PROXY STATEMENT

FOR ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD MAY 22, 2013

INFORMATION ABOUT THE ANNUAL MEETING

This proxy statement is being furnished to stockholders in connection with the solicitation of proxies by and on behalf of our board of Anworth Mortgage Asset Corporation (the "company"), or our board, for use at our 2013 Annual Meeting of Stockholders (the "Annual Meeting") to be held on Wednesday, May 22, 2013 at the principal offices of our company located at 1299 Ocean Avenue, Second Floor, Santa Monica, California 90401, or at any adjournment or postponement thereof.

What is the purpose of the Annual Meeting?

At the Annual Meeting, stockholders will consider and vote upon the following matters:

The election of six directors to our board of directors;

An advisory vote to approve the compensation of our Named Executive Officers;

The ratification of the appointment of McGladrey LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013; and

Such other matters as may properly come before the Annual Meeting or any adjournments or postponements thereof. We sent you these proxy materials because our board is requesting that you allow your shares to be represented at the Annual Meeting by the proxy-holders named in the enclosed proxy card. This proxy statement contains information that we are required to provide you under the rules of the U.S. Securities and Exchange Commission, or SEC, and is designed to provide you with information to assist you in voting your shares. On or about April 9, 2013, we will begin mailing these proxy materials to all stockholders of record at the close of business on March 25, 2013.

How does our board recommend that I vote on the proposals?

Edgar Filing: ANWORTH MORTGAGE ASSET CORP - Form DEF 14A

If no instructions are indicated on your valid proxy, the proxy-holders will vote in accordance with the recommendations of our board. Our board recommends a vote:

FOR each of the nominees for director listed in this proxy statement;

FOR the approval, on an advisory basis, of the compensation of our Named Executive Officers; and

FOR the ratification of McGladrey LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013.

Table of Contents

Who is entitled to vote at the Annual Meeting?

Holders of record of our common stock at the close of business on March 25, 2013 are entitled to vote at the Annual Meeting. As of March 25, 2013, there were 143,695,647 shares of our common stock issued and outstanding. Stockholders are entitled to cast one vote per share on each matter presented for consideration and action at the Annual Meeting.

How can I vote my shares?

Your vote is important. Stockholders can vote in person at the Annual Meeting or by proxy. If you vote by proxy, the individuals named on the proxy card as representatives will vote your shares in the manner you indicate. You may specify whether your shares should be voted for or against all, some or none of the nominees for director, or you may abstain from voting with respect to all, some or none of the nominees for director, and whether your shares should be voted for or against, or you may abstain from voting on, the following proposals: the advisory vote to approve the compensation of our Named Executive Officers and the ratification of the appointment of McGladrey LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013. You may vote your shares of common stock by any of the following methods:

By Telephone or the Internet Stockholders can vote their shares via telephone or the internet as instructed on the proxy card. The telephone and internet voting procedures are designed to authenticate a stockholder's identity, allow stockholders to vote their shares and confirm that their instructions have been properly recorded.

By Mail Stockholders who receive a paper proxy card or request a paper proxy card by telephone or the internet may elect to vote by mail and should complete, sign and date their proxy cards and mail them in the pre-addressed envelopes that accompany the delivery of paper proxy cards. Proxy cards submitted by mail must be mailed by the date shown on the proxy card or the deadline imposed by your bank, broker or other agent for your shares to be voted.

In Person Shares held in your name as the stockholder of record may be voted by you in person at the Annual Meeting. Shares held in street name may be voted by you in person at the Annual Meeting only if you obtain a legal proxy from the bank, broker or other agent that holds your shares, which legal proxy grants you the right to vote the shares. You must present that legal proxy at the Annual Meeting to be entitled to vote shares held in street name.

If my shares are held in street name by my broker, will my broker vote my shares for me?

Brokers, banks and other agents who have record ownership of shares that they hold in street name for their clients have the discretion to vote such shares on routine matters, such as ratification of independent registered public accounting firms. Brokers, banks and other agents holding shares in street name for their clients do not have the ability to cast votes with respect to director elections or other non-routine matters unless they have received instructions from the beneficial owner of the shares. **It is therefore important that you provide instructions to your broker, bank or other agent if your shares are held by a broker, bank or other agent so that your vote with respect to: the election of directors; the advisory vote to approve the compensation of our Named Executive Officers; and the ratification of the appointment of McGladrey LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013, is counted.**

Can I change my vote after I have mailed my signed proxy card?

There are three ways in which you can change your vote before your proxy is voted at the Annual Meeting. First, you can send our secretary a written notice stating that you revoke your proxy. Second, you can complete and submit a new proxy card, dated a later date than the first proxy card. Third, you can attend the Annual

Table of Contents

Meeting and vote in person. Your attendance at the Annual Meeting will not, however, by itself revoke your proxy. If you hold your shares in street name and have instructed your broker, bank or other agent to vote your shares, you must follow directions received from your broker, bank or other agent to change those instructions.

What votes are needed to hold the Annual Meeting?

The presence, in person or by proxy, of stockholders entitled to cast at least a majority of the votes entitled to be cast by all stockholders will constitute a quorum for the transaction of business at the Annual Meeting. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the inspectors of election appointed for the meeting who will determine whether or not a quorum is present. For purposes of determining whether a quorum is present, abstentions and broker non-votes are counted as present.

What vote is required to approve each proposal?

In the case of any uncontested election (as that term is defined in our bylaws), to be elected a director, a majority of the total votes cast for and against such director nominee at which a quorum is present must be cast for such director nominee.

In the case of any contested election (as that term is defined in our bylaws), directors shall be elected by a plurality of votes cast at a meeting of stockholders duly called and at which a quorum is present. Each share may be voted either for or against as many individuals as there are directors to be elected and for whose election the share is entitled to be voted.

The affirmative vote of a majority of all votes cast on the matter at a meeting at which a quorum is present is necessary to: approve, on an advisory basis, the compensation of our Named Executive Officers; ratify the appointment of McGladrey LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013; and approve any other proposals to be brought before the Annual Meeting or any adjournment or postponement thereof.

Our bylaws provide that upon the failure of a director nominee to receive the affirmative vote for of a majority of the votes cast for and against such director nominee in an uncontested election, such director must tender his resignation following certification of such vote. Our Nominating and Corporate Governance Committee will then consider the tendered resignation offer and make a recommendation to our board as to whether to accept the resignation. In determining whether to accept the resignation, our board will consider, among other things, whether accepting the resignation of a director who receives a majority against vote (as the term is defined in our bylaws) would cause our company to fail to meet any applicable SEC or New York Stock Exchange, or NYSE, requirement. Our board will take action within 90 days following certification of the vote and any director whose resignation is under consideration will abstain from participating in the decision.

What is the effect of abstentions and broker non-votes?

Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote in connection with the election of directors and the advisory vote to approve the compensation of our Named Executive Officers. Abstentions are excluded but broker non-votes will be counted as votes cast in connection with the ratification of the appointment of McGladrey LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013.

PROPOSAL NO. 1:

At the Annual Meeting, a total of six directors will be elected to hold office until the next annual meeting of stockholders or until their successors have been duly elected and qualified.

