Item 1.01 Entry into a Material Definitive Agreement.

On January 7, 2015 (the Closing Date), Verso Corporation, formerly named Verso Paper Corp. (Verso), consummated its previously announced acquisition of NewPage Holdings Inc. (NewPage) through the merger of Verso Merger Sub Inc. (Merger Sub), an indirect, wholly owned subsidiary of Verso, with and into NewPage (the NewPage acquisition). The NewPage acquisition was consummated pursuant to the Agreement and Plan of Merger, dated as of January 3, 2014 (the Merger Agreement), among Verso, Merger Sub and NewPage. As a result of the merger of Merger Sub with and into NewPage, Merger Sub's separate corporate existence ceased and NewPage continued as the surviving corporation as an indirect, wholly owned subsidiary of Verso.

In connection with the consummation of the NewPage acquisition, (1) Verso Paper Holdings LLC (Verso Holdings), an indirect, wholly owned subsidiary of Verso, and Verso Paper Inc., a wholly owned subsidiary of Verso Holdings (together with Verso Holdings, the Issuers) entered into an indenture (the New First Lien Notes Indenture) among the Issuers, certain subsidiaries of Verso Holdings, as guarantors (the Guarantors), and Wilmington Trust, National Association, as trustee (the Trustee), governing the Issuers' \$650 million aggregate principal amount of 11.75% Senior Secured Notes due 2019 (the New First Lien Notes) and issued the New First Lien Notes to the stockholders of NewPage as partial consideration in the NewPage acquisition; (2) NewPage became a guarantor under the Issuers' credit facilities, secured notes and Adjustable Senior Subordinated Notes (the Adjustable Subordinated Notes); (3) Verso, NewPage and NewPage Corporation entered into the Shared Services Agreement; (4) Robert M. Amen, a former director of NewPage, was elected as a director of Verso; (5) Verso amended both its amended and restated certificate of incorporation to change its name from Verso Paper Corp. to Verso Corporation and its amended and restated bylaws to reflect such name change; (6) the terms of the Issuers' Second Priority Adjustable Senior Secured Notes (the Adjustable Second Lien Notes) and the Adjustable Subordinated Notes automatically adjusted in accordance with the indentures governing such notes; and (7) an aggregate of 14,701,832 warrants converted into a like number of shares of Verso common stock.

Indenture and 11.75% Senior Secured Notes due 2019

On the Closing Date, the Issuers entered into the New First Lien Notes Indenture and issued the New First Lien Notes to the stockholders of NewPage as partial consideration in the NewPage acquisition.

The New First Lien Notes are guaranteed, jointly and severally, on a senior secured basis, by each of Verso Holdings existing domestic subsidiaries that guarantees its senior secured credit facility and by each of its future domestic subsidiaries that guarantees certain of its debt or issues disqualified stock. The New First Lien Notes are guaranteed by NewPage, but not guaranteed by any of its subsidiaries. The New First Lien Notes and the related guarantees are secured by first-priority liens in the collateral owned by each Issuer and Guarantor, subject to certain permitted liens and exceptions as further described in the New First Lien Notes Indenture and the related security documents. The collateral consists of substantially all of the Issuers' and the Guarantors' tangible and intangible assets securing Verso Holdings' existing senior secured credit facility, which exclude certain capital stock and other securities of its affiliates and other property.

The New First Lien Notes and the related guarantees are the senior secured obligations of the Issuers and the Guarantors, respectively, and rank (1) senior in right of payment to all existing and future subordinated indebtedness of the Issuers and the Guarantors, including the Adjustable Subordinated Notes and the Issuers' existing 1 $\frac{1}{8}$ % Senior Subordinated Notes due 2016 (the Old Subordinated Notes) and the related guarantees; (2) equal in right of payment with all existing and future senior indebtedness of the Issuers and the Guarantors, including the Issuers' existing 11.75% Senior Secured Notes due 2019 (the Existing First Lien Notes), 11.75% Secured Notes due 2019 (the Existing 1.5 Lien Notes), the Adjustable Second Lien Notes and the 8.75% Second Priority Senior Secured Notes due 2019 (the Old Second Lien Notes); (3) effectively *pari passu* with all existing first-priority secured indebtedness of the Issuers and the Guarantors under Verso Holdings' senior secured credit facility and the related guarantees, including the Existing First Lien Notes and the related guarantees, to the extent of the value of the collateral securing such

obligations; (4) effectively senior to all existing second-priority secured indebtedness of the Issuers and the Guarantors, including the Existing 1.5 Lien

Notes and the Adjustable Second Lien Notes and the related guarantees, to the extent of the value of the collateral securing such obligations; (5) effectively senior to all existing and future unsecured indebtedness of the Issuers and the Guarantors, including the Old Second Lien Notes, the Old Subordinated Notes, and the Adjustable Subordinated Notes; and (6) effectively subordinated to all existing and future indebtedness, preferred stock and other liabilities of the Issuers' non-guarantor subsidiaries, other than indebtedness, preferred stock and liabilities held by an Issuer or a Guarantor.

The Issuers will pay interest on the New First Lien Notes at a rate of 11.75% per annum, payable semiannually to holders of record at the close of business on January 1 or July 1 immediately preceding the interest payment date on January 15 and July 15 of each year, commencing July 15, 2015. The New First Lien Notes mature on January 15, 2019.

