**(EACH, A FUND AND COLLECTIVELY, THE FUNDS )**

**OCTOBER 22, 2015**

Although we recommend that you read the complete Joint Proxy Statement/Prospectus, for your convenience, we have provided a brief overview of the issues to be voted on.

**Q. Why am I receiving the enclosed Joint Proxy Statement/Prospectus?**

**A.** You are receiving the Joint Proxy Statement/Prospectus as a holder of common shares of a Fund in connection with special shareholder meetings of Nuveen Dividend Advantage Municipal Income Fund (the Acquiring Fund ), Nuveen Quality Municipal Fund, Inc. ( Quality Municipal ), Nuveen Quality Income Municipal Fund, Inc. ( Quality Income ) and Nuveen Municipal Opportunity Fund, Inc. ( Municipal Opportunity ) and together with Quality Municipal and Quality Income, the Target Funds or each individually, a Target Fund ).

At the special meetings, common shareholders of the Funds will vote on the following proposals, as applicable:

(Target Funds only) the reorganization of each of Quality Municipal, Quality Income and Municipal Opportunity into the Acquiring Fund (each, a Reorganization and together, the Reorganizations );

(Acquiring Fund only) the issuance of additional common shares by the Acquiring Fund in connection with the Reorganizations;

(Acquiring Fund only) the approval of a new investment management agreement for the Acquiring Fund; and

(Acquiring Fund only) the approval of a new sub-advisory agreement for the Acquiring Fund.

**Your Fund's Board, including the independent Board members, unanimously recommends that you vote FOR each proposal applicable to your Fund.**

## Edgar Filing: NUVEEN DIVIDEND ADVANTAGE MUNICIPAL INCOME FUND - Form 497

Nuveen Fund Advisors, LLC ( Nuveen Fund Advisors ), the Funds' investment adviser, recommended the proposed Reorganizations as part of a broad initiative to restructure the product offerings of Nuveen's leveraged national municipal closed-end funds by creating fewer funds with greater scale, eliminating overlapping investment mandates of the funds and differentiating the investment strategies of the funds by credit profile and emphasis on

securities that generate income exempt from the federal alternative minimum tax applicable to individuals. The Board of each Target Fund and the Acquiring Fund has approved the Reorganizations.

As part of this initiative, the Board of the Acquiring Fund also approved the following proposals: (1) certain changes to the non-fundamental investment policies of the Acquiring Fund, which provide an expanded investment mandate that permits the Acquiring Fund to invest up to 55% of its managed assets in lower rated municipal securities and require the Acquiring Fund to invest exclusively in municipal securities that generate income exempt from the federal alternative minimum tax applicable to individuals; (2) a new investment management agreement and a new sub-advisory agreement with higher fees that reflect the increased level of credit research and surveillance resulting from the expanded investment mandate; and (3) a change of the name of the Acquiring Fund to Nuveen Enhanced AMT-Free Municipal Credit Opportunities Fund. See How will the Acquiring Fund's expanded investment mandate differ from the Funds' current investment mandates? below.

**Q. How will the Acquiring Fund's expanded investment mandate differ from the Funds' current investment mandates?**

- A.** Each Fund currently has a fundamental investment policy requiring it to invest at least 80% of its managed assets in municipal securities and other related investments the income from which is exempt from regular federal income taxes. This policy will not change under the Acquiring Fund's new investment mandate. In addition, each Fund currently has non-fundamental investment policies requiring it to invest at least 80% of its managed assets in investment-grade municipal securities (which includes Baa/BBB-rated municipal securities) and permitting it to invest up to 20% of its managed assets in below-investment-grade municipal securities. Both investment-grade and below-investment-grade municipal securities may include unrated securities judged to be of comparable quality by the Fund's investment adviser or sub-adviser. Under the new investment mandate, the Acquiring Fund will adopt a non-fundamental investment policy permitting it to invest up to 55% of its assets in municipal securities rated, at the time of investment, Baa/BBB or below, including below-investment-grade municipal securities, or unrated securities judged to be of comparable quality by the Fund's sub-adviser.

