-----------------------------------	---	-------------

As indicated in the table above, each nominee for election to the Board of Directors is currently serving as a member of the Board and is standing for re-election. Mr. Dewey's experience as the Corporation's President and Chief Executive Officer and, previously, as a management consultant to technology and engineering clients, makes him a valuable member of the Board. LTG Link's military and engineering background and his experience in the defense industry makes him a valuable member of the Board. Mr. Robert's business and executive management experience, including experience with large property management, makes him a valuable member of the Board. Mr. Rhodes' business and consulting experience (including his former position as a Vice President of Booz Allen Hamilton, Inc. advising aerospace and defense companies) makes him a valuable member of the Board. Mr. Tassello's financial and accounting experience and his service as a chief financial officer makes him a valuable member of the Board.

SEC rules require that the Corporation disclose whether members of the Board of Directors are "independent", as that term is defined in stock exchange rules. Although the Corporation's shares do not trade on Nasdaq, if the Nasdaq definition of "independence" were to apply, LTG James M. Link, Nathaniel Roberts, John B. Rhodes and Ronald Tassello would be "independent" for these purposes and John H.D. Dewey would not be "independent" for these purposes.

During the Corporation's last fiscal year ended June 30, 2012, the Board of Directors and its committees held a total of nine meetings (including telephonic meetings). The Board of Directors has the following committees: (1) Audit Committee, (2) Executive Compensation Committee, (3) Stock Option Committee and (4) Business Development Committee. The Board does not have a nominating committee.

The Audit Committee is composed of Ronald Tassello (Chairman), John Rhodes and James M. Link. Although the Corporation's shares do not trade on Nasdaq, if the Nasdaq definition of "independence" were to apply, all of the members of the Audit Committee would be "independent" for these purposes. The Committee held four meetings during the last fiscal year. For additional information regarding the Audit Committee, see "Independent Public Accountants" below.

The Executive Compensation Committee is composed of Messrs. Roberts, Link and Tassello. Although the Corporation's shares do not trade on Nasdaq, if the Nasdaq definition of "independence" were to apply, all of the members of the Executive Compensation Committee would be "independent" for these purposes. The Committee held one meeting during the last fiscal year. The Committee assists the Board in meeting its responsibilities with regard to oversight and determination of executive compensation. It reviews and makes recommendations to the Board with respect to major compensation plans, policies and programs for the Corporation. The CEO meets with, and discusses executive performance with, the Committee. The Committee evaluates this information and takes it into account in making recommendations to the entire Board for approval. The Committee did not retain advisors in the last fiscal year. It does not have a charter.

The Stock Option Committee is composed of Messrs. Rhodes and Roberts. The Committee held one meeting during the last fiscal year. Although the Corporation's shares do not trade on Nasdaq, if the Nasdaq definition of "independence" were to apply, all of the members of the Stock Option Committee would be "independent" for these purposes. The Committee administers the 1998 Stock Option Plan of the Corporation and the 2011 Stock Option Plan of the Corporation approved by the Corporation's stockholders at the annual meeting held December 8, 2011. The Committee did not retain advisors in the last fiscal year. It does not have a charter.

The Business Development Committee is composed of John H.D. Dewey and LTG Link. The Committee assists in the identification and pursuit of potential business opportunities for the Corporation.

During the fiscal year ended June 30, 2012, each incumbent director, with the exception of James M. Link, attended at least 75% of the aggregate of (1) the total number of meetings of the Board of Directors (held during the period for

which he has been a director) and (2) the total number of meetings held by all committees of the Board on which he served (during the periods that he served). James M. Link attended 66.7% of the aggregate of (1) and (2) above.

## Director Compensation

The following table sets forth the compensation paid to each non-employee director of the Corporation for the fiscal year ended June 30, 2012:

Name of Director	Fees Earned or Paid in	
	Cash	Total
James M. Link	\$ 28,800	\$ 28,800
Nathaniel A. Roberts	\$ 4,800	\$ 4,800
John B. Rhodes	\$ 4,800	\$ 4,800
Ronald Tassello	\$ 4,400	\$ 4,400

The Corporation's current policy regarding standard compensation of directors is to pay \$4,000 per annum plus \$400 for each Board meeting attended in person. For the fiscal year ended June 30, 2012, no payments for services as a director or committee member were made to John H.D. Dewey (who received compensation as an officer of the Corporation). In addition to the standard directors fees, James M. Link was paid \$24,000 for serving on the Business Development Committee during fiscal year 2012. In December 2001, stockholders approved a Stock Option Plan for Non-Employee Directors under which options exercisable for a total of 50,000 shares of Common Stock may be granted. To date, no options have been granted under this plan, which is administered by the Board.

## Executive Officers

In addition to John H. D. Dewey (see "Information Concerning Directors and Nominees" above), the Corporation's executive officers are:

Edward L. Proskey, age 56, who was elected Vice President, Operations of the Corporation in June 1994. He became Senior Vice President, Operations in June 2003 and Senior Vice President in August 2008.

