The following provides an overview of the considerations that led the Board to conclude that each individual serving as a Trustee or nominee for Trustee of the Fund should so serve. The current members of the Board have joined the Board at different points in time since 2012. Generally, no one factor was decisive in the original selection of an individual to join the Board. Among the attributes common to all Trustees is their ability to review critically, evaluate, question and discuss information provided to them, to interact effectively with the Fund's investment adviser, counsel and independent auditors, and to exercise effective business judgment in the performance of their duties as Trustees. In recommending the election or appointment of the current Board members as Trustees, the Nominating and Governance Committee generally considered (i) the educational, business and professional experience of each individual; (ii) the individual's record of service as a director or trustee of public or private organizations; and (iii) how the individual's skills, experience and attributes would contribute to an appropriate mix of relevant skills and experience on the Board. The Nominating and Governance Committee also considered that during their service as members of the Board of the Fund, the Trustees have demonstrated a high level of diligence and commitment to the interests of the Fund's shareholders and the ability to work effectively and collegially with other members of the Board.

The following summarizes each Trustee's or nominee for Trustee's professional experience and additional considerations that contributed to the Board's conclusion that each individual should serve on the Board.

THE BOARD, INCLUDING THE INDEPENDENT TRUSTEES, UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS OF THE FUND VOTE TO ELECT EACH OF THE NOMINEES AS TRUSTEE OF THE FUND.

Board Leadership Structure

The Board currently consists of six Trustees, five of whom are Independent Trustees. As discussed below, two of the standing committees of the Board, to which the Board has delegated certain authority and oversight responsibilities, are comprised exclusively of Independent Trustees.

Mr. Dillman, who is not an interested person of the Fund, as defined in Section 2(a)(19) of the 1940 Act, serves as Chairman of the Board and Mr. Morrison, who is an interested person of the Fund, serves as President. Mr. Dillman presides at meetings of the Board and acts as a liaison with service providers, officers, and other Trustees generally between meetings, and performs such other functions as may be requested by the Board from time to time. The Board reviews its leadership structure periodically and believes that the leadership structure is appropriate to enable the Board to exercise its oversight of the Fund. The Board also believes that its structure, including the active role of the other Independent Trustees, facilitates an efficient flow of information concerning the management of the Fund to the Independent Trustees.

The Board provides oversight of the services provided by Babson, including risk management activities. In addition, each committee provides oversight of Babson's risk activities with respect to the particular activities within the committee's purview. In the course of providing oversight, the Board and relevant committees receive a wide range of reports on the Fund's activities, including the Fund's investment portfolio, the compliance of the Fund with applicable laws, and the Fund's financial accounting and reporting. The Board and Audit Committee meet periodically with the Fund's Chief Compliance Officer regarding the compliance of the Fund with federal securities laws and the Fund's internal compliance policies and procedures. In addition, both the Audit Committee and the full Board regularly review information concerning risks specific to the Fund and Babson, including presentations by various officers of the Fund, investment personnel for the Fund, Babson, the Sub-Adviser, the independent auditors for the Fund and Counsel to the Fund.

Information Concerning Committees and Meetings of the Board of Trustees

The Board has an Audit Committee and a Nominating and Governance Committee.

The Audit Committee is comprised exclusively of Trustees who are not interested persons of the Fund, as defined in Section 2(a)(19) of the 1940 Act, and operates pursuant to a written Audit Committee Charter, which is available on the Fund's website, www.babsoncapital.com/funds/closed-end-funds/babson-capital-global-short-duration-high-yield-fund. A print copy of the Audit Committee Charter may also be obtained by calling, toll-free, 1-855-439-5459. The present members of the Audit Committee are Bernard A. Harris, Jr. (Chairman), Thomas W. Okel and Martin A. Sumichrast. Each member of the Audit Committee qualifies as an Independent Trustee under the current listing standards of the New York Stock Exchange and the rules of the U.S. Securities and Exchange Commission (SEC). In accordance with the SEC's rules implementing Section 407 of the Sarbanes-Oxley Act of 2002 and upon due consideration of the qualifications of each member of the Audit Committee, the Board designated Dr. Harris, Mr. Okel and Mr. Sumichrast as the Fund's Audit Committee Financial Experts.

In accordance with the Audit Committee Charter, the Audit Committee is responsible for: oversight matters; financial statement and disclosure oversight matters; matters related to the hiring, retention, and oversight of the Fund's independent accountants; certain accounting and audit related oversight matters; and certain other matters as set forth in the Audit Committee Charter. During the twelve months ended June 30, 2016, the Audit Committee held six meetings.

The Nominating and Governance Committee is currently comprised of Martin A. Sumichrast (Chairman) and Thomas W. Bunn, both Independent Trustees. A current copy of the Nominating and Governance Committee Charter can be

found on the Fund's website, www.babsoncapital.com/funds/closed-end-funds/babson-capital-global-short-duration-high-yield-fund. During the twelve months ended June 30, 2016, the Nominating and Governance Committee met held one meeting.

