PROXY STATEMENT

This Proxy Statement and the accompanying proxy card are being provided to shareholders in connection with the solicitation of proxies by the Board of Directors (the "Board") of Luby's, Inc., a Delaware corporation (the "Company") for use at the Annual Meeting of Shareholders of the Company to be held on Friday, January 23, 2015, or at any adjournment or postponement thereof (the "Annual Meeting"). This Proxy Statement and the accompanying proxy card are first being mailed to shareholders on or about December 8, 2014.

VOTING PROCEDURES

Your Vote is Very Important

Whether or not you plan to attend the Annual Meeting, please take the time to vote your shares as soon as possible.

Shares Outstanding, Voting Rights, and Quorum

Only record holders of the Company's common stock, par value \$0.32 per share ("Common Stock") at the close of business on December 3, 2014, will be entitled to vote at the Annual Meeting or at adjournments or postponements thereof. There were 28,990,561 shares of the Common Stock outstanding as of December 3, 2014. Each share of Common Stock outstanding is entitled to one vote. The presence in person or by proxy of the holders of a majority of the shares of Common Stock outstanding on the record date will constitute a quorum at the Annual Meeting.

Methods of Voting

Shares Held in Shareholder's Name. If your shares are held in your name, you may vote by proxy or you may vote in person by attending the Annual Meeting. If your shares are held in your name and you would like to vote your shares

Edgar Filing: LUBYS INC - Form DEF 14A

by proxy prior to the Annual Meeting, there are three ways for you to vote:

1. Call 1-800-690-6903 (toll charges may apply for calls made from outside the United States) and follow the instructions provided;
2. Log on through the Internet at *www.proxyvote.com* and follow the instructions at that site; or
3. If you received a proxy card in the mail, complete, sign, and mail the proxy card in the return envelope provided to you.

Please note that telephone and Internet voting will close at 11:59 p.m. Eastern time on January 22, 2014. If you wish to vote by telephone or Internet, follow the instructions on your proxy card.

If your proxy card is signed and returned without specifying choices, the shares represented will be voted as recommended by the Board.

Shares Held in "Street Name" Through a Bank or Broker. If your shares are held through a bank or broker, you can vote via the Internet or by telephone if your bank or broker offers these options. Please see the voting instructions provided by your bank or broker for use in instructing your bank or broker how to vote. Your bank or broker cannot vote your shares without instructions from you. You will not be able to vote in person at the Annual Meeting unless you obtain a signed proxy from the record holder giving you the right to vote the shares.

If you plan to attend the Annual Meeting and wish to vote in person, you will be given a ballot at the Annual Meeting. Please note that you may vote by proxy prior to January 23, 2015 and still attend the Annual Meeting.

Revoking Your Proxy

Shares Held in Shareholder's Name. If your shares are held in your name, whether you vote by mail, the Internet, or by telephone, you may later revoke your proxy by delivering a written statement to that effect to the Secretary of the Company at the address provided above prior to the date of the Annual Meeting, by a later-dated electronic vote via the Internet, by telephone, by submitting a properly signed proxy with a later date, or by voting in person at the Annual Meeting.

Shares Held in "Street Name" Through a Bank or Broker. If you hold your shares through a bank or broker, the methods available to you to revoke your proxy are determined by your bank or broker, so please see the instructions provided by your bank or broker.

Vote Required

A majority of the votes cast by the shares present in person or represented by proxy at the Annual Meeting and entitled to vote in the election of directors at the Annual Meeting is required for the election of a director nominee. Shareholders do not have cumulative voting rights. Ratification of the appointment of the independent registered public accounting firm, the approval of the compensation of our Named Executive Officers (as defined in "Compensation Discussion and Analysis—Compensation Tables and Information—Summary Compensation Table") on a non-binding basis and the approval of the frequency of future advisory votes on executive compensation on a non-binding basis, each require the affirmative vote of a majority of the votes cast by the shares present in person or represented by proxy at the Annual Meeting. Approval of all other matters requires the affirmative vote of a majority of the votes cast by the shares present in person or represented by proxy at the Annual Meeting. Abstentions and broker non-votes will be included in determining the presence of a quorum at the Annual Meeting. However, abstentions and broker non-votes will not be included in determining the number of votes cast on any matter.

A "broker non-vote" occurs when you fail to provide your bank or broker with voting instructions at least ten days before the Annual Meeting and the bank or broker does not have the discretionary authority to vote your shares in the election of directors or on a particular proposal because the proposal is not a "routine" matter under applicable rules. Under the rules of the New York Stock Exchange (the "NYSE"), the election of directors, the advisory votes on executive compensation and the advisory vote on the frequency of future advisory votes on executive compensation are not considered to be routine matters. Accordingly, if you hold your shares through a bank or broker and you do not indicate on your proxy card your preferences with respect to the election of directors, the advisory vote on executive compensation or the advisory vote on the frequency of future advisory votes on executive compensation, your bank or broker is not permitted to cast your vote on your behalf on those matters.

Other Business

The Board knows of no other matters that may be presented for shareholder action at the Annual Meeting. If other matters are properly brought before the Annual Meeting, the persons named as proxies on the accompanying proxy card intend to vote the shares represented by them in accordance with their best judgment.

Confidential Voting Policy

It is the Company's policy that any proxy, ballot, or other voting material that identifies the particular shareholder's vote and contains the shareholder's request for confidential treatment will be kept confidential, except in the event of a contested proxy solicitation or as may be required by law. The Company may be informed whether or not a particular shareholder has voted and will have access to any comment written on a proxy, ballot, or other material and to the identity of the commenting shareholder. Under the policy, the inspectors of election at any shareholder meeting will be independent parties unaffiliated with the Company.

Perquisites and other personal benefits that did not exceed \$10,000 in the aggregate for any director have been excluded.

Each nonemployee director other than the Chairman of the Board is paid an annual retainer fee of \$50,000. The Chairman of the Board is paid an annual retainer fee of \$85,000. In addition to the base annual retainer fee of \$50,000, all nonemployee directors except the Chairman of the Board receive a single fee of \$15,000 for all other committees in which they are a member. Further, for nonemployee directors other than the Chairman of the Board, the Chair of the Finance and Audit Committee is paid an additional annual retainer of \$14,000, and the Chair of each other Board Committee is paid an additional annual retainer of \$7,500. Nonemployee directors do not receive meeting fees.

Pursuant to the Company's Second Amended and Restated Nonemployee Director Stock Plan (the "Plan"), each nonemployee director is required to receive a portion the annual retainer fee in restricted stock in an amount as determined by the Board (the "Mandatory Retainer Award"). The Board has set the Mandatory Retainer Award at the dollar value equivalent of \$15,000. In addition (as defined in the Plan), each nonemployee director, prior to the end of any calendar year, may elect to receive an additional portion of their annual retainer fee in the dollar value equivalent of restricted stock (the "Elective Retainer Award"). On the first day of each January, April, July, and October during the term of the Plan, the director receives the Mandatory Retainer Award and any Elective Retainer Award so elected as restricted stock, the amount of shares being equal to the dollar value equivalent of the elected portion of the director's annual retainer fees. Directors receiving an Elective Retainer Award will also receive an additional number of whole shares of restricted stock equal to 20% of the number of whole shares of restricted stock issued in payment of the Elective Retainer Award for the quarterly period beginning on that date.

