Item 2. Advisory Approval of the Compensation of Our Named Executive Officers

We are presenting the following proposal, commonly known as a “Say-on-Pay” proposal, which gives you as a shareholder the opportunity to endorse or not endorse our compensation program for named executive officers (“NEOs”) by voting for or against the following resolution:

“RESOLVED, that the shareholders approve the compensation of the Company’s NEOs, as disclosed in the Compensation Discussion and Analysis, the compensation tables, and the related disclosure contained in the Company’s proxy statement.”

While our Board of Directors intends to carefully consider the shareholder vote resulting from the proposal, the final vote will not be binding on us and is advisory in nature.

The primary objectives of our executive compensation program are to:

- Create and reinforce our pay-for-performance culture;
- Align the interests of management with our shareholders;
- Attract, retain and motivate executive talent by providing competitive levels of salary and targeted total pay;
- Provide incentive compensation that promotes desired behavior without encouraging unnecessary and excessive risk; and
- Integrate with our performance management process of goal setting and formal evaluation.

By following these objectives, we believe that our compensation program for NEOs is strongly aligned with the long-term interests of our shareholders.

The Board of Directors recommends that you vote FOR advisory approval of the compensation of our NEOs as disclosed in the Compensation Discussion and Analysis, the compensation tables, and the related disclosure contained in this proxy statement.

Item 3. Approval of Appointment of Independent Auditors

At the Annual General Meeting, shareholders will be asked to approve the appointment of PricewaterhouseCoopers (“PwC”) as our independent auditors for the fiscal year ending December 31, 2016, and to authorize the Audit and Finance Committee of our Board of Directors to set the independent auditors’ remuneration. PwC acted as our independent auditor since 2013 and has familiarity with our affairs. Based on such familiarity and its ability, we believe PwC is best qualified to perform this important function.

Representatives of PwC will be present at the Annual General Meeting and will be available to respond to appropriate questions. They will have an opportunity to make a statement if they so desire.

The Board of Directors recommends a vote FOR the proposal to approve the appointment of PwC as independent auditors of the Company and to authorize the Audit and Finance Committee of the Board of Directors to set the auditors’ remuneration.

Audit and Finance Committee Report

While management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls, the Audit and Finance Committee reviews the Company’s audited financial statements and financial reporting process on behalf of the Board of Directors. The independent auditors are responsible for performing an independent audit of the Company’s consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) (“PCAOB”) and to issue a report thereon. The Audit and Finance Committee monitors those processes. In this context, the Audit and Finance Committee has met and held discussions with management and the independent auditors regarding the fair and complete presentation of the Company’s results. The Audit and Finance Committee has discussed significant accounting policies applied by the Company in its financial statements, as well as alternative treatments. Management has represented to the Audit and Finance Committee that the Company’s consolidated financial statements were prepared in accordance with United States generally accepted accounting principles, and the Audit and Finance Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit and Finance Committee also discussed with the independent auditors the matters required to be discussed by Auditing Standard No. 16, as amended (Communication with Audit Committees), as adopted by the PCAOB.

In addition, the Audit and Finance Committee has received and reviewed the written disclosures and the PCAOB-required letter from PwC regarding PwC’s communications with the Audit and Finance Committee concerning independence and discussed with PwC its independence. The Audit and Finance Committee also considered whether the independent auditors’ provision of non-audit services to the Company is compatible with the auditors’ independence. The Audit and Finance Committee has concluded that the independent auditors are independent from the Company and its management.

The Audit and Finance Committee discussed with the Company’s internal and independent auditors the overall scope and plans for their respective audits. The Audit and Finance Committee meets separately with the internal and independent auditors, with and without management present, to discuss the results of their examinations, the evaluations of the Company’s internal controls and the overall quality of the Company’s financial reporting.

In reliance on the reviews and discussions referred to above, the Audit and Finance Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2015 (“2015 Form 10-K”), for filing with the Securities and Exchange Commission (the “SEC”). The Audit and Finance Committee has selected PwC, subject to shareholder approval, as the Company’s independent auditors for the fiscal year ending December 31, 2016.

The Audit and Finance Committee has adopted policies and procedures which require that the Audit and Finance Committee pre-approve all non-audit services that may be provided to the Company by its independent auditors. The policy: (i) provides for pre-approval of an annual budget for each type of service; (ii) requires Audit and Finance Committee approval of specific projects over \$50,000, even if included in the approved budget; and (iii) requires Audit and Finance Committee approval if the forecast of expenditures exceeds the approved budget on any type of service. The Audit and Finance Committee pre-approved all of the services described above. The Audit and Finance Committee has determined that the provision of all such non-audit services is compatible with maintaining the independence of PwC.

Item 4. Approval of Certain Administrative Amendments
to the Company's (A) Memorandum of Association and (B) Articles of Association

Background

On June 1, 2015, the Companies Act 2014 took effect in Ireland. The Companies Act 2014 consolidates and modernizes company law in Ireland. Although the changes to Irish company law will not impact our day-to-day operations, we must make some administrative updates to our Memorandum of Association and Articles of Association to ensure that they are not impacted or affected by the introduction of this new law. None of the proposed updates to our Memorandum of Association or our Articles of Association will materially change the rights of our shareholders.

Item 4A sets out certain proposed amendments to our Memorandum of Association, and Item 4B sets out certain proposed amendments to our Articles of Association. Under Irish law, any amendment to a public company's Memorandum of Association must be voted on separately from any amendment to a public company's Articles of Association. For that reason, we are asking shareholders to separately vote on Items 4A and 4B; however, given the inextricable link between Items 4A and 4B, each proposal is subject to the other being approved by shareholders, and as a result, both proposals will fail if either proposal does not pass.

Item 4A: Proposed Administrative Amendments
to the Company's Memorandum of Association

We must make certain administrative changes to our Memorandum of Association to account for the adoption of the Companies Act 2014. None of the proposed amendments to our Memorandum of Association, which are being proposed in order to update the statutory references to be consistent with the Companies Act 2014, will materially change the rights of our shareholders. The proposed amendments to our Memorandum of Association are each specifically described in the text of the resolution below. This description is qualified in its entirety by reference to the complete text of the proposed amendments, which is attached to this Proxy Statement as Annex I. We urge you to read Annex I in its entirety before casting your vote.

As required under Irish law, Item 4A is a special resolution that requires the affirmative vote of the holders of at least 75% of the votes cast. In addition, Item 4A is subject to Item 4B being adopted. Therefore, unless shareholders approve Item 4B, Item 4A will fail.

The Text
of the
Resolution
in Respect
of Item 4A
is as
Follows:

As a special resolution that, subject to and conditional upon Item 4B being passed, the following amendments, as shown in Annex I, be made to the Memorandum of Association:

“that the existing clause 2 of the Memorandum of Association be amended to include reference to the Company being a public limited company for the purposes of Part 17 of the Companies Act 2014 and that the existing clause 3(14) of the Memorandum of Association be amended to update the statutory reference to the Companies Act 2014.”

The Board of Directors recommends a vote FOR the proposal to approve the amendments to the Company's Memorandum of Association in the manner described above.

Table of Contents

Item 4B: Proposed Administrative Amendments to the Company’s Articles of Association

We must make certain administrative changes to our Articles of Association to account for the adoption of the Companies Act 2014. None of the proposed amendments to our Articles of Association, which are being proposed in order to update the statutory references to be consistent with the Companies Act 2014, will materially change the rights of our shareholders. The table set forth below summarizes the proposed amendments to our Articles of Association. This summary table is qualified in its entirety by reference to the complete text of the proposed amendments, which is attached to this Proxy Statement as Annex II. We urge you to read Annex II in its entirety before casting your vote.

Amendment	Reason for Amendment
All references to the old Irish company law statutes, which were repealed when the Companies Act 2014 became effective on June 1, 2015, are replaced by references to the Companies Act 2014 (the “Act”)	To ensure that our Articles of Association are consistent with the statutory references in the Act

New Article 1

The Act adopts a new approach in regard to the articles of association of all companies. Instead of making provisions for a model set of articles of association, as was done with Table A in the Companies Act 1963 (“Table A”), the Act now contains specific sections which apply to all companies unless the articles of association specifically exclude them. As these provisions deal with matters which are already specified in our articles of association, it is necessary to include a new provision (Article 1) in order to disapply these optional sections of the Act. As Table A is no longer relevant, it is no longer necessary to provide for its disapplication. Sections 83 and 84 are being retained as they contain the powers necessary for a company to implement capital reductions and capital variations under the Act.

Amended Article 104

Article 104 has been amended in order to address the new requirements regarding the maintenance of accounting records. The directors may use the power provided for in the Act to send shareholders summary financial information in lieu of the full statutory financial statements of the company. However, where the directors elect to do so, any shareholder may request a full copy of the financial statements of the company to be sent to him or her. Article 104 (d) also makes specific reference to the financial statements being made available on the company’s website, as is the current practice.

As required under Irish law, Item 4B is a special resolution that requires the affirmative vote of the holders of at least 75% of the votes cast. In addition, Item 4B is subject to Item 4A being adopted. Therefore, unless shareholders approve Item 4A, Item 4B will fail.

The Text of the Resolution in Respect of Item 4B is as Follows:

As a special resolution that, subject to and conditional upon Item 4A being passed, the Articles of Association be and are hereby amended in the manner provided in Annex II of this Proxy Statement.

The Board of Directors recommends a vote FOR the proposal to approve the amendments to the Company’s Articles of Association in the manner described above.

Item 5. Approval of Amendments to the Company's Articles of Association to (A) Provide for a Plurality Voting Standard in the Event of a Contested Election; and (B) Grant the Board Sole Authority to Determine its Size
Background

Item 5A sets out proposed amendments to our Articles of Association to provide for a plurality voting standard in the context of a contested election. Item 5B sets out proposed amendments to our Articles of Association to grant the Board the sole authority to set its size.

Under Irish law, unless the Board is granted sole authority to set its size, the plurality voting standard would not achieve its desired results. For example, unless the Board is granted sole authority to set its size, nominees (including the Company's nominees) who receive a simple majority of votes cast may also be elected to the Board, even if those nominees receive fewer votes than the nominees that otherwise fill the available seats. In contrast, in the United States, under a plurality voting standard, only those directors who receive the most votes for the available seats are elected. Given the link between Items 5A and 5B, each proposal is subject to the other being approved by shareholders, and as a result, both proposals will fail if either proposal does not pass.

The description of the following proposed amendments is only a summary and is qualified in its entirety by reference to the complete text of the proposed amendments. The proposed amendments regarding plurality voting are included in Annex III to this Proxy Statement and the proposed amendments regarding the grant to the Board the sole authority to set its size are included in Annex IV to this Proxy Statement. We urge you to read Annexes III and IV in their entirety before casting your vote.

Approval of Amendments to the Company's
Item 5A: Articles of Association to Provide for a Plurality Voting Standard in the Event of a Contested Election

We currently have a majority voting standard for both uncontested and contested director elections. In the context of contested director elections, however, many believe that a plurality voting standard is more appropriate for a number of reasons, including to avoid the risk of a failed election (i.e., where one or more directors fails to receive a majority vote). Under a plurality voting standard, the nominees receiving the highest number of votes would be elected as directors, regardless of whether the nominees receive a majority of the votes cast in the election. In the United States, proxy advisory firms generally support this view as well and best practice calls for a majority voting standard in uncontested director elections, and a plurality voting standard in contested elections.

In recent years, as best practices in corporate governance have evolved, there has been a shift in the United States from the historically dominant plurality voting standard in all director elections to a majority voting standard in uncontested elections and a plurality standard in contested elections. As evidence of this shift, a survey of the 100 largest U.S. public companies reveals that the overwhelming majority have adopted a majority voting standard for uncontested elections while retaining a plurality voting standard for contested elections.

In light of the Board's continual review of governance standards, the Board recommends that shareholders approve an amendment to our Articles of Association to provide for a plurality voting standard solely in the case of a contested election. If adopted, this amendment would provide that, where the number of director nominees exceeds the number of directors to be elected, only those directors receiving the most votes for the available seats would be elected. The Board believes it is in the best interests of our shareholders to adopt the plurality voting standard in the case of contested elections, while maintaining a majority voting standard in the case of uncontested elections. Accordingly, Item 5A seeks shareholder approval to amend our Articles of Association to provide for plurality voting in a contested election.

As required under Irish law, Item 5A is a special resolution that requires the affirmative vote of the holders of at least 75% of the votes cast. In addition, Item 5A is subject to Item 5B being adopted. Therefore, unless shareholders approve Item 5B, Item 5A will fail.

Approval of Amendments to the Company's
Item 5B: Articles of Association to Grant the Board Sole Authority to Determine its
Size

Our Board is also proposing to amend our Articles of Association to provide that the size of the Board be set solely by resolution of the Board. This amendment is necessary in order for the plurality voting mechanism described above to function effectively under Irish law. As discussed above, unless the Board is granted sole authority to set its size, nominees (including the Company's nominees) who receive a simple majority of votes cast may also be elected to the Board, even if those nominees receive fewer votes than the nominees that otherwise fill the available seats.

As with plurality voting in contested elections, granting the Board sole authority to set its size is a common governance practice in the United States. A survey of the 100 largest U.S. public companies reveals that the overwhelming majority have granted their board sole authority to set the size of the board. Accordingly, Item 5B seeks shareholder approval to amend our Articles of Association to grant the Board sole authority to set its size within the parameters established in our Articles of Association.

As required under Irish law, Item 5B is a special resolution that requires the affirmative vote of the holders of at least 75% of the votes cast. In addition, Item 5B is subject to Item 5A being adopted. Therefore, unless shareholders approve Item 5A, Item 5B will fail.

CORPORATE GOVERNANCE

CORPORATE GOVERNANCE GUIDELINES

Our Corporate Governance Guidelines, together with the charters of the various Board committees, provide a framework for the corporate governance of the Company. The following is a summary of our Corporate Governance Guidelines. A copy of our Corporate Governance Guidelines, as well as the charters of each of our Board committees, are available on our website at www.allegion.com under the heading “About Allegion – Corporate Governance.”

Role of the Board of Directors

Our business is managed under the direction of the Board of Directors. The role of the Board of Directors is to oversee our management and governance and monitor senior management’s performance.

Board Responsibilities

The Board of Directors’ core responsibilities include, among other things:

- selecting, monitoring, evaluating and compensating senior management;
- assuring that management succession planning is ongoing;
- overseeing the implementation of management’s strategic plans and capital allocation strategy;
- reviewing our financial controls and reporting systems;
- overseeing our management of enterprise risk;
- reviewing our ethical standards and compliance procedures; and
- evaluating the performance of the Board of Directors, Board committees and individual directors.

Board Leadership Structure

The positions of Chairman of the Board and Chief Executive Officer (“CEO”) of the Company are held by the same person. It is the Board of Directors’ view that our corporate governance principles, the quality, stature and substantive business knowledge of the members of the Board, as well as the Board’s culture of open communication with the CEO and senior management are conducive to Board effectiveness with a combined Chairman and CEO position. The Board reserves the right to separate the roles of Chairman and CEO in the event that there are changes in circumstances or performance.

In addition, the Board of Directors has a strong, independent Lead Director and it believes this role adequately addresses the need for independent leadership and an organizational structure for the independent directors. The Chairman and CEO is responsible for working with the Lead Director so that together they achieve the Board governance objectives outlined by the Board.

