ITEM 14. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 145 of the Delaware General Corporation Law ("DGCL") authorizes a corporation to indemnify its directors and officers against liabilities arising out of actions, suits and proceedings to which they are made or threatened to be made a party by reason of the fact of their prior or current service to the corporation as a director or officer, in accordance with the provisions of Section 145, which are sufficiently broad to permit indemnification under certain circumstances for liabilities arising under the Securities Act. The indemnity may cover expenses (including attorneys' fees) judgments, fines and amounts paid in settlement actually and reasonably incurred by the director or officer in connection with any such action, suit or proceeding. Section 145 permits corporations to pay expenses (including attorneys' fees) incurred by directors and officers in advance of the final disposition of such action, suit or proceeding. In addition, Section 145 provides that a corporation has the power to purchase and maintain insurance on behalf of its directors and officers against any liability asserted against them and incurred by them in their capacity as a director or officer, or arising out of their status as such, whether or not the corporation would have the power to indemnify the director or officer against such liability under Section 145.

Our certificate of incorporation, as amended, provides that, unless otherwise required under applicable law, (1) a director shall not be personally liable to us or our stockholders for monetary damages for breach of fiduciary duty as a director, and (2) we shall indemnify any director or officer made a party to an action or proceeding, whether criminal, civil, administrative or investigative, by reason of the fact of such person's current or prior service as a director or officer of the Company, any predecessor of the Company or any other enterprise per the Company's or any predecessor

to the Company's request.

Our bylaws provide that (a) we shall indemnify and hold harmless our directors and officers to the maximum extent and in the manner permitted by the DGCL against expenses (including attorneys' fees) reasonably incurred in connection with any proceeding, whether civil, criminal, administrative or investigative, arising by reason of the fact that such person is or was an agent of the corporation, (b) we shall advance expenses incurred by any director or officer prior to the final disposition of any proceeding to which the director or officer was or is or is threatened to be made a party promptly following a request therefore, subject to certain limited requirements, and (c) the rights conferred in our Bylaws are not exclusive.

We have also obtained insurance policies covering our directors and officers with respect to certain liabilities, including liabilities arising under the Securities Act.

ITEM 15. RECENT SALES OF UNREGISTERED SECURITIES

Over the past three years, we have issued and sold the following securities without registration under the Securities Act:

On February 26, 2013, we issued a promissory note in the principal amount of \$497,307 (the “InterDigital Note”) to DRNC. The InterDigital Note accrued interest at a rate of 7% per annum and was scheduled to mature on December 31, 2015. A portion of the proceeds from the sale of the InterDigital Note was used to repay the Colatosti Note in full, and the remaining proceeds were used for general corporate purposes. On November 22, 2013, we repaid in full the \$497,307 balance due under the InterDigital Note. The InterDigital Note was issued in a private placement transaction exempt from the registration requirements of the Securities Act pursuant to Section 4(a)(2) thereof directly by the Company without engaging in any advertising or general solicitation of any kind and without payment of underwriting discounts or commissions to any person.

On February 26, 2013, we issued 2,013,468 shares of common stock to DRNC for an aggregate purchase price of \$402,693. On February 26, 2013, we also issued 2,500,000 shares of common stock to a limited number of investors for an aggregate purchase price of \$500,000. On July 23, 2013, we issued 1,750,003 units consisting of 1,750,003 shares of common stock and warrants to purchase an additional 1,750,003 shares of common stock for an aggregate purchase price of \$1,050,000. Each unit consists of one share of common stock and a warrant to purchase one share of common stock. Each warrant is immediately exercisable at an exercise price of \$0.50 per share and expires five years after the date of grant. The securities were issued to accredited investors in a private placement transaction exempt from the registration requirements of the Securities Act pursuant to Section 4(a)(2) of the Securities Act and/or Rule 506 of Regulation D promulgated thereunder directly by us without engaging in any advertising or general solicitation of any kind and without payment of underwriting discounts or commissions to any person.

On August 15, 2013, we issued warrants to purchase 150,000 shares of common stock at an exercise price of \$0.20 per share to an independent contractor for work associated with the February 2013 common stock and note issuance. The warrants have a term of three years and vest immediately. These securities were issued in a private placement transaction exempt from the registration requirements of the Securities Act pursuant to Section 4(a)(2) thereof directly by the Company without engaging in any advertising or general solicitation of any kind and without payment of underwriting discounts or commissions to any person.