The Nominating and Governance Committee is responsible for identifying and nominating individuals to serve as Trustees who are not interested persons of the Fund (Independent Trustees). The Nominating and Governance Committee Charter contemplates that all nominees for Independent Trustees will have a college degree or, in the judgment of the Committee, equivalent business experience. In addition, the Committee may take into account a wide variety of factors in considering Trustee candidates, giving such weight to any individual factor(s) as it deems appropriate, including but not limited to: availability and commitment of a candidate to attend meetings and perform his or her responsibilities on the Board; relevant industry and related experience; educational background; depth and breadth of financial expertise; and an assessment of the candidate's ability, judgment, expertise, reputation, and integrity. In the case of a shareholder recommended candidate, the Committee may also consider any other facts and circumstances attendant to such shareholder submission as may be deemed appropriate by the Committee. Different factors may assume greater or lesser significance at particular times, in light of the Board's present composition and the Committee's (or the Board's) perceptions about future issues and needs.

When the Board has or expects to have a vacancy for an Independent Trustee, the Nominating and Governance Committee will consider candidates recommended by the Fund's current Trustees; the Fund's shareholders; the Fund's officers; the Fund's investment adviser; the Fund's sub-adviser; and any other source the Committee deems to be appropriate. Shareholder recommendations to fill vacancies on the Board for Independent Trustees must be submitted in accordance with the provisions of the Nominating and Governance Committee Charter, which requires that shareholder recommendations be timely received, and contain biographical and other necessary information regarding the candidate that would be required for the Fund to meet its disclosure obligations under the proxy rules. The Nominating and Governance Committee will evaluate nominee candidates properly submitted by shareholders in the same manner as it evaluates candidates recommended by other sources.

The Nominating and Governance Committee also considers, evaluates and makes recommendations to the Board with respect to the structure, membership and function of the Board and the Committees thereof, including the compensation of the Trustees.

During the twelve months ended June 30, 2016, the Board of Trustees held five regular meetings (one of which was held by means of a telephone conference

call). During the twelve months ended June 30, 2016, each Trustee attended at least 75% of the Board and applicable Committee meetings on which he served.

Transactions with and Remuneration of Officers and Trustees

Pursuant to the Investment Management Agreement between the Fund and Babson (the "Contract"), Babson paid the compensation and expenses of the Fund's officers and of all Trustees who were officers or employees of Babson.

Trustees who are not officers or employees of Babson receive an annual retainer of \$35,000. The Chairman of the Board receives an additional retainer in the amount of \$10,000 and the Chairman of the Audit Committee receives an additional retainer in the amount of \$6,000. Trustees who are not officers or employees of Babson also receive a fee of \$6,000 for each meeting of the Board which they attend (\$3,000 for each meeting conducted by telephone conference call). Members of the Audit Committee and the Nominating and Governance Committee receive an additional fee of \$2,000 per meeting attended, including meetings conducted by telephone conference call. Beginning in July 2013, the Trustees became Trustees of Babson Capital Funds Trust ("BCFT"). The above Trustee compensation represents the aggregate amounts payable by both the Fund and BCFT. During the twelve months ended June 30, 2016, the aggregate direct remuneration to these Trustees and reimbursement of their out-of-pocket expenses paid by the Fund was approximately \$149,919.

The following table discloses the compensation paid to the Fund's Trustees (not including reimbursement for out-of-pocket expenses) for the twelve months ended June 30, 2016. The Fund, Babson Capital Corporate Investors, Babson Capital Participation Investors, BCFT, MassMutual Premier Funds, MML Series Investment Funds, MassMutual Select Funds, and MML Series Investment Funds II are collectively referred to in the table below as the Fund Complex. The Trustees do not receive pension or retirement benefits.

** Total compensation reflects compensation paid to each Trustee by the Fund and BCFT. None of the Trustees serve as trustees for any other funds in the Fund Complex.

AUDIT COMMITTEE REPORT

The Audit Committee oversees the Fund's financial reporting process on behalf of the Fund's Board of Trustees and operates under a written Charter adopted by the Fund's Board of Trustees. The Audit Committee meets with the Fund's management (Management) and independent registered public accountants and reports the results of its activities to the Fund's Board of Trustees. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. In connection with the Audit Committee's and independent registered accountant's responsibilities, Management advised that the Fund's financial statements were prepared in conformity with generally accepted accounting principles.

Accordingly, the Audit Committee has:

- n Reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2015 with Management and KPMG LLP (KPMG), the Fund's independent registered public accountants;
- n Discussed with KPMG those matters required to be discussed by Public Company Accounting Oversight Board Auditing Standard 16 (Communications with Audit Committees); and
- n Received the written disclosure and the letter from KPMG required by the Public Company Accounting Oversight Board Rule 3526 (Communications with Audit Committee Concerning Independence) and has discussed with KPMG its independence.