The repositioning of the Acquiring Fund's portfolio will occur over time. Based on current market conditions, approximately 45% of the Acquiring Fund's managed assets are expected to be invested in lower rated municipal securities following the completion of the initial repositioning. Current market conditions may change, and the combined fund may not be able to reposition its portfolio as planned. The Acquiring Fund's allocation to lower rated municipal securities may vary over time, consistent with its investment objectives and policies. However, it is expected that a greater percentage of the Acquiring Fund's portfolio would be allocated to lower rated municipal securities relative to the historical allocations to such securities of each Target Fund and the Acquiring Fund. The Acquiring Fund's greater allocation to lower rated municipal securities is expected to result in meaningfully higher net earnings that may support higher common share distributions. However, as discussed beginning on page 20 of the Joint Proxy Statement/Prospectus, investments in lower rated securities are subject to higher risks than investments in higher rated securities, including a higher risk that the issuer will be unable to pay interest or principal when due. See Proposal No. 1 B. Risk Factors.

In addition, each Fund currently may invest without limit in securities that generate income subject to the federal alternative minimum tax applicable to individuals. Under the new

investment mandate, the Acquiring Fund will adopt a non-fundamental investment policy of investing, under normal circumstances, 100% of its managed assets in securities that, at the time of investment, generate income exempt from the federal alternative minimum tax applicable to individuals.

**Proposals Regarding the Reorganizations**

**Q. Why has each Fund's Board recommended the Reorganization proposal(s)?**

**A.** As noted above, Nuveen recommended the Reorganizations as part of a broad initiative to restructure its leveraged national municipal closed-end funds to eliminate funds with overlapping investment mandates and to better differentiate Nuveen's product offerings. The reorganization of each Target Fund into the Acquiring Fund, together with the changes to the investment policies of the Acquiring Fund described above, are intended to create a combined fund with significantly greater scale and an expanded investment mandate. Among other things, the Board considered information provided by Nuveen Fund Advisors with respect to the return potential of the Acquiring Fund's new investment mandate, the higher risk profile of the new investment mandate, the impact of the increased management fee on the fees and expenses of the combined fund, and the impact of the larger size of the combined fund on fees and expenses. The Board determined that the Reorganizations were in the best interest of the Funds.

**Q. What are the anticipated benefits of the proposed Reorganizations and the adoption of an expanded investment mandate of the combined fund?**

**A.** Based on information provided by Nuveen Fund Advisors, each Fund's Board believes that the proposed Reorganizations and the expanded investment mandate of the combined fund may benefit the Funds in a number of ways, including, among other things:

Meaningfully higher net earnings, as a result of the Acquiring Fund's greater allocation of assets to lower rated securities, that may support higher common share distributions and result in a more attractive yield, which may increase investor appeal and in turn enhance secondary market trading prices of common shares relative to net asset value;

Increased portfolio and leverage management flexibility due to a significantly larger asset base of the combined fund;

Greater liquidity and ease of trading due to substantially more common shares outstanding;

Lower fund administrative costs (excluding the costs of leverage), as certain fixed costs are spread over a larger asset base, which would partially offset the increase in management fees of the Acquiring Fund; and

Dividends exempt from the federal alternative minimum tax applicable to individuals.

**Q. How will the Reorganizations impact Fund operating expenses?**

**A.** The Board of the Acquiring Fund has recommended that shareholders of the Acquiring Fund approve a new investment management agreement. The new investment management agreement has a higher fee rate as a percentage of managed assets than the Fund's current investment management agreement at each breakpoint level; however, the proposed schedule has an

additional breakpoint at over \$5 billion. The greater size of the combined fund also will result in lower administrative costs, which will partially offset the higher management fees. In addition, Nuveen Fund Advisors has agreed to waive a portion of its investment management fee for the first year following the closing of the Reorganizations. The waiver will begin on the effective date of the Reorganizations and will be gradually phased out over the first year following the closing of the Reorganizations. The waiver is not expected to be continued.

If the management fee schedule under the new investment management agreement had been in effect for the twelve months ended October 31, 2014, pro forma management fees of the combined fund as a percentage of assets attributable to common shares would have been, depending on the Fund, from four to nine basis points higher than the management fees paid by the Funds under their current investment management agreements. For the same period, the combined fund's pro forma expense ratio as a percentage of net assets attributable to common shares (excluding the cost of leverage) would have been, depending on the Fund, from three basis points lower to four basis points higher than the expense ratios of each Fund taking the fee waiver into account. After the expiration of the fee waiver, the combined fund's pro forma expense ratio as a percentage of net assets attributable to common shares (excluding the cost of leverage) would have been, depending on the Fund, from two basis points to nine basis points higher than the expense ratios of the Funds. See the Comparative Fee Table on page 17 of the Joint Proxy Statement/Prospectus for a detailed comparison of the fees and expenses of the Funds before and after the Reorganizations.