Mr. Hachigian has been the Lead Director since December 2013. The Board of Directors appoints a Lead Director for a three-year minimum term from among the Board’s independent directors. The Lead Director coordinates the activities of all of the Board’s independent directors. The Lead Director is the principal confidant to the CEO and ensures that the Board of Directors has an open, trustful relationship with the Company’s senior management team. In addition to the duties of all directors, as set forth in the Company’s Governance Guidelines, the specific responsibilities of the Lead Director are as follows:

- Chair the meetings of the independent directors when the Chairman is not present;
- Ensure the full participation and engagement of all Board members in deliberations;
- Lead the Board of Directors in all deliberations involving the CEO’s employment, including hiring, contract negotiations, performance evaluations and dismissal;
- Counsel the Chairman on issues of interest/concern to directors and encourage all directors to engage the Chairman with their interests and concerns;
- Work with the Chairman to develop an appropriate schedule of Board meetings and approve such schedule, to ensure that the directors have sufficient time for discussion of all agenda items, while not interfering with the flow of Company operations;
- Work with the Chairman to develop the Board and Committee agendas and approve the final agendas;
- Keep abreast of key Company activities and advise the Chairman as to the quality, quantity and timeliness of the flow of information from Company management that is necessary for the directors to effectively and responsibly perform

their duties; although Company management is responsible for the preparation of

11

Table of Contents

materials for the Board of Directors, the Lead Director will approve information provided to the Board and may specifically request the inclusion of certain material;

- Engage consultants who report directly to the Board of Directors and assist in recommending consultants that work directly for Board Committees;

- Work in conjunction with the Corporate Governance and Nominating Committee in compliance with Governance Committee processes to interview all Board candidates and make recommendations to the Board of Directors;

- Assist the Board of Directors and Company officers in assuring compliance with and implementation of the Company's Corporate Governance Guidelines; work in conjunction with the Corporate Governance Committee to recommend revisions to the Corporate Governance Guidelines;

- Call, coordinate and develop the agenda for and chair executive sessions of the Board's independent directors; act as principal liaison between the independent directors and the CEO;

- Work in conjunction with the Corporate Governance and Nominating Committee to identify for appointment the members of the various Board Committees, as well as selection of the Committee chairs;

- Be available for consultation and direct communication with major shareholders in coordination with the CEO;

- Make a commitment to serve in the role of Lead Director for a minimum of three years; and

- Help set the tone for the highest standards of ethics and integrity.

Board Risk Oversight

The Board of Directors has oversight responsibility of the processes established to report and monitor systems for material risks applicable to us. The Board of Directors focuses on our general risk management strategy and the most significant risks we face and ensures that appropriate risk mitigation strategies are implemented by management. The full Board is responsible for considering strategic risks and succession planning and receives reports from each committee as to risk oversight within their areas of responsibility. The Board of Directors has delegated to its various committees the oversight of risk management practices for categories of risk relevant to their functions as follows:

- The Audit and Finance Committee oversees risks associated with our systems of disclosure controls and internal controls over financial reporting, our compliance with legal and regulatory requirements and risks associated with foreign exchange, insurance, credit and debt. The Audit and Finance Committee also oversees risks related to information technology, data privacy and cyber security.

- The Compensation Committee considers risks related to the attraction and retention of talent and risks related to the design of compensation programs and arrangements.

- The Corporate Governance and Nominating Committee oversees risks associated with our governance policies and practices as well as sustainability.

We have appointed the Chief Financial Officer ("CFO") as our Chief Risk Officer and, in that role, the Chief Risk Officer periodically reports on risk management policies and practices to the relevant Board Committee or to the full Board so that any decisions can be made as to any required changes in our risk management and mitigation strategies or in the Board's oversight of these.

Finally, as part of its oversight of our executive compensation program, the Compensation Committee considers the impact of the executive compensation program and the incentives created by the compensation awards on our risk profile. In addition, we review all of our compensation policies and procedures, including the incentives that they create and factors that may reduce the likelihood of excessive risk taking, to determine whether they present a significant risk to the Company. In 2015, the Compensation Committee concluded that our compensation policies and procedures are not reasonably likely to have a material adverse effect on the Company.

Director Compensation and Stock Ownership

It is the policy of the Board of Directors that directors' fees, initial restricted stock unit ("RSU") awards and annual RSU awards be the sole compensation received from us by any non-employee director. The director stock ownership policy in effect from January 1, 2015 to June 30, 2015 required non-employee directors to own ordinary shares equal to their annual cash retainer. Effective as of July 1, 2015, the director stock ownership policy was amended to require non-employee directors to own ordinary shares equal to three times their annual cash retainer. Non-employee directors must hold any shares acquired until the stock ownership requirement is met and must thereafter maintain the

ownership requirement until retirement.

Table of Contents

Board Size and Composition

The Board of Directors consists of a substantial majority of independent, non-employee directors. In addition, our Corporate Governance Guidelines require that all members of the committees of the Board must be independent directors. The Board of Directors has the following three standing committees: Audit and Finance Committee, Compensation Committee and Corporate Governance and Nominating Committee. The Board of Directors has determined that each member of each of these committees is “independent” as defined in the New York Stock Exchange (“NYSE”) listing standards and our Guidelines for Determining Independence of Directors. In 2015, each non-employee director served on each Board committee, other than Mr. Schaffer who did not serve on the Compensation Committee. Effective January 1, 2016, Mr. Schaffer was appointed to the Compensation Committee. We expect to rotate chairs of the committees periodically.

Board Diversity

Our policy on Board diversity relates to the selection of nominees for the Board of Directors. In selecting a nominee for the Board, the Corporate Governance and Nominating Committee considers the skills, expertise and background that would complement the existing Board and ensure that its members are of sufficiently diverse and independent backgrounds, recognizing that our businesses and operations are diverse and global in nature. The Board of Directors has one female director.

Board Advisors

The Board of Directors and its committees may, under their respective charters, retain their own advisors to assist in carrying out their responsibilities.

Executive Sessions

Our independent directors meet privately in regularly scheduled executive sessions, without management present, to consider such matters as the independent directors deem appropriate. These executive sessions are required to be held no less than twice each year.

Board Evaluation

The Corporate Governance and Nominating Committee assists the Board in evaluating its performance and the performance of the Board committees. Each committee also conducts an annual self-evaluation. The effectiveness of individual directors is considered each year when the directors stand for re-nomination.

Director Orientation and Education

We have developed an orientation program for new directors and provide continuing education for all directors. In addition, the directors are given full access to management and corporate staff as a means of providing additional information.

Director Nomination Process

The Corporate Governance and Nominating Committee reviews the composition of the full Board to identify the qualifications and areas of expertise needed to further enhance the composition of the Board, makes recommendations to the Board concerning the appropriate size and needs of the Board and, on its own or with the assistance of management, a search firm or others, identifies candidates with those qualifications. Each director nominee was elected by the Company’s shareholders at the 2015 annual general meeting. In considering candidates, the Corporate Governance and Nominating Committee will take into account all factors it considers appropriate, including breadth of experience, understanding of business and financial issues, ability to exercise sound judgment, diversity, leadership, and achievements and experience in matters affecting business and industry. The Corporate Governance and Nominating Committee considers the entirety of each candidate’s credentials and believes that at a minimum each nominee should satisfy the following criteria: highest character and integrity, experience and understanding of strategy and policy-setting, sufficient time to devote to Board matters, and no conflict of interest that would interfere with performance as a director. Shareholders may recommend candidates for consideration for Board membership by sending the recommendation to the Corporate Governance and Nominating Committee, in care of the Secretary of the Company. Candidates recommended by shareholders are evaluated in the same manner as director candidates identified by any other means.

Application of Non-U.S. Corporate Governance Codes

Our Corporate Governance Guidelines and general approach to corporate governance as reflected in our Memorandum and Articles of Association and our internal policies and procedures are guided by U.S. practice and applicable federal securities laws and regulations and NYSE requirements. Although we are an Irish public limited company, we are not listed on the Irish Stock Exchange and therefore are not subject to the listing rules of the Irish Stock Exchange or any of its governance standards or guidelines.

DIRECTOR

INDEPENDENCE

The Board of Directors has determined that all of our current directors, except Mr. Petratis, who is our CEO, are independent under the standards set forth in Exhibit I to our Corporate Governance Guidelines, which are consistent with the NYSE listing standards. In determining the independence of directors, the Board evaluated transactions between us and entities with which directors were affiliated that occurred in the ordinary course of business and that were provided on the same terms and conditions available to other customers. A copy of Exhibit I to our Corporate Governance Guidelines is available on our website, www.allegion.com, under the heading “About Allegion—Corporate Governance.”

COMMUNICATION

WITH DIRECTORS

Shareholders and other interested parties wishing to communicate with the Board of Directors, the non-employee directors or any individual director (including our Lead Director and Compensation Committee Chair) may do so either by sending a communication to the Board and/or a particular Board member, in care of the Secretary of the Company, or by e-mail at allegionboard@allegion.com. Depending upon the nature of the communication and to whom it is directed, the Secretary will: (a) forward the communication to the appropriate director or directors; (b) forward the communication to the relevant department within the Company; or (c) attempt to handle the matter directly (for example, a communication dealing with a share ownership matter).

CODE OF

CONDUCT

We have adopted a worldwide Code of Conduct, applicable to all employees, directors and officers, including our CEO, our CFO and our Controller. The Code of Conduct meets the requirements of a “code of ethics” as defined by Item 406 of Regulation S-K, as well as the requirements of a “code of business conduct and ethics” under the NYSE listing standards. The Code of Conduct covers topics including, but not limited to, conflicts of interest, confidentiality of information, and compliance with laws and regulations. A copy of the Code of Conduct is available on our website located at www.allegion.com under the heading “About Allegion—Corporate Governance.” Amendments to, or waivers of the provisions of, the Code of Conduct, if any, made with respect to any of our directors and executive officers will be posted on our website.

ANTI-HEDGING

POLICY AND

OTHER

RESTRICTIONS

We prohibit our directors and executive officers from (i) purchasing any financial instruments designed to hedge or offset any decrease in the market value of our securities and (ii) engaging in any form of short-term speculative trading in our securities. Directors and executive officers are also prohibited from holding our securities in a margin account or pledging our securities as collateral for a loan unless pre-approved by the Corporate Governance and Nominating Committee.

Board, Committee and Annual Meeting Attendance

The Board of Directors and its committees held the following number of meetings during the fiscal year ended December 31, 2015:

Board	5
Audit and Finance Committee	9
Compensation Committee	6
Corporate Governance and Nominating Committee	3

Each incumbent director attended at least 75% of the total number of meetings of the Board of Directors and the committees on which he or she served during the year. It is the Board's policy for non-employee directors to meet as necessary, but at least twice a year, in executive session to consider such matters as they deem appropriate without management being present. In 2015, the non-employee directors met in executive session four times.

We expect all Board members to attend the annual general meeting, but from time to time other commitments prevent all directors from attending the meeting. All of the directors attended the 2015 annual general meeting of shareholders.

COMPENSATION OF DIRECTORS

Director Compensation

Our director compensation program is designed to compensate non-employee directors fairly for work required for a company of our size and scope and align their interests with the long-term interests of our shareholders. The program reflects our desire to attract, retain and use the expertise of highly qualified people serving on our Board of Directors. The Corporate Governance and Nominating Committee periodically reviews the compensation level of our non-employee directors in consultation with the Committee's independent compensation consultant and makes recommendations to the Board of Directors. Employee directors do not receive any additional compensation for serving as a director.

Our director compensation program for non-employee directors from January 1 to June 30, 2015 consisted of the following elements:

Compensation Element	Compensation Value
Annual Cash Retainer	\$210,000
Audit and Finance Committee Chair Cash Retainer	\$15,000
Compensation Committee Chair Cash Retainer	\$10,000
Corporate Governance and Nominating Committee Chair Cash Retainer (unless also the Lead Director)	\$8,000
Lead Director Cash Retainer (plus \$5,000 if also the Corporate Governance and Nominating Committee Chair)	\$20,000
Additional Meetings or Unscheduled Planning Session Fees *	\$1,500 (per meeting or session)
Initial Grant of RSUs	\$50,000

Our director compensation program for non-employee directors from July 1 to December 31, 2015 consisted of the following elements:

Compensation Element	Compensation Value
Annual Cash Retainer	\$140,000
Audit and Finance Committee Chair Cash Retainer	\$15,000
Compensation Committee Chair Cash Retainer	\$10,000
Corporate Governance and Nominating Committee Chair Cash Retainer (unless also the Lead Director)	\$8,000
Lead Director Cash Retainer (plus \$5,000 if also the Corporate Governance and Nominating Committee Chair)	\$20,000
Additional Meetings or Unscheduled Planning Session Fees *	\$1,500 (per meeting or session)
Annual Grant of RSUs	\$70,000
Initial Grant of RSUs	\$50,000

* The Board has 5 regularly scheduled meetings each year. The Audit and Finance Committee has 9 regularly scheduled meetings each year; the Compensation Committee has at least 4 regularly scheduled meetings each year; and the Corporate Governance and Nominating Committee has at least 3 regularly scheduled meetings each year.

Share Ownership Requirement

To align the interest of the directors with the shareholders, the Board of Directors adopted a share ownership policy applicable to non-employee directors. From January 1 to June 30, 2015, the policy required each non-employee director to own ordinary shares with a value equal to their annual cash retainer of \$210,000, calculated as of the date of acquisition. Effective July 1, 2015, the Board of Directors amended the policy to increase the ownership requirement to \$420,000, which is equal to three times their annual cash retainer, calculated as of the date of acquisition.

Travel Expenses

We pay or reimburse directors for their travel and related expenses in connection with attending Board meetings and Board-related activities, such as Allegion site visits, industry trade shows and continuing director education programs. Under Irish law, the payment or reimbursement of travel and related expenses in connection with attending Board

meetings is deemed compensation to the non-employee director on which the non-employee director must pay taxes. We consider such travel and related expenses to be ordinary business expenses for which we are responsible. As such, in order to continue attracting highly qualified directors, we pay the taxes imposed on non-employee directors in connection with their travel and related expenses incurred when attending Board meetings.

Director Product Program

As of December 31, 2015, each non-employee director held 1,159 RSUs.

The amount represents the tax paid by the Company on behalf of directors in connection with director travel and (b) related expenses incurred in attending Board meetings. Overall Pay Mix

As illustrated in the charts below, we place a significant emphasis on variable compensation (short- and long-term) so that a substantial percentage of each NEO's total direct target compensation is contingent on the successful achievement of our strategic goals.

Consideration of 2015 Advisory Vote on Executive Compensation

The Compensation Committee regularly reviews the philosophy, objectives and elements of our executive compensation programs in relation to our short- and long-term business objectives. In undertaking this review, the Compensation Committee considers the views of shareholders as reflected in their annual advisory vote on our executive compensation proposal. At our 2015 annual general meeting, shareholders approved our executive compensation proposal by an overwhelming majority (approximately 98%). Based on the Compensation Committee's review and the support our executive compensation programs received from shareholders, the Compensation Committee maintained the core elements of our executive compensation programs.

COMPENSATION

PHILOSOPHY

AND DESIGN

PRINCIPLES

Compensation Philosophy and Executive Compensation Program Objectives

Our executive compensation program is designed to create a pay-for-performance culture by aligning the compensation program to the achievement of our strategic objectives and with shareholder interests. Our strategic objectives are: (i) expand in core markets; (ii) opportunistic acquisitions; (iii) enterprise excellence; (iv) innovation in existing and new product categories; and (v) growth in emerging markets. We strive to provide our NEOs with a compensation package that is market competitive within our industry and recognizes and rewards superior individual and company performance.

The following are the primary objectives of our executive compensation program and the guiding principles for setting and awarding executive compensation:

Create and reinforce our pay-for-performance culture: The compensation program should pay for performance. Exceptional performance should result in increased compensation; missing performance goals should result in reduced or no incentive pay.

Align the interests of management with our shareholders: To better align the interests of management with the interests of shareholders, a significant portion of executive compensation should be equity based, and stock ownership guidelines should be utilized to better ensure a focus on long-term, sustainable growth.

Attract, retain and motivate executive talent by providing competitive levels of salary and targeted total pay: Compensation should be competitive with those organizations with which we compete for top talent. That would include organizations in our industry sectors of similar size and scale to Allegion.

Provide incentive compensation that promotes desired behavior without encouraging unnecessary and excessive risk: Incentive compensation should help drive business strategy. The compensation program should encourage both the desired results and the right behaviors. It should help drive business strategy and strike a balance between short-term and long-term performance, while incorporating risk-mitigating design features to ensure that excessive risk is not encouraged.

Integrate with our performance management process of goal setting and formal evaluation: Target level goals should be aligned with the strategy and the Annual Operating Plan ("AOP"), and be considered stretch yet achievable, as appropriately established, for each year.