Dana P. Hollis, age 61, who was elected as Vice President, Business Development/Program Management in January 2007. Previously, from May 1985 to 2006, Mr. Hollis was employed by Smiths Aerospace, LLC, a systems and avionics manufacturer, in various positions, including Senior Project Engineering Manager and Senior Program Manager; and previous to that he was the Senior Project Engineer – Engine Controls and Accessories at United Technologies from October 1979 to April 1985.

Stephen P. Krill, age 60, who became an employee of the Corporation in September 2005 and was elected Treasurer in December 2005. Previously, from January 16, 2005, Mr. Krill provided financial consulting services to the Corporation as an employee of Resources Global Professionals, a temporary financial staffing company; from 2001 to 2005 he was an associate with Robert Half, Inc., also a temporary financial staffing company; and previous to that he spent 15 years at Southco Inc., a manufacturer of access hardware, as a Controller and Corporate Financial Consultant.

## Retirement Benefits

The Corporation has a non-contributory pension plan for substantially all active employees, under which, in general, employees can receive an amount per month equal to 0.8% multiplied by their years of service (up to a maximum of 35 years of service) multiplied by their average monthly earnings (based on earnings during the five years preceding retirement), up to a specified maximum of \$850 per month for life assuming normal retirement at age 65. Upon the employee's death, 50% of the monthly benefit is payable to the employee's spouse for life.

## Insurance Arrangements

The Corporation has insurance coverage under which its directors and officers (as well as the Corporation) are indemnified under certain circumstances with respect to litigation and other costs and liabilities arising out of actual or alleged misconduct of such directors and officers. The Corporation pays all premiums to the insurer.

## Section 16(a) Beneficial Ownership Reporting Compliance

For the fiscal year ended June 30, 2012, based solely on a review of copies of reports furnished to the Corporation or written representations that no other reports were required, the Corporation believes that all filing requirements under Section 16(a) of the Securities Exchange Act of 1934 applicable to its executive officers, directors and 10% shareholders were complied with.

## Certain Corporate Governance Matters

**Board Leadership Structure.** The positions of Chairman of the Board and Chief Executive Officer of the Corporation are currently held by the same individual, John Dewey. The Board of Directors does not have a lead independent director. The Board believes that, in light of the Corporation's size, as well as the size of the Board, this structure currently is the preferable leadership structure for the Corporation.

**Board Role in Risk Oversight.** The Board of Directors as a whole has ultimate oversight responsibility for the risk management process. The risk oversight function is carried out both by the full Board and by individual Board committees. The Audit Committee oversees risks associated with financial and accounting matters, and the Corporation's financial reporting and internal control systems. On a regular basis the Board and its committees receive information and reports from senior management (and, when appropriate, from outside counsel and other advisors) in order to identify, evaluate and take steps to manage and mitigate the risks associated with the Corporation's strategic and business plans and operations.

**Code of Business Conduct and Ethics.** The Corporation has adopted a Code of Business Conduct and Ethics that applies to all of its directors, officers and employees. The code is available at the Corporation's website at [www.deweyelectronics.com](http://www.deweyelectronics.com). Any substantive amendments to the code and any grant of a waiver from a provision of the code requiring disclosure under applicable SEC rules will be disclosed in a report on Form 8-K.

**Stockholder Communications with the Board of Directors.** The Corporation's Board of Directors has adopted the following policy by which stockholders may communicate with the Board or with individual directors or Board committees. The communication should be in writing, addressed to the Board or applicable committee or directors, c/o Corporate Secretary, The Dewey Electronics Corporation, at the Corporation's executive offices. The Corporate Secretary will review all such correspondence received and will periodically, at least quarterly, forward to the applicable directors a summary of all such correspondence together with copies of correspondence that the Corporate Secretary believes should be seen in its entirety. Correspondence or summaries will be forwarded to the applicable directors on an expedited basis where the Corporate Secretary deems it appropriate. Communications raising

concerns related to the Corporation's accounting, internal controls, or auditing matters will be immediately brought to the attention of the Audit Committee.

Directors may at any time review a log of correspondence received by the Corporation that is addressed to the director (or to the full Board or a Board committee on which he serves) and may request copies of any such correspondence.

The Corporation believes that it is important for directors to directly hear concerns expressed by stockholders. Accordingly, it is the Corporation's policy that Board members are expected to attend the Annual Meeting of Stockholders absent a compelling commitment that prevents such attendance. The December 2011 Annual Meeting was attended by all of the Corporation's directors.

Director Nominations. The candidates for election as directors at the annual meeting have been nominated by the Board. The Corporation does not have a nominating committee; the Board believes that it is desirable for such decisions to be made by the entire Board.

In evaluating director candidates for purposes of recommending director candidates to the Board, the Board will consider the following factors: the candidate's moral character and personal integrity; whether the candidate has expertise and experience relevant to the Corporation's business; whether the candidate's expertise and experience complements the expertise and experience of the other directors; whether the candidate would be independent of any particular constituency and able to represent the interests of all stockholders of the Corporation; the congeniality of the candidate with the other directors; whether the candidate would have sufficient time available to devote to Board activities; and any other factors deemed relevant by the Board. The Board does not believe that there are any specific minimum qualifications, qualities or skills that a Board-recommended nominee for election to the Board of Directors must possess, and instead is of the view that each candidate should be considered based on his or her individual experience and other qualifications, as well as the Corporation's circumstances. The Board does not have a diversity policy for consideration of director candidates.