**Q. Why has the Board recommended an increased management fee schedule?**

**A.** Nuveen Fund Advisors recommended, and the Board of the Acquiring Fund approved, an increase in the management fee rate at each breakpoint to reflect the increased level of ongoing credit research and surveillance that the Acquiring Fund's expanded investment mandate will require. Nuveen Fund Advisors has agreed to waive a portion of its management fees for a period of one year following the closing of the Reorganizations. The purpose of the waiver is to phase in the new management fee over a period of one year. The waiver is not expected to be continued. See the Comparative Fee Table on page 17 of the Joint Proxy Statement/Prospectus for the fund-level fee schedules of the Funds before and after the Reorganizations.

**Q. What proposals will shareholders of the Funds be asked to vote on in connection with the proposed Reorganizations?**

**A.** Shareholders of each Target Fund will be asked to vote on an Agreement and Plan of Reorganization, with common shareholders and preferred shareholders voting together as a single class and preferred shareholders also voting separately. Shareholders of the Acquiring Fund will be asked to vote on the issuance of additional common shares in connection with the Reorganizations, with common shareholders and preferred shareholders voting together as a single class and common shareholders also voting separately. In addition, preferred shareholders of the Acquiring Fund will be asked to vote on the Agreement and Plan of Reorganization. Each Fund is separately soliciting the votes of its holders of preferred shares through a separate proxy statement. The investment policies of the Acquiring Fund relating to credit quality and investment in securities that generate income exempt from the federal alternative minimum tax applicable to individuals are non-fundamental, and may be changed by the Board without shareholder approval. Accordingly, no shareholder vote is required for the Acquiring Fund to adopt the new investment mandate.

**Q. As a result of the Reorganizations, will common shareholders of the Target Funds receive new shares in exchange for their current shares?**

- A.** Yes. Upon the closing of the Reorganizations, Target Fund shareholders will become shareholders of the Acquiring Fund. Holders of common shares of each Target Fund will receive newly issued common shares of the Acquiring Fund, with cash being distributed in lieu of fractional common shares. The aggregate net asset value, as of the close of trading on the business day immediately prior to the closing of the Reorganizations, of the Acquiring Fund common shares received by Target Fund shareholders (including, for this purpose, fractional Acquiring Fund common shares to which shareholders would be entitled) will be equal to the aggregate net asset value of the common shares of such Target Fund held by its shareholders as of such time. Fractional shares will be aggregated and sold on the open market and shareholders will receive cash in lieu of such fractional shares.

Shareholders of the Acquiring Fund will remain shareholders of the Acquiring Fund following the Reorganizations. Following the Reorganizations, common shareholders of the Funds will hold a smaller percentage of the outstanding common shares of the combined fund as compared to their percentage holdings of their respective Fund prior to the Reorganizations, and thus, a reduced percentage of ownership in the larger combined entity than they held in the Acquiring Fund or Target Fund individually.

**Q. How will preferred shareholders be affected by the Reorganizations?**

- A.** The Acquiring Fund has one series of Variable Rate Demand Preferred Shares ( VRDP Shares ) outstanding as of the date of the enclosed Joint Proxy Statement/Prospectus, and these shares will remain outstanding following the Reorganizations. Each Target Fund has one series of either Variable Rate MuniFund Term Preferred Shares ( VMTP Shares ) or VRDP Shares outstanding as of the date of the enclosed Joint Proxy Statement/Prospectus. Upon the closing of the Reorganization of Quality Municipal, holders of VMTP Shares of Quality Municipal will receive, on a one-for-one basis, newly issued VMTP Shares of the Acquiring Fund having substantially identical terms, as of the closing of the Reorganizations, as the VMTP Shares of Quality Municipal exchanged therefor. Upon the closing of the Reorganizations of Quality Income and Municipal Opportunity, holders of VRDP Shares of Quality Income and Municipal Opportunity will receive, on a one-for-one basis, newly issued VRDP Shares of the Acquiring Fund having substantially similar terms, as of the closing of the Reorganizations, as the VRDP Shares of Quality Income or Municipal Opportunity, as applicable, exchanged therefor. The outstanding VRDP Shares of the Acquiring Fund and the preferred shares to be issued by the Acquiring Fund in the Reorganizations will have equal priority with each other and with any other preferred shares that the Acquiring Fund may issue in the future as to the payment of dividends and the distribution of assets upon the dissolution, liquidation or winding up of the affairs of the Acquiring Fund.

