PROXY STATEMENT

January 12, 2019

Annual Meeting of Stockholders to Be Held on March 8, 2019

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (the **Board**) of PGIM Short Duration High Yield Fund, Inc., a Maryland corporation (the **Fund**), of proxies to be exercised at the 2019 Annual Meeting of Stockholders of the Fund to be held at 655 Broad Street, 17th Floor, Newark, New Jersey 07102, on March 8, 2019 at 11:00 a.m., Eastern Time, and at any postponements or adjournments thereof (the **Meeting**). The purposes of the Meeting and the matters to be acted upon are set forth in the accompanying Notice of Annual Meeting of Stockholders (the **Notice**). The Board knows of no business other than the election of the four (4) Class I Directors, and procedural matters relating to the Meeting or the election of Directors, that will be presented for consideration at the Meeting. If any other matter is properly presented at the Meeting, the persons named in the accompanying proxy to vote in their discretion on such matter.

This Proxy Statement and the accompanying materials are first being made available to stockholders on or about January 12, 2019.

The Fund is organized as a Maryland corporation and is a registered investment company.

PGIM Investments LLC (**PGIM Investments** or the **Manager**) serves as the Fund's investment manager. PGIM Investments and its predecessors have served as a manager or administrator to registered investment companies since 1987. PGIM Investments' principal address is 655 Broad Street, Newark, New Jersey 07102. PGIM, Inc. (**PGIM** or the **Subadviser**) serves as the Fund's subadviser, through its PGIM Fixed Income unit. PGIM is a registered investment adviser and, through its PGIM Fixed Income unit, is responsible for the day-to-day portfolio management of the Fund. PGIM's principal address is 655 Broad Street, Newark, New Jersey 07102. Both PGIM Investments and PGIM are indirect, wholly owned subsidiaries of Prudential Financial, Inc. (**Prudential**). As of September 30, 2018, PGIM Investments served as the manager to open-end investment companies, and as manager or administrator, as applicable, to closed-end investment companies with total aggregate assets of approximately \$286 billion. The Board, in addition to overseeing the actions of the Manager and Subadviser, decides upon matters of general policy relating to the Fund. The Fund does not have a principal underwriter.

Even if you plan to attend the Meeting, please sign, date and return a proxy card, or provide voting instructions by telephone or over the Internet. If you authorize a proxy by telephone or over the Internet, you will be asked to enter a unique code that has been assigned to you and which is printed on your proxy card. This code is designed to confirm your identity, provide access into the voting sites and confirm that your instructions are properly recorded. If you require additional information, please call toll free at 1-866-864-3926.

All properly authorized proxies received prior to or at the Meeting will be exercised at the Meeting in accordance with the instructions marked thereon or otherwise as provided therein. Unless instructions to the contrary are given, votes entitled to be cast by stockholders represented by the proxies will be cast **FOR** the election of each nominee listed in Proposal No. 1 and in the discretion of the proxy holders on any other matter that may properly be brought before the Meeting or any postponement or adjournment thereof. Stockholders who authorize proxies may revoke them at any time before they are exercised by filing with the Fund a written notice of revocation at or prior to the start of the Meeting, by duly authorizing a proxy bearing a later date or by

attending the Meeting and voting in person. In accordance with the Fund's Bylaws, a quorum is constituted by the presence in person or by proxy of the holders of record of outstanding shares of the Fund's common stock entitled to cast a majority of all the votes entitled to be cast at the Meeting. For purposes of determining the presence of a quorum for transacting business at the Meeting, a stockholder who properly authorizes a proxy but instructs the proxy holder to abstain or withhold authority will be treated as present for determining the presence of a quorum.

The Board has fixed the close of business on December 14, 2018 as the record date (the Record Date) for the determination of stockholders of the Fund entitled to notice of and to vote at the Meeting or any postponement or adjournment thereof. Each share of stock entitles the holder of the share as of the Record Date to cast one vote for as many individuals as there are Directors to be elected and for whose election the share is entitled to be voted and a fractional vote with respect to fractional shares, with no cumulative voting rights. At the close of business on the Record Date, the Fund had 33,256,724 shares of Common Stock, par value \$0.001 per share, outstanding and entitled to vote at the Meeting.

Annual reports are sent to stockholders of record of the Fund following the Fund's fiscal year end. The Fund will furnish, without charge, a copy of its annual report and most recent semi-annual report succeeding the annual report, if any, to a stockholder upon request. Such requests should be directed to the Fund at 655 Broad Street, Newark, New Jersey 07102 or call toll free at (800) 451-6788 or visit the Fund's website at www.pgiminvestments.com or on the EDGAR Database on the Securities and Exchange Commission's (SEC) Internet site at www.sec.gov. This reference to the website does not incorporate the contents of the website into this Proxy Statement.

Please note that only one annual or semi-annual report or Proxy Statement may be delivered to two or more stockholders of the Fund who share an address, unless the Fund has received instructions to the contrary. To request a separate copy of an annual or semi-annual report or the Proxy Statement or for instructions as to how to request a separate copy of these documents or as to how to request a single copy if multiple copies of these documents are received, stockholders should contact the Fund at the address and phone number set forth above.

