## Edgar Filing: DEWEY ELECTRONICS CORP - Form DEF 14A

SEC rules require that the Corporation disclose whether members of the Board of Directors are "independent", as that term is defined in stock exchange rules. Although the Corporation's shares do not trade on Nasdaq, if the Nasdaq definition of "independence" were to apply, LTG James M. Link, Nathaniel Roberts, John B. Rhodes and Ronald Tassello would be "independent" directors for these purposes and John H.D. Dewey and Frances D. Dewey would not be "independent" directors for these purposes.

The Board of Directors has the following committees: (1) Audit Committee, (2) Executive Compensation Committee, (3) Stock Option Committee and (4) Business Development Committee. The Board does not have a nominating committee.

The Audit Committee is composed of Ronald Tassello (Chairman), John Rhodes and James M. Link. Although the Corporation's shares do not trade on Nasdaq, if the Nasdaq definition of "independence" were to apply, all of the members of the Audit Committee would be "independent" directors for these purposes. The Committee, which was formed in December 2006, held four meetings during the last fiscal year. For additional information regarding the Audit Committee, see "Independent Public Accountants" below.

The Executive Compensation Committee is composed of Messrs. Roberts, Link and Tassello. Although the Corporation's shares do not trade on Nasdaq, if the Nasdaq definition of "independence" were to apply, all of the members of the Executive Compensation Committee would be "independent" directors for these purposes. The Committee held one meeting during the last fiscal year. The Committee assists the Board in meeting its responsibilities with regard to oversight and determination of executive compensation. It reviews and makes recommendations to the Board with respect to major compensation plans, policies and programs for the Corporation. The CEO meets with, and discusses executive performance with, the Committee. The Committee evaluates this information and takes it into account in making recommendations to the entire Board for approval. The Committee does not retain advisors. It does not have a charter.

The Stock Option Committee is composed of Messrs. Rhodes and Roberts. The Committee held one meeting during the last fiscal year. The Committee administers the 1998 Stock Option Plan of the Corporation.

The Business Development Committee is composed of John H.D. Dewey and General Link. The Committee assists in the identification and pursuit of potential business opportunities for the Corporation.

During the fiscal year ended June 30, 2008, each director attended at least 75% of the aggregate of (1) the total number of meetings of the Board of Directors (held during the period for which he has been a director) and (2) the total number of meetings held by all committees of the Board on which he served (during the periods that he served).

### Director Compensation

The following table sets forth the compensation paid to each non-employee director of the Corporation for the fiscal year ended June 30, 2008:

Name of Director	Fees Earned or Paid in Cash	Total
Frances D. Dewey	\$33,000	\$33,000

**Edgar Filing: DEWEY ELECTRONICS CORP - Form DEF 14A**

James M. Link	\$29,200	\$29,200
Nathaniel A. Roberts	\$4,800	\$4,800
John B. Rhodes	\$5,200	\$5,200
Ronald Tassello	\$5,600	\$5,600

The Corporation's current policy regarding standard compensation of directors is to pay \$4,000 per annum plus \$400 for each meeting attended in person. No payments for services as a director or committee member during fiscal year 2008 were made to John H.D. Dewey (who received compensation as an officer of the Corporation). Annual compensation of \$33,000 was paid to Frances D. Dewey as Chairperson of the Board, in lieu of the standard directors fees described above. In addition to the standard directors fees, James M. Link was paid \$24,000 for serving on the Business Development Committee. In December 2001, stockholders approved a Stock Option Plan for Non-Employee Directors under which options exercisable for a total of 50,000 shares of Common Stock may be granted. To date, no options have been granted under this plan, which is administered by the Board.

**Executive Officers**

In addition to John H. D. Dewey (see "Information Concerning Directors and Nominees" above), the Corporation's executive officers are:

Edward L. Proskey, age 52, who was elected Vice President, Operations of the Corporation in June 1994 (this title was changed to Senior Vice President, Operations in June 2003 and then to Senior Vice President in August 2008).

Dana P. Hollis, age 57, who was elected as Vice President, Business Development/Program Management in January 2007. Previously, from May 1985 to 2006, Mr. Hollis was employed by Smiths Aerospace, LLC, a systems and avionics manufacturer, in various positions, including Senior Project Engineering Manager and Senior Program Manager; and previous to that he was the Senior Project Engineer - Engine Controls and Accessories at United Technologies from October 1979 to April 1985.

Stephen P. Krill, age 56, who became an employee of the Corporation in September 2005 and was elected Treasurer in December 2005. Previously, from January 16, 2005, Mr. Krill provided financial consulting services to the Corporation as an employee of Resources Global Professionals, a temporary financial staffing company; from 2001 to 2005 he was an associate with Robert Half, Inc., also a temporary financial staffing company; and previous to that he spent 15 years at Southco Inc., a manufacturer of access hardware, as a Controller and Corporate Financial Consultant.

