Item 7.01

Regulation FD Disclosure

Kenneth I. Chenault, Chairman and Chief Executive Officer of American Express Company (the “Company”), provided the following information regarding the Company’s billed business in his remarks made earlier today at Sanford C. Bernstein's 26th Annual Strategic Decisions Conference in New York:

On a year-over-year basis worldwide billed business for:

- March 2010 grew 20% (17% as adjusted for impact of foreign exchange rates);
 - April 2010 grew 19% (15% on an FX-adjusted basis); and
- the first 20 days of May 2010 grew an estimated 14% on a preliminary basis (preliminarily, 14% on an FX-adjusted basis).

Adjusted for days mix, as well as the impact of foreign exchange rates, billed business grew 15% for each of March and April 2010 and, preliminarily, an estimated 15% for the first 20 days of May 2010.

Mr. Chenault also reported that the growth in billed business during the first quarter of 2010 was consistent across all wallet sizes within the Company’s U.S. consumer cardmember base.

An audio replay of Mr. Chenault’s complete remarks will be available later today through the American Express Investor Relations website at <http://ir.americanexpress.com>.