The expenses of solicitation will include reimbursement of brokerage firms and others for expenses in forwarding proxy solicitation material to beneficial owners. The solicitation of proxies will be largely by mail.

Vote Required and Manner of Voting Proxies

A quorum of stockholders is required to take action at the Meeting. The presence of stockholders of record as of the Record Date entitled to cast a majority of all the votes entitled to be cast at the Meeting, in person or by proxy, will constitute a quorum.

Votes cast by proxy or in person at the Meeting will be tabulated by the inspector of elections appointed for the Meeting. The inspector of elections will determine whether or not a quorum is present at the Meeting. A stockholder who properly executes a proxy but instructs the proxy holder to abstain or withhold authority, or who is present at the Meeting in person but who abstains from voting on any matter, and broker non-votes (*i.e.*, shares held by brokers or nominees, typically in street name, as to which proxies have been returned but (a) instructions have not been received from the beneficial owners or persons entitled to vote and (b) the broker or nominee does not have discretionary voting power on a particular matter), if any, will be counted as present for purposes of determining a quorum.

If you hold shares directly (not through a broker-dealer, bank or other financial intermediary) and if you return a signed proxy card that does not specify how you wish to vote on a proposal, your shares will be voted FOR the election of each nominee listed in Proposal No. 1.

Broker-dealer firms or other nominees holding shares of the Fund in street name for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their shares on

each Proposal before the Meeting. A signed voting instruction card or other authorization by a beneficial owner of Fund shares that does not specify how the beneficial owner's shares should be voted will be deemed an instruction to vote such shares in favor of the election of each nominee listed in Proposal No. 1.

If you hold shares of the Fund through a service agent that has entered into a service agreement with the Fund, the service agent may be the record holder of your shares. At the Meeting, a service agent will vote shares for which it receives instructions from its customers in accordance with those instructions. A signed proxy card or other authorization by a stockholder that does not specify how the stockholder's shares should be voted on a proposal may be deemed to authorize a service agent to vote such shares in favor of the election of each nominee listed in Proposal No. 1. Depending on its policies, applicable law or contractual or other restrictions, a service agent may be permitted to vote shares with respect to which it has not received specific voting instructions from its customers. In those cases, the service agent may, but may not be required to, vote such shares in the same proportion as those shares for which the service agent has received voting instructions. This practice is commonly referred to as "echo voting."

If you beneficially own shares that are held in "street name" through a broker-dealer or other nominee or that are held of record by a service agent and if you do not give specific voting instructions for your shares, they may not be voted at all or, as described above, they may be voted in a manner that you may not intend. Therefore, you are strongly encouraged to give your broker-dealer, other nominee or service agent specific instructions as to how you want your votes to be cast.

Required Vote

Directors are elected by the affirmative vote of the holders of a majority of the shares of the Fund's common stock outstanding and entitled to vote thereon.

For purposes of the election of Directors, abstentions and broker non-votes, if any, will not be considered votes cast, and will have the same effect as a vote against the election of a Director.

In the event that a quorum is not present, or if proxies for sufficient votes to elect one or more of the nominees for election as Directors listed in Proposal No. 1 are not received by the time scheduled for the Meeting, pursuant to our bylaws the chair of the Meeting may adjourn the Meeting to another date and time announced at the Meeting without a vote of the stockholders present at the Meeting or the persons named as proxies may move for one or more adjournments of the Meeting to permit further solicitation of proxies with respect to such proposal. In determining whether to adjourn the Meeting, the following factors may be considered: the nature of the proposal that is the subject of the Meeting, the percentage of the stockholders present at the Meeting in person or by proxy, the nature of any further solicitation and the information to be provided to stockholders with respect to the reasons for the solicitation. Approval of any proposal to adjourn the Meeting brought before the Fund's stockholders will require the affirmative vote of a majority of the votes cast on such matter at the Meeting. If an adjournment is properly brought before the Meeting, the persons named as proxies will vote the shares that they are entitled to vote in their discretion.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE MEETING TO BE HELD ON MARCH 8, 2019

Leadership Structure and Qualifications of Board of Directors. The Board is responsible for oversight of the Fund. The Fund has engaged the Manager to manage the Fund on a day-to-day basis. The Board oversees the Manager and certain other principal service providers in the operations of the Fund. The Board is currently composed of twelve members, nine of whom are Independent Directors. The Board meets in-person at regularly scheduled meetings four times throughout the year. In addition, the Directors may meet in-person or by telephone at special meetings or on an informal basis at other times. As described above, the Board has established three standing committees—Audit, Nominating and Governance, and Dryden Investment—and may establish ad hoc committees or working groups from time to time to assist the Board in fulfilling its oversight responsibilities. The Independent Directors have also engaged independent legal counsel to assist them in fulfilling their responsibilities.

