Item 1.01 Entry into a Material Definitive Agreement.

Item 3.02 Unregistered Sales of Equity Securities.

On March 12, 2015, Innovus Pharmaceuticals, Inc. (the “Company”) entered into an amendment agreement (the “Agreement”) with Gemini Master Fund, Ltd. (“Gemini”), whereby the \$330,000 convertible debenture (the “Debenture”) issued by the Company to Gemini on February 13, 2014 was amended. Pursuant to the Agreement, the maturity date of the Debenture was amended from March 13, 2015 to September 13, 2015. In addition, the Debenture was amended so that the Company may prepay the Debenture at its option.

In connection with the execution of the Agreement, the Company issued 250,000 shares of the Company’s common stock (“Common Stock”) and amended and restated the warrant (“Warrant”) issued to Gemini on February 13, 2014. The Warrant was originally exercisable until February 13, 2019 for 250,000 shares of Common Stock at an exercise price of \$0.50 per share, subject to anti-dilution protection. The Warrant, as amended and restated, has been increased to 500,000 shares, and is exercisable until March 12, 2020 at an exercise price of \$0.30 per share of Common Stock. The Warrant, as amended and restated, contains certain anti-dilution protection provisions.

The exercisability of the Warrant may be limited if, upon exercise, Gemini or any of its affiliates would beneficially own more than 9.99% of Common Stock.

The foregoing information is a summary of the Agreement and the amended and restated Warrant described above, is not complete, and is qualified in its entirety by reference to the full text of such documents, copies of which are attached as exhibits to this Current Report on Form 8-K. Readers should review such agreements for a complete understanding of the terms and conditions associated with these documents.