Unless otherwise instructed, the proxy-holders will vote the proxies received by them for the six nominees named below. It is not presently expected that any of the nominees named below will be unable or will decline to serve as a director. If additional persons are nominated for election as directors, the proxy-holders intend to vote all proxies received by them in a manner to assure the election of as many of the nominees listed below as possible. Independence of Nominees for Director

Our board has adopted the NYSE independence tests set forth in NYSE Listed Company Manual Section 303A.02 to assist it in making determinations of independence. Our board has determined that all of the nominees standing for election at the Annual Meeting, other than Mr. Lloyd McAdams, our Chairman, Chief Executive Officer and President, and Mr. Joseph E. McAdams, the Chief Investment Officer and Executive Vice President of our Manager, are independent of our company under the aforementioned NYSE independence standards in that such nominees have no material relationship with us either directly or as a partner, stockholder or affiliate of an organization that has a relationship with our company. Our board has made this determination in part based on the following:

other than Messrs. Lloyd McAdams and Joseph E. McAdams, no nominee for director has any current or prior material relationships with our company aside from his directorship that could affect his judgment;

other than Messrs. Lloyd McAdams and Joseph E. McAdams, no nominee for director is, or has been within the last three years, an employee of our company, or has an immediate family member that is or has been within the last three years, an executive officer of our company;

other than Messrs. Lloyd McAdams and Joseph E. McAdams, no nominee for director has received, or has an immediate family member who has received, during any twelve-month period within the last three years, more than \$120,000 in direct compensation from our company, other than director and committee fees and pension or other forms of deferred compensation for prior service (such compensation not being contingent in any way on continued service);

no nominee for director or an immediate family member of a nominee for director is a current partner of a firm that is our company's internal or external auditor;

no nominee for director is a current employee of a firm that is our company's internal or external auditor;

no nominee for director has an immediate family member who is a current employee of a firm that is our company's internal or external auditor and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice;

no nominee for director or an immediate family member of a nominee for director was within the last three years a partner or employee of a firm that is our company's internal or external auditors and personally worked on our company's audit within that time;

no nominee for director or an immediate family member of a nominee for director is, or has been within the last three years, employed as an executive officer of another company where any of our company's present executive officers at the same time serves or served on that other company's compensation committee; and

Edgar Filing: ANWORTH MORTGAGE ASSET CORP - Form DEF 14A

other than Messrs. Lloyd McAdams and Joseph E. McAdams, no nominee for director is a current employee, or has an immediate family member that is a current executive officer of a company that has made payments to, or received payments from, our company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues.

Board Leadership Structure

Our board has determined that, as of the date of this proxy statement, it is in the best interests of our company and its stockholders that the positions of Chairman of the Board and Chief Executive Officer are combined. Our board believes this provides the necessary responsiveness called for in a highly competitive sector and allows our company to be more adaptive and responsive to changing market conditions. As our Chief Executive Officer is the individual with primary responsibility for managing our company's day-to-day operations, he is best positioned to chair regular board meetings as we discuss key business and strategic issues. Our board believes that it has in place sound counter-balancing measures to ensure that our company maintains high standards of corporate governance and proper oversight. These counter-balancing measures include: our board consisting of a majority of independent directors; each of our board's standing committees including the Audit, Compensation and Nominating and Corporate Governance Committees being comprised of and chaired solely by non-employee directors; review of the Chief Executive Officer's and the Manager's performance remaining within the purview of the Compensation Committee; the independent directors meeting in executive sessions without the presence of management; and the independent directors meeting with and having access to both our internal and external auditors and attorneys. In addition, our board, through its independent directors, has adopted the position of a lead independent director to strengthen the independence and roles of the independent directors. The duties of the lead independent director are detailed in the following paragraph.

Lead Independent Director

Our independent directors appoint a lead independent director to strengthen the independence and role of the independent directors. The duties of the lead independent director are to:

preside at board meetings in the absence of the Chairman of the Board, or upon designation by a majority of directors;

preside at executive sessions or other meetings of the independent directors;

recommend the retention of consultants, legal, financial or other professional advisors who are to report directly to our board;

consult with the Chairman of the Board as to agenda items for board and committee meetings; and

coordinate with committee chairs in the development and recommendations relative to board and committee meeting agendas.

The independent directors have decided to rotate the position of lead independent director among the independent directors each calendar year. Mr. Joe E. Davis has been appointed by our independent directors as our lead independent director for the 2013 calendar year, after which the role of lead independent director will be fulfilled by another of our independent directors for a one-year calendar term.

Our Board's Role in Risk Oversight

Enterprise risk oversight consists of understanding the amount of risk, on a broad level, that our company is willing to accept in pursuit of stockholder value; understanding and assessing the existing risk management processes in place; understanding and assessing our company's strategies and operational initiatives in connection with overall risk tolerance; and being apprised of the most significant risks and whether management is responding to such risks prudently. The person within our company who is primarily responsible for enterprise risk oversight is our Chief Executive Officer, who reports directly to our board. Our board is involved in risk oversight through its regular meetings with management to review operations and strategies, risk profiles, updates on changes in our industry, economic conditions and laws and regulations, review of financial performance and key performance metrics as well as open communication with management and both our internal and external auditors and attorneys. Additionally, our board's role in risk oversight is enhanced through the activities and responsibilities of the committees of our board—the Audit Committee (responsible for overseeing financial risks), the Compensation

Table of Contents

Committee (responsible for overseeing risks associated with our equity plan arrangements and the performance of the Manager), and the Nominating and Corporate Governance Committee (responsible for overseeing risks associated with director independence and conflicts of interest). The descriptions of these committees are detailed below and further details of the responsibilities of each committee may be found in our committee charters which are contained in the Governance Documents section of our website.

Board Committees and Charters

Our board has established an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. Other committees may be established by our board from time to time. The following is a description of each of the committees and their composition.

Audit Committee

Our Audit Committee consists of four members: Mr. Joe Davis (chairman), Mr. Charles Black, Mr. Lee Ault, III, and Mr. Robert Davis, each of whom qualifies as independent under the independence standards of the NYSE. Our board has determined that:

Mr. Black qualifies as an audit committee financial expert, as defined by the SEC, and

all members of the Audit Committee are financially literate, within the meaning of NYSE rules, and independent, under the audit committee independence standards of the SEC and the NYSE.

Our Audit Committee operates pursuant to a written charter adopted by our board. Among other things, the Audit Committee Charter calls upon the Audit Committee to:

review the financial information that will be provided to our stockholders and others;

review the adequacy of our systems of internal controls that management and our board have established;

review our audit and financial reporting process; and

maintain free and open lines of communication among the Audit Committee, our independent registered public accounting firm and management.

It is not the duty of the Audit Committee to determine that our financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Management is responsible for preparing our financial statements, and our independent registered public accounting firm is responsible for auditing those financial statements. Our Audit Committee does, however, consult with management and our independent registered public accounting firm prior to the presentation of financial statements to our stockholders and, as appropriate, initiate inquiries into various aspects of our financial affairs. In addition, the Audit Committee is responsible for retaining, evaluating and, if appropriate, recommending the termination of our independent registered public accounting firm and approving professional services provided by our independent registered public accounting firm.

The Audit Committee held four meetings during 2012.

Compensation Committee

Our Compensation Committee consists of four members: Mr. Charles Black (chairman), Mr. Joe Davis, Mr. Lee Ault, III and Mr. Robert Davis. Our board has determined that all of the Compensation Committee members qualify as:

independent directors under the NYSE independence standards;

non-employee directors under the Securities Exchange Act of 1934, as amended, or the Exchange Act, Rule 16b-3; and

outside directors under Section 162(m) of the Internal Revenue Code of 1986, or the Code.

Table of Contents

Following the externalization of our management function, or the Externalization, pursuant to our entry into a management agreement, or the Management Agreement, with Anworth Management, LLC, or the Manager, effective as of December 31, 2011, the Compensation Committee adopted a new charter to reflect changes to its responsibilities. As specified in the new charter, among other things, the Compensation Committee:

evaluates the performance of the Manager;

reviews and approves the corporate goals and objectives relevant to the Chief Executive Officer's compensation; evaluates the performance of the Chief Executive Officer in light of those goals and objectives; and determines and approves the Chief Executive Officer's compensation level based on such evaluation (effective December 31, 2011, our company became an externally-managed real estate investment trust, or REIT, and does not pay any compensation to any of its officers other than equity-based compensation);

reviews and makes recommendations to our board with respect to compensation for independent directors;

reviews and approves fringe benefits and perquisites of directors and amendments to any related benefit plans or programs;

administers, and makes recommendations with respect to, options, dividend equivalent rights, or DERs, and restricted stock (including price, terms and amount) to be granted by our board under our company's equity compensation plans including our 2004 Equity Compensation Plan and 2007 Dividend Equivalent Rights Plan;

reviews the compensation and fees payable to the Manager under the Management Agreement; and

reviews and approves all compensation-related documents and disclosure required to be filed with regulatory organizations. The Compensation Committee held two meetings during 2012.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee consists of four members: Mr. Lee Ault, III (chairman), Mr. Charles Black, Mr. Joe Davis and Mr. Robert Davis. The committee is composed entirely of independent directors as required by NYSE rules. Our Nominating and Corporate Governance Committee establishes and implements our corporate governance practices and nominates individuals for election to our board.