Between October 25, 2013 and November 8, 2013, we issued to certain private investors 12,323,668 units consisting of 12,323,668 shares of our common stock and warrants to purchase an additional 12,323,668 shares of our common stock for an aggregate purchase price of \$3,697,100. Each unit had a purchase price of \$0.30 and consisted of one share of common stock and one warrant. Each warrant is immediately exercisable at an exercise price of \$0.50 per share and expires three years after the date of grant. In connection with our October 2013 private offering, we issued 206,034 shares of our common stock as a result of certain anti-dilution rights held by certain investors in our July

2013 private offering. The securities were issued to accredited investors in a private placement transaction exempt from the registration requirements of the Securities Act pursuant to Section 4(a)(2) of the Securities Act and/or Rule 506 of Regulation D promulgated thereunder directly by us without engaging in any advertising or general solicitation of any kind. Pursuant to a placement agency letter agreement, we paid the placement agent cash commissions equal to 8% of the gross proceeds of the offering and agreed to reimburse the placement agent for its reasonable out of pocket expenses. In addition, we issued warrants to the placement agent to purchase an aggregate of 985,893 shares of common stock. The Placement Agent Warrants have substantially the same terms as the warrants issued to the investors, except the placement agent warrants are immediately exercisable on a cashless basis.

In November 2014, we issued an aggregate of 7,974,999 shares of our common stock and warrants to purchase an additional 11,962,499 shares of common stock for an aggregate purchase price of \$1,595,000 prior to a deduction for expenses. The warrants have a term of five years, an exercise price of \$0.30 per share, are immediately exercisable. The securities were issued to accredited investors in a private placement transaction exempt from the registration requirements of the Securities Act pursuant to Section 4(a)(2) of the Securities Act and/or Rule 506 of Regulation D promulgated thereunder directly by us without engaging in any advertising or general solicitation of any kind and without payment of underwriting discounts or commissions to any person.

We have issued options to our directors and executive officers. On August 13, 2015, we issued an aggregate of 72,222 shares of common stock and options to purchase an aggregate of 100,000 shares of common stock to our directors. We also issued options to purchase an aggregate of 875,000 to certain of our officers. The foregoing options have a term of seven years, an exercise price of \$0.18 per share, and vest in three equal annual installments. A description of securities issued to our officers and directors prior to December 31, 2014 is set forth under the section entitled “**Executive Compensation**”. All of the foregoing securities were issued in private placement transactions exempt from the registration requirements of the Securities Act pursuant to Section 4(a)(2) of the Securities Act directly by us without engaging in any advertising or general solicitation of any kind and without payment of underwriting discounts or commissions to any person.

On August 13, 2015, we issued options to purchase an aggregate of 1,003,000 shares of common stock to twelve employees, and 100,000 shares of common stock to our four non-employee directors. The options are exercisable at \$0.18 per share, have a term of seven years, and vest in equal annual installments over a three-year period commencing on the date of grant.

On September 23, 2015, we issued a warrant to purchase 833,333 shares of common stock to one accredited investor in connection with the issuance of a promissory note. The warrant is immediately exercisable in full at an exercise price of \$0.30 per share and has a term of five years. The foregoing securities were issued in a private placement transaction pursuant to the exemption from registration provided by Section 4(2) of the Securities Act of 1933, as amended, without general solicitation or advertising of any kind and without payment of placement agent or brokerage fees to any person.

On October 22 and 29, 2015, we issued 84,500 shares of Series A-1 Convertible Preferred Stock at a purchase price of \$100.00 per share, for aggregate gross proceeds of \$8,450,000. The Series A-1 Shares are convertible at any time at the option of the holder into shares of common stock at an initial conversion price of \$0.30 per share and accrue dividends at the rate of 6% per annum payable quarterly on April 1, July 1, October 1, and January 1 of each year, payable in cash through October 1, 2017 and thereafter, in cash or kind through the issuance of additional shares of common stock. All of the foregoing securities were issued in private placement transactions exempt from the registration requirements of the Securities Act pursuant to Section 4(a)(2) of the Securities Act directly by us without engaging in any advertising or general solicitation of any kind and without payment of underwriting discounts or commissions to any person.

On November 11, 2015, we issued 105,000 shares of Series B-1 Convertible Preferred Stock at a purchase price of \$100.00 per share, for gross proceeds of \$10,500,000, and 5,500 additional shares of Series A-1 Convertible Preferred Stock at a purchase price of \$100.00 per share, for gross cash proceeds of \$550,000. The Series B-1 Shares are convertible at any time at the option of the holder into shares of common stock at an initial conversion price of \$0.30 per share and accrue dividends at the rate of 2.5% per annum payable quarterly on April 1, July 1, October 1, and January 1 of each year payable in cash. All of the foregoing securities were issued in private placement transactions exempt from the registration requirements of the Securities Act pursuant to Section 4(a)(2) of the Securities Act directly by us without engaging in any advertising or general solicitation of any kind and without payment of

underwriting discounts or commissions to any person.

ITEM 17. UNDERTAKINGS

(a) The undersigned registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

(2) that, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) that, for the purpose of determining liability under the Securities Act to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no

statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(b) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