Following the Reorganizations, holders of preferred shares of the combined fund will hold a smaller percentage of the outstanding preferred shares of the combined fund as compared to their percentage holdings of their respective Fund prior to the Reorganizations. Additionally, the combined fund will have multiple series of preferred shares outstanding and multiple types of preferred shares outstanding. The different types of preferred shares have different characteristics and features, which are described in more detail in the Joint Proxy Statement/Prospectus. See Proposal No. 1 C. Information About the Reorganizations Description of VMTP Shares to Be Issued by the Acquiring Fund beginning on page 55, Proposal No. 1 C. Information About the Reorganizations Description of VRDP Shares to Be Issued by the Acquiring Fund beginning on page 56, and Additional Information About the Acquiring

Fund Description of Outstanding Acquiring Fund VRDP Shares beginning on page 94. In addition, the voting power of certain series of preferred shares may be more concentrated than others. All of the VRDP Shares of the Acquiring Fund are currently owned by a single institutional investor and all of the VMTP Shares of Quality Municipal are currently owned by a single institutional investor.

**Q. Do the Reorganizations constitute a taxable event for the Target Funds' shareholders?**

- A.** No. Each Reorganization is intended to qualify as a tax-free reorganization for federal income tax purposes. It is expected that Target Fund shareholders will recognize no gain or loss for federal income tax purposes as a direct result of the Reorganizations, except to the extent that a Target Fund shareholder receives cash in lieu of a fractional Acquiring Fund common share. Prior to the closing of the Reorganizations, each Target Fund expects to declare a distribution of all of its net investment income and net capital gains, if any. All or a portion of such distribution may be taxable to a Target Fund's shareholders for federal income tax purposes. Prior to the closing of the Reorganizations, each of the Funds is expected to sell the municipal securities in its portfolio that generate income subject to the federal alternative minimum tax applicable to individuals. Such sales are expected to be less than 5% of the assets of each Fund. To the extent that portfolio securities of a Fund are sold prior to the closing of the Reorganizations, such Fund may realize gains or losses, which may increase or decrease the net capital gain or net investment income to be distributed by such Fund.

After the closing of the Reorganizations, the Acquiring Fund is expected to reposition the combined portfolio to take advantage of its ability to hold a greater percentage of lower rated municipal securities. To the extent that portfolio investments of the Acquiring Fund are sold before or after the closing of the Reorganizations, the Acquiring Fund may recognize gains or losses, which may result in taxable distributions to shareholders holding shares of the Acquiring Fund (including former Target Fund shareholders who hold shares of the Acquiring Fund following the Reorganizations). If such repositioning had been completed as of April 30, 2015, the repositioning would have resulted in net realized losses. Securities held by the Funds are purchased and sold on a principal basis rather than an agency basis, and such transactions are not subject to separate brokerage commissions.

**Q. What will happen if the required shareholder approvals are not obtained?**

- A.** The closing of each Reorganization is contingent upon the closing of all of the Reorganizations. The closing of each Reorganization is subject to the satisfaction or waiver of certain closing conditions, which include customary closing conditions as well as the effectiveness of the new investment management agreement and new sub-advisory agreement. In order for the Reorganizations to occur, all requisite shareholder approvals must be obtained at the special meetings, and certain other consents, confirmations and/or waivers from various third parties, including liquidity providers with respect to the outstanding VRDP Shares of Quality Income and Municipal Opportunity, holders of a majority of the Acquiring Fund's outstanding VRDP Shares and the holder of Quality Municipal's outstanding VMTP Shares, also must be obtained. Because the closing of the Reorganizations is contingent upon each of the Target Funds and the Acquiring Fund obtaining such shareholder approvals and satisfying (or obtaining the waiver of) other closing conditions, it is possible that the Reorganizations will not occur, even if shareholders of your Fund entitled to vote on your Fund's Reorganization proposal(s) approve such proposal(s) and your Fund satisfies all of its closing conditions, if one or more of the other Funds does not obtain its requisite shareholder approvals or satisfy (or obtain the waiver of) its closing conditions. If the Reorganizations are not consummated, each Fund's Board may take such actions as it deems in the best interests of its Fund.

