Cautionary Note Regarding Forward-Looking Statements

This report contains forward-looking statements (including within the meaning of Section 21E of the United States Securities Exchange Act of 1934, as amended, and Section 27A of the United States Securities Act of 1933, as amended) concerning Broadcom. These statements include, but are not limited to, statements that address our expected future business and financial performance and statements about (i) proposed transaction involving Broadcom and Qualcomm and the expected benefits of the proposed transaction, (ii) the expected benefits of other acquisitions, (iii) our plans, objectives and intentions with respect to future operations and products, (iv) our competitive position and opportunities, (v) the impact of acquisitions on the market for our products, and (vi) other statements identified by words such as will , expect , believe , anticipate , estimate , should , intend , plan , potential , predict , project , aim , and similar words, phrases or expressions. These forward-looking statements are based on current expectations and beliefs of the management of Broadcom, as well as assumptions made by, and information currently available to, such management, current market trends and market conditions and involve risks and uncertainties, many of which are outside Broadcom's and management's control, and which may cause actual results to differ materially from those contained in forward-looking statements. Accordingly, you should not place undue reliance on such statements.

Such risks, uncertainties and assumptions include: the ultimate outcome of any possible transaction between Broadcom and Qualcomm, including the possibility that Qualcomm will reject the proposed transaction with Broadcom; uncertainties as to whether Qualcomm will cooperate with Broadcom regarding the proposed transaction; the effect of the announcement of the proposed transaction on the ability of Broadcom and Qualcomm to retain customers, to retain and hire key personnel and to maintain favorable relationships with suppliers or customers; the timing of the proposed transaction; the ability to obtain regulatory approvals and satisfy other closing conditions to the completion of the proposed transaction (including shareholder approvals); and other risks related to the completion of the proposed transaction and actions related thereto. Other risks, uncertainties and assumptions that could materially affect future results include: any risks associated with loss of our significant customers and fluctuations in the timing and volume of significant customer demand; our dependence on contract manufacturers and outsourced supply chain; any acquisitions we may make, as well as delays, challenges and expenses associated with receiving governmental and regulatory approvals and satisfying other closing conditions, and with integrating

acquired companies with our existing businesses and our ability to achieve the benefits, growth prospects and synergies expected from such acquisitions, including our pending acquisition of Brocade Communications Systems, Inc. and our proposed acquisition of Qualcomm; the ability of Broadcom to integrate Qualcomm's business and make changes to its business model, and to resolve legal proceedings, governmental investigations and customer disputes relating to Qualcomm's licensing practices; our ability to accurately estimate customers' demand and adjust our manufacturing and supply chain accordingly; our significant indebtedness, including the substantial indebtedness we expect to incur in connection with our proposed acquisition of Qualcomm, and the need to generate sufficient cash flows to service and repay such debt; dependence on and risks associated with distributors of our products; our ability to improve our manufacturing efficiency and quality; increased dependence on a small number of markets; quarterly and annual fluctuations in operating results; cyclicity in the semiconductor industry or in our target markets; global economic conditions and concerns; our competitive performance and ability to continue achieving design wins with our customers, as well as the timing of those design wins; rates of growth in our target markets; prolonged disruptions of our or our contract manufacturers' manufacturing facilities or other significant operations; our dependence on outsourced service providers for certain key business services and their ability to execute to our requirements; our ability to maintain or improve gross margin; our ability to maintain tax concessions in certain jurisdictions;

our ability to protect our intellectual property and the unpredictability of any associated litigation expenses; any expenses or reputational damage associated with resolving customer product and warranty and indemnification claims; our ability to sell to new types of customers and to keep pace with technological advances; market acceptance of the end products into which our products are designed; and other events and trends on a national, regional and global scale, including those of a political, economic, business, competitive and regulatory nature.

Our filings with the Securities and Exchange Commission (SEC), which you may obtain for free at the SEC 's website at <http://www.sec.gov>, discuss some of the important risk factors that may affect our business, results of operations and financial condition. We undertake no intent or obligation to publicly update or revise any of these forward looking statements, whether as a result of new information, future events or otherwise, except as required by law.
