NOTICE OF ANNUAL MEETING OF STOCKHOLDERS
To Be Held On Thursday, May 7, 2015

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

Why did I receive a notice regarding the availability of proxy materials on the internet?

Pursuant to rules adopted by the Securities and Exchange Commission, or the SEC, we have elected to provide access to our proxy materials over the internet. Accordingly, we have sent you a Notice of Internet Availability of Proxy Materials, or the Notice, because the Board of Directors of Revance Therapeutics, Inc. (sometimes referred to as “we”, “us”, the “Company” or Revance) is soliciting your proxy to vote at the 2015 Annual Meeting of Stockholders, including at any adjournments or postponements of the meeting. All stockholders will have the ability to access the proxy materials on the website at www.proxyvote.com, or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the internet or to request a printed copy may be found in the Notice. We intend to mail the Notice on or about March 27, 2015 to all stockholders of record entitled to vote at the Annual Meeting.

How do I attend the Annual Meeting?

The meeting will be held on May 7, 2015 at 8:00 a.m. local time at Aloft Silicon Valley, 8200 Gateway Blvd., Newark, CA 94560. Directions to the Annual Meeting may be found at www.revance.com. Information on how to vote in person at the Annual Meeting is discussed below.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on March 11, 2015 will be entitled to vote at the Annual Meeting. On this record date, there were 23,937,682 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on March 11, 2015 your shares were registered directly in your name with our transfer agent, Computershare, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on March 11, 2015 your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in “street name” and the Notice is being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

There are two matters scheduled for a vote:

• Election of four directors;

• Ratification of the selection by the Board of Directors of PricewaterhouseCoopers LLP as the independent registered public accounting firm of the Company for its fiscal year ending December 31, 2015.

What if another matter is properly brought before the meeting?

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, the persons designated in the accompanying proxy intend to vote on those matters in accordance with their best judgment.

How do I vote?

You may either vote "For" all the nominees to the Board of Directors or you may "Withhold" your vote for any nominee you specify. For the proposal to ratify the appointment of PricewaterhouseCoopers LLP, you may vote "For" or "Against" or abstain from voting.

The procedures for voting are fairly simple:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted.

To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.

To vote using the proxy card, simply complete, sign and date the proxy card that may be delivered and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

To vote over the telephone, dial toll-free 1-800-690-6903 using a touch-tone phone and follow the recorded instructions. You will be asked to provide the company number and control number from the Notice. Your telephone vote must be received by 11:59 p.m. Eastern Time on May 6, 2015 to be counted.

To vote through the internet, go to www.proxyvote.com and follow the on-screen instructions. Your internet vote must be received by 11:59 p.m., Eastern Time on May 6, 2015 to be counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a Notice containing voting instructions from that organization rather than from Revance. Simply follow the voting instructions in the Notice to ensure that your vote is counted. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of March 11, 2015.

What happens if I do not vote?

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record and do not vote by completing your proxy card, by telephone, through the internet or in person at the Annual Meeting, your shares will not be voted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner and do not instruct your broker, bank, or other agent how to vote your shares, the question of whether your broker or nominee will still be able to vote your shares depends on whether NASDAQ Stock Market, or NASDAQ, deems the particular proposal to be a "routine" matter. Brokers and nominees can use their discretion to vote "uninstructed" shares with respect to matters that are considered to be "routine," but not with respect to "non-routine" matters. Under the rules and interpretations of NASDAQ, "non-routine" matters are matters that may substantially affect the rights or privileges of stockholders, such as mergers, stockholder proposals, elections of directors (even if not contested), executive compensation (including any advisory stockholder votes on executive compensation and on the frequency of stockholder votes on executive compensation), and certain corporate governance proposals, even if management-supported. Accordingly, your broker or nominee may not vote your shares on Proposal 1 without your instructions, but may vote your shares on Proposal 2.

What if I return a proxy card or otherwise vote but do not make specific choices?

If you return a signed and dated proxy card or otherwise vote without marking voting selections, your shares will be voted, as applicable, "For" the election of all four nominees for director, and "For" the ratification of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for its fiscal year ending December 31, 2015. If any other matter is properly presented at the meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one Notice?