Our Nominating and Corporate Governance Committee operates pursuant to a written charter adopted by our board. Among other things, the charter calls upon the Nominating and Corporate Governance Committee to:

develop criteria for selecting new directors and to identify individuals qualified to become board members and members of the various committees of our board;

select, or recommend that our board select, the director nominees for each annual meeting of stockholders as well as the committee nominees; and

Edgar Filing: ANWORTH MORTGAGE ASSET CORP - Form DEF 14A

develop and recommend to our board, and review on at least an annual basis, a set of corporate governance principles applicable to our company.

Our board believes that it is necessary for each of our company's directors to possess many qualities and skills. When searching for new candidates, the Nominating and Corporate Governance Committee considers the evolving needs of our board and searches for candidates that fill any current or anticipated future needs. Our board also believes that all directors must possess a considerable amount of business management (such as experience as a chief executive or chief financial officer) and educational experience. The Nominating and Corporate Governance Committee first considers a candidate's management experience and then considers issues

of judgment, background, stature, conflicts of interest, integrity, ethics and commitment to the goal of maximizing stockholder value when considering director candidates. The Nominating and Corporate Governance Committee does not have a formal policy with respect to diversity; however, our board and the Nominating and Corporate Governance Committee believe that it is essential that our board members represent diverse viewpoints. In considering candidates for our board, the Nominating and Corporate Governance Committee considers the entirety of each candidate's credentials in the context of these standards. With respect to the nomination of continuing directors for re-election, the individual's contributions to our board are also considered. The Nominating and Corporate Governance Committee has reviewed the qualifications, skills and experience of each of the director candidates listed in Proposal No.1 (Election of Directors) and has concluded as of the date of this proxy statement that each of these individuals should serve as directors of our company.

The Nominating and Corporate Governance Committee held two meetings during 2012.

Additional Governance Matters

Code of Conduct

Our board has established the Anworth Mortgage Asset Corporation Code of Ethics and Business Conduct, or the Code of Conduct, which qualifies as a code of ethics as defined by Item 406 of Regulation S-K of the Exchange Act. Among other matters, the Code of Conduct is designed to deter wrongdoing and to promote:

honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;

full, fair, accurate, timely and understandable disclosure in our SEC reports and other public communications;

compliance with applicable governmental laws, rules and regulations;

prompt internal reporting of violations of the Code of Conduct to appropriate persons identified in the Code of Conduct; and

accountability for adherence to the Code of Conduct.

Waivers to the Code of Conduct may be granted only by our board. In the event that our board grants any waivers of the elements listed above to any of our directors, officers or employees, or if any amendment is made to any provision of the Code of Conduct, we will make the required filing with the SEC and announce the waiver or amendment on the Governance Documents section of our website, both within four business days.

Limitation on Board Members' Service on Other Public Company Boards

Our Nominating and Corporate Governance Committee recommended, and our board approved, a policy that limits our directors' ability to serve on more than three public company boards (including our board) without the prior approval of our board. In deciding whether to grant a waiver, the Nominating and Corporate Governance Committee and our board will take into account, among other things, the nature and time involved in the director's service on other boards. In addition, service on boards and committees of other companies must be in compliance with our conflicts of interest policies.

Stock Ownership Guidelines for Directors and Executive Officers

Our Nominating and Corporate Governance Committee recommended, and our board approved, an amended policy that sets out stock ownership guidelines for our directors and executive officers. Our directors are required to hold shares of our common stock with a minimum value equal to three times the amount of the annual retainer paid to the directors (the annual retainer is currently \$50,000). These guidelines must be met within three years of joining our board or, in the case of directors serving at the time these guidelines were adopted in 2007, within three years

following adoption.

Table of Contents

The Chief Executive Officer is required to hold shares of our common stock with a minimum value of \$1,000,000. Other executive officers who are Section 16 insiders are required to hold shares of our common stock with a minimum value of \$100,000. These guidelines must be met within three years of becoming an insider for purposes of Section 16 of the Exchange Act.

For purposes of the foregoing ownership guidelines, shares owned outright by the director or executive officer (or their immediate family members residing in the same household), shares held in trust for the benefit of the director or executive officer (or their immediate family members residing in the same household) and restricted shares granted to the director or executive officer under one of our employee benefit plans, may all be counted towards reaching the minimum amounts. Deferred stock awards do not, however, count towards satisfaction of these guidelines. Compliance with these guidelines may be waived by the Nominating and Corporate Governance Committee for directors joining our board from government, academia or similar vocations, and for directors and Chief Executive Officer if compliance would create severe hardship or prevent compliance with a court order.

Public Availability of Corporate Governance Documents

Our key corporate governance documents, including our Code of Conduct and the charters of our Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee are:

available on our corporate website at <http://www.anworth.com> (by including the foregoing Internet address link, our company does not intend to incorporate by reference to this proxy statement any material other than that specifically incorporated by reference herein);

available in print to any stockholder who requests them from our corporate secretary; and

filed as exhibits to our securities filings with the SEC.

Director Compensation

Our independent directors receive an annual fee of \$50,000, payable quarterly, for service on our board, plus meeting fees of \$2,000 for each formally called board meeting, which is reduced to \$1,000 if the participation is telephonic, and \$1,000 for each formally called committee meeting, which is reduced to \$500 if the participation is telephonic, in each case that the independent directors attend at which a quorum is present. We reimburse all of our directors for the expenses they incur in connection with attending board and committee meetings.

Each independent member of our board who was first elected or appointed as a board member at any time on or after the effective date of the 2004 Equity Compensation Plan was automatically awarded a stock grant of 2,000 shares of common stock upon the date such person was initially appointed to our board. In addition, on the first business day in July in each calendar year following the effective date of the 2004 Equity Compensation Plan, each independent board member then in office was automatically awarded a stock grant of 2,000 shares of common stock, provided such individual has served as an independent board member for at least six months. In 2009, our board approved the issuance of phantom common stock in lieu of common stock for all future equity awards to our independent directors. We may also make additional grants of equity awards to our independent board members from time to time.

Table of Contents

The following table sets forth information regarding the various components of compensation to our independent directors during the fiscal year ended December 31, 2012:

DIRECTOR COMPENSATION

Name	Fees Earned or Paid in	Stock Awards	Other Compensation	Total
	Cash (\$)	(\$)(1)	(\$)(2)	(\$)
Lee A. Ault, III	69,500	6,195	5,160	80,855
Charles H. Black	68,000	6,195	5,160	79,355
Joe E. Davis	70,000	6,195	5,160	81,355
Robert C. Davis	67,500	6,195	5,160	78,855

- (1) Each of our independent directors receives an annual stock award of 2,000 shares of phantom common stock which do not vest until retirement from our board. The values shown in the table above represent the fair value on the date of the award. The fair value of the aforementioned stock awards was estimated using the Black-Scholes model with the following weighted-average assumptions: dividend yield: 11.81%; expected volatility: 30%; discount rate bond equivalent yield: 4.33%; and expected lives: 7 years. The closing price of our common stock on the date of the 2012 awards was \$7.01.
- (2) In connection with each annual stock award of 2,000 shares of phantom common stock, each of our independent directors receives a grant of 2,000 dividend equivalent rights, or DERs, awarded under the 2007 Dividend Equivalent Rights Plan. A DER is a right to receive amounts equal in value to the distributions paid on a share of our common stock. A DER does not create any stock option or authorize additional shares to be granted to officers or directors. The amounts shown in this column reflect the payments received on all previously issued DERs granted to our independent directors.