Further, under the Plan, nonemployee directors may be periodically granted nonqualified options to purchase shares of Common Stock at an option price equal to 100% of their fair market value on the date of grant or shares of restricted stock. Each option terminates on the earlier of the tenth anniversary of the grant date or one year after the optionee ceases to be a director. An option may not be exercised prior to the first anniversary of the grant date, subject to certain exceptions specified in the Plan. No nonemployee director may receive options to purchase more than 7,500 shares in any 12-month period.

The Company's Nonemployee Director Deferred Compensation Plan permits nonemployee directors to defer all or a portion of their directors' fees in accordance with applicable regulations under the Internal Revenue Code. Deferred amounts bear interest at the average interest rate of U.S. Treasury ten-year obligations. The Company's obligation to pay deferred amounts is unfunded and is payable from general assets of the Company.

The Company's Corporate Governance Guidelines establish guidelines for share ownership. Currently, Directors are expected to accumulate, over time, *shares* of Common Stock with a market value of at least \$100,000.

If shareholder ratification should be withheld, the Board would consider an alternative appointment for the succeeding fiscal year. The ratification requires the affirmative vote of a majority of the votes cast by the shares present in person or represented by proxy at the Annual Meeting.

The nonaudit services specified in Section 10A(g) of the Exchange Act may not be, and are not, provided by Grant Thornton LLP. Grant Thornton LLP provides a report to the Chair of the Finance and Audit Committee prior to each regularly scheduled Finance and Audit Committee meeting detailing all fees, by project, incurred by Grant Thornton LLP year-to-date and an estimate for the fiscal year. The Chair of the Finance and Audit Committee reviews the Grant Thornton LLP fees at each Finance and Audit Committee meeting. The Finance and Audit Committee periodically reviews these fees with the full Board. During the fiscal years ended August 27, 2014 and August 28, 2013, no preapproval requirements were waived for services included in the Audit-Related Fees, Tax Fees, and All Other Fees captions of the fee table above pursuant to the limited waiver provisions in applicable rules of the SEC.

ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS (Item 3)

The Board is recommending that the shareholders approve the following advisory resolution:

RESOLVED, that the shareholders approve, on an advisory basis, the compensation paid to the Company's Named Executive Officers, as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, compensation tables and narrative discussion.

The Board recommends a vote FOR this resolution because it believes that the policies and practices described in the Compensation Discussion and Analysis are effective in achieving the Company's goals of linking pay to performance and levels of responsibility, encouraging our executive officers to remain focused on both short-term and long-term operational and financial goals of the Company and linking executive performance to shareholder value.

The "Say-on-Pay" vote is required pursuant to Section 14A of the Exchange Act. The vote is advisory in nature and is non-binding on the Company.

We urge shareholders to read the Compensation Discussion and Analysis beginning on page 22 of this Proxy Statement, as well as the Summary Compensation Table and related compensation tables and narrative, beginning on page 27, which provide detailed information on the Company's compensation policies and practices and the compensation of our Named Executive Officers.

Because the vote on this proposal is advisory in nature, it will not affect any compensation already paid or awarded to any Named Executive Officer and will not be binding on or overrule any decisions by the Executive Compensation Committee or the Board. Because we value our shareholders' views, however, the Executive Compensation Committee and the Board will consider the results of this advisory vote when formulating future executive compensation policy.

THE BOARD RECOMMENDS A VOTE "FOR" THE RESOLUTION APPROVING, ON AN ADVISORY BASIS, THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

Nominations for Director

The Nominating and Corporate Governance Committee considers candidates for Board membership recommended by its members and other Board members, as well as management and shareholders. The Committee may retain a third-party search firm to assist it in identifying candidates. The Nominating and Corporate Governance Committee will consider director candidates whose recommendations are timely submitted by our shareholders in accordance with the notice provisions discussed below under “Shareholder Proposals for 2016 Annual Meeting.”

Once the Nominating and Corporate Governance Committee has identified a prospective nominee, the Committee makes an initial determination as to whether to conduct a full evaluation of the candidate. The initial determination is based on the information provided to the Committee with the recommendation of the prospective candidate, as well as the Committee’s own knowledge of the prospective candidate, which may be supplemented by inquiries of the person making the recommendation or others. The preliminary determination is based primarily on the need for additional Board members to fill vacancies or expand the size of the Board and the likelihood that the prospective nominee can satisfy the evaluation factors described below.

If the Nominating and Corporate Governance Committee determines, in consultation with the Board, as appropriate, that additional consideration is warranted, it may request a third-party search firm to gather additional information about the prospective nominee’s background and experience and report its findings to the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee then evaluates the prospective nominee against the minimum standards and qualifications set out in the Company’s Corporate Governance Guidelines and the charter of the Nominating and Corporate Governance Committee, including:

- candidate’s expertise and experience;
- independence (as defined by applicable rules promulgated by the NYSE and the SEC);
- financial literacy and understanding of business strategy, business environment, corporate governance, and board operation knowledge;
- commitment to the Company’s core values;
- skills, expertise, independence of mind, and integrity;
- relationships with the Company;

• service on the boards of directors of other companies;

• openness, ability to work as part of a team and willingness to commit the required time; and

• familiarity with the Company and its industry.

The Nominating and Corporate Governance Committee also considers the diversity of, and the optimal enhancement of the current mix of talent and experience on, the Board and other factors as it deems relevant, including the current composition of the Board, the balance of management and independent directors, and the need for Finance and Audit Committee expertise. While no formal diversity policy exists, diversity is considered as one factor of many in evaluating prospective nominees, and the Committee believes that its evaluation of diversity as a factor in evaluating prospective nominees is effective.

In connection with its evaluation, the Committee determines whether to interview the prospective nominee; in addition, if warranted, one or more members of the Committee, and others as appropriate, may interview prospective nominees in person. After completing this evaluation and interview, the Committee makes a recommendation to the full Board as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the Committee.

The Company did not pay any third party a fee to assist in the process of identifying or evaluating nominees for election at the Annual Meeting.

CORPORATE GOVERNANCE GUIDELINES

The Company maintains Corporate Governance Guidelines evidencing the views of the Company on such matters as the role and responsibilities of the Board, composition of the Board, Board leadership, functioning of the Board, functioning of committees of the Board, and other matters. These guidelines are reviewed annually and modified when deemed appropriate by the Board. The current version of the Company's Corporate Governance Guidelines are available in print to any shareholder upon request and can be found on the Company's website at www.lubysinc.com.