If you receive more than one Notice, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on each of the Notices to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

1. Stockholder of Record: Shares Registered in Your Name

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

You may submit another properly completed proxy card with a later date.

You may grant a subsequent proxy by telephone or through the internet.

You may send a timely written notice that you are revoking your proxy to Revance Therapeutics, Inc.'s Secretary at 7555 Gateway Blvd, Newark, CA 94560.

You may attend the Annual Meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy.

Your most current proxy card or telephone or internet proxy is the one that is counted.

2. Beneficial Owner: Shares Registered in the Name of Broker or Bank

If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

When are stockholder proposals and director nominations due for next year's annual meeting?

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by November 28, 2015, to Corporate Secretary, Revance Therapeutics, Inc., 7555 Gateway Blvd., Newark, CA 94560. If you wish to submit a proposal (including a director nomination) at the meeting that is not to be included in next year's proxy materials, you must do so no earlier than the close of business on January 8, 2016, and no later than the close of business on February 7, 2016. You are also advised to review our bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count, for the proposal to elect directors, votes "For," "Withhold" and broker non-votes; and, with respect to other proposals, votes "For" and "Against," abstentions and, if applicable, broker non-votes. Abstentions will be counted towards the vote total for Proposal 2 and will have the same effect as "Against" votes. Broker non-votes have no effect and will not be counted towards the shares voted for Proposal 1. We do not expect that there will be any broker non-votes for Proposal No. 2, but if there are, broker non-votes will have the same effect as "Against" votes.

What are “broker non-votes”?

As discussed above, when a beneficial owner of shares held in “street name” does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed by NASDAQ to be “non-routine,” the broker or nominee cannot vote the shares. These unvoted shares are counted as “broker non-votes.”

How many votes are needed to approve each proposal?

For the election of directors, the four nominees receiving the most “For” votes from the holders of shares present in person or represented by proxy and entitled to vote on the election of directors will be elected. Only votes “For” or “Withheld” will affect the outcome.

To be approved, Proposal No. 2, ratification of the selection of PricewaterhouseCoopers LLP as the Company’s independent registered public accounting firm for fiscal year ended December 31, 2015, must receive “For” votes from the holders of a majority of shares present in person or represented by proxy and entitled to vote on the matter. If you “Abstain” from voting, it will have the same effect as an “Against” vote. Broker non-votes will have no effect on the outcome.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the outstanding shares entitled to vote are present at the meeting in person or represented by proxy. On the record date, there were 23,937,682 shares outstanding and entitled to vote. Thus, the holders of 11,968,842 shares must be present in person or represented by proxy at the meeting to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of shares present at the meeting in person or represented by proxy may adjourn the meeting to another date.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

PROPOSAL 1

ELECTION OF DIRECTORS

Our Board of Directors is divided into three classes, with each class has a three-year term. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy in a class, including vacancies created by an increase in the number of directors, shall serve for the remainder of the full term of that class and until the director's successor is duly elected and qualified.

The Board of Directors presently has ten members. There are four directors in the class whose term of office expires in 2015. Each of the nominees listed below is currently a director of the Company. If elected at the Annual Meeting, each of these nominees would serve until the 2018 annual meeting and until his or her successor has been duly elected and qualified, or, if sooner, until his or her death, resignation or removal. It is our policy to require directors and nominees for director to attend the Annual Meeting.

Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. Accordingly, the four nominees receiving the highest number of affirmative votes will be elected.

INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

INDEPENDENCE OF THE BOARD OF DIRECTORS

As required under NASDAQ listing standards, a majority of the members of a listed company's board of directors must qualify as "independent," as affirmatively determined by the board of directors. The Board consults with the Company's counsel to ensure that the board's determinations are consistent with relevant securities and other laws and regulations regarding the definition of "independent," including those set forth in pertinent listing standards of NASDAQ, as in effect from time to time.

Consistent with these considerations, after review of all relevant identified transactions or relationships between each director, or any of his family members, and the Company, its senior management and its independent auditors, the Board has affirmatively determined that all of our directors except for Mr. Browne, our President and Chief Executive Officer, representing nine of our ten directors, are "independent directors" within the meaning of the applicable NASDAQ listing standards. In making this determination, the Board found that none of these directors or nominees for director had a material or other disqualifying relationship with the Company.