Edgar Filing: PGIM Short Duration High Yield Fund, Inc. - Form DEF 14A

The Board is chaired by an Independent Director. As Chair, this Independent Director leads the Board in its activities. Also, the Chair acts as a member or as an ex-officio member of each standing committee and any ad hoc committee of the Board. The Directors have determined that the Board's leadership and committee structure

is appropriate because the Board believes it sets the proper tone to the relationships between the Fund, on the one hand, and the Manager, the Subadviser and certain other principal service providers, on the other hand, and facilitates the exercise of the Board's independent judgment in evaluating and managing these relationships. In addition, the structure efficiently allocates responsibility among committees. During the fiscal year ended May 31, 2018, the Board met 7 times. Each Director then a Board Member attended all of the meetings of the Board and the committees of which he or she was a member. The Fund does not have a policy regarding the Directors' attendance at annual meetings of stockholders, and no Directors attended the Fund's annual meeting of stockholders held in March 2018.

The Board has concluded that, based on each Director's experience, qualifications, attributes or skills on an individual basis and in combination with those of the other Directors, each Director should serve as a Director. Among other attributes common to all Directors are their ability to review critically, evaluate, question and discuss information provided to them, to interact effectively with the various service providers to the Fund, and to exercise reasonable business judgment in the performance of their duties as Directors. In addition, the Board has taken into account the actual service and commitment of the Directors during their tenure in concluding that each should continue to serve. A Director's ability to perform his or her duties effectively may have been attained through a Director's educational background or professional training; business, consulting, public service or academic positions; experience from service as a Director of the Fund, other funds in the Fund Complex, public companies, or non-profit entities or other organizations; other experiences or a combination of the foregoing.

Set forth below is a brief discussion of the specific experience, qualifications, attributes or skills of each Director that led the Board to conclude that he or she should serve as a Director.

Ellen S. Alberding. Ms. Alberding joined the Board of the Fund and other funds in the Fund Complex in 2013. Ms. Alberding has 30 years of experience in the non-profit sector, including over 20 years as the president of a charitable foundation, where she oversees multiple investment managers. Ms. Alberding also served as a Trustee of the Aon Funds from 2000 to 2003.

Kevin J. Bannon. Mr. Bannon joined the Board of the Fund and other funds in the Fund Complex in 2008. Mr. Bannon has held senior executive positions in the financial services industry, including serving as a senior executive of asset management firms, for over 17 years.

Linda W. Bynoe. Ms. Bynoe joined the Board of the Fund and other funds in the Fund Complex in 2005. Ms. Bynoe has served on the boards of other mutual fund complexes since 1993. She has worked in the financial services industry over 11 years, has approximately 20 years of experience as a management consultant and serves as a Director of financial services and other complex global corporations.

Barry H. Evans. Mr. Evans joined the Board of the Fund and other funds in the Fund Complex in 2017. Mr. Evans has held senior executive positions and various portfolio manager roles in an asset management firm for thirty years.

Keith F. Hartstein. Mr. Hartstein joined the Board of the Fund and other funds in the Fund Complex in 2013. Mr. Hartstein has worked in the asset management industry for almost 30 years and served as a senior executive in an asset management firm.

Laurie Simon Hodrick. Ms. Hodrick joined the Board of the Fund and other funds in the Fund Complex in 2017. Ms. Hodrick brings 30 years of experience as a finance academic, practitioner, and consultant.

Michael S. Hyland, CFA. Mr. Hyland joined the Board of the Fund and other funds in the Fund Complex in 2008. Mr. Hyland has held senior executive positions in the financial services industry, including serving as a senior executive of asset management firms, for over 12 years.

Brian K. Reid. Mr. Reid joined the Board of the Fund and the other funds in the Fund Complex in 2018. Mr. Reid has more than 30 years of experience in economics and related fields, including serving as Chief Economist for the Investment Company Institute (ICI) for 13 years.

Stuart S. Parker. Mr. Parker, who has served as an Interested Board Member and President of the Fund and the other funds in the Fund Complex since 2012, is President, Chief Operating Officer and Officer-in-Charge of PGIM Investments and several of its affiliates that provide services to the Fund and has held senior positions in PGIM Investments since 2005.

Scott E. Benjamin. Mr. Benjamin, an Interested Board Member of the Fund and other funds in the Fund Complex since 2010, has served as a Vice President of the Fund and other funds in the Fund Complex since 2009 and has held senior positions in PGIM Investments since 2003.

Grace C. Torres. Ms. Torres, a Non-Management Interested Director of the Fund and other funds in the Fund Complex since 2014, formerly served as Treasurer and Principal Financial and Accounting Officer for the Fund and other funds in the Fund Complex for 16 years and held senior positions with the Manager from 1999 to 2014. In addition, Ms. Torres is a certified public accountant (CPA).

Specific details about each Board Member's professional experience appear in the professional biography tables, above.

