Item 2.05 Costs Associated with Exit or Disposal Activities

On November 9, 2006, Brunswick Corporation (“Brunswick”) committed to a restructuring plan to reduce costs and improve general operating efficiencies through global work force reductions, the consolidation of certain boat manufacturing facilities, sales offices and distribution warehouses, and realignment of distribution for our bowling products business. Brunswick expects to incur pre-tax charges for severance and facility consolidation and closure costs in the range of approximately \$25 to \$28 million, of which approximately 80 percent will be incurred in the fourth quarter of 2006.

In connection with these actions, Brunswick expects to incur cash severance charges of approximately \$11 million to \$12 million, cash facility closure charges of approximately \$2 million to \$3 million and approximately \$7 million of non-cash asset impairment charges during the fourth quarter of 2006. The residual \$5 million to \$6 million of restructuring charges to be incurred in 2007 relate to cash expenditures for severance and the remaining facility closure actions.

The news release announcing these actions is furnished as Exhibit 99.1 and incorporated herein by reference.

Statements made in this Current Report on Form 8-K that are forward-looking involve risks and uncertainties and are indicated by words such as "estimates," "expects" and other similar words or phrases. These uncertainties include, but are not limited to, the execution of the restructuring plan, economic conditions, product demand, competitive products and pricing, availability of products, the regulatory environment and other risks described in filings with the SEC such as Brunswick's most recent Forms 10-K and 10-Q.