BOARD LEADERSHIP STRUCTURE

The Board of Directors of the Company has an independent chair, Mr. Russell, who has authority, among other things, to call and preside over Board meetings, including meetings of the independent directors, to set meeting agendas and to determine materials to be distributed to the Board. Accordingly, the Board Chair has substantial ability to shape the work of the Board. The Company believes that separation of the positions of Board Chair and Chief Executive Officer reinforces the independence of the Board in its oversight of the business and affairs of the Company. In addition, the Company believes that having an independent Board Chair creates an environment that is more conducive to objective evaluation and oversight of management's performance, increasing management accountability and improving the ability of the Board to monitor whether management's actions are in the best interests of the Company and its stockholders. As a result, the Company believes that having an independent Board Chair can enhance the effectiveness of the Board as a whole.

ROLE OF THE BOARD IN RISK OVERSIGHT

One of the Board's key functions is informed oversight of the Company's risk management process. The Board does not have a standing risk management committee, but rather administers this oversight function directly through the Board as a whole, as well as through various Board standing committees that address risks inherent in their respective areas of oversight. In particular, our Board is responsible for monitoring and assessing strategic risk exposure, including a determination of the nature and level of risk appropriate for the Company. Our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also monitors compliance with legal and regulatory requirements. Our Nominating and Corporate Governance Committee monitors the effectiveness of our corporate governance guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking.

MEETINGS OF THE BOARD OF DIRECTORS

The Board met eight times during 2014. All directors except Mr. Prygocki attended at least 75% of the aggregate number of meetings of the Board and of the committees on which they served, held during the portion of the last fiscal year for which they were directors or committee members, respectively.

INFORMATION REGARDING COMMITTEES OF THE BOARD OF DIRECTORS

AUDIT COMMITTEE

The Audit Committee of the Board of Directors was established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended, or the Exchange Act, to oversee the Company's corporate accounting and financial reporting processes and audits of its financial statements. The principal duties and responsibilities of our Audit Committee include:

appointing and retaining an independent registered public accounting firm to serve as independent auditor to audit our consolidated financial statements, overseeing the independent auditor's work and determining the independent auditor's compensation;

approving in advance all audit services and non-audit services to be provided to us by our independent auditor; establishing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls, auditing or compliance matters, as well as for the confidential, anonymous submission by our employees of concerns regarding questionable accounting or auditing matters;

reviewing and discussing with management and our independent auditor the results of the annual audit and the independent auditor's review of our quarterly consolidated financial statements; and

conferring with management and our independent auditor about the scope, adequacy and effectiveness of our internal accounting controls, the objectivity of our financial reporting and our accounting policies and practices.

The Audit Committee is composed of three directors: Mr. Prygocki, Mr. Byrnes and Dr. Glasheen, with Mr. Prygocki serving as chair of the committee. The Audit Committee met four times during 2014. The Board has adopted a written Audit Committee charter that is available to stockholders on the Company's website at www.revance.com.

Our Board of Directors has determined that all current members of our Audit Committee satisfy the independence requirements under Rule 5605(c)(2)(A)(i) and (ii) of the NASDAQ listing standards and Rule 10A-3(b)(1) of the Exchange Act. Each member of the Audit Committee meets the requirements for financial literacy under the applicable rules and regulations of the SEC and NASDAQ. Our Board of Directors has determined that each of Messrs. Byrnes and Prygocki is an "audit committee financial expert" within the meaning of the SEC regulations. Our board of directors has determined that the composition of our Audit Committee meets the criteria for independence under, and the functioning of our Audit Committee complies with, the applicable requirements of the Sarbanes-Oxley Act, applicable requirements of the NASDAQ listing rules and SEC rules and regulations. We intend to continue to evaluate the requirements applicable to us and comply with future requirements to the extent that they become applicable to our Audit Committee.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2014 with management of the Company. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by Auditing Standard No. 16, Communications with Audit Committees, as adopted by the Public Company Accounting Oversight Board, or PCAOB. The Audit Committee has also received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent accountants' communications with the audit committee concerning independence, and has discussed with the independent registered public accounting firm the accounting firm's independence. Based on the foregoing, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2014, filed with the SEC on March 4, 2015.

