Section 5 - Corporate Governance and Management

Item 5.02 — Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On August 20, 2018, Chase Corporation (the “Company”) hired and appointed Christian J. Talma as Chief Accounting Officer. This is a newly created executive officer position at the Company.

Mr. Talma, age 45, was previously Vice President Operations Finance and Strategy for Haemonetics Corp. since 2016. Prior to which, Mr. Talma was employed at Siemens A.G., since 2002, most recently as Head of North America Service Sales Finance.

In connection with his appointment and the start of fiscal 2019, Mr. Talma will receive an annual salary of \$250,000 and will be eligible to participate in Chase Corporation’s annual executive cash bonus program, with a target bonus of 30% of his salary, and its long term incentive equity program, with a targeted value of 30% of his salary (comprising performance shares representing a targeted 15% of his salary, as adjusted based on company performance and vesting two years after the end of the performance period, a restricted stock award representing 7.5% of his salary that vests three years from the grant date and stock options representing 7.5% of his salary that vest in three equal annual allotments beginning August 31, 2019). In connection with his hiring, Mr. Talma will receive a one-time time-vesting stock grant with a grant date value of \$75,000 vesting in August 2019. He will also receive other benefits, including health insurance, participation in the Company’s retirement savings plans, life insurance and a monthly car allowance, on terms generally consistent with the benefits made available to the Company’s executive officers in the past.

Mr. Talma has no family relationships or transactions with related persons that would be required to be disclosed under applicable SEC regulations.

Mr. Talma’s offer letter and severance agreement are attached to this Current Report as Exhibits 10.1 and 10.2, respectively.