Table of Contents

Maintaining Best Practices Regarding Executive Compensation

Our Compensation Committee intends to compensate our NEOs effectively and consistent with the objectives and design principles outlined above. We have adopted the following compensation practices, which are intended to promote strong governance and alignment with shareholder interests:

Compensation Committee Practices

Independence of Committee members	Committee members satisfy the NYSE independence standards, are “non-employee directors” under SEC rules and satisfy the requirements of an “outside director” for purposes of the Internal Revenue Code (the “Code”).
Independent Compensation Consultant	The Compensation Committee retains and annually reviews the independence of its compensation consultant.
Annual Risk Assessment	The Compensation Committee annually assesses the materiality and likelihood of our compensation program to ensure that our plans and awards are designed and working in a way to not encourage excessive risk taking.
Compensation at Risk	We grant a high percentage of at-risk compensation. We believe this is essential to creating a culture of pay-for-performance.
Target Pay at the Median Level	We target all components of pay to be at or near the median level of competitive practice and allow performance (both operational and shareholder return) to determine actual or realized pay. Actual pay may be above or below the target median based on performance.
Mitigate Undue Risk	We mitigate undue risk in our compensation program by instituting governance policies such as capping potential payments under our incentive plans, instituting clawback provisions, utilizing multiple performance metrics, including absolute and relative metrics, striking a balance between short- and long-term incentives and adopting stock ownership requirements.
Stock Ownership Guidelines	The Compensation Committee has adopted stock ownership guidelines (i) equal to six times base salary for the CEO, (ii) equal to three times base salary for the CFO and (iv) equal to two times base salary for the CEO’s direct reports.
Clawback Policy	We have the right to seek recoupment of all or part of annual cash incentives or performance share units (“PSUs”) that relate to a performance period beginning after January 1, 2014 if there is a: (1) significant or material restatement of our financial statements covering any of the three fiscal years preceding the grant or payment, or (2) a restatement of our financial statements for any such year which results from fraud or willful misconduct committed by an award holder.
Anti-Hedging and Pledging Policy	We prohibit our executive officers from hedging Allegion securities. Pledging is also prohibited unless approved by the Nominating and Corporate Governance Committee.
“Double triggers” in Change in Control Agreements	The NEOs and other executive officers do not receive change in control benefits unless their employment is terminated without cause (or by the executive for good reason) within a specified period following a change in control.
No Tax Gross Ups on Change in Control Benefits	The NEOs and other executive officers are not entitled to tax gross ups in the event that their change in control benefits are subject to the “golden parachute” excise tax under the Code.

HOW WE MAKE COMPENSATION DECISIONS

Decision Making Process

The Compensation Committee reviews and discusses the performance of the CEO and makes determinations regarding his compensation. For other NEOs, the CEO considers individual performance and makes individual compensation recommendations to the Compensation Committee. The Compensation Committee reviews, discusses, modifies and approves, as appropriate, these compensation recommendations. In making compensation decisions, the Compensation Committee uses several resources and tools, including competitive market information. One such tool is a tally sheet which assigns a dollar amount to each of the compensation elements discussed above as well as

accumulated outstanding long-term equity awards and deferred compensation.

Use of Comparator Groups for Pay and Performance

The Committee uses two comparator groups when evaluating and making executive compensation decisions. The “Compensation Benchmarking Peer Group” is used to assess the competitiveness of our NEOs’ compensation, and the “Performance Peer Group” is used to evaluate our performance relative to our peers. As described below, the two comparator groups vary because executive compensation levels and practices are influenced by business complexity and company size.

Table of Contents

Compensation Benchmarking Peer Group

The Committee considers relevant market pay practices, among other factors, when setting executive compensation to increase our ability to recruit and retain high performing talent. In assessing market competitiveness, the compensation of our NEOs is reviewed against executive compensation at a set of companies with which we compete for executive talent. The Compensation Benchmarking Peer Group consists of companies that generally:

- Are similar to us in terms of certain factors, including one or more of the following: size (i.e., revenue, market capitalization), industry, and global presence;
- Have NEOs whose scope of responsibilities are comparable in terms of breadth and complexity; and
- Compete with us for executive talent.

The following companies comprised our Compensation Benchmarking Peer Group for 2015:

ADT Corp	Diebold	ITT Corp	Regal Beloit Corp
Apogee Enterprises	Donaldson Co.	Lennox International	Roper Industries
Armstrong World Industries	EnerSys	Masco Corp	ScanSource
Brady	Enpro Industries	NCI Building Systems	A.O. Smith Corp
Brink's Co.	Esterline Technologies Corp	Nortek	Steelcase
Builders FirstSource	Flir Systems	Ply Gem Holdings	USG Corp
CACI International	Checkpoint Systems	Quanex Building Products	Valmont Industries
Fortune Brands Home & Security	Griffon Corp		

Our Compensation Committee reviews the Compensation Benchmarking Peer Group on an annual basis and determines, with input from its independent consultant, whether any changes are appropriate. In 2015, the Committee revised the Compensation Benchmarking Peer Group to be used for 2016. Upon advice from its consultant, the following nine peer companies were removed due to lack of industry similarity and the following three size-appropriate companies with more similar industry fits were added:

Companies Removed	Companies Added
Brink's Co.	Masonite International
CACI International	OSI Systems
Donaldson Co.	Owens Corning
EnerSys	
Enpro Industries	
Esterline Technologies Corp	
ITT Corp	
Regal Beloit Corp	
Valmont Industries	

Beginning in 2016, the Compensation Benchmarking Peer Group will be comprised of the following companies:

ADT Corp*	Diebold	Masco Corp	Quanex Building Products
Apogee Enterprises	Flir Systems	NCI Building Systems	Roper Industries
Armstrong World Industries*	Checkpoint Systems*	Nortek	ScanSource
Brady	Griffon Corp	OSI Systems	A.O. Smith Corp
Builders FirstSource	Lennox International Inc.	Owens Corning	Steelcase
Fortune Brands Home & Security	Masonite International	Ply Gem Holdings	USG Corp

* ADT Corp and Checkpoint Systems have entered into agreements to be acquired. Armstrong World Industries has announced that it is pursuing a spin-off of a portion of its business.

Performance Peer Group

Our Compensation Committee utilizes a performance peer group consisting of the companies in the S&P 400 Capital Goods Index (the "Performance Peer Group"). We believe the Performance Peer Group provides an appropriate measure of our relative TSR performance because it contains companies in similar industries and that operate in similar geographical markets to Allegion. Our Performance Peer Group is used for assessing relative TSR performance for our PSUs.

Table of Contents

Role of the Compensation Committee and Independent Adviser

Our Compensation Committee has the authority to obtain advice and assistance from advisors and to determine their fees and terms of engagement. In 2015, the Compensation Committee engaged Meridian Compensation Partners, LLC (the “Consultant”) as its compensation consultant. In connection with this engagement, the Compensation Committee evaluated the Consultant’s independence and determined the Consultant was independent from management. The Compensation Committee did not engage any other advisor in 2015.

The Consultant provides advice to the Compensation Committee on our compensation program for executive officers and incentive programs for eligible employees. The Consultant may also provide our Corporate Governance and Nominating Committee advice on director compensation matters. The Consultant does not provide any services to the Company. The Compensation Committee evaluated whether any work provided by the Consultant raised any conflict of interest and determined that it did not.

COMPENSATION

ELEMENTS

Primary Compensation Elements

We have three primary elements of total direct compensation - base salary, annual incentive, and long-term equity. The majority of our NEOs’ compensation is performance based and not guaranteed. The following table summarizes the key elements of our executive compensation program and describes why each element is provided:

	Salary	AIP	PSUs	Options RSUs
Who Receives	All NEOs			
When Granted / Received	Reviewed annually	Annually in March for prior year performance	First Quarter Annually	
Form of Delivery	Cash		Equity	
Type of Performance	Short Term Emphasis		Long Term Emphasis	
Performance / Service Period	Ongoing	1 Year	3 Years	
How Payout is Determined	Compensation Committee Discretion	Formulaic; Compensation Committee Approves	Formulaic; Compensation Committee Approves	Stock Price on Exercise/Vest Date
Most Recent Performance Measure	N/A	Mix of Financial and Individual Goals	EPS & Relative TSR	Stock Price Appreciation

Other Elements of Compensation

We also provide retirement and benefit programs as well as minimal perquisites, including use of a corporate aircraft for our CEO up to \$100,000, an auto allowance for select executive officers, executive health reimbursement and financial counseling reimbursement. Ms. Moretti received a €200,000 cash award, 50% payable in 2015 and 50% payable in 2016, to mitigate the tax impact of being required to live in a high tax jurisdiction.

COMPENSATION

STRUCTURE

DECISIONS

Our Compensation Committee annually reviews the base salaries, and the annual and long-term target opportunities of our NEOs to determine whether they competitively reward our NEOs for their services based on a comparison to executives in the Compensation Benchmarking Group.

Base Salary

It is our Compensation Committee's philosophy that NEOs will not receive automatic annual merit increases to their base salaries. The Compensation Committee annually considers each NEO's experience, proficiency, performance and potential to impact future business results, the NEO's behavior against competencies and key corporate values as well as the competitiveness in the market, in making future base salary decisions.

The following table shows the increases in the annual base salary approved by the Compensation Committee for each NEO. The increases for Messrs. Petratis and Shannon reflect market based adjustments.

NEO	2014 Base Salary (\$)	2015	
		Base Salary (\$)	Increase (%)
D. D. Petratis	900,000	950,000	5.6
P. S. Shannon	425,000	463,250	9.0
T. P. Eckersley	420,000	420,000	—
L.V. Moretti *	440,544	344,704	*
C. E. Muhlenkamp	350,000	350,000	—

Ms. Moretti's base salary of €320,000 was not increased or decreased for 2015. The U.S. Dollar ("USD") amounts above *are shown as of April 1 of the applicable year based on the Euro to USD exchange rate on that day. The difference between 2014 and 2015 solely reflects the fluctuation in the exchange rate.

Annual and Long-Term Incentive Target Opportunities

NEO's short- and long-term incentive opportunities remained the same as prior year.

NEO	2014	2015	Target AIP Increase (%)	2014	2015	Target LTI Increase (\$)

Annual Incentive Program

Annual Incentive Plan Design

For 2015, our NEOs, including the CEO, participated in our annual incentive plan (the “AIP”). The AIP is designed to reward executives for profitable revenue growth, the delivery of strong cash flow and individual contributions.

Individual AIP payouts are calculated as the product of (i) the target annual incentive, (ii) the financial performance score and (iii) the individual performance score.

Financial Performance Factor

The financial score is based on achievement of pre-established financial metrics established by the Compensation Committee:

• Revenue;

• EBITDA for corporate and Operating Income (“OI”) for regions; and

• ACF for corporate and Operating Cash Flow (“OCF”) for regions.

Table of Contents

The Compensation Committee believes each metric is equally important and therefore weighs each equally. In order to further emphasize the importance of meeting profitability goals, we must achieve EBITDA for corporate at least equal to threshold performance level in order for any incentive award to be earned (the “Threshold Goal”). If the Threshold Goal is not achieved, no incentive award is earned under the AIP.

Our 2015 AIP metrics and goals were:

	Corporate Pre-established Financial Targets (in millions)			Payout as a % of Target
	Revenue	EBITDA	ACF	
	(\$)	(\$)	(\$)	
Threshold	1,949	365	204	50%
Target	2,051	429	248	100%
Maximum	2,113	494	300	200%

	Americas Pre-established Financial Targets (in millions)			Payout as a % of Target
	Revenue	OI	OCF	
	(\$)	(\$)	(\$)	
Threshold	1,438	350	327	50%
Target	1,514	412	399	100%
Maximum	1,559	474	483	200%

	EMEIA Pre-established Financial Targets (in millions)			Payout as a % of Target
	Revenue	OI	OCF	
	(\$)	(\$)	(\$)	
Threshold	341	22	27	50%
Target	359	25	33	100%
Maximum	370	29	39	200%

AIP metrics are aligned with individuals’ line of sight and scope of impact. Executives serving in a corporate level role are measured solely based on the corporate financial metrics. The regional Presidents (Mr. Eckersley and Ms. Moretti) are measured based on a combination of corporate (45%) and regional (55%) financial objectives. We believe this combination focuses regional Presidents on achieving the pre-established objectives for their business unit as well as aligning their interests with corporate goals to help create sustainable shareholder value.

Individual Performance Factor

Individual objectives are established annually and include strategic initiatives with both financial and non-financial metrics. Participants are evaluated based upon non-financial metrics including core competencies. At the end of each year, the CEO evaluates performance against the pre-established individual objectives for officers other than himself and submits a recommendation to the Compensation Committee. The Compensation Committee evaluates the CEO’s performance against his pre-established individual objectives. Based on the Compensation Committee’s evaluation of the CEO and the CEO’s recommendations, the Compensation Committee determines and approves the individual performance score for each officer, which can range from 0% to 150% of target. In no case will an AIP award exceed 200% of the NEO’s target opportunity.

Table of Contents

Actual Financial Performance vs. Target Goals

The table below shows the actual 2015 adjusted performance compared to the pre-established financial performance targets.

	Financial Target Goals (\$)	Adjusted Actual Performance (\$)	Performance as a % of Target Goal		Aggregate Performance as a % of Target
Corporate					
Revenue	2,051	2,048	98.4 %		
EBITDA	429	434	106.7 %	124%	
ACF	248	283	166.4 %		
Americas					
Revenue	1,514	1,538	153.5 %		
OI	412	414	102.8 %	124%	
OCF	399	412	115.2 %		
EMEIA					
Revenue	359	337	— %		
OI	25	23	68.3 %	55%	
OCF	33	32	97.1 %		

The Compensation Committee retains the authority to adjust our reported financial results for items causing significant differences from the assumptions contained in the AOP upon which the incentive targets were established, including the impact of changes in accounting principles, extraordinary items and unusual or non-recurring gains or losses. Adjustments to reported financial results are intended to better reflect executives' line of sight and ability to affect performance results, align award payments with decisions which support the AOP, avoid artificial inflation or deflation of awards due to unusual or non-recurring items in the applicable period and emphasize long-term and sustainable growth. For 2015, the Committee adjusted our financial results to remove the impact of (i) mergers and acquisitions activity, (ii) divestitures, and (iii) restructuring. These adjustments increased the financial performance achieved by corporate from 84% to 124% and decreased the financial performance achieved by Americas from 130% to 124% and EMEIA from 67% to 55%.

Evaluated Individual Performance

For 2015, the Compensation Committee determined each NEO achieved the following individual performance rating:

NEO Individual Performance Rating

D. D. Petratis 145%

P. S. Shannon 140%

T. P. Eckersley 130%

L. V. Moretti 140%

C. E. Muhlenkamp 125%

In determining the individual factor for each NEO's AIP award, the Compensation Committee considered pre-established individual performance objectives, including the following:

Mr. Petratis: Set the company's global strategic direction; exceeded organic growth objectives for the company; established peer-leading system of safety; and successfully managed Allegion's resources that allowed the company to maximize capital allocation, profitably grow the business, and exceed ROIC goals.

Mr. Shannon: Implemented a comprehensive tax strategy; successfully executed capital allocation strategy; exceeded expectations in M&A activity to support our growth strategy; and engaged and grew our people through the focus of Allegion values.

Mr. Eckersley: Delivered organic growth goals in the Americas region; exceeded expectations in growth of our discretionary, electronic and residential businesses; successful execution of our M&A strategy to support our growth for the Americas region; and engaged and grew our people through the focus of Allegion values.

Ms. Moretti: Led business transformation efforts to restore profitability to the EMEIA region; successful execution of our M&A strategy to support our growth for the company; and successful deployment of Enterprise Excellence initiatives that improved customer service, world class safety, and productivity.

Table of Contents

Mr. Muhlenkamp: Built operational capability that enabled Allegion to exceed our growth objectives; implemented distribution strategy that enabled Allegion to grow in different markets; established peer-leading system of safety; exceeded expectations in M&A activity to support our growth strategy; and engaged and grew our people through the focus of Allegion values.

