**ITEM COSTS ASSOCIATED WITH EXIT OR DISPOSAL ACTIVITIES.****2.05**

On July 11, 2006, Constellation Brands, Inc. (the "Company") committed to the principal features of a plan to restructure and integrate the operations of Vincor International Inc. ("Vincor") which the Company acquired on June 5, 2006 (the "Plan"). The Plan is under development and is expected to be finalized by May 31, 2007. The objective of the Plan is to achieve operational efficiencies and eliminate redundant costs resulting from the transaction as well as to achieve greater efficiency in sales, marketing, administrative and operational activities. Approximately 90% of Vincor's 2,358 worldwide employees will be retained, with positions trimmed coming primarily from sales, marketing, administrative and production redundancies in the United States, United Kingdom and Australia, where Constellation's operations are significantly larger in scale than Vincor's. The Plan also includes the termination of various contracts. The actions under the Plan commenced on July 11, 2006, and the Company currently expects to substantially complete the Plan by the end of the Company's current fiscal year, which ends on February 28, 2007 ("Fiscal 2007").

As further detailed in the table below, a portion of the costs associated with the Plan will be recorded as liabilities in the Company's allocation of purchase price in connection with the Company's acquisition of Vincor. The remaining portion of the costs associated with the Plan will be charged to the Company's results of operations during Fiscal 2007 and its fiscal year ending February 29, 2008 ("Fiscal 2008"). In connection with the Plan, the Company expects to incur aggregate cash expenditures of approximately \$89 million, primarily during Fiscal 2007. No non-cash charges are contemplated in connection with the Plan. The following table sets forth the Company's current expectations related to the Plan:

	Estimated Purchase Price Allocations	Estimated Pretax Charges During Fiscal 2007	Estimated Pretax Charges During Fiscal 2008	Estimated Total
<i>(in millions)</i>