Director Independence

The Board has evaluated the independence of the members of the Board under the Luby's Director Independence Test. In conducting this evaluation, the Board considered transactions and relationships between each director or his or her immediate family and the Company to determine whether any such transactions or relationships were material and, therefore, inconsistent with a determination that each such director is independent. Based upon that evaluation, the Board determined that the following directors have no material relationship with us and, thus, are independent:

Judith B. Craven

Arthur R. Emerson

Jill Griffin

J.S.B. Jenkins

Joe C. McKinney

Gasper Mir, III

The Board also has determined that each member of the Finance and Audit Committee, the Nominating and Corporate Governance Committee, and the Executive Compensation Committee meets the independence requirements applicable to those committees prescribed by the NYSE, the SEC, and the Internal Revenue Service. The Luby's Director Independence Test is available in print to any shareholder upon request and on the Company's website at www.lubysinc.com.

Resignation of Directors

Any director may resign at any time by giving notice in writing or by electronic transmission to the Board or the Secretary of the Company.

Executive Session Meetings of Non-Management Directors

Non-management directors regularly meet in executive sessions, without the presence of management directors or executive officers of the Company.

Board Leadership Structure and Presiding Director

Currently, the offices of Chairman and Chief Executive Officer are separate. Corporate policy allows for the separation of these offices to preserve flexibility for the Board regarding the selection of Chairman and Chief Executive Officer and the independence of these positions, although it is not mandated.

The Chairman of the Board currently presides over the executive sessions of non-management directors. If the offices of Chief Executive Officer and Chairman are not separate or, for any other reason, the Chairman is not independent, the independent directors will elect one of the independent directors to preside over the executive sessions of non-management directors.

Board Member Meeting Attendance

Directors are expected to attend Board meetings and meetings of the Committees on which they serve, to spend the time needed, and to meet as frequently as necessary to properly discharge their responsibilities. During the fiscal year ended August 27, 2014, the Board held six meetings. Each Director attended at least 80% of the meetings of the Board and Committees on which he or she served. All of the Company's Directors attended the 2014 annual meeting of shareholders of the Company, and the Company expects that all continuing members of the Board will be present at the Annual Meeting.

The Board's Role in Risk Oversight

The Board considers the effective oversight of risk important to running a successful business and in fulfilling its fiduciary responsibilities to the Company and its stockholders. In addition to the Chief Executive Officer, General Counsel, Vice President of Risk Management, and other members of our senior leadership team who are responsible for the day-to-day management of risk, the Board is responsible for ensuring that an appropriate culture of risk management exists within the Company and for overseeing its risk profile and assisting management in addressing specific risks, such as operational risks, strategic and competitive risks, financial risks, brand and reputation risks, and legal and regulatory risks.

Strategic, operational, and competitive risks, as well as the steps management has taken or will take to mitigate these risks, are presented, reviewed, and discussed at regular meetings of the Board and its committees. Additionally, at each quarterly meeting, or more often as necessary, the General Counsel presents to the Board an update on material legal and regulatory matters.

The Nominating and Corporate Governance Committee is responsible for reviewing our Enterprise Risk Management, or ERM, framework and programs, as well as the framework by which management discusses our risk profile and risk exposures with the full board and its committees.

The Finance and Audit Committee meets regularly with our Chief Financial Officer, our internal auditor, independent auditor, General Counsel, and other members of senior management to discuss our major financial risk exposures, financial reporting, internal controls, credit and liquidity risk, compliance risk, key operational risks, and ERM framework and programs.

The Executive Compensation Committee and Personnel and Administrative Policy Committee are responsible for overseeing human capital and compensation risks, including evaluating and assessing risks arising from our compensation policies and practices for all employees and ensuring executive compensation is aligned with performance. They are also charged with monitoring our incentive and equity-based compensation plans, including employee pension and benefit plans.

The Nominating and Corporate Governance Committee oversees risks related to our overall corporate governance, including board and committee composition, board size and structure, director independence, and our corporate governance profile and ratings. The Committee also is actively engaged in overseeing risks associated with succession planning for the Board and the Company's management.

Code of Conduct and Ethics for All Directors, Officers, and Employees

The Board has adopted a Policy Guide on Standards of Conduct and Ethics, which is applicable to all directors, officers, and employees. The intent of the Policy Guide on Standards of Conduct and Ethics is to promote observance of fundamental principles of honesty, loyalty, fairness, and forthrightness and adherence to the letter and spirit of the law. Waivers of any part of the Policy Guide on Standards of Conduct and Ethics for any director or executive officer are permitted only by a vote of the Board or a designated Board committee that will ascertain whether a waiver is appropriate under all the circumstances. The Company intends to disclose any waivers of the Policy Guide on Standards of Conduct and Ethics granted to directors and executive officers in print to any shareholder upon request and on the Company's website at www.lubysinc.com.

Copies of the Policy Guide on Standards of Conduct and Ethics are available in print to shareholders upon request or on the Company's website at www.lubysinc.com.

Code of Ethics for the Chief Executive Officer and Senior Financial Officers

The Board has adopted a Supplemental Standards of Conduct and Ethics that apply to the Company's Chief Executive Officer, Chief Financial Officer, Controller, and all senior financial officers ("Senior Officers' Code"). The Senior Officers' Code is designed to deter wrongdoing and to promote:

- honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;

- full, fair, accurate, timely, and understandable disclosure in reports and documents that the Company files with, or submits to, the SEC and in other public communications made by the Company;

- compliance with governmental laws, rules, and regulations;

- the prompt internal reporting to an appropriate person or persons identified in the Senior Officers' Code of violations of the Senior Officers' Code; and

- accountability for adherence to the Senior Officers' Code.

Waivers of the Senior Officers' Code for the Chief Executive Officer, Chief Financial Officer, and the Controller are permitted only by a vote of the Board or a designated Board committee that will ascertain whether a waiver is appropriate under all the circumstances. The Company intends to disclose any waivers of the Senior Officers' Code granted to the Chief Executive Officer, Chief Financial Officer, or the Controller on the Company's website at www.lubysinc.com and in print to any shareholder upon request.

Copies of the Senior Officers' Code are available in print to shareholders upon request or on the Company's website at www.lubysinc.com.

Receipt and Retention of Complaints Regarding Accounting and Auditing Matters

To facilitate the reporting of questionable accounting, internal accounting controls, or auditing matters, the Company has established an anonymous reporting hotline through which employees can submit complaints on a confidential and anonymous basis. Any concerns regarding accounting, internal accounting controls, auditing, or other disclosure matters reported on the hotline are reported to the Chair of the Finance and Audit Committee. These reports are confidential and anonymous. Procedures are in place to investigate all reports received by the hotline relating to questionable accounting, internal accounting controls, or auditing matters and to take any corrective action, if necessary. The Finance and Audit Committee is notified of these reports at every quarterly committee meeting, or sooner if necessary.

