on March 20, 2013 (the *Consent Payment Deadline* ) and that the Company had accepted such tendered 2017 Notes for payment in accordance with the offer to purchase and consent solicitation statement, dated March 7, 2013 (as it may be amended or supplemented from time to time, the *Statement* ).

On March 20, 2013, the Company, the guarantors party thereto and U.S. Bank National Association, as trustee, executed a supplemental indenture (the *Supplemental Indenture* ) to the indenture governing the 2017 Notes (the *2017 Notes Indenture* ) that eliminates certain of the restrictive covenants contained in the 2017 Notes Indenture. The Supplemental Indenture became effective upon execution, and the amendments to the 2017 Notes Indenture became operative on the Early Payment Date upon acceptance of and payment for the tendered 2017 Notes by the Company pursuant to the terms and conditions described in the Statement and the related letter of transmittal.

The Supplemental Indenture is filed as Exhibit 4.3 to this Current Report on Form 8-K and the description of the material terms of the Supplemental Indenture is qualified in its entirety by reference to such exhibit, which is incorporated herein by reference.

A copy of the press release, dated March 21, 2013, announcing the Consent Payment Deadline and receipt of requisite consents for the 2017 Notes is attached as Exhibit 99.1 hereto and is incorporated herein by reference.

**Item 1.02 Termination of Material Definitive Agreement.**

On March 21, 2013, the Company notified the Trustee that it would satisfy and discharge the indenture governing the 2017 Notes and deposited with the Trustee sufficient funds to fund the redemption of the 2017 Notes on June 15, 2013 and to pay accrued and unpaid interest on the redeemed notes to, and including, the redemption date. The redemption price will be paid on Monday, June 17, 2013.