The Audit Committee has also reviewed the aggregate fees billed for professional services rendered by KPMG for 2015 and 2014 for the Fund and for the non-audit services provided to Babson and Babson's parent, Massachusetts Mutual Life Insurance Company (MassMutual) for 2015 and 2014. As part of this review, the Audit Committee considered whether the provision of such non-audit services was compatible with maintaining the principal accountant's independence.

In reliance on the reviews and discussions referred to above, the Audit Committee presents this Report to the Board of Trustees and recommends that the Board of Trustees (1) include the December 31, 2015 audited financial statements in the Annual Report to shareholders for the fiscal year ended December 31, 2015 and (2) file such Annual Report with the SEC and the New York Stock Exchange.

A KPMG representative is expected to be present at the upcoming Annual Meeting. This representative shall have the opportunity to make a statement if he or she desires to do so, and it is expected that such representative will be available to respond to appropriate questions from shareholders.

The category Audit-Related Fees reflects fees billed by KPMG for various non-audit and non-tax services rendered to the Fund, Babson and MassMutual, such as SOC-1 review, consulting and agreed upon procedures reports.

Preparation of Federal, state and local income tax returns and tax compliance work are representative of the fees reported in the Tax Fees category. The category All Other Fees represents fees billed by KPMG for consulting rendered to Babson and MassMutual. The Sarbanes-Oxley Act of 2002 and its implementing regulations allow the Audit Committee to establish a pre-approval policy for certain services rendered by the Fund's independent accountants. During 2015, the Audit Committee approved all of the services rendered to the Fund by KPMG and did not rely on such a pre-approval policy for any such services.

The 2014 fees billed represent final 2014 amounts, which may differ from the preliminary figures available as of the publication date of the Fund's 2015 Proxy Statement and includes, among other things, fees for services that may not have been billed as of the publication date of the Fund's 2015 Proxy Statement, but are now properly included in the 2014 fees billed to the Fund, Babson and MassMutual.

OTHER BUSINESS

The Board knows of no business to be brought before the Meeting other than as set forth above. If, however, any other matters properly come before the Meeting, it is the intention of the persons named in the enclosed proxy card to vote proxies on such matters in accordance with their best judgment.

INFORMATION ABOUT VOTING PROXIES AND THE MEETING

Manner of Voting Proxies

Votes cast by proxy or in person at the Meeting will be counted by persons appointed by the Fund to act as election inspectors for the Meeting. The election inspectors will count the total number of votes cast for each nominee for purposes of determining whether sufficient affirmative votes have been cast. All proxies received, including proxies that reflect (i) broker non-votes (i.e., shares held by brokers or nominees as to which (a) instructions have not been received from the beneficial owners or the persons entitled to vote and (b) the broker or nominee does not have discretionary voting power on a particular matter), (ii) abstentions or (iii) the withholding of authority to vote for a nominee for election as Trustee, will be counted as shares that are present on a particular matter for purposes of determining the presence of a quorum. The presence at the Meeting, in person or by proxy, of shareholders entitled to cast 30% of the votes entitled to be cast shall be a quorum for the transaction of business for each proposal. Neither abstentions nor broker non-votes, if any, will have an effect on the outcome of Proposal 1.

Shareholders are entitled to one vote, on each matter on which the shareholder is entitled to vote, for each share of the Fund that such shareholder owns at the close of business on May 16, 2016. Each fractional share is entitled to a proportionate fractional vote.

Instructions for Voting Proxies

The giving of a proxy will not affect a shareholder's right to vote in person should the shareholder decide to attend the Meeting. To vote by mail, please mark, sign, date and return the enclosed proxy card following the instructions printed on the card.

Revocation of Proxies

Any person giving a proxy has the power to revoke it by mail or in person at any time prior to its exercise by executing a superseding proxy or by submitting a notice of revocation to the Fund. All properly executed and unrevoked proxies received in time for the Meeting will be voted in accordance with the instructions contained therein.

Adjournment

If sufficient votes in favor of the proposal(s) set forth in the Notice of Annual Meeting of Shareholders are not received by the time scheduled for the Meeting or if the quorum required for a proposal has not been met, the persons named as proxies may propose adjournments of the Meeting with respect to such proposal(s) for periods of not more than 120 days to permit further solicitation of proxies. Any adjournment will require the affirmative vote of a majority of the votes cast on the proposal in person or by proxy at the session of the Meeting to be adjourned. The persons named as proxies will vote in favor of adjournment those proxies that they are entitled to vote in favor of the proposal. They will vote against any such adjournment those proxies required to be voted against the proposal. The Fund will pay the costs of any additional solicitation and of any adjourned session. Any proposals for which sufficient affirmative votes have been received by the time of the Meeting may be acted upon and considered final regardless of whether the Meeting is adjourned to permit additional solicitation with respect to any other proposal.