Any person who has concerns regarding accounting, internal accounting controls, or auditing matters may address them to the attention of Chair, Finance and Audit Committee, Luby's, Inc., 13111 Northwest Freeway, Suite 600, Houston, Texas 77040.

Nonretaliation for Reporting

The Company's policies prohibit retaliation against any director, officer, or employee for any report made in good faith. However, if the reporting individual was involved in improper activity, the individual may be appropriately disciplined even if he or she was the one who disclosed the matter to the Company. In these circumstances, the Company may consider the conduct of the reporting individual in promptly reporting the information as a mitigating factor in any disciplinary decision.

Shareholder Communications to the Board

Shareholders and other parties interested in communicating directly with the Chairman of the Board, the non-management directors as a group or the Board itself regarding the Company may do so by writing to the Chairman of the Board, in care of the Corporate Secretary at Luby's, Inc., 13111 Northwest Freeway, Suite 600, Houston, Texas 77040.

The Board has approved a process for handling letters received by the Company and addressed to non-management members of the Board. Under that process, the Corporate Secretary reviews all such correspondence that, in the opinion of the Corporate Secretary, deals with the function of the Board or committees thereof or that the Corporate Secretary otherwise determines requires the Board's attention. Directors may at any time request copies of all

correspondence received by the Company that is addressed to members of the Board. Concerns relating to accounting, internal controls or auditing matters are immediately brought to the attention of the Company's internal audit department and handled in accordance with procedures that the Finance and Audit Committee has established with respect to such matters.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors, executive officers, and any persons beneficially owning more than ten percent of the outstanding shares of our Common Stock to report their initial ownership of Common Stock and any subsequent changes in that ownership to the SEC and the NYSE, and to provide copies of such reports to the Company. Based upon the Company's review of copies of such reports received by the Company and written representations of its directors and executive officers, the Company believes that during the fiscal year ended August 27, 2014, all Section 16(a) filing requirements were satisfied on a timely basis.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Related Person Transactions

On July 23, 2002, the Company entered into an Indemnification Agreement with each member of the Board under which the Company obligated itself to indemnify each director to the fullest extent permitted by applicable law so that he or she will continue to serve the Company free from undue concern regarding liabilities. The Company has also entered into an Indemnification Agreement with each person becoming a member of the Board since July 23, 2002. The Board has determined that uncertainties relating to liability insurance and indemnification have made it advisable to provide directors with assurance that liability protection will be available in the future.

The Company obtains certain goods and/or services from entities owned or controlled by Christopher J. Pappas, President and Chief Executive Officer of the Company, and Harris J. Pappas, a member of the Board (the "Pappas Entities"), pursuant to the terms of an Amended and Restated Master Sales Agreement, dated June 13, 2012 (the "Master Sales Agreement"). Under the terms of the Master Sales Agreement, the Pappas Entities may provide specialized (customized) equipment fabrication and basic equipment maintenance, including stainless steel stoves, shelving, rolling carts, and chef tables. During the fiscal year ended August 27, 2014, the Pappas Entities provided goods to the Company under the Master Sales Agreement in the amount of approximately \$4,000. Consistent with past practices, the Finance and Audit Committee, consisting entirely of independent directors, reviewed on a quarterly basis all applicable amounts related to the Master Sales Agreement.

The Company anticipates that payments to the Pappas Entities under the Master Sales Agreement during the current fiscal year, if any, will be primarily for goods purchased pursuant to the terms of the Master Sales Agreement. In the opinion of the Finance and Audit Committee, the fees paid by the Company for such goods and/or services are primarily at or below what the Company would pay for comparable goods and/or services (if available) from a party unaffiliated with the Company.

In the third quarter of the fiscal year ended August 25, 2004, Messrs. Pappas became partners in a limited partnership which purchased a retail strip center in Houston, Texas. Messrs. Pappas collectively own a 50% limited partner interest and a 50% general partner interest in the limited partnership. An independent third party company manages the center. One of the Company's restaurants has rented approximately 7% of the space in that center since July 1969. No changes were made to the Company's lease terms as a result of the transfer of ownership of the center to the new partnership. On November 22, 2006, due to the approaching expiration of the previous lease, the Company executed a new lease agreement with respect to this property, which provides, effective upon the Company's relocation and occupancy into the new space in July 2008, for a primary term of approximately 12 years with two subsequent five-year options. The new lease also gives the landlord an option to buy out the tenant on or after the calendar year

2015 by paying the then unamortized cost of improvements to the tenant. The Company will owe, under the lease, \$22.00 per square foot plus maintenance, taxes, and insurance for the calendar year 2014. Thereafter, the lease provides for reasonable increases in rent at set intervals. The new lease agreement was approved by the Finance and Audit Committee. The Company made payments of \$388,181 during the fiscal year ended August 27, 2014, and \$67,751 from August 27, 2014 to November 15, 2014, under the current lease agreement.

In the third quarter of the fiscal year ended August 27, 2014, an entity owned or controlled by Christopher J. Pappas, President and Chief Executive Officer of the Company, and Harris J. Pappas, a member of the Board, purchased from the Company's landlord, the land underlying one of the Company's Fuddrucker's restaurants in Houston, Texas, which was contiguous to other land owned by the same entity. One of the Company's restaurants has rented that property since July 1996, and the property was previously one of several properties included on the Master Lease, dated November 24, 1998, between Spirit Master Funding, LLC and Luby's Fuddrucker's Restaurants, LLC, as amended (the "Master Lease"). On March 12, 2014, the Company executed a new ground lease agreement severing this property from the Master Lease. The terms of the new ground lease agreement are substantially similar to the Master Lease and provide for a primary term of approximately 6 years with two subsequent five-year options. Pursuant to the new ground lease agreement, the Company pays \$2.46 per square foot plus maintenance, taxes, and insurance from March 12, 2014 until November 30, 2016. Thereafter, the new ground lease agreement provides for reasonable increases in rent at set intervals. The Company made rent payments of \$79,950 during the fiscal year ended August 27, 2014, and \$26,650 from August 27, 2014 to November 15, 2014.

Policies and Procedures Regarding Related Person Transactions

The Board has adopted a written Related Person Transaction Approval Policy, which requires the Finance and Audit Committee to review each related person transaction (as defined below) and determine whether it will approve or ratify that transaction.

For purposes of the policy, a "related person transaction" is any transaction, arrangement, or relationship where the Company is a participant, the Related Person (defined below) had, has, or will have a direct or indirect material interest and the aggregate amount involved is expected to exceed \$120,000 in any calendar year. "Related Person" includes: (a) any person who is or was (at any time during the last fiscal year) an executive officer, director or nominee for election as a director; (b) any person or group who is a beneficial owner of more than 5% of the Company's voting securities; (c) any immediate family member of a person described in provisions (a) or (b) of this sentence; or (d) any entity in which any of the foregoing persons is employed, is a partner or has a greater than 5% beneficial ownership interest.

