In addition, AMID DH contributed the Contributed Units to D-Day. AMID, through AMID DH and D-Day, funded the Purchase Price for the acquisition of the Purchased Units with cash on hand and borrowings under AMID 's revolving credit facility.

The Sellers and the Buyers have made customary representations and warranties in the Contribution Agreement. Such representations and warranties shall survive and continue in full force and effect until the date that is three years after the date the transactions contemplated in the Contribution Agreement were consummated. The Contribution Agreement also contains customary covenants, indemnification rights and agreements.

The foregoing description of the Contribution Agreement does not purport to be complete and is qualified in its entirety by reference to the Contribution Agreement, which will be filed with AMID 's Quarterly Report on Form 10-Q for the quarter ending September 30, 2017.

The foregoing summary of the Contribution Agreement has been included, and the Contribution Agreement will be filed, to provide investors and security holders with information regarding the terms of the Contribution Agreement and is qualified in its entirety by the terms and conditions of the Contribution Agreement. It is not intended to provide any other factual information about AMID, the Buyers, the Sellers or their respective subsidiaries and affiliates. The representations, warranties and covenants in the Contribution Agreement were made solely for the benefit of the parties to the Contribution Agreement; may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosure schedules; may be made for the purposes of allocating contractual risk between the parties to the Contribution Agreement instead of establishing these matters as facts; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of AMID, the Buyers, the Sellers or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Contribution Agreement, which subsequent information may or may not be fully reflected in AMID 's public disclosures.

ArcLight is an affiliate of High Point Infrastructure Partners, LLC and AMID GP Holdings, LLC, which own an approximately 77% interest and an approximately 23% interest, respectively, in American Midstream GP, LLC, the general partner of AMID (the General Partner). Accordingly, the board of directors of the General Partner (the Board) authorized a special committee composed of independent members of the Board (the Conflicts Committee) to review and evaluate the Contribution Agreement for the purpose of determining whether to grant its special approval of the acquisition of the Purchased Units for the Purchase Price from Toga as contemplated by AMID 's partnership agreement. The Conflicts

Committee retained independent legal and financial advisors to assist it in evaluating the terms of the acquisition of the Purchase Units for the Purchase Price and unanimously granted its special approval of the acquisition of the Purchase Units for the Purchase Price as contemplated by the Contribution Agreement, and recommended the same to the Board for adoption and approval.
