Item 2.02 Results of Operations and Financial Condition

On November 16, 2017, Stage Stores, Inc. (“we,” “our” or “registrant”) issued a news release reporting our unaudited financial results for the third quarter of fiscal 2017 and updating our guidance for fiscal 2017.

The news release included “non-GAAP financial measures,” as that term is defined by Rule 101 of Regulation G (17 CFR Part 244) and Item 10 of Regulation S-K (17 CFR Part 229). Specifically, the following non-GAAP financial measures were included: (i) adjusted net loss; (ii) adjusted diluted loss per share; (iii) adjusted gross profit; and (iv) adjusted selling, general and administrative expenses. The non-GAAP financial measures exclude from the most directly comparable financial measure calculated and presented in accordance with accounting principles generally accepted in the United States of America (“GAAP”) after-tax charges related to (i) the Gordmans acquisition, store closures and a pension settlement of approximately \$0.1 million, or \$0.00 per diluted share, for the third quarter of fiscal 2017; (ii) the Gordmans acquisition, store closures, impairments and a pension settlement of approximately \$6.3 million, or \$0.23 per diluted share, for the year-to-date 2017; (iii) store closures and other strategic initiatives of approximately \$0.2 million, or \$0.01 per diluted share, for the third quarter of fiscal 2016; and (iv) the consolidation our corporate headquarters, severance charges associated with a workforce reduction, store closures, impairments and other strategic initiatives \$1.3 million, or \$0.05 per diluted share, for the year-to-date 2016. Adjusted 2017 guidance excludes after-tax charges associated with the Gordmans acquisition, store closures, impairments and other totaling approximately \$0.23 per diluted share. The news release posted in the Investor Relations section of our website contains a presentation of the most directly comparable financial measure calculated and presented in accordance with GAAP and a reconciliation of the difference between the non-GAAP financial measures and the most directly comparable financial measures calculated and presented in accordance with GAAP. We believe this supplemental financial information enhances an investor’s understanding of our financial performance as it excludes those items which impact comparability of operating trends. The non-GAAP financial information should not be considered in isolation or viewed as a substitute for net income, cash flow from operations or other measures of performance as defined by GAAP. Moreover, non-GAAP financial information as reported by us is not necessarily comparable to other similarly titled measures of other companies due to the potential inconsistencies in the method of presentation and items considered.

Attached as Exhibit 99 to this Form 8-K is a copy of the news release, including information concerning forward-looking statements and factors that may affect our future results. The information in Exhibit 99 shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference to such filing. By furnishing the information in this Form 8-K and the attached exhibit, we are making no admission as to the materiality of any information in this Form 8-K or the exhibit.