In determining whether a related person transaction will be approved or ratified, the Finance and Audit Committee may consider factors such as: (a) the extent of the Related Person's interest in the transaction; (b) the availability of other sources of comparable products or services; (c) whether the terms are competitive with terms generally available in similar transactions with persons that are not Related Persons; (d) the benefit to the Company; and (e) the aggregate value of the transaction.

COMPENSATION DISCUSSION AND ANALYSIS

In our Compensation Discussion and Analysis, we:

• describe our goals for compensating our Named Executive Officers;

• describe how we designed our compensation program and explain how executive compensation decisions reflect both the Company's business performance and the individual performance goals for each of our Named Executive Officers; and

• explain the tables and other disclosures that follow.

Our "Named Executive Officers" are identified in the Summary Compensation Table on page 27.

EXECUTIVE SUMMARY

This section highlights key actions taken by the Executive Compensation Committee to further align the interests of our Named Executive Officers with those of our shareholders and improve our pay for performance position.

The Company's executive compensation program (the "program") is designed to enable the Company to execute its business objectives by attracting, retaining, and motivating the highest quality of management talent. The program serves to incent and reward executive performance, with the objective of enhancing shareholder value over the long term and encouraging long-term retention of executive officers. The Company's annual compensation plans are typically determined at the beginning of each fiscal year and are granted during the beginning of the following fiscal year after disclosure of the prior fiscal year's results.

The Executive Compensation Committee evaluates the effectiveness of the program in meeting its objectives and in light of the Company's performance for the prior fiscal year, competitive compensation data, evaluation of each executive's contribution to the Company's performance, each executive's experience, responsibilities, management abilities, and other individual criteria. The Executive Compensation Committee advises the Board on executive compensation and typically makes recommendations to the Board for approval of the compensation for executive

officers.

In fiscal year 2014, much of the Company's strategic focus centered on constructing, staffing, opening, and operating new restaurants, primarily its core restaurant brands, Luby's Cafeteria and Fuddruckers—The World's Greatest Hamburgers®. The Company successfully opened four locations consisting of a side-by-side Luby's Cafeteria and Fuddruckers restaurant, which we refer to as Combo locations, one stand-alone Luby's Cafeteria, and six stand-alone Fuddruckers restaurants. In addition, management further developed the Company's Fuddruckers franchisee pipeline through execution of development agreements with new and existing franchisees and opening two new franchise units domestically and four internationally. The Company ended the year with a pipeline of three parcels of land for future expansion of Combo locations. Luby's Cafeterias, the Company's largest brand in the Company-operated restaurant segment, finished the year with 1.4% higher same store sales and improved store level profit.

Additionally, management continued to earn new business for our Culinary Contract Services segment and implemented a revised strategy for maximizing the value from the 23 Cheeseburger in Paradise leasehold locations purchased on December 6, 2012.

Summary of 2014 Compensation Activity

In recognition of the new unit development activity achieved in fiscal year 2014, our Named Executive Officers received discretionary non-equity incentive compensation. No short-term or long-term equity incentive compensation was awarded in accordance with the objectives outlined below and the form of short-term equity incentive compensation which began for fiscal year 2013. Awards granted during the beginning of fiscal year 2015 correlate with the fiscal year 2014 executive compensation plan. Base salaries of the Company's executive officers were set in accordance with market and industry levels.

EXECUTIVE COMPENSATION OVERVIEW

The program is designed to enable the Company to execute its business objectives by attracting, retaining, and motivating the highest quality of management talent. The program serves to incent and reward executive performance, with the objective of enhancing shareholder value over the long term and encouraging long-term retention of executive officers. As such, each element of compensation is an integral part of achieving this purpose. In addition, the Company strives to remain competitive by balancing all elements of compensation.

The Executive Compensation Committee annually evaluates the effectiveness of the Company's executive compensation program in meeting its objectives, annually advises the Board on the compensation to be paid to the Company's executive officers and approves the compensation for executive officers. In addition, the Company provides shareholders with an advisory vote to approve the Company's executive compensation as required under Section 14A of the Exchange Act. At the Company's 2014 Annual Meeting of Shareholders, shareholders expressed substantial support for the compensation of our Named Executive Officers, with approximately 88 percent of votes cast for approval of the advisory vote. The Executive Compensation Committee evaluated the results of the 2014 advisory vote at its May 30, 2014 and September 11, 2014 meetings. The Executive Compensation Committee also considered many other factors in its evaluation of the Company's executive compensation program, including reference to the Company's performance for the prior fiscal year, competitive compensation data, evaluation of each executive's contribution to the Company's performance, each executive's experience, responsibilities, management abilities, and other individual criteria it deems appropriate. While each of these factors bore on the Executive Compensation Committee's decisions regarding the compensation of our Named Executive Officers, the Executive Compensation Committee did not make any changes to the Company's executive compensation program and policies as a result of the 2014 advisory vote on the compensation of our Named Executive Officers.

The Company's executive compensation program currently consists of three main components:

• base salary;

• a performance-based annual non-equity incentive award; and

• performance-based short-term and long-term equity incentive awards.

The dollar value of performance-based short-term and long-term incentive equity compensation awards is typically divided between stock options and long-term grants of Common Stock. Fifty percent of such dollar value consists of incentive stock option grants and is referred to as the "Short-Term Equity Incentive." The Short-Term Equity Incentive is tied to an annual pre-budgeted earnings before interest, taxes, depreciation, and amortization ("EBITDA") number during the applicable fiscal year, and is subject to vesting schedules requiring continued service with the Company. The other fifty percent of such dollar value consists of grants of Common Stock at the end of a three-year period and referred to as the "Long-Term Equity Incentive." The Long-Term Equity Incentive is tied to the cumulative EBITDA results for the Company over a three-year period.

For the compensation plan relating to fiscal year 2013, the Company replaced three-year vesting restricted stock grants with long-term Common Stock grants, granted at the end of a three-year period and computed based on the level of achievement of cumulative EBITDA results for the Company over the same three-year period.

The Company's executive compensation program does not include any pension benefits. None of our Named Executive Officers participates in any retirement or defined benefit plan maintained by the Company. The Company has no compensation agreements or benefits which provide for tax gross-ups. Further, executive officers do not receive perquisites and other personal benefits which exceed \$10,000 in the aggregate for any executive officer in any fiscal year.

The Company currently has no salary continuation agreement, or change in control agreements having similar effect, with any employee of the Company other than the employment agreement with Christopher J. Pappas as described under "—Employment Agreement" below.

The Executive Compensation Committee administers the Company's stock option, ownership, and any other equity-based compensation plans to our Named Executive Officers.

Base Salaries

The Company seeks to compensate executive officers for their performance throughout the year with annual base salaries that are fair and competitive while being consistent with the Company's position in the foodservice industry.

Base salaries are reviewed annually or biannually by the Executive Compensation Committee to ensure continuing consistency with the industry and the Company's level of performance during the previous fiscal year. A third-party consultant, Towers Watson, provided benchmark information in prior years, through the use of peer and general industry data, which was used as a reference to assist the Executive Compensation Committee. See "—Benchmarking and Use of Third-Party Compensation Consultant" beginning on page 25.