Risk Oversight. Investing in general and the operation of a registered investment company involves a variety of risks, such as investment risk, compliance risk and operational risk, among others. The Board oversees risk as part of its oversight of the Fund. Risk oversight is addressed as part of various regular Board and committee activities. The Board, directly or through its committees, reviews reports from, among others, the Manager, subadviser, the Fund's Chief Compliance Officer, the Fund's independent registered public accounting firm, counsel, and internal auditors of the Manager or its affiliates, as appropriate, regarding risks faced by the Fund and the risk management programs of the Manager and certain service providers. The actual day-to-day risk management with respect to the Fund resides with the Manager and other service providers to the Fund. Although the risk management policies of the Manager and the service providers are designed to be effective, those policies and their implementation vary among service providers and over time, and there is no guarantee that they will be effective. Not all risks that may affect the Fund can be identified or processes and controls developed to eliminate or mitigate their occurrence or effects, and some risks are simply beyond any control of the Fund or the Manager, its affiliates or other service providers.

Selection of Director Nominees. The Nominating and Governance Committee is responsible for considering nominees for election as Directors at such times as it considers electing new members to the Board. The Nominating and Governance Committee may consider recommendations by business and personal contacts of current Directors and by executive search firms which the committee may engage from time to time and will also consider stockholder recommendations. The Nominating and Governance Committee has not established specific, minimum qualifications that it believes must be met by a nominee. In evaluating nominees, the Nominating and Governance Committee considers, among other things, an individual's background, skills, and experience; whether the individual is an interested person as defined in the 1940 Act; and whether the individual would be deemed an audit committee financial expert within the meaning of applicable SEC rules. The Nominating and Governance Committee also considers whether the individual's background, skills, and experience will complement the background, skills, and experience of other nominees and Directors and will contribute to the diversity of the Board. There are no differences in the manner in which the Nominating and Governance Committee evaluates nominees for the Board based on whether the nominee is recommended by a stockholder.

A stockholder who wishes to recommend a person for nomination for election as a Director should submit his or her recommendation in writing to the Chair of the Board (Keith F. Hartstein) or the Chair of the Nominating and Governance Committee (Linda W. Bynoe), in either case in care of the Fund, at 655 Broad Street, 17th Floor, Newark, New Jersey 07102. At a minimum, the recommendation should include: the name, address and business, educational and/or other pertinent background of the person being recommended; a statement concerning whether the person is an interested person of the Fund as defined in the 1940 Act; any other information that the Fund would be required to include in a proxy statement concerning the person if he or

she was nominated; and the name and address of the person submitting the recommendation, together with the shares of stock of the Fund held by such person and the period for which the shares have been held. The recommendation also can include any additional information which the person submitting it believes would assist the Nominating and Governance Committee in evaluating the recommendation.

Stockholders should note that a person who owns securities issued by Prudential Financial, Inc. (the parent company of the Manager) would be deemed an interested person under the 1940 Act. In addition, certain other relationships with Prudential Financial, Inc. or its subsidiaries, with registered broker-dealers, or with the Fund's outside legal counsel may cause a person to be deemed an interested person. Before the Nominating and Governance Committee decides to recommend that the Board nominate an individual to the Board, committee members and other Directors customarily interview the individual in person. In addition, the individual is customarily asked to complete a detailed questionnaire which is designed to elicit information which must be disclosed under SEC and stock exchange rules and to determine whether the individual is subject to any statutory disqualification from serving on the board of a registered investment company.

Report of the Audit Committee

The Board of Directors of the PGIM Short Duration High Yield Fund, Inc. (the Fund) has an Audit Committee consisting of Kevin J. Bannon (Chair), Laurie Simon Hodrick, Michael S. Hyland, CFA, Brian K. Reid and Keith F. Hartstein (ex-officio). Each member of the Audit Committee (i) is not an interested person

of the Fund or of PGIM Investments, within the meaning of Section 2(a)(19) of the Investment Company Act of 1940, as amended (the "1940 Act") and (ii) meets the independence requirements of Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended. The Audit Committee met six times during the fiscal year ended May 31, 2018. The Audit Committee has a charter, a copy of which is attached as Annex A and is also available on the Fund's web site at <http://www.pgiminvestments.com>.

The function of the Audit Committee is to oversee the Fund's accounting and financial reporting processes, which includes the selection, retention, compensation and termination of the Fund's independent registered public accounting firm. In connection therewith, the Audit Committee reviews with management and the Fund's independent registered public accounting firm, among other things, the scope of the independent registered accounting firm's audit of the Fund's financial statements, reviews and discusses the Fund's annual audited financial statements with management, reviews the independent registered public accounting firm's required communications regarding the scope and results of the audit, reviews and approves in advance the types of services to be rendered by the independent registered public accounting firm, reviews matters related to the independence of the Fund's independent registered public accounting firm and in general considers and reports to the Board on matters regarding the Fund's accounting and financial reporting processes.

In performing its oversight function, at a meeting held on July 17, 2018, the Audit Committee reviewed and discussed the Fund's audited financial statements as of and for the year ended May 31, 2018 with management of the Fund and the Fund's independent registered public accounting firm and discussed the audit of such financial statements with the independent registered public accountants. The Audit Committee also discussed with the independent registered public accountants the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU Section 380). The Audit Committee received the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with the independent registered public accounting firm its independence.