2015 AIP Payouts to NEOs

Our Compensation Committee approved the following AIP awards for our NEOs:

NEO	Target Bonus Amount (A)(\$)	Financial Factor (B)	AIP Earned from Financial Performance (C)=(A)x(B)(\$)	Individual Performance Factor (D)	2015 AIP Amount (E)=(C)x(D)(\$)
D. D. Petratis	1,045,000	124 %	1,293,710	145 %	1,875,880
P. S. Shannon	324,275	124 %	401,452	140 %	562,033
T. P. Eckersley	273,000	124 %	338,001	130 %	439,402
L. V. Moretti*	209,422	86 %	180,145	140 %	252,203
C. E. Muhlenkamp	210,000	124 %	259,980	125 %	324,975

*The amounts for Ms. Moretti are based on the Euro to USD exchange rate on February 3, 2016.

Other 2015 Annual Incentive Payments

In 2015, our EMEIA sector achieved significant improvement in revenue, OI and OCF growth on a local currency basis. However, due to significant fluctuations in the Euro to USD exchange rate, EMEIA's AIP financial performance was negatively affected when translated into USD. In recognition of EMEIA's 2015 organic financial performance, the Compensation Committee created a discretionary bonus pool for EMEIA employees. As part of that pool, Ms. Moretti received an additional award of \$109,400.

Long-term Incentive Program

Long-term Incentive Program Design

Our long-term incentive program ("LTI") is comprised 50% of PSUs, 25% of stock options, and 25% of RSUs. This design aligns the executives' interests and long-term strategies with the interests of shareholders. LTI targets are expressed in dollar amounts which are converted to a number of shares based on the fair value of the award on the grant date.

PSUs: PSUs are earned based equally on our absolute EPS growth (from continuing operations) and relative TSR as compared to the Performance Peer Group companies over a three-year performance period as shown below. PSUs will vest at the end of the three-year performance period and the NEO will earn a number of shares based upon achievement of the performance metrics during the performance period. Upon vesting, PSUs convert into our ordinary shares on a one-for-one basis.

Performance Relative to S&P 400 Capital Goods Index	% of Target PSUs Earned *
< 25 th Percentile	No award earned
25 th Percentile	50 %
50 th Percentile	100 %
>= 75 th Percentile	200 %
EPS Performance**	% of Target PSUs Earned *
Below Threshold	No award earned
Threshold	25%
Target	100%
Maximum	200%

Results are interpolated between percentiles achieved. The Compensation Committee retains the authority and

*discretion to make downward adjustments to the calculated PSU award payouts, either as a percentage or a dollar amount, or not to grant any award payout regardless of actual performance against pre-established goals.

**EPS is calculated in accordance with GAAP, subject to adjustments for extraordinary, unusual or infrequent items; the impact of any change in accounting principles; goodwill and other intangible asset impairments; and gains or

charges associated with discontinued operations or with obtaining or losing control of a business.

Dividend equivalents are accrued on outstanding PSU awards at the same time and at the same rate as dividends are paid to shareholders. Dividend equivalents are not earned until the PSUs vest and are payable in cash at the time of distribution unless the NEO elects to defer the PSUs into our Executive Deferred Compensation Plan (“EDCP”), in which case the dividends are also deferred. The actual dividend equivalents paid are determined by the actual number of PSUs earned at the end of the performance period.

Stock Options/RSUs: We grant executives an equal mix (by value) of stock options and RSUs in order to provide an effective balance between risk and retention. Stock options are considered “at risk” since there is no value unless the stock price appreciates during the term of the option period. RSUs, on the other hand, provide strong retentive value because they have value even if our stock price does not grow during the restricted period. Both stock options and RSUs vest ratably over a three-year period following the grant. Stock options expire on the tenth anniversary of the grant date. Dividend equivalents are accrued on outstanding RSU awards at the same time and at the same rate as dividends are paid to shareholders. Dividend equivalents on RSUs are only payable if the underlying RSU award vests. At the time of vesting, one ordinary share is issued for each RSU and any accrued dividend equivalents are paid in cash.

Equity Awards Granted in 2015

The Compensation Committee approved the annual grants shown in the table below in the first quarter of 2015.

C. E. Muhlenkamp	150,005	2,593	75,007	4,195	75,031	1,297

In addition to her annual grant shown above, Ms. Moretti received a special PSU award (\$117,725) and a special *retention RSU award (\$375,060) to align her equity award opportunities with our other regional Presidents and to further align her interests with shareholders.

PSUs Earned for 2015

The PSUs earned for 2015 were based on a two-year performance period for each of the NEOs other than Ms. Moretti whose award was based on a one year performance period. The PSUs were earned based on the (i) EPS performance against pre-established goals and (ii) TSR performance relative to the Peer Performance Group companies.

For the NEOs other than Ms. Moretti, the Compensation Committee established an EPS threshold of \$2.39, a target of \$2.55 and a maximum of \$2.74. We achieved an adjusted two-year EPS from continuing operations of \$2.95 in 2015 which resulted in a payout equal to 200% of target and achieved a two-year TSR of 54.4% which resulted in performance at the 94th percentile. PSUs were earned at 200% of target. EPS was adjusted to eliminate the impact of acquisitions and divestitures, restructuring charges, impairment charges and the Venezuelan devaluation.

For Ms. Moretti, the Compensation Committee established an EPS threshold of \$2.39, a target of \$2.65 and a maximum of \$2.95. We achieved an adjusted one-year EPS from continuing operations of \$3.00 in 2015 which resulted in a payout equal to 200% of target and achieved a one-year 12.8% TSR which resulted in performance at the 92nd percentile. PSUs were earned at 200% of target. EPS was adjusted to eliminate the impact of acquisitions and divestitures, restructuring charges, impairment charges and the Venezuelan devaluation.

As a result of the foregoing performance, our NEOs earned the following awards for the 2014 - 2015 performance period and, for Ms. Moretti, the 2015 performance period:

NEO	Target	PSUs Earned (#)
	PSUs Awarded (#)	

Edgar Filing: Allegion plc - Form DEF 14A

Retirement Programs and Other Benefits

We maintain qualified and nonqualified defined benefit pension plans intended to provide fixed benefits upon retirement based on the individual's age and number of years of service. Refer to the Pension Benefits table below for additional details on these programs.

A qualified defined contribution 401(k) plan called the Employee Savings Plan ("ESP") is available for the salaried and hourly U.S. workforce. The ESP provides a dollar-for-dollar match on the first 6% of the employee's eligible contributions to the ESP. The ESP has a number of investment options and is an important component of the retirement program. Employees who were actively employed prior to July 1, 2012 were given a one-time choice between continuing to participate in the defined benefit plan until December 31, 2022 or moving to an enhanced version of the ESP effective January 1, 2013 under which they would receive an employer core contribution of 2% of eligible pay in addition to the matching contribution and no longer accrue benefits under the defined benefit plan after December 31, 2012. Employees hired on or after July 1, 2012 were automatically covered under the enhanced version of the ESP and do not participate in the defined benefit plan. Employees hired after December 1, 2013 are not eligible for the 2% employer core contribution. Effective as of December 31, 2022, accruals in the qualified defined benefit plan will cease for all employees.

Additionally, we offer a nonqualified, defined contribution plan called the Supplemental Employee Savings Plan (the "Supplemental ESP"). The Supplemental ESP is an unfunded plan that makes up matching and core contributions that cannot be made to the ESP due to Internal Revenue Service ("IRS") or plan limitations. The Supplemental ESP is deemed invested in funds selected by participants and includes the same funds available in the ESP except for a self-directed brokerage account, which is not available in the Supplemental ESP.

Our nonqualified EDCP allows eligible employees to defer receipt of a part of their annual salary, annual incentive award and/or PSP award in exchange for investments in ordinary shares or mutual fund investment equivalents is also available. Refer to the Nonqualified Deferred Compensation table for additional details on the deferred compensation plans.

We also provide certain other benefits believed to be consistent with prevailing market practice and to be competitive with peer company practices. These other benefits and their incremental costs to the Company are reported in "All Other Compensation" shown in the Summary Compensation Table.

Severance Arrangements

We have not adopted a formal severance policy for executives. In most cases, we would expect to provide for severance in the event of termination without cause.

In connection with recruiting certain officers, we generally enter into employment arrangements that provide for severance payments upon certain termination events, other than in the event of a change in control (which is described in “Change-In-Control Provisions” below). In the event of an involuntary termination other than for cause, Mr. Petratis and Mr. Shannon are eligible to receive severance equal to two times (Mr. Petratis) or one times (Mr. Shannon) base salary plus actual annual incentive award, not to exceed target and pro-rated for the number of days worked during the performance period.

Table of Contents

Change-In-Control Provisions

We have a change in control plan (“CIC Plan”) that covers our NEOs in order to focus them on the best interests of our shareholders and to assure continuity of management in circumstances that reduce or eliminate job security and might otherwise lead to accelerated departures. This CIC Plan provides cash severance benefits in the event that a change in control occurs and an officer is terminated within two years of that change in control for reasons other than cause. Cash severance benefits in the event of a qualifying termination will be based on an individually defined Severance Multiple ranging from 2.0 for officers up to 3.0 for the CEO. Individual cash severance benefits will include (i) base salary in effect at termination times the Severance Multiple, (ii) current cash target incentive award times the Severance Multiple, and (iii) a target incentive award in the year of termination pro-rated for the portion of the performance cycle completed through the date of termination. Cash severance benefits under the CIC Plan will be reduced by severance-related benefits provided through any other Allegion severance program. NEOs will also immediately vest in their Elected Officer Supplemental Program (“EOSP”) and Key Management Supplemental Pension Plan (“KMP”) benefits following a change in control. For purposes of calculating Mr. Shannon’s EOSP benefits, two years would be added to his age and service if his employment is terminated within two years after a change in control. In addition, participants in the CIC Plan will, in the event of a qualifying termination, receive continued health and welfare coverage for a term of years equal to the Severance Multiple and outplacement benefits of up to \$25,000.

The CIC Plan does not provide for payment of, or reimbursement for, any tax payments or other tax gross ups related to the severance benefits. However, the CIC Plan does provide for cash severance benefits to be adjusted such that participants will receive the better after tax benefit treatment (“Best of Net” approach) between (i) cash severance payments paid in full, with the executive responsible for all taxes incurred, or (ii) cash severance payments reduced to avoid triggering excise taxes.

Under the Incentive Stock Plan of 2013 (the “2013 Stock Plan”), outstanding unvested stock options and RSUs will not immediately vest and become exercisable or payable, as applicable, following a change in control if an alternate award is provided by the acquiring company. Such awards will immediately vest and become exercisable or payable, as applicable, if an alternate awards is not provided. PSUs, other than the Founder’s Grant PSUs, will be deemed to have earned a pro-rata award based on the target award opportunity and total number of months worked in the applicable performance period. The Founder’s Grant PSUs will be deemed to have earned the full amount of the award upon a change in control.

Senior Executive Performance Plan

The SEPP is a shareholder approved plan that funds the annual cash incentive awards that may be granted to each of the NEOs under the AIP. Under the SEPP, the maximum amount of cash incentive that can be paid to the CEO is 1.5% of Consolidated OI from Continuing Operations (as defined in the SEPP) and the maximum amount of cash incentive that can be paid to any other covered executive is 0.6% of Consolidated OI from Continuing Operations. Our Compensation Committee generally exercises its discretion to pay less than the maximum amount to the NEOs, after considering the factors described in the AIP.

Tax and Accounting Considerations

Section 162(m) of the Code imposes a limit of \$1,000,000 on the amount that a publicly-traded company may deduct for federal income tax purposes in any taxable year for compensation paid to our CEO and the three other highest-paid NEOs, other than our CFO, who are employed as of the end of the year. To the extent that compensation is “performance-based” within the meaning of Section 162(m), the Section’s limitations will not apply. To qualify as performance based, compensation must, among other things, be paid pursuant to a shareholder approved plan upon the attainment of objective performance criteria.

Our Compensation Committee believes that the tax deductibility of compensation is an important factor, but not the sole factor, in setting executive compensation policies and in rewarding superior executive performance. Accordingly, our executive compensation program has been designed with the intent that most of the variable compensation (i.e., AIP, PSUs and stock options) paid to NEOs would qualify as performance-based within the meaning of Section 162(m) so as to be tax

deductible to avoid the loss of a tax deduction due to Section 162(m). However, the Compensation Committee reserves the right to approve the payment of compensation to our executive officers that does not qualify as “performance-based” within the meaning of Section 162(m) and therefore, may not be deductible for federal income tax purposes.

In determining variable compensation program designs, our Compensation Committee considers other tax and accounting implications of particular forms of compensation, such as the implications of Section 409A of the Code governing deferred compensation arrangements and favorable accounting treatment afforded certain equity based plans that are settled in shares. The forms of variable compensation utilized are determined primarily by their effectiveness in creating maximum alignment between key strategic objectives and the interests of shareholders.

Timing of Awards

We intend to regularly grant annual equity grants following our earnings release for the fourth quarter and full year results. The equity grant date is never selected or changed to increase the value of equity awards for executives.

EXECUTIVE COMPENSATION

The following table provides summary information concerning compensation paid to or accrued on behalf of our NEOs for services rendered during the years ended December 31, 2015, 2014 and 2013. The services rendered by our NEOs in 2013 were primarily for Ingersoll Rand and were, in some instances, in capacities not equivalent to the positions in which they now serve.

(a) A portion of a participant's annual salary may be deferred into a number of investment options under our EDCP. In 2015, no NEO deferred any salary.

The amount in this column for 2015 represents the incremental cash award paid to Ms. Moretti under the

(b) discretionary EMEIA bonus pool established in recognition of EMEIA's 2015 financial performance on a local currency basis.

The amounts shown in this column reflect the aggregate grant date fair value of PSU awards and any RSU awards granted for the year under ASC Topic 718 and do not reflect amounts paid to or realized by the NEOs. In

(c) determining the aggregate grant date fair value of the PSU awards, the awards are valued assuming target level performance achievement. If the maximum level performance achievement is assumed, the aggregate grant date fair value of the PSU awards would be as follows:

Name	Maximum Grant Date Value of PSU Awards (\$)

D. D. Petratis	3,529,332
P. S. Shannon	882,402
T. P. Eckersley	588,268
L. V. Moretti	629,918
C. E. Muhlenkamp	352,934

For a discussion of the assumptions made in determining the ASC 718 values, see Note 15, “Share-Based Compensation,” to our consolidated financial statements contained in the 2015 Form 10-K. The ASC 718 grant date fair value of the PSU award is spread over the number of months of service required for the grant to become non-forfeitable, disregarding any adjustments for potential forfeitures. Please see also the Grants of Plan-Based Awards table for additional details of the 2015 grants included in this column.

The amounts in this column reflect the aggregate grant date fair value of stock option grants for financial reporting purposes for the year under ASC 718 and do not reflect amounts paid to or realized by the NEOs. For a discussion (d) of the assumptions made in determining the ASC 718 values, see Note 15, “Share-Based Compensation,” to our consolidated financial statements contained in the 2015 Form 10-K.

Table of Contents

This column reflects the amounts earned as annual awards under our AIP program. Unless deferred into the EDCP, (e) AIP awards are paid in cash. In 2015, Mr. Muhlenkamp elected to defer 30% of his AIP payment. Amounts shown in this column are not reduced to reflect deferrals of AIP awards into the EDCP.

Amounts reported in this column reflect the aggregate increase in the actuarial present value of the benefits under the qualified Pension Plan (the "Pension Plan"), Supplemental Pension Plan, KMP and EOSP, as applicable. The change in pension benefits value is attributable to the additional year of service and age, the annual AIP award and (f) any annual salary increase and the interest rates used to value the benefits. For 2015, the change was also attributable to the increase in the NEO's final average pay and a decrease in lump sum interest rates. The plans do not permit above-market or preferential earnings on any nonqualified deferred compensation.

(g) The following table summarizes the components of this column for 2015:

Name	Company Matching Contributions (\$)(1)	Tax Assistance (\$)(2)	Other Benefits (\$)(3)	Total (\$)
D. D. Petratis	183,505	—	247,885	431,390

T. P. Eckersley	63,309	—	29,697	93,006
L. V. Moretti	6,555	109,441	41,641	157,637
C. E. Muhlenkamp	58,742	—	13,169	71,911

(1) Represents matching contributions under our ESP and Supplemental ESP plans for Messrs. Petratis, Shannon, Eckersley, and Muhlenkamp and contributions under the Italian Providential fund for Ms. Moretti.