The Board will consider director candidates recommended by stockholders of the Corporation. Stockholders may recommend an individual for consideration by submitting to the Board the name of the individual, his or her background (including education and employment history), a statement of the particular skills and expertise that the candidate would bring to the Board, the name, address and number of shares of the Corporation beneficially owned by the stockholder submitting the recommendation, any relationship or interest between such stockholder and the proposed candidate, and any additional information that would be required under applicable SEC rules to be included in the Corporation's proxy statement if such proposed candidate were to be nominated as a director.

Such submissions should be addressed to the Board of Directors c/o Corporate Secretary, at the Corporation's executive offices. In order for a candidate to be considered for any annual meeting, the submission must be received by the Corporation no later than the May 15 preceding such annual meeting. The Corporation anticipates that its next annual meeting will be held in December 2013 (the month when it typically holds its annual meetings).

The Board will evaluate the biographical information and background material relating to each potential candidate and may seek additional information from the submitting stockholder, the potential candidate, and/or other sources. The Board may hold interviews with selected candidates. Individuals recommended by stockholders will be considered under the same factors as individuals recommended by other sources.

"Audit Committee Financial Expert." The Board of Directors has determined that Mr. Ronald Tassello, a member of the Audit Committee, is the Corporation's "audit committee financial expert" as that term is defined by SEC rules. Although the Corporation's shares do not trade on Nasdaq, if the Nasdaq definition of "independence" were to apply, Mr. Tassello would be "independent" for these purposes.

## INDEPENDENT PUBLIC ACCOUNTANTS

On August 16, 2010, the Corporation was notified that Amper, Politziner and Mattia, LLP (“Amper”), the Corporation’s independent registered public accounting firm, combined its practice with that of Eisner LLP (“Eisner”) and that the combined practice operates under the name EisnerAmper LLP (“EisnerAmper”). The Audit Committee of the Corporation’s Board of Directors amended the Corporation’s engagement of Amper to provide for EisnerAmper to serve as the Corporation’s independent registered public accounting firm effective August 16, 2010. The Audit Committee has selected EisnerAmper as the Corporation’s independent registered public accounting firm for the current fiscal year. It is expected that a representative of EisnerAmper will be present at the annual meeting of stockholders with the opportunity to make a statement if they desire to do so and to respond to appropriate questions.

The audit reports on the financial statements of the Corporation as of and for the years ended June 30, 2011 and June 30, 2012 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the portion of the Corporation’s fiscal year ended June 30, 2011 through August 16, 2010 (when Amper combined its practice with Eisner), there were (i) no disagreements (as such term is used in Item 304(a)(1)(iv) of Regulation S-K) between the Corporation and Amper on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreement(s), if not resolved to the satisfaction of Amper, would have caused Amper to make reference to the subject matter of the disagreement(s) in connection with its report on the Corporation’s financial statements for such year or for any subsequent reporting period and (ii) no reportable events within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.

During the portion of the Corporation’s fiscal year ended June 30, 2011 through August 16, 2010, the Corporation did not consult with Eisner regarding any of the matters set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

**Audit Fees.** For the fiscal year ended June 30, 2012, the aggregate fees billed for audit services rendered by EisnerAmper were \$116,500. These services consisted of reviews of the Corporation’s quarterly financial statements and the audit of the Corporation’s financial statements for the fiscal year ended June 30, 2012.

For the fiscal year ended June 30, 2011, the aggregate fees billed for audit services by EisnerAmper (or its predecessor Amper prior to August 16, 2010) were \$118,400. These services consisted of reviews of the Corporation’s quarterly financial statements and the audit of the Corporation’s annual financial statements for the fiscal year ended June 30, 2011.

**Tax Fees; Audit-Related Fees; All Other Fees.** In the fiscal years ended June 30, 2012 and June 30, 2011, there were no other fees billed by Amper or EisnerAmper for professional services rendered to the Corporation.

## Report of Audit Committee

The Corporation's Audit Committee is responsible primarily to assist the Board of Directors in fulfilling its responsibilities for providing oversight of the Corporation's accounting and financial reporting practices, as more fully described in its written charter approved by the Board of Directors. The Audit Committee charter is available on the Corporation's website, [www.deweyelectronics.com](http://www.deweyelectronics.com). Management is responsible for preparing the Corporation's financial statements and the Corporation's independent registered public accounting firm is responsible for auditing those statements.

In discharging its responsibilities, the Audit Committee (1) reviewed and discussed the audited financial statements of the Corporation at and for the fiscal year ended June 30, 2012 with management, (2) received the written disclosures and the letter from the Corporation's independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and (3) discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board, and the independent registered public accounting firm's independence from the Corporation.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the Corporation's audited financial statements be included in the Corporation's Annual Report on Form 10-K for the fiscal year ended June 30, 2012, for filing with the Securities and Exchange Commission.