The members of the Audit Committee are not, and do not represent themselves to be, accountants or auditors by profession or experts in the fields of accounting or auditing, including in respect of auditor independence or internal controls notwithstanding the fact that one or more members may be designated an audit committee financial expert. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it and representations made by management or the independent registered public accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate financial reporting principles and policies, or internal controls, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Fund's independent registered public accounting firm is in fact independent.

Based on its consideration of the audited financial statements and the discussions and reports referred to above with management and the independent registered public accounting firm, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Audit Committee Charter and those discussed above, the Audit Committee recommended to the Board of Directors of the Fund that the Fund's audited financial statements as of and for the year ended May 31, 2018 be included in the Fund's annual report to stockholders for the fiscal year ended May 31, 2018.

AUDIT COMMITTEE CHARTER

I. Qualifications for Membership on the Audit Committee

The Audit Committee of each Prudential Retail Mutual Fund (each, a Fund) shall consist of a minimum of three Directors of the Fund, appointed by the Board of Directors of the Fund:

- (a) no member shall be an interested person of the Fund, as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940 (1940 Act) and each member shall meet any applicable independence requirements of any national securities exchange or market quotation system on which Fund shares are or become listed or quoted;
- (b) no member shall accept directly or indirectly any consulting, advisory, or other compensatory fee from the Fund (other than in his or her capacity as a member of the Board of Directors or any committee thereof);
- (c) at the time of his or her appointment to the Audit Committee, each member shall be financially literate as such qualification is interpreted by the Board of Directors in its business judgment, or must become financially literate within a reasonable period of time after his or her appointment to the Audit Committee; and
- (d) at least one member must have accounting or related financial management expertise as the Board of Directors interprets such qualification in its business judgment.

The Board of Directors shall determine (i) annually if simultaneous service on the audit committees of more than three public companies by a member of the Audit Committee would not impair the ability of such member to effectively serve on the Audit Committee and (ii) biennially whether any member of the Audit Committee is an audit committee financial expert, as defined in Item 3 of Form N-CSR.

II. Purposes of the Audit Committee

The purposes of the Audit Committee are:

- (a) to oversee the accounting and financial reporting policies and processes of the Fund and its internal control over financial reporting;
- (b) to oversee the integrity of the Fund's financial statements and the independent audit thereof;
- (c) to oversee, or as appropriate, assist Board oversight of, the Fund's compliance with legal and regulatory requirements that relate to the Fund's accounting and financial reporting, internal control over financial reporting and independent audits;
- (d) to approve the engagement of the Fund's independent registered public accounting firm (independent accountants) and, in connection therewith and on an ongoing basis, to review and evaluate the qualifications, independence and performance of the Fund's independent accountants;
- (e) to prepare an Audit Committee report as required by rules promulgated by the Securities and Exchange Commission to be included in a Fund proxy statement; and
- (f) to act as a liaison between the Fund's independent accountants and the full Board.

III. Role and Responsibilities of the Audit Committee

The function of the Audit Committee is oversight; it is management's responsibility to maintain appropriate systems for accounting and internal control over financial reporting, and the independent accountants' responsibility to plan and carry out a proper audit. Specifically, Fund management is responsible for: (1) preparation, presentation and integrity of the Fund's financial statements; (2) maintenance of appropriate accounting and financial reporting principles and policies; (3) maintenance of internal control over financial reporting and other procedures designed to assure compliance with accounting standards and related laws and regulations; and (4) maintenance of procedures for the reporting to the Audit Committee of material findings by the internal audit department of Prudential Financial, Inc. relating to the operations of the Fund and/or its advisers or service providers. The independent accountants are responsible for planning and carrying out an audit consistent with applicable legal and professional standards and terms of their engagement letter. The independent accountants are accountable to the Board of Directors and the Audit Committee, as representatives of the shareholders. The Audit Committee and the Board of Directors have the ultimate authority and responsibility to retain and terminate the Fund's independent accountants (subject, if applicable, to shareholder ratification). Nothing in this Charter shall be construed to reduce the responsibilities or liabilities of the Fund's service providers, including the independent accountants.

The review of a Fund's financial statements by the Audit Committee is not an audit, nor does the Committee's review substitute for the responsibilities of the Fund's management for preparing, or the independent accountants for auditing, the financial statements. In fulfilling their responsibilities hereunder, it is recognized that members of the Audit Committee are not full-time employees of the Fund or management and, in serving on this Committee, are not, and do not hold themselves out to be, acting as accountants or auditors. As such, it is not the responsibility of the Committee or its members to conduct audits, to determine that the financial statements are complete and accurate and are in accordance with generally accepted accounting principles, to conduct field work or other types of auditing or accounting reviews or procedures.

In discharging their duties, the members of the Audit Committee are entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by: (1) one or more officers of the Fund whom the Director reasonably believes to be reliable and competent in the matters presented; (2) legal counsel, public accountants, or other persons as to matters the Director reasonably believes are within the person's professional or expert competence; (3) a Board committee of which the Director is not a member; and (4) representations made by management as to any information technology, internal audit and other non-audit services provided by the independent accountants to the Fund. Management means the Fund's investment adviser or administrator, acting through its officers and employees, not the Fund's officers as such.