**Q. Will shareholders of the Funds have to pay any fees or expenses in connection with the Reorganizations?**

- A.** Yes. Common shareholders will indirectly bear the costs of the Reorganizations, whether or not the Reorganizations are consummated. Preferred shareholders will not bear any costs of the Reorganizations. The total costs of the Reorganizations are estimated to be \$2,415,000 and each Fund's allocable share of such costs will be reflected in its net asset value at or before the close of trading on the business day immediately prior to the closing of the Reorganizations. The estimated allocation of the costs among the Funds is as follows: \$365,000 (0.08%) for the Acquiring Fund, \$370,000 (0.06%) for Quality Municipal, \$620,000 (0.08%) for Quality Income and \$1,060,000 (0.07%) for Municipal Opportunity (all percentages are based on average net assets applicable to common shares for the twelve (12) months ended April 30, 2015). The allocation of the costs of the Reorganizations will be based on the relative expected benefits of the Reorganizations and the Acquiring Fund's expanded investment mandate, including forecasted increases to net earnings, improvements in the secondary trading market for common shares and administrative cost savings, if any, to each Fund following the Reorganizations.

A shareholder's broker, dealer or other financial intermediary (each, a Financial Intermediary) may impose its own shareholder account fees for processing corporate actions, which could apply as a result of the Reorganizations. These shareholder account fees, if applicable, are not paid or otherwise remitted to the Funds or the Funds' investment adviser. The imposition of such fees is based solely on the terms of a shareholder's account agreement with his, her or its Financial Intermediary and/or is in the discretion of the Financial Intermediary. Questions concerning any such shareholder account fees or other similar fees should be directed to a shareholder's Financial Intermediary.

**Q. What is the timetable for the Reorganizations?**

- A.** If the requisite shareholder approvals are obtained and the other conditions to closing are satisfied (or waived), the Reorganizations are expected to take effect on or about December 7, 2015, or as soon as practicable thereafter. However, the repositioning of the Acquiring Fund's portfolio, to take advantage of its expanded investment mandate, is expected to occur over time and will depend on market conditions.

**Q. How does each Fund's Board recommend that shareholders vote on the Reorganizations?**

- A.** After careful consideration, each Fund's Board has determined that the Reorganizations are in the best interests of its Fund and recommends that you vote FOR your Fund's proposal(s).

*(Acquiring Fund Only) Proposals Regarding the New Investment Management and Sub-Advisory Agreements*

**Q. Why are shareholders voting on new investment management and sub-advisory agreements for the Acquiring Fund?**

- A.** Shareholders are required to approve certain changes to an investment advisory agreement under applicable law. Nuveen Fund Advisors proposed, and the Board of the Acquiring Fund approved, certain changes to the Acquiring Fund's investment management agreement to standardize the investment management agreements of Nuveen's municipal closed-end funds and to reflect the increased level of ongoing credit research and surveillance resulting from the Acquiring Fund's expanded investment mandate. The new investment management agreement provides for (1) a higher management fee rate payable at each current breakpoint level in the

Acquiring Fund's fund-level management fee schedule; and (2) a revised fund-level breakpoint schedule, standardized to conform to the breakpoint schedules of newer Nuveen municipal closed-end funds. For the Acquiring Fund, this means a new breakpoint in the fund-level management fee schedule above \$5 billion of average daily managed assets. In addition, the Board approved increasing the portion of the management fee payable to Nuveen Asset Management, LLC, the Acquiring Fund's sub-adviser, under the sub-advisory agreement with respect to the Acquiring Fund.

**Q. How does the Acquiring Fund's Board recommend that shareholders vote on the new investment management and sub-advisory agreements?**

**A.** After careful consideration, the Acquiring Fund's Board has determined that the new investment management and sub-advisory agreements are in the best interests of the Fund and recommends that you vote FOR approval of each agreement.

- Proposal No. 3(a). To approve a new investment management agreement between Nuveen Fund Advisors, LLC and the Acquiring Fund (common shareholders of the Acquiring Fund only); and
- Proposal No. 3(b). To approve a new sub-advisory agreement between Nuveen Fund Advisors, LLC and Nuveen Asset Management, LLC (common shareholders of the Acquiring Fund only).