Director Attendance

During 2012, our board held twelve meetings. Each director attended more than 89% of the aggregate of the meetings of our board and the meetings of each committee of which that director is a member.

Executive Sessions of the Board

Our independent directors meet regularly in executive sessions without management, as required by our Corporate Governance Guidelines, to review the performance of management and our company and any related matters. Generally, executive sessions are held in conjunction with regularly scheduled meetings of our board. We expect our independent directors to have at least four executive sessions each year.

Stockholder Meeting Attendance

As a general matter, all of our directors are encouraged to attend our Annual Meetings of Stockholders. All of our directors attended the 2012 Annual Meeting of Stockholders.

Compensation Committee Interlocks and Insider Participation

No officer or employee participated in deliberations of the Compensation Committee or our board concerning their own compensation. None of our executive officers has served on our board or on the compensation committee of any other entity which had officers who served on our board or our Compensation Committee.

Table of Contents**EXECUTIVE OFFICERS AND COMPENSATION****Named Executive Officers**

As a result of the externalization of our management function, or the Externalization, to Anworth Management, LLC, or the Manager, as of December 31, 2011, all of our officers and employees became employed by the Manager. Our only Named Executive Officers are our statutory officers as listed below:

Name	Age	Positions with our Company
Lloyd McAdams	67	Chairman of the Board, Chief Executive Officer and President
Thad M. Brown	63	Chief Financial Officer, Treasurer and Secretary

Biographical information regarding each Named Executive Officer other than Mr. Lloyd McAdams is set forth below. Mr. Lloyd McAdams biographical information is set forth above under Election of Directors.

Thad M. Brown has been the Chief Financial Officer, Treasurer and Secretary of our company since June 2002 and is also a member of the Manager. Mr. Brown has also been the Chief Operating and Compliance Officer, Secretary and Treasurer of PIA since April 2002.

Compensation Discussion and Analysis

This compensation discussion and analysis describes our compensation objectives and policies in relation to equity compensation received by our Named Executive Officers listed above as well as certain other executive officers and employees of our Manager.

Beginning on January 1, 2012, no compensation was paid to any of our officers other than equity-based awards under our 2004 Equity Compensation Plan and 2007 Dividend Equivalent Rights Plan.

We are managed by Anworth Management, LLC, or the Manager, pursuant to the Management Agreement between the Manager and us. In 2012, we did not have any employees whom we compensated directly with salaries or other cash compensation. As we pay a management fee to our Manager, and it pays all of the compensation to our Named Executive Officers and its employees except for any grants of equity-based awards (which we pay), we do not believe that our fee arrangement with the Manager or the grants of equity-based awards made by us to our Named Executive Officers encourages inappropriate risk-taking. While prudent risk-taking is an important part of growing and managing a business, the Compensation Committee believes it is important to align our compensation policies with our long-term interests and avoid short-term rewards for the Manager and our Named Executive Officers' decisions that could pose long-term risks to us, as follows:

Management Fees. We pay the Manager a base management fee, which is set forth in the Management Agreement, which is calculated based on a percentage of our stockholders' equity, subject to certain adjustments. We do not pay the Manager any incentive fee. Furthermore, because our stockholders' equity would decrease if we experienced losses and, consequently, the Manager's base management fee would decrease, we believe that the Manager is not incentivized to sacrifice long-term performance for short-term gains. In addition, additional equity offerings, which increase stockholders' equity and the management fee, must be approved by a majority of our board, including our independent directors. See Certain Relationships and Related Transactions for a discussion of the fees paid to the Manager.

Restricted Stock Awards. In 2012, we did not issue any shares of restricted stock pursuant to our 2004 Equity Compensation Plan. Prior restricted stock grants made to our Named Executive Officers vest over a period of years. We believe that this vesting period is an important retention device and encourages our Named Executive Officers to focus on sustaining our long-term performance.

Dividend Equivalent Right. A dividend equivalent right is a right to receive amounts equal in value to the dividend distributions paid on a share of common stock. We believe this aligns the interests of our Named Executive Officers and the employees of the Manager with those of our stockholders.

Compensation Philosophy and Objectives

We, through our compensation program, seek to attract, motivate and retain top quality senior executives who are committed to our core values of prudent risk-taking and integrity. The Compensation Committee acknowledges that the real estate finance industry is highly competitive and that experienced professionals have significant career mobility. We compete for executive talent with a large number of real estate investment companies and specialty finance companies, some of which are privately owned and some of which have significantly larger market capitalization than we do. We are a specialized company in a highly competitive industry and our ability to attract, retain, and reward our Named Executive Officers is essential to maintaining our competitive position in the real estate finance industry. The Compensation Committee's objectives in developing and administering the compensation program are to:

focus decision-making and behavior on goals that are consistent with our overall business strategy without threatening the long-term viability of our company;

attract, retain and motivate highly-skilled executive officers that will contribute to our successful performance;

align the interests of our Named Executive Officers with the interest of our stockholders by motivating executives to increase long-term stockholder value;

provide compensation opportunities that are competitive within industry standards, thereby reflecting the value of the position in the marketplace;

support a culture committed to paying for performance where compensation is commensurate with the level of performance achieved; and

maintain flexibility and discretion to allow us to recognize the unique characteristics of our operations and strategy, and our prevailing business environment, as well as changing labor market dynamics.

The Compensation Committee is committed to the ongoing review and evaluation of our Named Executive Officers' compensation levels and program. It is the Compensation Committee's view that compensation decisions are best made after a deliberate review of company and individual performance, as well as industry compensation levels, within the risk parameters established by management and our board. Consistent with this view, the Compensation Committee periodically assesses our performance within the context of the industry's overall performance and internal performance standards and evaluates individual executive officer performance relative to the performance expectations for their respective position.

Equity Compensation Awards

Overview

Our 2004 Equity Compensation Plan and 2007 Dividend Equivalent Rights Plan allow for grants of equity awards to our Named Executive Officers, consultants, and other service providers to us and the Manager, through grants of restricted stock awards, and dividend equivalent rights. Awards granted to our Named Executive Officers and other employees of the Manager under the above-referenced plans are designed to align their interests with the interests of shareholders by providing each Named Executive Officer with an ownership or ownership-based interest in our company and a stake in our long-term success. The 2004 Equity Compensation Plan and the 2007 Dividend Equivalent Rights Plan are administered by our Compensation Committee, which has the discretion to determine those individuals or other service providers to whom awards will be granted, the number of shares subject to such rights and awards and other terms and conditions of the dividend equivalent rights and restricted stock awards. Each such award may have a vesting period that is tied to each Named Executive Officer's continued service to our company or a specifically identified set of performance measures.

Restricted Stock

Basis for Using Different Forms of Equity Awards for Long-Term Incentive Compensation

In October 2005, our board decided that we would utilize restricted stock instead of stock options in the future as a means of realizing long-term incentive compensation. Prior to October 2005, we granted stock options to our senior executives, officers and employees as a means of realizing long-term incentive compensation. In December 2005, our board authorized the immediate vesting of all our then-outstanding common stock options. No other terms of the outstanding common stock options were modified. The decision to accelerate the vesting of the common stock options was based upon the conclusion that the outstanding common stock options were currently not achieving management's employee motivation and retention goals because the strike prices of the outstanding common stock options were in excess of the fair market value of the underlying common stock.

In October 2005, our board approved the grant of 200,780 shares of restricted stock to several of our employees under our 2004 Equity Compensation Plan. The closing price of our common stock on the grant date was \$7.72. The restricted stock vests 10% per year on each anniversary date for a ten-year period and shall also vest immediately upon the death of the grantee or upon the grantee reaching age 65. Each grantee shall have the right to sell 40% of the restricted stock any time after such shares have vested. The remaining 60% of such vested restricted stock may not be sold until after termination of employment with us.

