**Item 8.01 Other Events.**

On December 30, 2008, Registrant's wholly-owned subsidiary, Avatar Properties Inc. ("Properties"), entered into separate transactions with two unrelated third parties providing for the formation of joint venture partnerships. Properties subsequently sold developed and partially-developed land within one of its Central Florida community developments to each of the newly formed partnerships. Properties acquired a minority ownership interest in each of the ventures and shares in the management of each of the ventures.

In addition, on December 31, 2008, Majestic Oaks Developers, LLLP, a Florida limited liability limited partnership in which Properties and an affiliated entity owned a 50% ownership interest, sold all of its real estate assets.

These transactions generated aggregate sales proceeds to Properties of approximately \$11.4 million in assets with an aggregate book value of approximately \$39.4 million. Sales proceeds consisted of approximately \$7 million cash, of which Properties invested approximately \$1.6 million for partnership interests in the joint ventures, and approximately \$4.4 million in notes receivable. The pre-tax loss of approximately \$28 million is anticipated to, but there can be no assurance that it will, result in a loss carryback against 2006 taxable income and generate an income tax refund of approximately \$9.8 million.
