Item 1.01. Entry into a Material Definitive Agreement.

On October 24, 2017, Laredo Petroleum, Inc. (the "Company") entered into the First Amendment (the "First Amendment") to the Fifth Amended and Restated Credit Agreement (as amended, the "Senior Secured Credit Facility") among the Company, as borrower, Wells Fargo Bank, N.A., as administrative agent, Laredo Midstream Services, LLC ("LMS") and Garden City Minerals, LLC., as guarantors, and the banks signatory thereto. The First Amendment, among other things, clarifies the repayment of senior notes negative covenant to permit the Company to redeem Senior Notes (as defined therein) with an amount not exceeding the net cash proceeds from the sale or disposition of properties not constituting Borrowing Base Properties (as defined therein) and made within 365 days of the consummation of such sale or disposition, which would include the proceeds from the Sale (as defined below). In addition, on October 20, 2017, pursuant to a regular semi-annual redetermination, the lenders reaffirmed the borrowing base of \$1.0 billion under the Senior Secured Credit Facility. The Company's aggregate elected commitment of \$1.0 billion remained unchanged.

The foregoing description of the First Amendment is a summary only and is qualified in its entirety by reference to the complete text of the First Amendment, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated by reference herein.

Item 2.01. Completion of Acquisition or Disposition of Assets.

On October 30, 2017, LMS, a wholly-owned subsidiary of the Company, together with Medallion Midstream Holdings, LLC ("MMH"), which is owned and controlled by an affiliate of The Energy & Minerals Group ("EMG"), completed the previously announced sale (the "Sale") of 100% of the ownership interests in Medallion Gathering & Processing, LLC ("MGP") to Medallion Midland Acquisition Partnership, L.P. ("Purchaser"), an affiliate of Global Infrastructure Partners ("GIP"), for cash consideration of approximately \$1.825 billion, subject to customary post-closing adjustments. LMS received net cash proceeds from the Sale of approximately \$829.6 million for its 49% ownership interest in MGP, before post-closing adjustments and taxes, but after deduction of its proportionate share of fees and other expenses associated with the Sale. The Sale closed pursuant to the membership interest purchase and sale agreement (the "Purchase Agreement"), dated as of October 1, 2017, by and among LMS, MMH, MGP and Purchaser. The Purchase Agreement also provides for potential post-closing additional cash consideration (the "Additional Consideration") that is structured based on GIP's realized profit at exit. There can be no assurance as to when and whether the Additional Consideration will be paid.

The Purchase Agreement includes customary representations, warranties and covenants for a transaction of this nature. The Purchase Agreement also provides for certain post-closing indemnification obligations and for the limited sole purpose of indemnification, the Company and certain affiliates of MMH are signatories to the Purchase Agreement. A copy of the Purchase Agreement is filed as Exhibit 2.1 to this Current Report on Form 8-K. The foregoing description of the Purchase Agreement and the transaction contemplated thereby does not purport to be complete and is qualified in its entirety by reference to such exhibit and the description of the Purchase Agreement in the Company's Current Report on Form 8-K filed on October 2, 2017. The representations, warranties and covenants contained in the Purchase Agreement were made only for purposes of the Purchase Agreement as of the specific dates therein, were solely for the benefit of the parties to the Purchase Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by disclosures made for the purposes of allocating contractual risk among the parties to the Purchase Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors are not third-party beneficiaries under the Purchase Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the parties thereto or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of representations and warranties may change after the date of the Purchase Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures.