IV. Duties and Powers of the Audit Committee

To carry out its purposes, the Audit Committee shall have the following duties and powers:

- (a) to select or retain independent accountants to annually audit and provide their opinion on the Fund's financial statements, and recommend to those Board members who are not interested persons (as that term is defined in Section 2(a)(19) of the 1940 Act) to ratify the selection or retention;
- (b) to terminate, as appropriate, the independent accountants;
- (c) to monitor the independence and capabilities of the independent accountants;
- (d) to review and approve the independent accountants' compensation and the proposed terms of their engagement, including the fees proposed to be charged to the Fund by the independent accountants for each audit and non-audit service;

- (e) to approve prior to appointment, the engagement of the independent accountant or any other independent accounting firms to provide other audit services to the Fund or to provide permissible non-audit services to the Fund, its investment adviser (which throughout this Charter includes the Fund's subadviser(s), if any), administrator or any entity controlling, controlled by, or under common control with the investment adviser or the administrator (adviser/administrator affiliate) that provides ongoing services to the Fund, if the engagement relates directly to the operations or financial reporting of the Fund and as otherwise required by law;
- (f) to establish, to the extent deemed appropriate by the Audit Committee, policies and procedures for pre-approval of the engagement of the Fund's independent accountants to provide any of the services described in the paragraph immediately above;
- (g) to discuss with management the independent accountants' proposals for implementing the rotation of the lead audit partner, the concurring partner and any other active audit engagement team partner and to consider periodically whether to rotate the audit firm itself;
- (h) to consider the controls applied by the independent accountants and any measures taken by management in an effort to assure that all items requiring pre-approval by the Audit Committee are identified and referred to the Committee in a timely fashion;
- (i) to consider whether the non-audit services provided by the Fund's independent accountants to the Fund, the Fund's investment adviser, administrator or any adviser/administrator affiliate that provides ongoing services to the Fund, are compatible with maintaining the independent accountants' independence;
- (j) to recommend to the Board of Directors the appointment of the Fund's principal accounting officer and principal financial officer;
- (k) to review with the independent accountants the arrangements for and scope of the annual audit and any special audits; the personnel, staffing, qualifications and experience of the independent accountants, including any specialized knowledge or skill needed to perform the audits; any significant changes to the planned audit strategy or identified risks; and any significant issues that the independent accountants discussed with management in connection with their appointment or retention;
- (l) to oversee the work of the Fund's independent accountants by reviewing, with the independent accountants, (i) the arrangements for, the scope of, and the results of, the audit of annual financial statements, including any significant changes to the planned audit strategy or identified risks; and (ii) the Fund's accounting and financial reporting policies and practices, its internal controls and, as appropriate, the internal controls of key service providers;
- (m) to review and discuss the Fund's annual audited financial statements, and, to the extent required by applicable law or regulations, the Fund's interim financial statements, with Fund management and the Fund's independent accountants, including the significant assumptions underlying highly subjective estimates and any accounting adjustments arising from the audit that were noted or proposed by the independent accountants but were not implemented (as immaterial or otherwise); reviewing the Fund's specific disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations, to review the independent accountants' opinion on the Fund's financial statements; and to review any matters relating to the other information in documents containing the audited financial statements of the Fund;
- (n) to review with the independent accountants all matters required to be communicated to the Audit Committee by the independent accountants including, but not limited to: (a) the results of the most recent inspection of the independent accountants by the Public Company Accounting Oversight Board (PCAOB), including the independent accountants' response to any identified accounting deficiencies; (b) the extent to which the independent accountants intend to use the internal auditors of the Funds or Management in the audit; (c) any

complaints or concerns regarding accounting or auditing matters that have come to the attention of the independent accountants; (d) the detection of fraud or illegal acts; (e) any violations or possible violations of laws or regulations; (f) any significant issues or other contentious matters for which the independent accountants have consulted outside the engagement team; (g) any disagreements or difficulties with management; (h) any significant transactions that are outside the ordinary course of business or otherwise appear to be unusual; (i) any significant accounting policies in controversial areas or areas for which there is a lack of authoritative guidance or diversity in practice; (j) any consultations by management with other accountants, information about other accounting firms or other persons performing audit procedures, and the basis upon which the independent accountants can serve as principal auditor if significant parts of the audit will be performed by other auditors; and (k) any other matters required to be discussed pursuant to all applicable PCAOB or other applicable standards or other matters arising out of the audit that are significant to the oversight of the Fund's financial reporting process;

(o) *[Exchange-listed funds only] to review major issues regarding accounting principles and financial statement presentations, including any significant changes in the Fund's selection or application of accounting principles, and major issues as to the adequacy of the Fund's internal controls and any special audit steps adopted in light of material control deficiencies;*