The foregoing report has been furnished by the Audit Committee.

Mr. Mark A. Pryocki, Sr.

Mr. Robert Byrnes

Dr. James Glasheen

The material in this report is not “soliciting material,” is not deemed “filed” with the SEC and is not to be incorporated by reference in any filing of the Company under the Securities Act of 1933, as amended, or the Exchange Act, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

COMPENSATION COMMITTEE

The Compensation Committee is composed of two directors: Mr. Byrnes and Dr. Gardner, with Mr. Byrnes serving as chair of the committee. All members of the Company’s Compensation Committee are independent (as independence is currently defined in Rule 5605(d)(2) of the NASDAQ listing standards). The Compensation Committee met nine times during the fiscal year. The Board has adopted a written Compensation Committee charter that is available to stockholders on the Company’s website at www.revance.com.

The Compensation Committee of the Board of Directors acts on behalf of the Board to review, recommend for adoption and oversee the Company’s compensation strategy, policies, plans and programs, including:

- establishment of corporate and individual performance objectives relevant to the compensation of the Company’s executive officers and other senior management and evaluation of performance in light of these stated objectives;
- review and approval of the compensation and other terms of employment or service, including severance and change-in-control arrangements, of the Company’s Chief Executive Officer and other executive officers; and
- administration of the Company’s equity compensation plans, pension and profit-sharing plans, deferred compensation plans and other similar plan and programs.

Compensation Committee Processes and Procedures

Typically, the Compensation Committee meets at least four times annually and with greater frequency if necessary. The agenda for each meeting is usually developed by the Chair of the Compensation Committee. The Compensation Committee meets regularly in executive session. However, from time to time, various members of management and other employees as well as outside advisors or consultants may be invited by the Compensation Committee to make presentations, to provide financial or other background information or advice or to otherwise participate in Compensation Committee meetings. The Chief Executive Officer may not participate in, or be present during, any deliberations or determinations of the Compensation Committee regarding his compensation. The charter of the Compensation Committee grants the Compensation Committee full access to all books, records, facilities and personnel of the Company. In addition, under the charter, the Compensation Committee has the authority to obtain, at the expense of the Company, advice and assistance from compensation consultants and internal and external legal, accounting or other advisors and other external resources that the Compensation Committee considers necessary or appropriate in the performance of its duties. In particular, the Compensation Committee has the sole authority to retain, in its sole discretion, compensation consultants to assist in its evaluation of Chief Executive Officer, senior executive and director compensation, including the authority to approve the consultant’s reasonable fees and other retention terms. Under the charter, the Compensation Committee may select, or receive advice from, a compensation consultant, legal counsel or other adviser to the Compensation Committee, other than in-house legal counsel and certain other types of advisers, only after taking into consideration six factors, prescribed by the SEC and NASDAQ, that bear upon the adviser’s independence; however, there is no requirement that any adviser be independent. During the past fiscal year, the Compensation Committee retained Pearl Meyer & Partners, LLC, or Pearl Meyer, as independent compensation consultants. The Compensation Committee requested that Pearl Meyer:

- evaluate the efficacy of the Company’s existing compensation strategy and practices in supporting and reinforcing the Company’s long-term strategic goals; and
- assist in refining the Company’s compensation strategy and in developing and implementing an executive compensation program to execute that strategy.

In addition, as part of its engagement, Pearl Meyer was requested by the Compensation Committee to develop a comparative group of companies and to perform analyses of competitive performance and compensation levels for that group. Although our Board and Compensation Committee consider the advice and recommendations of Pearl Meyer as to our executive compensation program, the Board and Compensation Committee ultimately make their own decisions about these matters.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

As noted above, during the fiscal year ended December 31, 2014, Mr. Byrnes, Dr. Gardner, Mr. Eastman and Mr. Tunncliffe served on the Compensation Committee, with Mr. Byrnes serving as its chair. Mr. Eastman and Mr. Tunncliffe stepped down from the committee as of May 4, 2014 and October 8, 2014, respectively, and the committee currently consists of Mr. Byrnes and Dr. Gardner. None of Mr. Byrnes, Dr. Gardner, Mr. Eastman and Mr. Tunncliffe is currently or has been at any time one of our employees. None of our executive officers currently serves, or has served during the last year, as a member of the Board of Directors or compensation committee of any entity that has one or more executive officers serving as a member of our Board of Directors or Compensation Committee.