In addition to its common shares, each Fund has one series of preferred shares outstanding each of the Acquiring Fund, Quality Income and Municipal Opportunity has one series of Variable Rate Demand Preferred Shares ( VRDP Shares ) outstanding and Quality Municipal has one series of Variable Rate MuniFund Term Preferred Shares ( VMTP Shares ) outstanding. To be approved, the proposals described above must be approved by the Funds' common and preferred shareholders as follows:

- Proposal No. 1. With respect to each Target Fund, Proposal No. 1 must be approved by the Target Fund's common and preferred shareholders, voting together as a single class, and by the Target Fund's preferred shareholders, voting separately.  
With respect to the Acquiring Fund, Proposal No. 1 must be approved by the Acquiring Fund's preferred shareholders, voting separately (but not by the Acquiring Fund's common shareholders).
- Proposal No. 2. Proposal No. 2 must be approved by the Acquiring Fund's common and preferred shareholders, voting together as a single class, and by the Acquiring Fund's common shareholders, voting separately.
- Proposal No. 3(a). Proposal No. 3(a) must be approved by the Acquiring Fund's common and preferred shareholders, voting together as a single class.
- Proposal No. 3(b). Proposal No. 3(b) must be approved by the Acquiring Fund's common and preferred shareholders, voting together as a single class.

Only the common shareholders of the Funds are being solicited to vote on the proposals described above pursuant to this Joint Proxy Statement/Prospectus. The preferred shareholders of the Funds are being solicited to vote on the proposals described above by means of separate proxy statements.

A quorum of shareholders is required to take action at each Special Meeting. A majority of the shares entitled to vote at each Special Meeting, represented in person or by proxy, will constitute a quorum of shareholders at that Special Meeting. Votes cast in person or by proxy at each Special Meeting will be tabulated by the inspectors of election appointed for that Special Meeting. The inspectors of election will determine whether or not a quorum is present at the Special Meeting. The inspectors of election will treat abstentions and broker non-votes (i.e., shares held by brokers or nominees, typically in street name, as to which (1) instructions have not been received from the beneficial owners or persons entitled to vote and (2) the broker or nominee does not have discretionary voting power on a particular matter), if any, as present for purposes of determining a quorum.

Broker-dealer firms holding shares of a Fund in street name for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their shares before the Special Meeting. The Funds understand that, under the rules of the New York Stock Exchange (the NYSE), such broker-dealer firms may, for certain routine matters, grant discretionary authority to the proxies designated by each Board to vote without instructions from their customers and clients if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. None of the proposals described in this Joint Proxy Statement/Prospectus is considered a routine matter under the rules of the NYSE.

VRDP Shares held in street name as to which voting instructions have not been received from the beneficial owners or persons entitled to vote as of one business day before the Special Meeting, or, if adjourned or postponed, one business day before the day to which the Special Meeting is adjourned or postponed, and that would otherwise be treated as broker non-votes may, pursuant to Rule 452 of the NYSE, be voted by the broker on the proposal in the same proportion as the votes cast by all holders of VRDP Shares who have voted on the proposal. Rule 452 permits proportionate voting of a Fund's VRDP Shares with respect to a particular item if, among other things, (1) a minimum of 30% of that Fund's outstanding VRDP Shares has been voted by the holders of such shares with respect to such item, (2) less than 10% of that Fund's outstanding VRDP Shares has been voted by the holders of such shares against such item and (3) for any proposal as to which holders of common shares and preferred shares vote as a single class, holders of common shares approve the proposal. For the purpose of meeting the 30% test, abstentions will be treated as shares voted and, for the purpose of meeting the 10% test, abstentions will not be treated as shares voted against the item.

Broker-dealers who are not members of the NYSE may be subject to other rules, which may or may not permit them to vote your shares without instruction. We urge you to provide instructions to your broker or nominee so that your votes may be counted.

Those persons who were shareholders of record of the Acquiring Fund as of the close of business on August 24, 2015 and those persons who were shareholders of record of a Target Fund as of the close of business on September 10, 2015 will be entitled to one vote for each share held and, with respect to holders of common shares, a proportionate fractional vote for each fractional common share held.