Any increase in an executive officer's base salary is intended to reflect the Company's financial performance, individual performance, market conditions, and/or potential changes in the officer's duties and responsibilities.

The salary of the Chief Executive Officer is fixed according to his employment agreement, but it may be modified by the Board with consent of the Chief Executive Officer. See "—Employment Agreement" beginning on page 26 and "—Compensation of Chief Executive Officer" beginning on page 26. Members of the Executive Compensation Committee, along with members of the Finance and Audit Committee, were involved in advising the Board on the appropriateness and reasonableness of the compensation package for the Chief Executive Officer.

Future adjustments to base salaries and salary ranges will reflect average movement in the competitive market and peers as well as individual performance.

Non-Equity Incentive Compensation and Bonus

The Company's annual incentive compensation is designed to be a balanced set of measures which blend Company-wide financial measures, process-improvement measures, and Company and individual business objectives. Corporate and individual performance objectives are established near the beginning of each fiscal year and monitored throughout the fiscal year. If earned, the annual incentive compensation paid to each executive in the form of a cash payment will vary according to the Company's overall performance.

In prior years, a third-party consultant provided benchmark information through the use of peer and general industry data, which was used as a reference to assist the Executive Compensation Committee. See “—Benchmarking and Use of Third-Party Compensation Consultant” beginning on page 25.

The Executive Compensation Committee believes that same-store sales and EBITDA are important financial measures of executive performance. The two measures, taken together, allow for a reasonably accurate measure of executive performance relative to past periods, while minimizing the impact of non-operating factors, such as macroeconomic trends and acquisition integration. Accordingly, annual non-equity incentive compensation for all Named Executive Officers is determined by the Company's performance relative to pre-determined goals that are based on:

• Same-store sales (33%) and

• EBITDA (67%).

Further, the Executive Compensation Committee considers individual executive performance factors relative to each executive's functions and area of responsibility. Such factors may include, without limitation: achievement of operational and management goals, revenue, profitability, return on investment, cost controls, business development, and other enhancements of shareholder's value.

The Executive Compensation Committee maintains full discretion with regard to annual incentive compensation, including the ability to grant an additional discretionary cash bonus at fiscal year-end and may decide to award or withhold an incentive compensation award for an individual based upon overall Company performance or upon each participant's individual performance during the year.

Short-Term Equity Incentive Compensation

Short-term equity incentive compensation in the form of incentive stock option grants, is used to (1) incent performance that leads to enhanced shareholder value, (2) encourage retention, and (3) closely align the executive's interests with shareholders' long-term interests. These grants are based on performance relative to pre-determined goals.

The expected present value of such stock options is calculated using the binomial pricing method. The size of each stock option grant and restricted stock grant is determined relative to the Company's size and market, the scope and responsibility of the individual, individual performance, share usage under the plan, employee qualifications and position, as well as peer and general industry data.

The Executive Compensation Committee typically considers the grants of incentive stock options to eligible executive officers and other officers on an annual basis. If earned, such short-term incentive equity compensation will vary according to the Company's overall performance.

The stock option grants are at market value on the date of grant, and they typically vest 50% on the first anniversary of the grant date, 25% on the second anniversary of the grant date, and 25% on the third anniversary of the grant date. The stock option grants typically expire ten years from their grant date.

The stock option grants provide compensation to the optionee only to the extent the market price of the stock increases between the date of grant and the date the option is exercised. Stock options and restricted stock are intended to provide long-term compensation tied specifically to increases in the price of Common Stock.

Long-Term Equity Incentive Compensation

Long-term equity incentive compensation in the form of long-term equity grants of Common Stock, granted at the end of a three-year period based on pre-determined metrics, are used to (1) incent performance that leads to enhanced shareholder value, (2) encourage retention, and (3) closely align the executive's interests with shareholders' long-term interests. These grants are based on the cumulative EBITDA results for the Company over a three-year period.

The size of long-term equity grants is determined relative to the Company's size and its market, scope and responsibility of the individual, individual performance, share usage under the plan, employee qualifications and position, as well as peer and general industry data.

The Executive Compensation Committee typically reviews the grants of Common Stock to eligible executive officers and other officers on at least an annual basis. If earned, such long-term incentive equity compensation will vary according to the Company's overall performance.

These short-term and long-term incentive equity compensation awards are based primarily on the Company's achievement of its business plan objectives, consisting of sales and EBITDA objectives at approximately 90%, 100%, and 110% thresholds. Short-term equity incentive compensation is typically granted on an annual basis following the disclosure of year-end results, and Long-term equity incentive compensation is typically granted at the end of a three-year period following the disclosure of the year-end results of the third year. The following chart summarizes this process:

Company achievement of budgeted target	Payout to Named Executive Officers based on predetermined incentive levels
Less than 90% of target	No payout of incentive equity compensation
Greater than or equal to 90% of target	50% payout of incentive equity compensation
Greater than or equal to 100% of target	100% payout of incentive equity compensation
Greater than or equal to 110% of target	150% payout of incentive equity compensation

All grants require Board approval and are typically presented at the first regularly scheduled Board meeting following the disclosure of fiscal year-end results. Neither the Company nor the Executive Compensation Committee has a program, plan, or practice to time option grants to the Company's executive officers in coordination with the release of material nonpublic information. Any stock option grants made to non-executive employees typically occur concurrently with grants to Named Executive Officers.

Benchmarking and Use of Third-Party Compensation Consultant

The Company did not engage a third-party compensation consultant in the year ended August 27, 2014. In prior years, the Company engaged a third-party compensation consultant, Towers Watson, to provide an assessment of the Company's compensation structure for all of its officer positions and to evaluate their compensation relative to the marketplace. Towers Watson relied on its own annual incentive plan design surveys, its experience with general industry companies with annual revenues similar to that of the Company, and research from the proxy statements of companies considered peers of the Company. Towers Watson also developed marketplace base salary, target annual incentive opportunity, target total annual compensation, actual total annual compensation, long term incentive award level, target total direct compensation, and actual total direct compensation rates at the 25th, 50th, and 75th percentiles which were used, in prior years, as a reference to assist the Executive Compensation Committee in designing and maintaining the Company's compensation programs.

Role of Executive Officers

Of our Named Executive Officers, only the Chief Executive Officer has a role in determining executive compensation policies and programs. Within the parameters of the compensation policies established by the Executive Compensation Committee, the Chief Executive Officer makes preliminary recommendations for base salary adjustments and short-term and long-term incentive levels for the other Named Executive Officers. The Chief Executive Officer may base his recommendation on a variety of factors such as his appraisal of the officer's performance and contribution to the Company and on market data.

