INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The following documents filed with the Commission are incorporated by reference, to the extent not superseded by documents or reports subsequently filed or furnished:

(a) our Form 20-F for the fiscal year ended September 30, 2008, filed with the Commission on December 2, 2008 (the 2008 Form 20-F) pursuant to the Securities Exchange Act of 1934 (the Exchange Act).

Our consolidated financial statements as of September 30, 2008 and 2007, and for each of the years in the three-year period ended September 30, 2008, and management's assessment of the effectiveness of internal controls over financial reporting as of September 30, 2008, appearing in our 2008 Form 20-F have been incorporated by reference in this Registration Statement in reliance upon the report of KPMG AG Wirtschaftsprüfungsgesellschaft, an independent registered public accounting firm (KPMG), appearing in our 2008 Form 20-F, and upon the authority of said firm as experts in accounting and auditing.

(b) The description of the Ordinary Shares contained under the heading Item 10: Additional Information Capital Stock in the Registrant's Registration Statement on Form 20-F/A, filed with the Commission on March 14, 2001, and in Item 10: Additional Information Rights, Preferences and Restrictions Attaching to Our Shares in the 2008 Form 20-F.

(c) All other reports filed by us pursuant to Section 13(a) or 15(d) of the Exchange Act since the fiscal year ended September 30, 2008.

All documents subsequently filed by us (with respect to any Form 6-K, only to the extent designated therein) pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act, prior to the filing of a post-effective amendment to this Registration Statement that indicates that all securities offered hereby have been sold or that deregisters all securities remaining unsold, shall be deemed to be incorporated by reference into this Registration Statement and to be part hereof from the date of filing of such documents.

To the extent that, in subsequent Forms 20-F, KPMG audits and reports on our consolidated financial statements and the effectiveness of internal control over financial reporting issued at future dates, and consents to the use of its report thereon, the audited consolidated financial statements and management's assessment of the effectiveness of internal control over financial reporting appearing in such Form 20-F will be incorporated by reference in this Registration Statement in reliance upon its report and said authority.

Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document that also is deemed to be incorporated by reference herein modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute part of this Registration Statement.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

The validity of the Ordinary Shares to be issued under the Plan will be passed upon for us by Solms U. Wittig, General Counsel Corporate and Finance. Mr. Wittig is a full time employee of the Registrant and may be eligible to participate in the Plan and receive Ordinary Shares thereunder. Mr. Wittig currently beneficially owns less than 0.001% of our outstanding Ordinary Shares.

Item 6. Indemnification of Directors and Officers.

Under German law, a corporation may indemnify its officers, and, under certain circumstances, German labor law requires a stock corporation to do so. However, a corporation may not, as a general matter, indemnify members of the management or supervisory board. A German stock corporation may, however, purchase directors and officers insurance. The insurance may be subject to any mandatory restrictions imposed by German law. In addition, German law may permit a corporation to indemnify a member of the management board or supervisory board for attorneys fees incurred if such member is the successful party in a suit in a country, like the United States, where winning parties are required to bear their own costs, if German law would have required the losing party to pay the member's attorneys fees had the suit been brought in Germany.

The Registrant provides a group insurance policy for directors and officers of the Registrant and its subsidiaries that is taken out for one year and renewed annually. The insurance covers the personal liability of each insured in the case of a financial loss associated with employment functions. In such a case, the Registrant may, with effect from October 1, 2005, hold members of the Managing Board of Siemens Aktiengesellschaft liable for such loss up to an amount equivalent to 20 percent of their respective fixed salaries. In the same way, each member of the Supervisory Board of Siemens Aktiengesellschaft has individually agreed to be held liable up to an amount equivalent to 20 percent of their fixed compensation component (i.e., a deductible within the meaning of Section 3.8, paragraph 2, of the German Corporate Governance Code).

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement;

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for purposes of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

Table of Contents

(b) The undersigned Registrant hereby further undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