In October 2006, our board approved a grant of an aggregate of 197,362 shares of performance-based restricted stock to several of our officers and employees under our 2004 Equity Compensation Plan. Such grant was made effective on October 18, 2006. The closing price of our common stock on the effective date of the grant was \$9.12. The shares will vest in equal annual installments over three years provided that the annually compounded rate of return on our common stock, including dividends, exceeds 12%. If the annually compounded rate of return does not exceed 12%, then the shares will vest on the anniversary date thereafter when the annually compounded rate of return exceeds 12%. If the annually compounded rate of return does not exceed 12% within ten years after the effective date of the grant, then the shares will be forfeited. The shares will fully vest within the ten-year period upon the death of a grantee. Upon vesting, each grantee shall have the right to sell 40% of the restricted stock any time after such shares have vested. The remaining 60% of such vested restricted stock may not be sold, transferred or pledged until after termination of employment with us or upon the tenth anniversary of the effective date. To date, none of these shares have vested.

Timing of Grants of Restricted Stock

It is our practice to use the closing price on the NYSE on the actual grant date when determining the fair market value of our restricted stock on the grant date. The grant dates used are usually the dates when our board approved the grants or when our board set an effective grant date (usually within a short period of time after approval).

Dividend Equivalent Rights

Our 2007 Dividend Equivalent Rights Plan, or DER Plan, is intended to provide our Compensation Committee and our board with additional compensation tools to better align the interests of our company's employees, officers and directors with those of its stockholders. The DER Plan is intended to provide incentives to those employees, officers, and directors who are expected to provide significant services to our company, to encourage such employees, officers, and directors to remain in the employ of our company, to attract new employees, officers, and directors and to provide additional incentive to increase their efforts in providing services to our company. A DER is a right to receive amounts equal in value to the dividend distributions paid on a share of our common stock. A DER award does not involve the grant of equity or the right to acquire the same.

Table of Contents

In awarding DERs, the Compensation Committee first decides which individuals should receive DERs; next, the Compensation Committee takes into consideration each individual's total compensation, past DER awards, if any, and their position with and/or services to our company.

For all years prior to 2011, there have been several grants awarded under the DER Plan to various officers and employees in an aggregate of 582,000 DERs. Of this, our Chief Executive Officer, Mr. Lloyd McAdams, received grants totaling 121,000 DERs and our Chief Financial Officer, Mr. Thad M. Brown, received grants totaling 62,500 DERs. At December 31, 2012, these grants were still outstanding. For the year ended December 31, 2012, there were no grants awarded under the DER Plan.

Following the Externalization as of December 31, 2011, grants of DERs under the DER Plan may only be awarded to our Chief Executive Officer and Chief Financial Officer. Officers of the Manager may receive grants of DERs under the 2004 Equity Compensation Plan.

Other Factors and Considerations

Fringe Benefits

As we have no employees and as our day-to-day operations are performed by the Manager, we do not provide any fringe benefits.

Change in Control Provisions

Our Chief Financial Officer and various officers and employees of the Manager have change in control provisions in their amended Change in Control and Arbitration Agreements with our company. Our Chief Executive Officer does not have a Change in Control and Arbitration Agreement. Following our entry into the Management Agreement effective as of December 31, 2011 and in connection with the Externalization, the amended Change in Control and Arbitration Agreements provide that should a Change in Control (as defined in the amended Change in Control and Arbitration Agreements) occur, each of these persons will receive from us certain severance and other benefits based upon their total compensation and benefits as of December 31, 2011.

Role of Executive Officers in Compensation Decisions

The Compensation Committee makes all equity compensation decisions related to the Named Executive Officers and the officers and employees of the Manager. When making equity compensation decisions for these persons (other than Mr. Lloyd McAdams), the Compensation Committee seeks input from Mr. Lloyd McAdams, our Chief Executive Officer, given his direct day-to-day working relationship with our Chief Financial Officer and with the employees of the Manager. The Compensation Committee engages in discussions and makes final determinations related to equity compensation paid to the Named Executive Officers. All decisions regarding Mr. Lloyd McAdams' equity compensation are made by the Compensation Committee.

Accounting and Tax Considerations of Different Forms of Compensation

Deductibility of Executive Compensation

The Compensation Committee periodically reviews the potential implications of Section 162(m) of the Code. This section precludes a public corporation from taking a tax deduction for individual compensation in excess of \$1 million for its named executive officers unless the compensation is performance-based within the meaning of Section 162(m). Although the Compensation Committee considers various alternatives for preserving the deductibility of compensation payments, the Compensation Committee reserves the right to award compensation to the executives that may not qualify under Section 162(m) as deductible compensation.

Table of Contents**Other Tax and Accounting Implications**

Section 409A of the Code adopted under the American Jobs Creation Act of 2004 has significantly changed the tax rules applicable to nonqualified deferred compensation arrangements. We currently do not have any deferred compensation arrangements.

In accordance with Financial Accounting Standards Board Accounting Standard Codification 718-10, any compensation cost relating to share-based payments is recognized in the financial statements. Restricted stock is expensed over the vesting periods.

Compensation Committee Consideration of the 2012 Advisory Vote of our Stockholders on Executive Compensation

In determining our executive compensation program for 2012, the Compensation Committee considered the results of the 2012 advisory vote of our stockholders on the proposal on executive compensation presented in our 2012 proxy statement. The Compensation Committee noted that more than 76% of the votes cast for this proposal approved the compensation of our Named Executive Officers as described in our 2012 proxy statement. The Compensation Committee considered these voting results as supportive of its general executive compensation practices.

Executive Compensation and Related Matters

As a result of the Externalization effective as of December 31, 2011, our only Named Executive Officers are our statutory officers. The following table provides certain summary information concerning the compensation earned by our Chief Executive Officer and Chief Financial Officer, who were serving as our Named Executive Officers as of December 31, 2012 for services rendered in all capacities to us for the fiscal years ended December 31, 2012, 2011 and 2010:

Table of Contents

- (3) For all years prior to 2011, there were several grants awarded under the DER Plan to various officers and employees in an aggregate of 582,000 DERs. Of this, Mr. Lloyd McAdams received a grant of 121,000 DERs. This amount times the dividends declared to our common stockholders in 2012 of \$0.69 equals \$83,490. Mr. Thad M. Brown received a grant of 62,500 DERs. This amount times the dividends declared to our common stockholders in 2012 of \$0.69 equals \$43,125. At December 31, 2012, these grants were still outstanding. For the year ended December 31, 2012, there were no grants awarded to these officers under the DER Plan. The amounts received during 2011 and 2010 on the DERs are also included in Other compensation and represent the difference between the totals reported as All Other Compensation in the table above and the amounts shown in footnote 2 above. See page 15 for a more detailed description of how DER grants are determined.

Grants of Plan-Based Awards

There were no grants of plan-based awards issued to our Named Executive Officers during the fiscal year ended December 31, 2012.

