registrant in connection with Rule 12g3-2(b):

Gollog Expands to New International Destinations

São Paulo, February 17, 2006 GOL Linhas Aéreas Inteligentes (NYSE: GOL and Bovespa: GOLL4), Brazil's low-fare, low-cost airline, announces that it has expanded its Gollog operations – the Company's cargo transport service business – to several new international destinations: Montevideo (Uruguay), Asuncion (Paraguay), Rosario (Argentina) and Cordoba (Argentina).

Gollog's first international destination was Buenos Aires (Argentina) which began in February 2005. With the expansion of Gollog, clients wishing to send or receive cargo will be able to choose from a total of 43 locations throughout South America. There are 38 Gollog destinations in Brazil, three in Argentina, and one in both Paraguay and Uruguay.

The expansion of international destinations served by Gollog demonstrates the Company's commitment to grow its operations in South America, while maintaining high quality service and commitment to innovation, on time delivery and low fares, says Tarcisio Gargioni, Vice President of Marketing and Services for GOL.

About GOL Linhas Aéreas Inteligentes

GOL Linhas Aéreas Inteligentes, a low cost, low fare airline, is one of the most profitable and fastest growing airlines in the industry worldwide. GOL operates a simplified fleet with a single class of service. The Company has one of the youngest and most modern fleets in the industry resulting in low maintenance, fuel and training costs, with high aircraft utilization and efficiency ratios. In addition, safe and reliable services, which stimulate GOL's brand recognition and customer satisfaction, allow GOL to have the best value proposition in the market. GOL currently offers over 440 daily flights to 49 major business and travel destinations in Brazil, Argentina, Bolivia, Uruguay and Paraguay with substantial expansion opportunities. GOL's growth plans include increasing frequencies in existing markets and adding service to additional markets in both Brazil and other high-traffic South American travel destinations. GOL's shares are listed on the NYSE and the Bovespa. GOL: here everyone can fly!

For more information, flight times and fares, please access our site at www.voegol.com.br or call: 0300-789-2121 in Brasil, 0810-266-3131 in Argentina, 800-1001-21 in Bolívia, 0004 055 127 in Uruguai, 009 800 55 1 0007 in Paraguai and 55 11 2125-3200 in other countries.

This release contains forward-looking statements relating to the prospects of the business, estimates for operating and financial results, and those related to growth prospects of GOL. These are merely projections and, as such, are based exclusively on the expectations of GOL's management concerning the future of the business and its continued access to capital to fund the Company's business plan. Such forward-looking statements depend, substantially, on changes in market conditions, government regulations, competitive pressures, the performance of the Brazilian economy and the industry, among other factors and risks disclosed in GOL's filed disclosure documents and are, therefore, subject to change without prior notice.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
