Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On March 5, 2014, Meridian Interstate Bancorp, Inc. (the Company) and its wholly owned subsidiary, East Boston Savings Bank (the Bank), named Richard J. Gavegnano President of the Company and the Bank, and John A. Carroll Chief Operating Officer of the Company and the Bank. Mr. Gavegnano already serves as Chairman of the Board and Chief Executive Officer of the Company and the Bank. These appointments were made following the untimely passing of President and Chief Operating Officer Deborah Jackson.

Information with respect to Mr. Gavegnano, including a description of agreements with the Company and the Bank, can be found in the Company's proxy statement for the 2013 annual meeting of stockholders, filed with the Securities and Exchange Commission on April 17, 2013.

Mr. Carroll, age 47, joined the Bank in 2012, serving as Chief Information Officer. Previously, he served as Senior Vice President, Operations & Technology for nearly eight years at DanversBank, now People's United Bank.

Item 8.01 Other Events

On March 5, 2014, the Board of Trustees of Meridian Financial Services, Incorporated (the Mutual Holding Company) and the Boards of Directors of the Company and the Bank each adopted the Plan of Conversion of the Mutual Holding Company (the Plan) pursuant to which the Mutual Holding Company will undertake a second-step conversion and cease to exist. The Bank will reorganize from a two-tier mutual holding company structure to a fully public stock holding company structure. The Mutual Holding Company currently owns approximately 59.2% of the shares of common stock of the Company.

Pursuant to the Plan, (i) the Bank will become a wholly owned subsidiary of a Maryland stock corporation (the New Holding Company), (ii) the shares of common stock of the Company held by persons other than the Mutual Holding Company (whose shares will be canceled) will be converted into shares of common stock of the New Holding Company pursuant to an exchange ratio designed to preserve the percentage ownership interests of such persons (excluding shares purchased in the stock offering described below and cash received in lieu of fractional shares, and as adjusted to reflect certain assets held by the Mutual Holding Company), and (iii) the New Holding Company will offer and sell shares of common stock representing the ownership interest of the Mutual Holding Company in a subscription offering. The Plan is subject to regulatory approval as well as the approval of the incorporators of the Mutual Holding Company and the Company's stockholders (including the approval of a majority of the Company's outstanding shares of common stock held by persons other than the Mutual Holding Company).

Shares not subscribed for in the subscription offering would be available for sale in a community offering and, if necessary, in a syndicated community offering or firm commitment underwritten public offering. The number and price of shares to be sold in the offering and the exchange ratio for current stockholders of the Company will be based on an independent appraisal.

The foregoing summary of the Plan is not complete and is qualified in its entirety by reference to the complete text of the Plan, which is filed as Exhibit 2.1 to this Form 8-K and which is incorporated herein by reference.

The Company announced the adoption of the Plan in a press release dated March 5, 2014. A copy of the press release is filed as Exhibit 99.1 hereto and is incorporated herein by reference.