NOMINATING AND CORPORATE GOVERNANCE COMMITTEE

The Nominating and Corporate Governance Committee is composed of three directors: Mr. Russell, Mr. Byrnes and Mr. Eastman, with Mr. Russell serving as the chair of the committee. All members of the Nominating and Corporate Governance Committee are independent (as independence is currently defined in Rule 5605(a)(2) of the NASDAQ listing standards). The Nominating and Corporate Governance Committee did not formally meet during the fiscal year but actively led the process in identifying, interviewing, evaluating and nominating Board candidates in 2014.

Our Nominating and Corporate Governance Committee makes recommendations regarding corporate governance, the composition of our Board, identification, evaluation and nomination of director candidates and the structure and composition of committees of our Board. The Nominating and Corporate Governance Committee has the following responsibilities, among other things, as set forth in the Nominating and Corporate Governance Committee's charter: reviewing periodically and evaluating director performance on our Board and its applicable committees, and recommending to our Board and management areas for improvement; interviewing, evaluating, nominating and recommending individuals for membership on our Board; overseeing and reviewing our processes and procedures to provide information to our Board and its committees; reviewing and recommending to our Board any amendments to our corporate governance policies; and reviewing and assessing, at least annually, the performance of the Nominating and Corporate Governance Committee and the adequacy of its charter.

The Nominating and Corporate Governance Committee also has other responsibilities set forth in the written Nominating and Corporate Governance Committee charter adopted by the Board, which is available on the Company's website at www.revance.com.

The Nominating and Corporate Governance Committee believes that candidates for director should have certain minimum qualifications, including the ability to read and understand basic financial statements, being over 21 years of age and having the highest personal integrity and ethics. The Nominating and Corporate Governance Committee also intends to consider such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to the affairs of the Company, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of the Company's stockholders. However, the Nominating and Corporate Governance Committee retains the right to modify these qualifications from time to time. Candidates for director nominees are reviewed in the context of the current composition of the Board, the operating requirements of the Company and the long-term interests of stockholders. In conducting this assessment, the Nominating and Corporate Governance Committee typically considers diversity, age, skills and such other factors as it deems appropriate, given the current needs of the Board and the Company, to maintain a balance of knowledge, experience and capability.

In the case of incumbent directors whose terms of office are set to expire, the Nominating and Corporate Governance Committee reviews these directors' overall service to the Company during their terms, including the number of meetings

attended, level of participation, quality of performance and any other relationships and transactions that might impair the directors' independence. The committee also will take into account the results of the Board's self-evaluation, conducted annually on a group and individual basis. In the case of new director candidates, the Nominating and Corporate Governance Committee also determines whether the nominee is independent for NASDAQ purposes, which determination is based upon applicable NASDAQ listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Nominating and Corporate Governance Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The Nominating and Corporate Governance Committee meets to discuss and consider the candidates' qualifications and then selects a nominee for recommendation to the Board by majority vote.

The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board may do so by delivering a written recommendation to the Nominating and Corporate Governance Committee at the following address: Revance Therapeutics, Inc., 7555 Gateway Blvd, Newark, CA 94560, not later than February 7, 2016, nor earlier than January 8, 2016. Submissions must include the name, age, business address and residence address of such nominee, the principal occupation or employment of such nominee, the class and number of shares of each class of capital stock of the Company which are owned of record and beneficially by such nominee, the date or dates on which such shares were acquired and the investment intent of such acquisition and a statement whether such nominee, if elected, intends to tender, promptly following such person's failure to receive the required vote for election or reelection at the next meeting at which such person would face election or re-election, an irrevocable resignation effective upon acceptance of such resignation by the Board. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected.

STOCKHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

The Company's Board has adopted a formal process by which stockholders may communicate with the Board or any of its directors. This information is available on the Company's website at www.revance.com.

CODE OF ETHICS

The Company has adopted the Revance Code of Business Conduct and Ethics that applies to all officers, directors and employees. The Code of Business Conduct and Ethics is available on the Company's website at www.revance.com. If the Company makes any substantive amendments to the Code of Business Conduct and Ethics or grants any waiver from a provision of the Code to any executive officer or director, the Company will promptly disclose the nature of the amendment or waiver on its website or in a manner otherwise permitted by applicable rules.

