(1) A non-vote occurs when brokers or nominees have voted on some of the matters to be acted on at a meeting, but do not vote on certain other matters because, under the rules of the New York Stock Exchange (which govern brokers even if they hold NASDAQ securities), they are not allowed to vote on those other matters without instructions from the beneficial owner of the shares. Broker non-votes are counted when determining whether the necessary quorum of stockholders is present or represented at each annual meeting, but have no effect on the outcome of the vote for the election of directors or the advisory approval of executive compensation.