Stock Ownership Guidelines

The Board has adopted guidelines for ownership of Common Stock by executive officers and directors to help demonstrate the alignment of the interests of the Company's executive officers and directors with the interests of its shareholders. The amount of stock that a particular executive or director is required to hold is determined relative such person's position with the Company. The guidelines provide that executives and directors are expected to attain the following levels of stock ownership within five years of their election to the specified director or officer position:

Position	Share Ownership
Chief Executive Officer, President	4 times annual base salary
Chief Operating Officer	2 times annual base salary
Senior Vice President	2 times annual base salary
Nonemployee Director	Shares with a market value of at least \$100,000

Phantom stock and stock equivalents in the nonemployee director deferred compensation plan are considered Common Stock for purposes of the guidelines, as they are essentially awarded in lieu of cash compensation for Board services.

Employment Agreement

The Company entered into a new employment agreement with Christopher J. Pappas, the Company's President and Chief Executive Officer on January 24, 2014. The employment agreement was amended on December 1, 2014. The employment agreement, as amended, expires on August 31, 2016, unless earlier terminated, and currently provides for a base annual salary of \$462,000, plus potential bonus compensation in an amount that the independent directors of the Board or an authorized committee, shall determine, in its sole discretion. Please refer to "—Compensation of Chief Executive Officer" beginning on page 26 for more information regarding Mr. Pappas' employment agreement.

The employment agreement provides that Mr. Pappas will be entitled to receive all compensation and benefits provided under the employment agreement on August 31, 2016, if (1) the Company terminates his employment "without cause" (as defined in the employment agreement) or (2) Mr. Pappas terminates the employment agreement for "good reason" (as defined in the employment agreement). For more information regarding potential payments under the employment agreement, please read "—Potential Payments upon Termination or Change in Control" beginning on page 29.

The Company does not have any agreements with any of its other officers, directors, or employees containing provisions governing the compensation and benefits that may be paid to any such person upon termination of employment or a change in control of the Company.

Compensation of Chief Executive Officer

Under his current employment agreement, Christopher J. Pappas was paid an annual base salary of \$412,000 in fiscal year 2014. Beginning on September 11, 2014, for fiscal year 2015, Mr. Pappas' annual base salary is \$462,000. Mr. Pappas is eligible to receive potential annual cash bonuses and long-term equity incentives under his employment agreement in an amount that the independent directors of the Board or an authorized committee, shall determine. His Non-Equity Incentive Compensation is computed, similar to all Named Executive Officers, based upon the Company's achievement of Board-approved goals relating to same-store sales (33%) and EBITDA (67%). For more discussion regarding annual cash bonuses and long-term equity incentives, please read "—Non-Equity Incentive Compensation and Bonus," "—Short-Term Equity Incentive Compensation" and "—Long-Term Equity Incentive Compensation" beginning on page 24.

Compensation and the Company's Risk Management

The Company believes that our compensation policies and practices for our employees are appropriately structured and encourage decision making that could expose the Company to unreasonable risks of material adverse consequences. Furthermore, the Company employs a number of safeguards with respect to the compensation policies and practices which mitigate excessive risk-taking by our employees. These safeguards include: benchmarking compensation to market levels; focusing on long-term shareholder value creation; tying long-term incentive grants to objectives; issuing equity awards that vest over multi-year time horizons; and maintaining stock ownership guidelines for our officers.

Section 162(m) of the Internal Revenue Code

Section 162(m) of the Internal Revenue Code generally disallows a public company's tax deduction for compensation to the chief executive officer and the four other most highly compensated executive officers in excess of \$1 million in any calendar year. Compensation that qualifies as "performance based compensation" (as defined for purposes of Section 162(m)) is excluded from the \$1 million limitation, and therefore remains fully deductible by the company that pays it. Options granted under the Company's Luby's Incentive Stock Plan have been structured to qualify as performance-based and thus would not be subject to this deduction limitation. While the Executive Compensation Committee will seek to utilize deductible forms of compensation to the extent practicable, it does not believe that compensation decisions should be made solely to maintain the deductibility of compensation for federal income tax purposes. Although none of our Named Executive Officers reached the deduction limitation in fiscal year 2014, the Executive Compensation Committee plans to continue to evaluate the Company's salary, bonus, and stock option programs to determine the advisability of future compliance with Section 162(m).

EXECUTIVE COMPENSATION COMMITTEE REPORT

The Executive Compensation Committee reviewed and discussed the Company's Compensation Discussion and Analysis with the Company's management. Based on this review and discussion, the Executive Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement and incorporated by reference into the Company's Annual Report on Form 10-K for the fiscal year ended August 27, 2014.

Potential Payments upon Termination or Change in Control

Trigger Events

The employment agreement between the Company and Christopher J. Pappas ("Executive") will terminate upon the Executive's death or upon the Executive's disability, which is defined as his becoming incapacitated by accident, sickness or other circumstance that renders him physically or mentally unable to carry out the duties and services required of him under the employment agreement on a full-time basis for more than 120 days in any 180-day period. If a dispute arises between the Executive and the Company concerning the Executive's physical or mental ability to continue or return to the performance of his duties as described above, the Executive is required to submit to an examination by a competent physician mutually agreeable to both parties or, if the parties are unable to agree, by a physician appointed by the president of the Harris County Medical Association, and that physician's opinion will be final and binding.

The Company may terminate the Executive's employment at any time for cause, which means that the Executive has (1) been convicted of a crime constituting a felony or a misdemeanor involving moral turpitude, (2) committed, or participated in, an illegal act or acts that were intended to defraud the Company, (3) willfully refused to fulfill his duties and President and Chief Executive Officer, (4) breached material provisions of the employment agreement, a Company policy, or the Company's code of conduct, in each case after notice from the Board and an opportunity to correct the breach, (5) engaged in gross negligence or willful misconduct in the performance of his duties and obligations to the Company, or (6) willfully engaged in conduct known, or which should have been known, to be materially injurious to the Company. The Company also may terminate at any time an employment agreement for any other reason, in the sole discretion of the Board.

The Executive may terminate his employment for "good reason," which means that any of the following circumstances have occurred without the Executive's consent: (1) a material diminution in the nature, scope or duties of the Executive or assignment of duties inconsistent with those of President and Chief Executive Officer, or a change in the location of the Company's principal business office in which his services are to be carried out, to a location outside Texas, (2) any breach of a material provision of the employment agreement by the Company after written notice from the Executive and if correctable, the failure to correct such breach within 30 days from the date such notice is given, (3) within two years after the Company's sale of all or substantially all of its assets or the merger, share exchange or other reorganization of the Company into or with another corporation or entity, with respect to which the Company does not survive, or (4) certain reductions in the employee benefits and perquisites applicable to the Executive. Finally, the Executive may terminate his employment agreement for any other reason, in his sole discretion.

