- (1) Represents the withholding of shares to satisfy tax withholding obligation.
- (2) Total amount of shares beneficially owned includes shares deferred upon vesting of certain restricted stock units. The deferred shares will be settled in accordance with the terms of the deferral election.

The performance-based restricted stock units will be eligible to vest during a four-year performance period following the award's grant date based on the company's stock price trading at certain pre-determined price thresholds. Once a price threshold is achieved, the portion

(3) of the award related to that threshold will vest one year later, subject to the individual continuing to provide services to the company through the applicable vesting date. Any shares underlying the performance-based restricted stock units that vest will be settled pursuant to the terms of a deferral election.