As of August 24, 2015 (for the Acquiring Fund) and September 10, 2015 (for each Target Fund), the shares of the Funds issued and outstanding are as follows:

<b>Fund (Ticker Symbol)</b>	<b>Common Shares<sup>(1)</sup></b>	<b>VRDP Shares<sup>(1)</sup></b>	<b>VMTP Shares<sup>(1)</sup></b>
Acquiring Fund (NVG)	24,646,630	1,790	
Quality Municipal (NQI)	38,406,871		2,404
Quality Income (NQU)	48,920,182	3,854	
Municipal Opportunity (NIO)	95,610,971	6,672	

- (1) The common shares of the Acquiring Fund are listed on the NYSE MKT, and the common shares of Quality Municipal, Quality Income and Municipal Opportunity are listed on the NYSE. Upon the closing of the reorganizations, it is expected that the Acquiring Fund will transfer the listing of its common shares to the NYSE. Each of the Acquiring Fund, Quality Income and Municipal Opportunity has one series of VRDP Shares outstanding. Quality Municipal has one series of VMTP Shares outstanding. Neither the VRDP Shares of the Acquiring Fund, Quality Income or Municipal Opportunity nor the VMTP Shares of Quality Municipal are listed on any exchange.

The proposed reorganizations are part of a broad initiative to restructure the product offerings of Nuveen's leveraged national municipal closed-end funds by creating fewer funds with greater scale, eliminate overlapping investment mandates of the funds and differentiate the investment strategies of the funds by credit profile and emphasis on securities that generate income exempt from the federal alternative minimum tax applicable to individuals. As part of this initiative, the Board of the Acquiring Fund approved the following proposals: (1) certain changes to the non-fundamental policies of the Acquiring Fund, which provide an expanded investment mandate that permits the Acquiring Fund to invest up to 55% of its managed assets in lower rated municipal securities and require the Acquiring Fund to invest exclusively in municipal securities that generate income exempt from the federal alternative minimum tax applicable to individuals; (2) a new investment management agreement and a new sub-advisory agreement with higher fees that reflect the increased level of credit research and surveillance resulting from the expanded investment mandate; and (3) a change of the name of the Acquiring Fund to Nuveen Enhanced AMT-Free Municipal Credit Opportunities Fund.

The Acquiring Fund currently has a fundamental investment policy requiring it to invest at least 80% of its managed assets in municipal securities and other related investments the income from which is exempt from regular federal income taxes. The Acquiring Fund's current non-fundamental investment policies require, under normal circumstances, that the Fund invest at least 80% of its managed assets in investment-grade municipal securities (which includes Baa/BBB-rated municipal securities) and may invest no more than 10% of its managed assets in municipal securities rated below B3/B- or that are unrated but judged to be of comparable quality by the Fund's sub-adviser. In addition, the Fund currently may invest without limit in securities that generate income subject to the federal alternative minimum tax applicable to individuals.

Under the expanded investment mandate, the Acquiring Fund's fundamental investment policy to invest at least 80% of its managed assets in municipal securities and other related investments the income from which is exempt from regular federal income taxes will not change. However, the Acquiring Fund will adopt a non-fundamental investment policy permitting it to invest, under normal circumstances, up to 55% of its managed assets in municipal securities rated, at the time of investment, Baa/BBB or below, including below-investment-grade municipal securities, or unrated securities judged to be of comparable quality by the Fund's sub-adviser. In addition, the Acquiring Fund will adopt a non-fundamental investment policy pursuant to which the Acquiring Fund will, under normal circumstances, invest 100% of its managed assets in securities that, at the time of investment, generate income exempt from the federal alternative minimum tax applicable to individuals.

The current and new investment policies set forth above are non-fundamental policies. Non-fundamental investment policies may be changed by the Board at any time without shareholder approval. Accordingly, shareholders are not being asked to approve these changes.

