registrant in connection with Rule 12g3-2(b):

GOL Received IRGR Awards for Best Corporate Governance Practices and IR Website

São Paulo, April 9, 2010 A GOL Linhas Aéreas Inteligentes S.A. (BM&FBovespa: GOLL4 and NYSE: GOL), Latin America's largest low-cost and low-fare airline, received yesterday two awards in the 12th Annual IR Global Rankings 2010 (IRGR), which ranks and recognizes best practices in investor relations practices. This year, 503 companies from 35 countries and 10 industries participated.

In the global rankings, GOL was placed third in its industry in the Best Corporate Governance Practices category and in the Top 5 in Latin America. This category awards organizations with best practices in management transparency and disclosure to investors.

GOL was also placed second worldwide in its industry in the Best IR Website category and third in Latin America. This category awards those organizations with the best IR websites in terms of content, navigation and interactivity.

About IR Global Rankings:

IR Global Rankings (IRGR) was created in 1999 by MZ Consult, the leading IR firm in Latin America, and is the most complete ranking system that analyzes IR websites, online annual report, financial disclosure procedures and corporate governance practices. The methodology is based on an extensive and detailed technical evaluation of over one hundred items and is conducted by a team of Investor Relations specialists and verified by an independent committee.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