CORPORATE GOVERNANCE GUIDELINES

In April 2013, the Board of Directors documented the governance practices followed by the Company by adopting Corporate Governance Guidelines to assure that the Board will have the necessary authority and practices in place to review and evaluate the Company's business operations as needed and to make decisions that are independent of the Company's management. The guidelines are also intended to align the interests of directors and management with those of the Company's stockholders. The Corporate Governance Guidelines set forth the practices the Board intends to follow with respect to board composition and selection, board meetings and involvement of senior management, Chief Executive Officer performance evaluation and succession planning, and board committees and compensation. The Corporate Governance Guidelines, as well as the charters for each committee of the Board, may be viewed at www.revance.com.

NON-EMPLOYEE DIRECTOR COMPENSATION

The compensation provided to our non-employee directors in 2014 is enumerated in the table below. Mr. Browne, who is also one of our employees, did not and will not receive any compensation for his services as a director.

2014 Director Compensation Table

In December 2013, our Board of directors approved a non-employee director compensation policy that became effective upon the completion of our initial public offering, or the IPO.

Under this policy, we pay each of our non-employee directors a cash retainer for service on the Board of Directors and for service on each committee on which the director is a member. The chairman of each committee receives an additional retainer for such service. These retainers are payable in arrears in four equal quarterly installments on the last day of each quarter, provided that the amount of such payment will be prorated for any portion of such quarter that the director is not serving on our Board of Directors. The retainers paid to non-employee directors for service on the Board of Directors and for service on each committee of the Board of Directors on which the director is a member are as follows:

	Member Annual Service Retainer	Chairman Additional Annual Service Retainer
Board of Directors	\$39,500	\$24,500
Audit Committee	7,500	12,500
Compensation Committee	5,000	7,250
Nominating and Corporate Governance Committee	4,500	3,500

In addition, under our director compensation policy, each non-employee director serving on our Board of Directors upon the completion of our IPO have received, and each non-employee director elected to our Board of Directors after the completion of our IPO received, an option to purchase 18,000 shares of our common stock. These options will vest on the one year anniversary of the grant date, subject to the director's continued service as a director. Further, on the date of each annual meeting of stockholders held, each non-employee director that continues to serve as a non-employee member on our Board of Directors will receive an option to purchase 8,000 shares of our common stock. The exercise price of these options will equal the fair market value of our common stock on the date of grant, and these options will vest on the one year anniversary of the grant date, subject to the director's continued service as a director. This policy is intended to provide a total compensation package that enables us to attract and retain qualified and experienced individuals to serve as directors and to align our directors' interests with those of our stockholders. The following table sets forth a summary of the compensation received during the year ended December 31, 2014:

PROPOSAL 2**RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Board of Directors has selected PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015 and has further directed that management submit the selection of its independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither the Company's bylaws nor other governing documents or law require stockholder ratification of the selection of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm. However, the Board is submitting the selection of PricewaterhouseCoopers LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Board in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote on the matter at the Annual Meeting will be required to ratify the appointment of PricewaterhouseCoopers LLP.

PRINCIPAL ACCOUNTANT FEES AND SERVICES

The following table represents aggregate fees billed to the Company for the fiscal years ended December 31, 2014 and December 31, 2013, by PricewaterhouseCoopers LLP, the Company's principal accountant.

	Fiscal Year Ended	
	2014	2013
	(in thousands)	
Audit Fees ⁽¹⁾	\$1,266,360	\$1,510,688
Audit-related Fees	—	—
Tax Fees	—	—
All Other Fees	—	—
Total Fees	\$1,266,360	\$1,510,688

Audit Fees consist of professional services rendered in connection with the audit of our consolidated financial statements and review of our quarterly consolidated financial statements. Fees for fiscal 2014 and 2013 also include fees associated with our IPO, completed in February 2014, which included review of our quarterly (1) consolidated financial information included in our registration statement on Form S-1 filed with the SEC, as well as delivery of comfort letters, consents and review of documents filed with the SEC. Fees for fiscal 2014 also include fees associated with our follow on offering completed in June 2014, which included delivery of comfort letters, consents and review of documents filed with the SEC.