(2) Represents tax assistance provided to Ms. Moretti to mitigate the impact of being required to live in a high tax jurisdiction.

(3) The other benefits the NEOs received in 2015 are:

Name	Home Sale Assistance (\$)	Relocation (\$)	Aircraft Use (\$)(i)	Other (\$)(ii)	Total (\$)
D. D. Petratis	120,000	—	95,127	32,758	247,885

L. V. Moretti	—	26,470	—	15,171	41,641
C. E. Muhlenkamp	—	—	—	13,169	13,169

(i) Represents the actual cost of the leased aircraft.

(ii) Represents (a) the incremental cost of the leased cars, calculated based on the lease, insurance, fuel and maintenance costs for all NEOs; (b) financial counseling services; (c) personal expenses incurred in connection with the 2015 annual general meeting of shareholders; and (d) executive health program.

Cash amounts for Ms. Moretti were paid in Euros. For reporting purposes, these amounts have been converted from Euro to United States dollars in this table and throughout this Proxy Statement. Where amounts are reported as a point in time, Euros were converted to United States dollars using the closing currency exchange rate as of (h) December 31, 2015. Where payments were made throughout the year, Euros were converted to United States dollars using the closing currency exchange rate as of the last day of the month in which the cash compensation was received or deemed to have been received.

The target award levels for the AIP program were established by the Compensation Committee in February 2015. Refer to Compensation Discussion and Analysis under the heading “Annual Incentive Program” for a description of the Compensation Committee’s process for establishing AIP program award levels. The amounts reflected in the (a) “Estimated Future Payouts Under Non-Equity Incentive Plan Awards” columns represent the threshold, target and maximum amounts for awards under the AIP program that were paid in March 2016, based on performance in 2015. Thus, the

Table of Contents

amounts shown in the threshold, target and maximum columns reflect the range of potential payouts when the target award levels were established in February 2015. The AIP pays \$0 for performance below threshold. The actual amounts paid pursuant to those awards are reflected in the “Non-Equity Incentive Plan Compensation” column of the Summary Compensation Table.

The amounts reflected in the “Estimated Future Payouts Under Equity Incentive Plan Awards” columns represent the threshold, target and maximum amounts for annual PSU awards for the 2015-2017 performance periods and, for Ms. Moretti, the 2015 performance period. PSUs are granted under the 2013 Stock Plan. The PSUs pay \$0 for performance below threshold. For a description of the Compensation Committee’s process for establishing PSU target award levels and the terms of PSU awards, please refer to Compensation Discussion and Analysis under the heading “Long-Term Incentive Program” and the “Post-Employment Benefits” section below.

The amounts in these columns reflect the stock option and RSU awards granted in February 2015 and, for Ms. Moretti, in April 2015 under the 2013 Stock Plan. For a description of the Compensation Committee’s process for determining stock option and RSU awards and the terms of such awards, see Compensation Discussion and Analysis under the heading “Long-Term Incentive Program” and the “Post-Employment Benefits” section below.

The 2013 Stock Plan requires stock options to be granted at an exercise price equal to the fair market value of the our ordinary shares on the date of grant. The fair market value is defined as the average of the high and low price of our ordinary shares listed on the NYSE on the grant date.

The grant date fair value of the equity awards granted in 2015 was calculated in accordance with ASC 718. We caution that the actual amount ultimately realized by each NEO from the stock option awards will likely vary based on a number of factors, including stock price fluctuations, differences from the valuation assumptions used and timing of exercise or applicable vesting. For a description of the assumptions made in valuing the equity awards see Note 15, “Share-Based Compensation” to our consolidated financial statements contained in its 2015 Form 10-K. For PSUs, the grant date fair value has been determined based on achievement of target level performance.

(a) These columns represent stock option awards. Except for the stock option awards granted on December 13, 2013, these awards generally become exercisable in three equal installments beginning on the first anniversary after the date of grant, subject to continued employment or retirement. The stock option awards granted on December 13, 2013 vest 100% on the third anniversary of the grant date.

(b) Stock option awards granted prior to December 1, 2013 expire on the tenth anniversary (less one day) of the grant date. Stock option awards granted following December 1, 2013 expire on the tenth anniversary of the grant date.

(c) This column represents unvested RSUs. Except as described in the following sentence, RSUs generally become exercisable in three equal installments beginning on the first anniversary after the date of grant, subject to continued employment or retirement. The following awards 100% vest on the third anniversary of the grant date: Mr. Petratis's grant dated August 9, 2013, and Ms. Moretti's grant dated April 8, 2015.

Table of Contents

(d) The market value was computed based on \$65.92, the closing market price of our ordinary shares on the NYSE at December 31, 2015.

This column represents unvested and unearned PSUs. PSUs generally vest upon the completion of a three-year performance period. The receipt of the shares subject to the award is subject to achievement of the performance goals as certified by the Compensation Committee, and continued employment. In 2014, the Compensation

(e) Committee granted PSUs with two- and three-year performance periods. The PSUs with two-year performance periods were replacement awards for the Ingersoll Rand PSU awards that were canceled in the Spin-off. The PSUs for the 2014-2015 performance period are reflected at the maximum level. The other PSUs are reflected at the target level because we currently believe that is the probable outcome of the performance conditions.

2015

PENSION

BENEFITS

The NEOs, participate in one or more of the following defined benefit plans:

- the Pension Plan;
- the Supplemental Pension Plan; and
- the EOSP or the KMP.

The Pension Plan is a funded, tax qualified, non-contributory defined benefit plan that covers our U.S. employees hired prior to July 1, 2012. The Pension Plan provides for normal retirement at age 65. A participant becomes vested in the benefit: (i) after five years of service, or (ii) while employed, the participant (a) attains age 65, (b) dies or (c) becomes disabled. The formula to determine the lump sum benefit under the Pension Plan is 5% of final average pay (the five highest consecutive years out of the last ten years of eligible compensation) for each year of credited service. A choice for distribution between an annuity and a lump sum option is available. The Pension Plan was closed to new participants after June 30, 2012, and no further benefits will accrue to any Pension Plan participant for service performed after December 31, 2022. Certain participants made an election in 2012 to forego accruing further benefits for service performed after December 31, 2012, and, in lieu, receive a non-elective employer contribution equal to 2% of eligible compensation in the ESP. No NEOs made this election.

The Supplemental Pension Plan is an unfunded, nonqualified, non-contributory defined benefit restoration plan. Since the IRS limits the annual compensation recognized when calculating benefits under the qualified Pension Plan, the Supplemental Pension Plan restores what is lost in the Pension Plan due to these limits. The Supplemental Pension Plan covers all our employees who participate in the Pension Plan and who are impacted by the IRS Code compensation limits. A participant must meet the vesting requirements of the qualified Pension Plan to vest for benefits under the Supplemental Pension Plan. Benefits under the Supplemental Pension Plan are available only as a lump sum distribution after termination and paid in accordance with Section 409A of the Code. As a result of the 2012 changes to the Pension Plan, the Supplemental Pension Plan was closed to employees hired on or after July 1, 2012, and no further benefits will accrue to any Supplemental Pension Plan participant for service performed after December 31, 2022 or after December 31, 2012 to the extent the participant made an election.

Table of Contents

The NEOs, other than Mr. Muhlenkamp and Ms. Moretti, participate in either the EOSP or the KMP. The EOSP, which is closed to new participants, is an unfunded, nonqualified, non-contributory defined benefit plan, designed to replace a percentage of an officer's final average pay based on the officer's age and years of service at the time of retirement. Final average pay is defined as the sum of the officer's current annual salary plus the average of the officer's three highest annual incentive awards during the most recent six years. No other elements of compensation (other than salary and annual incentive awards) are included in final average pay. The EOSP provides a benefit pursuant to a formula in which 1.9% of an officer's final average pay is multiplied by the officer's years of service (up to a maximum of 35 years) and then reduced by the value of other retirement benefits the officer will receive that are provided by us under certain qualified and nonqualified retirement plans as well as Social Security. Vesting occurs, while the officer is employed, at the earlier of the attainment of age 55 and the completion of 5 years of service or age 62. Unreduced benefits under the EOSP are available at age 62 and benefits are only available as a lump sum after termination and paid in accordance with Section 409A of the Code.

The KMP, which is closed to new participants, is an unfunded, nonqualified, non-contributory defined benefit plan designed to replace a percentage of a key employee's final average pay based on the key employee's age and years of service at the time of retirement. Final average pay is defined as the sum of the key employee's current annual salary plus the average of the employee's three highest annual incentive awards during the most recent six years. No other elements of compensation (other than salary and AIP awards) are included in final average pay. The KMP provides a benefit pursuant to a formula in which 1.7% of a key employee's final average pay is multiplied by years of service (up to a maximum of 30 years) and then reduced by the value of other retirement benefits the key employee will receive that are provided by us under certain qualified and nonqualified retirement plans as well as Social Security. Vesting occurs at the earlier of the attainment of age 55 and the completion of 5 years of service or age 65. Benefits are only available as a lump sum after termination and paid in accordance with Section 409A of the Code.

The table below represents the estimated present value of defined benefits for the plans in which each NEO participates.

Under the EOSP or the KMP, for officers covered prior to May 19, 2009 by Ingersoll Rand, a full year of service is credited for any year in which they work at least one day. In the Pension Plan, the Supplemental Pension Plan, the (a)EOSP and the KMP for officers first covered on or after May 19, 2009 by Ingersoll Rand, the number of years of credited service is based on elapsed time (i.e., credit is given for each month in which a participant works at least one day).

(b)The amounts in this column reflect the estimated present value of each NEO's accumulated benefit under the plans indicated. The calculations reflect the value of the benefits assuming that each NEO was fully vested under each plan. The benefits were computed as of December 31, 2015, consistent with the assumptions described in Note 12,

“Pensions and Postretirement Benefits Other than Pensions,” to the annual combined financial statements included the 2015 Form 10-K.

(c)Ms. Moretti does not participate in any Company defined benefit plan.

NONQUALIFIED

DEFERRED

COMPENSATION

The following is a description of our nonqualified deferred compensation plans.

We maintain the EDCP, which is an unfunded, nonqualified plan that permits certain employees, including the NEOs, to defer receipt of up to 50% of their annual salary and up to 100% of their AIP awards, PSU awards and RSUs received upon commencement of employment. Elections to defer must be made prior to the beginning of the performance period. These assets are considered general assets of the Company and are available to our creditors in the event of the Company's insolvency.

Participants are offered certain investment options (approximately 60 mutual fund investments and ordinary share equivalents) and can choose how they wish to allocate their cash deferrals among those investment options.

Participants are 100% vested in all amounts deferred and bear the risk of any earnings and losses on such deferred amounts.

Generally, deferred amounts may be distributed following termination of employment or at the time of a scheduled in-service distribution date chosen by the participant. If a participant has completed five or more years of service at the time of termination, or is terminated due to long-term disability, death or retirement, the distribution is paid in accordance with the participant's election. If a participant terminates without meeting these requirements, the account balance for all plan years will be paid in a lump sum in the year following the year of termination. A participant can elect to receive distributions at termination over a period of five, 10, or 15 annual installments, or in a single lump sum. A participant can elect to receive scheduled in-service distributions in future years that are at least two years after the end of the plan year for which they are deferring. In-service distributions can be received in two to five annual installments, or if no election is made, in a lump sum. For those participants who have investments in Company ordinary shares, the distribution of these assets will be in the form of ordinary shares, not cash.

Please refer to Compensation Discussion and Analysis for a description of the Supplemental ESP.

The following table provides information regarding contributions, distributions, earnings and balances for each NEO under our nonqualified deferred compensation plans:

POST-EMPLOYMENT
BENEFITS

The following discussion describes the compensation to which each NEO would be entitled in the event of termination of such executive's employment, including termination following a change in control.

Employment Arrangements and Severance. All of the NEOs are entitled to benefits upon termination of their employment following a change in control. Messrs. Petratis and Shannon are also entitled to severance in the event of an involuntary termination without cause pursuant to their employment agreements. Messrs. Petratis and Shannon are eligible to receive 24 months and 12 months, respectively, of base annual salary plus a prorated annual incentive award earned for the year of termination as determined and paid at the conclusion of the full performance year in accordance with the terms of the plan.

Our equity award agreements, other than for the initial grant made immediately following the Spin-off (the "Founder's Grant"), provide that upon termination for:

- death or disability, RSUs and stock options shall immediately vest and the stock options remain exercisable for a period of three years;
- retirement, RSUs and stock options shall continue to vest in accordance with their original vesting schedule and the stock options remain exercisable for a period of five years;
- group termination, RSUs and stock options immediately vest in the portion of the awards that would have vested within twelve months of termination and all vested stock options remain exercisable for a period of three years following termination;
- retirement, group termination or job elimination, PSUs vest pro-rata based on the time worked during the performance period and the achievement of performance goals through the end of the performance period; and
- death or disability, PSUs vest pro-rata based on target level performance during the performance period.

The equity award agreements for the Founder's Grant provide that, upon death or disability, the stock options will immediately vest and remain exercisable for three years and the PSUs will vest as if the person was employed by the Company throughout the performance period. The Founder's Grant is canceled upon termination of employment in all other circumstances, including retirement.

Change in Control. Our CIC Plan covers certain officers, including the NEOs. The CIC Plan provides for certain payments if the employment is terminated by the Company without "cause" (as defined in the CIC Plan) or by the NEO for "good reason" (as defined in the CIC Plan), in each case, within two years following a change in control of the Company. The CIC Plan does not provide for a payment to cover the impact to the executive of certain incremental taxes incurred in connection with the payments made following a change in control. The amount paid under the CIC Plan will be reduced to avoid the payment of any excise taxes.

If a NEO's employment is terminated "without cause" or by the NEO for "good reason" following a change in control, the NEO is entitled to the following:

- any accrued but unpaid base salary;
- an amount equal to the NEO's target annual bonus for the year in which the termination occurred, pro-rated for the months of service and based on the Company's actual performance for the year; and
- a lump sum severance payment equal to the three times (CEO) or two times (other NEOs) the sum of:
 - the NEO's annual salary in effect on the termination date, or, if higher, the annual salary in effect immediately prior to the event that constitutes "good reason"; and
 - the NEO's target annual incentive award for the year of termination.

In addition to the foregoing, the NEOs would also be eligible to participate in the Company's welfare employee health programs for the severance period (three years for the CEO) and (two years for the other NEOs) and the Company will pay the premium for the first eighteen months. The Company would also provide each NEO up to \$25,000 of outplacement services.

Under the 2013 Stock Plan, outstanding unvested stock options and RSUs will not immediately vest and become exercisable or payable, as applicable, following a change in control if an alternate award is provided by the acquiring company. Such awards will immediately vest and become exercisable or payable, as applicable, if an alternate awards is not provided. PSUs, other than the Founder's Grant PSUs, will be deemed to have earned a pro-rata award based on

the target award opportunity and total number of months worked in the applicable performance period. The Founder's Grant PSUs will be deemed to have earned the full amount of the award upon a change in control.

A "change in control" is defined as the occurrence of any of the following events: (i) any person unrelated to the Company becomes the beneficial owner of 30% or more of the combined voting power of the Company's voting stock; (ii) the directors serving at the time the change-in-control plan was adopted (or the directors subsequently elected by the shareholders of the Company whose election or nomination was duly approved by at least two-thirds of the then serving directors) fail to constitute a majority of the Board of Directors; (iii) consummation of any transaction or series of transactions under which the Company

Table of Contents

is merged or consolidated with any other company which is not an affiliate; (iv) any sale or transfer of all or substantially all of the Company's assets, other than a sale or transfer with a corporation where the Company owns at least 80% of the combined voting power of such corporation or its parent after such transfer; or (v) any other event that the continuing directors determine to be a change in control; provided however, with respect to (i), (iii) and (v) above, there shall be no change in control if shareholders of the Company own more than 50% of the combined voting power of the voting securities of the Company or the surviving entity or any parent immediately following such transaction in substantially the same proportion to each other as prior to such transaction.

