#### Item 9.01 Financial Statements and Exhibits.

The attached Exhibit Index is incorporated herein by reference.

Neose "Safe Harbor" Statement under the Private Securities Litigation Reform Act of 1995: Statements in this Current Report on Form 8-K and the attached press release regarding our business that are not historical facts are "forward-looking statements" that involve risks and uncertainties, including the risk that we will be unable to resolve clinical hold issues in the U.S., the risk that we will be unable to resolve the issues surrounding our potency assay, the risk that NE-180 fails in clinical trials, the risk that we will never receive regulatory approval of NE-180 or any of our other product candidates and the risk that we will be unable to successfully commercialize or market NE-180 or any of our other product candidates. For a discussion of these risks and uncertainties, any of which could cause our actual results to differ from those contained in the forward-looking statement, see the section of Neose's Annual Report on Form 10-K for the year ended December 31, 2005, entitled "Factors Affecting the Company's Prospects" and discussions of potential risks and uncertainties in Neose's subsequent filings with the SEC.