The Issuers may redeem the New First Lien Notes, in whole or part, at any time prior to the first anniversary of the Closing Date, at a price equal to 100% of the principal amount of the New First Lien Notes redeemed plus accrued and unpaid interest on the date of redemption and a make-whole premium. The Issuers may redeem the Notes, in whole or in part, on or after the first anniversary of the Closing Date, at the redemption prices set forth in the New First Lien Notes Indenture.

The New First Lien Notes Indenture contains covenants that limit each Issuer's ability to, among other things, (1) incur additional indebtedness; (2) pay dividends or make other distributions in respect of or repurchase or redeem its capital stock; (3) prepay, redeem or repurchase its subordinated indebtedness; (4) make investments; (5) sell assets; (6) incur certain liens; (7) enter into agreements restricting its subsidiaries' ability to pay dividends; (8) enter into transactions with affiliates; and (9) consolidate, merge or sell all or substantially all of its assets. In addition, the New First Lien Notes Indenture contains covenants that limit each Issuer's ability to amend or otherwise alter the Shared Services Agreement and require the Issuers to cause the subsidiaries of NewPage Investment Company LLC to make certain distributions to the Issuers. These covenants are subject to a number of important exceptions and qualifications, as described in the New First Lien Notes Indenture, and certain covenants will not apply at any time when the Notes are rated investment grade by both rating agencies and no default under the New First Lien Notes Indenture has occurred and is continuing. The New First Lien Notes Indenture also provides for events of default, which, if any of them occurs, would permit or require the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately.

The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the New First Lien Notes Indenture, which is included as an exhibit to this report and is incorporated herein by reference.

New First Lien Notes Collateral Agreement

On the Closing Date, the Issuers, each subsidiary of the Issuers party thereto, and the Trustee, as collateral agent, entered into a collateral agreement (the New First Lien Notes Collateral Agreement), pursuant to which the payment and performance when due of all obligations of the Issuers and the guarantors under the New First Lien Notes and related guarantees will be secured by the pledge and grant of security interests contained in the New First Lien Notes Collateral Agreement.

The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the New First Lien Notes Collateral Agreement, which is included as an exhibit to this report and is incorporated herein by reference.

Shared Services Agreement

On the Closing Date, in connection with the consummation of the NewPage acquisition, Verso, NewPage and NewPage Corporation entered into a shared services agreement (the Shared Services Agreement). Under the Shared Services Agreement, Verso may provide or cause to be provided to NewPage certain services from and after the closing of the NewPage acquisition. The Shared Services Agreement provides for the treatment of services costs, costs to implement expected synergies, and the benefits anticipated therefrom. Payment under the Shared Services Agreement will be monthly with quarterly true-ups.

The Shared Services Agreement provides for a broad array of potential services, including operating and back office or corporate-type services. For all services provided to NewPage, NewPage will pay Verso an amount equal to the all-in cost incurred or paid by NewPage for such service on an average basis over the twelve-month period prior to the Closing Date.

All costs incurred in the implementation of the expected synergies from the NewPage acquisition will be allocated one-third to Verso and two-thirds to NewPage. Additionally, 100% of all realized synergies and cost-savings resulting from the transaction will be for the benefit of Verso. If either Verso or NewPage suffers a reduction in production capacity of greater than 10% of such party's production capacity measured prior to the closing of the NewPage acquisition, such party will be entitled to a specified make-whole payment (equal to the lesser of \$75.00 per ton and pre-reduction EBITDA per ton) if the party that did not experience such reduction realizes an increase of at least 10% in tons sold in any of the four subsequent quarters. The make-whole will be paid quarterly.

In order to monitor, coordinate and facilitate the implementation of the Shared Services Agreement, Verso and NewPage will establish a Steering Committee on which each of Verso and NewPage will be equally represented. The Steering Committee will meet at least quarterly to monitor and determine the services to be provided and their cost. The Steering Committee also will serve as the first forum for the resolution of any disputes arising under the Shared Services Agreement. The Shared Services Agreement will have an initial term of three years and will automatically renew for successive one-year terms thereafter unless either Verso or NewPage provides 90 days' prior written notice. NewPage will indemnify Verso in connection with its or its affiliates' provision of services to NewPage.

The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the Shared Services Agreement, which is included as an exhibit to this report and is incorporated herein by reference.

On January 7, 2015, following the NewPage acquisition, Verso's board of directors increased its size from 9 to 10 directors and elected Robert M. Amen, who served as a director of NewPage up to the conclusion of the NewPage acquisition, to fill the newly created directorship. Mr. Amen's election as a director of Verso occurred pursuant to a letter agreement dated as of January 3, 2014, among Verso, NewPage and NewPage Corporation, in which the parties agreed that, on the terms and subject to the conditions set forth therein, Verso would use its reasonable best efforts to cause a director of NewPage to be elected to the board of directors of Verso promptly after the completion of the NewPage acquisition. Mr. Amen will serve as a Class I director whose term expires at Verso's 2015 annual meeting of stockholders. It is anticipated that Mr. Amen will be nominated for election by Verso's stockholders at such meeting to serve for a term of three years.

On January 7, 2015, as part of a program to simplify the corporate governance of Verso's subsidiaries, David J. Paterson, the President and Chief Executive Officer of Verso, and Robert P. Mundy, the Senior Vice President and Chief Financial Officer of Verso, were elected to serve as the directors of Verso Holdings following the removal without cause of the existing directors of Verso Holdings.