Enhanced Retirement Benefits. An officer vests in EOSP or KMP upon the earlier of: (i) the attainment of age 55 and the completion of 5 years of service; (ii) attainment of age 62 for the EOSP and age 65 for the KMP; (iii) death; or (iv) change in control. For Mr. Shannon, a termination within two years following a change in control also triggers the payment of an enhanced benefit whereby two years are added to both his age and service with the Company for purposes of the EOSP benefit. There are no enhancements provided to Mr. Petratis under the EOSP or to Mr. Eckersley under the KMP. Benefits under the EOSP and KMP are forfeited in the event of termination for cause. In order to be eligible for an EOSP or KMP benefit in the event of disability, a participant must remain disabled until age 65. An officer becomes vested in both the Pension Plan and the Supplemental Pension Plan upon the completion of 5 years of service. As of December 31, 2015, Mr. Shannon and Mr. Petratis were not vested in the EOSP and Mr. Eckersley was not vested in the KMP.

POST-EMPLOYMENT

BENEFITS TABLE

The following table describes the compensation to which each of the NEOs would be entitled in the event of termination of such executive's employment on December 31, 2015, including termination following a change in control. The potential payments were determined under the terms of our plans and arrangements in effect on December 31, 2015. The table does not include the pension benefits or nonqualified deferred compensation amounts that would be paid to an NEO, which are set forth in the Pension Benefits table and the Nonqualified Deferred Compensation table above, except to the extent that the NEO is entitled to an additional benefit as a result of the termination.

(a) Refer to the description of how severance is calculated in the section above entitled Post-Employment Benefits.

(b) Amounts represent the actual award earned for the 2015 performance period, which may be more or less than the target award.

For “Involuntary Without Cause,” this assumes group termination or job elimination. For the “Change in Control,” “Death” and “Disability,” these amounts represent the full value of the Founder’s Grant PSU award and a pro-rata portion of the other outstanding PSUs. Amounts are based on the closing stock price on December 31, 2015 (\$65.92).

The amounts shown represent (i) the value of the unvested RSUs, which is calculated based on the number of unvested RSUs multiplied by the closing stock price on December 31, 2015 (\$65.92) and (ii) the intrinsic value of (d) the unvested stock options, which is calculated based on the difference between the closing stock price on December 31, 2015 (\$65.92), and the relevant exercise price. For purposes of a “Change in Control”, we assume that an alternate award is not provided and the vesting of the unvested awards accelerate.

(e) In the event of a change in control of the Company and a termination of the NEOs, the present value of the pension benefits under the EOSP, KMP and Supplemental Pension Plans would be paid out as lump sums. The amounts shown under change of control represent the estimated benefit provided in excess of the EOSP amount shown in the Pension Benefits Table. While there is no additional benefit to the NEOs as a result of involuntary resignation without cause or in the event of a death or disability, there are differences (based on the methodology mandated by

the SEC) between the numbers that are shown in the Pension Benefits Table and those that would actually be payable to the NEO under these termination scenarios.

(f) For the “Change in Control” column, the amount represents the maximum expenses we would reimburse the NEO for professional outplacement services.

(g) Represents our cost of continued active coverage for eighteen months.

How May I Participate in the Annual General Meeting in Ireland?

Shareholders that are present in Ireland on June 8, 2016 may visit our headquarters located at Block D, Iveagh Court, Harcourt Road, Dublin 2, Ireland to participate in the Annual General Meeting. The Annual General Meeting will begin at 4:00 p.m., local time.

Who May Vote?

You are entitled to vote if you beneficially owned our ordinary shares at the close of business on April 11, 2016, the Record Date. At that time, there were 95,724,303 of our ordinary shares outstanding and entitled to vote. Each ordinary share that you own entitles you to one vote on all matters to be voted on a poll at the Annual General Meeting.

How Do I Vote?

Shareholders of record can cast their votes by proxy by:

- using the Internet and voting at www.proxyvote.com;
- calling 1-800-690-6903 and following the telephone prompts to vote by proxy; or
- completing, signing and returning a proxy card by mail. If you received a Notice and did not receive a proxy card, you may request one at sendmaterial@proxyvote.com.

The Notice is not a proxy card and it cannot be used to vote your shares.

If you vote by proxy by telephone, your use of that telephone system, and in particular the entry of your personal identification number or other unique identifier, will be deemed to constitute your appointment, in writing and under hand, for all purposes of the Companies Act of 2014 of Messrs. Petratis, Shannon and Braun as your proxies to vote

your shares in accordance with your telephone instructions.

Table of Contents

Shareholders of record may also vote their shares directly by attending the Annual General Meeting and casting their vote in person or appointing a proxy (who does not have to be a shareholder) to attend the Annual General Meeting and casting votes on their behalf in accordance with their instructions.

Street name holders must vote their shares in the manner prescribed by their bank, brokerage firm or nominee. Street name holders who wish to vote in person at the Annual General Meeting must obtain a legal proxy from their bank, brokerage firm or nominee. Street name holders will need to bring the legal proxy with them to the Annual General Meeting and hand it in with a signed ballot that is available upon request at the meeting. Street name holders will not be able to vote their shares at the Annual General Meeting without a legal proxy and a signed ballot.

Even if you plan to attend the Annual General Meeting, we recommend that you vote by proxy as described above so that your vote will be counted if you later decide not to attend the meeting.

In order to be timely processed, your vote must be received by 8:00 a.m. Eastern Time on June 6, 2016 (or, if you are a street name holder, such earlier time as your bank, brokerage firm or nominee may require).

May I Revoke My Proxy?

You may revoke your proxy at any time before it is voted at the Annual General Meeting in any of the following ways:

- by notifying the Company's Secretary in writing: c/o Allegion plc, Block D, Iveagh Court, Harcourt Road, Dublin 2, Ireland;

- by submitting another properly signed proxy card with a later date or another Internet or telephone proxy at a later date but prior to the close of voting described above; or

- by voting in person at the Annual General Meeting.

Merely attending the Annual General Meeting does not revoke your proxy. To revoke a proxy, you must take one of the actions described above.

How Will My Proxy Get Voted?

If your proxy is properly submitted, your proxy holder (one of the individuals named on the proxy card) will vote your shares as you have directed. If you are a street name holder, the rules of the NYSE permit your bank, brokerage firm or nominee to vote your shares on Item 3 (routine matter) if it does not receive instructions from you. However, your bank, brokerage firm or nominee may not vote your shares on Items 1, 2, 4 or 5 (non-routine matters) if it does not receive instructions from you ("broker non-votes"). Broker non-votes will not be counted as votes for or against the non-routine matters, but rather will be regarded as votes withheld and will not be counted in the calculation of votes for or against the resolution.

If you are a shareholder of record and you do not specify on the proxy card you send to the Company (or when giving your proxy over the Internet or telephone) how you want to vote your shares, then the Company-designated proxy holders will vote your shares in the manner recommended by our Board of Directors on all matters presented in this Proxy Statement and as the proxy holders may determine in their discretion regarding any other matters properly presented for a vote at the meeting.

What Constitutes A Quorum?

The presence (in person or by proxy) of shareholders entitled to exercise a majority of the voting power of the Company on the Record Date is necessary to constitute a quorum for the conduct of business. Abstentions and broker non-votes are treated as "shares present" for the purposes of determining whether a quorum exists.

What Vote Is Required To Approve Each Proposal?

A majority of the votes cast at the Annual General Meeting is required to approve Items 1, 2 and 3. A majority of the votes cast means that the number of votes cast "for" an Item must exceed the number of votes cast "against" that Item. Items 4A, 4B, 5A and 5B are considered special resolutions under Irish law and require 75% of the votes cast for approval.

Although abstentions and broker non-votes are counted as "shares present" at the Annual General Meeting for the purpose of determining whether a quorum exists, they are not counted as votes cast either "for" or "against" the resolution and, accordingly, will not affect the outcome of the vote.

We will also reimburse brokers and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy materials to the persons for whom they hold shares.

How Will Voting On Any Other Matter Be Conducted?

Although we do not know of any matters to be presented or acted upon at the Annual General Meeting other than the items described in this Proxy Statement, if any other matter is proposed and properly presented at the Annual General Meeting, the proxy holders will vote on such matters in accordance with their best judgment.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

The Company does not generally engage in transactions in which its executive officers, directors or nominees for directors, any of their immediate family members or any of its 5% shareholders have a material interest. Pursuant to the Company's written related person transaction policy, any such transaction must be reported to management, which will prepare a summary of the transaction and refer it to the Corporate Governance and Nominating Committee for consideration and approval by the disinterested directors. The Corporate Governance and Nominating Committee reviews the material terms of the related person transaction, including the dollar values involved, the relationships and interests of the parties to the transaction and the impact, if any, to a director's independence. The Corporate Governance and Nominating Committee only approves those transactions that are in the best interest of the Company. In addition, the Company's Code of Conduct, which sets forth standards applicable to all employees, officers and directors of the Company, generally proscribes transactions that could result in a conflict of interest for the Company. Any waiver of the Code of Conduct for any executive officer or director requires the approval of the Company's Board of Directors. Any such waiver will, to the extent required by law or the NYSE, be disclosed on the Company's website at www.allegion.com or on a current report on Form 8-K. No such waivers were requested or granted in 2015. We have not made payments to directors other than the fees to which they are entitled as directors (described under the heading "Compensation of Directors") and the reimbursement of expenses related to their services as directors. We have made no loans to any director or officer nor have we purchased any shares of the Company from any director or officer.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and officers, and persons who beneficially own more than ten percent of the Company's ordinary shares, to file reports of ownership and reports of changes in ownership with the SEC and the NYSE. To the Company's knowledge, based solely on its review of such forms received by the Company and written representations that no other reports were required, all Section 16(a) filing requirements were complied with for the year 2015 other than with respect to one Form 4 filing for the each member of the Board of Directors, Mr. Chesser, Ms. Cico, Mr. Hachigian, Mr. Schaffer and Mr. Welch, due to technical filing issues.

SHAREHOLDER PROPOSALS AND NOMINATIONS

Any proposal by a shareholder intended to be presented at the 2017 Annual General Meeting of Shareholders of the Company must be received by the Company at its registered office at Block D, Iveagh Court, Harcourt Road, Dublin 2, Ireland, Attn: Secretary, no later than December 23, 2016, for inclusion in the proxy materials relating to that meeting. Any such proposal must meet the requirements set forth in the rules and regulations of the SEC, including Rule 14a-8, in order for such proposals to be eligible for inclusion in our 2017 proxy statement.

Our Articles of Association set forth procedures to be followed by shareholders who wish to nominate candidates for election to the Board of Directors in connection with annual general meetings of shareholders or pursuant to written shareholder consents or who wish to bring other business before a shareholders' general meeting. All such nominations must be accompanied by certain background and other information specified in the Articles of Association. In connection with the 2017 annual general meeting, written notice of a shareholder's intention to make such nominations or bring business before the annual general meeting must be given to the Secretary of the Company not later than March 10, 2017. If the date of the 2017 annual general meeting occurs more than 30 days before, or 60 days after, the anniversary of the 2016 annual general meeting, then the written notice must be provided to the Secretary of the Company not later than the seventh day after the date on which notice of such annual general meeting is given. The Corporate Governance and Nominating Committee will consider all shareholder recommendations for candidates for Board membership, which should be sent to the Committee, care of the Secretary of the Company, at the address set forth above. In addition to considering candidates recommended by shareholders, the Committee considers potential candidates recommended by current directors, Company officers, employees and others. As stated in our Corporate Governance Guidelines, all candidates for Board membership are selected based upon their judgment, character, achievements and experience in matters affecting business and industry. Candidates recommended by shareholders are evaluated in the same manner as director candidates identified by any other means.

Edgar Filing: Allegion plc - Form DEF 14A

In order for you to bring other business before a shareholder general meeting, timely notice must be received by the Secretary of the Company within the time limits described above. The notice must include a description of the proposed item, the reasons you believe support your position concerning the item, and other specified matters. These requirements are separate from and in addition to the requirements you must meet to have a proposal included in our Proxy Statement. The foregoing time limits also apply in determining whether notice is timely for purposes of rules adopted by the SEC relating to the exercise of discretionary voting authority.

If a shareholder wishes to communicate with the Board of Directors for any other reason, all such communications should be sent in writing, care of the Secretary of the Company, or by email at allegionboard@allegion.com.

HOUSEHOLDING

SEC rules permit a single set of annual reports and proxy statements to be sent to any household at which two or more shareholders reside if they appear to be members of the same family. Each shareholder continues to receive a separate proxy card. This procedure is referred to as householding. While the Company does not household in mailings to its shareholders of record, a number of brokerage firms with account holders who are Company shareholders have instituted householding. In these cases, a single proxy statement and annual report will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once a shareholder has received notice from his or her broker that the broker will be householding communications to the shareholder's address, householding will continue until the shareholder is notified otherwise or until the shareholder revokes his or her consent. If at any time a shareholder no longer wishes to participate in householding and would prefer to receive a separate proxy statement and annual report, he or she should notify his or her broker. Any shareholder can receive a copy of the Company's proxy statement and annual report by contacting the Company at its registered office at Block D, Iveagh Court, Harcourt Road, Dublin 2, Ireland, Attention: Secretary or by accessing it on the Company's website at www.allegion.com.

Shareholders who hold their shares through a broker or other nominee who currently receive multiple copies of the proxy statement and annual report at their address and would like to request householding of their communications should contact their broker.

23. except that he shall not, before being registered as a member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to the meetings of the Company, so, however,

Any member entitled to vote at any annual general meeting may propose business to be included in the agenda of such meeting only if written notice of such member's intent is given to the Secretary of the Company, either by personal delivery or mail or by facsimile, not later than 90 days in advance of the anniversary of the immediately preceding annual general meeting or if the date of the annual general meeting of members occurs more than 30 days before or 60 days after the anniversary of such immediately preceding annual general meeting, not later than the close of business on the seventh day following the date on which notice of such meeting is given to members.

A member's notice to the Secretary shall set forth in writing as to each matter such member proposes to bring before the annual general meeting (i) a brief description of the business desired to be brought before the annual (b) general meeting and the reasons for conducting such business at the annual general meeting, (ii) the name and address, as they appear on the Company's Register, of the members proposing such business, (iii) the class and number of shares of the Company which are beneficially owned by the member and (iv) any material interest of the member in such business. Notwithstanding anything in these articles to the contrary, no business shall be conducted at an annual general meeting except in accordance with the procedures set forth in this article. The Chairman or other person presiding at the annual general meeting shall, if the facts so warrant, determine and declare to the meeting that business was not properly brought before the meeting in accordance with the provisions of this article 36(b), and, if such Chairman or other person should so determine, he or she shall so declare to the meeting and any such business not properly brought before the meeting shall not be transacted.

Any member entitled to vote for the election of Directors at a meeting or to express a consent in writing without a meeting may nominate a person or persons for election as a Director only if written notice of such member's intent to make such nomination is given to the Secretary of the Company, either by personal delivery, mail or facsimile not later than (i) with respect to an election to be held at an annual general meeting of members, 90 days in advance of the anniversary of the immediately preceding annual general meeting or if the date of the annual general meeting of members occurs more than 30 days before or 60 days after the anniversary of such immediately preceding annual general meeting, not later than the close of business on the seventh day following the date on which notice of such meeting is given to members and (ii) in the case of any member who wishes to nominate a person or persons for election as a Director pursuant to consents in writing by members without a meeting (to the extent election by such consents is permitted under applicable law and these articles), 60 days in advance of the date on which materials soliciting such consents are first mailed to members or, if no such materials are required to be mailed under applicable law, 60 days in advance of the date on which the first such consent in writing is executed.

(c) Each such notice shall set forth the name and address of the member who intends to make the nomination and of the person or persons to be nominated for election as a Director, a representation that the member is a holder of record of shares of the Company entitled to vote at such meeting or to express such consent in writing and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice or to execute such a consent in writing to elect such person or persons as a Director, a description of all arrangements or understandings between the member and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations for election as a Director are to be made by the member, such other information regarding each nominee proposed by such member as would have been required to be included in a proxy statement filed pursuant to the proxy rules of the United States Securities and Exchange Commission if such nominee had been nominated, or was intended to be nominated, for election as a Director by the Board, and the consent of each nominee to serve as a Director if so elected. The Board may refuse to acknowledge the nomination of any person not made in compliance with the foregoing procedures.

