### Item 8.01. Other Events.

On October 10, 2018, Digital Stout Holding, LLC, a wholly owned subsidiary of the operating partnership, priced an offering of £400 million aggregate principal amount of 3.750% Guaranteed Notes due 2030 denominated in pounds sterling (the GBP Notes). The GBP Notes will be senior unsecured obligations of Digital Stout Holding, LLC and will be fully and unconditionally guaranteed by Digital Realty Trust, Inc. and the operating partnership. The GBP Notes are being sold only outside the United States in reliance on Regulation S under the Securities Act of 1933, as amended (the Securities Act). The GBP Notes have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to United States persons (within the meaning of Regulation S under the Securities Act) absent registration or an applicable exemption from registration requirements. Interest on the GBP Notes will be paid in cash annually in arrears at a rate of 3.750% per annum. The GBP Notes will be issued pursuant to an indenture between Digital Stout Holding, LLC, Digital Realty Trust, Inc., the operating partnership, Deutsche Trustee Company Limited, as trustee, Deutsche Bank AG, London Branch, as paying agent and a transfer agent, and Deutsche Bank Luxembourg S.A., as registrar and a transfer agent, setting forth the terms of the GBP Notes. Settlement of the offering of the GBP Notes is expected to occur on October 17, 2018, subject to the satisfaction of customary closing conditions.

We intend to use the net proceeds from the offering of the GBP Notes to repay borrowings outstanding under the operating partnership's global credit facilities, acquire additional properties or businesses, fund development opportunities, and to provide for working capital and other general corporate purposes, including potentially for the repayment of other debt or the repurchase, redemption, or retirement of outstanding debt securities, or a combination of the foregoing.

### Cautionary Statement Regarding Forward-Looking Statements

This Current Report on Form 8-K contains certain forward-looking statements as that term is defined by Section 27A of the Securities Act and Section 21E of the Securities Exchange Act of 1934, as amended. Statements that are predictive in nature, that depend on or relate to future events or conditions, or that include words such as believes, anticipates, expects, may, will, would, should, estimates, could, intends, plans or other similar expressions are forward-looking statements. Forward-looking statements involve significant known and unknown risks and uncertainties that may cause the company's actual results in future periods to differ materially from those projected or contemplated in the forward-looking statements as a result of, but not limited to, the following factors: timing and consummation of the offering of the GBP Notes; the intended use of the net proceeds from the offering of the GBP Notes; risks and uncertainties related to market conditions and satisfaction of customary closing conditions related to the offering of the GBP Notes; and the impact of legislative, regulatory and competitive changes and other risk factors relating to the industries in which we operate, as detailed from time to time in each of our reports filed with the SEC. There can be no assurance that the proposed transaction will be consummated on the terms described herein or at all.

The risks included here are not exhaustive, and additional factors could adversely affect our business and financial performance. We discussed a number of additional material risks in our annual report on Form 10-K for the year ended December 31, 2017 and other filings with the Securities and Exchange Commission. Those risks continue to be relevant to our performance and financial condition. Moreover, we operate in a very competitive and rapidly changing environment. New risk factors emerge from time to time and it is not possible for management to predict all such risk

factors, nor can it assess the impact of all such risk factors on the business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statements. We expressly disclaim any responsibility to update forward-looking statements, whether as a result of new information, future events or otherwise.