All fees described above were pre-approved by the Audit Committee.

AUDITOR INDEPENDENCE

In 2014, there were no other professional services provided by PricewaterhouseCoopers LLP that would have required the Audit Committee to consider their compatibility with maintaining the independence of PricewaterhouseCoopers LLP.

PRE-APPROVAL POLICIES AND PROCEDURES

Consistent with requirements of the SEC and the Public Company Oversight Board, or PCAOB, regarding auditor independence, our Audit Committee is responsible for the appointment, compensation and oversight of the work of our

independent registered public accounting firm. In recognition of this responsibility, our Audit Committee has established a policy for the pre-approval of all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services.

Before engagement of the independent registered public accounting firm for the next year's audit, the independent registered public accounting firm submits a detailed description of services expected to be rendered during that year for each of the following categories of services to the Audit Committee for approval:

Audit services. Audit services include work performed for the audit of our financial statements and the review of financial statements included in our quarterly reports, as well as work that is normally provided by the independent registered public accounting firm in connection with statutory and regulatory filings.

Audit-related services. Audit-related services are for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not covered above under "audit services."

Tax services. Tax services include all services performed by the independent registered public accounting firm's tax personnel for tax compliance, tax advice and tax planning.

Other services. Other services are those services not described in the other categories.

The Audit Committee pre-approves particular services or categories of services on a case-by-case basis. The fees are budgeted, and the Audit Committee requires the independent registered public accounting firm and management to report actual fees versus budgeted fees periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval. In those instances, the services must be pre-approved by the Audit Committee before the independent registered public accounting firm is engaged.

(1) Amounts shown in this column represent cash bonus awards granted to our NEOs under our annual incentive plan. Such bonuses are tied to achievement against financial goals that are set in the first quarter of the applicable fiscal year, with payouts determined after the close of the year and primarily based on our level of achievement against those goals. In previous years, the company reported these amounts under the “Bonus” column, but following additional review, we have determined that these amounts qualify to be reported as non-equity incentive plan compensation.

(2) The dollar amounts in this column represent the aggregate grant date fair value of all option awards granted during the indicated year. These amounts have been calculated in accordance with FASB ASC Topic 718, or ASC 718, using the Black-Scholes option-pricing model and excluding the effect of estimated forfeitures. For a discussion of valuation assumptions, see Note 14 to our financial statements and the discussion under “Management’s Discussion and Analysis of Financial Condition and Results of Operations — Critical Accounting Policies and Estimates — Stock-Based Compensation” included in our Annual Report on Form 10-K filed March 4, 2015. These amounts do not necessarily correspond to the actual value that may be recognized from the option awards by the NEOs.

(3) Dr. Bertolino's annual base salary for 2014 was \$392,000. The amount shown reflects the salary earned from his date of hire in September 2014 through December 31, 2014.

(4) Represents a signing bonus of \$50,000 paid in 2014. An additional \$100,000 signing bonus will be paid in installments in 2015.

(5) Includes payout of \$43,494 for excess vacation and \$509 in other taxable benefits.

(6) Includes payout of \$34,464 for excess vacation and \$533 in other taxable benefits.

NARRATIVE TO SUMMARY COMPENSATION TABLE

Executive Employment Arrangements

We have entered into employment agreements with each of our named executive officers; these agreements have no specific term of employment and provide for at-will employment. Each employment agreement provides the NEO with an annual base salary and target bonus opportunity, eligibility for employee benefits offered to our other employees, as well as eligibility under our Executive Severance Plan, described below. The target annual bonus opportunity (expressed as a percentage of base salary) for Mr. Browne was 50% for 2014 and was increased to 55% for 2015; for Dr. Waugh, was 40% for 2014 and was increased to 45% for 2015; and for Dr. Bertolino, was 35% for 2014 and was increased to 40% for 2015.

Severance and Change of Control Benefits

Each of our NEOs is a participant under our Executive Severance Plan, or our Severance Plan, which provides potential severance benefits in the event of certain qualifying terminations of employment, subject to the executive's execution of a waiver and release of claims in favor of the Company.