Retirement Benefits

The Corporation has a non-contributory pension plan for all active employees, under which, in general, employees can receive an amount per month equal to 0.8% multiplied by their years of service (up to a maximum of 35 years of service) multiplied by their average monthly earnings (based on earnings during the five years preceding retirement), up to a specified maximum of \$850 per month for life assuming normal retirement at age 65. Upon the employee's death, 50% of the monthly benefit is payable to the employee's spouse for life. Mrs. Dewey receives survivor's benefits of \$602 per month but does not otherwise participate in the pension plan. The Corporation's executive officers (other than Mr. Hollis, who became an employee in December 2006) will receive the monthly maximum amount of \$850 at retirement, based upon

## Edgar Filing: DEWEY ELECTRONICS CORP - Form DEF 14A

current compensation levels and assuming normal retirement at age 65.

### Insurance Arrangements

The Corporation has insurance coverage under which its directors and officers (as well as the Corporation) are indemnified under certain circumstances with respect to litigation and other costs and liabilities arising out of actual or alleged misconduct of such directors and officers. The Corporation pays all premiums to the insurer, the Federal Insurance Company of the Chubb Group of Insurance Companies.

### Section 16(a) Beneficial Ownership Reporting Compliance

For the fiscal year ended June 30, 2008, based solely on a review of copies of reports furnished to the Corporation or written representations that no other reports were required, the Corporation believes that all filing requirements under Section 16(a) of the Securities Exchange Act of 1934 applicable to its executive officers and directors were complied with.

### Certain Corporate Governance Matters

**Code of Business Conduct and Ethics.** The Corporation has adopted a Code of Business Conduct and Ethics that applies to all of its directors, officers and employees. The code is available at the Corporation's website at [www.deweyelectronics.com](http://www.deweyelectronics.com). Any substantive amendments to the code and any grant of a waiver from a provision of the code requiring disclosure under applicable SEC rules will be disclosed in a report on Form 8-K.

**Stockholder Communications with the Board of Directors.** The Corporation's Board of Directors has adopted the following policy by which stockholders may communicate with the Board or with individual directors or Board committees. The communication should be in writing, addressed to the Board or applicable committee or directors, c/o Corporate Secretary, The Dewey Electronics Corporation, at the Corporation's executive offices. The Corporate Secretary will review all such correspondence received and will periodically, at least quarterly, forward to the applicable directors a summary of all such correspondence together with copies of correspondence that the Corporate Secretary believes should be seen in its entirety. Correspondence or summaries will be forwarded to the applicable directors on an expedited basis where the Corporate Secretary deems it appropriate. Communications raising concerns related to the Corporation's accounting, internal controls, or auditing matters will be immediately brought to the attention of the Audit Committee.

Directors may at any time review a log of correspondence received by the Corporation that is addressed to the director (or to the full Board or a Board committee on which he or she serves) and may request copies of any such correspondence.

The Corporation believes that it is important for directors to directly hear concerns expressed by stockholders. Accordingly, it is the Corporation's policy that Board members are expected to attend the Annual Meeting of Stockholders absent a compelling commitment that prevents such attendance. All current members of the Board attended the December 2007 Annual Meeting.

**Director Nominations.** The candidates for election as directors at the annual meeting have been nominated by the Board. The Corporation does not have a nominating committee; the Board believes that it is

## Edgar Filing: DEWEY ELECTRONICS CORP - Form DEF 14A

desirable for such decisions to be made by the entire Board.

In evaluating director candidates for purposes of recommending director candidates to the Board, the Board will consider the following factors: the candidate's moral character and personal integrity; whether the candidate has expertise and experience relevant to the Corporation's business; whether the candidate's expertise and experience complements the expertise and experience of the other directors; whether the candidate would be independent of any particular constituency and able to represent the interests of all stockholders of the Corporation; the congeniality of the candidate with the other directors; whether the candidate would have sufficient time available to devote to Board activities; and any other factors deemed relevant by the Board.

The Board will consider director candidates recommended by stockholders of the Corporation. Stockholders may recommend an individual for consideration by submitting to the Board the name of the individual, his or her background (include education and employment history), a statement of the particular skills and expertise that the candidate would bring to the Board, the name, address and number of shares of the Corporation beneficially owned by the stockholder submitting the recommendation, any relationship or interest between such stockholder and the proposed candidate, and any additional information that would be required under applicable SEC rules to be included in the Corporation's proxy statement if such proposed candidate were to be nominated as a director.

