**Item 1.01 Entry into a Material Definitive Agreement.**

On April 30, 2010, Gilead Sciences Limited (GSL), a wholly-owned subsidiary of Gilead Sciences, Inc. (Gilead), and Evonik Degussa GmbH, formerly known as Degussa AG (Evonik), entered into an amendment (Amendment) to the Emtricitabine Manufacturing Supply Agreement dated as of June 6, 2006 (Supply Agreement).

Under the Supply Agreement, Evonik manufactures and supplies GSL with commercial supply of bulk emtricitabine, the active pharmaceutical ingredient of Emtriva® and one of the active pharmaceutical ingredients of Truvada® and Atripla®. The Amendment extends the term of the Supply Agreement from December 31, 2013 to December 31, 2014, reduces the purchase price and reduces the minimum payment obligations over the term of the Supply Agreement. In addition, the Amendment sets forth the procedure that the parties will follow when dealing with price fluctuations related to raw materials used in the production of emtricitabine.

The foregoing description of the Amendment contained in this Item 1.01 does not purport to be complete and is qualified in its entirety by reference to the complete text of the Amendment, which will be filed, with confidential terms redacted, with the Securities and Exchange Commission as an exhibit to the registrant's Quarterly Report on Form 10-Q for the period ending on June 30, 2010.