Outstanding Equity Awards at Fiscal Year-End

The following table provides information with respect to our Named Executive Officers concerning outstanding equity awards held by them at December 31, 2012:

OUTSTANDING EQUITY AWARDS AT FISCAL YEAR-END

Name	Option Awards			Stock Awards	
	Number of Securities Underlying Unexercised Options Exercisable (#)(1)	Option Exercise Price (\$)	Option Expiration Date	Equity Incentive Plan Awards: Number of Unearned Shares, Units or Other Rights That Have Not Vested (#)(2)	Equity Incentive Plan Awards: Market or Payout Value of Unearned Shares, Units or Other Rights That have Not Vested (\$)(3)
Lloyd McAdams	0	N/A	N/A	0 38,377	0 221,819
Thad M. Brown	38,700	13.80	5/1/2013	5,829 16,447	33,692 95,064

- (1) The option awards in the above table list the number of securities underlying unexercised options that are exercisable, the option exercise price and the option exercise date. All of these options have now been vested. In December 2005, our board authorized the immediate vesting of all of our then-outstanding common stock options. No other terms of the outstanding common stock options were modified. The decision to accelerate the vesting of the common stock options was based upon the conclusion that the outstanding common stock options were currently not achieving management's employee motivation and retention goals because the strike prices of the outstanding common stock options were in excess of the fair market value of the underlying common stock. There were no stock options granted in 2012. On December 27, 2010, Mr. Lloyd McAdams willfully surrendered stock options aggregating 219,225 underlying shares of common stock with a weighted average exercise price of \$12.143.
- (2) The market value of the number of shares of restricted stock that have not vested is based on the closing price of our common stock as of December 31, 2012. These shares represent the portions of the October 2005 (first number in column) and October 2006 (second number in column) restricted stock grants that have not vested. The terms of these grants are more fully described on page 15 of this proxy statement.

Table of Contents**Change in Control and Arbitration Agreements**

In June 2006, we entered into Change in Control and Arbitration Agreements with our Chief Financial Officer (Mr. Thad M. Brown) as well as certain of our other officers and employees. Our board determined that, in the event of a change in control of our company, as defined below, it would be imperative for us and our board to be able to receive and rely upon these employees' advice, if requested, as to the best interests of our company and its stockholders without concern that these employees might be distracted by the personal uncertainties and risks created by any such possible transactions. Following our entry into the Management Agreement effective as of December 31, 2011 and in connection with the Externalization, we amended the existing Change in Control and Arbitration Agreements to provide that should a Change in Control (as defined in the amended Change in Control and Arbitration agreements) occur, each of these officers will receive from us certain severance and other benefits valued as of December 31, 2011.

The Change in Control and Arbitration Agreements grant these officers and employees, in the event that a change in control occurs, a lump sum payment equal to (i) 12 months annual base salary in effect on December 31, 2011, plus (ii) the average annual incentive compensation received for the two complete fiscal years prior to December 31, 2011, and plus (iii) the average annual bonus received for the two complete fiscal years prior to December 31, 2011, as well as all fringe benefits for a period of 12 months following termination of employment with us. The Change in Control and Arbitration Agreements also provide for immediate vesting of all equity awards granted to these officers and employees upon a change in control.

A Change in Control, as defined in the Change in Control and Arbitration Agreements, means the first to occur of any of the following: (a) any person or persons acting as a group (other than our company or any trustee or other fiduciary holding securities under an employee benefit plan of our company) being the beneficial owner, directly or indirectly, of securities of our company representing more than 50% of the combined voting power of our company's then outstanding securities; or (b) a change in the composition of our board; or (c) the effective date of any merger or consolidation of our company with any other corporation or entity other than (i) a merger or consolidation which would result in the voting securities of our company outstanding immediately prior thereto continuing to represent in combination with the ownership of any trustee or other fiduciary holding securities under an employee benefit plan of our company, at least 65% of the combined voting power of the voting securities of our company or such surviving entity outstanding immediately after such merger or consolidation, or (ii) a merger or consolidation effected to implement a recapitalization of our company in which no person acquires more than 35% of the combined voting power of our company's then outstanding securities, or (iii) a merger or consolidation of our company with one or more persons that are related to our company immediately prior to the consolidation or merger; or (d) the sale or disposition by our company of all or substantially all of our company's assets, to one or more persons that are not related to our company immediately prior to the sale or transfer. The foregoing summary of the terms and conditions of the Change in Control and Arbitration Agreements is qualified in its entirety by reference to the Change in Control and Arbitration Agreements, which have been filed as exhibits to our company's reports pursuant to the Exchange Act.

The Change in Control and Arbitration Agreement for Mr. Thad M. Brown was amended as noted previously. The closing market price of our common stock at December 31, 2012 was \$5.78. The following reflects the amount that Mr. Thad M. Brown would be paid if a change in control occurred on December 31, 2012:

	Thad M. Brown
Base salary	\$ 283,000
Average bonus	117,500
Fringe benefits	17,988

The conversion ratio will also be subject to adjustment upon the occurrence of certain specific events such as a change in control. Our Series B Preferred Stock is convertible into shares of our common stock at the option of the Series B Preferred stockholder at any time at the then prevailing conversion rate. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Policies and Procedures for Review and Approval of Related Party Transactions

Our board has established the Code of Conduct. The Code of Conduct outlines the principles, policies and values that govern the activities of our company and it applies to all of our directors, officers and employees. The Code of Conduct outlines our policy on conflicts of interest.

A conflict of interest is defined as any situation in which a director, officer or employee has competing professional or personal interests, which could possibly make it difficult to fulfill his or her duties and responsibilities to our company in an impartial manner. It is specifically required by our Code of Conduct that all of our officers, directors and employees (1) fully disclose to the appropriate parties all actual or perceived conflicts of interest and (2) ensure that duties and responsibilities to our company are handled in such a manner that ensures impartiality.

In addition to the Code of Conduct, we require our directors and executive officers to complete annually a directors' and officers' questionnaire which requires disclosure of any related party transactions. Also, on a quarterly basis, our board reviews all existing related party transactions and any new transactions that are brought to the attention of either management or our board.

On any new related party transactions, if the party involved in the transaction is a member of our board, such member of our board is required to recuse or abstain from involvement in the decision. If the remaining board members ratify the transaction, our board will grant a waiver to the Code of Conduct. In the event that such a waiver is granted to any of our officers, we would announce the waiver within four business days on a Form 8-K and the Governance Documents section of our website.

Management Agreement and Externalization

At our annual stockholders meeting on May 25, 2011, our stockholders approved the entry by us into a Management Agreement, or the Management Agreement, between our company and Anworth Management, LLC, or the Manager, and the externalization of our company's management function, or the Externalization. We entered into the Management Agreement effective as of December 31, 2011. Our day-to-day operations are now being conducted by the Manager through the authority delegated to it under the Management Agreement and pursuant to the policies established by our board. The Manager is supervised and directed by our board and is responsible for (i) the selection, purchase and sale of our investment portfolio; (ii) our financing and hedging activities; and (iii) providing us with management services. The Manager performs such other services and activities relating to our assets and operations as may be appropriate. In exchange for these services, the Manager receives a management fee paid monthly in arrears in an amount equal to one-twelfth of 1.20% of our Equity (as defined in the Management Agreement).

The Manager commenced performance on December 31, 2011, after which we became an externally-managed REIT. Following the execution of the Management Agreement and on its effective date, the employment agreements of our executives were terminated, and we operate as an entity with officers and directors, but without employees. Our employees became employees of the Manager, and we took such other actions as were reasonably necessary to implement the Management Agreement and the Externalization.

The Management Agreement

Under the terms of the Management Agreement, the Manager is responsible for administering our business activities and day-to-day operations, subject to the supervision and oversight of our board. The material terms of the proposed Management Agreement are described below.

Table of Contents

Management Services

The Management Agreement requires the Manager to oversee our business affairs in conformity with the operating policies and the investment guidelines approved by our board. The Manager, at all times, is supervised and directed by our board, the terms and conditions of the Management Agreement, and such further limitations or parameters as may be imposed from time to time by our board. The Manager is responsible for (i) the selection, purchase and sale of our investment portfolio, (ii) our financing and hedging activities, and (iii) providing us with investment advisory services.

The Manager has not assumed any responsibility other than to render the services called for under the Management Agreement in good faith and is not responsible for any action of our board in following or declining to follow its advice or recommendations, including as set forth in the investment guidelines. The Manager and its affiliates, and the directors, officers, employees, members and stockholders of the Manager and its affiliates, will not be liable to us, our board or our stockholders for any acts or omissions performed in accordance with and pursuant to the Management Agreement, except by reason of acts constituting bad faith, willful misconduct, gross negligence or reckless disregard of their respective duties under the Management Agreement.