Under the Severance Plan, upon an involuntary termination of a participant other than for cause, and where such termination is not within 12 months following a change of control, the benefits provided under the Severance Plan consist of: (i) salary continuation payments for 15 months in the case of our chief executive officer, and for nine months in the case of the other named executive officers; and (ii) payment by us of COBRA premiums for the participant and his eligible dependents for a period of up to 15 months in the case of our chief executive officer, and up to nine months in the case of the other NEOs.

For a period of 12 months following a change in control, if we involuntarily terminate a participant for any reason other than cause, or the participant resigns for "good reason" (each as defined in the Severance Plan), then the benefits provided by the Severance Plan will consist of: (i) a lump sum payment equal to the sum of the participant's monthly base salary and monthly annual target bonus, multiplied by 21 in the case of our chief executive officer, and by 12 in the case of the other NEOs; (ii) payment of COBRA premiums for the named executive officer and his eligible dependents for a period of up to 21 months in the case of our chief executive officer, and up to 12 months in the case of the other NEOs; and (iii) accelerated vesting of all unvested stock options then held by the NEO.

Under the Severance Plan, a "change of control" is defined the same way it is under our 2014 Equity Incentive Plan. If any of the benefits provided under the Severance Plan would constitute a "parachute payment" within the meaning of Section 280G of the Internal Revenue Code of 1986, as amended, or the Code, such that the payments would become subject to the excise tax imposed by Section 4999 of the Code, then the payments will either be paid in full to the participant, or reduced so that no portion of such benefits will be subject to the excise tax, whichever provides the greater after-tax benefit to the participant.

Employee Benefit Plans

401(k) Plan

We sponsor a 401(k) retirement plan in which our named executive officers participate on the same basis as our other U.S. employees. No matching or other company contributions were made under this plan in our fiscal 2014.

Pension Benefits

We do not maintain a defined benefit pension plan for any of our employees.

Nonqualified Deferred Compensation

We do not maintain a plan providing nonqualified deferred compensation for any of our employees.

We are aware that one or more institutional investors purchased a number of shares of our common stock in amounts representing in excess of five percent of our common stock as of March 10, 2015, and as a result, one or more of such institutional investors may continue to beneficially own in excess of five percent of our common stock as of March 10, 2015. However, as of the date of this Proxy Statement, other than as disclosed below, we are not aware of any filings made with the SEC with respect to the beneficial ownership of our common stock by such institutional investors and we were otherwise unable to verify the beneficial ownership of our common stock by any such institutional investor as of the date of this Proxy Statement.

Beneficial ownership is determined in accordance with the rules of the SEC and generally includes any shares over which a person exercises sole or shared voting or investment power. Shares of common stock issuable under options or warrants that are exercisable within 60 days after March 10, 2015, are deemed beneficially owned and such shares are used in computing the percentage ownership of the person holding the options or warrants but are not deemed outstanding for the purpose of computing the percentage ownership of any other person. The percentage of beneficial ownership is based on 23,937,636 shares of our common stock outstanding as of March 10, 2015.

The information contained in the following table is not necessarily indicative of beneficial ownership for any other purpose and the inclusion of any shares in the table does not constitute an admission of beneficial ownership of those shares.

Unless otherwise indicated below, to our knowledge, all persons named in the table have sole voting and dispositive power with respect to their shares of common stock, except to the extent authority is shared by spouses under community property laws. Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Notices of Internet Availability of Proxy Materials or other Annual Meeting materials with respect to two or more stockholders sharing the same address by delivering a single Notice of Internet Availability of Proxy Materials or other Annual Meeting materials addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies. This year, a number of brokers with account holders who are Revance Therapeutics, Inc. stockholders will be “householding” the Company’s proxy materials. A single Notice of Internet Availability of Proxy Materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate Notice of Internet Availability of Proxy Materials, please notify your broker or Revance Therapeutics, Inc. Direct your written request to Investor Relations, Revance Therapeutics, Inc., 7555 Gateway Blvd., Newark, CA 94560 or contact Investor Relations at (714) 325-3584. Stockholders who currently receive multiple copies of the Notices of Internet Availability of Proxy Materials at their addresses and would like to request “householding” of their communications should contact their brokers.

OTHER MATTERS

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.