Such submissions should be addressed to the Board of Directors c/o Corporate Secretary, at the Corporation's executive offices. In order for a candidate to be considered for any annual meeting, the submission must be received by the Corporation no later than the May 15 preceding such annual meeting. The Corporation anticipates that its next annual meeting will be held in December 2009 (the month when it typically holds its annual meetings).

The Board will evaluate the biographical information and background material relating to each potential candidate and may seek additional information from the submitting stockholder, the potential candidate, and/or other sources. The Board may hold interviews with selected candidates. Individuals recommended by stockholders will be considered under the same factors as individuals recommended by other sources.

"Audit Committee Financial Expert." The Board of Directors has determined that Mr. Ronald Tassello, a member of the Audit Committee, is the Corporation's "audit committee financial expert" as that term is defined by SEC rules. Although the Corporation's shares do not trade on Nasdaq, if the Nasdaq definition of "independence" were to apply, Mr. Tassello would be an "independent" director for these purposes.

### INDEPENDENT PUBLIC ACCOUNTANTS

The independent registered public accounting firm selected by the Board of Directors for the Corporation's current fiscal year is Amper, Politziner & Mattia, P.C. ("AP&M"). It is expected that a representative of AP&M will be present at the annual meeting of stockholders with the opportunity to make a statement if they desire to do so and to respond to appropriate questions.

Effective July 17, 2006, the Board of Directors dismissed Deloitte & Touche LLP ("Deloitte") as the Corporation's independent registered public accounting firm and engaged AP&M as the Corporation's new independent registered public accounting firm. No accountant's report on

## Edgar Filing: DEWEY ELECTRONICS CORP - Form DEF 14A

the financial statements for the Corporation's fiscal years ended June 30, 2005 and 2004 contained an adverse opinion or disclaimer of opinion, or was qualified or modified as to uncertainty, audit scope, or accounting principles. During the Corporation's fiscal years ended June 30, 2005 and 2004 and the subsequent interim periods through the date of Deloitte's dismissal, there were no "disagreements" (as such term is used in Item 304 (a) (1) (iv) of Regulation S-B) with Deloitte at any time regarding any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure that, if not resolved to the satisfaction of Deloitte, would have caused it to make reference to the subject matter of the disagreement in connection with its reports. In addition, during the Corporation's fiscal years ended June 30, 2005 and 2004 and the subsequent interim periods through the date of Deloitte's dismissal, no "reportable events" (as such term is defined in Item 304(a) (1) (v) of Regulation S-B) arose in the context the of the Corporation's relationship with Deloitte.

During the periods described in the preceding paragraph prior to engaging AP&M, the Corporation did not consult AP&M regarding either: (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Corporation's financial statements, and AP&M did not provide either a written report or oral advice to the Corporation that AP&M concluded was an important factor considered by the Corporation in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement or a reportable event.

### Fees

**Audit Fees.** The aggregate fees billed for audit services rendered by AP&M for the fiscal years ended June 30, 2008 and June 30, 2007 were \$121,500 and \$120,000, respectively. These services consisted of reviews of the Corporation's quarterly financial statements and the audit of the Corporation's annual financial statements.

**Tax Fees; Audit-Related Fees; All Other Fees.** In the fiscal years ended June 30, 2008 and June 30, 2007, there were no other fees billed by AP&M for professional services rendered to the Corporation.

Deloitte did not render any audit services or other professional services to the Corporation for the fiscal years ended June 30, 2008 and June 30, 2007.

The Corporation's Audit Committee is responsible primarily to assist the Board of Directors in fulfilling its responsibilities for providing oversight of the Corporation's accounting and financial reporting practices, as more fully described in its written charter approved by the Board of Directors. The Audit Committee charter is available on the Corporation's website, [www.deweyelectronics.com](http://www.deweyelectronics.com). Management is responsible for preparing the Corporation's financial statements and the Corporation's independent registered public accounting firm is responsible for auditing those statements.

In discharging its responsibilities, the Audit Committee (1) reviewed and discussed the audited financial statements of the Corporation at and for the fiscal year ended June 30, 2008 with management, (2) received the written disclosures and the letter from the Corporation's independent registered public accounting firm required by the Independence Standards Board Standard No. 1, as adopted by the Public Company Accounting Oversight Board in Rule 3600T, and (3) discussed with the independent registered public accounting firm the matters referred to

## Edgar Filing: DEWEY ELECTRONICS CORP - Form DEF 14A

in Statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T, and the auditors' independence from the Corporation.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the Corporation's audited financial statements be included in the Corporation's Annual Report on Form 10-KSB for the fiscal year ended June 30, 2008, for filing with the Securities and Exchange Commission.

Submitted by the Audit Committee,

Ronald Tassello, Chairman  
LTG James M. Link (USA Ret)  
John B. Rhodes