Except as otherwise provided by law, at any extraordinary general meeting only such business shall be conducted 37. as is set forth in the notice thereof or otherwise properly brought before the meeting by or at the direction of the Board.

Except as otherwise provided by law, the memorandum of association or these articles, the chairman of the 38. meeting shall have the power to determine whether a nomination or any other business proposed to be brought before a general meeting was made or proposed, as the case may be, in accordance with these articles and, if

any proposed nomination or other business is not in compliance with these articles, to declare that no action shall be taken on such nomination or other proposal and such nomination or other proposal shall be disregarded.

39. No business shall be transacted at any general meeting unless a quorum is present at the time when the meeting proceeds to business. The Holders of shares, present in person or by proxy (whether or not such Holder actually exercises his voting rights in whole, in part or at all at the relevant general meeting), entitling them to exercise a majority of the voting power of the Company on the relevant record date shall constitute a quorum.

40. If the holders of the number of shares necessary to constitute a quorum shall fail to attend in person or by proxy at the time and place fixed by these articles for a general meeting, a majority in interest of the members present, in person or by proxy, may adjourn from time to time without notice other than announcement at the meeting until the holders of the amount of shares requisite to constitute a quorum shall attend. At any such adjourned meeting at which a quorum shall be present, any business may be transacted which might have been transacted at the meeting as originally notified.

41. The Chairman, if any, of the Board, shall preside as chairman at every general meeting of the Company, or if there is no such Chairman, or if he is not present within fifteen minutes after the time appointed for the holding of the meeting or is unwilling to act, the Directors present shall elect one of their number to be chairman of the meeting.

42. If at any meeting no Director is willing to act as Chairman or if no Director is present within fifteen minutes after the time appointed for holding the meeting, the members present shall choose one of their number to be chairman of the meeting.

43. The Chairman of the meeting may, with the consent of a majority of the members, in any general meeting at which a quorum is present (and shall if so directed), adjourn the meeting. Unless the meeting is adjourned to a specific date and time, fresh notice of the date, time and place for the resumption of the adjourned meeting shall be given to each member in accordance with the provisions of these articles.

44. At any general meeting a resolution put to the vote of the meeting shall be decided by poll.

45. A poll shall be taken in such manner as the Chairman directs, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was taken.

46. Subject to Section 141 the provisions of the Act, a resolution in writing signed by all of the members for the time being entitled to attend and vote on such resolution at a general meeting (or being bodies corporate by their duly authorised representatives) shall be as valid and effective for all purposes as if the resolution had been passed at a general meeting of the Company duly convened and held, and may consist of several documents in like form each signed by one or more persons, and if described as a special resolution shall be deemed to be a special resolution within the meaning of the Act. Any such resolution shall be served on the Company.

47. The Board may, and at any general meeting, the Chairman of such meeting may make any arrangement and impose any requirement or restriction it or he considers appropriate to ensure the security of a general meeting including, without limitation, requirements for evidence of identity to be produced by those attending the meeting, the searching of their personal property and the restriction of items that may be taken into the meeting place. The Board and, at any general meeting, the chairman of such meeting are entitled to refuse entry to a person who refuses to comply with any such arrangements, requirements or restrictions.

48. (a) The Board may make such arrangements as it considers appropriate to enable the members to participate in any general meeting by means of electronic or other communication facilities, so as to permit all persons participating in the meeting to communicate with each other simultaneously and instantaneously, and participation in such a meeting shall constitute presence in person at such meeting.

(b) The Board may, and at any general meeting, the chairman of such meeting may make any arrangement and impose any requirement as may be reasonable for the purpose of verifying the identity of members participating by way of electronic or other communication facilities, as described in article 48(a).

49. Where there is an equality of votes on a poll, the Chairman of the meeting shall be entitled to a casting vote in addition to any other vote he may have.

VOTES OF MEMBERS

Subject to any special rights or restrictions as to voting for the time being attached by or in accordance with these 50. articles to any class of shares on a poll, every member who is present in person or by proxy shall have one vote for each share of which he is the Holder.

When there are joint Holders, the vote of the senior who tenders a vote, whether in person or by proxy, shall be 51. accepted to the exclusion of the votes of the other joint Holders: and for this purpose, seniority shall be determined by the order in which the names stand in the Register.

A member of unsound mind, or in respect of whom an order has been made by any court having jurisdiction (whether in Ireland or elsewhere) in matters concerning mental disorder, may vote by his committee, receiver, guardian or other person appointed by that court and any such committee, receiver, guardian or other person may 52. vote by proxy on a poll. Evidence to the satisfaction of the Directors of the authority of the person claiming to exercise the right to vote shall be received at the Office or at such other address as is specified in accordance with these articles for the receipt of appointments of proxy, not less than forty-eight hours before the time appointed for holding the meeting or adjourned meeting at which the right to vote is to be exercised and in default the right to vote shall not be exercisable.

No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which 53. the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the chairman of the meeting, whose decision shall be final and conclusive.

54. Votes may be given either personally or by proxy.

(a) Every member entitled to attend and vote at a general meeting may appoint a proxy to attend, speak and vote on his behalf and may appoint more than one proxy to attend, speak and vote at the same meeting. The 55. appointment of a proxy shall be in any form which the Directors may approve and, if required by the Company, shall be signed by or on behalf of the appointor. In relation to written proxies, a body corporate may sign a form of proxy under its common seal or under the hand of a duly authorised officer thereof or in such other manner as the Directors may approve. A proxy need not be a member of the Company. The appointment of a proxy in electronic or other form shall only be effective in such manner as the Directors may approve.

Without limiting the foregoing, the Directors may from time to time permit appointments of a proxy to be made by means of a telephonic, electronic or internet communication or facility and may in a similar manner permit 56. supplements to, or amendments or revocations of, any such telephonic, electronic or internet communication or facility to be made. The Directors may in addition prescribe the method of determining the time at which any such telephonic, electronic or internet communication or facility is to be treated as received by the Company. The Directors may treat any such telephonic, electronic or internet communication or facility which purports to be or is expressed to be sent on behalf of a Holder of a share as sufficient evidence of the authority of the person sending that instruction to send it on behalf of that Holder.

A proxy must be submitted in accordance with the procedures permitted in these Articles by such time as is 57. (c) prescribed in the notice of meeting, and if no such time is specified, by no later than 48 hours before the commencement of the meeting.

Any body corporate which is a member of the Company may authorise such person as it thinks fit to act as its representative at any meeting of the Company or of any class of members of the Company and the person so 56. authorised shall be entitled to exercise the same powers on behalf of the body corporate which he represents as that body corporate could exercise if it were an individual member of the Company. The Company may require evidence from the body corporate of the due authorisation of such person to act as the representative of the relevant body corporate.

An appointment of proxy relating to more than one meeting (including any adjournment thereof) having once been 57. received by the Company for the purposes of any meeting shall not require to be delivered to, deposited with or received by the Company again for the purposes of any subsequent meeting to which it relates.

Table of Contents

58. Receipt by the Company of an appointment of proxy in respect of a meeting shall not preclude a member from attending and voting at the meeting or at any adjournment thereof. An appointment of proxy shall be valid, unless the contrary is stated therein, for any adjournment of the meeting to which it relates.

(a) A vote given in accordance with the terms of an appointment of proxy or a resolution authorising a representative to act on behalf of a body corporate shall be valid notwithstanding the death or insanity of the principal, or the revocation of the appointment of proxy or of the authority under which the proxy was appointed or of the resolution authorising the representative to act or transfer of the share in respect of which the proxy was appointed or the authorisation of the representative to act was given, provided that no notice in writing (whether in electronic form or otherwise) of such death, insanity, revocation or transfer shall have been received by the Company at the Office, at least one hour before the commencement of the meeting or adjourned meeting at which the appointment of proxy is used or at which the representative acts PROVIDED HOWEVER, that where such notice is given in electronic form it shall have been received by the Company at least 24 hours (or such lesser time as the Directors may specify) before the commencement of the meeting.

(b) The Directors may send, at the expense of the Company, by post, electronic mail or otherwise, to the members forms for the appointment of a proxy (with or without stamped envelopes for their return) for use at any general meeting or at any class meeting, either in blank or nominating any one or more of the Directors or any other persons in the alternative.

DIRECTORS

The number of Directors shall not be less than two nor more than fifteen. The continuing Directors may act notwithstanding any vacancy in their body, provided that if the number of the Directors is reduced below the prescribed minimum the remaining Director or Directors shall appoint forthwith an additional Director or additional Directors to make up such minimum or shall convene a general meeting of the Company for the purpose of making such appointment. If, at any annual general meeting of the Company, the number of Directors is reduced below the prescribed minimum due to the failure of any Directors to be re-elected, then in those circumstances, the two Directors which receive the highest number of votes in favour of re-election shall be re-elected and shall remain Directors until such time as additional Directors have been appointed to replace them as Directors. If, at any annual general meeting of the Company, the number of Directors is reduced below the prescribed minimum in any circumstances where one Director is re-elected, then that Director shall hold office until the next annual general meeting and the Director which (excluding the re-elected Director) receives the highest number of votes in favour of re-election shall be re-elected and shall remain a Director until such time as one or more additional Directors have been appointed to replace him or her. If there be no Director or Directors able or willing to act then any two members may summon a general meeting for the purpose of appointing Directors. Any additional Director so appointed shall hold office (subject to the provisions of the Acts and these articles) only until the conclusion of the annual general meeting of the Company next following such appointment unless he is re-elected during such meeting.

60. Each Director shall be paid a fee for the services at such rate as may from time to time be determined by the Board. The Directors may also be paid all traveling, hotel and other expenses properly incurred by them in attending and returning from meetings of the Directors or any committee of the Directors or general meetings of the Company or in connection with the business of the Company.

61. If any Director shall be called upon to perform extra services which in the opinion of the Directors are outside the scope of the ordinary duties of a Director, the Company may remunerate such Director either by a fixed sum or by a percentage of profits or otherwise as may be determined by a resolution passed at a meeting of the Directors and such remuneration may be either in addition to or in substitution for any other remuneration to which he may be entitled as a Director.

62. No shareholding qualification for Directors shall be required. A Director who is not a member of the Company shall nevertheless be entitled to attend and speak at general meetings.

63. Unless the Company otherwise directs, a Director of the Company may be or become a Director or other officer of, or otherwise interested in, any company promoted by the Company or in which the Company may be interested as

Holder or otherwise, and no such Director shall be accountable to the Company for any

remuneration or other benefits received by him as a Director or officer of, or from his interest in, such other company.

BORROWING POWERS

65. Subject to Part III of the 1983 Act, the Directors may exercise all the powers of the Company to borrow or raise money, and to mortgage or charge its undertaking, property, assets and uncalled capital or any part thereof and to issue debentures, debenture stock and other securities whether outright or as collateral security for any debt, liability or obligation of the Company or of any third party, without any limitation as to amount.

POWERS AND DUTIES OF THE DIRECTORS

66. The business of the Company shall be managed by the Directors, who may pay all expenses incurred in promoting and registering the Company and may exercise all such powers of the Company as are not, by the ActsAct or by these articles, required to be exercised by the Company in general meeting, subject, nevertheless, to any of these articles and to the provisions of the ActsAct.

67. The Directors may from time to time and at any time by power of attorney appoint any company, firm or person or body of persons, whether nominated directly or indirectly by the Directors, to be the attorney or attorneys of the Company for such purposes and with such powers, authorities and discretions (not exceeding those vested in or exercisable by the Directors under these articles) and for such period and subject to such conditions as they may think fit, and any such power of attorney may contain such provisions for the protection of persons dealing with any such attorney as the Directors may think fit, and may also authorise any such attorney to delegate all or any of the powers, authorities and discretions vested in him.

68. A Director who is in any way, whether directly or indirectly, interested in a contract or proposed contract with the Company shall declare the nature of his interest at a meeting of the Directors in accordance with Section 194 of the Act.

69. (a) A Director shall be entitled (in the absence of some other material interest than is indicated below) to vote (and be counted in the quorum) in respect of any resolutions concerning any of the following matters, namely:

- (i) the giving of any security, guarantee or indemnity to him in respect of money lent by him to the Company or any of its subsidiary or associated companies or obligations incurred by him or by any other person at the request of or for the benefit of the Company or any of its subsidiary or associated companies;
- (ii) the giving of any security, guarantee or indemnity to a third party in respect of a debt or obligation of the Company or any of its subsidiary or associated companies for which he himself has assumed responsibility in whole or in part and whether alone or jointly with others under a guarantee or indemnity or by the giving of security;
- (iii) any proposal concerning any offer of shares or debentures or other securities of or by the Company or any of its subsidiary or associated companies for subscription, purchase or exchange in which offer he is or is to be interested as a participant in the underwriting or sub-underwriting thereof;
- (iv) any proposal concerning any other company in which he is interested, directly or indirectly and whether as an officer or member or otherwise howsoever, provided that he is not the Holder of or beneficially interested in 1% or more of the issued shares of any class of such company or of the voting rights available to members of such company (or of a third company through which his interest is derived) (any such interest being deemed for the purposes of this article to be a material interest in all circumstances);
- (v) any proposal concerning the adoption, modification or operation of a superannuation fund or retirement benefits scheme under which he may benefit and which has been approved by or is subject to and conditional upon approval for taxation purposes by the appropriate Revenue authorities;

any proposal concerning the adoption, modification or operation of any scheme for enabling employees (including full time executive Directors) of the Company and/or any subsidiary thereof to acquire shares in the Company or any arrangement for the benefit of employees of the Company or any of its subsidiaries under which the Director benefits or may benefit; or

(vii) any proposal concerning the giving of any indemnity pursuant to article 117 or the discharge of the cost of any insurance coverage purchased or maintained pursuant to article 75 and article 117(c).

Where proposals are under consideration concerning the appointment (including fixing or varying the terms of appointment) of two or more Directors to offices or employments with the Company or any company in which the Company is interested, such proposals may be divided and considered in relation to each Director separately and in such case each of the Directors concerned (if not debarred from voting under article 69(a)(iv)) shall be entitled to vote (and be counted in the quorum) in respect of each resolution except that concerning his own appointment.

If a question arises at a meeting of Directors or of a committee of Directors as to the materiality of a Director's interest or as to the right of any Director to vote and such question is not resolved by his voluntarily agreeing to abstain from voting, such question may be referred, before the conclusion of the meeting, to the chairman of the meeting and his ruling in relation to any Director other than himself shall be final and conclusive. In relation to the Chairman, such question may be resolved by a resolution of a majority of the Directors (other than the Chairman) present at the meeting at which the question first arises.

(d) For the purposes of this article, an interest of a person who is the spouse or a minor child of a Director shall be treated as an interest of the Director.

(e) The Company by Ordinary Resolution may suspend or relax the provisions of this article to any extent or ratify any transaction not duly authorised by reason of a contravention of this article.

(a) A Director may hold and be remunerated in respect of any other office or place of profit under the Company or any other company in which the Company may be interested (other than the office of auditor of the Company or any subsidiary thereof) in conjunction with his office of Director for such period and on such terms as to remuneration and otherwise as the Directors may determine, and no Director or intending Director shall be disqualified by his office from contracting or being interested, directly or indirectly, in any contract or arrangement with the Company or any such other company either with regard to his tenure of any such other office or place of profit or as vendor, purchaser or otherwise nor shall any Director so contracting or being so interested be liable to account to the Company for any profits and advantages accruing to him from any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship thereby established.

(b) A Director or anyone else is expressly permitted (for the purposes of Section 228(1)(d) of the Act) to use the Company's property subject to such conditions as may be or have been approved by the Board or pursuant to any delegation by the Board in accordance with these Articles or as permitted by their terms of employment or appointment.

(c) Nothing in the Acts shall restrict a Director from entering into any commitment which has been approved by the Board or has been approved pursuant to such authority as may be delegated by the Board or is otherwise in accordance with these Articles.