The terms of the reorganization of each Target Fund into the Acquiring Fund are set forth in an Agreement and Plan of Reorganization by and among the Acquiring Fund and each Target Fund. The Agreement and Plan of Reorganization provides for: (1) the Acquiring Fund's acquisition of substantially all of the assets of each Target Fund in exchange for newly issued common shares of the Acquiring Fund, par value \$0.01 per share, and newly issued VMTP Shares of the Acquiring Fund, with a par value of \$0.01 per share and a liquidation preference of \$100,000 per share, or newly issued VRDP Shares of the Acquiring Fund, with a par value of \$0.01 per share and a liquidation preference of \$100,000 per share, as applicable, and the Acquiring Fund's assumption of substantially all of the liabilities of each Target Fund; and (2) the distribution of the newly issued Acquiring Fund common shares and Acquiring Fund preferred shares received by each Target Fund to its common and preferred shareholders, respectively, as part of the liquidation, dissolution and termination of each Target Fund in accordance with applicable law (each, a Reorganization and together, the Reorganizations). The aggregate net asset value of the Acquiring Fund common shares as of the Valuation Time (as defined in the Agreement and Plan of Reorganization) received by each Target Fund in connection with a Reorganization will equal the aggregate net asset value of the Target Fund common shares held by shareholders of such Target Fund as of such time. Prior to the Valuation Time, the net asset value of each Target Fund and the Acquiring Fund will be reduced by the costs of the Reorganizations borne by such Fund. No fractional Acquiring Fund common shares will be distributed to a Target Fund's common shareholders in connection with a Reorganization and, in lieu of such fractional shares, each Target Fund's common shareholders will receive cash in an amount equal to a pro rata share of the proceeds from the sale of such fractional shares in the open market, which may be higher or lower than net asset value. Preferred shareholders of each Target Fund will receive the same number of Acquiring Fund VMTP Shares or VRDP Shares, as applicable, having substantially identical terms (with respect to VMTP Shares) or substantially similar terms (with respect to VRDP Shares) as the outstanding preferred shares of the Target Fund held by such preferred shareholders immediately prior to the closing of the Reorganizations. The aggregate liquidation preference of the Acquiring Fund preferred shares received in connection with the Reorganizations will equal the aggregate liquidation preference of the corresponding Target Fund preferred shares held immediately prior to the closing of the Reorganization. The Agreement and Plan of Reorganization may be amended by the Funds, as specifically authorized by each Fund's Board, provided that following the Special Meeting, no such amendment may change the provisions for determining the number of Acquiring Fund shares to be issued to Target Fund shareholders to the detriment of such shareholders without their further approval.

The preferred shares of the Acquiring Fund to be issued in connection with the Reorganizations will have equal priority with each other and with the Acquiring Fund's other outstanding preferred shares as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund. In addition, the preferred shares of the Acquiring Fund, including the preferred shares of the Acquiring Fund to be issued in connection with the Reorganizations, will be senior in priority to the Acquiring Fund's common shares as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund. The Acquiring Fund will continue to operate after the Reorganizations as a registered closed-end management investment company, with the investment objectives and policies described in this Joint Proxy Statement/Prospectus.

With respect to the Reorganization of each Target Fund into the Acquiring Fund, the Reorganization is required to be approved by the affirmative vote of the holders of a majority of the Target Fund's outstanding common and preferred shares, voting together as a single class, and by the affirmative vote of a majority of the Target Fund's outstanding preferred shares, voting separately. The affirmative vote of a majority of the common and preferred shareholders of the Acquiring Fund, voting together as a single class, and the affirmative vote of a majority of the common shareholders of the Acquiring Fund, voting separately, are required to approve the issuance of additional common shares of the Acquiring Fund in connection with the Reorganizations. In addition, the Reorganizations are required to be approved by the affirmative vote of a majority of the Acquiring Fund's outstanding preferred shares, voting separately.

The closing of each Reorganization is contingent upon the closing of all of the Reorganizations. The closing of each Reorganization is also subject to the satisfaction or waiver of certain closing conditions, which include customary closing conditions as well as the effectiveness of the new investment management agreement and new sub-advisory agreement. In order for the Reorganizations to occur, all requisite shareholder approvals must be obtained at the Special Meetings, and certain other consents, confirmations and/or waivers from various third parties, including liquidity providers with respect to the outstanding VRDP Shares of Quality Income and Municipal Opportunity, holders of a majority of the Acquiring Fund's outstanding VRDP Shares and the holder of Quality Municipal's outstanding VMTP Shares, must also be obtained. Because the closing of the Reorganizations is contingent upon each of the Target Funds and the Acquiring Fund obtaining such shareholder approvals and satisfying (or obtaining the waiver of) other closing conditions, it is possible that the Reorganizations will not occur, even if shareholders of your Fund entitled to vote on your Fund's Reorganization proposal(s) approve such proposal(s) and your Fund satisfies all of its closing conditions, if one or more of the other Funds does not obtain its requisite shareholder approvals or satisfy (or obtain the waiver of) its closing conditions. If the requisite shareholder approvals are not obtained, each Fund's Board may take such actions as it deems in the best interests of its Fund.