(p) to review, as appropriate and in consultation with management of the Fund and/or the independent accountants, reports or other communications submitted by the independent accountants and/or management, whether voluntary or mandated by law, including those relating to Fund accounting and financial reporting policies, procedures and internal controls over financial reporting (including the Fund's critical accounting policies and practices and any judgments made in connection with the preparation of the financial statements), any matters of concern relating to the Fund's financial statements (**[Exchange-listed funds only]** *including the effects of alternative generally accepted accounting principles (GAAP) methods on financial statements and any adjustments to such statements recommended by the independent accountants*), any material problems or difficulties in conducting the audit or reaching an unqualified opinion on the financial statements, any significant disagreements with management and, to the extent the Audit Committee deems necessary or appropriate, any matters to promote improvements in the quality of the Fund's accounting and financial reporting, as well as any management responses to comments relating to those policies, procedures, controls and other issues;

(q) to review with the Fund's principal executive officer and/or principal financial officer in connection with required certifications on Form N-CSR any significant deficiencies in the design or operation of internal controls over financial reporting or material weaknesses therein and any reported evidence of fraud involving management or other employees or employees of the investment adviser who have a significant role in the Fund's internal control over financial reporting;

(r) to consider, in consultation with the independent accountants and management, the adequacy of the Fund's accounting and financial reporting policies and practices, and their internal controls and procedures for financial reporting;

(s) to establish procedures for (i) the receipt, retention and treatment of complaints received by the Fund relating to accounting, internal accounting controls, or auditing matters, and (ii) the confidential, anonymous submission by employees of the Fund and by employees of the Fund's investment adviser, administrator, principal underwriter, and any other provider of accounting related services for the Fund of concerns about accounting or auditing matters;

(t) to address reports from attorneys (in accordance with any attorney conduct procedures adopted by the Fund or its investment adviser from time to time) or independent accountants of possible violations of federal or state law or fiduciary duty;

(u) *[Exchange-listed funds only] to review the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the financial statements of the Fund;*

- (v) to review, periodically, reports to the Audit Committee regarding findings by the internal audit department of Prudential Financial, Inc. relating to the operations of the Fund and/or its advisers or service providers;
- (w) to investigate, or initiate an investigation, when the Committee deems it necessary, of reports (which may be submitted confidentially and anonymously) of potential improprieties or improprieties in connection with the Fund's accounting or financial reporting Fund operations;

- (y) to resolve disagreements between management and the independent accountants regarding financial reporting or in Fund operations;
- (z) *[Exchange-listed Funds only]* to discuss, as appropriate, the Fund's earnings press releases (including the type and presentation of information to be included therein, paying particular attention to any use of *pro forma*, or *adjusted non-GAAP*, information), as well as financial information and earnings guidance provided to analysts and rating agencies, if any;
- (aa) at least annually, to obtain and review a report by the Fund's independent accountants describing: (i) such independent accountants internal quality-control procedures; (ii) any material issues raised by the most recent internal quality-control review, or peer review, of such independent accountants, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by such independent accountants, and any steps taken to deal with any such issues; and (iii) to assess the independence of the Fund's independent accountants, all relationships between the Fund's independent accountants and the Fund, the Fund's investment adviser, administrator and affiliates thereof;

Any decisions of the subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next regularly scheduled meeting. Pre-approval of the audit required by the Securities Exchange Act of 1934 may not be delegated.

The Audit Committee shall have the resources and authority appropriate to discharge its responsibilities, including appropriate funding, as determined by the Committee, for payment of compensation to the Fund's independent accountants or any other accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit review or attest services for the Fund, the authority to retain and compensate independent counsel and other advisers as the Committee deems necessary, and the appropriate resources, as the Committee deems necessary, to pay for ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties.

V. Meetings of the Audit Committee

The Audit Committee shall regularly meet, in separate executive sessions, with representatives of Fund management and the Fund's independent accountants. The Committee may also request to meet with internal legal counsel and compliance personnel of the Fund's investment adviser or administrator and with entities that provide significant accounting or administrative services to the Fund to discuss matters relating to the Fund's accounting and compliance as well as other Fund-related matters.

NOMINATING AND GOVERNANCE COMMITTEE

CHARTER

The responsibilities of the Nominating and Governance Committee of each Fund include:

Recommending to the Board of Directors of the Fund the slate of nominees for Independent Directors and Non-Management Directors to be elected (including any Directors to be elected to fill vacancies). The Committee will evaluate candidates' qualifications for Board membership and their independence from management and principal service providers in terms of both the letter and the spirit of the Investment Company Act of 1940 and the Rules, Regulations and Forms under the Act. The Committee also will consider the effect of any relationships beyond those delineated in the 1940 Act that might impair independence, such as business, financial or family relationships with Fund managers or service providers.

Interviewing (which will be done by the Committee Chair and at least one other member of the Committee) any candidates (Independent, Interested or Non-Management) whom the Committee anticipates recommending to the Board of Directors for service on the Board. The Committee will not consider any candidate for an Independent Director who is a close family member of an employee, officer or interested Director of any Fund or its affiliates.