The Directors may exercise the voting powers conferred by shares of any other company held or owned by the Company in such manner in all respects as they think fit and in particular they may exercise their voting powers in favour of any resolution appointing the Directors or any of them as Directors or officers of such other company or providing for the payment of remuneration or pensions to the Directors or officers of such other company.

Any Director may act by himself or his firm in a professional capacity for the Company, and he or his firm shall be entitled to remuneration for professional services as if he were not a Director, but nothing herein contained shall authorise a Director or his firm to act as auditor to the Company.

73. All cheques, promissory notes, drafts, bills of exchange and other negotiable instruments and all receipts for money paid to the Company shall be signed, drawn, accepted, endorsed or otherwise executed, as the case

may be, by such person or persons and in such manner as the Directors shall from time to time by resolution determine.

74. The Directors shall cause minutes to be made in books provided for the purpose:

- (a) of all appointments of officers made by the Directors;
- (b) of the names of the Directors present at each meeting of the Directors and of any committee of the Directors; and
- (c) of all resolutions and proceedings at all meetings of the Company and of the Directors and of committees of Directors.

The Directors may procure the establishment and maintenance of or participate in, or contribute to any non-contributory or contributory pension or superannuation fund, scheme or arrangement or life assurance scheme or arrangement for the benefit of, and pay, provide for or procure the grant of donations, gratuities, pensions, allowances, benefits or emoluments to any persons (including Directors or other officers) who are or shall have been at any time in the employment or service of the Company or of any company which is or was a subsidiary of the Company or of the predecessor in business of the Company or any such subsidiary or holding Company and the wives, widows, families, relatives or dependants of any such persons. The Directors may also procure the establishment and subsidy of or subscription to and support of any institutions, associations, clubs, funds or trusts calculated to be for the benefit of any such persons as aforesaid or otherwise to advance the interests and well-being of the Company or of any such other Company as aforesaid, or its members, and payments for or towards the insurance of any such persons as aforesaid and subscriptions or guarantees of money for charitable or benevolent objects or for any exhibition or for any public, general or useful object. Provided that any Director shall be entitled to retain any benefit received by him under this article, subject only, where the Acts require, to disclosure to the members and the approval of the Company in general meeting.

DISQUALIFICATION OF DIRECTORS

76. The office of a Director shall be vacated ipso facto if the Director:

- (a) is restricted or disqualified to act as a Director under the provisions of Part VII of the 1990 Act;
- (b) resigns his office by notice in writing to the Company or in writing offers to resign and the Directors resolve to accept such offer;
- (c) is or becomes bankrupt or makes any arrangement or composition with his or her creditors generally;
- (d) is or becomes of unsound mind or dies; or
- (e) is removed from office under article 81.

APPOINTMENT, ROTATION AND REMOVAL OF DIRECTORS

At every annual general meeting of the Company, each of the Directors shall retire from office unless re-elected by

77. Ordinary Resolution at the annual general meeting. A Director retiring at a meeting shall retain office until the close or adjournment of the meeting.

78. Every Director nominated for re-election by the Board shall be eligible to stand for re-election at an annual general meeting.

79. If a Director nominated for re-election by the Board offers himself for re-election, he shall be deemed to have been re-elected unless at such meeting the Ordinary Resolution for the re-election of such Director has been defeated.

80. The Company may from time to time by Special Resolution increase or reduce the maximum number of Directors.

The Company may, by Ordinary Resolution, of which extended notice has been given in accordance with Section 81.142 of the Act, remove any Director before the expiration of his period of office notwithstanding anything in these regulations or in any agreement between the Company and such Director. Such removal

shall be without prejudice to any claim such Director may have for damages for breach of any contract of service between him and the Company.

82. The Company may, by Ordinary Resolution, appoint another person in place of a Director removed from office under article 81 and, without prejudice to the powers of the Directors under article 60 or article 83, the Company in general meeting by Ordinary Resolution may appoint any person to be a Director either to fill a casual vacancy or as an additional Director, subject to the maximum number of Directors set out in article 60.

83. The Directors may appoint a person who is willing to act to be a Director, either to fill a vacancy or as an additional Director, provided that the appointment does not cause the number of Directors to exceed any number fixed by or in accordance with these articles as the maximum number of Directors. A Director so appointed shall hold office only until the next following annual general meeting. If not re-appointed at such annual general meeting, such Director shall vacate office at the conclusion thereof.

PROCEEDINGS OF DIRECTORS

84. (a) The quorum necessary for the transaction of business at all meetings of the Board shall be a majority of the Directors then in office. If at any meeting of the Board there be less than a quorum present, a majority of those present or any Director solely present may adjourn the meeting from time to time without further notice.

(b) Regular meetings of the Board shall be held at such times and intervals as the Board may from time to time determine.

(c) Special meetings of the Board shall be held on the requisition of the Chairman, if there is one, or if not, by 33 % of the Directors then in office.

(d) Directors may participate in any meeting of the Board by means of such telephone, electronic or other communication facilities as permit all persons participating in the meeting to communicate with each other simultaneously and instantaneously, and participation in such a meeting shall constitute presence in person at such meeting.

(e) Unless a greater number is expressly required by law or these articles, the affirmative votes of a majority of the votes cast by the Directors present at a meeting at which a quorum is in attendance shall be the act of the Board or a committee thereof, as appropriate. At any time that these articles provide that Directors elected by the holders of a class or series of shares shall have more or less than one vote per Director on any matter, every reference in these articles to a majority or other proportion of Directors shall refer to a majority or other proportion of the votes of such Directors.

85. The continuing Directors may act notwithstanding any vacancy in their number but, if and so long as their number is reduced below the number fixed by or pursuant to these articles as the necessary quorum of Directors, the continuing Directors or Director may act for the purpose of increasing the number of Directors to that number or of summoning a general meeting of the Company but for no other purpose.

86. Unless otherwise agreed by a majority of those attending and entitled to attend and vote thereat, the Chairman, if there be one, shall act as chairman at all meetings of the Board, or in the absence of the Chairman, a chairman shall be appointed or elected by those present at the meeting and entitled to vote.

87. The Board may from time to time designate committees of the Board, with such powers and duties as the Board may decide to confer on such committees, and shall, for those committees and any others provided for herein, elect a Director or Directors to serve as the member or members, designating, if it desires, other Directors as alternate members who may replace any absent or disqualified member at any meeting of the committee. Adequate provision shall be made for notice to members of all meetings. A majority of the members shall constitute a quorum unless the committee shall consist of one or two members, in which event one member shall constitute a quorum; and all matters shall be determined by a majority vote of the members present. Action may be taken by any committee without a meeting if all members thereof consent thereto in writing, and the writing or writings are filed with the minutes of the proceedings of such committees.

88. A committee may elect a chairman of its meeting. If no such Chairman is elected, or if at any meeting the Chairman is not present within five minutes after the time appointed for holding the same, the members present may choose one of their number to be chairman of the meeting.

89 All acts done by any meeting of the Directors or of a committee of Directors or by any person acting as a Director shall, notwithstanding that it be afterwards discovered that there was some defect in the appointment of any such Director or person acting as aforesaid, or that they or any of them were disqualified, be as valid as if every such person had been duly appointed and was qualified to be a Director.

(a) Notice of a regular meeting of the Board shall be deemed to be duly given to a Director if it is given to such Director verbally in person or by telephone or otherwise communicated or sent to such Director by mail, courier service, telecopier, facsimile, printing, computer generated email or other mode of representing words in a legible and non-transitory form at such Director's last known address or any other address given by such Director to the Company for this purpose before the proposed date of the meeting, but a failure of the Secretary to send such notice shall not invalidate any proceedings of the Board at such meeting.

90. Notice of a special meeting of the Board shall be deemed to be duly given to a Director if it is sent to such Director by mail before the proposed date of the meeting, or given to such Director verbally in person or by telephone or otherwise communicated or sent to such Director by mail, courier service, telecopier facsimile, printing, computer (b) generated email or other mode of representing words in a legible and non-transitory form, at such Director's last known address or any other address given by such Director to the Company for this purpose at least one day before the proposed date of the meeting, but such notice may be waived by any Director. At any special meeting at which every Director shall be present, even without notice, any business may be transacted.

A resolution or other document in writing (in electronic form or otherwise) signed (whether by electronic signature, advanced electronic signature or otherwise as approved by the Directors) by all the Directors entitled to receive notice of a meeting of Directors or of a committee of Directors shall be as valid as if it had been passed at a meeting of Directors or (as the case may be) a committee of Directors duly convened and held and may consist of 91. several documents in the like form each signed by one or more Directors, and such resolution or other document or documents when duly signed may be delivered or transmitted (unless the Directors shall otherwise determine either generally or in any specific case) by facsimile transmission, electronic mail or some other similar means of transmitting the contents of documents.

EXECUTIVES

(a) The executives of the Company shall consist of a Chief Executive Officer and a Secretary (who may or may not be Directors). The Chief Executive Officer may appoint such other executives (who may or may not be 92. If in a

114. winding up the assets available for distribution among the members shall be more than sufficient to repay the whole of the share capital paid up or credited as paid up at the commencement of the winding up, the excess shall be distributed among the members in proportion to the capital at the commencement of the winding up paid up or credited as paid up on the said shares held by them respectively. Notwithstanding the foregoing, this article shall not affect the rights of the Holders of shares issued upon special terms and conditions.

- (a) In case of a sale by the liquidator under Section 260 of the Act, the liquidator may by the contract of sale agree so as to bind all the members for the allotment to the members directly of the proceeds of sale in proportion to their respective interests in the Company and may further by the contract limit a time at the expiration of which obligations or shares not accepted or required to be sold shall be deemed to have been irrevocably refused and be at the disposal of the Company, but so that nothing herein contained shall be taken to diminish, prejudice or affect the rights of dissenting members conferred by the said Section Act.
- 115.

The power of sale of the liquidator shall include a power to sell wholly or partially for debentures, debenture stock, (b) or other obligations of another company, either then already constituted or about to be constituted for the purpose of carrying out the sale.

If the Company is wound up, the liquidator, with the sanction of a Special Resolution and any other sanction required by the Acts Act, may divide among the members in specie or kind the whole or any part of the assets of the Company (whether they shall consist of property of the same kind or not), and, for such purpose, may value

116. any assets and determine how the division shall be carried out as between the members or different classes of members. The liquidator, with the like sanction, may vest the whole or any part of such assets in trustees upon such trusts for the benefit of the contributories as, with the like sanction, he determines, but so that no member shall be compelled to accept any assets upon which there is a liability.

INDEMNITY

- (a) Subject to the provisions of and so far as may be admitted permitted by the Acts Act, every Director and the Secretary of the Company shall be entitled to be indemnified by the Company against all costs, charges, losses, expenses and liabilities incurred by him in the execution and discharge of his duties or in relation thereto including any liability incurred by him in defending any proceedings, civil or criminal, which relate to anything
117. done or omitted or alleged to have been done or omitted by him as an officer or employee of the Company and in which judgement is given in his favour (or the proceedings are otherwise disposed of without any finding or admission of any material breach of duty on his part) or in which he is acquitted or in connection with any application under any statute for relief from liability in respect of any such act or omission in which relief is granted to him by the Court.

The Company shall indemnify any person who was, is or is threatened to be made a party to a Proceeding (as hereinafter defined) by reason of the fact that he or she (i) is or was an "officer" of the Company as such term is (b) defined in the rules of the U.S. Securities and Exchange Commission promulgated under the U.S. Securities Exchange Act of 1934, as amended (excluding any Director or Secretary) or (ii) is or was serving at the request of the Company as a director, officer, partner, venturer, proprietor,

trustee, employee, agent or similar functionary of another foreign or domestic corporation, general or limited partnership, firm, association, trust, estate, company (including a limited liability company) or any other entity or organisation or employee benefit plan or other enterprise (any such person in clause (i) or clause (ii) above, a “covered person”), to the fullest extent permitted under Irish law, as the same exists or may hereafter be amended. Such right shall be a contract right and as such shall run to the benefit of any officer who is elected and accepts the position of officer or elects to continue to serve as an officer and of any other covered person who is or continues to serve in any of the aforementioned capacities while this article is in effect. Any repeal or amendment of this article shall be prospective only and shall not limit the rights of any such officer or other covered person or the obligations of the Company with respect to any claim arising from or related to the services of such officer or other covered person in any of the aforementioned capacities prior to any such repeal or amendment to this article. Such right shall include the right to be paid by the Company expenses incurred in defending any such Proceeding in advance of its final disposition to the maximum extent permitted under Irish law, as the same exists or may hereafter be amended; provided that to the extent required by law, such payment of expenses in advance of the final disposition of the Proceeding shall be made only upon receipt of an undertaking by the person to repay all amounts advanced if it should be ultimately determined that the officer or other covered person is not entitled to be indemnified under this article or otherwise. If a claim for indemnification or advancement of expenses hereunder is not paid in full by the Company within 60 days after a written claim has been received by the Company, the claimant may at any time thereafter bring suit against the Company to recover the unpaid amount of the claim, and if successful in whole or in part, the claimant shall also be entitled to be paid the expenses of prosecuting such claim. It shall be a defense to any such action that such indemnification or advancement of costs of defense are not permitted under Irish law, but the burden of proving such defense shall be on the Company. Neither the failure of the Company (including the Board or any committee thereof, independent legal counsel or members) to have made its determination prior to the commencement of such action that indemnification of, or advancement of costs of defense to, the claimant is permissible in the circumstances nor an actual determination by the Company (including the Board or any committee thereof, independent legal counsel or members) that such indemnification or advancement is not permissible shall be a defense to the action or create a presumption that such indemnification or advancement is not permissible. In the event of the death of any person having a right of indemnification under the foregoing provisions, such right shall inure to the benefit of his or her heirs, executors, administrators and personal representatives. Except as otherwise provided in this article 117(b), the Company shall be required to indemnify an officer or other covered person of the Company in connection with a Proceeding (or part thereof) commenced by such person only if the commencement of such Proceeding (or part thereof) by the person was authorised by the Board.

The Directors shall have power to purchase and maintain for any Director, the Secretary or other employees of the (c) Company or any director, officer, employee or agent of any of its subsidiaries insurance against any liability referred to in Section 200 of the Act or otherwise.

(d) The Company may additionally indemnify any employee or agent of the Company or any director, officer, employee or agent of any of its subsidiaries to the fullest extent permitted by law.

The rights conferred on any person indemnified by this article shall not be exclusive of any other rights which such (e) person may have or hereafter acquire under any statute, provision of the Memorandum of Association of the Company, these articles, agreement, vote of the members or disinterested Directors or otherwise.

The Company’s obligation, if any, to indemnify or to advance expenses to any person indemnified who was or is (f) serving at its request as a Director or officer or otherwise of another person described in article 117(a) or 117(b) shall be reduced by any amount such person may collect as indemnification or advancement of expenses from such other person.

This article shall not limit the right of the Company, to the extent and in the manner permitted by law, to indemnify (g) and to advance expenses to persons other than persons authorised for indemnification under this article when and as authorised by appropriate corporate action.

Table of Contents

(h) The indemnity provided by this article shall not extend to any matter in respect of any fraud or dishonesty which may attach to any of said persons.

“Proceeding,” for purposes of this article, means any threatened, pending or completed action, suit, claim or (i)proceeding, whether civil, criminal, administrative, arbitratve or investigative, any appeal in such an action, suit, claim or proceeding, and any inquiry or investigation that could lead to such an action, suit, claim or proceeding.

(b) member or other person entitled to such share or stock for the net proceeds of such sale by carrying all monies in respect thereof to a separate account which shall be a permanent debt of the Company and the Company shall be deemed to be a debtor and not a trustee in respect thereof for such member or other person. Monies carried to such separate account may either be employed in the business of the Company or invested in such investments (other than shares of the Company or its holding company if any) as the Directors may from time to time think fit.

To the extent necessary in order to comply with any laws or regulations to which the Company is subject in relation to escheatment, abandonment of property or other similar or analogous laws or regulations (“Applicable

(c)Escheatment Laws”), the Company may deal with any share of any member and any unclaimed cash payments relating to such share in any manner which it sees fit, including (but not limited to) transferring or selling such share and transferring to third parties any unclaimed cash payments relating to such share.