Termination due to Death or Disability. If the Executive's employment is terminated due to his death or disability, all compensation and benefits to the Executive under his employment agreement (other than any equity-based compensation awards granted to the Executive by the Company, which are governed by the terms of the applicable award agreement), will terminate contemporaneously with the termination of employment and without further obligation to the Executive or his legal representatives under his employment agreement, other than the payment of his base salary for the period through the date of termination. Under the Executive's existing incentive stock option agreements, upon the death of the Executive the stock option may be exercised within one year after his death, by the person or persons to whom his rights under the option have passed by will or the laws of descent and distribution, until the expiration of the option. If the Executive is terminated due to disability, the option may be exercised, to the extent the option was exercisable on the date of termination, until the earlier of the first anniversary of the date of termination or the expiration of the option.

Termination for Cause or other than for Good Reason. If the Executive terminates his employment without good reason, or if the Company terminates the Executive's employment for cause, all compensation and benefits to the Executive under his employment agreement (other than any equity-based compensation awards granted to the Executive by the Company, which are governed by the terms of the applicable award agreement), will terminate immediately upon the termination of employment and without further obligation to the Executive or his legal representatives under his employment agreement, other than the payment of his base salary for the period through the date of termination. Under the Executive's existing incentive stock option agreement, the Executive's stock option may be exercised, to the extent the option was exercisable on the date of termination, until the earlier of the first anniversary of the date of termination or the expiration of the option.

Termination Without Cause or For Good Reason. If the Executive's employment is terminated by the Company without cause or by the Executive for good reason, the Company will be obligated to pay to, or make available to, the Executive his monthly base salary and benefits in effect on the date of termination for the remainder of the term of the employment agreement, which expires on August 31, 2016. If, however, the Executive violates the confidentiality or noncompetition provisions in his employment agreement, then the Executive will forfeit his rights to receive any further payments under the employment agreement. Under the Executive's existing incentive stock option agreement, the Executive's stock option may be exercised, to the extent the option was exercisable on the date of termination, until the earlier of the first anniversary of the date of termination or the expiration of the option.

Non-renewal of Agreement. If the Executive's employment is terminated because the employment agreement is not renewed, then all compensation for periods subsequent to termination and all benefits to the Executive under the employment agreement will terminate immediately upon termination of employment. Under the Executive's existing incentive stock option agreement, the Executive's stock option may be exercised, to the extent the option was exercisable on the date of termination, until the earlier of the first anniversary of the date of termination or the expiration of the option.

FINANCE AND AUDIT COMMITTEE REPORT

In fulfilling its oversight responsibilities, the Finance and Audit Committee reviewed and discussed with management and the independent registered public accounting firm the Company's audited financial statements included in the Annual Report on Form 10-K for the year ended August 27, 2014 and their judgment about the quality and appropriateness of accounting principles and financial statement presentations, the reasonableness of significant judgments, the clarity of the disclosures in the financial statements, and major issues as to the adequacy of the Company's internal controls. In addition, the Finance and Audit Committee discussed any matter required to be communicated under generally accepted auditing standards. The Finance and Audit Committee has also received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board (the "PCAOB") regarding the independent registered public accounting firm's communications with the Finance and Audit Committee concerning independence and has discussed with the independent registered public accounting firm the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, professional standards, Vol. I, AV section 380), as adopted by the PCAOB in Rule 3200T. The Finance and Audit Committee also has discussed with the independent registered public accounting firm the firm's independence from the Company and management. The Finance and Audit Committee also considered the compatibility of nonaudit services with the independent registered public accounting firm's independence.

In reliance on the reviews and discussions referred to above, the Finance and Audit Committee recommended to the Board, and the Board has approved, that the audited financial statements be included in the Annual Report on Form 10-K for the year ended August 27, 2014, for filing with the Securities and Exchange Commission. The Finance and Audit Committee appointed Grant Thornton LLP as the independent registered public accounting firm for the Company for the 2015 fiscal year.

The Company's Bylaws provide that any shareholder of record may nominate a candidate for election as a director of the Company or bring any other business before an annual meeting of shareholders, so long as the shareholder gives timely notice thereof. To be timely, such notice must be delivered in writing to the Secretary of the Company at the principal executive offices of the Company not later than the close of business on the 90th day and not earlier than the close of business on the 120th day prior to the first anniversary of the preceding year's annual meeting of shareholders and must include (1) as to each person whom the shareholder proposes to nominate for election or reelection as a director, all information with respect to each nominee as would be required to be disclosed in a proxy solicitation relating to an election of directors pursuant to Regulation 14A under the Exchange Act; (2) as to any other business that the shareholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the text of the proposal or business (including the text of any resolutions proposed for consideration and if such business includes a proposal to amend the Company's Bylaws, the language of the proposed amendment), the reasons for conducting such business at the meeting, and any material interest in such business of such shareholder; and (3) as to the shareholder giving the notice, (a) the name and address of such shareholder, as they appear on the Company's books, (b) the class and number of shares of the Company which are owned beneficially and of record by such shareholder, and any derivative positions owned beneficially by such shareholder, and (c) all such other information required to be submitted by the shareholder in accordance with the Bylaws.

The Company requests persons such as brokers, nominees, and fiduciaries holding stock in their names for the benefit of others, or holding stock for others who have the right to give voting instructions, to forward proxy material to their principals and to request authority for the execution of the proxy, and the Company will reimburse such persons for their reasonable expenses.

HOUSEHOLDING OF PROXY MATERIALS

Under SEC rules, companies and intermediaries (such as brokers) may satisfy the delivery requirements for proxy statements with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This practice, known as “householding,” is intended to improve the convenience of shareholders and to reduce the Company’s printing and postage costs.

A number of brokers with accountholders who are shareholders of the Company will be householding the Company’s proxy materials and accordingly, a single proxy statement will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from an affected shareholder. Shareholders who participate in householding will continue to receive separate proxy cards. Once you who have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or you revoke your consent. If at any time you no longer wish to participate in householding and would prefer to receive a separate proxy statement, please notify your broker or call the Company at (713) 329-6808 or write the Company at Luby’s, Inc., Investor Relations, 13111 Northwest Freeway, Suite 600, Houston, Texas 77040.

Shareholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should contact their broker.

PROXY SOLICITATION

The cost of soliciting proxies will be borne by the Company. Proxies may be solicited through the mail and through telephonic or telegraphic communications to, or by meetings with, shareholders or their representatives by directors, officers, and other employees of the Company who will receive no additional compensation therefore. We have also retained Georgeson to assist us in soliciting proxies for a fee of \$8,500 plus reasonable out-of-pocket expenses. The Company also requests brokers, nominees, and fiduciaries holding stock in their names for the benefit of others, or holding stock for others who have the right to give voting instructions, to forward proxy material to their principals and to request authority for the execution of the proxy, and the Company will reimburse such persons for their reasonable expenses.

The Company will provide without charge on the written request of any person solicited hereby a copy of the Company's Annual Report on Form 10-K for the year ended August 27, 2014. Written requests should be mailed to Luby's, Inc., Investor Relations, 13111 Northwest Freeway, Suite 600, Houston, Texas 77040.