Reviewing the independence of Independent Directors then serving on the Fund Board. An otherwise Independent Director who served as an officer or director of the Fund's manager, investment adviser, principal underwriter or any affiliate thereof will not be deemed independent, unless two years have elapsed since he or she severed all such affiliations. No close family member of an employee, officer or interested Director of any Fund or its affiliates will be deemed independent. No person who receives, or who in the preceding two years has received, any consulting, advisory or similar fee from PGIM or any affiliate thereof, will be deemed independent.

Recommending, as appropriate, to the Board the Independent Directors to be selected for membership on the various Board Committees.

Reviewing the composition of the Board of Directors to determine whether it may be appropriate to add individuals with different backgrounds or skills from those already on the Board.

Reporting biennially to the Board on whether the Audit Committee has at least one Audit Committee Financial Expert.²

Assisting the Board Chair with the development of Board meeting agendas.

Reviewing each Director's beneficial investment in Fund shares. Each Independent and Non-Management Director is expected to maintain, either directly, beneficially or through the deferred compensation plan, investments in one or more Funds in the cluster that are equal to the aggregate fees for one year that he or she receives for Board-related service to the Funds. Under ordinary circumstances, new Independent Directors will have two years to comply with this policy.

Being available to assist the Board of Directors in evaluating the quality of Director participation on the Board, which may be measured, in part, by factors such as attendance and contributions at Board meetings and by a review of responses to the annual Board Assessment Questionnaire. The Committee will review, with the Board Chair, the summary of responses to the Board Assessment Questionnaire and report those responses to

the full Board. A Director automatically will be ineligible for re-nomination to the Board, and the Board will request his or her resignation, if for health or any other reason the individual fails to participate, over any eighteen-month period, in (1) three consecutive regularly scheduled in-person meetings of the Board or (2) four in-person meetings of the Board.

Recommending to the Board a successor to the Board Chair prior to the expiration of a term or when a vacancy occurs.

Developing an annual education calendar that details the topics to be addressed in the Board's quarterly education sessions. The educational calendar for a year will be presented to the full Board at its last quarterly meeting of the prior year. The Committee Chair, in consultation with the Board Chair, may make adjustments to the educational calendar during the year as appropriate due to industry or regulatory developments or other factors.

Annually monitoring the attendance by each Independent Director and Non-Management Director at educational seminars, conferences or similar meetings. The Board expects each Independent and Non-Management Director to attend at least one such meeting per year. Any Independent or Non-Management Director who wishes to attend an educational seminar, conference or similar meeting must obtain the consent of the Board Chair before incurring expenses in connection with that educational seminar, conference or meeting.

Developing and conducting orientation sessions for any new Independent or Non-Management Directors before or shortly after the new Director joins the Board.

In collaboration with outside counsel and as required by law or deemed advisable by the Committee, developing policies and procedures addressing matters which should come before the Committee in the proper exercise of its duties.

Reviewing, at least annually, the Board's adherence to industry recommended practices.

Reviewing, at least annually, the performance of outside counsel to the Funds and of counsel to the Independent Directors, including fees and expenses.

Reviewing compliance with the policy encouraging Independent and Non-Management Directors to provide, when feasible, at least six months' notice before resigning from the Board.

Reviewing Director compliance with the requirement that a Director must retire from Board service by December 31 of the year in which he or she reaches the age of 75.

Reviewing and making recommendations to the Board of Directors concerning Independent and Non-Management Director compensation and expenses, including:

annual fees;

supplemental compensation for Committee service;

supplemental compensation for serving as a Committee Chair;

Board or Committee meeting attendance fees;

daily service fees or per diem amounts, as contemplated by the Board Compensation Policy; and

expense reimbursement.

Annually reviewing and, as appropriate, recommending changes to its Charter.

B-2

Process for Review of Possible Conflicts

From time to time, an Independent or Non-Management Director may be asked to serve on the board of a company or investment vehicle or may otherwise have an opportunity to be involved in the financial services industry or with a company or group that is involved with the financial services industry. Subject to confidentiality considerations, such Director will notify the Chair of the Committee and Independent Directors counsel as promptly as possible if any of these situations should arise. The Committee Chair will work with counsel to coordinate appropriate communications with management, the Board Chair and the Committee. At the conclusion of this process (and during the process, as appropriate), the Committee Chair will communicate with the Director. For purposes of this paragraph, involvement with the financial services industry includes any public pronouncements (whether written or oral) pertaining to any aspect of the industry (including, but not limited to, investments, fees, administrative matters and governance practices).

External Communications

Consistent with the penultimate bullet point in the Board Chair Responsibilities section of this Handbook, Independent and Non-Management Directors should refrain from all communications with the media or otherwise relating to the Board, the Funds, and Prudential Financial, Inc., (or its affiliates). Directors should refer all communications to the Board Chair or counsel to the Independent Directors. Communications for purposes of this paragraph means all forms of communications (written or oral) and includes, but is not limited to, interactions with the media, professional or academic publications and organizations and/or all forms of social media. Only the Board and Nominating & Governance Committee Chairs can make exceptions to this policy, after consulting with counsel to the Independent Directors.