We have agreed to indemnify the Manager and its affiliates, and the directors, officers, employees, members and stockholders of the Manager and its affiliates, with respect to all expenses, losses, damages, liabilities, demands, charges and claims in respect of or arising from any acts or omissions of the Manager, its affiliates and the directors, officers, employees, members and stockholders of the Manager and its affiliates, performed in good faith under the Management Agreement and not constituting bad faith, willful misconduct, gross negligence, or reckless disregard of their respective duties. The Manager has agreed to indemnify us and our directors, officers and stockholders with respect to all expenses, losses, damages, liabilities, demands, charges and claims in respect of or arising from any acts or omissions of the Manager constituting bad faith, willful misconduct, gross negligence or reckless disregard of its duties under the Management Agreement. The Manager will maintain reasonable and customary fidelity insurance coverage.

The Manager is required to refrain from any action that, in its sole judgment made in good faith, (i) is not in compliance with the investment guidelines, (ii) would adversely affect our qualification as a REIT under the Internal Revenue Code or our status as an entity exempted from investment company status under the Investment Company Act, or (iii) would violate any law, rule or regulation of any governmental body or agency having jurisdiction over us or of any exchange on which our securities are listed or that would otherwise not be permitted by our amended and restated certificate of incorporation or bylaws. If the Manager is ordered to take any action by our board, the Manager will notify our board if it is the Manager's judgment that such action would adversely affect such status or violate any such law, rule or regulation or our amended and restated certificate of incorporation or bylaws.

Term and Termination Rights

The Management Agreement has an initial term expiring on December 31, 2013. The Management Agreement will be automatically renewed for one-year terms thereafter unless terminated by either us or the Manager. The Management Agreement does not limit the number of renewal terms. Either we or the Manager may elect not to renew the Management Agreement upon the expiration of the initial term of the Management Agreement or upon the expiration of any automatic renewal terms, both upon 180 days prior written notice to the Manager or us. Any decision by us to not renew the Management Agreement must be approved by the majority of our independent directors. If we choose not to renew the Management Agreement, we will pay the Manager a termination fee, upon expiration, equal to three times the average annual management fee earned by the Manager during the prior 24-month period immediately preceding the most recently completed month prior to the effective date of termination.

We may only elect not to renew the Management Agreement without cause with the consent of the majority of our independent directors. If we terminate the Management Agreement without cause, we may not, without the

Table of Contents

consent of the Manager, employ any employee of the Manager or any of its affiliates, or any person who has been employed by the Manager or any of its affiliates at any time within the two year period immediately preceding the date on which the person commences employment with us for two years after such termination of the Management Agreement. In addition, following any termination of the Management Agreement, we must pay the Manager all monthly management fees accruing to the date of termination and any other amounts due.

Furthermore, if we decide not to renew the Management Agreement without cause as a result of the determination by the majority of our independent directors that the management fee is unfair, the Manager may agree to perform its management services at fees the majority of our board determine to be fair, and the Management Agreement will not terminate. The Manager may give us notice that it wishes to renegotiate the fees, in which case we and the Manager must negotiate in good faith, and if we cannot agree on a revised fee structure at the end the 60-day negotiation period following our receipt of the Manager's intent to renegotiate, the agreement will terminate, and we must pay the termination fees described above.

We may also terminate the Management Agreement with 60 days' prior written notice for cause, without paying the termination fee, if any of the events constituting cause under the Management Agreement occur, which will be determined by a majority of our independent directors. These events include fraud, embezzlement, gross negligence, failure to provide adequate personnel not cured within a specified time period, material breach of the Management Agreement not cured within a specified time period, and the Manager's bankruptcy or dissolution.

Management Fee and Reimbursement of Expenses

We do not employ personnel. As a result, we will rely on the Manager to administer our business activities and day-to-day operations. The management fee is designed to reimburse the Manager for providing the personnel to perform certain services to us as described above in Management Services. The Manager is also entitled to certain monthly expense reimbursements described below. The management fee is payable monthly in arrears in cash.

Management Fee. We will pay the Manager a management fee monthly in arrears in an amount equal to 1/12 of 1.20% of our Equity (as defined below). The Manager will calculate each monthly installment of the management fee within 15 days after the end of each calendar month, and we will pay the monthly management fee with respect to each calendar month within 5 business days following the delivery to us of the Manager's statement setting forth the computation of the monthly management fee for such month.

Equity equals our month-end stockholders' equity, adjusted to exclude the effect of any unrealized gains or losses included in either retained earnings or other comprehensive income (loss), each as computed in accordance with generally accepted accounting principles utilized in the United States of America, or GAAP.

The Manager will not receive any performance-based incentive compensation pursuant to the terms of the Management Agreement.

Reimbursement of Expenses. We will pay directly, or reimburse the Manager, for all of our operating expenses and the Manager's operating expenses applicable to our company, other than compensation and benefits. Pursuant to the terms of the Management Agreement, we are not responsible for the employment-related expenses of the Manager's employees and officers that provide services to us under the Management Agreement.

The Manager

Mr. Lloyd McAdams, our Chairman, Chief Executive Officer and President, is also the manager of Anworth Management, LLC, or the Manager. A trust controlled by Mr. Lloyd McAdams and Ms. Heather U. Baines

Table of Contents

beneficially owns 50% of the outstanding membership interests in the Manager; Mr. Joseph E. McAdams beneficially owns 45% of the outstanding membership interests in the Manager; and Mr. Thad M. Brown, our Chief Financial Officer, owns 5% of the outstanding membership interests in the Manager. The Manager did not pay consideration to us for entering into the Management Agreement with us.

Nothing in the Management Agreement prevents the Manager or any of its affiliates from engaging in other businesses or from rendering services of any kind to any other person or entity, including investment in or advisory service to others investing in any type of real estate investment, other than advising other REITs that invest more than 75% of their assets in United States agency residential mortgage-backed securities. Directors, officers and employees of the Manager may serve as our directors and officers.

Certain of the Manager's officers and certain of our officers are officers or employees of PIA, where they devote a portion of their time. These officers are currently involved, and will continue to be involved, in investing both our assets and mortgage-backed securities and other fixed income assets for institutional clients and individual investors through PIA.

These multiple responsibilities may create conflicts of interest if these officers are presented with opportunities that may benefit both us and the clients of PIA. These officers allocate investments among our portfolio and the clients of PIA by determining the entity or account for which the investment is most suitable. In making this determination, these officers consider the investment strategy and guidelines of each entity or account with respect to acquisition of assets, leverage, liquidity and other factors that our officers determine appropriate. These officers, however, have no obligation to make any specific investment opportunities available to us and the above-mentioned conflicts of interest may result in decisions or allocations of securities that are not in our best interests.

Mr. Lloyd McAdams is also an owner and Chairman of Syndicated Capital, Inc., a registered broker-dealer. Syndicated Capital, Inc. has been authorized by our board to act as an authorized broker on buyback of our common stock. Our officers' service to PIA and Syndicated Capital, Inc. allow them to spend only part of their time and effort managing our company, as they are required to devote a portion of their time and effort to the management of other companies.

Agreements with Pacific Income Advisers, Inc.

On June 13, 2002, we entered into a sublease agreement with PIA, a company owned by trusts controlled in part by Mr. Lloyd McAdams, our Chairman, Chief Executive Officer and President. Under this sublease agreement, as amended on July 8, 2003, we leased, on a pass-through basis, 5,500 square feet of office space from PIA and paid rent at an annual rate equal to PIA's obligation, which was \$57.46 per square foot. This sublease agreement ran through June 30, 2012, at which point it was terminated. During the year ended December 31, 2012, we expensed \$169 thousand in rent and related expenses to PIA under this sublease agreement.

On January 26, 2012, we entered into a new sublease agreement that became effective on July 1, 2012 with PIA. Under the new sublease agreement, we lease, on a pass-through basis, 7,300 square feet of office space from PIA at the same location and pay rent at an annual rate equal to PIA's obligation, which is currently \$58.14 per square foot. The base monthly rental for us is \$35,367.80, which will be increased 3% per annum beginning on July 1, 2013. The new sublease agreement runs through June 30, 2022 unless earlier terminated pursuant to the master lease. During the year ended December 31, 2012, we expensed \$227 thousand in rent and other operating expenses to PIA under the new sublease agreement, which is included in Other expenses on the statements of income.

Table of Contents

At December 31, 2012, the future minimum lease commitment was as follows (in whole dollars):

Year	2013	2014	2015	2016	2017	Thereafter	Total Commitment
Commitment	\$ 430,766	\$ 443,669	\$ 456,987	\$ 470,720	\$ 484,852	\$ 2,366,152	\$ 4,653,146

On July 25, 2008, we entered into an administrative services agreement with PIA, which was amended and restated on August 20, 2010. Under this agreement, PIA provides administrative services and equipment to us in the nature of human resources, operational support and information technology, and we pay an annual fee of 5 basis points on the first \$225 million of stockholders' equity and 1.25 basis points thereafter (paid quarterly in advance) for those services. The administrative agreement had an initial term of one year and renews for successive one year terms each year thereafter unless either party gives notice of termination at least 90 days before the expiration of the then current annual term. We may also terminate the administrative services agreement upon 30 days' notice for any reason and immediately if there is a material breach by PIA. During the year ended December 31, 2012, we paid fees of \$207 thousand to PIA in connection with this agreement.

Indemnification Agreements

In addition to the indemnification provisions contained in our articles of incorporation and bylaws, we have entered into separate indemnification agreements with each of our directors and officers. We have also entered into separate indemnification agreements with certain employees of the Manager in their capacity as agents of our company. These agreements require us, among other things, to indemnify each such director or officer of our company, or employee of the Manager, to the fullest extent permitted by Maryland law against expenses (including attorneys' fees), judgments, fines and settlements incurred by such individual in connection with any action, suit or proceeding by reason of such individual's status or service as a director, officer or agent of our company (other than liabilities with respect to which such individual receives payment from another source, arising in connection with certain final legal judgments, arising from actions not in good faith and not in a manner such individual reasonably believed to be in or not opposed to the best interests of our company and its stockholders, arising from actions where such individual received an improper personal benefit in money, property or services, arising from any criminal action or proceeding, where such individual had reasonable cause to believe the conduct was unlawful, or in connection with assertions by such individuals not made in good faith or which are frivolous or which we are prohibited by applicable law from paying) and to advance expenses incurred by such individual in connection with any proceeding against such individual with respect to which such individual may be entitled to indemnification by us.

Review with Management and Independent Registered Public Accounting Firm. The Audit Committee has reviewed the audited financial statements and met separately, and held discussions with, management and McGladrey LLP, our independent registered public accounting firm, for the fiscal year ended December 31, 2012. Management represented to the Audit Committee that the financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee discussed with McGladrey LLP the matters required to be discussed by Statements on Auditing Standards No. 61, Communication with Audit Committee, as amended, and No. 90, Audit Committee Communications.

McGladrey LLP provided to the Audit Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and the Audit Committee discussed with McGladrey LLP, the firm's independence.

Conclusion. Based upon the Audit Committee's discussions with management and the independent registered public accounting firm, the Audit Committee's review of the representations of management and the report of the independent registered public accounting firm to the Audit Committee, the Audit Committee recommended that our board include the audited financial statements in our company's Annual Report on Form 10-K for the year ended December 31, 2012, as filed with the SEC.

PROPOSAL NO. 2:

ADVISORY VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

Our company is presenting the following proposal, which gives you as a stockholder the opportunity to vote, on an advisory basis, to approve the compensation paid to our Named Executive Officers by voting for or against the following resolution. While our board intends to carefully consider the outcome of the stockholder vote resulting from this proposal, the final vote will not be binding on us and is advisory in nature.

Resolved, that the stockholders approve the compensation of our company's Named Executive Officers, as disclosed in the Compensation Discussion and Analysis, the compensation tables and the related disclosure contained in this proxy statement set forth under the caption Executive Officers and Compensation beginning on page 13 of this proxy statement.

Our board believes that the compensation paid to our Named Executive Officers through our compensation program achieves the objectives of attracting, motivating and retaining our Named Executive Officers while achieving the objectives of aligning management's interests with the interests of our stockholders.

The affirmative vote of the majority of all votes cast on the matter at a meeting at which a quorum is present is necessary to approve, on an advisory basis, the compensation of our company's Named Executive Officers. Votes against and broker non-votes will result in the resolution receiving fewer votes. Our board and Compensation Committee value the opinions that our stockholders express in their votes and will consider the outcome of this vote when considering future executive compensation arrangements as they deem appropriate.

Our board unanimously recommends that you vote FOR approval of the compensation of our Named Executive Officers as disclosed in the Compensation Discussion and Analysis, the compensation tables and the related disclosure contained in this proxy statement set forth under the caption Executive Officers and Compensation beginning on page 13 of this proxy statement. Proxies will be voted FOR approval of this proposal unless otherwise specified.

PROPOSAL NO. 3:

RATIFICATION OF APPOINTMENT OF MCGLADREY LLP

AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

McGladrey LLP was recommended by the Audit Committee of our board to act as our company's independent registered public accounting firm for the fiscal year ended December 31, 2013, subject to ratification by the stockholders.

We have been advised by McGladrey LLP that the firm has no relationship with our company or its subsidiaries or affiliates other than that arising from the firm's engagement as auditors, tax advisors and consultants. If the selection of McGladrey LLP is not ratified by the affirmative vote of at least a majority of the shares casting votes on the matter at the meeting, or if prior to the Annual Meeting, McGladrey LLP should decline to act or otherwise become incapable of acting, or if its employment should be otherwise discontinued by our board, then in any such case our board will appoint another independent registered public accounting firm whose employment for any period subsequent to the 2013 Annual Meeting will be subject to ratification by the stockholders at the 2013 Annual Meeting.

A representative of McGladrey LLP is expected to be present in person at the Annual Meeting to make a statement if he or she desires, and to respond to appropriate questions. The principal accountant's report on our company's financial statements for our fiscal years ended December 31, 2012 and December 31, 2011 did not contain an adverse opinion or a disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope or accounting principles.

Vote Required

The affirmative vote of a majority of all votes cast on the matter at a meeting at which a quorum is present is necessary to ratify the appointment of McGladrey LLP as our independent registered public accounting firm.

Our board unanimously recommends that you vote FOR the ratification of McGladrey LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013. Proxies received will be so voted unless stockholders specify otherwise in their proxy.

Candidates recommended by stockholders that comply with these procedures will receive the same consideration that candidates recommended by the Nominating and Corporate Governance Committee receive.

Our Nominating and Corporate Governance Committee makes recommendations to our board concerning candidates for membership as directors, considering such factors as background, skills, expertise, accessibility and availability to serve effectively on our board. This Committee also makes recommendations to our board regarding the nomination of incumbent directors for re-election to our board. Our board then approves a slate of directors to be nominated for election at annual meetings of stockholders.

When selecting directors, our board will review and consider many factors, including those specified in our Corporate Governance Guidelines, which are posted on the Governance Documents section of our website. It considers recommendations from many sources, including members of our board and management. From time to time, we may hire search firms to help identify and facilitate the screening and interview process of director nominees. The Nominating and Corporate Governance Committee has full discretion in considering its nominations to our board.

Deadline and Procedures for Submitting Nominations to the Board

A stockholder wishing to nominate a candidate for election to our board at the next Annual Meeting of Stockholders is required to give written notice addressed to the Secretary, Anworth Mortgage Asset Corporation, 1299 Ocean Avenue, Second Floor, Santa Monica, California 90401, of his or her intention to make such a nomination.
